Alberta Heart Foundation Names New Official

Reed W. Ainscough, Lethbridge, was elected President of the Alberta Heart Foundation at their annual meeting in Edmonton, on Friday, September 28, 1979.

Mr. Ainscough is associated with Canada Life and has been a member of the Alberta Heart Foundation for the past 10 years. In addition to holding the rank of Lt. Colonel, in the Armed Forces (land), Mr. Ainscough is a member of the Masonic Lodge, Rotary Club and the Chamber of Commerce in Lethbridge.

Retiring President William D. Marble reported the 1979 Heart Fund Campaign was the most successful in the history of the Foundation. Of the more than one million dollars raised, $900,000 was committed to heart research. "The magnificent generosity of the people of Alberta is the prime reason heart research can be supported to such an extent", Mr. Marble stated.

Other newly elected officers include John Peake, Calgary, First Vice-President, Orest P. Mulka, Edmonton, Second Vice-President, Honorary Treasurer, Ross Fraser, Edmonton, Honorary Secretary, Terry Tennant, Red Deer.

Holden and District News

A fall supper will be held at the St. Gregory's Church parlors on Sunday, November 18, beginning at 5:00 and continuing until 7:30 p.m. Everyone is welcome to attend and an invitation is issued to all to come out for the evening.

Alberta Tiedemann and her three daughter of Tofield have purchased the Poe General Store. Mrs. Tiedemann stated that she was pleased to be into this business and extends a welcome to all area folks to drop in.

Mrs. Tiedemann's eldest daughter drives a school bus from Ryley and her twin daughters attend junior high school in Ryley.

The Holden and District Agricultural Society will be holding their Annual Fall Carnival. It will be held in the Holden Community Hall on Saturday, November 24, 1979.

The Holden elementary school are now in the planning stages of holding a school concert. Plans are to have the presentation on the afternoon of Thursday, December 13 at the Regional Recreation Arts Centre in Holden. The exact time of the performance will be announced at a later time.

November Is "Immunization Month"

November is "Immunization Month" across Canada. The Vegreville Health Unit joins other local Health Authorities in Alberta, medical associations and the National Committee for Immunization Action in Canada, in a national campaign.

The objective of the campaign is to increase compliance with Measles immunization in particular, and with recommended immunization standards in general. Immunization stimulates the body to develope protective substances against certain communicable diseases such as diptheria, tetanus, polio, pertussis (whooping cough), measles and rubella (german measles).

Most adults falsely thing a childhood immunization program protects them from disease for a lifetime. In announcing the new immunization schedule for adults in Alberta, Bob Bogle, Minister of Social Services and Community Health, states "Adults may need additional protection against vaccine preventable diseases". Mr. Bogle points out that the new standards are somewhat different from the former recommendations.

Immunization is free and is available to all Albertans from local Health Units and city Health Departments.

During Immunization Month, the Vegreville Health Unit will be distributing free "Be Wise - Immunize" decals to children, displaying posters and pamphlets, and responding to public requests for information about immunization schedules.

For information and or appointments at Well Child/adult clinics, contact the Vegreville Health Unit office nearest you.

Holden Chamber Holds Meeting

The Holden and District Chamber of Commerce held supper meeting on Tuesday, November 6. The meeting was called to order by President Kevin Stambaugh.

Secretary-Treasurer, Bill Hallett was unable to attend. In his absence, Dennis Shacheski read the minutes and acted as secretary-treasurer for this meeting.

President Kevin Stambaugh moved the acceptance of the minutes as read.

Mel Haas stated that approximately 15 signs had been sold since the last meeting. Reg Doleon stated that Holden and District Chamber of Commerce will host the Battle River Tourist Association on February 21, 1979.

Marvin Giebelhaus gave a report on rural development and stated that a supper meeting will be hosted by Holden on November 29th. It was moved by Oleh Shykora that the Board of Directors act as the nominating committee for the new 1980 executive.

Moved by Oleh Shykora that the President, Vice-President and Secretary be authorized to organize a Christmas program including its promotion

There were fourteen members present at this meeting. The next Chamber of Commerce meeting will be held in December. This is "Ladies Night" and it will be in the form of a supper meeting with entertainment.

County Sponsors Agricultural Workshop

The County of Beaver is sponsoring an all day Agricultural Workshop on Tuesday, November 19th at the Legion Hall in Ryley, from 10:00 a.m. until 3:30 p.m. The purpose of the work shop is to give local farmers, landowners and farm organizations an opportunity to assist the County in the preparation of agricultural land use policies.

These agricultural policies would form the basis of a new County Land Use By-Law, which will replace the existing Zoning By-Law. At this time, municipalities throughout Alberta are preparing new land use by-laws. Area residents may be awgre of similar work being done in Tofield, Holden, Ryley and Viking.

Topics for discussion in this day-long workshop will include: 1. Farmstead separations; 2. Minimum parcel size for agriculture; 3. Country residential developement as it affects agriculture; and 4. Intensive livestock operations: problems and potential land use conflicts.

Participating in the workshop will be County Councillors and officials, representatives from the Department of Agriculture, and planners from the Department of Municipal Affairs.

The County intends to hold more workshops and meetings in the future to discuss other land use concerns, such as country residences and wildlife. The County intends to hold an evening meeting in the future because many county residents interested in country residential development will be unable to attend the workshops held during the day.

NOTICE
The Annual Meeting of the Shareholders of the County of Beaver Seed Cleaning Co-op will be held in the Masonic Hall in Holden on Wednesday, November 21st, 1979 at 8:00 p.m.

Bruce 4-H Club Report

Bruce 4-H activities are well under way with the second meeting of the year being held on November 7th at 7:30 in the Bruce School. There are three Levels in the program this year with the leaders for each group as follows: Pee Wees - Mrs. Audrey Pratt in charge; Foods 1 - Mrs. Paulette Erickson and Mrs. Lorna Koppel serving as instructors; and Foods II Mrs. Faye Kraus, and Mrs. Sharon Giebelhaus in charge of the project.

Projects undertaken this week included Foods I conducting a discussion on vitamins and nutirents. The Foods II group tested their cooking skills and cooked 'Dreamy Lemon Whip'.

An item of interest which was discussed was an upcoming workshop for hair care and make-up.

"Trinity Sound" is a musical team with a message. Gary & Doreen Kerychuk have been singing gospel music for over ten years. They enjoy singing and this comes through remarkably clear in their presentation. They will be presenting a concert this FRIDAY, NOVEMBER 16th at VIKING ALLIANCE CHURCH at 7:30 P.M. The public is invited to attend.

"Trinity Sound" have sung in auditoriums, camps, churches of different denominations, prisons, schools, open air meetings, and concerts in many parts of Canada. Music has always communicated with everyone in some way, in some style and their singing whether by the use of sound-track or with Doreen's piano accompaniment will touch the heart. Their singing will leave an inspiring impression that will linger long past the concert.

They are based in Courtenay, British Columbia, on beautiful Vancouver Island. They will be singing this one night only in the area, so don't miss this opportunity to hear and meet "Trinity Sound", one of Canada's best loved gospel singing teams.

Brownies And Guides Conduct Poppy Sale

On Saturday, November 10th, the Viking Brownies and Guides conducted an in town sales drive of 'poppies' in remembrance of the brave men who fought for our country in the wars.

The Brownies and Guides are working for their International Year of the Child crest. The theme is Aware, Care and Share. We are aware of the children of the world who are less fortunate than ourselves.

To achieve the 'care' requirement of the crest, we will be setting out decorated cans in the various stores to gather pennies for the Canadian Save the Children Fund. Our leaders will be collecting the donations and sending the money to the Canadian Save the Children headquarters.

A few of the girls have made quilts which have been sent to the Ukrarian Service Committee.

In the 'share' category, the girls will donate to the support of the Girl Guide Association of Upper Volta to assist with the water projects in their rural areas.

Members of the Viking Brownies spent several hours on Saturday selling Remembrance Day poppies. Staff Photo

All the Brownies and Guides of Canada have been sending money to this project. The National Commissioner of Upper Volta has informed us that two wells for water have already been dug. These two wells will provide water for many people in Upper Volta who would not otherwise have had it.

The money the Brownies and Guides receive for selling poppies will go toward this project. We would like to thank all the people for helping us to make these projects successful.

Parkland Nursing Home News

Greetings and get well wishes are sent to Mrs. Speidel, who is a patient in the hospital.

Mr. and Mrs. Ken Rose called on Tonie Bessmer and Roy Harris.

Eva Henderson of Forestburg visited with her husband Rod.

On Friday afternoon, the Grade One class came over for a visit and to sing us a few songs. We all enjoyed their visit greatly and look forward to the next visit. Come again soon.

Mr. Murray enjoyed a visit with his daughter Joan Mackie.

Calling on Mrs. Kawaliak were Don and Judy Kyrako and sons of Sherwood Park.

A warm welcome is extended to our new resident Mr. Engmar Benson. Mr. Benson lived in the Bruce area for many years and we hope his stay at Parkland is a happy one.

On Friday November 30, we are holding our fall tea and bazaar from 2:30 until 4:00. In addition to the bazaar table and delicious lunch, there will be a bake table loaded with home baked goodies.

Raffle tickets are now on sale. First prize is a 17 inch doll with a wardrobe consisting of a knit sweater, evening dress, sunsuit, bunting bag and much more. This doll will be a sure winner with any little girl. Second prize is a macrame towel holder - to brighten your bathroom. The proceeds will be used to purchase two swing sets, as well as covering the cost of craft supplies and our summer outings. See you on Tuesday.

Do You Know The Bible Says

By Mrs. W. Myers

He that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God...

If you are not saved then you are condemned already because you as everyone else has sinned as the scriptures state. It is not your fault you are tainted with sin; you were born that way.

Every baby that comes into the world is a little sinner, but Jesus died for the sinner and offers His Salvation to all who will accept.

You are condemned because you are choosing to continue in sin, rather than turning from it and receiving Christ as your Saviour. A condemned sinner pays the wage of sin through eternal punishment after death, but if in this life, you will accept Jesus as your Saviour, you will enjoy eternal happiness with Christ.

Christ paid the wage of sin on the cross. He became the Savior for lost sinners IF they will accept Him as their Saviour. He will not save anyone against their will. He is tenderly inviting whosoever will come and receive Him.

If you die unsaved you are condemned to eternal punishment and you can't say Christ sent you to the lake of fire, but you are sending your own soul there be rejecting Jesus - the Great Salvation.

You may believe in your head but your need to receive Him into your heart. Don't be so foolish as to neglect God's pardoning grace.

Beaver Regional Recreation And Parks Board Holds Regular Meeting

A regular meeting of the Beaver Regional Recreation and Parks Board was held on Tuesday, October 30, 1979.

The meeting was called to order at 7:40 p.m. by chairman Marvin Tomashavsky.

Present for the meeting were Mr. Marvin Globelhaus and Mr. Marvin Tomashavsky of Holden; Mr. Henry Field of Bruce, Mr. Gordon Maxwell and Mr. George Knudsion from the County; Mr. Ernie Brown for Mr. L. Andrukow of Ryley; Mr. Alwyn Whidden of Kinsella and Mr. George Baker Staff member.

The minutes of the September 12th 1979 meeting were reviewed by the members present. It was moved that the minutes of the September 12th, 1979 meeting be adopted as presented. Carried.

It was moved that the payment of the Auditors fee be recommended to the Management Committee to deal with. Carried.

It was moved that the accounts for the month of October be approved for payment. Carried.

The above mentioned accounts for the month of October were prosected by Administrator Mr. George Baker.

It was moved by Mr. Marvin Globelhaus that the correspondence for the month of October be accepted and filed. Carried..

The presentation of verbal board member's reports followed. Holden - Getting ready for hockey and figure skating. Ryley - nothing, other than a new library and curling rink will be built in 1980. Kinsella - no meeting held for the month of October. Horse Care course is being run at present. Sewing was cancelled due to insufficient registrations. Bruce - 4-H Cooking Class is organised and first square dance session held. Trying to organize Old Timer's Hockey. "Ladies Know Your Car" is another course that seems to be holding considerable interest.

It was moved by Mr. Alwyn Whidden that the verbal board member's reports be accepted as presented. This was seconded by Mr. Harold Field. Carried.

Committee reports - the management committee reviewed the September 26th 1979 minutes and the October 25th, 1979 minutes by chairman, Mr. Marvin Tomashavsky, for information.

It was moved that the committee report be adopted and work items in the fitness room. Carried.

It was moved that we go ahead and construct the kiln and finish installing the sink so that they can be used for pottery. Carried.

It was moved that plywood be bought and repairs to east wall of building, the outside, be done. Carried.

It was moved that we go ahead with building the counter for concessions in the lobby. Carried.

The Administrator's report was read by Mr. George Baker and the main items pointed out and requests to be approved for action.

1. Community Association 3 mil grant requests. Moved by Mr. Ernie Brown that the 3 mil grants be referred to in the Administrators report be recommended to Management for payment. Seconded by Mr. Gordon Maxwell. Carried.

Moved that a letter be written to the Village of Ryley outlining the break-down of the 3 mil program in percentages on both sides. Carried.

2. Mr. Schaning - Do we send anything to him for volunteer work done during his time at Holden at the theatre? It was moved that we send a card and maybe a certificate to Mr. Clay Schaning. Carried.

3. Mrs Aileen Quiring - Moved that we send a card to Mrs. A. Quiring and possibly a certificate. Carried.

4. Leadership Development - two people, Mr. Dennis Cooper and Mr. Bill Hallett have applied for assistance under our policy to attend the Provincial Drama Workshop to take more detailed instruction on set design and lighting.

Moved that Mr. Dennis Cooper and Mr. Bill Hallett be given assistance under the Board policy to attend the Provincial Drama Workshop. Carried.

Regarding the future of Regional Recreation, Administrator Mr. George Baker read an outline of a plan that may be worthwhile to look at for another type of system. This plan did include some figures that could be discussed. No action taken or discussion.

It was moved by Mr. Ernie Brown that the meeting be adjourned. Carried.

Lakeland Offers Free Presentation

Preschoolers possess insatiable curiosity and a high potential to learn. The goal of the Touring Museum for Toddlers is to impress upon these children an appreciation of nature in order to help create individuals sensitive towards their natural environment.

The project, conceived and produced by Johanne Benjamin and Silvija Umanis, is sponsored by the Museum Assistance Programmes, the British Columbia Provincial Museum and the National Museum of Natural Sciences.

Each programme begins with a thirty minute play featuring costumed characters, puppets, films, slides and sounds. Through the adventures of Mitch and Serge the whales, and their plant and animal friends, the children will learn about nature.

Following these plays, the children can participate in touchable exhibits and activities.

This Christmas present for 2 - 5 year olds will take place at Lakeland College's Vermilion campus on December 8 and 9. The programme begins at 2:00 p.m. each day in the auditorium of the administration building. There is no charge for the programme. However, there is a limit of one hundred children per showing.

To get your free ticket please phone Lakeland College at 853-2971 and specify the number of tickets required and date you prefer. Please ask for only the number of tickets you are going to use.

Golden Valley Lutheran Church Celebrates 75 Years In Viking

The Golden Valley Lutheran Church congregation in Viking celebrated its 75th anniversary last Sunday. Staff Photo

It was a gala day indeed as Golden Valley Lutheran Church of Viking celebrated its 75th anniversary as a congregation.

On Sunday, Nov. 18, an overflow crowd, which included many former members and visitors attended the morning and afternoon service. The theme "And a Little Child Shall Lead Them" Isaiah 11 was chosen to commemorate the Year of the Child, for the heritage of our church, started by the first Norwegian settlers, will go on through each succeeding generation.

The Church Educational Unit was appropriately decorated and carried the theme throughout with banners and flags. Two pictorial displays were set up depicting all phases of congregational life, from 1904 until the present. A church museum of artifacts was displayed and included two wedding gowns, baptismal gown, chalice, old handmade altar cloths, candle holders, vases, Bibles, hymn books, and catechism books, in Norwegian of course. A unique handmade quilt tag belonging to Gurina Ohman was displayed and featured embroidered names of founding families. These included familiar names like Hafso, Hjesvold, Benson, Carlson, Kringen, Hagenson, Berg, Lund, Borsas, Nordstrom, Peterson, Lokhen, Wollen and many others.

Dr. S. T. Jacobson was guest speaker at the morning service.

He drew a word picture of a typical pioneer Scandinavian family travelling by wagon to a new land. Among their meagre belongings was a big Norwegian family Bible, hymn book and catechism book. It was important to them that their worship life be not neglected and so a church was built. He said "As we celebrate our heritage we can not only look backwards but we must look forward to reach out to Christ as little children to their Father".

Assisting in the morning service were former Pastors Larson, Berstad, Precht and Stokee. Special music was provided by the Junior Choir under the direction of Lynn Kittle, accompanied by Betty Klein.

Immediately following the service dinner was served to over 300 people, under the capable management of the Holden L.C.W.

The afternoon program led by Mr. George Cottrell, chairman of the Anniversary Planning Committee, included greetings from the Town by Mayor Hafso; from other congregations, special musical numbers including an instrumental number by the high school girls, a solo by Maureen Hafso and a mixed chorus.

Pastor Dave Larson showed his multi-media slide presentation of "Today Discover Today", directed towards the youth of today.

All senior members, 75 years and over were presented with pins as a token of remembrance of their parents who faithfully built Golden Valley Church.

To tie in with our theme, children of the Sunday School who had excelled in various events through the year were presented with certificates of merit, whether it was in school, club, music etc. All children of the congregation from babies to grade 9 were presented with a cross pin and a small flag depicting the logo of the Year of the Child and the Cross.

Once again it was coffee time and conversation and

Continued on Page 5

Disqualification Sought On Councillor

The Council of the County of Beaver has initiated proceedings to remove Mr. Gabe Brissard as District 3 councillor. At a meeting of Council on November 8, the members decided to start the action after Mr. Brissard refused to submit his resignation.

The County Council had requested the Councillor's resignation after Mr. Brissard failed to attend the October 25th meeting of Council. This was the Division 3 Councillor's fourth consecutive absence from a regular Council meeting.

According to Section 29 (1) of the Municipal Government Act of Alberta, "A person is not qualified to remain a member of the council if he.....(b) absents himself, without being authorized by a resolution of the council to do so, from the meetings of the council for three regular consecutive meetings," Mr. Brissard had been absent from the regular Council meetings of September 14 and 28, and October 11 and 25 without authorization from the Council.

Mr. Bob Cross, Secretary-Treasurer for the County of Beaver #9 said that Mr. Brissard had been given until 10 a.m. on November 8 to submit his resignation. Mr. Brissard made a representation to Council on November 8 explaining that his absence was due to illness, however he did not submit his resignation and said he would not resign.

Following Mr. Brissard's presentation, Council decided to instruct Mr. Cross to proceed with steps to have Mr. Brissard removed from his position. Mr. Cross stated that as of Monday, Mr. Brissard's resignation had not been received and the County lawyer had proceeded with the initial steps towards the removal of Mr. Brissard.

If Mr. Brissard does resign or the County is successful in his removal, Mr. Cross says that a by-election will be held as there has been no consistant representation from Division 3 lately. Regular County elections will not be held until October of 1980.

If the County Council is successful in gaining a court order disqualifying Mr. Brissard from being a member of Council, a new representative for Division 3 will have to be elected. According to Section 12 (1) of the Municipal Election Act of Alberta, "A person having been a member of a council who was declared by the council or a judge to be disqualified is not eligible to become a member of the same council until after two general elections have occurred following the date on which he resigned or was declared disqualified". Municipal general elections are held every three years in Alberta.

Efforts to contact Mr. Brissard during the past week have been unsuccessful.

Holden To Host Farm Forum

An important discussion is slated for Holden during the last week in November. A meeting of farmers will be held at the Holden Complex.

Unifarm's part in attempting to find solutions to the current dilemma on statutory rates for the transportation of grain will be among the topics introduced at a farm forum to be held at the Holden Complex on November 26th at 7:30 p.m.

Unifarm, Alberta's "umbrella" farm organization, will conduct forums in most of its 67 districts during the early winter. Producer input at the series of meetings will be used in guiding the organization in its efforts to advance the cause of the agricultural industry.

Mr. Howard Falkenberg, President of Unifarm, representatives of counties commodity groups, Unifarm and Women of Unifarm regional and district officials will also be present.

Major purposes of the forum series is to facilitate a flow of information from producer to those at the executive level who are charged with the responsibility of implementing action and policy that reflects the wishes of the farm community.

Forums provide the opportunity for producers to pose questions to senior officials and to take part in a face-to-face discussion of current agricultural concerns.

Unifarm membership is not a requirement for attendance. All producers who are concerned about the future of their industry are invited to attend and to take as active part in the meeting.

Beaverhill Players Sponsor Competition

The Beaverhill Players are sponsoring a "One Act Play Writing Competition". The competition is open to all those who read this article and wish to enter. The best play wright will receive a cash prize of $100.00 (One Hundred Dollars) and a trophy in recognition of his work.

The runner up in the competition will receive $50.00 (Fifty Dollars) and a plaque.

Both the winner and the runner up plays will be produced by the Beaverhill Players. Deadline for the receipt of your entry is February 20, 1980.

Scripts are to be sent to Box 960, Viking, Alberta, T0B 4NO. Please include all necessary return mailing information with your entry.

Rattray Shorthorns Receive Trophy

Shorthorn bulls led off the judging at the Farmfair '79 Shorthorn Show, on Saturday evening in the Edmonton Gardens. A good many regular exhibitors were on hand to show the finest of their herds before Gavin Hamilton of Innisfail.

Alta Cedar Legend 25L was the Junior Champion. The prize bull is owned by Alta Cedar Shorthorns, of Acme, Alberta. Reserve Junior Champion was won by Winalot Led 6L owned by Milton Hennig, of Andrew, Alberta.

Names Senior and Grand Champion Shorthorn Bull was "Muridale Burshan, for the Raydur Stock Farms, of Viking. Reserve Senior and Reserve Grand Champion in the class went to Duralta Lee 27J, owned by Wm. Darlington and Sons and C.C. Hartley of Eckville.

In the females, Isabel, owned by Rolly Bateman of Sherwood Park, took the Junior Champion banner, and Muridale Burdeina 1L from the Raydur Stock Farms and Muridales Shorthorns, Viking, the Reserve.

Receiving yet another honor of Farmfair '79 was the stock exhibited by the Rattray's. The Joe Johnson Memorial Trophy for the best purebred Shorthorn of the show, went to Raydur Stock Farms, of Viking.

A Little Pre-Praise

Once again the season of ice sports is upon us. Recreational skating, hockey, figure skating and curling will begin to get into full swing within the next few weeks. As usual, a large number of youngsters will have the urge to participate in any one of these sports, either for recreation or for the competition, or perhaps both. A great deal of enthusiasm will be shown by these youngsters as they attempt to master the many skills involved in their particular endeavor.

One very important aspect which will encourage these youngsters to enjoy their winter sport will be the participation of their parents. Many parents in the area will take their child or children to the appropriate facility. Others will stay and watch their children. Some will help their children overcome problems in mastering the skills involved in their particular sport. And some will participate with their children in a sport.

All of these examples of participation by parents are so much better than simply "sending" a child to a facility to participate. Those parents who will be participating with their children this winter are to be praised - that is pre-praised. The concern which they will express for their children this winter through their actions with their children is what being a parent is all about!

We Need This Facility!

With the gradual demise of regional recreation in the County of Beaver, the future of some of the facilities and programs outside of the two towns in the County. The major facility which could possibly be in jeopardy of closing down is the Regional Arts Centre in Holden.

A high calibre of drama and entertainment has been enjoyed by many people in this facility over the past year. Hopefully, the towns and villages will join with the County in financially assisting the continued operation of the Arts Centre. Our rural areas need such a facility!

Unifarm States Views On Grain Transportation

An expanded hopper car fleet and the appointment of a co-ordinator will do little to alleviate Canada's grain transportation constraints unless the system is viewed as a whole and revamped wherever necessary, according to Unifarm president Howard Falkenberg.

Comprehensive and definite plans must be made to provide for upgrading of the rail system, provisions of motive power, and improved efficiency in both the movement of grain to terminals and handling of grain being transferred to ships at the terminals.

Otherwise, says the head of Alberta's general farm organization, the newly appointed co-ordinator will have little to do but shuffle existing inadequacies and preside over a rather expensive mobile storage facility.

Federal and prairie provincial governments and Western Agricultural Producers should take the initiative in revitalizing the transports system while, at the same time, removing disincentives to grain related industries such as livestock production and oil seed crushing, according to Mr. Falkenberg.

He argues that the federal government must accept responsibility for a major share of the cost of rebuilding and maintaining a viable system because of the importance of prairie grain to the country's economy and balance of trade.

Provisions of hopper cars by Prairie Governments is appreciated but restrictions placed on their use would prevent efficient utilization of all rolling stock.

Grain producers must give careful consideration to what they expect from the transport system in terms of increased grain movement and then be prepared to pay a share of increased costs, the Unifarm president says, provided always that service is commensurate with compensation paid to the railways.

Unifarm's transportation committee has developed two alternatives to the present rate system which would provide for upgrading of the rail system along with more incentive for efficient movement of grain.

The policy would also reduce the distortion that rail subsidies have on the livestock sector during periods of firm grain prices and on other value added industries.

Mr. Falkenberg says the alternatives being discussed by Unifarm require that railways be adequately compensated for the movement of grain in return for a guarantee of good service. Producers would be required to pay a part of the increasing costs, either on a fixed basis or on a formula based on cash income from grain Either of these, or any new program should be ensured by statute, he states.

Mrs. Helen Tiedemann presented a cheque for $1,500.00 on behalf of the Viking O.O.R.P. last Friday to Mr. Jack Rodrick, chairman of the Viking Hospital Board.

Minister Explains Interest Rate Policy

After serious consideration, the Government and the Bank of Canada have raised the Canadian Bank Rate to an unprecedented level as a weapon in the continuing battle to control inflation. Finance Minister John Crosbie explained the government's interest rate policy before the House of Commons Standing Committee on Finance, Trade and Economic Affairs.

The most important reason is our inflation experience. Prices have risen much faster in recent years than at any time since the Korean War, and the deep and persistent nature of these increases has led to the expectation that inflation will remain high. When people lend money they feel it will be worth less when it is repaid. They demand a rate of interest which will provide them with some compensation for that loss.

Borrowers are prepared to pay the higher rates of interest because they expect they will pay less now for the goods they buy than they would have to pay if they wait. That vicious circle has to be stopped and interest rates high enough to slow borrowing are part of stopping it."

"Another reason is the size of the government deficit which is financed by the sale of securities to the public. If government borrowed less - was able to borrow less - there would be more money available for other borrowers and that increased supply of available capital would tend to reduce interest rates. We are making efforts to reduce the size of the deficit."

"A third reason for present rate levels is the large and growing deficit in the current account of our balance of payments. That cannot be reduced quickly either and as long as it continues it must be covered by an adequate flow of capital into Canada.

Our deficit in this area this year will exceed $7 billion. The only reasonable way to make up that shortfall is to attract capital from outside the country."

Bruce Food Club Reports

Members of the Bruce 4-H Food Club held a regular meeting on the evening of November 13. At this meeting, club members welcomed a new member, Shannon Maloway, to the club.

Although both the Food I and the Food II groups cooked at this meeting, time was taken for a discussion period, which was held in seperate rooms.

The members of the Foods I group prepared a recipe called "Speedy Snack Dip" and the Foods II cooked "Tuna Chowder".

Also of interest during the November 13th meeting was the presentation of 4-H certificates to each member as well as their membership identification cards.

Mr. & Mrs. Helge Lefsrud Celebrate Golden Wedding

Helge and Agnes

On October 28, 1979, the family of Helge and Agnes Lefsrud held an open house in honor of their parents Golden Wedding Anniversary.

Helge and Agnes Lefsrud were united in marriage fifty years ago, at the home of Mr. and Mrs. John Lokken on October 29, 1929.

Following their marriage, the couple lived on their farm north of Viking. Here they resided until nine years ago when they retired. In 1970 the Lefsrud's moved to the Town of Viking where they now reside.

Numerous friends, relatives and members of the community joined in wishing the honored couple many more years of happiness

Are you interested in a career in real estate?

Are you prepared to do what is necessary to become a professional?

Kinsella Rose Seniors Meet

The Kinsella Rose Senior Citizens' Club held their business meeting on Wednesday, November 14, with twelve members present.

Jean McKie was acting secretary for this particular meeting as Hilma Garvie was away on holiday.

Business was dealt with the following items of interest resulting: Pearl Brown and Catherine Evans will bring lunch for the Card Party on Wednesday, November 21st. The public is reminded that they are welcome to attend any or all of our card parties.

We will also start an Opportunity Bag in January and run through to December of 1980. The Club will be holding a Christmas Supper Meeting on Wednesday, December 12, at 7 o'clock sharp. This will consist of a Pot Luck, with every member to bring a dish of some kind.

We hope all of our members attend this particular meeting.

We have started work on our crafts and we hope each member comes out on Wednesday night at 8 o'clock in order to get a start on some project. Any members with quilt blocks are asked to please bring them so that we may get a start on our quilt.

NOTICE
THE PLANNING ACT R.S.A. 1977 AS AMENDED

Take notice that the Council of the Town of Viking proposes to pass an amending zoning by-law pursuant to Section 135 of the Planning Act. The purpose of the proposed By-Law No. 333 being the rezoning from Urban Reserve to R-Residential that portion of land as shown on Schedule A attached to and forming part of By-Law No. 333.

A copy of the proposed By-Law No. 333 may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 7:00 p.m. on the 5th day of December, 1979, the Council of the Town of Viking will cause a public hearing to be held in the Town Council Chambers at which time objection to the proposed by-law may be made and discussed.

Dated at the Town of Viking this 19th day November, 1979.

Lydia Hanson
Acting Administrator

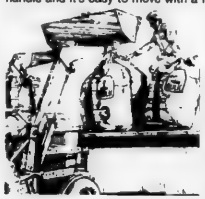
Mini-bulk fertilizer...
Save on a ton of easy storage!

You want to take advantage of Pool's fall fertilizer savings, but you don't have bulk storage facilities. Now, your problem's solved with Pool's mini-bulk fertilizer!

One ton mini-bulk bags are easy to store in your quonset or machine shed and can even be stored outside under a specially supplied cover – there's no fear of contamination. Mini-bulk can save you time, too! You only have one bag to handle and it's easy to move with a front end loader.



Mini-bulk fertilizer is available in a wide range of formulations. Talk to your Pool manager soon about how you can save on next year's total fertilizer requirements by purchasing *now* at fall discount prices.

Pool's mini-bulk bags – an easy way to save, an easy way to store your fertilizer!

Hockey Injuries On The Increase

Last season 12 hockey players were legally blinded compared to 8 in the previous one according to reports received by Dr. Tom Pashby, a Toronto ophthalmologist and chairman of the Canadian Standards Association Committee on Protective Equipment for Hockey and Lacrosse players.

During the 1977-78 season Pashby received reports of eight eyes legally blinded, while the 1978-79 statistics revealed that twelve eyes were lost. None of the players injured were wearing hockey face protectors - a fact which disturbs Pashby. Dr. Pashby has been treating eye injuries to hockey players for over thirty years.

"The youngest victim to lose an eye was 19 years old and the rest were in their 20's and 30's," explains Pashby. "The younger players are forced by their leagues to wear protectors, but the older players are playing pick-up hockey and are not required to wear masks. The result is more injuries to the older players."

The Canadiana Standard's Act for face protectors and other equipment has published standards for face protectors and tests and certifies them. So far, the program is voluntary, which means that non-certified masks can be sold next to certified ones.

"The wise hockey players should buy and wear a CSA certified hockey mask. Look for the mark before you purchase," says Pashby. "The statistics certainly prove the success of this program. For instance, last year there were 42 eye injuries reported, the year before 58, and in 1974 and 1975, before face protectors were widely used, we had 253 eye injuries and 43 eyes lost."

Pashby also suggests goal tenders not wear moulded masks because current models fail to meet CSA standards.

Over the last 3 hockey seasons, 12 goalies received eye injuries. They were all wearing moulded masks. Of these 12, five eyes were legally blinded. Moulded masks, especially those not custom made, do not provide adequate protection.

"The new CSA standards have been improved and now offer sufficient protection for goal tenders. We are also concerned with the number of dental claims. We will be investigating these to see what improvements can be made."

Holden Resident Laid To Rest

On November 9, 1979, Mr. Walter Lukawiecki of Holden passed away at the age of 78 years and 7 months.

Walter is survived by his loving wife Nancy of Holden; one daughter and one son, Marion and son-in-law Bill Bober of Edmonton; and Albin and daughter-in-law Louise of Holden. In addition, he is survived by five grandchildren: Anona, Teresa, Andrea, Vincent and Deidre and 1 cousin Frank Lukawiecki and family of Winnipeg, Manitoba.

Walter was predeceased by one granddaughter, Marcia in 1973 as well as two of his brothers and four sisters.

Prayers were held on Thursday, November 15, 1979 at 8:00 p.m. at the St. Gregory's Roman Catholic Church in Holden. Mass of Christian Burial was celebrated on Friday, November 16, 1979 at 11:00 a.m., at St. Gregory's Roman Catholic Church in Holden.

Rev. J. Siemko was the celebrant and interment followed in the Holden Cemetery.

In lieu of other tributes, donations to the Holden Agricultural Society Complex, Canadian Cancer Society or Charity of one's choice were greatly appreciated.

Park Memorial Ltd., of Vegreville were in charge of all arrangements.

Golden Valley Anniversary
Continued from Page 1

reminiscing continued as the birthday cake was cut by the oldest member, Mrs. Sofie Sorenson who had just recently celebrated her 80th birthday.

Pictures were taken of Mrs. Sorenson and the youngest member, 6 month old Crystal Theos, daughter of Mr. and Mrs. Arthur Theos along with Pastor Johnson.

Although many had departed for home, there was a goodly attendance at the evening service. Chaired by Irene Toverud, it included messages from Pastors Precht and Stolee, a solo by Stan Sorenson and a duet by Pastor Tim Johnson and Alvin Sorenson. The service ended with a touching candlelight ceremony which involved each of those in attendance.

Mable Rugland then led in prayers and the service ended with the singing of "Beautiful Savior and the Benediction".

Anniversary booklets commemorating Golden Valley's seventy-fifth, were available to every family as a remembrance of this special day.

It was the enthusiasm and hard work of the various committees who gave freely of their time and talents to make the 75th celebration the special day it was.

Mixed Bonspiel Opens Curling Season

During this past weekend, the Viking Curling Club held their first bonspiel of the 1979-80 curling season.

The three day mixed spiel was well attended with a total of sixteen rink competing for first place honors.

The ice was up to its usual fine standards under the expert attention of veteran ice-maker and caretaker, Henry Hafso.

Following is a list of the top four teams and their placing in each of the three events:

First Event
1. Roger Siermacheeky
2. Cam Maxwell
3. C. R. McLean
4. Speed Maxwell

Second Event
1. John Andrukow
2. Linda Erickson
3. George Ritchie
4. Vern Hafso

Third Event
1. Don Hafso
2. Roy Maxwell
3. Eddy Fornal
4. Moe Suddaby

The grand challenge winners in the Viking Mixed Bonspiel were the Roger Siermacheeky rink of Viking. (left to right) lead - Dianne Siermacheeky, Second - Roger Siermacheeky, Third - Karen Cumming, Skip - Norm Maxwell and presenting the prizes is Rusty McLean. Staff Photo

Rodino Report

Fred and Gladys Hunter of Killam favored the Hunter-Williams home with a visit.

Mr. and Mrs. Bruce Greenwood travelled to Westlock with Harold where he had made connections to travel on to Slave Lake where he will be employed.

Frank Brown of Edmonton surprised the Bruce Greenwood family with a visit. Many old times were enjoyed in reminicing.

The Wes Bauer family toured over to Wetaskiwin to visit with Christina's brother Erroyl and his family.

Taking in the 25th anniversary of Mr. and Mrs. Ernest Hollar in Edmonton were Mr. and Mrs. Robert Hollar, Mr. and Mrs. Brent Hollar and Mr. and Mrs. Norman Hollar. Everyone reports having had a good time.

Victor Carter, Mr. and Mrs. Leslie Prosser took in a dance at the Red Barn north of Edmonton, over the weekend.

Maxine Greenwood has returned home from Sask

NOTICE

The Town of Viking has been commissioned to formulate at 75th Anniversary Committee to arrange and co-ordinate activities and events in 1980 to celebrate the Province of Alberta's 75th year in Confederation.

Interested groups, organizations, clubs and individuals are requested to submit proposals and ideas on activities and programs that could be featured in "Alberta '75" Celebrations in the Viking and District Community.

Please make submissions to the Town of Viking Office, Box 369, Viking, Alberta.

Bruce & District News

Myrna Koppel and Trish Rouston hosted a baby shower for Jean Starky on Monday evening, November 12, at the Recreation Centre. Paulette Erickson was in charge of the entertainment. Trish Rouston, with a few well-chosen words presented Jean with a large decorated box of gifts for baby Sheena Kathryn. After opening the attractively wrapped packages, Jean thanked the ladies for their thoughtfulness. Coffee and lunch followed while baby Sheena, on her best behavior, slept peacefully through all the chatter.

After spending a few days in the hospital at Viking, Marvin Lund is home again feeling much improved.

Dagmar Benson is now making his home at the Parkland Nursing Home after spending some time in the Viking Hospital.

Bruce Kawalilak and Grant Fredericks represented the Bruce Stampede Association at the annual meeting of the Cowboy's Protective Association held at the Holiday Inn in Edmonton on Friday. The Bruce Stampede date for 1980 will be July 27.

Winners at the Wednesday night card party sponsored by the senior citizens were Hank Ohlhuisen and Bert Siegel. Consolation prizes went to Mary Stogryn and John Stefanik. The next card party will be held on Wednesday, November 28 at 8 p.m.

Donna Ell was the winner of the "cake of the week" raffle sponsored by the Bruce Women's Institute. The cake was baked by Katie Bracha.

A number of local people attended the rodeo in Edmonton. The Bruce Stampede Association bus, driven by Vernon Pratt, took a number of rodeo fans to the afternoon performance on Sunday.

Swinging Beavers Back In Action

The Swinging Beavers Square Dance Club opened the 1979 - 80 season with a "Hallowe'en Masquerade" Dance which was held in the Bruce School on the night of October 29th.

There was much imagination and creativity displayed in the costumes...even so far as the creation of a two part donkey.

First prize in the ladies section went to Annie Huzar who was dressed as a dark lady carpenter. Chosen for first prize in the mens division was Brian Westmancoat for his part of the donkey costume.

Art Ziegler called for the evening and everyone had a lot of fun. We had visitors in attendance from St. Paul, Therian and Vegreville.

On November 3rd, we danced to the calling of Wil West from Daysland. He also taught us some new intricate dances. He is an excellent caller and we enjoyed the evening very much.

November 12th found Art Ziegler again at the microphone and an enthusiastic crowd in attendance. Art kept us on our toes and we ended the evening happy and tired and ready for our usual bountiful lunch. We were very pleased to welcome two new members to our club - Laurie and Andy Sparry of Irma. We are sure they will enjoy their participation as much as we will enjoy having them.

On November 19th we will be having our "Box Social" night with Alan Zwierschke calling. We dance every Monday night in the Bruce School and are always happy to welcome fellow square dancers. Ida Dorward

IMPORTANT MEETING OF FARMERS

UNIFARM

If you are an agricultural producer, the subject of statutory rates for the movement of grain is an important concern. This subject along with a number of other current topics will be discussed at a Unifarm District Forum at . . .

Holden Ag. Complex

November 26, 79 - 7:30 p.m.

Holden, Alberta

You are invited to play a part in shaping your own future by joining your neighbors in forum discussions. All farmers - members and non-members alike are invited to attend!

FARMLAND FOR LEASE

Tenders are invited to lease the surface only of the following lands:

S½ & NW¼ 25-45-12-W4th

*Total acres - 480

*Approximate cultivated acreage - 150

*Approximate summerfallow acreage - Nil

Tenders should be made for each parcel as described on a cash lease basis, payable annually in advance. Highest or any tender not necessarily accepted. A two year lease, a copy of which is available for inspection at the office shown below, will be issued to the successful bidder. All terms are subject to the approval of Management and execution of a formal Lease Agreement between the parties.

The effective date of the Lease will be November 1, 1979.

Upon expiration of the tendered lease, a lease renewal will, at the option of the Lessor, be negotiated.

A breaking lease could be negotiated at some time in the future for the remaining arable acreage.

Tenders will close at 12 o'clock noon on Friday, November 30, 1979 and will be received by Mr. D.L. Quinn, Property Representative, (Farmlands).

Performance Held At Holden Theatre

On Friday, November 16, 1979, the Beaver Regional Recreation and Parks Department and the Regional Arts Society hosted the second in a series of six concerts to be conducted at the Beaver Regional Arts Centre in Holden.

The concert on Friday night featured Laura Vinson and her band "Red Wyng" who performed before an audience of approximately one hundred and sixty people.

For those of you who did not attend this performance, it can only be said that you missed a truly remarkable performance.

Combining the musical talents of Miss Vinson and "Red Wyng" and the excellent acoustics of the Regional Arts Centre, the audience was treated to an evening of truly professional entertainment.

Seldom in small rural centres do local residents have the opportunity to see live performances such as this and others which are scheduled to appear in the new year at the Holden Arts Centre Theatre. Watch this paper for advance advertising of the up-coming performances.

Holden News

The Holden and District Chamber of Commerce will be holding a combined Christmas Party and New Comer Night on the 4th of December.

The Chamber would like to introduce, to the community, the new people who have taken up residence within the past year. There will be a turkey supper at 6:30 p.m. with a short meeting to follow. Then, we can settle down for a few laughs which will be provided by "Everitt and Lucas" a comedy team.

The Chamber supper will be held at the Community Hall. Tickets are $6.00 per person with admittance by advance ticket only. Get your tickets at Jack's Esso or the Royal Bank in Holden.

The Holden and District Annual Carnival is fast approaching. The event is being held on November 24th at the Holden Community Hall and is sponsored by the Agricultural Society.

The Beaverhill Players will be holding a presentation on December 14, 15 and 16, 1979 in conjunction with other festive activities in the communities - "Christmas Play".

Two Holden girls received their Degrees at the University of Alberta, during a ceremony held at the Northern Alberta Jubilee Auditorium on Saturday, November 17 at the Fall Convocation.

Diane Carol Kryaka admitted to the Degree of Bachelor of Science with honors. Diane's honors were in Psychology and Darlene Faith Shavchook was admitted to the Degree of Bachelor of Education.

Holden's 8 unit Senior Citizens' Apartment will be named "North View Manor". Several final touches and inspections are now being completed before renting of these units will be considered.

Following Edmonton's Northlands Farmfair '79 Simmental Show, one of the animals makes his new home on a Holden farm. Only one Simmental bull was sold; a purebred, Mr. SBL Kandu 0245K consigned by Simmental Breeders Cardston Ltd., of Cardston, Alberta. This bull was purchased by Mr. Peter Suchy of Holden for the price of $2,400.00.

Card of Thanks

I would like to express a hearty thank you to the nursing staff and the doctors of Viking Hospital. A greater staff of "girls" would indeed be hard to find. No other hospital could possibly have such devoted, caring doctors. We in Viking are lucky to have such a group of people and we all should be very proud. My sincere appreciation goes to Dr. Cunningham, Dr. Bennett and the complete hospital staff. Also thank you to Mabel - a super room-mate. Thank you to all who sent cards and visited. Thank you Dawn Hodgins 41p

CARD OF THANKS
We wish to express our appreciation to the Irma Fire Department, friends and neighbors for their prompt help during our recent fire. Thank You.
The George Ford Family 41c

CARD OF THANKS
The Viking Branch of the Royal Canadian Legion would like to take this opportunity to thank all persons who helped in the presentation of the Remembrance Day Service, held in the Community Hall on November 11th, 1979, and to those who helped with the social after the services. Also many thanks for the support of the buskeers of Kitscella and Viking who purchased Wreaths of Remembrance, and to the Viking Brownies and Guides who sold lapel poppies on behalf of the Royal Canadian Legion. 41 p

CARD OF THANKS
We wish to extend a sincere thank you to our family, friends and relatives for their response on the occassion of our 50th Wedding Anniversary. Thank you to those who sent flowers, gifts and cards and a special thanks to all those who came to our open house to help make our day such a memorable one.
Helge and Agnes Lefsrud 41p

CARD OF THANKS
A sincere thank you is extended to my family, friends and neighbors for their thoughtfulness during my stay in the Royal Alex. The cards, flowers, gifts and visits were all very meaningful. A special thanks to those who remembered me when I returned home. The baking and visits were much appreciated. Bea Clouston 41 c

Irma and District News

Mr. and Mrs. Dave Lakunts and boys of Spruce Grove, Alberta visited with their relatives in Irma on Sunday.

We are pleased to see so many in attendance at the Remembrance Day Service which was held here. For many of us, it is a special time to take stock and realize the blessings of freedom we have enjoyed.

Visitors with Lorna and Eddie Jackson over the weekend included Arthur and Marilynn Jackson, Barbara, Lorne and Lorraine Smith, Neil Jackson and Caroline Carr from Edmonton as well as Charlie Jackson, presently of Irma.

Alma and Mel Garbe returned from Edmonton on Monday forenoon, where they had been called early in the week on account of Alma's father being in poor health. Mr. Fred Smith, seriously ill at the time, is coming along nicely and returned home from the hospital on Sunday.

Chrissie Fucsko had a nasty fall in her home last week and was badly bruised. Fortunately no bones were broken and she is recovering nicely in the Viking General Hospital.

Kerry Jones and John Jackson of Edmonton visited with John's uncle and aunt, Eileen and Ray Lewis over the weekend.

Marg and Bert Armitage and Joyce Bartholow visited with Minnie and Jim Jackson on Sunday evening.

Our weather still continues almost unbelievably mild with beautiful bright sunshine and blue skies almost every day. The forecast indicates more of the same for a while yet.

Electronic Toys Highlight Christmas Lists

If your children are 8 years of age or older - the name of the game this Christmas is going to be electronic toys.

This is a new phenomenon in the toy industry that has been brewing for a long time and is breaking open with a bang this year.

Because these games and toys are new, many consumers are asking, "What should I look for? How do I know a good one from a poor one?" Some consumers have been asking for a recommendation on which particular toy to buy. That we can't do but what we can do is give you some tips on what to look for when you start looking through this maize.

First of all, recognize that there are basically two products on the market. These are electronic games and electronic learning aids. There is a difference - so do be sure you know what you are buying.

Most of the electronic games centre around some sort of popular sport. Some of these require two to four players - others are games where the child pits himself against the built-in computer. Whether you are looking for an electronic game or learning aid - those in the know in the toy industry tell me that the most successful will be those that give the player a variety of responses - as a result of by success or failure at playing.

For example, a popular learning aid - 'Speak and Spell' - actually has a voice (very human-like at that) that tells the child if he's right or wrong and what to do next.

Also there's a big difference in electronic toys in terms of battery power required to run them. I don't think there is a parent who hasn't experienced the battery panic at Christmas time.

One of these toys are very energy efficient - others are not. Check the label and see how many batteries are required. You may wish to buy a few alkaline batteries, as they are long lived and generally out-perform other, cheaper batteries.

If you are interested in the latest information on electronic toys - dig up the November 79 issue of Consumer Reports, it has an excellent article and will be helpful to those of you serious about buying quality electronic toys this Christmas.

Interest Rates Curb Inflation

"In raising interest rates, the two primary objectives the Bank of Canada had in mind were to avoid excessive growth of the money supply and to avoid further sharp depreciation in the value of the Canadian dollar. Either or both together would increase the rate of inflation and in the end would result in even higher rates of interest."

"High interest rates counter inflation as they discourage excessive spending. As demand drops, businesses come under competitive pressure, and this helps to keep other costs and prices down."

"Further drops in the value of the dollar will increase inflation because it will raise the price on all imported goods and import replacement takes a period of time - a substantial period of time when domestic producers are already operating at capacity. Furter increases in the money supply and most particularly the continued rapid expansion of credit, at rates far beyond our real growth levels, are also inflationary".

Little League Is Dangerous

Organized amateur hockey in leagues is more dangerous than casual hockey games, according to Dr. Pashby, chairman of the Canadian Standards Association Committee on Protective Equipment for Hockey.

Pashby, who has been treating hockey injuries for over 30 years, and has been active in coaching amateur hockey players, feels that organized hockey promotes the "win at any cost" attitude.

"The kids today are told to hit and play rough. Some coaches seem to instill the philosophy "it doesn't matter how you play as long as you win", explains Pashby. "This of course, creates injuries and hockey has got to become safer if it is to survive.

"Hockey is a great game and I hate to see it ruined by too much violence." Pashby believes that players playing hockey on ponds are safer than those in organized leagues because the games are "more for fun than to win".

R.C.M.P. Investigate Break-In

The Irma Pool Hall was burglarized on Saturday night late, or early Sunday morning, November 18.

Entrance was gained by forcing the back door. a sum of money was taken from the cash register. In addition, some wallets, cigarettes and candy bars were reported missing.

A calculated estimate of the loss has not been disclosed. The R.C.M.P. are investigating the incident.

Keep Canada Beautiful PITCH-IN '79

AGT GOOD NEWS PARTY LINE

Rosegarland W.I. In Support Of The Year Of The Child

The regular meeting of the Rosegarland W.I. was held at the home of Mrs. M. Andrukow with fifteen members and two visitors answering the roll call with twenty-five cents to be contributed to UNICEF.

It was decided to hold our annual Christmas party at the Lutheran Church Educational Centre on December 11th.

A congratulatory message is to be sent to Mrs. Martha Belish on her appointment to the Senate.

Mrs. Pearl Rodwell gave her paper on the formation of the United Nations which was both interesting and informative. Mrs. Amy Sudaby followed this with a paper on the purpose and aims of the U.N. Mrs. Sudaby had done a great deal of research and mentioned many of the troubled spots the united Nations had helped to settle and the work being done at the present time. The paper was very well received.

Margaret Hill gave her paper on Agriculture and Canadian Industries. It dealt with barley and the research being carried out to use it as a substitute for wheat in products for human consumption.

Following our regular meeting, our annual meeting was held and the following officers were returned to carry on for another year. President - Mrs. Erline Sudaby, Vice-President - Mrs. Verna Ellison, Secretary - Margaret Hill, Treasurer - Mrs. Merle Weder, Sunshine Committee - Mrs. Jean Brooke, Mrs. Pearl Rodwell, Molly Place, Mrs. Marion Haugen and Mrs. Irene Hafso, and Publicity Convenor - Mrs. Irene Toverud.

Following are a few of our activities in this the International Year of the Child as edited by our Secretary. In December, Mrs. J. Leisrud showed us her slides of her foster child in South America. In January the group decided to help the youth of our community by working at the Carena Snack-Bar.

During the month of February, we remembered our grandchildren by contributing one penny for each grandchild to the Friendship Fund.

In March we donated money to help a high school student take advantage of the Ottawa travel plan. The "Leacha Land Rover Appeal" was our April project to help less fortunate children in Africa. The Parkland Birthday Party was held in May. Mrs. Hafso brought the Grade One students who entertained and were given treats for their efforts.

Andrea Toverud, having completed Grade Twelve, was given a gift in June. We also gave a donation to the "Pot of Gold" to help girls' clubs affiliated with the W.I.

At our September meeting, Mrs. C. Nordstrom interviewed the group re: the new "Tire Playground". It was decided to help with the meal on "assembly day". In October is School Awards month and Rodney Mattinson received our contribution. Our November roll call was a donation to UNICEF a worthy child sponsorship.

Besides dwelling on the Year of the Child, we entertained spouses and friends at our Christmas party. Mrs. Jean Brooke and Mrs. Erline Suddaby were delegates to the District Two Conference in the Grey Nuns Centre. Mrs. Suddaby was also a delegate to the Constituency Conference.

Margaret Hill was a delegate to the Provincial Conference in Olds, Alberta.

The W.I. group donated money for senior citizen's prizes for the Viking Agricultural Fair. Many members attended the Shady Cove W.I. 25th Anniversary Celebration and Mrs. Erline Suddaby presented a gift on our behalf. Donations were made to the Hospital Memorial Fund.

Personal donations were given to the Adelaide Hoodless Homestead Fund, the Marth Belish Retirement also received our support.

Expenses to Conferences and Conventions were paid by our group. A donation was made to the Lutheran Church at our Christmas Party. We also gave cards and gifts to our hospitalized members. Thus we ended our year.

Quinte W.I. Report

The residence of Mrs. Alice Holmes was the location of the latest meeting held by the Quinte Womens' Institute. Present for the regular meeting were a total of eight members and one guest. The meeting was held on Thursday, October 25th.

The meeting began with the reading of the W.I. Creed. This was followed by the reading of the treasurer's report and the secretary's report.

Correspondence in the form of a letter was received concerning the Wainwright Constituency Handicraft Workshop. This is to be held on Friday, November 23.

New business was then dealt with. This included a discussion which is to be held on December 16th; a trip to the Multi-Culture Heritage Centre in Stony Plain to be taken sometime in January; and our first card party of the season which is to be held on Saturday, November 24th at the Youth Centre commencing at 8:00 p.m.

Roll call for the meeting consisted of each person reading "a thought on Thanksgiving".

Later, the visiting committee which consists of Mrs. Cleora Darling and Mrs. Lola Crouse, presented their report. A new visiting committee was then selected.

Mrs. Catherine Evans and Mrs. Betty Dennett will now share this duty.

The draw for the birthday box was then held, with Mrs. Catherine Evans the lucky lady.

Mrs. Betty Dennett adjourned the meeting and the evening was brought to an end with coffee and lunch.

We would like to thank everyone who has donated vegetables, fruits and magazines to the home. This is very much appreciated.

Get well wishes are extended to Mr. Hagen who is in the Viking Hospital and also to Mrs. Speidal who is in Edmonton.

Rose and Doreen Wancho of Ohaton called on Mrs. Kawaliak.

Claude May of Seba Beach, Alberta visited with Mr. O'Donnell last Wednesday.

A. L. Gibson was in to see Lars Ritaland, but Lars had gone to Red Deer for the day so visited with Mr. Murray.

Gertrude Maclnnis of Fort Steel, B.C. and Fern Gardiner from Wainwright visited with Gail Gustafson.

Henry Curtis visited with Barb Blaesser and brother Charlie Auburn.

Mrs. Marie Bednarski, Peter Skorchid and Mrs. Katie Skorchid of Holden were in to see Pearl Tehir and Mary Pasnak.

Lars ritland had a nice visit with Dorothy Good on Sunday.

Kinsella News

Clifford and Francis Overbo and Pearl Brown attended the funeral held for John Lindberg in Edmonton.

Mrs. Gladys Hintz of Edmonton spent a few days at the home of her daughter, Jackie Pederson.

The Church Service on Sunday morning included the baptism of Jody Ardele Armitage, daughter of John and Ardele Armitage and Matthew Stern Nordstrom, son of Carl and Marleen Nordstrom of Beaumont.

The Kinsella Elks Degree Team will be attending the initiation at Hardisty on December 4th at 8:30 p.m. and the initiation at Edgerton on December 18th at 8:00 p.m. Our exalted ruler, Brother Clare Findlay, wants to take the travelling gavel to Hardisty on December 4th at 8:30 p.m.

The Kinsella Elks would like to thank the Holden Elks for inviting them to their open installation of officers.

Donations In Lieu Of Christmas Cards To Benefit Hospital

The Viking Branch of the Royal Canadian Legion is once again sponsoring the *"In Lieu of Christmas Card Campaign"* for the upcoming festive season. This year the local General Hospital will receive all benefit.

Instead of sending Christmas Cards to your neighbors and friends locally, leave your donation to help our hospital. Receipts will be issued and your donation will be Income Tax deductable. Your Greetings will be published in the Christmas Issue of the Weekly Review which is to be published on December 19.

Helping our Hospital is a community concern. Your support will be greatly appreciated.

Your donation may be left with Isabel Boraas at the Viking Veterinary Clinic office.

May we remind you that Christmas is fast approaching and the deadline date for your names to appear in the Christmas issue has been set at December 12, 1979.

Clifford Smallwood Laid To Rest

The sympathy of our community is extended to the widow and family of the late Clifford Smallwood. Clifford passed away on Wednesday, November 14th, 1979 in the Wainwright General Hospital following a brief illness. Clifford was 64 years of age at his passing.

Conducting the memorial service was Rev. Gordon Wilson. Mrs. Marjorie Fischer was soloist and delivered a beautiful rendition of "In The Garden" and "Rock Of Ages".

Funeral services for the late Clifford Smallwood were held in the Irma School Auditorium on the afternoon of Saturday, November 17, at 3:00 p.m.

Honorary pallbearers included Clarence Barber, Robert Dempsey, Milt Fahner, George Fischer, Jack Horner, William Inkin, Walter Littlewood, Charlie Milne, Charles Reed, Vern Sampson, and William Skoryvko.

Active pallbearers were all members of Gratton Ladge No. 144 and were as follows: Almon Archibald, Keith Currie, Richard Glasgow, Eddie Jackson, Ralph Mark and Ron Prior.

Following the service, interment took place in the Irma Cemetery. Members of Gratton Lodge No. 144 conducted a service at the graveside.

Clifford Smallwood will be well remembered and sadly missed in the community.

Memorial Service Held For Robert Hanson

A memorial service was held in McLeod's funeral parlour in Wainwright on Wednesday, November 14th for Robert Hansen. Robert, a long-time resident of Irma, passed away in the Viking General Hospital on Monday, November 12th.

The officiatilg clergyman was Rev. R.M. Bateman. Soloist was Peggy Fleming singing "How Great Thou Art".

Honorary pallbearers were: Fred Clumstad, Keith Collin, Robert Dempsey, Ole Rasask, Oerlef Larson and Jas Jackson.

Cremation in the Edmonton Crematorium followed the Wainwright service.

Do You Know The Bible Says

By Mrs. W. Myers

And Jesus called a little child unto Him, and set him in the midst of them, and said, verily I say unto you except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven.

Whosoever, therefore, shall humble himself as this little child, and the same is greatest in the kingdom of heaven. Study a little child. He is reliant on his parents. He trusts them. He believes in them. He goes to them for comfort. He learns from them by asking questions. He has just recently been born into a family. Not of his own will or choosing, but of the wills of his parents.

As he learns he becomes aware of his responsibilities. He learns the do's and don'ts of life. For an individual to become a Christian, he must be born into the family of God. He cannot be a member of that family any other way.

As a human is born in the flesh so he is born of the spirit. When a child is born into an earthly family, he is helpless and so, when an individual becomes a Christian, he must become helpless so far as his own efforts are concerned and by confessing his sin and helplessness to God, and accepting Jesus as his life, his breath, his only hope of heaven; God will save him and he becomes as a newborn babe in Christ.

Have you become as a little child and been born into the family of God?

Rejoice Together

Schedule of Services for November 1979

VIKING ALLIANCE CHURCH	**PASTOR GEORGE MATCHULLIS**
Sunday Morning Worship	11:00 a.m.

Miss Evelyn Jonsen

Church attendance doubled in one week, reports Canadian missionary Miss Evelyn Jonsen, after a city-wide evangelistic campaign was launched in Quito, Ecuador. At the same time a five-year nationwide goal to organize 26 new churches was met in one year.

Miss Jonsen, with The Christian and Missionary Alliance overseas since 1970, will show an audiovisual presentation of the Quito campaign, QUITO ENCOUNTERS GOD, and of her ministry in literature distribution. She says, "To participate in QUITO ENCOUNTERS GOD has been exciting, especially to see people come to know Christ as their personal Savior and to help them grow in that knowledge. What a fulfilling experience!" A primary responsibility of Miss Jonsen has been the opening of two bookstores to sell Christian literature.

Miss Jonsen grew up in Milden, Saskatchewan, Canada. She is graduate of Canadian Bible College in Regina, Saskatchewan.

Rev. Fred Roth

India remains a nation of religious freedom, reports Rev. Fred Roth, a career missionary in that vast nation since 1952.

Mr. Roth, with The Christian and Missionary Alliance, will speak about the increased interest in the gospel of Jesus Christ in India. He notes that at the same time the missionary force in that nation is rapidly dwindling in numbers.

Mr. Roth has been active in every phase of missionary work, including both rural and urban church planting. He has worked closely with the mature churches of India and their national leadership.

Mr. Roth grew up in Thun, Switzerland. He is a graduate of the Beatenberg Mission Seminary in Switzerland and of the Alliance School of Theology and Missions in Nyack, New York.

Miss Jonsen and Rev. Roth are expected here to speak at the annual missionary conference of VIKING ALLIANCE CHURCH, 6103-54 Ave.

The public is invited to attend all sessions daily at 7:30 p.m. Thursday and Friday, November 22 to 23 and at 11:00 a.m. and 7:00 p.m. on Sunday, November 25.

Founded in 1887, The Christian and Missionary Alliance is an evangelical denomination with over 10,000 churches in 47 countries and with an overseas staff of 962 missionaries.

Holden Ag Society Sponsors Successful Carnival

The Holden and District Agricultural Society held their Annual Fall Carnival over the weekend and from all aspects it was a great success.

The Commmunity Hall was filled to capacity. The evening began with a delicious supper, prepared by volunteer ladies of the Agricultural Society.

The entertainment which followed was enjoyed by all. Annoucer for the show was from C.F.C.W. Radio, Camrose.

Following the program, a dance was held. Queen and King candidates for the carnival were high school students. Crowned Queen was Debbie Mielnaska and our King was Darrel Malick.

The seven prizes of $200 were won by the following people: Leon Romaniuk, Wes Kowalchuk, Fred Koenig, Mary Stogryn, Michael Malowany, Bob Ruakenveld and Olga Brisaard.

The Agricultural Society was very pleased with everyone assisting in the carnival and thanks all those who attended and took part in the program.

Dean and Earl Davis (in hats) put on a comical skit at the Holden Carnival on Saturday night. Holding the microphone is CFCW's Cam Walden. Staff Photo

Irma Agricultural Society Elects Full Slate Of Officers

The Irma Agricultural Society met for their Annual meeting on Wednesday, November 21, 1979.

Highlighting the meeting was the election of officers for the various positions for the upcoming year. Following nominations, the new executive consists of President - John Newton, 1st Vice-President - Bert Smith, 2nd Vice-President - Marguerite Burr, Secretary - Jean Smith, Treasurer - Evelyn Mark. Members of the Recreation Board include Eddie Jackson and Bert Smith.

Arena Board representatives are John Newton and Jerry Mark, Bert Smith and Marguerite Burr.

In addition the Agricultural Society successfully appointed a full slate of twenty directors.

The next meeting of the Irma Agricultural Society will be held on Wednesday, January 16th, at 7:30 p.m.

Viking Chamber Elects Partial Executive

Attempts to elect a full slate of officers for the Viking and District Chamber of Commerce for the upcoming year proved unsuccessful last Thursday night. However, several items of interest were discussed by the nearly 20 people in attendance.

Following President Ken Bird's call-to-order, Secretary Bill Mattinson read the minutes from the September meeting. An October meeting had not been held as there were insufficient members present for a quorum.

Next came a discussion on the Chamber's activities last year. Besides a very successful Christmas promotion, the Viking Chamber had scheduled three projects for the last year, but had not followed through on any of them. General feeling was that few of these projects had been accomplished over the past year by the Chamber.

Election of officers for the upcoming year saw Will Rushton elected President, Rod Kripa as 1st Vice President and Sben Arnett as 2nd Vice-President. Bill Kamphuis took the Treasurer's job, while Ken Bird took over the Tourism portfolio while Peter Mynzyshyn will handle Finance and Ed Klein Agriculture. The gathering was unable to secure someone to handle the secretarial duties, so the filling of the rest of the positions was left until the next meeting.

As part of the election process, Will Rushton noted that he would accept the President's position as long as the Chamber became more active and the executive would be active. He noted that the Chamber must have goals and work towards these. He also felt that the Chamber should have a representative at every Viking Town Council meeting to provide better communications between the two groups. Mr. Rushton felt that the Chamber should be able to do some of the basic groundwork on various matters for Council, thus enabling the two bodies to work hand-in-hand.

Last year's Christmas promotion was discussed with a view to holding another one this year. Following a lengthy discussion, a decision was reached to let Will Rushton determine costs and business support. From this information, the Chamber will decide on a Christmas promotion for this year.

Following the election of officers, four representatives from Viking Cartage made a presentation to the Chamber. Earl Hosier of Viking Cartage relayed some of the problems which the firm is having in re-establishing the business in Viking. He noted that the firm has a full-service operation, but due to the time lapse between owners, much of the business had been lost and would be difficult to replace.

The Chamber agreed to send a letter to Alberta Environment in support of Viking Cartage operating the bottle depot in Viking.

Prior to adjournment, Mr. Rod Kripa read an article entitled "Timely Topics" from the October edition of the Viking Chamber's newsletter, "Crossroads Chatter". The article, by Mayor S.A. Hafso, was printed as follows: "A Public Social Service set for Viking and District may be a step in the right direction. The services offered by it, embraced by it, localized here, may help our community and eliminate a lot of problems. Our Town & District know pretty well what we want and need. If P.S.S. progresses, it must be hoped that its management will not be infiltrated by people who seek personal gains, financial or otherwise".

Following the reading of the article, Mr. Kripa suggested that the Chamber should not have allowed such statements in the "Chatter". As the column is a regular feature by the Mayor, Mr. Kripa felt that his feelings were no reflection on the editor, Mr. Vince Slavik, but that the executive should perhaps peview material to be included.

General discussion ensued with the general feeling being that the remarks as printed in the "Crossroads Chatter" were totally uncalled for.

Viking Fire Chief Gordon Draper is shown with the new lime-yellow County of Beaver fire truck which was delivered last Friday evening. The County truck features a front pumping unit and fender-mounted spray nozzles to handle grass fires. Staff Photo

Minor Hockey Repayment?

This Saturday and Sunday, a Hockey Referees Clinic will be held in Viking. The objective of the Viking Minor Hockey Association is to provide a course in the area so that a supply of officials can be acquired for the upcoming season.

In our area, many, many people have come up through the local minor hockey programs. During their years in minor hockey, many people volunteered a great deal of time and effort to provide these players with an effective program. Now these ex-minor hockey players have an opportunity to repay their local program by attending this clinic and helping out this winter by either being a linesman or a referee. Either way, individuals will be providing a much needed service for the minor hockey program in their community!

NOTICE

Viking Cartage will once again be serving Viking and surrounding district with a daily freight service from Edmonton.

Pick-ups and deliveries may be arranged by phoning:

Letters To The Editor

Dear Sir:

In reply to the letter of Mr. Orville Likness in November 14th issue of The Weekly Review, I feel that:

If you follow his alternative the hall and the arena will soon be closed and the young people will leave the farms and the town and get jobs elsewhere. If they stay they have only one place to go, the bar.

A small mill assessment on the taxes is a small price to pay to promote good citizenship in your community. I am sure the senior citizens in the Viking area are delighted and proud to hear of the sporting exploits of their children and grandchildren and are not worrying about ten or fifteen dollars extra on their taxes.

The provincial government pays most of the taxes on senior citizens homes by grants so it is not a burden on them. On the younger people with families the cost of just making a living is a burden, often both have to get jobs.

If you want your community to go down hill just do nothing to support it, don't take any offics in saything, don't go to any meetings, don't pay for any dues or memberships.

I don't believe a tax assessment was intended to pay dues or fees but rather as a means of maintaining the facilities in their present good order.

Yours truly,
Bruce Budd

Dear Sir:

May we use space in your newspaper to inform the present and former residents of Kinsella and District that a homecoming is being planned for the weekend of July 27, 1980.

The planning committee has called a general meeting for December 3, at 8:30 in the evening at the Kinsella Hall. Anyone who is interested in the homecoming is welcome to attend.

If anyone knows the name and address of any former residents, who we may not otherwise be able to contact, please forward your information to the following:

Kinsella Homecoming 1980
General Delivery
Kinsella, Alberta
Tob 2NO

Dear Sir:

For 24 consecutive years December 1st to 7th has been designated Safe Driving Week in Canada. Last year the Canada Safety Council was rewarded for its continuing efforts by the highest reductions ever in weekly traffic fatalities during this week.

The theme for this year's Safe Driving Week is "Safe Driving: The Positive Choice". I join with the Council in urging each of you to do your part by making that choice a personal habit.

Traffic fatalities still take a staggering number of lives each year. Individually we can all help to make this figure less. Please support the Canada Safety Council in its effort to make Safe Driving Week - 1979 a most successful campaign.

Joe Clark
Prime Minister

AGT GOOD NEWS PARTY LINE

Team Roping School at Diamond C. Stables, Viking on December 6 - 7 evenings and Dec. 8 - 9 days. For more information contact Bill Chishik 336-2161

Solar Energy And Agriculture

At Agriculture Canada's Swift Current, Saskatchewan, research station scientists are studying how to use the sun's energy to help Canadian farmers.

In a project carried out jointly by the federal and Saskatchewan agriculture departments solar energy is being used to dry grain and to heat livestock shelters.

In one test a solar drying system reduced the moisture content in the grain from about 21 per cent to about 13 per cent.

The study will continue to assess the economic feasibility of using solar collectors on prairie farms.

Nicolas Chamfort: "Love is a pleasing folly; ambition is a serious stupidity."

Handicraft Workshop Well Attended

The Wainwright Constituency Handicraft Workshop was held in Irma United Church on Friday, November 23rd, 1979 with twenty-three ladies in attendance. After registration and coffee, the day opened with welcoming remarks by Mrs. Edith Gunn our constituency convenor.

Culture and Handicraft Educational Convenor, Ann Metlenki asked that each local forward suggestions for a revised baking list. Morning classes commenced with Gladys Holt teaching bead work; Frances Fronser and Mary Dempsey demonstrating doll and toy making.

At 11:30 we had a Show and Tell of Christmas Decorations made with buttons and beads, velvet and used Christmas cards.

After a delicious pot luck dinner we went back to classes: Sewing with Denim with Helen Austin instructing and Art Class using pastels taught by Janet Inkster. Each of the teachers showed examples of their work. We each had the enjoyment of creating. It was an interesting and educational day.

We closed with presentations of small momentos to the instructors and Courtesy report.

Safe Driving Week

Most individuals are quite conscious of the need to avoid drinking and driving at the same time.

Conscious of it --- but often ignoring it. At the onset of the holiday season, with its attendant parties and social events, it may be reasonable for safety authorities to issue reminders.

But for the 1979 "Safe Driving Week" the Canada Safety Council is looking at a related problem. The use of cabbabas in the form of marijuana, hashish, or hashish oil has been growing steadily, and the Council's publication "Safety Canada" recently noted some erroneous statements about cannabis that have become widely accepted.

THC (tetrahydrocannabinol), the main active ingredient in cannabis, is not a simple water-soluble molecule like alcohol that the human body can deal with in a few hours. THC is a complex molecule that attaches itself to hydrocarbons in cell walls. It is called "fat soluble". THC remains in the body, especially in areas where fat concentrates - like the brain and the gonads (ovaries and testes).

The Canada Safety Council has warned cannabis users not to drive at the same time, and use along with alcohol is rated as "extremely hazardous".

Frankly, studies have not yet progressed to the point of allowing us to predict changes in the driving habits of frequent cannabis users, but initial suspicions do not encourage those concerned about safe driving.

On Tuesday morning November 20, a two vehicle accident occured at the intersection on the south end of the Viking Elementary School wing. The ½ ton truck pictured above came through the stop sign hitting a north bound car and causing it to spin around toward the school. Although the accident was a relatively minor one, had it happened during a school class break, at which time there are usually numerous youngsters playing around the south end of the school, this could have been a very tragic occurance.

8:00 p.m. in the Civic Centre — REGULAR MEETING — Town Office Council Chambers

Vialta Lodge News

Tuesday afternoon we were priviledged to have a blind man and his seeing eye dog come and visit with us. The man and his dog had been at the school showing slides to the students. We had a very enjoyable half hour as he spoke of the work of the Canadian National Institute of the Blind and his experiences and answered questions which the guests put to him.

His friend with him told of his experience having had cataracts on both eyes and the results of his operations which was very encouraging. Our sincere thanks to Mr. Bill Giroux for bringing these men and their dog over to see us.

Mrs. Elsese accompanied Mrs. Rugland to Camrose on Friday, where she visited with her sister.

Mr. Carl Weder drove to Bruderheim on Friday afternoon to attend the funeral service of his uncle.

Greetings to Mr. Jos Bercheli who is a patient in the Misericordia Hospital in Edmonton and to Mrs. Weder and Mr. Pawlow in the local hospital. Mr. Taylor came home on Saturday after spending ten days in the hospital.

Calling on Mr. Tchir were Diane Pasaak and Nick and Ann Tarzyk of Edmonton.

Florence Walters of Czar called to see Mr. Walters.

Doris Likness and Alva Spring of Irma were visiting Mrs. Elsese.

Chester Falls of Edmonton called to see Elmer Johnson.

A. McCombe of Hairy Hill called on Mrs. Engiis.

Erica and Lyndon Mansell of Innisfree were visiting with Carl Weder.

Calling on Mr. and Mrs. Hoines were Dave and Esther Osbaldeston of Rimbey. Ruth Powell and Irene M. Gilpin of Hughenden, Mr. and Mr. John Houcher of Amisk.

Visiting Mr. Allen were Mr. and Mrs. Alfred Ransell James, Bessie and Mr. A. W. Russell of Sedgwick.

Marion and Olaf Sorenson of Edmonton visited with Mrs. Sorenson.

Arne and Adela Berstad of Hanley, Saskatchewan called at the Lodge on Monday.

Mr. Eickmeyer spent the week at Ranfurly with his daughter and son-in-law, Mr. and Mrs. Phil Austin.

Mrs. Lillain Bilo of Edmonton visited with Mr. and Mrs. O. Loveseth.

On Sunday afternoon A. McCombe of Hairy Hill and John Bramhall of Ranfurly held a Hymn Sing. Thank you for coming to spend this time with us. These visits are very much appreciated by all.

In an attempt to better inform young people as to the importance of protecting and caring for their eyes, the Viking Lions Club sponsored Mr. Bill Owen and his seeing eye dog "Geri" to come to the Viking School and talk with students on the problems of being blind and the necessity for eye care and safety. Pictured with Mr. Owen and his dog is Mr. Bill Giroux, Viking Lions Club president.

Staff Photo

Kinsella Seniors Hold Card Party

Kinsella Seniors held a successful card party on November 21 at their centre.

Ladies high score was won by Catherine Evans. Emerging in second place was Carol McKie.

Receiving the Gents high score was Pete Mellier with John Daugherty taking second.

Our next card party will be held in January as the December date falls too close to Christmas.

Members of the Kinsella Seniors club were happy to have some Viking people join in the card party and the presence of several younger people from the district made the evening truly enjoyable.

Remember, these card parties are open to the general public, not just senior citizens and we look forward to having a number of new faces at our next party. See you January 16th at the Kinsella School.

NOTICE
THE PLANNING ACT
R.S.A. 1977
AS AMENDED

Take notice that the Council of the Town of Viking proposes to pass an amending zoning by-law pursuant to Section 135 of the Planning Act. The purpose of the proposed By-Law No. 333 being the rezoning from Urban Reserve to R-Residential that portion of land as shown on Schedule A attached to and forming part of By-Law No. 333.

A copy of the proposed By-Law No. 333 may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 7:00 p.m. on the 5th day of December, 1979, the Council of the Town of Viking will cause a public hearing to be held in the Town Council Chambers at which time objection to the proposed by-law may be made and discussed.

Dated at the Town of Viking this 19th day November, 1979.

Energy Eater Beaters
THE ENERGY WHEEL

As time goes by most of us put on a few more pounds. And over the years most of us also put more kilowatt hours — and dollars — on our electric bills.

It happens so gradually most of us aren't even aware of it . . . a new color TV here, a frost-free refrigerator there . . . and it all adds up to fatter energy bills.

You can slim your energy bills with an ENERGY WHEEL, a quick reference for energy consumption and the cost of operating many common electrical appliances.

For your complimentary ENERGY WHEEL, write to ENERGY MANAGEMENT SERVICES, Box 1900, Calgary, Alberta T2P 2M1.

CALGARY POWER

Irma Legion Expresses Thanks

The Irma Branch of the Royal Canadian Legion sponsored their annual community Remembrance Day Service on Sunday, November 11th in the Irma School Auditorium.

We were blessed with a large and attentive congregation, and a beautiful day. Pastor Allan Iddings of the Roseberry Gospel Mission, our guest speaker, gave an excellent and timely address.

Rev. Gordon Wilson of the Irma United Church said the prayers and benediction.

The Irma United Church Choir gave richly of themselves, leading us in singing they hymns and also rendering a beautiful anthem. Mrs. Betty Parsons was the pianist.

Comrad Albert Glasgow, as chairman, read the Honor Roll and took charge of the Wreath laying ceremony at 11:00 o'clock.

Mr. Dan Nash, the School Band Leader and music teacher, gave his services as bugler for the "Last Post" and "Reveille".

An offering was taken, the proceeds to be sent to the Veterans in the Baker Memorial Sanitorium in Calgary, as in the past years. The amount of the offering was $207.36.

We the members of the Irma Branch of the Royal Canadian Legion, are very pleased with the generosity and compassion of our friends. Truly you do "Remember Them".

We have received a very sincere thank you from the veterans at the Baker Sanitorium and we send this to you with our own thanks.

We deeply appreciate the consideration and assistance we received from Pastor Allan Iddings, Rev. Gordon Wilson, the United Church Choir, Mrs. Betty Parsons, Mr. Dan Nash, Mr. Dick Mitton and Mr. Clarence Barber, chairman of the School Division Board.

A.C. Milne
Secretary

Irma L.A. Plans Year's Activities

The first order of business at the November meeting of the Irma L.A. was to pick a new executive for the 1979 - 80 season. After a somewhat lengthy discussion the new executive was finally agreed upon.

The executive now consists of President - Judy Lemieux, Vice-President - Stella Glasgow, Secretary - Linda Minchau, Treasurer - Lyan Prior and Badge Secretary - Joy Patterson. This year there are two Mother's Helpers. They are Eva Ho and Ruth Jamison.

Our Tawny Owl, Jeanne Leskosky, said that although our Brownie pack is small this year, only eleven girls, they are a very enthusiastic group, looking forward to the year ahead.

Tawny Owl also said that with the change in age for Brownies this year, she has a very young group with the oldest girls being only eight years.

Tawny Owl's second in command, Jean Mitton, then gave the L.A. an outline of some of this year's activities. These include: work on their knitting, a visit to another Brownie pack, their annual Christmas concert; hopefully a parent-Brownie banquet plus numerous other activities which they hope to have time to work into the program.

The Brownie's mothers were in full agreement that the above list of activities plus the time the girls spend working toward getting their badges should keep the girls busy for the coming year.

Following is a list of this year's Brownies: Kim Eccles, Tracy Eccles, Kim Glasgow, Alena Ho, Brook Jamison, Patricia Lemieux, Tracey Leskosky, Deanna Minchau, Nicole Mitton, Corinne Prior and Kristal Prior.

Irma Beef Club Elects Executive

A reorganizational meeting of the Irma 4-H Beef Club was held on October 29th at 7:30 at the Irma Arena. Following nominations and elections, the newly appointed executive for the current year are as follows: President - Sherri Fischer, Vice-President - Karen Newton, Secretary - Dianne Smith, Treasurer - Tracey Fischer, Club Reporter Gordon Mark, Junior Leaders are Ian Currie and Randy Newton.

Members of the Senior Committee include the following: Keith Currie, Don Pelton, John Newton, Sonny Archibald, Alfred Orachecki, and Ronnie Prior.

Official Record Book "Marker" will be Jerry Mark and our leader and assistant leader will be Bert Smith and Mary Newton respectively.

The Club held their 1979 "weigh-in" day on November 9th. Membership fees were set at $2.00 per member.

The next regular meeting of the Irma 4-H Beef Club will be held at John Newton's on December 3rd at 7:30.

Club Reporter
Gordon Mark

Irma & District News

Mr. and Mrs. Mervin Stevenson from Fort McMurray visited with Isabel and Eldon Fenton on Wednesday and Thursday of last week.

Among those who helped Eldon Fenton celebrate his birthday on Sunday, November 25th were May Carter from Wainwright, Sylvie and Rob Shaw and Eldred and Jim Tindall as well as Shelaine and George Lard and Jamie of Sedgewick. Lynn and Jack Lancaster and children of Kinsella were also part of the family gathering.

John Ivan Jackson of Edmonton visited over the weekend with his aunt and uncle, Eileen and Ray Lewis. He returned to the city on Sunday. He also called in on Lorna and Eddie Jackson.

Members of the Irma New Horizon club and friends, have been enjoying yoga lessons at the centre.

It is possible that another series of lesson may be arranged for yoga enthusiasts before spring.

Bob Dunbar from Lacombe visited with his mom and dad and also with Anne and Jon Dunbar on the farm during the week.

Our first snow of the season fell on Sunday night or early Monday morning.

something for everyone in the want ads

Bob Dowling,
Commissioner, Alberta 75th Anniversary Commission

"Make 1980 a year to remember!"

In 1980, we celebrate a special moment in history . . . the making of a province. The proclamation of 1905 — which made Alberta a part of the Canadian Confederation — took only a moment to sign. But the making of Alberta spanned years of struggles and successes.

Take time to celebrate Alberta 75, to salute the pioneers whose courage and initiative built our province. Make 1980 a year to reflect on our heritage. To learn about the colorful characters and events that shaped Alberta's history, before 1905 and in the seventy-five years that have followed. You'll find much to be proud of in the pages of our past.

Since 1905, Alberta has taken great strides. We've developed a stable and diverse economy. Our province is strong through the people who have contributed — and will contribute — their special talents to our future.

Make 1980 a great year. A time to thank a nation, a province, and its people. A time to think back — and to toast a future that will be truly great. Make 1980 a year to remember.

Get involved! Tell us your anniversary plans — keep us up to date.

Write: The 75th Anniversar, Commission, P.O. Box 75000, Edmonton, Alberta T5J 2P4. Telephone: (403) 427-1980

King & Muller Exchange Vows

Mr. and Mrs. George King of Hardisty celebrated a special Thanksgiving weekend - the wedding of their youngest daughter and a surprise 45th wedding anniversary. The festivities began with an after rehearsal coffee party at the home of Wayne and Phyllis King of Irma. Then on Saturday, October 6th, came the wedding of Connie Marlene King and Mr. Eric Muller, youngest son of Mr. and Mrs. Bill Muller of Mississagua, Ontario, in the Irma United Church with Rev. Wilson officiating.

Attending the bride were Mrs. Wendy Sokano, sister of the bride and Miss Jeanie King, niece of the bride, both of Edmonton, Mr. Earl Muller, brother of the groom and Mr. John Field, friend of the groom, both of Toronto, Ontario were the groom's attendants. Ushers were Mr. Lee King of Irma, and Mr. Kerry Retu of Edmonton. Miss Gwyneth Astley of Ryley was the organist while Mrs. Margaret Ember of Irma sang "The Wedding Song" during the signing of the register.

Connie wore a beautiful white gown of chantilly lace, flowing behind in train-like fashion, with chiffon pleats in front.

Following the ceremony, the wedding party and guests motored south to Hardisty where a delicious reception supper of turkey with all the trimmings was held in the Elks Hall, catered to by the Royal Purple ladies.

Presiding over the festivities was Master of Ceremonies, Mr. Wayne King, brother of the bride. Motions to toast the bride by Mr. Harold Gulbraa of Irma and to toast the bridesmaids by Mr. Earl Muller of Toronto, who was interested in Alberta's "beautiful natural resources", were seconded by the guests in attendance with cheerful clinking of their wine glasses.

The beautiful 3 tier wedding cake was beautifully decorated in blue roses by Mrs. Ida King, sister-in-law of the bride. Miss Michelle Mighton of Edmonton, friend of the bride, presided over the guest book.

An open house and dance followed at the hall. Lunch and refreshments were supplied by the bride's parents assisted by friends and neighbors. Music was provided by the Horinecks and Maynes of Sedgewick.

Out of town guests were from: Toronto, Oshawa, Rocky Mountain House, Edberg, Tees, Hinton and Edmonton.

Connie and Eric Muller will be taking up residence in Isley, Alberta, 27 miles west of Lloydminster where Eric is a production technician with Husky Oil.

Rodino Report

Taking to the air and flying to Vancouver for a holiday were Les, Doreen and Donna Prosser. Victor Carter has also joined the holidayers.

Douglas, Lorraine and baby Prosser are presently home keeping things under control while Les and Doreen are away on their holiday.

A bag whist game took place last Wednesday night at the Rodino Hall. Reports are that everyone had a good time.

Ray Greenwood of Dinorwic, Ontario called in at the Greenwood residence for a short time.

Mildred Hollar had the misfortune of falling and dislocating her shoulder and is presently in the hospital. Hurry and get well Mildred.

Local residents taking in a day of shopping in Camrose were Nerina Hunter, Yvonne Greenwood and Florence Johnston.

Opening Soon!

Royal Purple Active In Irma

The regular meeting of the Irma O.O.R.P. was held on November 20. The meeting opened in regular form by H.R.L. Darlene Lovig.

There were twenty-six members and fourteen visitors present from Holden and Kinsella. Two officers were absent.

We held a memorial service for our departed sisters. Correspondence was then dealt with. A letter from our S.H.R.L. thanking us for our semi-annual report was received. She also reminded us that we should always strive for new members and increase our membership.

A thank you note was received from D.D. Crozier for her gift and sending our report to her inspection night.

A thank you note was received from Elizabeth Prior for the fruit basket she was sent.

Invitations were received from the Wainwright, Viking and Edgerton lodges to visit. A letter from Bro. Elks requesting our assistance with our drill team and pianist for their installation on December 6 which we were happy to do for them.

A letter was received from the Irma W.I. regarding the tea to be held on Irma Days. A thank you was received from Marion Fischer thanking the members and the lodge for the kindness shown them at the loss of her father.

Corine Larsen reported on our by-laws which are being updated. Olive Jones reported for the finance committee. Books have been audited and are in order. Judy LeMieux reported on the Christmas Tea and Bake Sale.

Sherrilee Fischer reported all is going well for our doll bazaar in conjunction with the tea.

The Sunshine Committee sent a fruit basket to Mary Hinton.

Our lodge will be sending treats for Christmas to Viola Lodge and the Nursing Home and to the Battle River Lodge and Auxiliary Hospital.

We set the date for our district meeting for the 19th of April. Other arrangements are also under way.

Committees have been chosen for our annual Christmas party. Donations were made to the Purple Cross Fund in memory of Bro Elks. Good of the Order - H.R.L. Lady from Holden presented our H.R.L. with the travelling gavel and a poem. Good of the Order - Draw - was won by Ruby MacMillan and Happy Birthday was sung to Margaret Archibald.

H.R.L. Lovig thanked the members for filling in and the visitors for coming. Lodge closed as per ritual and we were entertained by three exotic dancers before an enjoyable followship over a delicious lunch.

Kings Celebrate Their 45th

On Saturday, October 7th the King family and relatives gathered at the home of Merle King and then travelled in mass to the home of George and Ethel to surprise them on their 45th Wedding Anniversary.

Everyone gathered at the front step to hear a short history of their courtship and marriage, and to join in a toast to the bride and groom. A buffet dinner was prepared by their daughters and daughters-in-law, then friends and neighbors joined them in the afternoon for lunch and the cake cutting ceremony.

The cake, decorated in coral and white by daughter-in-law Ida, was the mimic of Ethel's wedding dress. As a special surprise, the bride of 45 years ago was presented with a diamond engagement ring from the groom.

Mrs. Helen (White) Kirkpatrick of Edmonton, their bridesmaid, joined them for the occasion and the best man Mr. Homer King of Seattle, Washington, phoned to congratulate the couple and to wish them many more years of happiness.

George and Ethel (nee Pewtress) King were married in Hardisty on October 17, 1934. They then homesteaded for ten years near George's hometown and Rocky Mountain House and later bought a sawmill, making the lumber business their livelihood until 1947.

Thus, they ventured back to Hardisty where they bought a farm in the Silver Lane District north of town. Here they farmed until they built a home and retured in 1976.

George and Ethel have five children: Verne and Merle of Hardisty, Wayne of Irma, mrs. Wendy Solano of Edmonton, and Mrs. Connie Muller of Isley. They also have 2 daughters-in-law, 2 sons-in law and 5 grandchildren.

Lottie Rozmahel Celebrates 80 Years

A family dinner was held on Sunday, November 11th at the home of Bill and Bernie Rozmahel to mark the 80th birthday of Lottie Rozmahel. The children and grandchildren were present for the celebration. As well, many friends dropped in during the afternoon to offer their best wishes and join in the celebration.

Lottie was born on November 10, 1899 in Ord, Nebraska. She married John Rozmahel on July 22nd, 1924 and following marriage, the couple settled in the Viking area. Lottie lost her husband in 1967. Lottie moved into Viking after the passing of her youngest son Laurie in 1976.

Making the occasion a very memorable event, were the numerous congratulatory messages which included a number from the different members of parliament.

LOTTIE ROZMAHEL

We join in wishing Lottie many more years of health and happiness.

Dr. John Miskew Passes

The Miskew family was deeply saddened by the loss of their uncle, Dr. John Miskew on November 12, 1979. Dr. Miskew passed away at the age of 70 years in Windsor, Ontario. Beloved husband of Kathleen 5484 Riverside Drive, Windsor, dear father of Dr. Don B.W. Miskew, Chicago, Mrs. Robert England (Kathleen), Merced, California and the late John Miskew (1975), six grandchildren; also survived by two sisters, Nellie Woythiw of Edmonton and Anna Shuey of Redlands, California. He was predeceased by four brothers, Harry of Viking, Micheal of Mundare and Peter and Paul of Edmonton. He is also survived by numerous nieces and nephews.

Funeral services were conducted Thursday, November 15 at 1 p.m. from Anderson Funeral Home, Windsor. Interment followed at Victoria Memorial Cemetery. Memorial tributes may be made to the charity of your choice.

Weekly Inspirational Corner

And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up.

That whosoever believeth in him should not perish, but have eternal life.

For God so loved the world that he gave his only begotten Son, that whosoever believeth in him shall not perish, but have everlasting life.

For God Sent not His Son into the world to condemn the world; but that the world through him might be saved. St. John 3:14-17

Do You Know The Bible Says

By Mrs. W. Myers

Matt. 5:15, 16. Neither do men light a candle and put it under a bushel, but on a candlestick; and it giveth light unto all that are in the house.

Let your light so shine before men, that they may see your good works and glorify your Father which is in heaven.

Christ said, I am the light of the world. He that followeth me shall not walk in darkness, and so we must let our light shine that others may share the joy we have found.

If we have Christ in our hearts we have that light. Why should we hide that light and neglect to speak for our Lord? A physically blind person with Christ in his heart sees what the educated and learned cannot begin to comprehend. How wonderful to be His ambassadors in a world of such needy people, but what a responsibility too, if we, as the Lord realized that, "one soul is worth more than the whole world", of if, as Asaph in Psa. 73. saw that the end of the wicked or unsaved was to be "utterly consumed with terror," then perhaps we too would be more like John the Baptist, of whom the Lord said, "He was a burning and a shining light."

It is so important to show that light in our living but we must confess with our mouth the Lord Jesus. We can guide a soul to Christ who never knew us but whom we had the opportunity to speak to just once.

Strawberry Plains W.I. News

The last meeting of the Strawberry Plains W.I. was held on Wednesday, November 21 at George King's residence.

The meeting was called to order by President - Betty Paynter at 2:30 p.m. with eight members and three visitors present.

Minutes from the previous meeting were read by Esther Creasey and were dealt with. The treasurer's report was given by Berna Long and was received as stated.

Business arising out of the minutes was then discussed. Arrangements were made to hold our Christmas party in the Legion Hall on December 19 at 6:30 p.m. with a pot-luck supper with a program to follow. Please bring your own dishes and cutlery.

It was decided that the president and Minnie Jackson attend the Workshop being held in the Irma United Church on Friday, November 23. Betty is to give the courtesy report.

Correspondence was read and dealt with. Reports were given on handicraft, cards, and social services. The meeting closed with "God Save the Queen". A delicious lunch was served by the hostess Ethel King.

Irma Represented At Eastern Star Session

Mrs Phyllis Craig has returned from a two week's visit to Ontario, where she spent some time with relatives and attended the Triennial General Grand Chapter of the Order of the Eastern Star.

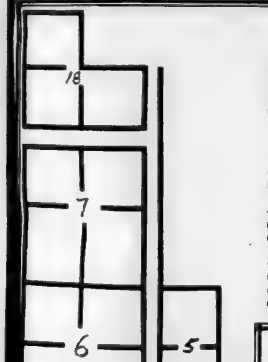
Held in the Coliseum in Toronto, this was attended by eleven thousand delegates from North America, Hawaii, Japan, Scotland, Saudi Arabia and others. The session opened with a church service in the Coliseum, followed by a memorial service for departed members.

During the week, many interesting ceremonials were performed, including an entertainment by a large Hawaiian delegation. They presented their beautiful native songs and dances to an appreciative audience.

The next Triennial will be held in California in 1982.

Ontario has been enjoying beautiful fall weather, but it cannot compare with our lovely Alberta Sunshine. Hundreds of acres of corn are still being harvested, and this operation could continue until Christmas.

Excellent Starter Farm!



- 3 quarter of sec. 18 - 480 acres, 330 acres cultivated, approx. 150 acres could be broke or used as pasture, power, telephone, two drilled wells, older storey and one half house and other misc. buildings.

- All of sec. 7 - 640 acres of natural pasture, water is plentiful; supplied by a natural spring.

- All of sec. 6 - 640 acres, 480 cultivated, much of balance, can be brushed and broke.

- W½ of sec. 5 - 320 acres, No. 3 soil, 200 acres recently broke, remainder could either be broken or used for pasture.

- 13 quarters (in a block), 1010 cultivated with remainder as pasture. Class 3 soil, can be purchased in part or as a parcel, approx. 14 miles east of Viking.

Parkland Nursing Home News

Greetings to Mrs. Tonie Bremner who is in the Viking Hospital and a welcome home is extended to Mrs. Speidel and Mr. Hagen, both have just returned from hospital

Mrs. Pasnak and Mrs. Tchir enjoyed a visit with Diane Pasnak and Anne and Nick Tkaczyk of Edmonton.

Mrs. Blaeser and Mr. Auburn had friends from Stirrome in for a visit. Marie Neehaus, Honey Auburn, Peggy Richmond and Peggy Wheiler.

Calling on Mrs. Kawalilak was her daughter Kay.

Mr. and Mrs. Frank Andrukow and girls, Olive Good, and Shelly and Karen Lusk visited with Mr. Ritland.

Mrs. Ward had a visit with her two sons, Ross and Harry.

Visiting with Mrs. Gustafson were Mabel Sarazin, Eddie Gustafson and George and Doreen Gustafson.

Everyone at Parkland was saddened by the passing of Mr. Harry Gardiner who had been a resident of the home since 1969.

Mr. and Mrs. Hepp have moved to Camrose and we all wish them the best in their new home.

Our fall tea and bazaar held on November 20th was a great success. Bev Gaddard of Wainwright won the doll and wardrobe while Darryl Hollar was the winner of the towel holder. Olga Overbo and Ethel Lawes won the lovely cakes we raffled

A big thanks to all those that generously supported our tea and to those that faithfully contributed to the baking and bazaar table.

A special thanks goes to Olive Good, Irene Toverud, Rita Hafso, Jenny Ekelund, Bev Wiedemann, Laura Bridgeman and Kay Kawalilak for their help. We are purchasing two patio swings with the proceeds. They will be well used next summer.

Record Year For Residential Construction Village of Holden

1979 was a record residential construction year with eleven homes being built in our village.

The village is very busy with new faces bringing in construction materials etc.

The following persons are building homes: Mr. and Mrs. Peter Millmake, Mr. and Mrs. Marvin Gieselhaus, Mr. and Mrs. Marvin Tomashavsky, Mr. and Mrs. Henry Tiedemann, Mr. Holgar Christensen assisted by Jim Warren, Mr. Dean Jeffrey, Mr. and Mrs. Kevin Stansbaugh, Mr. and Mrs. Olsen, Mr. George Smythe, Mr. and Mrs. Alvin Chomik, and Mrs. and Mrs. Mac Eamin.

In addition to private homes, Alberta Housing has constructed an 8 unit Senior Citizen apartment. In addition, Holden constructed a new water reservoir. Residents are looking forward to 1980 when construction is to begin on a 44 unit Senior Citizen Lodge.

Holden News

The Holden L.C.W. will hold a tea and bazaar at the Lutheran Church parlors on Saturday, December 8, from 2 until 5 p.m. Everyone is welcome to attend.

Holden United Church women will hold a Fall Supper at the Community Hall on Sunday, December 9 from 5 until 7 p.m. Everyone welcome.

The Holden Parent Nursery is having a Bake Sale on Saturday, December 1, 1979 commencing at 10 a.m. at the Holden Frozen Food Centre. Money made at this sale will go towards toys and equipment for the play centre. We hope you come out and support the Holden Parent Nursery.

Most members of the Holden and District Chamber of Commerce are selling advance tickets for a combined Christmas party and Newcomer Night on December 4, at 6:30 p.m. Tickets are $6.00 per person. Entertainment for the evening will be provided by "Everett and Lucas".

Progressive Farming

Bill Brass Dist. Agriculturist

Farmers and ranchers who want to buy pregnant cows at an auction market should be aware of the implications of buying animals that are sold as being pregnant, but which are not accompanied by any proof that they have been pregnancy tested.

Some auction markets sell cows as being pregnant on the grounds that they were exposed to a bull on pasture during the summer and give the purchaser the opportunity of returning those that prove to be dry within 30 days. Unfortunately, the only fact that registers with some buyers is that the cows are offered for sale as being pregnant, and many buyers think that the cows have been pregnancy tested by a veterinarian.

Later, when it becomes apparent (often after the 30 days limit) that the cows are not pregnant, the buyer feels cheated and unjustly accuses veterinarians of not doing a good job of pregnancy testing.

The Alberta Veterinary Medical Association, AVMA sponsors a pregnancy testing program whereby cattle that have been pregnancy tested by a veterinarian are identified by a green tag prominently displayed on their backs.

The oval tag shows that the animal was pregnant on the date when it was tested by the veterinarian whose name or the name of whose clinic appears on the tag.

In addition to bearing the name of the AVMA, the tag also has a serial number through which it is possible to determine who did the testing, even if the veterinarian did not put his name on the tag.

Although the tag is proof that the cow was pregnant on the date shown, there can be no guarantee weeks or months later that she is still pregnant because she may have aborted in the meantime.

Hence, it is important that buyers not only know that the cow was pregnancy tested but that they also know the date on which she was tested "Caveat emptor" (let the buyer beware) is the cardinal rule of the market place. To that we would add, "look for the green tag".

Curling Club Encourages Beginners

The Viking Curling Club has resumed activity for the current season. Many enthusiastic curlers turned out for the Fun Spiel which the club held to get the year underway.

The Mixed Spiel held recently was enjoyed by all and was quite successfully despite its being held so early in the year's activities.

Men's regular curling is being held on Monday nights and to date, a total of eleven teams are participating.

Ladies curling is scheduled for Wednesday afternoon and Wednesday evening. A total of eleven ladies rinks are currently participating. The club is pleased to see a number of high-school girls curling with the ladies on Wednesday evenings. Reports show that Wednesday afternoons are slow. As yet, we have only four rinks involved. We need to encourage more ladies to join the afternoon sessions in order to make this a worthwhile venture.

Anyone interested in joining is welcome to drop down to the rink. We curl from approximately 1 until 3:30 in the afternoon.

We have also organized student curling and have two sessions per week. We will also be holding lessons in the future.

The Viking Mixed League are curling on Friday evenings. They would welcome a few more rinks. Any couples or singles are most welcome.

If you have not curled before now is the time to start. The club would like to extend a special invitation to all newcomers to Viking to drop down to the curling rink, meet your neighbors, and join in the fun.

Hockey Referees Clinic This Weekend

This Saturday, a level 1 to 5 Hockey Referees Clinic will be held in the Viking Carena. Instructors from the Alberta Amateur Hockey Association will provide instruction at the two day session to be held this Saturday and Sunday.

Registration for the clinic begins at 8:30 a.m. Saturday, with the clinic to include three class sessions, one on-ice session and a written examination on refereeing and the rules. A fee of $10.00 will be charged for the two day course.

The sessions include study and interpretation of the C.A.H.A. rule book and instructional films on positioning, signals and rule interpretations.

All minor hockey associations in the area are encouraged to have anyone who might help as a linesman or referee attend the clinic. Hockey in the area needs qualified officials for the numerous games this winter.

New Crop Development Fund

Since it was established five years ago, the New Crop Development Fund has spent almost $5 million to broaden the scope of Canadian agriculture.

The fund is administered by Agriculture Canada, and provides financial assistance to research development projects originating in the private sector.

It has a budget of $1 million per year.

Produce groups, universities, industry associations and other eligible groups that want to receive funding next year should apply before January 15.

Mark Twain said, "By trying, we can easily learn to endure adversity. Another man's, I mean."

Viking Chamber Prepares For Christmas Promotion

A special meeting of the Viking Chamber of Commerce was held in the form of a breakfast meeting last Friday at 7:15 a.m. in the meeting room of the Viking Burger Queen to discuss their Christmas Days Promotion. Also on the agenda was the setting of store hours for the Christmas season.

Eighteen people attended the meeting which decided to set some suggested extra shopping hours for the month. The schedule calls for stores in Viking to remain open on the successive Mondays, December 10th, 17th and 24th, with late night shopping until 9 p.m. on Friday, December 14th and Wednesday, Thursday and Friday, December 19th to 21st.

The Chamber Promotion will include a draw for a trip for two to Hawaii and several consolation prizes (see details on page 6. Shoppers can become eligible for the prizes by filling out entry forms at the participating businesses.

The draws for the prizes will be held in the Christmas Party which will be held in the Viking Community Hall on the evening of Saturday, December 22nd. The party will include treats for the youngsters, a visit from Santa Claus and free coffee and Christmas cake.

The Chamber also decided to have extra copies of the pre-Christmas issues of The Weekly Review containing the Christmas Promotion advertisements mailed to residents in a number of towns on Highways 13, 14 and 16 which the Chamber considers to be within the Viking trading area.

Those in attendance at the breakfast meeting generally felt that the morning format was a step towards improving the Viking Chamber meetings. It was generally hoped that all of the businesses in Viking would participate in the morning meetings by either owner or employee attendance.

Irma Home And School Program Salutes Year Of The Child

The Irma Home and School held a very successful tribute to the International Year of the Child in the form of a pot luck supper and program, which was held on Monday, November 26th.

Following the delicious supper, Home and School president, Dale Nilson introduced the following participants in a most delightful program: The Band opened with two numbers - Theme from New World Symphony and Fireworks Music. Following their presentation, the grade two class performed a Mexican dance called Chispaseca.

Vicky Nilson then treated the audience to a beautiful solo - You Light Up My Life. The Grade four class performed next with their recitation of an old time favorite - The Three Little Pigs. Next on the program was a musical selection presented by the Langley family followed by Acrostic by the Grade three class.

The "Senators" - the grade four and five classes presented three selections - Across The Plain, The Cat Came Back and La Cucaracha. Leigha Glasgow then captured the audience with her piano solo of The Home Coming and The Entertainer.

In their usual talented manner, the Skori sisters presented Everything Is Beautiful followed by a dance by Gabriella Chavarria - Night Fever.

Shauna Hinton and Charlene Lindmark combined their talents for a beautiful duet - Color My World. The program was brought to its conclusion with the Junior Choir presentation of two numbers - Ben Rock and Australian Rhapsody.

The Home and School would like to thank everyone who came out and supported our supper and to all those who took part in the program. Without everyone's support and cooperation it would never have been such a success.

The grade four and five classes of Irma School participated in the Irma Home and School program held Monday, November 26. Irma School Photo

We understand that the P.C. government has plans of better ways to move grain to port, but this is ridiculous. Actually, the Alberta Wheat Pool in Viking was moving an elevator sunset from Elevator 3 to Elevator 1 last Wednesday. Staff Photo

Viking Child Development Society To Commence Service

The Viking Child Development society are very pleased to announce that they will begin their program starting December 10, 1979 - still the International Year of the Child! Because of a lot of generous community spirited people and organizations within and around Viking we have been able to proceed and provide this type of service.

Our service and staff are broken down as follows: Monday, Wednesday and Friday, Mothers Day Out with Mrs. Elizabeth McKenzie supervising plus one mother volunteer.

Tuesday and Thursday - Nursery with Mrs. Collette Howery.

Tuesday and Thursday Playschool - Teacher Mrs. Nellie Golka.

The fees have been set as follows: $7.00 per child per day or $1.00 per hour per child. The mothers are asked to send lunches for their children if they are to be at the centre over noon. Morning and afternoon snacks will be provided.

When P.S.S. is fully established in Viking, we are hoping that Child Development will be a part of their program. The mothers day out program depends largely on volunteer mothers and in order to be effective and operational we need your support.

The programs will be held at 5215 - 57 Avenue. If you are interested in any of our programs, you must arrange for your needs in advance so that staff members are aware and able to accommodate your child. Give us a call at 336-4666 for further information regarding registration.

Come and have coffee at our open house anytime on Monday, December 17th.

Stampede Association President Re-elected

Paul Malowany, who replaces Harold Hissett as vice-president, will take the position of president in 1981. Twenty nine members were in attendance.

Members of the Board for 1980 are Harold Hissett, David Laing, Stan Zemanek, Peter Mielak, Bill Stefanik, Hank Field and Morris Erickson.

The Stampede Association looks after the Community Centre and as an additional project this year, it will look towards furnishing a room in the new Viking Hospital.

Grant Fredericks was re-elected President of the Bruce Stampede Association at the annual meeting held on Thursday, November 29.

Bruce Kawaliak was also re-elected as secretary-treasurer.

Fredericks and Kawaliak had indicated at the previous meeting that they wanted to be replaced, but a nominating committee comprised of David Laing and Rod Hammermaster was unable to find anyone who would consider taking either office.

National Advertising Representatives:

It's A Joke!

Next year, 1980, is the 75th Anniversary of Alberta's becoming a province within the Dominion of Canada. This is a milestone in the life of this province and its role in the Canadian confederation. Some type of celebration should be held in the province to commemorate the occasion.

The Provincial government of Peter Lougheed has tentatively set a figure of $75 million to be spent on the Province's "birthday" parties. For the government to spend this kind of money next year is ludicrous. Presently residents of this area are being encouraged to "furnish a room" in the new hospital so that funds can be provided to purchase equipment beyond that to be supplied by the Provincial government. At the same time, this government is supposed to fund the equipping and furnishing of the facility. Yet they plan on spending $75 million on parties next year. No construction projects are to be allowed in the requests for funds from this government handout.

This government, with its enormous financial reserves, obviously has its priorities mixed up. To provide $75 million for various "parties" when hospitals go lacking for better equipment and furnishings is a joke!

The Pencil Box

The History Of Rug Hooking
By Irene Findlay

Rug hooking, associated in our minds with Colonial America is an ancient craft. It was so much a part of our ancestors' lives for so long that its origins have been lost in the passing of generations.

The process as we know it today was developed in England and was brought to North America by the early settlers. From where then, did England receive the art? It is believed that the art of rug hooking came from Scandinavia. Prehistoric peoples may have hooked mats from which they made some of their articles of clothing.

The real heyday of rug hooking began in the middle of the eighteenth century in New England. Every well-furnished Colonial home had at least one or two hooked mats. Many of these rugs exist today, handed down from generation to generation as treasured heirlooms. They are also prized by collectors of antiques.

Even the men who sailed the seas of that era played a large part in promoting the popularity of making and using hooked rugs. They would while away the long hours aboard ship, creating rugs from designs original or copied from patterns seen in English or European Ports.

The backing for these rugs was of hand-woven linen and of old coffee, sugar and grain bags. Their hooking materials were cut from old rags or clothing or whatever materials they could salvage. They used cloth in original or natural colors, but later began to use dyes they made themselves with great ingenuity and no little effort. Onion skins, berries, wild grapes, various tree barks, grasses, nuts, roots and golden rod were experimented with and found to be a good source or color.

As for designs, they were generally copied from Oriental or Europen textiles and Chinawares. They were often drawn roughly from crude primitive copies of animals, plants or buildings. Geometrics such as star designs, diamonds, medallions and other odd shapes were assembled. Even landscapes.

Women met in "hooking bees" just as they did and still do in "quilting bees". They would exchange ideas compare patterns and share their interest as we do today.

As was pointed out earlier, sailors used to hook rugs while at sea. Obviously women did not have a monopoly on the art. A man, Edward S. Frost, a Yankee veteran of the Civil War in the States, improved upon rug designs. Retired at home because of ill health he one day took note of a rug his wife was hooking and was inspired to improve upon the crude design which she was using. He experimented, making several metal stencils for the purpose of stamping rug patterns and took very little time to do so.

He was unable to find anyone brave enough to invest in his idea, so he went around peddling his patterns from a cart. He was able to save enough from this to start a regular business selling them. Apparently there is no limit to what can become of a start in rug hooking; or from even watching one's wife at work.

Shortly after the Civil War, the handicraft of rug hooking began to die out, and was not revived until the first World War, which was more than fifty years later. During the depression of the 1930's, people again turned actively to rug making. Then during World War II, the craft reached one of its greatest heights of popularity.

It would seem in troubled times, or in times when a nation has to pull in its belt, this craft reaches one of great interest. With International politics as disturbing as ever, and times as restless and uncertain as they have ever been, it is of no wonder that the popularity of rug hooking continues to gather momentum.

My first interest in the craft of rug hooking occurred in 1965 while living in Edmonton. A course was being offered by the Parks and Recreation at the Pleasantview Hall in South Edmonton. As I was on a years leave from work in South Korea, it appealed to me as a craft which would be very adaptable to the Korean people. I was also fascinated with the many versatile uses of a hooked article. Not only were there rugs but cushion covers, chair seat covers, hangings, mats, runners and so forth.

The course taught us the type of material to be used. We were taught designing and dyeing, with purchased or natural dyes. We learned how to use the straight hook, how to cut materials with a special cutter. We made color charts which helped us choose our colors. We learned shading which added even more beauty to a floral design. It may all sound very simple but starting was like many other specialties, one just couldn't seem to get the hang of it at first. However, with practice and the sight of the pattern taking shape, one had the feeling of creating something.

There were opportunities to display our work at the Provincial Museum. Our group the "Happy Hookers" was also called upon to demonstrate the art of Rug Hooking at the Museum and other places. We met many experts who displayed the beautiful work which they had done.

Wool flannel is scarce in this era of synthetics. It takes a great deal of scrounging to find suitable materials. Synthetics just do not cut well enough for hooking. It is sad to me that this beautiful craft could be come beautiful craft could become lost because of a change in textiles. Let's hope not.

AGT
GOOD NEWS PARTY LINE

A Christmas Concert will be held at the Kinsella Community Hall on December 8 at 8:00 p.m. sponsored by the Kinsella Culture and Recreation Association. Everyone is welcome. Ladies are asked to please bring lunch.

Irma Home and School Christmas Party will be held on Monday, December 17th at 6:00 p.m. Pot luck supper with a one dollar gift exchange.

The Beaverhill Players will present 'Christmas Play' on December 14, 15, and 16 at the Regional Arts Theatre in Holden.

The Viking Brownies, Guides and Pathfinders are holding a Bake Sale on Saturday, December 8th from 2 until 4 p.m. at the Thor Agency Offices in Viking.

Holden and District Minor Hockey Association will be holding a meeting on December 8th, at 11.00 a.m. at the Holden Complex. All parents interested in registering their children for this season are asked to be in attendance on Saturday morning as children must be registered to play.

A Christmas Party and New Comer Welcome Night is being held on December 4th in Holden, sponsored by the Holden and District Chamber of Commerce.

The month of Dec. is a major one for Elks activities. The Elks will be hosting a School Patrol Banquet and jointly sponsoring the Annual Christmas party. To raise money for these and other activities, the Elks will again be selling Christmas Trees and sponsoring turkey bingos. Your support will be appreciated.

Don't forget the Christmas Party in the Bruce Community Centre on Saturday, December 8th, a pot-luck supper followed by carol singing and a visit from Santa.

Viking Child Development will hold Open House on Monday, December 17th at 8215 - 57 Avenue Viking. You are invited to drop in for a coffee and become acquainted with the programs offered.

The Bruce Ag. Soc. is sponsoring a Turkey Bingo at the Community Centre on Friday, Dec. 7, at 8:00 p.m. There will also be a bake sale prior to the bingo.

PUT IT HERE

It Is Time To Talk Turkey About Crow

There is a consensus in the industry that the grain forwarding system is our number one problem today. We see that problem in three parts: 1 - the Crow Rate, 2 - the day to day coordination of grain movement and 3 - is the need for sound, ongoing leadership in medium and long term planning.

(Solutions to the second and third problems were dealt with in our "Two-Thirds Solution".)

What are the economic problems associated with the Crow Rate? One, lack of revenue for the railways - Mr. Snavely determined that in 1977 for every dollar spent by the railways on the actual movement of grain, the farmer paid 22.4 cents (through statutory rate), the federal government 18 cents (through various subsidies) and the railways were left to absorb the balance, 59.6 cents.

Two, deteriorating rail service - Given the figures shown above, no one in his right mind can suggest any longer that the railways will devote money or expertise toward moving statuatory grain, when they lose money on every bushel shipped.

Three, lack of incentives for a more efficient grain forwarding system - because they are losing money, the railways have no way of offering incentives to grain companies to load quickly, to expand their car spotting rackage, to unload quickly at the ports, etc. And because of the inflexible rail rate structure, there is no way that the railways can encourage producers to haul to higher density lines. The elevator companies contribute to this problem as well, because they charge a uniform rate at every elevator, not encouraging producers to haul to their more efficient and under utilized grain handling and transportation net work.

Four freight rate discrimination against grain and livestock - because the statutory rate is well below cost on the raw grain, and because grain products (except flour and malt) all pay a higher, cost-related rate, we have very little grain and livestock processing in western Canada. And while it is not the only factor involved in decisions as to where to locate, the Crow does contribute to exporting jobs and income to those regions where our grains are processed.

What all of us should be searching for is some way of solving those four very important economic problems, and at the same time coming up with the following political assurances:

1. - maintenance of the Crow benefit. 2 - improved grain forwarding performance, 3. - some form of continued rate control on the railways. 4. - simplicity of design and 5. - public acceptability.

I am sure most reasonable people realize that talking publicly about Crow is a difficult task. The issue is not solved by emotional rhetoric from those who still deny that there is a problem or from those who conveniently forget to mention what Mr. Lang, the Federal Conservative Caucus, Palliser and a growing number of farm organizations - Unifarm, Albert Pool, Manitoba Pool, United Grain Growers, and all the livestock groups, have stressed: that the Crow benefit must be retained.

Maintenance of the benefit would be an essential part of any trade-off. If the rate was 50 cents instead of 18 cents, then the 37 cents difference would be the Crow benefit. If we, as responsible wheat growers, are prepared to pay the freight costs over and above the 50 cents, I think we can get Ottawa to cover the 37 cents.

If we don't sit down as reasonable people to address the problems and seek solutions, then we face the risk of an imposed solution from Ottawa, one that may solve the bottom line on railways' balance sheet, but little else.

I suggest that we can solve the economic and political problems of the Crow and in a manner where grain producers, livestock producers, meat packers, rapeseed crushers, railways and western Canadians would all be better off than we are now with the status quo.

Awards Program Announced By Outdoors Unlittered

Albertans who have made outstanding contributions to their environment will be recognized with environmental service awards recently established by Outdoors Unlittered, a non-profit organization supported by the Alberta Government, industry, the media and the public.

Three award categories have been announced; the "Outstanding Service Award" for individuals; the "Award of Merit" for groups and the "Eco-Action Award" for young people.

"We want to recognize the efforts of the many Albertans who are working hard in their communities to improve their environment", said Joy Findlay, Chairman of the Board of Directors of Outdoors Unlittered, announcing the awards program.

All individuals who have made a special contribution towards improving their environment are eligible for the "Outstanding Service Award". selection criteria will include the time, effort, demonstration of leadership, effect, or accomplishments, with stress on how the individual has advanced the aims and objectives of Outdoors Unlittered, which are to promote environmental education and improvement, with emphasis on litter-prevention and beautification.

The "Award of Merit" recognizes groups who have advanced the aims and objectives of Outdoors Unlittered. Criteria for selection includes the time, effort, and results of the group's activities, with special emphasis on the effect the projects have had in the community.

Beautification projects in a downtown core; reclamation of old mine sites; or education campaigns to encourage citizens to care for their environment are some of the projects that would be eligible for the Award of Merit.

Young people who have made an outstanding contribution to an environmental project, short or long-term, rural or urban, are eligible for the "Eco-Action Award". Each person nominated will receive a specially designed crest and a Certificate.

Nominations for the "Eco-Action Award can be made by school staff or youth group leaders. Groups may nominate themselves for the "Award of Merit". All nominations must be submitted in writing with supporting documentation.

"We hope that all individuals and groups involved in preserving and improving the environment will submit a nomination," said Ms. Finlay. "There are many who deserve to be recognized for their efforts in helping to keep Alberta beautiful."

Nominations for 1979 - 1980 close on March 30, 1980. Nominations should be sent to Outdoors Unlittered, 1-9880 - 106th Street, Edmonton, Alberta T5K 1C8

Toys - What Is Suitable?

When choosing a toy, the age and ability of the child are the two most important factors. Because children generally go through the same development pattern we can generalize about what these children will find interesting and also what they will benefit from.

All toys are educational and will teach the child something. As parents we should not get too wound up in trying to teach something specific with a particular toy.

Here are some toy suggestions for the different age groups:

Infants - babies under one like things with bright colors, shapes they can explore and textures they can feel. Such toys include stuffed animals, dolls, squeak toys, sturdy rattles, balls and even non-breakable cups. Infants chew, drop and bang their toys, so they should be washable and non-breakable. Watch for sharp edges and small detachable parts.

One to Two Years - a child investigates his world now. Playthings that can be taken apart and put together easily such as blocks, benzo, pegboards and push-pull toys are suitable. Stuffed animals and dolls, bath toys, small tables and chairs are also good selections. Be wary of small toys that can be swallowed and sharp edges.

Two to Three Years - these children are more experimental. Building blocks, wooden animals, kiddie cars or tricycles, finger paints, modelling clay, wagons, wheelbarrows, picture books and crayons are all excellent choices. Riding toys should be low and sturdy.

Three to four Years - this is the imitative age. Toys which encourage make believe aid in learning. In this group are small brooms, garden tools, doctor or nurses kits, toy dishes, painting sets and construction toys. Home-made costumes with accessories will encourage creative play. Wooden trains are also suggested.

Four to Six Years - children are now more imaginative than imitative. More complex toys such as games, doll houses, blackboards, paints, blocks, hand puppets and mechanical action toys such as dump trucks please this age group. Play equipment such as jump ropes, rubber balls, slides, and swings serve to increase skills.

Six to Eight - Finer coordination skills are developing now. Sewing materials carpenter tools or science toys are popular. Skids, skates and playground equipment are also appreciated. Additions to construction sets or kits for playing store will complete toys already used. Electrical toys that are approved by Underwriters Laboratories (UL) are also suggested.

Eight to Ten - hobbies develop at this time. Model building sets and more complicated tools can be given. Craft and simple camera equipment coin and stamp collection material will encourage hobbies. Children are now keenly interested in sports equipment such as ball gloves, raquets, fishing rods, etc. Musical instruments, books, games of skill, puzzles and records are also good for this age. If buying a bicycle be sure it is the right size for the child, not one to grow into.

A toy will continue to be used if the child is interested and the toy creates interest. A toy that requires 90 per cent child input and 10 per cent toy input will continue to be interesting.

The smallest recorded newspaper page size is 3" x 3 3/4" used for the *Daily Banner* of Roseburg, Oregon, in 1876.

Record Earnings Announced

J.W. "Iadill, General Manager of Alberta Wheat Pool announced recently that "It is very gratifying to report that in many respects the 1978 -79 crop year was successful. The Pool organization continued to be actively involved in many new developments and despite problems with the movement of grain, a sizeable improvement in earnings was recorded during the year."

After provision for income taxes, consolidated earnings of the Alberta Wheat Pool and its subsidiary companies were $21,516,847 compared to the previous year of $15,555,375. Mr. Madill said this record earning was achieved with a lower country handling of grain, but shipments in excess of receipts partly compensated for the difference. Terminal operations both at Pool Vancouver facilities and Pacific Elevators Ltd., provided higher operating results.

The General Manager said that "Good progress was made on planning for the installation of a computer information system at major marketing and elevator centres. The new country manager training program at Olds College has proven successful and continues as an important part of the Pool's human resource development program.

In addition, the Pool organization has a major interest in the Prince Rupert Terminal Consortium made up of six grain handling organizations, which experienced significant progress during the year".

Holden Village Council Meets

A regular meeting of the Council of the Village of Holden was held on November 21, 1979 in the Village Office. Present for the meeting were Mayor Shykora, Councillors Giebelhaus, Lemko, Danilak and Stambaugh as well as the Secretary Treasurer - Christine Mackay. Others in attendance included Murray Brooks, Alberta Housing Corporation Officer and Constable A. Moffatt of the Tofield R.C.M.P.

The meeting was called to order by Mayor Shykora at 7:30 p.m.

It was moved that the minutes of the October 17 regular meeting and the November 7 regular meeting be adopted as printed. Carried.

It was moved by Councillor Danilak that the accounts in the amount of $56,271.56 be approved. Carried. Councillor Giebelhaus abstained from the discussion and voting.

Councillor Giebelhaus moved that the monthly cash statement be adopted as presented. Carried.

By-law No. 20 - 1979, being a by-law authorizing the borrowing of money to finance construction of the water reservoir and pumphouse. Mayor Shykora moved first reading of this by-law. Carried. It was moved that this by-law receive second and third and final reading at this time. Carried.

Information was presented to Council regarding terms of the lease agreement with Blair Nelson Oilfield for rental of office space in the Village garage.

By-law No. 13-1979 being a by-law of the Village of Holden to approve sale of Lot E½ 25, Block 14, Plan 394 OW to Milburn Jeffrey. Councillor Lemko moved third and final reading of by-law No. 13-1979. Carried.

Murray Brooks, Housing Officer with Alberta Housing Corporation joined the meeting at 7:45 for the purpose of discussing with Council the management of the Senior Citizens Self-contained units. After some discussion and questions and answers he retired from the meeting at 9:00 p.m.

A letter of application for the position of stand by utility man submitted by Alfred Gibson was read.

It was moved by Councillor Stanbaugh that Council accept the application of Alfred Gibson for this position at a rate of $4.54 per hour with employment to commence on December 1, 1979. Carried.

Councillor Lemko moved that the Secretary be authorized to attend the annual A.U.M.A. workshop for appointed officials in Vegreville on November 28. Carried.

Mayor Shykora moved that the request for financial assistance made by the Salvation Army not be considered. Carried.

Constable Moffatt, of the Tofield R.C.M.P., attended the meeting from 9:15 until 10:15 to discuss mutual concerns regarding traffic problems and problems with teen dances at the hall.

Councillor Stanbaugh moved that the Engineer be authorized to prepare a by-law regarding the lagoon extension. Carried.

It was moved by Mayor Shykora that the 3 mill levy for recreation be paid in full, with funding coming from interest from the debt reduction program. Carried.

Councillor Stanbaugh moved that Council not purchase land from John Loskoty. Carried.

Councillor Danilak moved that the following people be approved as members of the Holden Local Recreation Board for the 1980 term; Marvin Tomashavsky, Lyle Andrusky, Joe Fornal, Christine Mackay, Darlene Stambaugh and Carol Klonts. Carried. Marvin Giebelhaus is the Council representative on the Board.

Numerous items of correspondence were received and filed.

The Councillors gave reports on various aspects of their departments and some discussion took place regarding these.

Councillor Giebelhaus moved that the Village suspend rental of the Community Hall to the Holden Teen Club until February 1, 1980 pending proof that the teen club is reorganizing and the terms of the contract can be complied with. Carried unanimously.

Councillor Stanbaugh moved adjournment of the meeting at 11:50 p.m. Carried.

Bob Dowling,
Commissioner,
Alberta 75th Anniversary Commission

"1980 is your year to celebrate!"

1980 marks more than the start of a new decade. It signifies 75 years since Alberta became a province and member of the Canadian Confederation. Since the proclamation of 1905, we've come a long way.

1980 will be a year of celebration. Right now communities, businesses and individuals are planning their special way to salute the pioneers of the past and toast a future that is sure to be just as exciting. It is time to rediscover Alberta!

Do you know what is happening where you live? Now is the time to find out and get involved. Already scores of municipalities have set up regional committees to co-ordinate local and regional activities. Contact the representative in your area. Whether you play a leading role or participate in a small way, you'll help to make this year an historic occasion.

Make it a great year. A time to thank a nation, a province, and its people. A time to remember the pioneers of the past and look to a future that will be truly great. Make 1980 a year to remember!

Get involved!

Holden News

Joe and Maureen Pomerniak are receiving congratulations on the birth of their first child. Sherri Lynn was born on November 16th at the Misericordia Hospital in Edmonton, weighing 6 lbs. 8 oz. Proud grandparents are Mrs. Elizabeth Pomerniak of Viking, formerly of Holden, and Mr. and Mrs. Frank McTurk of Wainwright.

The Holden Elementary School are now in the planning stages of holding a school concert. Plans are to have the presentation on the afternoon of Thursday, December 13, at 1 o'clock at the Regional Arts Centre in Holden.

Holden Brownies and Guides held their enrolment on November 29th. There were 11 new Brownies enrolled. The present enrollment total has reached nineteen Brownies and nine Guides.

Irvin Babitz and several other people from this community are to attend the National Farmers' Union Convention in Ottawa from December 3rd to 7th.

The Holden Parent Nursery are pleased to report that their bake sale was most successful. They wish to thank everyone for attending.

On Saturday evening, December 1, the Holden Fire Department was called to a house fire at the former Bud Sizer farm. The fire completely destroyed the house. Residents of this farm home are now in the district, having purchased from Mr. Sizer recently.

Bruce And District News

Audrey Pratt and Paulette Erickson attended a 4-H leadership convention in Banff last week and both reported it to be a most worthwhile experience.

Ernie Dorin was in Regina last week where he was a competitor in the rodeo.

Ella and Jack Pipke have just returned from a bus trip which took them through California and Nevada and into Mexico. Jack reported that although they had encountered some snow, on the whole, the weather had been pleasant.

Gail and Bruce Kawalilak and Larry Kawalilak left Sunday evening for Las Vegas where they hope to make their first million.

A large crowd gathered at the Community Centre on Saturday evening to extend congratulations and best wishes to Bonnie Simmonds and Lawrence Ewert who were married at 6 p.m. in the Immanuel Lutheran Church. Bonnie and Lawrence will be making their home in Holden.

The Bruce Women's Institute "cake of the week" raffle was won by Muriel Otto. This week the cake was baked by Ruth Dwyer.

Jody Mickiak has demonstrated her writing ability by winning an essay contest sponsored by the Vegreville Health Unit. Jody wrote about tooth care.

The senior citizens are holding card parties each Wednesday evening at 8 p.m. in the Community Centre. Members of the group would like to thank Nancy Field for donating prizes for the last two parties. Last week the winners were Vivian Benson and Dan Teake while consolation awards went to Gerdie and Hank Uhlman.

Don't forget the Christmas Party in the Community Centre on Saturday, December 8th. The evening will begin with a potluck supper at 6:30 which will be followed by carol singing and a visit from the jolly old gentleman from the north pole.

The Agricultural Society is holding a Turkey Bingo at the Community Centre on Friday, December 7 at 8:00 p.m. There will be the usual fifteen games and a minibonanza. A bake sale will be held before the Bingo and coffee will be available during the evening.

The Emeralds Very Popular

A chance meeting of Al Broder and Al Olswald, resulting in a partnership, and they seeking other musicians, formed a five piece band in 1970 known as "The Emeralds. They began their career playing at weddings and high school graduations in Edmonton

Fans and friends who had enjoyed a pleasant evening out dancing to The Emeralds kept asking where records of them could be bought. So to please their fans and fulfill their requests, the boys cut their first custom record to sell off stage during engagements.

It was during this time that The Emeralds got their biggest break as some radio stations liked what they heard and started to give them some air-time. Since their first recording The Emerald's have cut seven fine albums. These include: Nepor's Theme, Anniversary Song, The Emeralds, Red Barn Reunion, Dancing With You, The Emerald's Around The World, and Old Time Saturday Night.

Because of the successes of the records and the demand for personal appearances, The Emeralds found that their weekend venture had grown into a full time occupation.

In the summer of 1977, their album "The Emeralds" featuring a song called the Irish Waltz, written by a C.F.C.W. disc jockey, Bev Munro, climbed the charts across Canada. Upon the release of this album in foreign countries, it became their biggest hit to date. Album sales in Alberta virtually took off like a rocket and their popularity brought The Emeralds their second Juno Award nomination as Canada's Top Country Group.

Another big break came for The Emeralds in the spring of 1978 when they were chosen to represent Edmonton on a World Wide Tour to promote the Commonwealth Games. The Emeralds toured New Zealand, Australia, Hong Kong, Singapore, England and Trinidad. Everywhere they played they received standing ovations and upon arriving back in Edmonton, the games committee flushed with The Emeralds success on their behalf, asked that they go out again on a tour of the African Nations. But due to heavy obligations this excellent offer had to be declined.

In addition to performing at a magnitude of functions in Edmonton and surrounding areas, The Emeralds have performed at the World's Fair at Expo '74 in Spokane. They have appeared on T.V. programs and are beginning to get an appreciable amount of air-time and recognition by radio stations, especially the Camrose station - C.F.C.W.

One of the biggest thrills for The Emeralds has been to receive their Gold record in their home town. Receiving recognition from the folks at home has been one of The Emeralds dreams for a long time.

I understand there was a sell out crowd in attendance when The Emeralds played in Viking on November 2nd. I was unable to purchase tickets for this event but I had the privilege of attending a social function in Mundare where the group were playing. On speaking with the band leader Al Broder, he mentioned that The Emeralds will be coming back to Viking again for a future engagement. Al Broder also commented on what a lovely hall Viking has.

I found The Emeralds very entertaining as well as an exceptional dance band as they keep ones utmost attention throughout the evening.

May their enthusiasm and popularity continue to skyrocket!

L. Fowler

TENDER

Hauling and Stockpiling Gravel:

The County of Flagstaff No. 29 invites tenders from truckers for the hauling of gravel during the winter months with commencement the first part of January 1980.

The work is as follows:
Pit Location - NE 6-43-9-W4; **Stockpile Location** - SE-44-14-W4; **Estimated Mileage** - 34 miles; **Estimated Number of Cubic Yds.** - 25,000 cu. yds.

The gravel will be loaded by the County loader, checked by a County checker and the successful tender should have enough trucks to haul 200 - 250 cu. yds. per hour. Mileage will be determined by Constable Vanderwoude, County Constable.

Quotations must be made on a per cubic yard mile basis.

Proof of insurance of at least $200,000.00 Public Liability is required.

Tenders will close at 5:00 p.m. December 12, 1979. Lowest or any tender not necessarily accepted.

For further information, please contact one of the undersigned at 384-3537, Sedgewick, Alberta.

Village Of Irma Council Minutes

The Council of the Village of Irma met in regular meeting in the Irma Village Office on Tuesday, November 6, 1979.

Present for the meeting were Councillors: Barber, Dempsey, Jackson, Larson and Littlewood, as well as the Town Administrator, D.D. Creasy.

It was moved that the minutes from the October 2, 1979 regular meeting, the minutes from the organizational meeting of council and the minutes of October 19, 1979 special meeting, be adopted. Carried.

It was moved that the schedule of receipts for the month be accepted as presented. Carried.

It was moved that the accounts for the month of October be approved for payment. The financial statement for the month ending October 31, 1979 reads as follows: Net balance end of the previous month $45,504.71. Receipts for month $3,365.36. Disbursements for month $19,414.05 Transfers to Savings and Trusts $31,725.54 Net balance at end of month $249.87. It was moved that the financial statement be accepted. Carried.

Mr. Ron Thurston was present to discuss the sale of land at the fair grounds and the proposed removal of the Cub and Scout Hall. He requested that the subdivision and final sale agreement of the land be completed as soon as possible and that he does not agree with the proposed relocation of the hall.

It was moved that a settlement be made for the land purchase at the fair grounds without further delay. Carried.

The matter of relocating the Cub Hall shall be referred to the Irma Recreation Board to be dealt with.

It was moved that items of general correspondence be received and filed. Carried.

Correspondence from the Canada Week Committee requesting Council's participation was received. Moved that no action be taken in this regard. Carried.

It was moved that the minutes of the Wainwright School Division # 32 Board meeting be received and filed. Carried.

Correspondence was received from the Current Planning board that all amendments to the Land Use Bylaw must be reported to the Department in order that records may be kept current. It was moved that this correspondence be received and filed. Carried.

It was moved that the minutes from the Chacoreeah Manor Board meeting be received and filed.

Correspondence was received from Alberta Culture relating to the Senior Citizen Facility Grant Program. It was moved that this correspondence be brought to the attention of the New Horizon's Club. Carried.

It was moved that Alberta Transportation be contacted relating to the dust proofing of S.R. 881. Carried. It was moved that cost estimates for material to dust proof the village streets in the coming year be obtained for budgeting purposes. Carried.

Correspondence was received from Stewart, Wier, Stewart and Watson setting out a proposed subdivision for part S.W. 34-45-9-4, together with a general plan for the immediate area. It was moved that upon approval of the proposed plan by Current Planning, a rezoning by-law be prepared. Carried.

Correspondence was received from Canada Transportation advising that the safety control devices on the C.N.R. Crossing on S.R. 881 have been inspected and are in satisfactory working order. It was moved that this correspondence be received and filed. Carried.

Correspondence was received from Municipal Affairs setting out comments following the inspection of the Village Books and Records. From this report it is noted that the village continues to maintain a sound financial position and that the office administration is being carried out in an efficient manner. It was moved that this report be received and filed.

It was moved that a Building Permit application by Mr. C.S. Smallwood to construct a residential garage, and sun by Mrs. Alma G. Enger for renovations to dwelling, be approved.

Correspondence was received from Alberta Government Telephones requesting authority to install underground cables in the laneway of Block 16, Plan 6082 H.W. Council moved that it has no objection to the proposed buried cable providing it does not interfere with street work on 49th street. Carried.

By-law No. 804. This By-law has been prepared to provide for voluntary payment of fines under Animal Control By-law No. 461. It was moved that this by-law receive its first, second, and third and final reading. Carried.

By-law No. 805 was prepared to authorize the signing of an Agreement between the Village of Irma and the M.D. of Wainwright for the joint use and operation of fire protective equipment. Moved that this by-law receive its first, second and third and final reading at this time. Carried.

It was moved that the Administrator be authorized to attend the Zone "5" Conference for Administrators and Secretary Treasurers in Vegreville on November 28, 1979. Carried.

Correspondence was received from Solar Construction Northern Ltd., requesting the execution of gas line easements to provide services to the Eastview Subdivision. It was moved that the Mayor and the Administrator be authorized to execute the easement agreements as requested. Carried.

The Administrator advised the Mr. Schiffert has met the terms of his agreement with the Village regarding the purchase of Lots 29 to 31 in Block 22, Plan 792 2190 and that transfer of title would be in order. It was moved that the necessary documents be completed and registered. Carried.

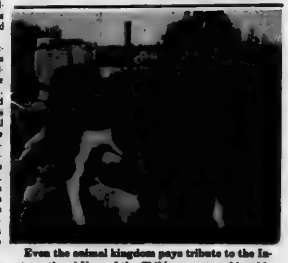
It was moved that a five year lease agreement be prepared between the Village and Mr. Wayne Ronjom for the observation well located on the north east corner of the fairgrounds. Carried.

It was moved that provisions for underground fuel storage tanks be made in the 1980 public works program. Carried.

Correspondence was received from the Irma Recreation Board objecting to Council's action in the matter at the Fair grounds. Apparently this relates to the issuing of a building permit to the Irma Complex Committee. Moved that the motion of September 4, 1979 approving a building permit be rescinded. Carried.

It was moved that the Irma Recreation Board be approached to assist with land purchase at the fair grounds under the major facilities grant program. Carried.

It was also moved that the committee reports as presented be accepted. Carried. The foregoing concluded business before Council and the meeting was adjourned.



Even the animal kingdom pays tribute to the International Year of the Child as captured by this photo taken on the farm of Bob Ludwig, south west of Viking.

Echo - Rodino District News

Bradley Day and Karen Bauer were among a bus load of school children from Viking School who took in a tour of the Museum and other points of interest in Edmonton.

Erryol Beckett of Wetaskiwin popped in on the Bauer family early one morning to show off his deer he has bagged.

Glen, Trudy and Tanya McAllister of Lloydminster visited with the Tom Greenwood family.

Allen Sauers had the pleasure of his cousin Bob Dennison of Calgary call in.

Jackie Sauers has had the help of her family in her move to Calgary, where she will further her education. Good luck on your new venture Jackie.

Ruby Rattray and Dorothy Brown of Viking were Sunday afternoon visitors at the home of Norine Hunter.

Several neighbors are down with the flu which has been going around. Hope everyone is soon feeling up to par.

Mr. and Mrs. Bob Williams and family travelled to Wainwright to visit with Bob's sister Betty.

Amateur Radio Operators Course To Be Held

An amateur radio operator's course has been arranged through the co-operation of the Further Education Council.

Instructing the course will be Mr. Joe Shumaker. The course will be conducted at the Lakeland College Conference Room in Wainwright beginning on January 12th of the new year.

The course being offered will consist of twenty-five sessions and will cover three major areas of importance. These include 1 - Radio Regulations and Operating Theory, 2. - Elementary Theory of Electricity and Magnetism, and 3. - Morse Code.

A minimum of 15 registrations are required for the commencement of this course and a maximum of 25 students can be accommodated. The fee for enrollment in the course has been set at $60.00 for the 25 sessions.

Anyone requiring further information is asked to contact Mr. Harry Goodwin at 754-2256

Weekly Inspirational Corner

He is despised and rejected of men; a man of sorrows, and acquainted with grief: and we hid as it were our faces from Him; He was despised and we esteemed Him not.

Surely He hath borne our griefs, and carried our sorrows: yet we did esteem Him stricken, smitten of God, and afflicted.

But He was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed.

All we like sheep have gone astray, we have turned everyone to his own way; and the Lord hath laid on Him the iniquity of us all. Isaih 53:3-6

Further Education Active In Irma

A successful Micro-Wave Demonstration was held at the Irma Co-op Store on November 24th under the auspices of the Further Education Council.

Mrs. Barb Granigan the home economist conducting the demonstration, explained the workings of a Micro Wave and then baked several dishes in one of the ranges brought in by our congenial manager - Milt Fahner.

Those who attended sampled the foods and also enjoyed the coffee. In addition those attending had a chance on the door prizes both being compliments of the Irma Co-op.

Stella Glasgow was the lucky winner of an electric coffee percolator. All felt that it was a worthwhile day and severl men also enjoyed date bars, and coffee that were left over.

Nine ladies are enjoying the quilting class being taught by Mrs. Aletha Tomlinson. Twelve ladies are attending a Scrapbolstering class at the Albert Community Centre.

After Christmas our "You Can" booklet will have several new ideas in it so as soon as it comes, register early for the courses available.

Parkland Nursing Home News

We would like to welcome to our home Mrs. Mary Fundytus and Mrs. Friesen.

In to visit Mrs. Fundytus were Mary Hyshka, Mrs. Ann Auch and Mrs. Annie Gresiuk.

Honey Curtis, Cora Paulson and Anne Heisler called on Barb Blaeser and Charlie Auburn.

Bud Sarsain of Edmonton visited with his grandmother, Gail Gustafson.

Pat and Rhonda Rabby of Sherwood Park called on Grandpa Zemanek and Grandpa Block on Saturday.

On Sunday we had our birthday party for the month of November. Celebrating birthdays were Mrs. Pearl Kowalilak, Mr. Rod Henderson, Mrs. Arthur Moss and Mr. Roy Harris. The Kinsella W.I. Ladies entertained and served cake and ice-cream. A lovely entertaining time was had by all. Thank you ladies for coming.

Visiting with Mrs. Ward on Sunday were George Knudslien of Ryley and Blain Ward of Edmonton.

Ruth and Allan Auburn, Evie and Susie Auburn of Strome all visited with Charlie Auburn and Barb Blaeser.

Our sympathy is extended to Mrs. Catherine Cave of Calgary whose brother Don MacCaulay passed away suddenly on Friday.

Welcome home to Tonie Bremner who had a short stay in the hospital.

Vialta Lodge News

Visiting with Mr. Masson during the week were Jas. Masson of Edmonton and Bill and Marge Masson of Calgary.

Mrs. Elness enjoyed a visit from Nigel Likness of London, England, also visiting her were Lorraine Laube of Holden. Friday afternoon Mrs. Elness accompanied Mrs. Doris Likness to Camrose to attend the funeral service for her nephew Mr. Marven Likness.

Calling on Mrs. Ferguson this week were Mrs. Elaine Ferguson and Mrs. G. Baron of Vegreville.

Vivian Coulter of Edmonton called to see her Mother, Mrs. Holm and took her out for supper on Saturday.

Gwen Hooper of Holden called to see her mother, Mrs. Evans.

Miss and Ann Tkaczyk of Edmonton called on Mr. Teior.

Visiting Mrs. Rodwell were Mr. and Mrs. Bramhall of Ranfurly.

It is good to have Mrs. Weder home from the hospital. Greetings to Mr. Jos Beschell in hospital in Edmonton.

Mr. Law spent the weekend in Ryley.

Dutchy attended the wedding and reception in Bruce on Saturday and spent Sunday afternoon at the Hammermaster farm.

Our thanks to Viking United Church Women who came to entertain for the November birthday party, serving desert of ice-cream, strawberries and cake. Dr. Caldwell showed slides of Tahiti and their trip. Later the ladies served birthday cake and tea and coffee. Happy birthday was sung to Mrs. Johnson and Mr. Hoines who celebrated birthdays in November. Many thanks ladies and gents for a most enjoyable afternoon.

Friends Honor Bill Young on 75th Birthday

On Saturday evening, December 1st, Bill Young invited a number of his friends to help him celebrate his 75th birthday.

Myrtle Monaghan prepared a most sumptuous banquet served in the rumpus room of her home at 7 p.m. which everyone enjoyed to the full.

The remainder of the evening was spent playing cards, games etc. Later, coffee and birthday cake which had been baked and decorated by Stella Glasgow of Irma. The only regret was that Elsie Morta and Hazel and Helmer Hanson could not be with us.

It was a lovely party and our grateful thanks go to Myrtle for the wonderful meal and the hospitality of Myrtle and Arts beautiful home.

Miss Cheryl Anderson of Viking, received the $225 Smitty's Pancake House Scholarship at the Scholarship Banquet. Mr. Bill Fowler made the presentation to Miss Anderson, who is enrolled in an Education program.

Kevin Midbo of Viking, received the $450 Home Oil Company Limited Scholarship when 130 scholarship awards were presented at the Camrose Lutheran College Scholarship Banquet held on October 31, 1979. Mr. Bill Fowler, Chairman of the C.L.C. Community Scholarship Committee, presented the award to Kevin Midbo, who is enrolled in an Arts program.

Do You Know The Bible Says

By Mrs. W. Myers

Do you know the Bible says: be ye doers of the Word, and not hearers only, deceiving your own selves. James 1:22 and whatsoever ye do, do all to the glory of God. 2 Cor. 10:31. And whatsoever ye do, do it heartily, as to the Lord, and not unto men. Col. 3:23. Do our words ring true; do we mean them?

As I mused over the words of the songs we sing I wondered how much we mean of what we are saying in song. Hear this one. True hearted, whole hearted, faithful and loyal, King of our lives, by Thy grace we will be: Under the standard exalted and royal, strong in Thy strength, we will battle for Thee.

True hearted, whole hearted, fullest allegiance yielding henceforth to our glorious King, valiant endeavor and living obedience, freely and joyously now would we bring. True hearted, whole hearted, Saviour all glorious! Take Thy great power and reign there alone, over our wills and affections victorious, freely surrendered and wholly Thine own.

In the book of Joshua we read of his faithfulness in pursuit of the enemy. The Lord said, "Moses my servant is dead; now therefore arise, go over this Jordan, thou, and all this people, unto the land which I do give to them even to the children of Israel. Every place that the sole of your foot shall tread upon, that have I given unto you as I said unto Moses"..."There shall not be any man able to stand before thee all the days of they life: As I was with moses, so I will be with thee". "I will not fail thee, nor forsake thee." Be strong and of good courage: be not afraid, neither be thou dismayed for the Lord thy God is with thee wheresoever thou goest. Joshua 1:2, 3, 5, & 9.

Joshua literally took God at His Word and accomplished what God had promised. Joshua was a positive thinker and resolute in his intentions and with God's promise to help him and never leave him he was intent on obeying God and capture the kings and the lands God had told him to obtain.

May God help us to also be resolute in out intentions to serve the same Lord God as Joshua did.

Rejoice Together

Marvin Likness Laid To Rest

Marven Likness passed away on November 26, 1979 at the Dayslend Hospital, at the age of 66 years. He was born near Meniter, Alberta on June 2, 1913.

During the year of 1935, he moved with his parents and brother and sisters to Hardisty. A couple of years later in 1937 he made the move to Viking.

In 1942 he was united in marriage to Florence Walland. In 1945 Marvin moved to Dayslend where he took up farming. In 1975, ill health forced him to retire from farming and he retired to Camrose.

Marven was predecessed by his father Ben Likness in 1961 and his mother Sina Likness in 1971.

He leaves to mourn his passing, his loving wife, Florence, one son - Vernen of Sedgewick, one daughter Grace Nosterud of Prince Albert, Saskatchewan, five grandchildren, one brother - Bernie in England and eight sisters - Myrtle Harvey and Ruth Likness of Viking, Gladys Rayner of Port Albernie, B.C., Theresa Reeves and Marian Nordstrom of Camrose, Alberta, Velma Gulkner of Milner, B.C. and Leona Snider of Hinton, Alberta. As well, Marven is survived by numerous nieces and nephews and other relatives.

Funeral services were held from Messiah Lutheran Church in Camrose on November 29th, 1979 at 3 p.m. Pastor Vern Begalke officiating. Interment followed in the Camrose Cemetery.

Shower Honors Newly Weds

A bountiful shower was held at Sharon Lutheran honoring Kent Colbrus and his fiance Maureen (Pinkie) Parsons whose marriage took place on December 1st. The shower was held on November 24th.

The honored couple were presented with corsages - a lovely white daisy arrangement for Pinkie and a not quite so fresh one for Kent. (It had just been picked from the flower bed at the church and nicely tied with a piece of twine.)

Della Nilson was M.C. and through the program told many tales on the bride. Lilly Erickson got the evening off to a good start with a very fitting devotional.

Carolyn Erickson sang a solo - The Wedding Song and accompanied herself.

Maring Hollinger conducted a contest that had everyone's mind working. A group of ladies sang a song about the groom's life written by Eunice Gulbrus. Then a miniature Pinkie and Kent arrived. Pinkie - Shawna Paastor dressed in Auntie's cheer leading outfit and Kent - Dwayne Hollinger, dressed as a hockey player presented the happy couple with a hockey bag brimming with gifts.

Della then expressed the good wishes of all present and asked Pinkie to open the bag.

After the many gifts were opened and admired by all, Kent on their behalf kindly thanked everyone and invited them to come and visit them in their apartment at Wainwright. Lunch and visiting closed a most enjoyable evening.

Card of Thanks

CARD OF THANKS

We wish to thank our many friends and neighbors for their messages of sympathy and acts of kindness at the time of the passing of our brother and uncle.

Alex, Helen, Dorothy and Velma. 42c

CARD OF THANKS

We would like to express our sincere thanks to those who sent flowers and cards and expressions of sympathy. The family of the late Morven Likness. 43c

OPPORTUNITY SAVINGS PROFITS RESULTS THEY'RE ALL IN CLASSIFIED

Card of Thanks

I would like to extend a sincere thank you to the Doctors, nurses and staff of the Viking Hospital for the wonderful care I received during my stay in the hospital. Also thanks to all the friends neighbors and relatives for the visits, cards, flowers and gifts. All was greatly appreciated. Thanks then you were wonderful company.

Mabel Kryzanowski 43p

We would like to thank everyone for the various expressions of kindness and sympathy since our dad and grandfather, Robert Hansen passed away. All of the visits, letters, cards, phone calls, memorial donations, flowers and baking were really appreciated. Special thanks are extended to the Viking Hospital, Doctors, and Nurses, the honorary pallbearers, organist Carol Cressy, soloist Peggy Fleming, Rev. R. Bateman, and the Irma New Horizons Club for the lunch following the service. Also, thank you to the people who sent cards to Dad when he was hospitalized in Edmonton. A special loving thank you goes to Fred and Kay Chmelnik for standing by us whenever we need them. We have sincerely appreciated all expressions of concern for us.

Larry, Barbara and Graham Friland 43p

In Memoriam

Vialta Lodge Memorial Fund
In memory of Mr. Marven Likness from Mrs. Ida Elness. 43p

In loving memory of a son and brother, Ronald James Cameron, who passed away November 28, 1976.
Always a thought and many a tear,
For one we miss and loved so dear;
The sudden way you had to die,
We always remember and wonder why.
To know we never said good-bye,
Will always bring regret.
But the hearts that loved you dearly,
Are the ones that won't forget.
Always remembered by
Mom, sisters and brothers 43p

In loving memory of *Clive and Ethel McBride* who passed away December 3, 1974.
We often think of days gone by,
When we were all together,
A shadow o'er our lives has cast,
Our loved ones' gone forever.

sadly missed by Bill and Joy, Gordie and Wanda, Merv and Sharon, Neil and Penny, Laurie and the grandchildren. 43p

In Memoriam

In memory of Bob Hanson from Marilyn and Bev Gagnon, Camrose, Roy and Eileen Miles, and Jack Chadell 43p

In loving memory of our dear husband, father and grandfather *Harry Fendrick* who passed away December 4, 1978.
The depths of sorrow we cannot tell,
Of the loss of one we loved so well,
And while he sleeps a peaceful sleep,
His memory we shall always keep.

Sincerely, Mrs. Mabel Fandrick and family 43p

FANDRICK - In loving memory of my dad, Harry who passed away December 4, 1978.
Gone dear father, gone forever,
How we miss your smiling face,
But you left us to remember.
None on earth can take your place.
A happy home we once enjoyed,
How sweet the memory still.
But death has left a loneliness,
The world can never fill.
Lovingly remembered your daughter Donna. 43p

Progressive Safety

Bill Brass
Dist. Agriculturist

Recently I've had requests from numerous farmers asking if I knew of anyone who had certain types of feeds for sale. Others mean the newspaper advertisements, I didn't know of anyone. So this year I've decided to comprise a list of anyone wanting to buy or sell feed and have it available in the office for those interested. If you have any feed for sale or wish to buy feed, telephone our office and we will list it for you.

This winter the Department of Agriculture will be sponsoring a wide variety of courses to offer the rural and urban public. All the courses listed below are subject to change to adequate enrollment in order to make them economically viable, in other words: if there isn't enough people interested in a course, it probably won't be offered. Therefore I would encourage those interested to make know there intentions of attending these courses well in advance, otherwise they will be cancelled. Some of the courses to be offered are as follows:

1. Gardening Course - March 19 and 20, 1980

2. Welding Course - a refresher and advanced - to run from January 21 to February 1, 1980. Maximum number of 12 students. A fee will be charged.

3. Soils Homestudy Course - Correspondence type course outlining, fertility, soil problems, management practices etc.

4. Surface Rights - Problems related with oil and gas field.

5. Pruning Course - Basics in home pruning techniques - to be run some time in the spring.

I wish to discuss the regulation for certification of Brucellosis Free Listed Herds which requires that a herd must be together as a unit for two years before a herd owner can apply. This presents a financial hardship to herd owners like myself who are just getting started in the cattle business.

M.H., Markham, Ont

Dear M.H.:

The regulations for certifying Brucellosis-Free Listed Herds are not meant to penalize new farmers. But we must be certain that listed herds are indeed free of the disease. There is a higher incidence of brucellosis in recently assembled herds than in herds that have been established for two years or more without additions.

However, your herd may qualify for listing without waiting two years if it is made up from animals purchased from Brucellosis-Free Listed Herds.

Herds not meeting this requirement may still qualify provided they undergo four consecutive tests at specified time periods.

Please contact the federal district veterinarian in your area to see if your herd can qualify for listed status without the two-year requirement

Dear Sir

I would like to know something about the commercial mushroom growing industry in Canada

Dear J.M.:

Canadians are among the world's great mushroom lovers. Last year we had a per capita consumption of 1.8 kilograms - one of the highest in the world.

To keep up with this demand, the mushroom industry in Canada has grown dramatically. Between 1968 and 1978, production more than doubled and is now about 23,000 tonnes annually.

At one time most mushroom production went into the processed market, but in recent years the trend is toward fresh mushrooms.

Because of their perishable nature, fresh mushrooms are mostly grown near major cities. About 80 per cent of the mushroom industry in Canada is concentrated in Ontario and Quebec.

Dear Minister

Is there any commercial wild herds of wildlife such as deer, raised for food in Canada?

B.N., Duncan, B.C.

Dear B.N.

The only managed herd of wildlife for food that I am aware of is a reindeer herd maintained in the Northwest Territories by a native group. I know of no commercial deer herds in Canada.

Provincial wildlife laws usually prohibit the raising of wild animals in captivity. For more information, you should contact provincial wildlife and game agencies

Skaters Encouraged By Premier's Award

Viking skaters now have the opportunity to participate in one of the many Alberta 75th Birthday celebrations. A program to encourage participation in ice activities has been designed. Volunteers, coaches and skaters affiliated with the Alberta Recreational Skating Association are all eligible to participate in the "Premier's Sport Award".

On Sunday, December 2, Mrs. Bev Baumgartner and Shirley Voltzer, past president of the local figure skating club, and Vice-President of the A.R.S.A. travelled to Edmonton to attend the official opening of the Premier's Sports Award Campaign. Here, the program was explained to the approximately 75 leaders and coaches in attendance. Following this meeting, the Premier's Award was officially underway.

The Premier's Sport Award was instigated by a power skating instructor who discovered a similar program in operation in the United States, and began the groundwork for a similar program for Alberta's.

Consisting of a crest and numbered certificate, the Premier's Sport Award is an incentive to promote active participation in recreational skating; encourage regular practice of lesson material to achieve accomplishment of skills; motivate more active involvement of parents or other adults in leadership relative to the skating program.

There will be no cost to the participant in 1979-80 in recognition of the 75th birthday of the Province of Alberta.

A.R.S.A. organizers expect 5,000 skaters will participate in the special program. The association operates a total of 27 skating programs, one of which is conducted here in Viking.

All skaters belonging to and participating in the Alberta Recreational Skating Association programs who are enrolled in the Viking Power Skating Club qualify, as do coaches and volunteers involved with either of both of our local organized skating projects.

A minimum number of hours are required for eligibility. Actual lesson time is not to be credited for figure or power skaters, nor will the time calculated for hockey games, however, the portion of hockey practice allocated to skating drills can be calculated. All skating done during public skating periods at carena can be calculated under the program.

During the Power Skating lessons held on Monday evening at the Carena the participants were informed of the Premier's Sports Award program and were given special marking cards to keep track of their ice time. The maximum practice time allowed per day is one and a half hours.

For further information and details you are encouraged to contact Shirley Voltzer at 336-2354

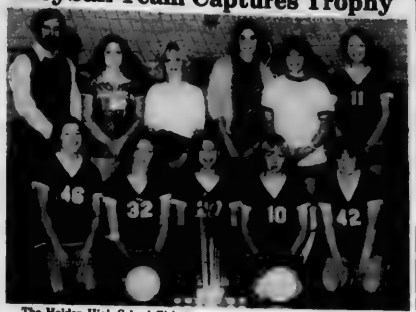
Holden Volleyball Team Captures Trophy

The Holden High School Girls Volleyball team were the recent winners of the County of Beaver Volleyball trophy. Last Wednesday the team also won their match against the Alder Flats girls team. The Alder Flats team was no match for the Holden girls who easily won with three straight games.

This regional final sent the Holden team to the Zone Tournament at Consort on Saturday, November 17th. Although the Holden girls played good volleyball, the lost out to both Consort and New Norway.

Evonne Macahonic, captain of the Holden team was elected to the all star team by the coaches of the different teams competing in the tournament.

Following are the scores between the Holden team and the Alder Flats team for their three consecutive games. Holden winning all three with 15 points, Alder Flats 6, 5, and 9.



The Holden High School Girls team was recent winner of the County of Beaver Volleyball trophy. The team: (back row left to right) Roy Fairweather (coach), Shelly Bilyk, Anita Lapine, Tania Hahn, Evonne Macahonic, and Linda Daniluk. (Front Row left to right) Debbie Millmaks, Linda Mackay, Nancy Laybourne, Sheila Rurka and Michelle Blais.

Viking Bantams Win Opening Game

The Viking Bantams opened their season with a 5 - 3 win over a Hardisty-Hughenden team combined in an exhibition game played in Hardisty on November 28th.

Scoring points for the Viking team were Ken Cikaluk with 2 goals and an assist; Ian Erickson with 2 goals and an assist; and Rocky Hason and Randy Graham with a goal each.

For the opposition, point getters were Mike Golka 2 goals and 1 assist, Pat Adams 1 goal and 1 assist and Gary Morrison 1 goal.

A total of twelve players make up this year's Bantam team. In the line-up are Darren Josephison, Bill Hanson, Leif Erickson, Ken Cikaluk, Ian Erickson, Patrick Voltzer, Randy Graham, Peter Thomas, Rocky Hanson, Joe Hoffman, Ken Ebeltoft and Michael McLean.

Viking Light Horse Club Reports

On November 15th, the Viking 4-H Light Horse Club held their regular meeting. President Veronica Sevsa called the meeting to order.

O'Canada was sung and Lorna Leidl lead in saying the pledge.

Roll call was answered with the "breed of your horse". Following this, the secretary's report was given and adopted as read.

William Darling then gave us a county report. Since the treasurer was not present at this meeting it was moved that we pay our dues at the next meeting which will be held on December the 6th.

Marilyn Ash then showed us how to fill our our record books. Following this the agenda was then handed out.

A motion was made that we send a thank you card to the Viking General Hospital for running off the copies of our year's agenda.

Following this, Mr. Gary McClements gave a very interesting and informative talk on nutrition. Our meeting was adjourned at 9:05.

Deborah Ann Taylor will become the new P.S.S. director for the town of Viking effective March 1, 1980. She was in town this past Monday to officially accept the position and meet with interested parties at the town office. Staff Photo

Viking P.S.S. Director Introduced

At an informal gathering of the leaders of various groups in Viking on Monday, the new Preventive Social Services Director for the Town, Deborah Ann Taylor was introduced.

Miss Taylor was selected from several candidates for the position by the P.S.S. Advisory Board and will begin working in her new position on March 1, 1980.

The 25 year old graduate of the University of Alberta is presently employed as the Family Services Co-ordinator with P.S.S. in Lac La Biche.

Miss Taylor obtained most of her schooling in Grenfell, Saskatchewan and completed her grade 11 and 12 at Inuvik, N.W.T. From 1972 until 1975 she attended the University of Alberta in the Faculty of Home Economics. In 1975 she attended the Spring Session of the University of Saskatchewan and studied Life Skill Coach Training.

Upon the completion of this session, Miss Taylor worked with Native Indians in Saskatchewan and Manitoba, mainly in Life Skills programs. In the fall of 1976 she returned to the University of Alberta and completed her Bachelor of Science degree in Home Economics, majoring in Family Studies. While completing her degree; Miss Taylor worked for the Y.W.C.A. and did research for the Rape Crisis Centre.

Since her graduation in 1977, the new P.S.S. Director has been employed in her present position with P.S.S. in Lac La Biche.

Deborah Ann Taylor enjoys a number of recreational and sporting activities including cross-country skiing, badminton, swimming, canoeing and camping. As well, she finds time to play the guitar and piano and enjoys singing and dancing. Her endeavors in crafts include spinning, weaving, leatherwork, sewing and photography.

Miss Taylor brings a sound educational background and valuable experience to her new position as the P.S.S. Director for Viking.

Irma Santa Days Enjoyed By Many

Well, we certainly had beautiful weather for Irma's Santa Days - a promotional day sponsored by the Irma and District Chamber of Commerce merchants and individuals.

Judging by the speed with which the cubs sold their Christmas trees there was a large turnout for all the super specials down town. In the Legion Hall, the O.O.R.P. held an excellent tea and bazaar, providing well needed refreshment for the Christmas shoppers.

The Brownies, who had previously cancelled their peanut drive, sold them in the Legion Hall, and for the young folks, the film "Barefoot Executive" - a Walt Disney Production, was shown in the School Auditorium.

The results from the lucky draws in the stores are as follows:Club Cafe, Chocolates - Gordon Lovig, M. & H Repair, oil and grease job, Shirley Lovig Cressy Agencies, chocolates - Walter Littlewood, Co-op, Christmas ham - Mary Beer, and Christmas turkey - Sam Congdon. Jack's Hardware, casserole - Rose McFarland, Irma Medical Supplies, roaster - Bob Smallwood, Irma Restaurant, steak dinner - Arnold Lien, McFarland's, blanket - Eileen Hubman, Barber's Pool Hall, antifreeze - Ken Burton and chocolates - Elmer Hehn, Medias Automotive, $50.00 - Rose Copeland, Irma Hotel meal for two - Mrs. C. Lokens and meal for two - Randy McNab. Bank of Montreal, Lotto ticket - Evelyn Mark. Co-operators, fire detectors - George Forseman Irma Inn, pen set - Don Lokens. Crossroad's Shell Service, buckle and tie - Laraine Froland. Irma Beauty Shop, brush set - (no name given). Coffin Farm Supplies, $10.00 - Charlie Allen, McRoberts Shell, oil - J. Prentice Sr. Irma Leather, card caddie - Richard Glover and towel rail - James Burns. Irma Motel, two pillows - Brian Dunn.

All the tickets from each store were collected by the Chamber of Commerce for their draws, resulting in Marie Knudson being the lucky winner of the $100.00 and Mike Tschetter the recipient of the $50.00.

The Chamber of Commerce hourly draws were won by Brooke Jamison, Jack Hallesine, Darryl Barber, and Ken Thurston.

The Chamber of Commerce wishes to apologize to J.C. McFarland and Mrs. F. Lien (Avon) for accidentally omitting their names from the advertising. Both have given many years of excellent service to our community and we appreciate their contribution

New Business Licensing By-Law For Viking

At the regular December Viking Town Council meeting, a new Business Licensing by-law was passed for the Town. The new by-law #234 provides for the licensing and regulating of certain businesses, callings, trades and occupations in the Viking area. It replaces the business tax by-laws presently in force in the Town.

By-law #234 was given all three readings at the December 5th meeting and becomes effective on January 1, 1980. The by-law has provisions for all corporations or partnerships, tradesmen, general contractors and hawkers or peddlers who do business within the Town.

It also provides that all businesses operating out of self-owned properties within 20 miles of Viking, with Viking as their business community, shall be considered residential and therefore subject to the residential rates which in some instances are lower than the non-resident rates.

The by-law requires that no person shall carry on or be engaged in any business unless he has paid the prescribed license fee for that particular business. The license fees range from a minimum of $50 to a maximum of $100, depending on the type of business. The Town will be printing new business licenses and each licensee will be required to post the license in the place of business or produce the license upon request by the proper authorities.

The by-law also provides that no license shall be that no license shall be required for hawkers or peddlers who sell Alberta produced products as long as they are the producers or specified employees or agents of the producers.

The new by-law calls for a maximum penalty of $50 or imprisonment for 30 days for anyone violating the provisions of the by-law. Beginning with the 1980 calendar year, licenses will be valid for one year and will be renewable with each new calendar year.

The amount that each particular type of business will be required to pay is determined by contacting the Viking administrator, Mrs. Lydia Hanson. Each person operating a business will be mailed a license application within the next month with their license fee included. The business property tax presently in force will remain in force and the new license fee is in addition to these taxes. By-law #234 only replaces the business tax which the Town has had in force.

Santa Visits Bruce

More than 200 people gathered at the Bruce Community Centre for the annual community Christmas party sponsored by the Bruce Women's Institute and the Bruce Agricultural Society. There was proof that both young and old enjoy a chance to see Santa for Sheena Starky the youngest guest was only six weeks old while Grandma Fredericks, the oldest guest, had already celebrated her 86th birthday.

The evening got off to a festive start with a pot-luck supper. The table literally groaned under the weight of all the appetizing food. Everything from pyrogky to rabbit was included in the menu and all done up in fine style.

Following the supper the honored guest arrived. Santa was warmly greeted and escorted to his chair by a number of youngsters who had anxiously awaited his appearance. Each of the eight children present had the opportunity to talk to Santa and each receive the traditional bag of goodies. Later the children were also treated to ice-cream.

After Santa's departure, a group of mothers and children from the Family Club demonstrated some of their songs and games, three of the seniors put on a little skit and there was a presentation of Christmas carols and readings by the Bruce Busy Bees 4-H Club. The evening concluded with carol singing led by emcee Anne Mokenski.

Kinsella Christmas Concert Held

The annual Christmas Concert was held on Saturday evening, December 8th. The concert was very well attended with the hall filled to capacity.

An enjoyable variety of entertainment was provided with a number of items pertaining to the Christmas season.

The program consisted of the Viking Band playing several numbers, the local children presenting the nativity scene, a journey through Mother Goose Land, a modern version of 'Twas The Night Before Christmas, and a number of songs such as Frosty The Snowman.

Vocal renditions were provided by Tom and Pauline Mattinson and girls; Lori Piwowar; Donna and Jim Lingley; Bob Williams; Kelly Horinek and Christine Lysgaard; Pam Rasmer; Sheri sisters; and the United Church Choir.

A recitation provided by Earl Davis added a touch of humor to the program.

Santa appeared on the scene with treats for the kids and the evening closed with a very bountiful lunch.

The Kinsella Recreation Board would like to extend a "thank you" to the many people who worked so hard to make the evening such a success - to the entertainers, the ladies who brought lunch, those who helped clean up after and anyone else we have missed. Thank you, Merry Christmas and Happy New Year.

Holden Newcomers Welcomed

Holden and District Chamber of Commerce ladies and newcomers evening was well attended on the evening of December 4th, with approximately 150 people in attendance.

Ladies of the Royal Purple served a turkey supper with all the trimmings and the meal was enjoyed by all. A beautiful silver Christmas tree was adorned with blue lights.

After the meal, President Kevin Stambaugh spoke briefly, thanking the ladies of the Royal Purple for preparing and serving each meal for the chamber members throughout the year.

He also stated that he was pleased with the work of the chamber in 1979 and hoped even more would be attempted in the coming year. He also thanked Rev. Meddle who said grace for supper.

The President then called on Mayor Oleh Shykora. The Mayor spoke briefly thanking surrounding communities and other villages in supporting Holden. He also welcomed all new comers, as did the president, to our district.

Chamber members were asked to introduce their new comer guests which totalled about sixteen.

The Chamber's 1980 executive will be President - Kevin Stambaugh (second term) 1st Vice-President - Reg Dolson, 2nd Vice-President - Matt Helfrich and Secretary Harry Christian.

This concluded the Chamber meeting. Members were then entertained by the comedy act of "Everett and Lucas".

Christmas Shopping

During the past few weeks, and continuing for the next week and a half, most area residents have been and will be busy purchasing a number of gifts for those special people in their lives. As part of this Christmas shopping period, the Chambers of Commerce and various businesses in our communities have undertaken to provide shoppers with a wide variety of possible gifts to encourage shoppers to buy locally.

We often here that merchandise in our small communities is much higher priced than in the larger centers near to our area. In some cases, and perhaps in many cases, this may be true. However, if for the saving of a few dollars on our over all purchases we choose to not shop locally, we deal a serious blow to our local businesses. It is important that we support the many businesses in our communities if at all possible. This does not mean that we cannot be discriminating shoppers. At times, the stores in our area may not have a particular item which we may want. At other times, certain items may be over-priced for their value. Yet this situation is not unique to our area. Similar situations can be found in Edmonton or the other large centers in the area.

If at all possible, shop locally this Christmas. The businesses in our communities need our support at this time of year. Just as in the major centers, we can find "deals" if we shop with care within our own area. Let's support our local businesses this Christmas who provide us with shopping facilities the rest of the year.

Parkland Nursing Home News

Get well wishes are sent to Mrs. Lindberg, a patient in the hospital.

We would like to welcome Mr. Dave Anderson to our home. He is a long-time resident of Killam and we hope his stay here is enjoyable.

Mrs. Fenedyius enjoyed a visit from her daughter-in-law, Anne of Vegreville.

On December 5th, Mrs. Clara Swanson celebrated her 89th birthday. Mildred Dunlop of Cadomin, Esther Stalker from Edmonton, Stella Streit and Evelyn McLaren of Viking all gathered together for the occasion, along with great-granddaughters Bobbi Joe and Billi Joe McLaren.

Calling on Mr. Ritland were Jim, Denise, and Darcy Warawa of Redwater.

Mr. Murray had a visit with Joan and Gordon Meikins.

Visiting with Mr. Auburn were Honey Curtis and Merlin Boggs of Strome.

Mrs. Friesen has left Parkland to live with her son in Edmonton. We will miss her and wish her all the best.

Holiday Fire Hazards Needless!

Natural Christmas trees can become a serious fire hazard, warns the Home Safety Committee of the Alberta Safety Council. Many individuals are under the mistaken impression that solutions of water-dissolved chemicals, such as borax and boraz-acid, diammonium phosphate, or ammonium sulphate will make the tree flame retardant.

Christmas trees will not absorb these solutions; therefore they are completely and emphatically useless.

Only a fresh tree (with more than 80 percent moisture content), left standing in water for as short a time as possible, is safe. Christmas trees become extremely flammable when cut long in advance of use and when brought indoors where heat and low humidity accelerate drying.

To reduce the hazard, the Home Safety Committee offers the following suggestions: Keep the tree indoors only as long as absolutely necessary. Buy a fresh tree; one that has springy branches, green and tight needles.

Saw trunk off at an angle, at least one inch above the original cut. Keep the tree-(at all times) standing in water; insuring the water level is always above the cut. Check the water level frequently.

Use only C.S.A. labeled lights, which are in good repair. In addition use flame proof decorations. Another safety precaution offered by the committee is to remove the tree as soon as possible; do not burn it in the fireplace.

$110,000 To Be Awarded To Alberta Communities

Alberta Recreation and Parks have just announced that $110,000 will be awarded to Alberta Communities over the next two years through its fitness promotion grant program.

Under its new title "*Be Fit For The 80's*" this program will kick off the department's fitness promotion in the coming decade. The program aims to increase the level of physical fitness and health in Alberta.

Applications will be accepted for four separate grants, from municipalities and organizations endorsed by municipalities.

Grants of up to $1,000 will be awarded to applicants willing to develop a public display on fitness. Up to $1,000 will be awarded to successful recreation boards for programs promoting and developing fitness within the community.

One grant of $15,000 will be awarded to a college or university wishing to co-sponsor a community project with a municipality. Finally, one municipal recreation board will receive a grant of $15,000 to hire a fitness co-ordinator for one year.

Information about Be Fit For the 80's and grant application forms are available at the regional Alberta recreation and parks offices. The deadline for receipt of grant applications for this year is January 31, 1980.

Getting Ready For A Winter Trip

Are you getting ready for a winter trip?

There are two things to get ready. One is the vehicle. The other is the driver.

Most people know why it is necessary to ensure that lights, wipers, heaters, defrosters and washer work. Or why tires should be in good shape. All these things are common sense. So are winter provisions in the trunk - blankets, sand, flashlight, etc.

But how many think about getting the driver prepared? Many take off on a long drive as soon as the driver comes home from work and gulps down some supper "to get a head start on the traffic". A tough day at the office or the plant hardly produces a well-rested driver.

Other preparations for drivers include a knowledge of the route to be taken, the allowance of adequate time and that means being realistic in face of conditions, a knowledge of defensive driving, and a willingness to share the road with others.

Each driver who takes to the road is responsible for others. Others in the same vehicle or others using the road in other vehicles as well as others walking on or near the road. It is not a responsibility to be taken lightly.

We have just received our 1979 Christmas Greeting Selection!

For the convenience of the business community, we invite you to drop by the office and select your Christmas Message early. . . Your greetings will be printed in the December 19th issue of

The Weekly Review

AGT
GOOD NEWS PARTY LINE

The Viking Treasury Branch Management and Staff invite you to a Christmas Coffee Party on Thursday December 20, 1979 from 10:00 until 3:00 and on Friday, December 21, 1979 from 10:00 until 5:00.

The Annual Meeting of the Viking Senior Citizens' Club will be held on Friday, January 4th at 2:00 p.m.

The Viking and District Chamber of Commerce will hold a meeting on Friday, December 14th at 7:15 a.m. in the Burger Queen Banquet Room.

Senior Citizens' Apartment Proposed For Viking

An eight unit senior citizen's apartment has been proposed for Viking by the Alberta Housing Corporation. This project has not been approved by the Alberta Legislature, but Project Manager D.E.R. Hutton informed the Viking Town Council that approval is anticipated by April 1st., 1980.

The project is proposed by the A.H.C. for the 1980 - 81 fiscal year. In a letter to the Viking Town Council, Mr. Hutton requested that a copy of the Town map be sent to the Alberta Housing Corportation with the location of possible sites for the project marked.

According to the proposed new Viking Town Plan, the area designated for a project such as this is the area of the present baseball diamond. The new Plan calls for the ball diamond to be relocated in a major sports and recreation area situated east of the water storage lagoon, near the present fastball diamonds.

The Town will be complying with Mr. Hutton's request so that early approval and completion of the proposed project will be facilitated.

Vialta Lodge News

Our thanks to the Prague C.W.L. who came on Friday evening to help celebrate the Birthdays for December. After the musical program which all enjoyed, a delicious lunch was served and while the birthday cake was being cut they sang Happy Birthday to Mrs. Elness, Mr. Lindberg, Dutchy and Mrs. Thompson. Many thanks for a most pleasant evening.

Thanks to the Brownies who brought us a cake and a Christmas table centre ornament.

On Sunday, Mr. Lindberg and Mr. and Mrs. Lovseth went out to the Lovseth farm home to celebrate Mr. Lindberg's birthday.

Mrs. Elness had several ladies in for tea to help celebrate her birthday on Friday afternoon.

Margaret, Bob and Thelma Glennie of Sedgewick visited with Mrs. D'Arcy.

Visiting on Wednesday from Vegreville were Rev. Seal, Verda Deas, George and Jeannette Ferguson.

Sofie Thunell and grandson Ryan Brook of Camrose visited with Mr. and Mrs. Lovseth on Sunday.

Kay and Buzz Cotter of Calgary called to see Mr. Cotter on Sunday.

Sina Mackay of Killam was in to see her aunt, Mrs. Elness.

Genevieve and Robert and Audrey Weder of Innisfree called on Saturday to see Carl and Kathleen Weder and Mr. and Mrs. Ziegler. Also calling on them on Sunday were Mr. and Mrs. Bill Austin of Ranfurly.

Visiting Dutchy were A. M. Campbell and E.A. Smith and also Harvey Forrell.

A beautiful wooden rocking chair was donated to Vialta Lodge in memory of Mrs. Elizabeth Hutchinson of Ranfurly by her family. Mrs. Hutchinson made her home with us for some time and this thoughtful remembrance is truly appreciated.

Funeral Services Held For Emma Gibson

Emma Gibson passed away peacefully after a lengthy illness, on the evening of Friday, November 30, 1979, in the Edmonton General Hospital.

Emma Jane, the eldest daughter of Whitie (nee Seabrooke) and William Swaine was born on September 3, 1900, in Ballycarney, Ferns, County Wexford, Ireland.

It was here that she spent the first eighteen years of her life, growing up with her six brothers and sisters; attending school and the Church of Ireland, where she was baptised and confirmed her Anglican faith.

Her mother died when Emma was just a teenager, and being the eldest daughter, took on the responsibility of helping to care for her younger brothers and sisters, who all called her "sis".

At the age of eighteen years; after receiving an invitation from her mother's sister, Nellie, and her husband Syd Chiswell of Brownfield, Alberta, to "Come out to Canada", which excited her....Emma prepared to make the trip across the waters, thus landing in Eastern Canada on June 20, 1925. From the eastern coast she travelled by train to Brownfield. She was met by the Chiswells, and later became acquainted with another of her mother's sisters, Louise and Ben Thacker of Coronation, Alberta.

She continued to make her home with her aunt and uncle at Brownfield until they moved to Viking in 1930. Shortly thereafter, she obtained the position of cook at the Viking Municipal Hospital.

On May 16, 1935, Emma was united in marriage to Levi Crossley Gibson. Shortly after their marriage they moved to the groom's farm in the Cromer district where they continued to farm and raise their family until the sudden passing of her husband on February 26, 1942.

In the fall of 1942, Emma and her three children moved into Viking. Besides being a loving and devoted mother raising her three children, Emma was employed at the Viking Hospital in the capacity of Housekeeping Supervisor until she retired in 1970. She also found time to garden, sew, and do exquisite fancy work and reading, which included the Family Bible and her Prayer Book. She enjoyed visiting with friends and acquaintances, and lending a hand to senior friends and neighbors. After her retirement in 1970, she again enjoyed travelling.

Emma made three trips back to her native Ireland, the most recent was in 1977, with her daughter Irene. She delighted in showing her parents former home, where she was raised and the church that she had attended, besides which is the church cemetery where her parents and other relatives are buried. Also, the school she attended which now has been converted into a residence where a school chum now resides. Her delight was evident in the recall of familiar sights and the memoirs of her childhood.

Emma's greatest treasure in life was giving of herself; her faith in His Word, sustained her in trouble and in joy. She will be sadly missed and remembered by her loving family, a host of relatives, friends and numerous acquaintances.

She leaves to mourn her loss, two loving daughters, Irene of Edmonton, Margaret and husband Jim Rollinson of Viking, and one son Crossley, also of Viking; two grandchildren, Eugene and Sharon Rollinson both of Edmonton; two brothers, three sisters; one brother-in-law and three sisters-in-law Joseph and Maria Swaine; William and Anne Swaine; Mary Doyle; Louise Jones all of Ireland; Amy Ross of New Zealand; Leonard and Alberta Gibson of Viking; an aunt, Mrs. Louise Thacker of Coronation; also numerous nieces, nephews and cousins in Canada, Ireland, England and New Zealand, plus many friends and acquaintances.

She was predeceased by her loving husband, Levi Crossley, on February 26, 1942; an infant daughter; one sister, Eva on September 4, 1965; and one granddaughter Rhonda Rollinson on June 8, 1975.

Funeral services were held from the Viking United Church on Tuesday, December 4, at 2:00 p.m. with Reverend J. E. Bennett officiating. Interment followed in the family plot in the Viking Municipal Cemetery. Howard and McBride Funeral Services of Edmonton in charge of arrangements.

Pallbearers were Melvin Lamb, Claude Gillard, Harry Wadstein, Donald Gibson, Daniel Ahern, and Arnold Gibson.

Mrs. Edna Reddick was the organist. The two congregational hymns sung were "Softly and Tenderly" and "Nearer My God". The United Church Choir sang the beautiful words to the Hymn "In The Garden".

Reverend Jim Bennett read the words to one of Emma's favourite hymns, from her childhood Hymnal, a version of the 23 Psalm, taken from the Irish Church Hymnal.

The Christmas Tree

It is a shame that the Christmas concert and tree is forgotten in our society today. Much talent lies dormant today just for that once chance that the Christmas concert gave them to prove their talent to the community.

It was my second Christmas in the new stone school and we were preparing a Christmas concert to display the talent of the community young and old. Many of the younger children had been born on the bald prairie and had never seen a Christmas tree - an evergreen, in fact not a tree of any kind. There were the long rolling hills and stone in the ravines, but not a tree. I sent three dollars and fifty cents to Brandon, Manitoba for an evergreen tree for our concert.

We practiced our Christmas carols and recitations and found some unusual talent. One boy could play several instruments by ear. The highlights of our program were an "Upside Down Drill" for the boys and a "Hoop Drill" for the girls. a family of five brought their older sister who decorated the hoops, while the pupils worked at their lessons and practices the last hour of school.

There was a telephone service in the district. Everyone knew when the tree arrived at the depot. Mr. La Fraugh drove the seven miles to bring it to the school and that afternoon the parents came to the school to greet the Christmas tree. Many hadn't seen a tree since they left Ontario. The crate was soon ripped apart and anxious fingers cut the soft twine that held the little branches together. In minutes a beautiful six foot tree stood in splendor in that prairie school. The children stood again, too pleased and thrilled to be noisy.

Then the men tried to decide what kind of tree it was. It isn't a spruce, not a pine, nor a fir, nor a cedar. What is it? Mr. Cousins examined the little trunk. He discovered tiny blisters and spoke out "It is a balsam", he said. It was placed in a pail of sand and water to keep it moist and then it was securely wired to supports.

We held our Christmas concert in the stone school house among the rolling hills of the prairies with a real ever green tree, green and white mosquito netting stockings, stuffed to the toe with candy. Nuts were piled around at the foot of the tree. All stood as my sister struck the first bar of "The Maple Leaf Forever" on a borrowed piano. The curtain was drawn and the children burst into song.

Much hand clapping awarded the boys in their "Upside Down Drill" when they said, "When things go wrong we just do this". They dropped behind a curtain and raised their hands clad in ugly old shoes and began to kick. The highlight of the evening was the "Hoop Drill". Twelve students in white dresses carried flower decorated hoops and marched through intricate formations, swinging the hoops in time to the music. They they lined up at the back of the stage, while Mary Cousins with her doll knelt in front of the shepherds and wise men. The girls in white then sang "Silent Night' Holy Nirht".

The sound of sleigh bells changed the angels and shepherds to eager children, all waiting for Santa and the gifts off the tree. Santa brought happiness to each child as he gave them the stocking filled with treats. We all rose to sing "God Save The King". The ladies served coffee and lunch. Mr. Wiles and Mr. Beebe tuned their violins and we danced until two. Each child went home richer for that Christmas tree.

Amy E. Saddaby

The Homemaker

By Maureen Bauman, Dist. Home Economist

Home for Christmas. Millions of Canadians will battle storm blocked highways, jam packed airports and late train connections to get there.

Those already at home will put in at least 72 hours shopping, baking, decorating and setting up roll-away cots to accomodate them.

Why do we go to all this trouble? What do we think we will find?

We go home expecting peace and tranquility. We have visions of sugar plums and think the clatter belongs on the front lawn in a sleigh full of toys.

It doesn't always turn out that way. We often forget that our families have their own strengths, weaknesses, tensions and squabbles. We go home expecting the holiday to be perfect.

It is pure fantasy to expect perfection and no fighting at Christmas. No headaches, no spilt milk, no exhaustion. It is all part of the day.

We go home for the caring and acceptance that is so precious. We go for love. The unconditional kind of love that accepts you completely and uncritically for whatever you are.

That love is dished out in heaps at Christmas time. And that's what the Christmas rush is all about.

Picturing a fantasy Christmas where everyone is present, the children are quiet and serene and the dinner is perfect, can only lead to disappointment.

Realistically, we are torn between two sets of parents, the dog is yapping and mother forgot the cranberry sauce.

But the Christmas spirit doesn't break down because of the noise, confusion and hilarity of a real family. It breaks down when we enter a situation with all kinds of expectations that no one else knows about.

This Christmas, go home with an open, accepting mind. Take people for what they are and try not to be judgmental. But, most of all have a very happy Christmas. *Taken from Canadian Living Magazine - Dec. 1978*

Progressive Farming

Bill Brass
Dist. Agriculturist

This year concern has been expressed in the increasing incidence of ergot infestation in wheat. A few inquiries have surfaced regarding ergot, therefore I wish to briefly discuss this problem in cereals.

Ergot is best known as a disease of rye, but also effects most other grains and grasses. The fungus that infects the flowers prevents seeds from developing and replaces many kernals with hard, dark seed-like fungus bodies called sclerotia. This disease in cereals causes problems and losses in marketing, yields, income and can cause a debilitating and sometimes fatal poisoning of animals, poultry and humans.

The incidence of ergot varies greatly from year to year in cereal crops, but observations in the prairie provinces indicate that in most years ergot may readily be found in grasses growing in headlands and along roadsides. For this reason and also because insect activity is usually greatest at the edges of the fields, grain plants at the margin of a field are often more severely affected by ergot than those in the interior.

Ergot is usually most prevalent in seasons when moisture is readily available at the soil surface during flowering of grains and grasses. Cloudy, wet or cold weather during flowering delays pollination and extends the period of greatest susceptibility to infection.

Seed treatment with chemicals does not control ergot, and resistant varieties of cereals and grasses are not yet available. Therefore control methods must be designed to limit the availability of fungus spores and to produce crops of uniformly developing plants that flower at the same time and for as short a period as is possible.

To control the disease it is important to use ergot-free seed and to follow cultural practices that will reduce the incidence of ergot in native and volunteer grasses and its spread to cultivated crops.

A few suggestions to prevent the spread of this disease are as follows:

1.If ergot is a problem in pastures, ranges or headlands, grasses in low and wet places should be cut or grazed heavily before they flower.

2. Harvest hay crops at the heading stage.

3. When harvesting fields showing ergot infection at the edges, separate the seed collected during the first rounds from the combine from the rest of the grain. If grain from the outside swaths is heavily infected, destroy it.

4. Attempt to clean seed.

5. Burry the ergot bodies in the fall by plowing or deeply cultivating the field in which ergot has been a problem.

6. If ergot-infested seed is to be sown, plant at least two and a half inches deep. Holding this infested seed for two or three years will reduce the number of viable ergot bodies present in the grain.

7. Promotion of uniform stands of cereals (good quality seed and even seeding rate and depth.)

8. Rotation - avoid planting cereal crops on a field that has been infected with ergot, especially rye and triticale. If grains must be planted, seed oats, as it is the least susceptable to ergot infection.

One must realize there are also regulations dealing with ergot content of seed and feed, restricting the amount of ergot bodies in each category.

Viking Hospital Auxiliary Meeting

The Viking Hospital Auxiliary held their regular meeting in the Council Chambers of the Civic Building on December 6th.

Minutes from the previous meeting and the Treasurer's report were approved.

Volunteers are delivering meals on wheels and if any one would like to help deliver meals they are asked to contact Isabel Boraas.

The Auxiliary assisted the Hospital staff at their Christmas party and will be helping with several projects in the future.

The Hospital Auxiliary meetings are held in the Council Chambers the first Thursday of each month, commencing at 8 o'clock.

Viking Bantams Begin Season

On Friday, December 7th, Hardisty Bantams travelled to Viking and played a close game against the local team.

The final score in the game was four to two for the Viking team. The Viking boys put forth a good team effort. Good goal tending by Gordon Kuzeka and Darren Josephson kept Viking in the lead throughout the game.

Scoring points for Viking were Ian Erickson with two goals and one assist; Danny Arychuk one goal and an assist; Joe Hoffman a single goal and Bill Hanson and Ken Ebeltoft with an assist each.

Scoring for Hardisty were Mike Golka and Pat Adams with a single goal each.

Four Beaver Kits were invested into the Beaver Colony on December 5th at their regular meeting.

A Christmas party followed with exciting games and lunch. We were disappointed at the small number of parents who took advantage of the opportunity to join in the activities and ceremony of the new Beavers.

Thank you to those parents who did come, it makes our efforts that much more rewarding.

Bradley Hodgins received the "Kilo" badge. This badge is given to the boy who comes down from Cubs to assist in the Beaver program. Brad has been helping out since last spring.

Cub Brad Hodgins was presented with a Kilo Badge last Wednesday by Beaver leader Dawn Hodgins for his work with the Beavers since last spring.

Irma W.I. Review

The Irma Annual W.I. meeting was held recently. It was attended by sixteen members and one visitor and the meeting brought to an end a very active year.

Reports from the various committees gave a resume of the activities in 1979 and included: members made soap, collected clothes, and made quilts for the U.S.C. A ton to raise funds for Cancer Research was sponsored jointly with the Strawberry Plains W.I. and Buffalo Coulee W.I. Two handicraft workshops were held; members were sent to Constituency, District and Provincial Conferences.

The Irma W.I. organized the annual clean-up day at the cemetery, entered a prize winning float in the Irma Daze parade and attended the patients of the Wainwright Auxiliary Hospital with the trolley cart of confectionary.

A United Nations pot luck dinner was highlighted at the October meeting. Donations have been made to the Canadian National Institute of the Blind, Unitarian Service Committee, T. B. Christmas Seals, Red Cross, Multiple Sclerosis Society, Salvation Army, W.I. Girls Clubs, as well as others.

A successful Tea and Bazaar was held in December. Winners of the raffle were as follows: Hamper of Groceries - Mrs. Jean Dootson, Edmonton. Blanket - Jim Ford, Irma. Pillow Cases - Mrs. F. Knudson, Irma.

Officers for the 1980 year are as follows: President - Mrs. Peggy Fleming, First Vice-President - Mrs. A. Dootson, Second Vice-President - Mrs. A. Nisson, Secretary - Mrs. P. Craig, Treasurer - Mrs. C. Ballentine.

The Institute is again sponsoring a Community Christmas Card. By making a donation to your favorite charity, your name will be inscribed on a huge card displayed in a store window. Donations may be left with Mrs. Gunn or any of the Irma W.I. members.

Because of expenses incurred for postage, cheques, stationery, etc., you are requested to donate a minimum of $5.00. This donation is in lieu of sending individual cards to local friends. The response in previous years has been most gratifying - $379.00 in 1978.

Each Christmas parcels of goodies are delivered to the elderly and shut-ins in the community.

The next meeting will be held at the home of Mrs. E. Gunn on January 3. A cordial invitation is extended to any lady in the community who may wish to attend this or any other meeting.

The Women's Institute is an organization with the motto "For Home and Country". The meetings are informal and friendly and you will be assured or a warm welcome. If you have small children, bring them with you, they are welcome too.

Irma & District News

Mr. Harold Ing from Redding, England who is a brother to Eileen Lewis is having an extended visit with Ileen and Ray and will be with them until early in February.

Mr. Ing visited her several years ago in the summer time and liked it very much. This time he wants to find out what our winters are like. So far, he thinks it is quite good.

Congratulations are extended to Jean and Ernest Rae who will be celebrating their 58th Wedding Anniversary on Monday, December 10th. It was also Jean's birthday - many happy returns.

Grahame and Pat Johnston and girls of Edmonton visited with Marg and Bob Dempsey over the weekend. On Sunday Grahame, Pat and girls and Mary and Bob celebrated an early Christmas with Maureen and Keith Currie at the Currie home. Grahame and Pat have arranged to spend December 25th with Grahame's dad who has been a resident in Hawaii for the past four or five years.

Lorna Jackson left Wainwright by train on Saturday, December 8th to visit Noreen, Phyllis and Rick Hammond. Phyllis is in hospital having undergone an operation last week. Howard and Eddie are holding the fort while Lorna is away.

Charlotta Leavin from Chilliwack has been visiting her grandmother Grace Archibald and her uncles, aunts and cousins in and around Irma.

Well, it would appear that winter has finally arrived. It snowed and blew on Sunday and again on Sunday night. It had quit snowing on Monday morning but there was a chilly breeze from the northwest and a blanket of about four inches of snow covers the ground. To make matters worse we had a shower of rain which covered the roads, highways and sidewalks with a film of ice, which is now covered with snow, making driving and even walking quite hazardous. This should make the skidoo enthusiasts happy. They have been chomping on the bit for the past month and hoping for snow.

Serious Accident Near Irma

A serious accident occurred on the bend on Highway #14 approximately two miles west of Irma on Saturday evening. The small car driven by Linda Williams of Viking, going east left the highway and rolled several times. The other occupant of the car, Anita Newton of Irma was thrown some distance from the car and was seriously injured. Her skull was fractured and multiple lacerations to her face. As well she received injuries to both feet.

Both girls were taken to Wainwright hospital by ambulance, which was called by some of the Irma hockey players who arrived at the scene of the accident almost immediately. We are glad to report that Linda came through the ordeal with nothing worse than many bruises, scratches and shock and may even be discharged from the hospital on Monday. Anita is improving and resting comfortably on Sunday night.

Irma Bantams Meet Hughenden

At 6:00 p.m. on December 6th, the Bantam teams from Irma and Hughenden met to play their first league games. The first goal was scored by Irma's Leonard Mark, unassisted.

Mike Golka, captain from Hughenden, scored the next three goals. The first period ended with one more goal from Irma by Leonard Mark assisted by Blaine Lovig and Trevor MacKay.

In the penalty department Irma received four minor and Hughenden received five minor.

Two minutes into the second period Hughenden scored their fourth goal by Brad MacKenzie, assisted by Mike Golka and Garry Morrisson. Mike Golka scored the fifth goal for Hughenden three minutes later.

Captain Brad Veenstra, assisted by Kirk Larson and Blaine Lovig scored their third goal ending the second period. Penalties were 3 for Hughenden and 2 for Irma.

The first and second goals scored in the third period were from Irma. The first credit goes to Ian Dunbar assisted by Leonard Mark and Colin Kunkel and the second to Leonard Mark assisted by Blaine Lovig.

Hughenden then came back to score 2 more goals, both by Captain Golka with an assist from Brad MacKenzie. The final goal of the game came off the stick of Ian Dunbar assisted by Trevor MacKay, leaving the final score at 7 to 6 for Hughenden.

Hughenden received two penalties in the third period while Irma received one.

Irma Pee Wees Begin Season

Irma Pee Wees played host to the Wainwright Legion team on Saturday, December 1, defeating them by a close score of 6-5.

Scoring for Irma were Doug Fischer - 2 goals and Tim Fer, Lorne Firkus, Joe Glover and Dave Archibald with one each.

On December 5, the Viking Pee Wees travelled to Irma to take on our Pee Wees only to go home disappointed as the Irma team outscore them 7 to 3. Goal getters for this game were Lore Firkus, Randy Gaine, Doug Fischer all with 2 goals and Darcy Liemeux with a single.

Dec. 8th our team hosted Wainwright. Our boys must have decided that being this was our Irma Daze, it was a day for celebrating as they jumped on Wainwright with a score of 16-5. They accomplished this while being short of team players, three being away.

Scorers of the day were Darren Archibald with 5 goals, Joe Glover, Ronnie Boomhower, Randy Gaine, Doug Fischer all with two goals each and Tim Ford, Darcy Liemeux and David Oracheski each picking up

Tax Implications Of Transferring Farm Property

Many people in Canada think that they can sell their farm to their children for any price and have no capital gain or tax to pay. However, in general, this is not true.

Present income tax legislation does allow land that is being "actively farmed" by the family immediately prior to its transfer to be given or sold to a child or children who are residing in Canada for any price up to the cost base (the purchase price on Valuation Day (VD) value if owned prior to VD which was December 31, 1971.) The capital gain is thus deferred or "Rolled over" to the next generation. However, if the land is sold to the next generation for more than the cost base, the capital gain incurred must be declared by the parent and the tax paid in the same way as if the land had been sold to a complete stranger.

Because the capital gain must be declared and the taxes paid, many people question the benefit of the roll over provision.

However, according to Garry Bradshaw, Alberta Agriculture's regional farm economist at Red D eer, the benefit is that the parent is able to choose a sale price at any point between the cost base and the present value of the property. "This" he says, "contrasts with selling to other family members (brother, sister, nephew etc.) and being forced to calculate the capital gain base on the present market value of the land, regardless of the actual sale price".

It should be noted that the defenition of a "child" includes a natural son or daughter, and in-law child, a grandchild and a legally adopted child. The "Actively farmed" condition referred to above does not include leased or rented property unless the lessee qualifies as a "child" of the landlord.

However, a situation where the parent or child contracts the farm operation to a third party may qualify as "actively farmed".

The following cases are presented to clarify this topic:

Question: My brother in-law is renting dad's farm. Although I am not living on or farming the land, he wants to sell me some land for less than fair market value. Can he do this?

Answer: "Yes" the land is owned by the parent and being farmed by one of the children (son-in-law) and this qualifies any or all children for the roll over provision".

Question: Dad wants to sell my brothers and me the farm. He is presently farming it, but I am a nurse and neither of my two brothers will be farming it either, since they live and work in Red Deer. We will all probably be renting it out once we get it. Can we qualify for roll over?

Answer: "Yes! Remember the important point is that the land be farmed by a child or parent at the time of roll over. It does not matter what you do with it afterwards".

Question: My nephew has lived with us since he was a baby. While we never adopted him, he is like a son to us. I am going to give him a quarter of land. Are there any tax problems?

Answer: "Yes! If you consider paying tax a problem. Your nephew is not a "child" and so even though you are going to give him the land, you must pay tax based on the present fair market value".

EXAMPLE

VD Value (Dec. 31, 1971	$80,000
Sale Price	80
Fair Market Value	$80,000
Cap. Gain Deemed (1/2) add to income	$60,000 $25,000 taxable

This situation and also the third example point out situations where taxable income is incurred even though no income is actually received by the owner (transferror).

Mr. Bradshaw points out that these questions and answers are very general because individual situations vary and the tax laws are quite complex. Because of these complexities and the large sums of money involved, he advises seeking qualified assistance through your accountant, and or your lawyer, district agriculturist or regional farm economist before you undertake a transaction.

Mrs. Lydia Hansen has been officially appointed as town administrator for the Town of Viking. Lydia was previously employed in the position of town secretary. Staff Photo

25,000 Students Employed During Summer

The Alberta Hire-A-Student program placed more than 25,000 students in a variety of jobs throughout the province during the summer.

Of the 39,983 secondary and post-secondary students who registered 25,422 found employment through the program. More secondary school students found jobs than their post-secondary counterparts. Placements for secondary school students, which includes 13 to 18 year olds who generally have difficulty finding employment because of age and limited experience, increased 11 per cent over 1978 figures while post-secondary placements decreased at a similar rate.

Figures and details are contained in the program's final statistics announced recently by Jim Horsman, minister of Alberta Advanced Education and Manpower and Ron Ackey, minister for the Canada Employment and Immigration Commission.

Hire-A-Student is a summer youth employment program sponsored by local community groups, the Alberta Chamber of Commerce and the federal and provincial governments. The program assists students in finding summer jobs by providing information on effective job search techniques, encouraging employers to hire during the summer, and matching suitable students with existing employment vacancies.

Mr. Horsman said, "Placement increases among the younger students have been attributed in part to a greater effort at the business and community level to accept students into the work force and the fact that fewer post-secondary school students needed the program this year."

Students returning to previous employers, those able to find employment on thier own and the program's creative job search techniques seminars to help students obtain employment without direct assistance contributed to the 7.5 per cent decrease of placements among the post-secondary school group, according to the minister.

The decrease, which became evident primarily in the large metropolitan areas of the province, is reflect-ed in the limited increase in total student placements for the year. The total of 25,422 placements for the summer was slightly higher compared to the 25,273 placed in 1978.

While urban placements decreased, those in the 64 rural centres increased to provide 30.4 per cent of the total 1979 placements compared to 27.8 per cent of the 1978 total.

A break-down reveals that the metro areas of Edmonton and Calgary recorded 11,856 placements, the four urban centres of Grande Prairie, Red Deer, Lethbridge and Medicine Hat registered 4,582 and the remaining 64 centres had a final count of 8,984.

The 1979 Hire-A-Student program operated out of 70 offices staffed by 165 students throughout the province. A Hire-A-Student Advisory Council, composed of a representative from each of the three main sponsoring agents, coordinates the work of these offices and serves as a communications link and advisory resource for local communities.

Bill Smith, Chamber of Commerce representative and advisory council chairman, reported that the student-staffed offices handled a wide range of job opportunities.

The jobs ranged from short-term jobs in farm labor, general labour, maintenance and domestic help to the more regular jobs in the clerical service and construction industries.

Both ministers praised the cooperation again shown by the private sector in hiring students. They agreed that a key factor in the continued success for the Alberta program is the support given by local Chambers of Commerce, other community groups, and by the public at large.

PUBLIC UTILITIES BOARD

NOTICE

IN THE MATTER of "The Gas Utilities Act", being Chapter 158 of the Revised Statutes of Alberta, 1970:

AND IN THE MATTER OF the issue of 56,037 Common Shares without nominal or par value by Northwestern Utilities Limited (hereinafter called "the Company") to Canadian Utilities Limited.

NOTICE IS HEREBY GIVEN that the Company has applied to the Public Utilities Board, at 11th Floor, ManuLife House, 10055-106th Street, Edmonton, Alberta, T5J 2Y2, for an Order of the Board:

1. **authorizing the issue; and**
2. **approving the purposes of the issue:**

UNLESS OBJECTION by a person having an interest in the matter is filed on or before December 18, 1979 with the Board and with the Company at its address set out below, the Board may issue its Order without further notice.

COPIES of the application and information filed in support thereof may be obtained by interested persons from the Company, care of Messrs. Milner & Steer, Solicitors for the Company, at Ninth Floor, Milner Building, 10040-104th Street, Edmonton, Alberta, T5J 0Z7.

DATED at Edmonton, in the Province of Alberta, this 5th day of December, A.D. 1979.

PUBLIC UTILITIES BOARD
(SIGNED) C.R. LEISHMAN
Secretary

Why should you be thinking of Spring now?

Because a little extra planning now will reduce the pressures of Spring farming when your time is at a premium.

A visit to your Treasury Branch manager is the right step to ensuring you're ready for Spring.

Ask about Agri-Plan, a loan service designed for farm and ranch needs . . . livestock, operating, machinery, land purchase, farm improvements.

What's more Treasury Branches can tailor the repayment program to suit your cash flow, so you'll have money when you need it most.

Come in and talk with us today and then relax and enjoy the holiday season.

Card of Thanks

CARD OF THANKS

We would like to thank all our relatives and friends for their aid and sympathy in the loss of our beloved Ole. Thanks to all who sent flowers, food, cards and memorial donations and offered their help. To Mr. Creek, The United Church Choir and organist, and Rev. Wilson for their aid and comfort at the service. Thanks to the Irma Women's institute and the order of the Eastern Star for serving lunch. a special thanks also to Ada and Allan Chad Allred and our neighbors for coming immediately to help. To the Spring family at Bonnyville, our gratitude for the many kindnesses to Ole over the years and for their care and aid to Inge at the time of Ole's passing. Words cannot express our gratitude to everyone.

The Nissen family 44c

CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors for their kindness, floral tributes, cards and memorial donations during the loss of our father and grandfather. Your thoughtfulness is greatly appreciated. Thank you to Rev. Idding, the pallbearers, the organist, Mrs. Iddings, Harry Creech and the ladies who served lunch for us. Also thanks for the food brought to the home and the help received.

In Memoriam

IN MEMORIAM

In loving memory of my dear husband (Jimmy Brown) who passed away December 10, 1976.

The loneliness without you
The ache deep in our hearts,
We've nothing left but memories,
With them we will wont part.
If we had all the world to give,
We'd give it, yes and more,
To see the face of our dear Jimmy,
Come smiling through the door.
Please God forgive a all-sett tear,
And the constant wish that he were here.
Others are taken yes we know,
But he was ours and we miss him so.
Lovingly remembered and sadly missed by your loving wife Dorothy and family. 44p

IN MEMORIAM

In fondest memory of Willie Brown who passed away suddenly on December 14, 1976.
We did not see you close your eyes,
Or hear your last faint sigh.
We only heard that you were gone,
Too late to say good-bye.
Quietly remembered every day,
Sadly missed along like way.
Just as you were you will always be,
Treasured in our memory
Always remembered and sadly missed by Dorothy and family. 44p

Card of Thanks

We extend our sincere thanks and heartfelt gratitude for the many acts of sympathy shown us during the loss of our mother and grandmother. To those who expressed their sympathy by visitations, phone calls, letters, prayers, and words of comfort and of concern. To those who sent flowers to the Church and our homes, memorials to the various charitable organizations and funds, and sympathy cards. To those who assisted in countless ways, thank you.

homes, to those that asked us out to meals. Thanks also to the pallbearers, to the Anglican Church Women for serving lunch after the service, to Ronaghan's Funeral Services, for their assistance. Special thanks to Mrs. Edna Roddick, organist and to the United Church Choir who graciously sang our special Hymn request, along with the other hymn selections. A very special thanks also to the Reverend Jim Bennett for his touching words of prayer with us. Also, we wish to express our sincere thanks for the service to Howard and McBride Funeral Services for their countless thoughtful considerations, before, during and after arrangements. To all others who assisted in countless ways, thank you.

TO APPLY:
Write to: - Ruth Iverson, Coordinator
Box 1739, Wainwright,
Alberta. T0B 4P0

Do You Know The Bible Says

By Mrs. W. Myers

And there shall be signs in the sun, and in the moon, and in the stars, and upon the earth - distress of nations, with perplexity.....the sea and the waves roaring; men's hearts failing them for fear and for looking after those things which are coming on the earth. The powers of Heaven shall be shaken. Luke 21:25, 26.

These conditions precede the coming of Christ. Quote also verses 34-36. Take heed to yourselves, lest at any time your hearts be overcharged with surfeiting and drunkeness, and cares of this life and so that day come upon you unawares.

For as a snare shall it come on all them that dwell on the face of the whole earth. Watch ye therefore and pray always that ye may be accounted worthy to escape all these things that shall come to pass and to stand before the Son of man.

Any rational person can see that we are living in just such days. The economy of other countries were war torn and ravished with troubles within and without.

God has blessed our country with peoples and freedoms and abundance but with natural man, when the body is well nourished, the soul is often neglected and no thought enters the mind that all these benefits are temperal and are only enjoyed for the few years he lives here. The neglected soul goes out into a lost world is worsening fast and even our own country is getting caught up in the circle.

President Carter is perplexed over the Iranian situation. We in North America have felt pretty smug through the century while running out. Christ is still standing at your heart's door waiting to be asked to eternity forever without God and without hope.

Friends, the writing is on the wall and the time is come in. Nothing in this world is worth rejecting Christ for.

I know you want to pass from this life into a place of peace and joy. Call it what you want to....but without Christ there is no peace in the hereafter. It is Christ and Him only that can take a surrendered soul and make it anew with his cleansing blood and fit it to dwell with Him forever.

Friends, I beg you to come to Him now.

Andro Fucsko Laid To Rest

Andro Fucsko passed away in the General Hospital in Wainwright on Saturday, October 3, 1979, at the age of 86 years.

Andro was born in Legyesbenye, Hungry on January 3, 1893. He came to Irma in 1927. It wasn't until April 1931 that his family was able to join him on the farm. He farmed until 1962 then he moved to Irma and and his garage which became known as "Andy's". He retired in 1978 and moved to Wainwright Battle River Lodge until his passing.

Andro leaves to mourn his passing his son Steve and Christina of Irma and daughter Elizabeth Knudson of Snowflakes Arizona; five grandchildren, Ciara Knudson, Cathy Leavitt and eleven great grandchildren. He is also survived by one sister and nieces and nephews in Hungry.

Funeral services were conducted in Irma Alliance Church on Wednesday, October 17, 1979 at 2 p.m. with Rev. Allen Idding officiating. Hymns sung were "Amazing Grace" "Just As I Am" and "Where The Lord Leads Me". Organists were Mrs. Idding and Mrs. Don McKay.

Pallbearers were: Bill Bell, Hector Benoit, Harvey Yonker, Francis Yonker, Bill Dunbar, and John Dunbar. Interment followed in the Irma Cemetery.

Following the service friends and relatives were invited to gather with the family at the Alliance Church lunch room.

McLeods Funeral Home was in charge of the arrangements.

Services Held For Ole Nissen

Helge Christian "Ole" Nissen was born October 21, 1903 in Paarup, Denmark and passed away on September 19th, 1979 in Bonnyville, Alberta.

Funeral Services were held on September 22nd in the Irma School Auditorium at 4 p.m. with Reverend G. Wilson officiating and McLeod's Funeral Home of Wainwright in charge of arrangements.

The United Church Choir led in the singing of the Hymns "The Old Rugged Cross" and "Amazing Grace" and the 23rd Psalm was read by Rev. Wilson.

The casket was draped with the floral blanket in the design of the Danish flag, given by the family in Canada and Denmark. A Masonic service was held at the graveside and the pallbearers, all Masons were Richard Glasgow, Almon Archibald, Clifton White, Keith Currie, Ron Prior and Ed Jackson.

Honorary pallbearers were the members of Gratton Lodge Number 144. Interment took place in the Irma Cemetery.

Ole leaves to mourn his loss his loving wife, Audrey, two sons, Norman of Edmonton and Eric of Irma, two daughters and a son-in-law, Fay of Irma and Joan and Art Walter and four grandchildren all of Winnipeg as well as many neices and nephews in Denmark.

In addition to the flowers to the house and wreaths, many memorial donations were given to The Masonic Higher Education Fund, The Irma School Band, The Heart Foundation, Gideon Bible Society, Home and School Library Fund and the United Church of Canada.

"Launch a new year... and a new era!"

Bob Dowling,
Commissioner, Alberta 75th Anniversary Commission

At the stroke of midnight on September 1, 1905 thunderous applause broke out in the streets of frontier Edmonton. As the band broke into the Inaugural Concert, celebrants jammed elbow-to-elbow cheered the momentous occasion. The making of the new province had been a long and difficult struggle . . .

The stroke of midnight on December 31 marks more than the start of a new year. It signifies 75 years since Alberta became a province in the Canadian Confederation. Since the proclamation of 1905, we've come a long way.

On December 31 make your New Year's celebration an ALBERTA 75 celebration! Bring together family and friends to launch a year that is a tribute to 75 years of achievement. (Watch this newspaper for details on the province-wide celebrations beginning New Year's Eve.)

Get into the spirit of ALBERTA 75 now!

Make it a great year. A time to say thanks to a nation, a province, and its people. A time to remember the pioneers of the past and look to a future that will be truly great. Make 1980 a year to remember!

Get involved.

The Homemaker

By Maureen Bauman, Dist. Home Economist

Lately, in supermarkets we have been seeing two types of ground beef - regular and extra lean. Extra lean ground beef usually costs about 20 cents more per pound than regular. Is it worth it?

Many consumers feel that the leaner product loses less weight during cooking, tastes better has fewer calories and contains more protein.

In tests conducted at the Meat Research Laboratory in Beltsville, Md. it was found that extra lean patties were actually tougher and drier than regular patties. During cooking the fattier patties lose most of their weight as fat, while extra lean patties lose their weight as water.

There was no difference in protein content of the two patties.

The main differences in composition between the two types, is water and fat. After analysis of a 3.5 oz. patty, it appears that the consumer is gaining one less gram of fat and one more gram of water when buying the extra lean meat. This one gram of fat represents about 7-8 calories. Thus a 3.5 oz. patty has only 7 - 8 calories less than a regular patty. Is it worth the price.

Holiday Rates Reduced By AGT

Reduced rates will be in effect on Christmas Day and New Year's Day for long distance calls in Alberta, across Canada, the United States and Mexico. Evening rates which are approximately one third lower than day rates will be in effect from 8:00 a.m. until midnight.

While there are no change in rates for overseas call on either holiday, callers can take advantage of 25 per cent savings on weekend rates to some countries. France, Great Britian, Israel and Italy.

AGT has some tips for holiday callers: Don't limit your holiday calling to Christmas Day.

Christmas Eve, Christmas Day and New Year's Day, as well as the two Sundays proceeding Christmas are the heaviest calling periods and some calls won't get through the busy network.

Call on other days during the Christmas week. Verify long distance and overseas telephone numbers in advance, when operators are less busy. Directory assistance for numbers in North America is available by dialing 1 plus area code plus 555-1212. Directory assistance for overseas numbers is 1 plus 555-1212.

Take time zone differences into account when making long distance calls. It may mean the difference between an answered and unanswered call.

Dial your own long distance calls. Use DDD and Zero Plus Number Dialing for fast convenient service.

The above picture of two baby owls taken at night at a farmstead south of Botha placed second out of fifty-one entries in the class for "Flora and Fauna" in the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. Mrs. Mary Foechner of Stettler garnered $30.00 for her efforts. Of the eight classes in the contest, this particular class drew the keenest competition.

Recreation Grants Still Available For Area

A meeting of the governing authorities for Regional Recreation in the County of Beaver was held on Monday, December 17 in Ryley to discuss future prospects for recreation in the County of Beaver. The meeting was necessitated by the termination of Regional Recreation in the County effective the end of December.

Major discussion at the meeting centred around the Multi-Cultural and Recreation (M.C.R.) grants available to the area once Regional Recreation has been disbanded.

Originally, the Alberta Department of Culture, Youth and Recreation had made about $640,000 ($160 per person) available to the County on a matching-dollar grant basis. Of this total, approximately 30 percent of this government grant has been spent. This leaves just over $660,000 available to the five municipal governments in the County.

Previous information to the governing authorities provided by Kent Hendricks of Regional Recreation in Vegreville suggested that this money may not be available if Regional Recreation was disbanded. However, questioning of Mr. Hendricks at the Monday meeting revealed that the remainder of the grant money was available, but on a 60-40 basis with the municipalities responsible for 60 percent matching dollars.

If a regional body is maintained, the original 50-50 dollar split could be maintained. The meeting felt that a regional board should be established solely for the maintenance of the grant money so that increased dollars would be realized by each municipality.

With the clarification of the M.C.R. grants, representatives learned that each municipality will be eligible to receive the amounts remaining from their portion of the original total grant of $640,000. The dollars received by each municipality must be matched by the municipality.

Each of the municipalities can expect to be eligible for varying amounts due to their previous use of the grant monies up to this date.

Representatives present at the Monday meeting were from the County, Ryley, Holden and Viking. Tofield failed to send representation even though they had been notified of the meeting.

Last Thursday, December 13th the elementary students of Holden School presented the three act operetta entitled "The Magic Beanstalk" under the direction of Elizabeth Petersen. The pirates were led by Captain Kidd (Mark Laskoski).

Proposals For Arts Centre Approved

At a closed meeting of the County of Beaver, the Town of Viking, and the Villages of Holden and Ryley, proposals were drawn up for the operation of the Beaver Regional Arts Centre in Holden after December 31st. On this date, the Regional Recreation Board, which presently operates the facility, will be disbanded.

The Town of Tofield was not represented at the meeting as they decided not to participate until the overall plan for recreation within the county has been decided.

The representatives from the four supporting municipalities met together with Mr Marvin Tomashavsky of Holden to formulate recommendations for operation of the Arts Centre. The following list of recomendations were drawn up;

1. that advertising would be done to hire a part time theatre manager to maintain the facility and help with bookings;
2. that the Beaver Regional Recreation Society be approached to see if they would operate the theatre on an interim basis.
3. that the Holden Village Council be the signing authority for the operation of the Arts Centre:
   that a small advisory board be set up representing the supporting authorities to set up;
   a) guidelines for the theatre manager'
   b) reserve policies
   c) rental rates
   d) a budget for submission to the supporting authorities
5. that a room in the Arts Centre be made available for a managers office, with office equipment from the Regional Recreation Board used where possible:
6. that interim funds be deposited by each supporting authority until such time as a formal budget is approved:
7. that the Arts Centre manager be directly responsible to the proposed Advisory Board:
8. that all local bookings be made through the Holden Village office:
9. that a continuous agree-

Nomination Date Set For District #3

At the December 13th meeting of the County of Beaver Council, the date was set for nomination of candidates to fill the office of Councillor for District 3.

The setting of a nomination day was necessitated by the resignation of Mr. Gabe Brissard who had represented District 3 until November 22. On that date, Mr. Brissard submitted his resignation to Mr. Bob Cross, Secretary-Treasurer for the County of Beaver.

The date for nominations has been set as January 4th, 1980. Mr. Cross stated that he will be receiving nominations for the position between 10 a.m. and noon on that date at the County Office in Ryley.

If more than one nomination is received a by-election will be necessary. Mr. Cross said that if a by-election is necessary, it would be held on or about February 1st., 1980.

Next Issue - January 2, 1980

In order that the management, staff and correspondents of The Weekly Review can enjoy the Christmas holidays with their families and friends, The Weekly Review will not be publishing an edition on Wednesday, December 26th.

The next edition of this paper will be published on Wednesday, January 2nd, Due to the New Year's holiday, delivery may be a day late for the January 2nd issue only.

All news items for the two week period over Christmas can be left in our drop-off boxes in your community for inclusion in the January 2nd issue.

Our office will be closed from December 22nd to December 26th inclusive. We will be open on Thursday and Friday, December 27th and 28th, and on Monday, December 31st, but will be closed on New year's day.

Drive Safely Over Holidays. . .Minister Urges

Even the most experienced drivers are susceptible to traffic mishaps - all the more reason to drive with extra caution during the upcoming holiday season, says Transportation Minister Henry Kroeger.

"Albertans should strive to make sure this is an accident-free holiday," Mr. Kroeger said.

Last year, 10 people were killed on Alberta's roadways over the December 20 to 26 holiday week. During 1977, 21 people were killed in traffic accidents over the same period.

Weather and road conditions often contribute to hazardous driving conditions at this time of year. Heavy traffic also creates a hazard on city streets and highways as motorists rush to visit family and friends, and to finish Christmas shopping.

While many accidents are caused by fatigue or impatience, an alarming number are alcohol-related. Statistics released by the transportation safety branch show that alcohol was known to be involved in 21 percent of fatal accidents in 1978.

"Winter driving poses a problem for even the experienced, courteous, alert and sober driver. These conditions are disastrous for the fatigues or impaired driver," Mr. Kroeger said.

Mr. Kroeger urges Albertans not to drive after drinking or when tired. And when driving, buckle up and drive with extra caution, especially during the busy holiday season.

"Let us not welcome the New Year with a tragic traffic accident," Mr. Kroeger said.

Olga Brissard on behalf of the Viking Registered Nursing Assistants presents a cheque in the amount of $1,500 to Mr. Jack Roddick, Chairman of the Viking General Hospital and Mr. Rod Kripe, Hospital Administrator. The proceeds from the dance sponsored on November 3, 1979 will go towards furnishing a room in the new hospital.

Regional Arts Centre

Continued From Page 1

ment with yearly revisions be signed by all supporting authorities. This agreement would be revokable by a majority of the supporting authorities only.

The total operational loss for the Arts Centre during the first eight months of operation amounts to two thousand dollars. Members of the committee were told that much had been learned about the type of entertainment to book into the Centre, and that this deficit would likely not increase. Nevertheless, if the theatre were to lose three thousand dollars per year, the four authorities presently involved in the above proposals would only have to contribute seven hundred and fifty dollars each to operate the Beaver Regional Arts Centre.

The recommendations as determined by the committee of supporting municipalities were presented to each of the respective councils at their regular December meeting.

On Monday, December 17, the representatives of these four governing authorities met and gave general approval to the recommendations of the special meeting.

Final details will be worked out on the recommendations with the County, Viking, Holden and Ryley expected to support the operation of the Regional Arts Centre in Holden.

We Wish You The Best

As 1979 draws to a close and we spend the next couple of weeks enjoying the fellowship of the Christmas season, we at The Weekly Review must look back on this year with many thoughts of gratitude.

To the many, many people who subscribed to our newspaper and encouraged our efforts, we are indeed grateful. To the many businesses and people who placed their advertising with us, we thank you for your support. We would also like to thank all those who dealt with us in their printing needs during 1979.

Throughout the year, our regular correspondents in the area have put forth great effort to allow us to better serve you and for this, we thank them. We would also like to thank the many people who brought us articles on behalf of their club or group. As well, we wish to thank all those who brought us stories or articles which they felt would be of interest to our readers. To everyone else who contributed to our efforts in 1979, we express our heart-felt thanks.

May we at The Weekly Review (Diann, Sam, Lane and Dick) extend our warmest wishes to you all during this Christmas season. We hope that 1980 will be a happy and prosperous year for your all, and we look forward to being able to serve you in the New Year.

The Viking Elks Lodge No. 83 have been selling Xmas Trees for approximately 26 years. This is a part of the Viking Elks Lodge service to the community of Viking and surrounding area. The big tree is being sold to Colin Laing for the Viking Knights of Columbus by Santa Claus. The Viking Elks would like to thank Mr. Ken Midbo for the use of Revelstoke lumber yards. Staff Photo

Kinsella Elks Host Apreciation Night Supper

The Kinsella Elks Degree team held an "Appreciation Night Supper" completed by a social evening. Thanks are extended to our wives and the Elks Lodge for a very enjoyable meal.

Two Initiation Ceremonies were conducted during the month of December by the Kinsella Degree Team. One Initiation ceremony was held at Hardisty and the other at Edgerton.

Members of our Lodge have also made visits to Hardisty, Outknife, Saskatchewan, Irma and Holden Elks Lodges.

As the year nears its end the Kinsella Elks would like to extend a thank you to all the residents who have shown their support through playing our Jackpot Bingos. The proceeds from this venture are to go towards furnishing a room in the new Viking General Hospital.

As well, we were most appreciative of all who supported our Turkey Bingos.

Ski Competition To Be Held In Camrose

The Camrose Canadian and the Camrose Ski Club are sponsoring the second annual Camrose Ski Gallop on Sunday, January 6th, 1980 at the Camrose Ski Hill.

This cross-country ski competition stresses fun rather than competition with 10 categories in which any and all skiers should fit.

The course is eight miles in length over beautiful countryside and will be constantly patrolled to see that no one gets in any difficulty.

Each participant will receive a ribbon and the top four in each category will be presented with a souvenir t-shirt.

The areas of competition are as follows: men and women racer - 17 years and older; intermediate men and women - over 16 years of age; juvenile women and men - 12-16 years and beginners which takes in men, and women of all ages; senior men - over 50 years and children - under 12 years.

Entries will be accepted on the day of the race. The race is sanctioned by the national cross-country ski association.

The Ski Gallop is arranged as an outing in which the entire family and participate.

$10 Lottery Now - Super Loto

The game, previously under the jurisdiction of the Federal Government will continue in 1980 administered through the Interprovincial Lottery Corporation. The regional organization in Western Canada is the Western Lottery Foundation.

Super Loto, in many ways remains unchanged. The price stays at $10.00. Tickets will be pouched, instant prizes will be available and the grand prize will still be a million dollars.

Every $10 Super Loto ticket gives you 10 chances at one million dollars and all ten numbers drawn allow for subsidiary prizes paying from $50 to $10,000. Instant prizes will be available too, ranging from $20 to $10,000 or a bonus ticket.

Super Loto offers 6 main draws per year, with a preview draw as a special feature. One of the few changes to the $10 lottery is the draw method. Super Loto numbers will be generated by the Ryo-Catteau machines, familiar to Western Canadians as those used in th Provincial and Western Express lotteries.

Revenues from the sale of Super Loto tickets is realised by each province in proportion to sales, thus supporting a variety of local community programs. As well, Super Loto will provide funds to the Government of Canada to assist sports and cultural projects of national interest.

The above scene of a swather in operaton near Castor placed third out of 32 entries in the class for scenes of harvesting and elevators – one of eight classes in the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. The winning picture was submitted by Herb Zinger of Castor who collected $15.00 for his efforts. A major prize winner in the two previous contests sponsored by BRTA., Zinger was the second highest winner in this event, cornering a total of $105.00 in prize money.

Children love cone-cups

Most youngsters love cupcakes . . . buy love to eat 'em . . . they love to bake them. Christmas "cone cups" are fun and a marvelous treat, iced and decorated with bright holiday garnishes.

Fill flat-bottom ice cream cones half full of cake batter and bake in a slow oven on a cookie sheet. Serve plain or iced, and best of all, there are no crumby cupcake liners left over. They're also great to have along on a car trip for a snack, and again, no litter!

KINSELLA HOTEL

Music by the Hammermasters

Vialta Lodge

On Monday afternoon, Father John and the ladies of the Catholic Women's League visited the lodge to sing carols and serve a delicious lunch, candy and oranges. Everyone would like to say thank you for coming. We enjoy your visits.

Mr. Adolf Dorin left by train on Sunday for B.C. to spend Christmas with his brother and family.

Mrs. Holm is also spending the holiday season with the family.

Several residents from Vialta spent an enjoyable afternoon Sunday with relatives and friends at Parkland celebrating Christmas.

Our sympathy is extended to Mrs. Sorenson on the sudden passing of her nephew.

Gordon W. Bullymore

The Alberta Gas Trunk Line Company Limited announces the appointment of Gordon W. Bullymore to the new position of superintendent, community relations, within the company's gas transmission division.

As community relations superintendent, Mr. Bullymore will continue to have responsibility for community liaison and will assume expanded responsibilities for the division's community relations program and field donations and sponsorships. He is headquartered in Edmonton and reports to T.N. Belus, division vice president.

Mr. Bullymore joined ATCO in 1972 as superintendent for the Edmonton area. Prior to that he was with the provincial government.

In making the appointment, division vice president and general manager D.G. Hanson noted: "The division is keenly aware of the importance of its role in community relations throughout the province and is confident that this appointment will enhance the continuing emphasis on that program."

NOMINATING NOTICE

Section No. 53 - Election Act

COUNTY OF BEAVER NO. 9

Public Notice is hereby given that I will attend at the County Office in Ryley, Alberta on Friday, the 4th day of January, 1980 from 10:00 o'clock in the forenoon until 12:00 o'clock noon.

For the purpose of receiving nominations of candidates.

For the Office of Councillor for Division 3 (Three).

Given under my hand at Ryley, Alberta this 14th day of December 1979.

A. Robert Cross
Returning Officer

Federal Business Development Bank Lending Is Up Sharply

In the six months ended September 30th, the first half of its current fiscal year, the Federal Business Development Bank authorized 726 loans for $50,819,000 to small businesses in Alberta.

This was an increase of 77 per cent in number and 91 per cent in amount over the same period a year ago when the bank approved 410 loans for an amount totalling $26,563,000. At September 30th, FBDB showed a total of $173,054,000 outstanding in loans, investments and guarantees to 3,518 enterprises in Alberta.

The Federal Business Development Bank was established by the Government of Canada to assist the development of small business enterprises across Canada by providing them with financial assistance and management services.

During the past six months in Alberta, the CASE counselling service of the bank which assists businesses to improve their operations received 729 enquiries and CASE counsellors completed 497 assignments.

The bank conducted 55 management training seminars in Alberta centres for owners and managers of small businesses.

Federal Business Development Bank also provided information about business assistance programs sponsored by the federal government and others and refers enquiries to the appropriate government representatives.

ALBERTA GAS TRUNK LINE

Canadian Pork Sales

"Canadian hog marketings and settlements will continue to be in the existing imperial system next year", says Stan Price, Chairman of the Alberta Pork Producers Marketing Board. "This decision has been made as the result of a lack of direction, and confusion concerning deadline postponements," claims Mr. Price.

As a result of the metric requirement not being enforced at the retail level, all meat packer to retailer meat sales will stay with the imperial system.

Early this week, Canadian meat packers requested that Canadian pork producers live with the current system for one year. "In view of the government not giving us firm direction, the Canadian Pork Council, on behalf of pork producers, has agreed that the present grading table will continue in effect."

The planned new metric grading table, plus metric hog sales, will not likely be put in place until January of 1981.

Holden News

The Holden Parent Nursery will hold their Christmas party on Wednesday, December 19. The Parent Nursery was formed earlier this year and has enjoyed a very successful season. After the Christmas party the next Parent Nursery will be held on January 9, 1980. Newcomers are always welcome.

The Holden Skating rink was flooded over a week ago when the colder weather settled in. Local skating and hockey will be underway soon. Old Timers Club and the Holden Beavers are also planning their season of practices and games.

In Holden one meets with women employed in various jobs. On Friday, December 15, during a blizzard and below zero temperatures, Shirley Munsterman of Camrose was doing her job very efficiently. She is employed with Northwestern Utilities and was reading the Gas Meters. Shirley stated that this was her second trip to Holden, reading meters, but that she has been employed with Northwestern Utilities for two years. She also stated that she enjoyed her work and she didn't seem to mind walking through the many drifts as she went from home to home.

A woman reading the gas meters is very new to Holden as this has always been a "man's job". Dennis Cooper of Northwestern Utilities stated that Holden has had gas heated homes ever since 1923.

The Homemaker

By Maureen Bauman, Dist. Home Economist

Half the fun of Christmas is in getting all prepared. There's the baking, shopping, cleaning and tree decorating. Children like to get involved too.

Making Christmas tree ornaments is one way to involve the whole family. These ornaments can be made just like playdough - only you bake them.

Mix 2 cups of flour, 1 c. of salt and about 1 c. of water in a mixing bowl. Form a ball and knead it about 10 minutes until it's smooth and firm. Add a bit more flour or water if dough is too sticky or dry.

Roll out the dough and the kids can cut our shapes with cookie cutters, cardboard shapes, a pizza cutter, etc.

To bake the ornaments, place on a greased cookie sheet and put into a 350 degree F. overn. Cook for 45 minutes to an hour, or until the dough is dry and hard. The dough will puff a bit - watch for big bubbles and poke them.

When the ornaments cool, paint with shellac, varnish or acrylic paint to seal and preserve them.

Don't forget to leave a hole to place a string or hanger through them.

Bruce News

Winners of the last senior citizen's whist drive were Ellen Davis and Hank Ohlhuisen. Consolation prizes went to Lillian Biegel and Tom Dwyer.

Brian and Jackson Starky of Cawston, B.C. have been visiting relatives here. After experiencing several days of the extremely cold weather they will probably be happy to return to the Okanagan.

Friday: Dec. 21, 79 - 10 a.m. to 5 p.m.

Traffic Accident Summary

The Alberta Safety Council reports that a study carried out by the Alberta Transportation Safety Branch covering the period January to September 1979, reveals that traffic fatalities increased by 32.5 per cent. 489 persons lost their lives during this period compared to 369 in 1978.

These deaths resulted from 401 fatal accidents. 395 fatal accidents occurred on primary highways, 105 in urban areas, 59 on district roads and 32 on secondary roads. The number of fatalities on primary highways reached 268; in urban areas 122; district roads 70; 35 died on secondary roads.

63.5 per cent of these fatal accidents, for which data on weather conditions are available, took place under clear conditions; 18.5 per cent under cloudy conditions; 8.9 per cent under adverse conditions of rain, snow, sleet or hail, and 4.3 per cent involved other conditions such as fog, smoke, dust, smog, strong winds, etc.

Analysis of 1979 fatal accidents indicates that an overall increase of 36 per cent occurred in the truck categories. Accidents involving pick-up trucks, under 8000 pounds, increased by 21 per cent, from 99 during the first 9 months of 1978, to 120 in 1979.

Truck accidents involving vehicles of 8000 pounds and over increased from 22 to 41, or by 86 per cent.

Motorcycle fatalities are also on the rise. Twenty-five motorcycles were reported involved in fatal accidents compare to 20 over the same period last year, which is a 25 per cent increase.

With the holiday season just ahead, many people are planning to travel to visit friends and relatives. The Alberta Safety Council suggests that preparation of both vehicle and the driver are of prime importance.

Most people know that it is common sense to insure lights, wipers, heaters etc are functioning properly and that tires must be in good condition. They are also aware that there should be winter provisions in the vehicle - blankets, sand, flashlights etc.

However, how many think about getting the driver prepared? Many take off on a long drive as soon as the driver comes home from work. A hard day at work, along with an inadequate dinner, hardly produces a well-rested driver.

Each driver who takes to the road is responsible for his passengers and other users of the road. It is not a responsibility to be taken lightly. Every driver must allow adequate travel time to cope with changing conditions; be knowledgeable about defensive driving and be willing to share the road with others.

Lieutenant Governor's Christmas Message

Today Christians throughout the world will be celebrating Christmas. This should be a happy event with families together,- young and old sharing happiness and goodwill.

Let us just stop and think of the people less fortunate than ourselves. Many people throughout the world live in a constant state of hunger and poverty. Maybe we can help in a small way to improve these conditions.

Then there are some at home who are alone, and feel abandoned, some who are sick, and some who haven't the money to make a really Merry Christmas for their little ones.

If all of us could spend a little time and a little money, maybe a call, a few candied for the children, add a little to their Christmas dinner, I am sure that the pleasure of doing so would be ample reward.

I expect to spend X-mas with my family, daughters, son and numerous grandchildren, which is as it should be, and I hope that everyone of you have family, friends and merry company for this great day.

Merry Christmas and God Bless You.

Frank Lynch-Staunton

Yule Legends

French peasants believe that a daughter, born on December 25th, will be wise, witty and virtuous.

WARNING

CAMP WAINWRIGHT RANGES

Day and night firing will be carried out at the Camp Wainwright Ranges, Province of Alberta until further notice.

Camp Wainwright is situated in Townships 42, 43, 44 and 45, Ranges 5, 6, 7, 8 and 9, west of the fourth meridian and the danger area of the firing ranges is clearly defined by DANGER Signs.

The danger area of the firing ranges comprises of all land within the boundary of the Camp including statutory road allowance lying within the aforementioned boundary.

SAVING AND EXCEPTING THEREOUT AND THEREFROM

The travelled roadway which intersects the Northerly boundary of the Park between Sections 8 and 9, Township 43, Range 6, west of the fourth meridian and which roadway continues in a southerly southeasterly and southerly direction to the south boundary of the Park.

STRAY AMMUNITION AND EXPLOSIVE OBJECTS

Bombs, grenades, shells and similar explosive objects are a hazard to life and limb. Do not pick up or retain such objects as souvenirs. If you have found or have in your possession any object which you believe to be an explosive, notify your local police and arrangements will be made to dispose of it.

No unauthorized person may enter this area and trespassing on the area is strictly prohibited.

Play The New Provincial

Come January, when advertising invites Western Canadians to "Play the New Provincial", the emphasis on "Play" will indeed, be deserved.

The $5 game, drawn each month, offering 18 grand prizes including 3 of $1 million, will underline the fun aspect of participation.

The Western Canada Lottery Foundation, in announcing their co-administrative jurisdiction on the nationally known $10 lottery, now to be called Super Loto, also released prize details on the new Provincial. While Super Loto remains much the same the design of the Provincial changes dramatically.

The popular Scratch and Win feature, offering instant prizes from a free ticket to $1,000 remains, but after that it is a whole new lottery game. Each ticket will show a four-digit green number designated by the letter "A", followed by a three digit red number adjacent to letter "B", and finally, a three digit blue number identified by the letter "C".

Simply match colour sets of numbers on your ticket to those drawn and you win..... from the thousands of prizes of $25 and $100 to the 12 prizes of $100,000 the 3 of one-quarter million dollars of the 3 of 1 million dollars.

The first draw of the new Provincial takes place on Sunday, January 27, 1980.

Of course, revenue realized by sales of the Provincial in each province, remains in that province to benefit a wide variety of worthwhile community projects.

Echo - Rodino News

Mr. and Mrs. Wes Banec and Donna Hellar took in a day of shopping in Edmonton.

Mr. and Mrs. Ernest Hellar of Edmonton visited several of their relatives in the area during the week.

Yvonne Greenwood accompanied her friends Jeanne and Heather Gillard to the city for a day of Christmas shopping.

Village Of Irma Council Minutes

A regular meeting of the Council of the Village of Irma was held in the Irma Village Office on Tuesday, December 4th, 1979 commencing at 7:00 p.m.

Present for the meeting were Councillors Barber, Dempsey, Jackson, Larson and Littlewood. Also present for the meeting were the Municipal Administrator, D.D. Creasy and Mr. Ernie Jacobson.

Regarding the minutes of the previous meeting, Councillor Barber objected to the wording of the minutes as published. He said that the following discussion relating to the proposed removal or relocation of the Cub and Scout Hall had been omitted. That is, Mr. Thurston asked Councillor Barber if he was on Council at the time the Cub and Scout Hall was built under the Centennial Program. Councillor Barber stated that he was, and that he felt that the building should not be touched. It was moved by Councillor Barber that the minutes as corrected be adopted. Carried.

It was moved that the accounts for the month of November, as presented be approved for payment. Carried.

Financial statement - Net balance at the end of the previous month 249.57. Receipts for the month totalled $65,468.09. Term Deposits $10,627.31. Disbursements - $62,517.32. Trust Account - Curling Club - $29,781.50. Trust Funds - Off-Site Costs $300.00. Net balance at the end of the month $16,462.89. It was moved that the financial statement as presented be approved. Carried.

It was moved that correspondence received from Thurston, Long & logan relating to utility services for the parcels in the East View subdivision under purchase agreement by Mr. Frank Shifflett be received and filed. Carried.

It was moved that correspondence received from the Battle River Tourist Association relating to information for facilities tourist guide be forwarded. Carried.

It was moved that correspondence from Alberta Travel requesting copy of brochure and other related information be forwarded. Carried.

It was moved that correspondence from the Alberta Municipal Finance Corporation relating to interest rates for debentures be received and filed. Carried.

It was moved that correspondence from the Alberta Alcoholism and Drug Abuse Commission relating to alternatives for alcoholic beverages be received and filed. Carried.

Items of correspondence from Rural Education and Development Association, Minburn Health Unit, Falcon Enterprises, Wainwright School Division #32 Board, CFCW Radio and the R.C.M.P. all be received and filed. Carried.

It was moved that correspondence from the Alberta Transportation relating to the proposed construction of a metal shed Pt. N.W. 28-45-9-W4th be received and filed. The said department has authorized the erection of this building as a private garage.

It was moved that correspondence from Mr. J. Guitner, H.R.H. Jr. relating to a financial proposition be received and filed. Carried.

Correspondence was received from Reynolds and Crarar, solicitors for Sahl Hill Holdings confirming that the sale of the curling rink site has now been fully completed and that funds have been released. Moved that the said funds be deposited in trust reserve account. Carried.

Correspondence was received from Alberta Transportation advising that a subdivision application by Mr. Larry Marshan Pt. NW. 28-45-9-W4th has been refused on the grounds that no area plan has been prepared. Moved that this correspondence be noted and filed. Carried.

Correspondence was received from Current Planning requesting Council's comments on a proposed subdivision and general plan for Pt. S.W. 34-45-9-W4th. Moved that the following information of be required. 1. The location of the existing buildings. 2. Minimum lot width of 50 feet shall apply. 3. Comments from other property owners. 4. Provisions as set out in Land Use By-law No. 499 shall apply. Carried.

Mr. Ernie Jacobson was present to discuss the statement of account for the servicing of his residential property. He stated that in view of the fact that the village had prior to the passing of By-law No. 495 at the beginning of the year assumed the cost of servicing properties, that the servicing of this property should also be borne by the village.

The development agreement entered into between the developers of the East-view subdivision and the Village states that all development costs shall be borne by the developer, that is the development of roads, utilities and other related costs. Mr. Jacobson then took his leave from the meeting.

Building Permit Application: Moved that the Application as submitted by Mrs. A.M. Wolosiak for an addition to the dwelling Lots 27/29, Block 8, Plan 2560 be approved subject to the requirements as set out in the Alberta Uniform Building Standards Act. Carried.

Annexation: Moved that Council petition the Local Authorities Board to annex the parcel of land purchased from Mr. R.W. Thurston into the Village. Said parcel to be consolidated with the fairgrounds property. Carried.

Recreation Board Representative: Moved and carried unanimously that Mr. Ralph Mark be reappointed Irma Recreation Board representative at large from the Village.

The Municipal Administrator advised that the property owners on 51 Avenue between 48 Street and 49 Street desire to prepay the servicing cost for water and sewer services. Funds for prepayment have now been collected. Moved that Council has no objection to the proposed retirement of the debenture in question. Carried.

By-law 506: This By-law has been prepared to provide for penalties to persons interfering with the Animal Control Officer or attempting to remove an impounded animal from the pound. Moved that By-law No. 506 pass its first reading. Carried. Councillor Barber opposed. Moved that By-law No. 506 pass its second reading. Carried. Councillor Barber opposed.

Ronjom Well: A lease agreement authorizing the letting of the old observation well to Mr. Wayne Ronjom was read at this time. Moved that the said agreement be presented to Mr. Ronjom and upon acceptance, that the Mayor and the Municipal Administrator be authorized to execute same on behalf of the village. Carried.

Local Improvement: The Municipal Administrator advised that property owners opposing the proposed street improvement program, represented $36,229 in land value. 50 per cent of the land owners concerned amounted to $33,555. The proposed local improvement was defeated. Moved that this information be noted and filed. Carried.

A discussion ensued relating to the replacement of the motor grader and a brochure setting out specifications and other pertinent information be noted and filed. Carried.

Jacobson Service Lines: After some deliberation it was moved and carried that Mr. Jacobson request that the Village bear the cost of servicing his property with water and sewer be refused. Carried. Councillors Barber and Littlewood opposed.

A discussion ensued relating to the street program for 1980. The Administrator was directed to obtain costs for materials and other related costs at the earliest possible date.

The foregoing concludes business before Council and the meeting was adjourned.

The Government of Alberta has introduced a new program to assure a guaranteed level of income for Alberta's severely handicapped.

The maximum level of benefit per month as of December 1, 1979 is $370. A modified handicap benefit will be available to severely handicapped persons living in designated facilities such as nursing homes or auxiliary hospitals. In addition to financial benefits, recipients, their spouses and dependent children will be covered for Alberta Health Care Insurance Plan, drugs, optical and dental care.

You may be eligible if:

- you have a severe handicap that substantially limits your ability to earn a livelihood;
- your condition is permanent and one for which there is no remedial therapy available in Alberta;
- you are 18 years of age or more;
- you are not eligible to receive benefits under the Old Age Security Act;
- you are at your maximum employment potential and have fully utilized all rehabilitative resources available within the province of Alberta.

Assured Income for the Severely Handicapped

Income of an applicant and spouse is taken into consideration in determining eligibility and level of benefits. Assets do not determine eligibility or level of benefits.

The new program came into effect December 1, 1979. To apply for benefits, you must have an application completed by a social worker and have a medical report completed by a physician.

For further information or an appointment with a social worker, contact your nearest district office of Alberta Social Services and Community Health or write:

Strawberry Plains W.I. Report

The December meeting of the Strawberry Plains W.I. was held at the home of Mrs. Harry Long. The meeting was called to order at 2:10 p.m. by the President, Betty Pannier. The meeting was opened by the singing of "Hark The Herald Angles Sing", followed by the repetition of the creed.

Minutes of the previous meeting were read by Esther Creasy and were dealt with.

The treasurer's report was given by Bernie Long and was received. A motion was passed that all outstanding bills be paid.

Correspondence received was then read by Esther Creasy. A letter regarding the conference being held at the Grey Nuns Centre was tabled until the next meeting.

Doreen Hill gave a concise report from the "Federated News". Roll call was answered by a penny for every phone call you had made that day.

Esther brought the raffle which was won by Ethel King.

Doreen Bell will provide the raffle for the January meeting which will be held at the home of Mrs. Martin Creasy who will also be hostess.

Minnie Jackson had a birthday that month and so had to donate to the birthday box. Mystery Pen Pal names were drawn for the coming year.

Doreen Hill was Santa Claus and handed out gifts after which a delicious lunch was enjoyed. This was served by Bernie Long. Everyone enjoyed this, the first meeting in Long's new home.

Irma & District News

Norman Fluevog while on the way to Edmonton on Thursday, December 6th, was amazed when just west of Hruce on the south side of the highway, he saw a farmer cultivating with a four wheel drive tractor which was constructed from two 820 John Deere tractors made into a real power unit. The unit was pulling what looked like a 25 ft. heavy duty cultivator with harrows behind and doing a nice smooth job. Norman, who is an old-timer, said he had never seen land being cultivated so late in the year before and said it was hard to believe.

Isabel and Eldon Fenton, daughter Elfreda and son-in-law Mervin Stephenson arrived home to Irma from a brief holiday in Hawaii on Thursday morning, December 13th.

Lorna and Eddie Jacksons second boy, Charlie, has joined the R.C.M.P. and is in training at Regina.

Lorna Jackson arrived by train in Wainwright at 8:30 p.m. on Sunday evening from Winnipeg where she had been visiting with Phyllis, Rick and Noreen.

Edith and Art Gwinn visited with Grandma Routledge in Killam one day last week and also spent last Sunday in Hughenden with Faye and Duke Sather and Robert and Darlene Cornforth.

Card of Thanks

My sincere thanks to the kind friends for the visits, cards and gifts of fruit, flowers, and candy which I received during my stay in the Wainwright Hospital. Your thoughtfulness was much appreciated.
Ella McRoberts 45p

Card of Thanks

We wish to extend our sincere thanks and appreciation to our relatives, relatives and neighbors for the their kindness and help, messages of sympathy, mass offerings, beautiful floral tributes, cards and memorial donations to the various charitable organizations during the recent death of our husband, father, and grandfather, Walter Lukawecki.

Special thanks to Rev. Father Jan Sisako for arranging and conducting the prayer and funeral service, to Rev. Father John Nowakowski and Father Joe Leszczynski, the pallbearers, the organist, the choir and director and ushers. Many thanks to St. Gregory's C.W.L. and other helpers for the organization and help with the lunch and dinner. Sincere thanks to Dr. Kuzyk and staff of the Vegreville General Hospital; to Dr. Stefanyk and Dr. Pawluk and staff of the Edmonton General Hospital and to Dr. Peterson and staff of the W.W. Cross Cancer Institute. Thanks to Park Memorial of Vegreville for all arrangements. Your kind acts and thoughtfulness will long be remembered.
The Lukawiecki family 45c

Christmas Message From Former Mayor

Hold it, slow down and have a coffee, rest from your hurried Xmas chores, relax for just a minute with us.

Isn't it funny how time slips by when one grows one year older? Which reminds me of a saying by someone wiser than I.....

"Youth is not a time of life....It is a stage of mind.... nobody grows old by merely living a number of years..... people grow old only be deserting their ideals..... years wrinkle the skin, but to give up enthusiasm, wrinkles the soul".

So folks, that's the way I feel, full of enthusiasm and enjoy each day as it comes, with lots to do and others demanding my time for services I can render for their needs.....and that's what it's all about....Don't you think? If you are wanted and needed, make the most of it, this is the answer to being young of mind. I have been busy with softball, travelling the country conducting clinics and umpiring several tournaments, also clinics on arena management and it is fun.

1979 has been a good year for us both. We celebrate 50 years of married life on December 26th, 1979. How about that, imagine putting up with a character such as me. But she looks good even at that. But raising five wonderful children was the other hall of life. Mrs. Ras was the one who took charge teaching and caring for their needs while I attempted to provide a home etc., working at various occupations, office clerk, station agent and telegrapher, a janitor, managed lunch counters, later owned a lunch bar. Finally became manager of the Edmonton Exhibition Association Arena and outside concession manager during Klondike Days. Retired six years ago and haven't missed it a bit.

So folks, it has been a very challenging and satisfying, as well as successful life for the two of us and the results have shown that we are still young and enjoying living.

Well, folks, what about all of you.....is life good to you and are you enjoying life to the fullest? If so, pass it on to others.

Mrs. Ras and I do hope that 1980 will be the best year ever in Health, Happiness and every success in whatever challenge comes your way. By the way, drop in when you can. do you hear? God Bless
Laurie & Mildred Rasmussen

Do You Know The Bible Says

By Mrs. W. Myers

Jesus Christ whom having not seen, ye love; in whom though now ye see Him not, yet believing, ye rejoice with joy unspeakable and full of glory. 1 Pet 1:8..... Christ in you the hope of Glory. Col. 1:27b

In times like these you need a Saviour. In times like these you need an anchor. In times like these you need your Bible. Jesus is the anchor and we can read all about Him, especially in the New Testament.

Those who have taken Him as the Anchor of their soul and the Lord of their life, can face the world situation without fear, in fact they can rejoice knowing that our Sovereign God knows all about it and although it is bad, and getting worse, He is still in control.

This is the secret of the joy and peace of Christians. The unsaved people know nothing about this joy and peace.

Many are seeking for enjoyment in a multitude of ways, but they will not have a deep down peace until they receive Christ....The Prince Of Peace.

They shun Jesus Christ because they have the mistaken idea that they would have to be long faced and religious; having no fun and living a morbid life. The difference between having religion or having Christ is that Religion is mans effort to rach God and Christ is God's effort to reach man.

A saved child of God doesn't claim to have religion, it is a distasteful word. Christ is all and all to a child of God. Religion is dead; Christ is life. Because Christ is life, his abiding in the heart of His followers gives them real enjoyable life and existence. Christ means happiness and joy and peace.

Marvel not at this for the hour is coming, in which all that are in the graves shall hear His voice and they shall come forth. They that have done good, unto the resurrection of life and they that have done evil, unto the resurrection of damnation. John 5:28, 29. Christ is the good in every Christians life. Friend, which resurrection will you be in?

Viking Bantams Play Lougheed

On Saturday, December 15, the Viking Bantams travelled to Lougheed for their league opener. The nine players who did brave the weather conditions put in a good hard game.

The only goal of the first period was scored by Ken Cikaluk of Viking with Ian Erickson assisting.

Viking scored three more goals in the second period. Darren Josephinson opened the scoring with Ian Erickson assisting. Ian Erickson scored the second goal with Darren Josephinson assisting. The third goal was scored by Ken Cikaluk with Randy Graham getting the assist.

Lougheed finally retaliated in the third period with Kevin Martin scoring, assisted by Scott Cookson. Viking came back with three quick goals. The first by Rocky Hanson, unassisted and the next two by Ian Erickson, assisted on one by Randy Graham and Darren Josephinson and the second one unassisted.

The final goal of the game came from Lougheed's Lloyd Cox, assisted by Brian Teers and Kevin Martin.

The final score in this game was Viking 7 - Lougheed 2.

Irma Pee Wee Hockey

On December 15th, the Irma Pee Wee team played host to the Wainwright Stampeders coming out on top with an 11 - 7 win.

Scoring in this game was handled by Darren Archibald with a total of five goals, Randy Gainie followed with three and Doug Fischer, Ronnie Boomhower and Richie Wolcoiak each scored one.

The team would like to remind the hockey fans of our area that they can come out and watch the action every Saturday at 2 p.m.

On Sunday, December 23, the Irma-Wainwright Pee Wees are hosting the Sherwood Park Pee Wees at the Irma Arena. The game will get underway at 11:00 a.m. and there's always room for one more spectator.

Weekly Inspirational Corner

If ye love me, keep my commandments.

And I will pray to the Father, and He shall give you another Comforter, that He may abide with you forever;

Even the Spirit of truth; whom the world cannot receive, because it seeth Him not, neither knoweth Him: but ye know Him; for He dwelleth with you, and shall be in you.

I will not leave you comfortless: I will come to you.

Yet a little while, and the world seeth me no more; but ye see me: because I live ye shall live also.

St. John 14: 15-19

Viking Gas King Hockey Report

The Viking Gas Kings began league play with a game against the neighboring Irma Aces. The game played on home ice, chalked up a victory for the Gas Kings with a 4 to 1 win over Irma. Scoring breakdown for Viking is as follows: Wemp - 2 ; R. Nashead -1; and Melarsey - 1. Assists went to Lefsrud and Harry with two each and R. Rattray, G. Rattray and B. Quinton with one each.

The second season game was played at the Rosalind arena with the host team defeating the Gas Kings by a one goal margin. The final score here was Rosalind 3 - Viking 2. Blair Quinton handled the scoring for the Gas Kings with assists from R. Rattray, L. Laskosky and K. Malarsey.

Game three was again played on home ice. Viking tallied a total of 11 goals while the visiting Hughendden team scored only 3. Goals - G. Rattray 4; McGinitie 2; Naslund -2; and L. Laskosky, R. Rattray and D. Winesura with 1 goal. Assists went to McGinitie -2; R. Rattray - 2; G. Rattray -1; L. Laskosky - 1; D. Winesura -1; B. Quinton -1; M. Laskosky -1; Melarsey -1 and Wemp -1.

Sedgewick played host to the Viking Gas Kings in their fourth game. Viking again took this game with a 7-5 win over the Sedgewick Sabres. Goal scoring was handled by G. Rattray and M. Wemp with two goals each and L. Laskosky, K. Melarsey and B. Quinton with singles. R. Naslund and R. Rattray received 2 assists each, while L. Laskosky, K. Lefsrud, G. Rattray, K. McInroy, M. Wemp and G. Bodnar all received one assist.

Two New Features Added To Viking Gas Kings Games

An added attraction featuring fan participation was introduced at last Saturdays home game. All fans purchasing a 25 cent, numbered program listing each teams line up, has a chance to participate in "Score". During the second and third period intermission, one lucky number is drawn and the holder of the corresponding numbered program is given three pucks to shoot at the "Score" board. These shots are all taken from the blue line.

"Score" is sponsored by the Viking Hotel, beginning with a $25 Jackpot. Added features are the $20 grocery hamper compliments of Viking I.G.A. and cases of Pop Shoppe pop, compliments of Howery's Auto and Farm Supply.

Holder of the lucky program number last saturday, was David Zarski, who after making his three shots, was the winner of a case of pop shoppe pop.

A new feature this season is the Willmark Motors trophy which will be presented at the end of the season. All players on the Viking Gas Kings line-up are eligible and the winner will be determined on a point basis. Points are allotted on the following basis: 15 points - 1st Star, 10 points - 2nd star and 5 points 3rd star on all home and away games.

Leading players for Willmark Motors Trophy

1. B. Quinton	30 points
2. G. Rattray	25 points
3. L. Laskosky	20 points
4. M. Wemp	15 points
5. R. Rattray	10 points
6. R. Bitterl	10 points
7. K. McInroy	5 points
8. R. Nashund	5 points

Hockey fans are reminded that the next home game will see the Gas Kings meet the Hardisty Stampeders at the Carvena on Wednesday, December 19. (tonight)

Viking Mites Start Strong

Nineteen young "hockey stars" are registered with the Viking Mites for the 1979 80 season.

Coaching the team this year are Brian Wiechnik and Bill Kamphuis. Following several practices and many reminders of the "no body contact" rule change, the team began exhibition play.

Their opening game, played on home ice on Saturday, December 1st produced a 10 to 4 victory over Tofield. Scoring for Viking were Orin Maxwell 3 goals, Jason Clouston, Darin Antos and Cory Siermachesky, 2 each and Cory Clouston a single.

Viking's second game also ended in their favor with a 7 to 1 victory over the visiting Irma team. Point getters in this game were, Dean Habrle 2 goals, Cory Siermachesky 2 goals and Cory Clouston, Cory Wiechnik and Doug Taylor with singles.

Paying a return visit to Tofield on Saturday Dec. 8th Viking met defeat. Tofield opened the scoring in the first period and had the edge throughout. At the end of the game the scoreboard showed a total of 6 goals in their favor while Viking scored 3. Scoring singles for Viking were Doug Taylor, Cory Clouston and Cory Siermachesky.

On Saturday, December 15th, the Viking Mites played host to Wainwright. The game which got underway shortly after noon, once again found Viking heading the scoring to secure a 10 to 4 victory.

Scoring summary show Cory Clouston with 4 goals, Darren Anto and Jason Clouston with 2 each and Cory Winter and Robin Naslund each scoring one goal.

The Viking team will play their next game on Irma ice on Thursday, December 20. See you at the game.

The WEEKLY REVIEW
Second Section Volume 2 No. 46

Glad voices ring out in harmony and joy as we greet this most glorious of seasons! We join our good friends and neighbors in singing a carol of peace and goodwill... love and tranquility... and wish them an inspired and blessed Christmas.

GREETINGS TO ALL

The Weekly Review

Once again, it's Christmas! May the inspiration of this Holy season bring a new understanding of peace and goodwill to the hearts of all men!

My wife and my family join me in extending our warmest and most sincere good wishes that the festive season may bring love--hope and happiness to everyone!

Merry Christmas & A Happy New Year!

Don Mazankowski, P.C., M.P.
Minister of Transport
and
Minister Responsible for the Canadian Wheat Board

Regular Meeting Viking Town Council

A regular meeting of the Viking Town Council was held on the evening of December 5th, 1979 in the Viking Council Chambers.

Present for the meeting were Mayor S.A. Hafso: Deputy Mayor M. Stephenson, Councillors K. Midbo, L. Josephison, R. Labreche, W.R. Taylor and R. Evans and Acting Administrator L. Hansen.

The meeting was called to order by the Mayor at 7:10 p.m.

W. R. Taylor moved that the minutes of the Regular Meeting of November 7th, 1979 be accepted. Carried. R. Evans moved that the minutes of the Special Meeting of November 14, 1979 be accepted. Carried. K. Midbo moved that the minutes of the Special Meeting of November 28, 1979 be accepted. Carried.

It was moved that the General Government Committee review applications for the position of secretary and make their recommendation to Town Council. Carried.

It was reported that the posts have been positioned along the north alley so the fence can be set out in the spring.

L. Hansen reported attending the Administrator's Workshop in Vegreville on November 28, 1979.

It was moved that the matter of the 75th Anniversary Celebrations be turned over to the Chamber of Commerce. Carried.

The Mayor reported that plans have been made to the Annual Christmas party to be held at Sylvia's Steak Loft at 6:30 on December 12, 1970.

It was moved that an order of 1000 Business Licences and 1000 Business License application forms be placed with The Weekly Review. Carried.

The financial statement for the month of November was presented showing a net balance at November 30th, 1979 of $642,275.61. Of this amount $622,700.00 is in Term Deposits. Receipts in November were $13,290.70 and disbursements amounted to $91,584.63. Requisitions in the amount of $36,298 are due in December to the Department of the Environment for water pumping in 1978, the County of Beaver for the School Supplementary Requisition and to the hospital. The statement was accepted on a motion by R. Evans. Carried.

It was moved that the accounts be paid with the exception of a towing bill from Gulf Service Station and an invoice from Mr. Dorman. Carried.

Water samples taken from the site of the water pumping showed some coliform bacteria present. No reports had been received from water samples taken from the Town water supply.

Applications for building permits had been received from the following: E. Kjelland to construct a 12 ft. by 25 ft. addition to the back of his present garage on Lots 3,4, & 5, Block 14, Plan 1174W. R. Baldwin to construct a residence (7800-6400 x 18060) on Lot 6, Block 38, Plan 772 0614. J. Antos to construct a garage 14 ft. by 24 ft. on Lot 7, 8, Block 9 Plan 1174W.

It was moved that a letter be written to Alberta Transportation requesting an interim payment re: the Streets Assistance Grant. Carried.

It was moved that invoices from the street paving project be paid after the term deposit matures on December 21, 1979. Carried.

It was moved that the services of a firm be obtained to conduct a dog count survey within the Town. Carried.

R. Evans reported that he had spoken to the agent handling the Humphries property but still had nothing concrete to report.

It was moved that the Town of Viking purchase Lots 36 and 40, Block 7, Plan 1174 W for the sum of twenty thousand dollars. The motion carried.

It was reported that no word had been received from the owners of the Loughlin property in reply to correspondence to them. It was moved that a letter be written to arrange a meeting between Mrs. Purvis and Dr. Loughlin and the Town of Viking Council. Carried.

Cicon Engineering is to be contacted to assist in obtaining price quotes re: trenching of buried cable for the upgrading of Street lighting on Main Street.

By-law No. 333, amendment to Zoning By-law No. 245, having received first and second reading at the November 14th, 1979 Special Meeting and having no objection heard at the Public Hearing on December 5, 1979 was presented for third reading. It was moved by M. Stephenson that By-law No. 333 be given third and final reading. Carried.

By-law No. 334, Business Licensing By-law was presented. Council perused the proposed By-law and made some changes.

It was moved that this By-law No. 334 receive first, second, third and final reading at this meeting. Carried unanimously.

It was moved that the General Government Committee look after advertising the Business Licensing By-law so that the public and business people are informed of the change from the business tax to the Business Licensing system. The motion carried.

Proposed By-law No. 335, A by-law appointing a Municipal Administrator, was read before Council.

It was moved that the proposed By-law No. 335 be given first, second, and third and final readings at this time. Carried.

It was reported that the P.S.S. Committee had interviewed the applicants for the position of P.S.S. director and had made its choice. The P.S.S. Director will assume the position as of March 1, 1980.

Correspondence from the Viking Child Development Society was referred to the P.S.S. Committee.

Correspondence had been received from Alberta Housing Corporation requesting the location of possible sites for an eight-unit senior citizen apartment. The letter advised that the project is not as yet approved by the Legislature. A map indicating the possible sites is to be forwarded to Alberta Housing Corporation.

A letter had been received from the Alberta Heart Foundation requesting permission from Town Council to hold the Annual Campaign in Viking during the month of February, 1980

Ken Midbo moved that Town Council grant this request from the Alberta Heart Foundation to hold their campaign in February of 1980. Carried.

Correspondence regarding a workshop for Councillors and Recreation Board members to be held in Medicine Hat on March 15-16, 1980, was tabled until a later date.

W.R. Taylor gave a report on a meeting he and R. Evans attended at Ryley on December 3, 1979. The Management Committee of the Beaver Regional Recreation and Parks Department had called a meeting to deal with the operation of the Arts Centre and Parks in the County.

It was moved that payment of the 3 mill levy regarding the capital loans in the amount of $12,969.93 be ratified. Carried.

K. McLeod of the Vegreville Health Unit had advised that the County of Flagstaff had established a new landfill site sixteen miles south of Viking. The Town of Viking was asked to consider joining in a Regional Landfill Site agreement with the County of Flagstaff. Council decided they would not enter into such an agreement at this time.

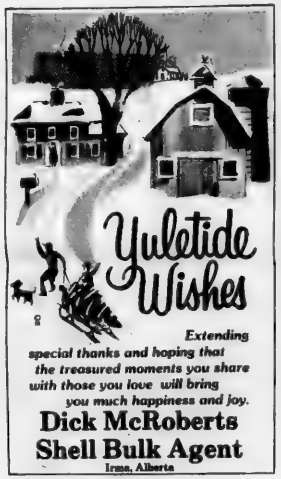
Council perused the lease agreement between Willmark Motors and Farm Equipment Ltd. and the Town of Viking for the two new vehicles being leased by the Town of Viking. It was moved that a letter be written to Willmark Motors and Farm Equipment Ltd., advising of several changes Council wanted made in the lease agreement. It was also to be requested that the present gas tank on the one-ton truck be changed to one that was suitable for the operation of the truck. Carried.

A special meeting date will be decided upon at the next regular meeting for Mr. Jamie Burr, Current Planning, Alberta Municipal Affairs, to meet with Town Council.

Information was to be obtained as to whether Town signs required to be re-luminised.

Calgary Power Ltd., was to be contacted immediately about having the Christmas Lights put up.

K. Midbo moved that the meeting adjourn at 9:30 p.m.



Extending special thanks and hoping that the treasured moments you share with those you love will bring you much happiness and joy.

Fast Family Food: Dining T6te-A-T6te

For today's life patterns, "Fast Family Food" is a concept that can't be beat. This entire meal takes less than an hour from start to sit-down-and-eat. It features a Thirty Minute Skillet Dinner to be served with a toasted green salad and for dessert, gingerbread or cake topped with Nutmeg Custard Sauce.

The Skillet Dinner consists of ground chuck and seasonings cooked in a rich sauce that gets its home-made flavor from canned, whole-peeled tomatoes, and juice. Allow this lively combination of ingredients to boil gently for five minutes; then add macaroni. Cover and cook ten or fifteen minutes more, or until macaroni is tender.

While the macaroni is cooking, you can make a marvelous Nutmeg Custard Sauce to serve warm for dessert over store-bought cake. Liquid instant nonfat milk gives the sauce a delicious richness without a lot of butterfat calories.

Combine milk mixture with beaten eggs as directed. Add vanilla and nutmeg for a distinctive flavor. Cover pan to keep sauce warm during dinner, but don't place the pan back over a burner. Note: this sauce is excellent cold too. Refrigerate leftover sauce. Serve it cold the next day over canned peaches or a fresh fruit compote of oranges and bananas.

Thirty Minute Skillet Dinner For Two
(Makes about 3 cups)

1 pound ground chuck
1/4 cup chopped onion
1 3/4 cups (14 1/2-ounce can) tomatoes, whole peeled
1/3 cup water
1 teaspoon salt
1/8 teaspoon oregano, leaves
1/8 teaspoon pepper
1 crushed garlic clove
1/4 cup (3 ounces) raw elbow macaroni

Brown ground chuck with onion in large skillet. Pour off fat. Add tomatoes and juice, water, salt, oregano, pepper, and garlic. Stir to break up tomatoes. Heat to boiling; boil gently 5 minutes. Stir in macaroni. Boil gently, covered, 10-15 minutes or until macaroni is tender.

Nutmeg Custard Sauce
(Makes about 1 1/3 cups)

1/4 cup sugar
1 tablespoon cornstarch
1 cup liquid Carnation instant nonfat milk
1 slightly beaten egg
1 teaspoon vanilla
1/8 teaspoon nutmeg

Combine sugar and cornstarch in small saucepan. Gradually stir in liquid instant milk. Heat to boiling, stirring constantly, until mixture just comes to a boil and thickens. Stir small amount of mixture into beaten egg; pour back into pan. Continue cooking, stirring constantly, until thickened. Remove from heat. Stir in vanilla and nutmeg. Serve warm over gingerbread or cake.

Wishing you all the blessings of a joyous holiday season. Sincere thanks now and all.

The Pencil Box

THE GREATEST ERROR

By Raymond T. Johnston

There is no doubt in this writer's mind that when the Creator finished his work of making mother earth and began to make its occupants, the greatest error was in the making of modern man. Where he derived the plans for modern man has completely boggled my mind. On the face of this planet there is no other species so ruthlessly parasitic as man.

Accordingly there was the making of Adam and Eve from which we all have descended. They weren't here very long and they sinned or so they tell us. No other species were noted for such immediate action; eating forbidden fruit! Take the other animals, they ate just what was necessary to survive. But man, no siree!

Now it wasn't long till this man started his demolition of all the Creator had previously laboured at. Adam and Eve tore the fig leaf off and became clothed. None of the other animals did that. You have never seen a gopher in a grass skirt, nor a porcupine wearing a smock of willow leaves.

Following that and in a very short time, man started to cultivate the Garden of Eden. Why? The Creator had already put the food there for man to eat. Some of it was posted "Forbidden" true, but there was lots that wasn't. But no, man had to eat the forbidden stuff. Out with the hoe and rake he came; he would produce an abundance. He would sell it to fellow men. While the other animals worked on survival, man worked on survival plus.

By the year 1976 A.C. man has worked like hell to bring all the Creator's accomplishments under his thumb. He has brought all the plant and animal life under his thumb also. He has even learned fellow man under his thumb.

Humans have ruined rivers and bodies of water, forests, plains, hills, mountains, valleys, jungles, deserts, creeks, lakes and tundras. Rivers have been dammed, lakes created and lakes drained, hills put into valleys and valleys put onto hills, jungles destroyed, forests de-troyed, deserts turned into gardens and gardens into deserts. You name it, and man has done it. Then still unsatisfied, he bore holes in the earth and has started taking the transmission oil out of the globe. The next thing that will happen is this earth will cease up refuse to spin.

Man even dug holes in the earth for metals such as gold and silver. He found he couldn't eat them, so he wore them. He bartered with them and fought over them. Wolves will fight over food, but I doubt they would fight over gas, oil, gold or other minerals. Animals will fight for the best food and shelter but they never endanger their own species over the common ground they stand on.

In this dire process men had to change every living thing around him. Animals were domesticated, cooped with, used, abused and exploited. Those that were useful were inter-bred and crossed until some sort of ideal was found. You have never seen a coyote managing a herd of sheep for the purpose of raising a sheep as big as an elephant. No, man has really gone to extreme with the Creator's animals. In fact on page 51, August 7, 1978 of MacLeans magazine, tells of the Ontario provincial government flying 300 Canada geese from Ontario to Tennessee because the birds wouldn't migrate. Unbelievable, isn't it?

To place mankind at worse than parasites is rather blunt. However, I will. The slave system of American history is one fine example. In every corner of the world you can trace modern man abusing his fellow man. Do lower animals kill their own kind like this? Oh!! Modern man is the highest order of the earthly alright!! Our order of intelligence is definitely the highest. Man pursues a course to out do fellow man in 99 per cent of all the things he does. He will squash everything and anything in his way to gain the upper hand.

Somewhere back it has stated, "Love thy neighbor". somewhere back there man lost all definition of the word "love". Modern man could not love a damn thing, he is to lost in his own selfishness to allow realistic feelings for anything else. In this process we find man tired, exhausted and worried.

We find ourselves trying to control time, production and results. Our eating, our efforts, our play, they are all controlled by this huge imaginary overseer that is self-created by our very existance. We have heart attacks and nervous disorders, diseases and discomforts, sleepless nights and overburdened days all because of this. Who has ever seen a bear bald from worry, a grey headed mallard duck or a pigeon coughing from too much smoking. Or a crow battered from a bar-room brawl or two magies dead on the ground from a mid air collision.

Yes, modern man's existance is quite a product all the way from the forbidden fruit to the splitting of the atom. Any beyond. I suppose all of man's deeds would have been hunky-dory if man had only created man. The Creator made one great mistake; he should have worked one more day and made some other creature that wasn't so damned determined to ruin the good things.

Making Old Fashioned, Spicy Gingerbread Men Cookies...

One of the special and most delicious customs at Christmas is snappy, spicy gingerbread men cookies. Since the whole family loves them, why not have the whole family join together in a happy baking spree? Here's our quick 'n' easy recipe:

Gingerbread Cookies:

1 cup packed brown sugar
3 eggs
1 cup margarine or butter, softened
1½ cups molasses
1 teaspoon salt
1 tablespoon baking soda
1 teaspoon ground cinnamon
1 teaspoon ground allspice
1 teaspoon ground cloves
1 teaspoon ground ginger
3 cups all-purpose flour plus 5-6 cups (for second later)
8" gingerbread man cookie cutter

Early in day: In a large bowl with mixer at low speed, beat first 11 ingredients, until just mixed, constantly scraping bowl with rubber spatula. Increasing speed to medium, beat 2 more minutes, scraping occasionally. Using a wooden spoon, stir additional 5 to 6 cups of flour into dough, to make it stiff. Divide dough in half and wrap in plastic wrap. Dough can be used immediately or refrigerated for up to two days.

Preheat oven to 350° F. On a lightly floured surface roll half the dough with a lightly floured rolling pin, until ¼" thick. With gingerbread man cookie cutter, cut as many cookies as possible. Using a pancake turner, arrange cookies on lightly greased cookie sheet, handling carefully. Bake 12 minutes until cookie edges are firm; loosen cookies from sheet and remove to wire rack to cool.

Reroll scraps and using remaining dough, repeat.

Using white frosting, prepared or your own home made favorite, and raisins, decorate gingerbread men.

Recipe makes about 2 dozen cookies.

SEASON'S CHEER

As Christmas lights the world, we hope your holidays will be happy and filled with joy and contentment. Thanks to you all.

delicious ways to save

Take it from Grandma. She knew poultry was one of the best buys around, and it still is.

As amazing variety of fare is possible with fowl. Every dish can be so different from every other that your family can enjoy chicken often.

As the 19th century French gourmet Brillat-Savarin put it, "Poultry is served to us boiled, roasted, fried, hot or cold, whole or in pieces, with or without sauce, boned, skinned, stuffed, and always with equal success."

Before trying out a new recipe, you should determine a bird's age. As a rule, young chickens are tender and delicately flavored, as well as ideal for roasting, grilling or sautéing—cooking methods that quickly seal in taste and preserve succulence.

Older birds are tougher but have a more pronounced flavor that can work to a meal's advantage when you gently braise or poach them with vegetables and seasonings. The stock you get is good for innumerable preparations.

Among many good suggestions you can find in a complete poultry cookbook like *Poultry*, from a Time-Life series called "The Good Cook," is a good way to test for age.

Press the fowl's beak and breastbone. If it's flexible, the bird is young, if rigid, it's older. Also, check its skin. That of a young bird will look smooth, with no visible hairs, but the color can vary from breed to breed, or diet to diet, so skin color is not a reliable guide.

Once you've selected your fowl, you may want to try this tasty, colonial recipe, adapted from the original version in Mrs. Mary Randolph's *Virginia Housewife*, first published in 1831:

WILLIAMSBURG CHICKEN PUDDING

To serve 4 to 6

4- to 5-lb. fowl, cut up into serving pieces
1 onion
Celery tops
Parsley sprigs
1 tsp. dried thyme
Salt and pepper
2 cups strained broth, reserved from poaching

To Make the Batter:

2 cups milk
3 eggs, well beaten
1/4 cup flour
4 Tbs. butter, melted
1 tsp. salt

Put the chicken pieces in a pot with water to cover along with the onion, a few celery tops, parsley, thyme, salt and pepper. Simmer gently (uncovered) until the meat is just tender. Take the chicken pieces from the broth, remove the skin and place the pieces in a shallow baking dish. Pour over the strained broth. Make a batter with milk, eggs, flour, melted butter and salt. Pour this over the chicken and bake in a moderate oven, 180°C. (350° F. or Mark 4), for about 35 minutes, or until the batter topping is set and an inserted knife comes out clean. Serve immediately with a gravy, made of broth thickened by a butter and flour roux, passed separately.

Along with helpful guides to waste-free cooking, this and more elegant recipes selected from brilliant cookbooks found around the world can be yours in "The Good Cook" series from Time-Life Books, 541 North Michigan Ave., Chicago, Ill. 60611.

"That Doggie in the Window" Giving a Pet for Christmas

If you've been eyeing a cuddly bundle of fur frolicking in the window of your neighborhood pet shop, with thoughts of the happy surprise it will be for someone, come Christmas morn, there are some important questions you'll want to ask yourself, and answer, before taking a pet home.

There are more considerations involved than just "love at first sight", since puppies become dogs in very short order, so it's important to choose one that fits into the home he or she will be part of.

Will he or she be living in an apartment or house, will small children be involved, what is your income bracket? Some breeds can't tolerate the rough-housing of little children, some purely bred animals are more tense and independent than others. Buying a pure bred can be expensive to start with, and the first year with any dog involves a license, inoculations, collar, leash, dishes, toys, grooming utensils, and food.

The American Kennel Club in New York City will be happy to send you a free list of breeders, if it's a pure bred you're after. For a mixed breed, or possibly a pure bred found straying, try your local SPCA or animal shelter. There is usually a wide range of choices and you'll be saving an unwanted puppy or dog from being "put to sleep."

Although male dogs are more popular than females and usually cost more, females will usually adjust to pethood more readily. And a female can be spayed to spare you the problems of mating and a litter. Look for a clean, glossy coat, white teeth with firm pink gums, eyes that are alert and not runny. Avoid a puppy with a pot belly, it could be a sign of worms, and one with the sniffles or who seems itchy.

Any owner or agency should be able to give you proof that the animal has had at least one shot and a deworming. Find out too, as much as you can about the breed and full size of the dog you are adopting. Stop at the veterinarian's on your way home for a thorough going over, and make a date for regular inoculations.

A stop at the local shop for leash and collar, dishes, toys and grooming equipment and then it's a home for many happy hours of love, devotion and fun!

Arriving with festive wishes for a truly enchanting holiday. Thanks to our many devoted friends.

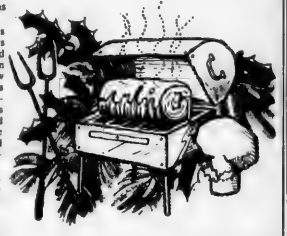
Surprise! Surprise! Have a Hearty Barbequed Christmas Dinner!



How about a Christmas barbeque!

The Christmas holidays are celebrated in many parts of this country, and around the world, in warm and often tropical climates How appropriate to ask friends and family to share a Christmas barbeque dinner! This recipe for an unusual and tasty main course, and some of the trimmings, should add variety to a heretofore traditional menu.

After serving your favorite hors d'oeuvre and holiday potions try this barbequed honey glazed pork loin . . . you may never serve anything else at Christmas again!

Barbequed Honey Glazed Pork Loin:

About 3 hours before you plan to serve, prepare outdoor covered grill, using manufacturer's instructions for indirect heat cooking.

Glaze: Stir ½ cup honey, 1 teaspoon ground ginger and ¼ cup brandy together in a bowl. Mix well and set aside.

Roast: Rub 1 tablespoon salt and 1 teaspoon cracked pepper into a 4½ pound double top loin pork roast. Insert meat thermometer into middle and place roast on grill, over drip pan, with fat side up. Roast 2½ hours on covered grill, adding more briquettes to sides of grill every hour, as directed by manufacturer. Baste meat often with Honey Glaze during last ½ hour of cooking.

Set meat on previously heated platter, remove strings and let stand about 15 minutes. While waiting to carve roast, set out salad and trimmings.

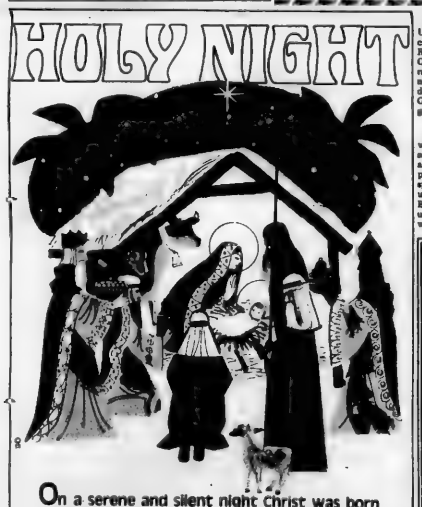
Grilled Scalloped Potatoes:

Peel a medium size potato for each serving. On squares of aluminum foil, lay thin slices in overlapping layers and dot with 1 tablespoon butter, salt and pepper. Add 2 tablespoons milk. Seal package with double fold and cook on grill, close to coals for about 15 minutes.

Test for tenderness, and if necessary reseal for longer cooking.

Orange slaw or a salad combining fresh orange sections, avocado slices and romaine lettuce will add piquant flavor and holiday color to your delicious feast! Enjoy! Enjoy!

Tom Lysons
M.L.A.



On a serene and silent night Christ was born in Bethlehem. We join one and all in a song of praise and thanks for the glory of this miracle.

The Village of Holden
Mayor, Councillors & Staff

The first winner of the United States Open golf championship was Horace Rawlins in 1895. The U. S. Open and the U. S. Amateur rank foremost among the 10 national championships conducted by the United States Golf Association, the national governing body of golf.

* * *

Although the game of golf was invented in Scotland, some Scots back in 1457, afraid it might become more popular than the national sport of archery, prevailed upon Parliament to ban it. But after King James IV took up golf about 1490, the law was no longer enforced.

Holiday Greenery and Berries

A Word of Caution!

Decorating with holiday greenery and bright red berries is an old and lovely tradition. However these bright plants are naturally filled with potent chemicals and can be dangerous.

Ancient people, living closer to the earth and more familiar with plants than most of us, knew about the "good and bad" in leaves, cones and buds.

Romantic mistletoe is for kissing under and decoration, but the pale green leaves and waxy white berries contain natural poisons, and are dangerous!

The yew berry, pinkish red and translucent, is also poisonous when eaten. Oddly enough yew berries have no harmful effect when eaten by birds. Our feathered friends have enzyme systems that render the poison found in yew berries, harmless!

Holly berries, shiny and sparkly red are far less dangerous, but can also upset the stomach.

It is important to discourage infants and children from tasting the tempting looking berries of holly and yew and Jerusalem cherries, whose attractive fruit is potentially dangerous. Its chemicals are capable of inducing vomiting, paralysis and could be fatal in sufficient quantities.

So remember . . . a word to the wise . . . and most important, to little ones!

These jolly gentlemen extend our warm Christmas wishes and continuing thanks.

To Our Fans & Supporters:
The Viking Gas Kings

The Homemaker

By Mairlene Beaman, Dist. Home Economist

As soon as Halloween costumes are tucked away in trunks, the familiar sound of Christmas bells and toy advertisements begin.

Choosing toys that are best for your family can be tough. Here are some important points to consider.

Is the toy safe? Look for sharp edges, small pieces that could be swallowed. Consider the toy in the hands of your youngster, how could it be misused.

Is the toy well designed? Toys must be able to take the tremendous punishment children deliver.

Children like toys that make them do something - push, pull, build and think. The toy should stimulate and challenge, but at the same time facilitate play.

Take some time before you shop to watch your child playing. What kinds of activites does he like to do. Buying a gift that encourages those activities will be used more than one that tries to completely alter his play habits. For example, if your child likes coloring a new coloring book and crayons may be enjoyed more than a new truck, even if he already has a dozen coloring books.

When choosing toys remember that age and ability are more important than gender. Encourage a mix of "boys" and "girls" toys instead of sticking to traditional stereotypes.

Lastly and probably the most important - comparison shop. Prices vary from store to store. Prices also vary between brand names. Sunstitute a non-brand name doll, for one of the better know dolls and you could save a considerable amount.

Despite pressure from kids and advertisers don't overspend at Christmas. Try budgeting purchases throughout the year.

Home Insulation: Buyer Beware

The Canadian Home Insulation Program has become one of the best consumer assistance programs around. It seems however, that consumers will have to buy with care if they want to take full advantage of the program.

Here's why. It seems that a number of consumers who are applying for the grants are paying more than they need to for the insulation they purchase for their homes. Although the CHIP program offers a grant for payment of materials and labour to homeowners wishing to re-insulate older homes, there is a maximum ceiling on how much the program grants. Therefore, as with any consumer purchase it's up to the consumer to shop around and get the best buy in insulation, in terms of price and quality.

The insulation industry is a very competitive one, and as a result, most companies charge similar prices for materials. There are however, companies that wish to charge high prices, which of course is their choice but who then must rely on very skilled and presumably well trained sales people to sell a product to consumers before the consumer has a chance to shop around.

Although several types of insulation qualify for use under the CHIP program, the problem of highly priced products seems to be appearing with Cellulose Fibre Insulation.

After shopping around, consumers will find that most companies are charging between 26-50 cents per square foot for labour and materials. However, there are people selling the same product, and doing well at it, for somewhere in the neighbourhood of 80 cents a square foot. Now that's a big difference. Of course, salesmen selling the product at these prices will stress the advantages of their companies guarantee, but careful investigation will prove that many reputable insulation contractors offer a similar, very sound, guarantee on both product and workmanship.

So Consumer if you are thinking about taking advantage of the Canadian Home Insulation Program and you decide on Cellulose Fibre Insulation in particular shop around.

Here's how;

Before you start get your CHIP application form and find out what materials qualify for the grant.

Check prices for several companies.

Clarify what type of guarantee the company will offer on both product and workmanship.

Ask the company for some references, people they have done work for and you can call for comments on their work.

And lastly, before you sign, check the company out with the Better Business Bureau. If they have had complaints, they will tell you.

Hoping that the holy light of Christmas will brighten all of your days. To our friends, special thanks.

Sending Holiday Gifts By Mail

If you're sending packages to distant dear ones, there are ever changing post office rules and regulations that you'll want to be mindful of. Wrapping parcels can be tricky, keep these rules in mind when mailing gifts.

A strong fiberboard box, bended with reinforced tape is a must. Fill the box completely . . . if the gift doesn't fill it entirely, stuff crushed newspapers or other light filler around it. Then reinforced fiberglass tape or heavy gummed tape should go round the package at least twice in each direction, securing end flaps.

Masking tape or transparent stick tapes are not acceptable, and staples are surely a "no, no!" Twine or string is frowned on too, since it can come loose and fall off the box entirely! When your package is completely secure, write the address, in smear-proof ink, on a label that is glued on well.

Parcel Airlift has a special rate for gifts going to military personnel abroad, and international air-parcel-post rates have remained the same.

There are some options on the kind of shipping you can use. Books are thoughtful gifts and you can take advantage of the special Post Office book-rate to send them. Fourth class mail will arrive as promptly as parcel post. If you're a last minute mailer, air-mail and Express mail will speed your packages on their way! But remember that Express Mail covers only larger cities where good air service is regularly available.

Alberta Agriculture

TODAY & TOMORROW

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them, *Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.*

For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Glory to God in the highest, and on earth peace, good will toward men.

Luke II, 8-14.

The Biblical description of the Christmas story reflects the good tidings and eternal hope brought to mankind nearly 2,000 years ago.

It's a story which evokes personal thoughts. To me, it reveals a feeling of peace, and above all, a recognition of my own good fortune over the years.

I feel fortunate, and pleased, that my first Christmas as Alberta's Minister of Agriculture is here; fortunate and gratified that our farmers performed so well; fortunate that our harvest, on average, was wrapped up early, and fortunate that our plans for the coming years are proceeding on schedule.

Fortunate—in some ways that describes the condition of most Albertans as we anticipate the coming decade. From a "have-not" province of 40 years ago, we've become just about the biggest "have" in Canada.

Oil has headlined the way, but agriculture has supplied the backbone, supporting the great advance with strong, progressive strides in cattle, grain, oilseed and forage crops and food processing industries.

When you think about it, Alberta really is unique. Our good attitude toward work plus the imagination of our researchers and the conviction of our leaders have been real strengths. In some ways we are poor—we have a harsh, sometimes unforgiving climate, many areas of semi-arid soils and a western perimeter of forbidding mountains.

Yet, look how we've surmounted those obstacles. Just 45 years ago many prairie farmers were scraping out a meager existence. Today, we've developed our strengths to become one of the most diversified food producers in Canada—supplying almost 20 percent of all consumables with barely eight per cent of the nation's population.

Small population, large food supply-Alberta farmers have needed to rely on foreign sales to move their vast production—whether it be grain, cattle or even a specialty crop like potatoes. And in the process, these exports have profited all Albertans and buoyed the Canadian economy as well.

Our farmers deserve credit. From year to year our production has fluctuated, but over the long run—it's been one steady upward line on the graph. You might say we've been fortunate—fortunate through hard work, initiative and sacrifice.

Christmas is here, and as the pace slows down for a bit, let's remember yesterday's labor which, I trust, has produced for today's Albertans one of the most relaxing, prosperous and happy Yuletide Seasons they've ever known.

And as Christmas runs into New Year's, and thoughts turn to the months ahead, those memories of the past will surely dim—but not too much, I hope, because in the past lie the seeds of perseverance and imagination which can lead us to new advances in the next decade.

I wish to extend to each Albertan my personal wishes for the very best holiday season.

The key to our success is our fine patrons. There is a no more fitting way to extend our gratitude than with a simple and sincere "thanks!"

Hi-Way Auto Body

Year End For Tax Planning

It's time now to start planning your income strategies for 1979. Don't start planning in 1980 when many of the options open to you will no longer be available. Income tax is a major business expense on many farms, and a good deal of time and effort can be well spent on year-end planning.

Keep in mind when doing your tax planning that the most important goal is not to reduce your tax payable to the lowest level; the most important goal is to raise your after-tax income to the highest level. Be sure that every dollar spent to reduce tax will add at least a dollar to your after tax income.

Don't go out and buy a combine in December to save $2,000 in tax if it will cost you an extra $4,000 in interest to finance it until August. Don't guess, calculate.

The first step in tax planning is to complete your books to date. Add the additional income and expenses expected by the end of the year. Fill our a "Statement of Farming Income and Expenses" form (T2042) to arrive at your net farm income. Plug this information into an "Individual Tax Return" form (T1) so that your personal deductions, off-farm income, and tax credits are taken into account. From this you will discover your federal and provincial tax payable if you do nothing to adjust your income and expenses.

At this point stop to consider that, because of progressive tax rates, the least tax is paid over the years if the taxable income level is kept stable. The following example illustrates this:

Year 1	
Varying income	$10,000
Tax payable	$2,165
Stabilized income	$20,000
Tax payable	$5,558
Year 2	
Varying income	$40,000
Tax payable	$14,439
Stabilized income	$20,000
Tax payable	$5,558
Year 3	
Varying income	$10,000
Tax payable	$2,165
Stabilized income	$20,000
Tax payable	$5,558

The taxpayer has saved $2,085 by stabilizing his income. If your income is increasing over the years, try to keep the increase steady rather than to have a sharp increase one year, then a decrease the next year.

After you calculate the amount of tax you will pay without adjusting your taxable income level, adjust your taxable income by using any of the following methods:

Livestock Inventory Provision (L.I.P.).

The L.I.P. is an effective provision for livestock producers to use to adjust their income. Any amount up to the market value of your total livestock can be added to your income on a low income year, and subtracted from your income on the following year. This involves a paper transaction only and is available to any farmer who has any type of livestock.

Buy farm inputs, such as fertilizer and chemicals, before the end of the year to increase the 1979 income. Be sure to take delivery before the year-end if you want to make this an allowable expense for 1979, but take delivery in 1980 if you want the expense to be deducted from the 1980 taxable income.

Often fertilizers and chemicals which are sold near the year end are sold at prices which are reduced enough to make up for extra interest costs.

Buy farm machinery before the year-end. Consider the extra interest costs to finance these until the time they are needed. On the other hand, say interest paid during the year is an allowable deduction from taxable income and a 10 per cent tax credit is available on new machines or buildings purchased by farmers in the St. Paul area.

Buy a R.R.S.P. and or a spousal R.R.S.P. up to $5,500 or 20 per cent of your earned income. If you contribute to a registered pension plan other than the Canada Pension Plan the maximum you can contribute is $8,500. Funds from spousal R.R.S.P. which is de-registered after three years are added to the spouse's income for that year rather than to the contributor's. If the plan is de-registered before three years, the funds are added to the contributor's income for that year.

Adjust your income by selling your produce in the year which you want the income. In a year you want to delivers grain, but don't want the income for that year, take payment in the form of a deferred cash delivery ticket or store the grain in the elevator until the time and price is right, then sell.

If you want more income this year but can't deliver the grain take an advance payment under the Prairie Grain Advance Payment Act. An advance payment becomes income when it is received.

When doing tax planning, keep in mind that income tax is just one of many farm expenses. Tax planning should be considered within the complete financial plan of your farm.

Upon our soul, it's time to say Merry Christmas again! We wish you a wonderful holiday and extend our thanks to all.

Plan A Party With A French Accent

With hearts soaring we wish you a warm and loving holiday.

Merry Christmas to all

Roy Pascha

Transform your next dinner party into a "Festival Francais!" Bacardi Crepes, overflowing with cheese, spinach, mushrooms and rum, begin your repast. Originating in Brittany, crepes are the most versatile of French dishes. To capture the Continental atmosphere, decorate your dining area with travel posters of Paris, "the City of Light." For a grand finale, serve a Partytime Strawberry Souffle. Toast your French meal with an easily prepared Cranberry Rum Punch. Then, enjoy your dinner in the traditional French manner—leisurely, with good food and good company. Your friends are sure to ask for *encores.*

BACARDI CREPES

2/4 cup milk
2/3 cup flour
3 eggs, beaten
1/2 teaspoon salt
1/4 cup butter or margarine
1/4 cup flour
1 1/4 cups milk
1/4 cup Bacardi light rum (80 proof)
1 cup (4 ounces) shredded Swiss cheese

1 cup (4 ounces) shredded American cheese
2 packages (10 ounces each) frozen spinach, cooked and drained
1 can (4 ounces) sliced mushrooms, drained

In bowl, combine milk, flour, eggs and salt; beat until smooth. Let stand at room temperature 30 minutes. For each crepe, pour about 3 to 4 tablespoons batter into hot, lightly buttered 7-inch skillet, turning to coat bottom. Cook until slightly golden. Remove and keep warm.

In saucepan, melt butter. Add 1/4 cup flour and cook, stirring, until bubbling and smooth. Remove from heat and gradually blend in milk and rum. Cook, stirring, until thickened and smooth. Add cheese; stir until melted. Combine 1 cup cheese sauce, spinach and mushrooms. Fill crepes; roll up. Place in shallow baking dish, about 11 3/4 x 7 1/2 inches. Top with remaining cheese sauce. Bake at 350°F. for 20 minutes or until hot and bubbling.

Makes 4 servings.

PARTYTIME STRAWBERRY SOUFFLE

1 envelope unflavored gelatin
1/4 cup cold water
1 package (8 ounces) cream cheese, softened
1 package (10 ounces) frozen strawberries, thawed
1/3 cup Bacardi light rum (80 proof)
2 egg whites
1 jar (7 ounces) marshmallow creme
1 cup heavy cream, whipped
1 strawberry, sliced

In saucepan, sprinkle gelatin over water to soften. Cook, stirring, until dissolved. Gradually add to cream cheese. Stir in strawberries and rum. Chill until slightly thickened. Beat egg whites to soft peaks in Waring Food Processor using the whip system or electric mixer. Gradually add marshmallow creme and continue beating to stiff peaks. Fold egg white mixture and cream cheese mixture into gelatin.

Wrap foil collar 3-inches high around 1-quart souffle dish. Secure with tape. Pour mixture into dish; chill until firm. Just before serving, remove collar. Decorate with ribbon of whipped cream and fresh strawberry.

Makes about 8 servings.

CRANBERRY RUM PUNCH

1 can (20 ounces) pineapple rings
1/2 cup maraschino cherries
1 quart cranberry juice cocktail
1 quart apple juice
Juice of 2 lemons
1 cup Bacardi light rum (80 proof)
1 quart club soda

Drain pineapple, reserve liquid. Arrange pineapple and cherries in 1 1/2-quart ring mold. Add 1/2-inch water and freeze. Remove from freezer and add just enough water to cover fruits, freeze. Add enough water to fill mold; freeze again.

To serve, combine reserved pineapple liquid with cranberry juice, apple juice, lemon juice, rum and soda in punch bowl. Float ice ring in punch bowl. Makes about 20 6-ounce servings.

Peace in your heart and in your home . . . this greatest gift of all we wish for you.

Gold, Frankincense and Myrrh . . . Gifts For a King

"They (the wise men) saw the young child with Mary his mother, and . . . presented unto him gifts; gold, frankincense, and myrrh."

Matthew 2:11

St. Matthew tells us that the Wise Men selected these exotic treasures, above all, others, as their special offerings to the baby Jesus. They were the first Christmas gifts of all.

The gifts brought by the Three Kings all had magical associations: gold for the sun mystery, frankincense as the smoke-maker, and myrrh, the healer. The Wise Men were also believed to have had occult powers.

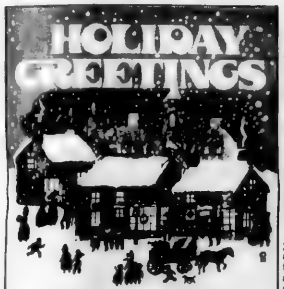
The Magi, kneeling in tribute, express the love and awe Christ evokes in all who believe in Him. The Bible names the gifts . . . gold, frankincense and myrrh. Each has its obvious worth; there are rich, symbolic meanings as well.

Church scholars consider the gold to mean love or Christ as King of the World; the frankincense, prayer or Christ as the King of Heaven; the myrrh, suffering or a symbol of Christ's approaching sacrifice.

The Bible does not mention containers for the gifts, artists over the centuries have created these. A casket holds the gold coins, a vessel for the frankincense, an urn for the myrrh.

Today we easily recognize the value of the gold, but we are not as familiar with the value of frankincense and myrrh. These two aromatic resins, used in making incense, were very costly at the time of the Birth of Christ. To this day they are used at many Christian altars.

An old poem which expressed the ancient belief that "incense owes a deity neigh" is further evidence that frankincense and myrrh were worthy gifts for the Prince of Peace.



As we gather together to share the blessings and joy of the holiday with those we love, we greet old friends and say thanks.

Farmers Receive "All Risk" Insurance Benefits

Claims made by Alberta farmers in 1979 for crop losses under the "All Risk" crop insurance program have totalled more than $27,000,000 as reported by the Alberta Hail and Crop Insurance Corporation.

This total is greater than the $23,500,000 paid out in 1978 but is well below the record indemnities paid in 1977 - $39,100,000.

The main causes of loss this year were severe drought in southern and central Alberta, excessive moisture in the north and extensive hail damage.

Also contributing to this year's claims were the inability of farmers to seed their crops last spring because of wet conditions and reseeding necessitated by crusting and poor germination.

In northern areas, yields from many rapeseed fields were disappointing due to the excessive moisture and damage caused by disease and flea beetles.

There were several particularly severe hail storms this year but the most destructive occurred on August 3 and ran from the Nanton area for more than a hundred and fifty miles in a south easterly direction to the Manyberries area causing millions of dollars of damage.

Hail alone accounted for payments in excess of $12 million under the crop insurance hail endorsement. In addition, the Corporation paid out over $6 million for hail damage under its hail insurance program which is operated seperately from crop insurance.

Because of the excellent harvest season experienced, crops were taken off in good time and nearly all payments for crop losses this year have now been made.

In 1979, just over 18,600 Alberta farmers placed $280 million worth of insurance coverage on their crops under the "All Risk" program. In addition, the Corporation carried nearly 10,000 straight hail insurance policies with coverage of $130 million.

"All Risk" crop insurance is a joint program of the provincial and federal gov-

Let's Consider Them All

With the defeat of the Progressive Conservative government in Ottawa and the election scheduled for February 18th, many P.C.'s and others are laying all the blame for the election on the Liberals and N.D.P. Such criticism is not totally accurate.

Following the last election, the Progressive Conservatives won only 136 seats out of a total possible of 282. This made them a "minority" government. Mr. Clark required the support of at least five members from the opposition parties to ensure the passage of any bills. During the two months that Parliament operated, various opposition party members supported Mr. Clark's government on various issues, thus maintaining his party in government. However, Mr. Clark seemed to forget that when a government is in a "minority" position, it must be willing to compromise.

Mr. Clark stated early in his tenure as Prime Minister that he would govern as if he had a majority of the seats in Parliament. This is absurd! The P.C.'s received only 36 percent of the popular vote and only 48 percent of the parliamentary seats in the May 22nd election. This definitely did not put Mr. Clark in a majority position. One does wonder if the P.C.'s orchestrated the fall of their government in hopes of being able to blame the opposition for their defeat and to take advantage of a Liberal Party without a definite leader.

The Clark government did have a chance to govern Canada. It was short-lived because they failed to recognize the essence of minority government - compromise. Many great Canadian leaders have kept minority governments in power for two or more years. Mr. Clark obviously couldn't or didn't want to.

Perhaps the Liberals and the N.D.P. could have refrained from defeating the Clark government at this time. And perhaps Mr. Clark could have worked harder to keep his government from getting defeated. When we are laying blame (if blame is to be laid) for the February 18th election, let's carefully consider all parties involved.

Letter To The Editor

Dear Sir:

With construction of the new Viking General Hospital a visual reality, the spirit of giving has been ignited in the hearts of individuals, clubs and organizations. Throughout the community of Viking and in neighboring towns fund raising projects have been established with the proceeds donated towards the furnishing of a room in the new hospital - a truly commendable goal.

However, in light of the fact that the provincial government, with its decision to construct a new facility, also has a commitment to furnish and equip the new facility according to present government standards, I feel we may be somewhat premature with our generosity.

Would it not be wiser to wait and see exactly what the government will provide in the way of equipment and furnishings? At that time, should the hospital board determine that what has been provided is not adequate, we the taxpayers should support the local board in their efforts to obtain the maximum allotted for communities the size of ours.

When all government channels have been exhausted and the need for additional furnishings or equipment can be justified as adding to the efficiency or comfort provided by the hospital, then it is time for the community to pitch in.

I wonder if our donations will have a large effect on the finalized project or is there a possibility that some government funding may be withheld due to the generosity of the people?

There are many other public facilities which require constant funding in order to operate on a yearly basis. Is it really necessary that such a percentage of the community's donated dollars be channeled towards a project which is the responsibility of our government? Could this money be of more benefit if contributed to other organizations within the community?

A Tax Payer

Crow Solution Presented To Mazankowski

Representatives of the Prairie Farm Commodity Coalition have presented a proposed solution to the Crow Dilemma to Transport Minister Hon. Don Mazankowski.

Said Coalition Spokesman Ivan McMillan, "Our solution retains the Crow benefit for farmers, yet it removes many of the side-effects that are undermining prairie agriculture and the grain industry there. We are urging Mr. Mazankowski to implement the solution through legislation so the prairie grain and livestock industries can begin to move ahead once again".

McMillan, a Craik, Saskatchewan grain farmer and past president of Palliser Wheat Growers Association, said "The costs of the present system are mounting at an unbearable rate. Lost sales in 1978-79 because we couldn't move grain to market were $1 billion according to Transport Minister Mazankowski. Take the multiplier effect (times 4) and the total cost to the Canadian economy was $4 billion."

"This system leaves farmers with low delivery quotas and compels them to buy grain storage bins and pay unnecessary interest costs, rather than selling the grain. We are watching our markets being taken away by an aggressive United States grain industry. Farmers can't afford this, and Canada's economy can't afford it."

"That is why the Commodity groups representing growers of wheat, barley, flax, rapeseed and livestock have come together to develop this solution, and why we are in Ottawa. This solution has been carefully drawn up over the past year and discussed with most segments of the industry. It represents a reasonable consensus."

McMillan stated, "More hopper and box cars will come into the system to move grain in the months ahead because of decisions already taken by governments and others and this will help. But more cars by themselves won't solve the problem. It is now generally agreed that the Crow rates are a basic part of the prairie grain problem. Virtually every report on our grain transportation system written in the past five years has said that the rate problem must be resolved."

"The rate is a problem for obvious reasons," said McMillan, "It is a problem because railways lose money on every bushel of grain they haul. As a result, they don't maintain their grain hauling equipment or grain-dependent branch lines. The rigid nature of the rate has prevented any move to update and rationalize our transportation and collection system. Also, the rate's impact on prairie grain and oilseed prices has prevented the development of efficient and stable livestock feeding and oilseed crushing industries on the prairies. And since the rate applies only to certain grain, it discourages prairie crop diversification".

McMillan said there is growing industry, government and media support for the kind of program that is central to the commodity groups' proposal. And he added that the prairie situation is reaching near-crisis proportions as the costs of machinery, labor, energy and everything else the farmer buys soars, while sales have barely maintained their level of 10 years ago.

Said McMillan, "We are losing a huge share of the world grain market. Our situation has deteriorated badly. In the past three years, the United States has increased its total grain exports by nearly 800 million bushels, which is more than our total annual export. Fifty years ago, our wheat exports were double those of the United States, while in 1977-78, the situation was reversed with United States exports being double ours".

McMillan said that at a Regina meeting on November 28th, leaders of the various prairie commodity groups endorsed the following principles which lie behind the commodity groups' solution:

1. The railroads be paid a compensatory rate.
2. That rate must be statutory.
3. The benefit must be paid to the producers and not to the railroads.
4. There must be guarantees from the railroads, the elevator companies, the shippers, and the truckers.
5. The government would be responsible for rehabilitating necessary rail lines to a specified level of service (700 million dollars are set aside for this).
6. The new system will be competitive, with trucks having an opportunity to compete and thus become an integral part of the system.

Said McMillan, "Farmers only want a marketing system that allows them to meet the challenges of an ever-expanding market".

A Celebration Of Music

Continued From Page 1

ene Norris, "Tater Patch" and finally amidst some unusual effects "Space Odyssey".

After the programme a draw was made to award prizes to students who had been selling chocolates to raise money for the Band and for the Wildlife Club. Winners were Blair Kolenosky, Marvin Long and Jackie Petrowski.

The concert ran smoothly thanks to Fred Nordstrom the M.C. and to Lillo's Music who loaned us extra audio equipment.

The School thanks the almost 800 people who were present for this enjoyable evening. The funds raised will be used to buy more much needed musical instruments.

Reg Stefaniuyn, President of the 1979 Viking School Graduating Class, presented Hospital Board Chairman Jack Roddick with a cheque for $700 on behalf of the Graduates. The money is to go toward the new hospital. Staff Photo

New Directories Carry Innovations

The 1979 Northern District telephone directories being distributed to AGT subscribers in northern Alberta carry a number of innovations on last year's edition. Effective date for the new directories was December 15, 1979.

Separate editions for 7 different northern areas have been produced with all seven editions having common white pages with a different Yellow Pages' section.

Changes include the Fort McMurray white and Yellow Pages deleted from the new directories. Fort McMurray subscribers received their own directory the middle of September, 1979. Also, new exchange subscribers have been added including residents of Peerless Lake, Red Earth and Chipewyan Lake.

All seven directory editions sport a new look for the Yellow Pages' classified section. For the first time, red ink is being used along with black ink to highlight classified ads in the Yellow Pages' section. Also, the familiar Blue Information Pages have been changed to gray.

The combined total of the white pages for the seven separate editions has increased by 22 pages, while the total Yellow Pages' section grew by 12 percent.

The cover, described on the last Yellow Page, features a Red-Eyed Vireo, a common resident in the northern district that is more often heard than seen.

More than 220,000 of the 272,000 directories produced will be delivered or mailed to subscribers. The remaining 52,000 will be distributed to other telephone companied, new customers and for replacements in public telephone booths.

a Fresh Start

Kick up your heels and let's hear it for the dazzling New Year that's upon us. Wishing you every success!

Viking School Patrol Banquet Held

The sixteen members of the Viking School Patrol were treated to a Christmas Banquet at the Burger Queen at noon on December 10th, 1979. After grace was sung by Leaha Mattinson and Sandra Graham, we got down to a meal of turkey with all the trimmings.

We would like to thank the Viking Elks for sponsoring this banquet. Mr. J. Mattinson, chairman of the banquet and Mr. B. Hill were representatives for the Elks. Also present were Corporal D. Will, Mr. D. Watson, Mrs. S. Evans and Miss R. Milkovich. Mr. E. Kindley, Patrol Supervisor, and Mrs. D. Little of the Alberta Motor Association were unable to attend.

We would like to thank Mr. E. Kindley for organizing the banquet for us. Mr. Watson spoke on behalf of Mrs. D. Little and the school and thanked the Patrols for the good job we have been doing.

Captain of the School Patrol, Carrie Ruzicka, thanked the Viking Elks for the banquet they sponsored for us. Thanks to the Burger Queen for a delicious meal.

Dawn Lefaivre

Echo-Rodino News

A concert took place at Rodino Hall the Friday before Christmas with most of the neighborhood taking part in one way or another. Santa made his annual call to delight the children.

Mr. and Mrs. Bob Williams and family travelled to Calgary to spend Christmas with relations. Verine Hunter stayed there when the Williams family returned home after Christmas. Nerine plans to take a trip to the interior of B.C. to visit with other relations.

Florence Hellar was very pleased to have the pleasure of her sister Joyce and husband Ralph Veter of Carstairs spend Christmas with her.

Lorraine, Douglas and baby Prosser accompanied by Morris Malderis of Edmonton were home to the Prosser home for Christmas and Douglas stayed the rest of the holidays with Grandma and Grandpa Prosser.

Calling in on Maxine and Tom over the holidays were Mr. and Mrs. Glenn McAlister and Tanya of Lloydminster. Mr. and Mrs. Barry Stewart and family of Edmonton were also visitors.

The Bruce Greenwood home saw Rita of Edmonton and Theresa of Camrose home to help eat the Christmas turkey. Brent Hafso and Dwayne Mazankowski of Viking were also on hand to help.

The Phil Holt family travelled to Red Deere to visit Mr. and Mrs. Sid Pavely and then to Innisfail to call in on Mr. and Mrs. Joe Saville.

Calling on Harriet Faulkner on Christmas day were Mr. and Mrs. Lee Davis and family of Niton and Mr. and Mrs. Stan White of Viking.

Mr. and Mrs. Frank Saville and family of Ponoka were holiday visitors to the Holt Ranch.

Mr. and Mrs. Harley Barrs and family and Mr. and Mrs. Ernie Rae and family of Irma were Sunday guests at the Holt home.

The Phillip Hogg family called in at the Faulkner home to wish Grandma the best in the New Year.

Billy Johnson of Kelowna, B. C. spent the Christmas holidays visiting his Father Ray Johnston and family.

The Rodino district wishes everyone the very best in 1980.

New Year's Message From The Lieutenant Governor Of Alberta

On January 1, we start a new year and a new decade.

Now is the time to spend a few minutes and say to ourselves where do we go from here. We are a favoured people, we have a province which is blessed with great resources, both renewable and non-renewable, a good climate and a good economy. It is up to us to keep it this way. In three generations we have built Alberta from an almost empty land to a vigorous and prosperous country.

In any country as in any business we can't stand still - we have to go up or down. Giving up will become more difficult as time goes on; more people, more problems. Some resources will become depleted and have to be replaced by others. Our farm and grass lands will have to be looked after, our forests will have to be managed, but there is a solution to every problem. It is up to us to see that these solutions are found.

When we consider the hardships the early pioneers suffered and the work they accomplished, we have it pretty easy. But we must remember that in order to keep going up the ladder we must work and plan, and if we continue to do so we will advance.

I wish you all a very Happy and Prosperous New Year.

Frank Lynch-Staunton

Soil Erosion Funding Sought

Excessive loss of topsoil from agricultural land is associated with intensive cropping systems. These systems expose soils to the erosive forces of wind and water for prolonged periods. Some of these soil management practices are not in the best interests of good soil conservation, says the Agricultural Institute of Canada (AIC) in a brief to the government of Canada.

The brief recommends that governments hire more specialists in soil and water conservation to provide back up technical expertise for extension services. This should be done in conjunction with educational programs for extension personnel to familiarize them with soil erosion assessment techniques and solutions that work.

The federal and provincial governments should provide more funding for research on soil erosion and water pollution prevention. Emphasis should be on finding how sediments move from agricultural fields to streams and the best solutions for stopping this movement. Research should be done to find the most erosion prone areas and identify them", says the brief.

Bruce And District News

Rodney Tkaczyk curled on the Darrell Malick rink in the Northern Alberta Curling Association High School Christmas bonspiel in Edmonton. The boys managed to make it to the semi-finals in the A Section. The Ross Sturnay rink from Vegreville who defeated them was the winner of the A Event.

The mild weather encouraged the family get-togethers which dominate the festive season. Isabelle and Marvin Lund spent Christmas with their son Arnold and his family at Red Deer while Annie and Rudy Koppel journeyed to Stettler to enjoy Christmas dinner with son Stanley and several other family members. Gail and Bruce Kawallak and children Jamie and Brent were Christmas Day visitors with Bruce's mother in Edmonton.

Lillian and Dan Teake had an old fashioned farm Christmas at the home of their son Gordon who lives south of Ryley.

Betty and Ben Modin of Carrot Creek were Christmas guests at the home of Betty's daughter and son-in-law Elaine and Don Laing. Dory and Bud Hammermaster, Siegel, McKinney matter also enjoyed a traditional Christmas when they entertained the Hammermaster, Siegel, McKinney and Otto families.

Visiting the Irven Fredericks home on Christmas Day were daughter and son-in-law Gail and Gordon Chamulko and children Jason and Robin of Sherwood Park their son Reid of Edmonton and Lorraine's mother Florence Savage from Viska Lodge in Viking.

Connie and Dwayne Marcinkoski celebrated the first Christmas in their new home by entertaining Connie's family. Connie's mother and father Hazel and Bob Bruce were here from Camrose as well as her sisters and brother and their families.

Unfortunately not everyone was able to spend Christmas Day with family or friends. Grace Gormley has been a patient in the Viking Hospital for the past two weeks but hopefully she will be home early in the new year.

Curling is finally underway. To date there are eleven men's teams and three ladie's teams. It would be appreciated if you would find a substitute if you are unable to curl your game. It is disappointing to drive several miles only to find that there are not enough curlers to have a game.

Are you interested in Ladies Keep Fit or Machine Quilting? The Keep Fit Classes will begin Thursday, January 10 and the Quilting will begin on Monday, January 7, 1980.

For further information contact S. Rabiitz at 668-3970 or B. Fredericks at 668-3868. It is important that you register immediately.

Don't forget the Fire Meeting at 7:30 p.m. on Wednesday, January 9.

TENDERS

The Bruce Stampede Association requests tenders for the sale of the old Bruce Stampede Hall and lots in the Hamlet of Bruce. Bids must be in by Jan. 31, 1980, and should be submitted to Bruce Kawallak, Secretary-Treasurer. The highest or any tender will not necessarily be accepted.

Alberta's Homecoming 1980

Alberta's first visitors came in 1754 in search of beaver pelts and souls to save.

Visitors to Alberta's Homecoming during 1980 probably won't be looking for souls or beaver pelts but, more likely, will come in search of a good time. They will have no difficulty finding excitement and events during the celebrations of Alberta's 75th anniversary as a Canadian province.

Communities across the province are planning historical pageants, displays, athletic events and just plain fun to celebrate their heritage and booming future. This will all be in addition to such annual events as the Calgary Stampede and Edmonton's Klondike Days which regularly draw visitors.

The original residents of what is now Alberta, the Blackfoot, Cree and Stony Indians gave the early travelers and mariners a mixed reception. Their culture was already well established and visitors to Writing-on-Stone Provincial Park (about 125 km southeast of Lethbridge) can still see their pictures, symbols and writing carved and painted in the face of the high cliffs.

In 1754, several Blackfoot led Anthony Henday, a scout sent by the Hudson's Bay Company, up a hill just north of the present town of Innisfail. The spot marked where Henday became the first white man to see the spectacular Canadian Rockies. Since then, countless visitors from all over the world have visited the mountain resorts of Alberta, including three of Canada's best known national parks - Banff, Jasper and Waterton Lakes.

The Hudson's Bay Company traders had little difficulty in persuading the Indians to sell their pelts. In 1795 the Company established a fort on the banks of the Saskatchewan River, Fort Edmonton, which quickly became a vital centre for the fur trade.

The Provincial Legislative Building in Edmonton now stands on the original site of the fort, but an extensive reconstruction of the early trading post and a pioneer town's main street are open to visitors in nearby Fort Edmonton Park. Entering the fort is like stepping into the daily life of Canada's adventurers and pioneers.

Just outside the town of Rocky Mountain House (300 km southwest of Edmonton) stands all that remains of a string of fur trading forts established by rival fur companies - Hudson's Bay and the North West Company. The site, now one of Canada's National Historic Parks, contains replicas of the fort boats and Red River carts which were so essential to the traders of the period.

The missionaries, meanwhile, were making headway of their own, establishing congregations among both original and newly arrived Albertans. One of these, the original St. Charles Mission established in 1866, has been restored as a museum complete with artifacts of the area and can be seen at Dunvegan.

At St. Albert, one of the oldest communities in Alberta, the original Roman Catholic log church - built in 1861 - still stands, but is now completely surrounded by a brick building.

Other early settlers came with trade on their minds - but they were selling whiskey. They crossed the border into the Cypress Hills of southern Alberta and built a series of "whiskey forts" from which they carried on a brisk trade, primarily with the Indians.

A replica of one of the most notorious of these forts - Fort Whoop-up - has been built in Indian Battle Park on the outskirts of the city of Lethbridge.

The rowdiness soon came to the attention of the new government in Ottawa who promptly recruited members of the North West Mounted Police and despatched them on foot and horseback over 4800 km - 3000 miles to the scene of the disturbances.

Not surprisingly, the forerunners of Canada's famous Royal Canadian Mounted Police, chose the site of Fort Macleod just west of Lethbridge, where they could keep a close eye on the situation. Fort Macleod now exists in replica and houses an excellent museum of the NWMP and the pioneer days.

The completion of the Canadian Pacific Railroad as far as Calgary in 1883, and connecting lines to Edmonton and Macleod in the early 1900's, opened vast new tracts of fertile land to settlement.

The new life wasn't easy. Homes were often built out of sod or logs chinked against the incessant prairie winds. Heritage Park also contains a reconstruction of a "soddy" which proved to be surprisingly cool in summer but warm in winter.

The settlers fought flies and drought, ate dust and endured hailstorms and winters like nothing they had ever seen. Some didn't make it, but most survived and prospered. At Vegreville and Shandro are just two of a number of heritage villages celebrating the life and times of these tough people.

By 1905 there were about one million residents to celebrate with parades and bands. They flying as the territory joined the young nation of Canada.

The province has come a long way since then. Oil, wheat and cattle have combined with the strength and energy of the people to spell "Boom Times" across the province. The population in the meantime has grown to almost two million.

Alberta has had a proud past and looks forward to a challenging future. Present and former residents and friends from all over the world are now preparing to celebrate past and future during Alberta's Homecoming 1980.

Can you "Beet" this? Mrs. Hilda Overbo of Kinsella grew this beet which weighed 7¾ pounds.

Holden News

The Holden Parent Nursery will be held on January 9, 1980. New comers are always welcome to join the group.

Hockey night in Holden on Thursday. December 27, found the Holden Beavers playing against the Lamont team. The score at the end of the game was Holden 0 Lamont 21.

The 4-H Club held a Skating and Curling Party at the Holden Complex on Friday, December 28. Families of 4-H members were in attendance as well. Lunch concluded the evening.

Mr. and Mrs. Ka Yu Yeung of Holden are receiving congratulations for the birth of their first born, a son, named Daniel T.T. weighing 8 pounds and 5 ounces. Their baby was born on December 28th in an Edmonton Hospital. Mr. and Mrs. Ka yu are the owners of the Whip Ina Cafe.

Mike Dolson coach of the Holden Beavers Hockey Club states that the Beavers won't play any more hockey games in the coming season unless there is more interest shown in players joining the club. Mike also stated that the Beavers played their best against Lamont, but were unable to score any points when Lamont scored 21 at a recent Holden game. At a Tofield game only three players showed up from the Beavers club. It was then decided that the club would not play any more games.

Thank you to each and everyone of you who phoned me or contacted me with news for the paper in 1979 and I hope to have your support again in the new year. Happy New Year.

Anna Shavchook

Irma Students Union Annual Christmas Party

The Irma Students Union Christmas party was held in the auditorium on Friday afternoon, December 21st.

After a welcome had been extended a drama play directed by Mrs. McRoberts was presented, "Rinse the Blood Off My Toga", with apologies to Shakespeare's Julius Caesar.

Characters: Brutus - Curtis Archibald, Flavius Maximus - Lorne Smith, The body of Caesar - Bol Allen, Calpurnia - Lori Prior, Cicero - Chris Orscheski, Marc Antony - Graham Lemieux, Amorted Senators, the crowd, etc. - Susan Creasy, Kim Olson, Lana Prior, Linda Erickson, BarbaraSmith.

The scene is Rome, 44 B.C. - Flavius Maximus office, the Senate - Cicero's Swingles Disco Bar.

The technical crew consisted of Susan Ho, Curtis Littlewood and Dwight Larson.

The play was good, the actors all seemed to know their lines, and evidently enjoyed acting their parts. They got a good round of applause.

The High School Band played a number of selections followed by a song by the Skori sisters accompanied by Mrs. Creasy. The next presentation was a short Students Union Play - The Last Day of School which was well received. The Junior band then played a number of selections.

Next was a Christmas sing-song with the audience singing carols accompanied by both bands. After this the Santa's arrived both Mr. and Mrs. Following the presentation, lunch was served.

There was an almost capacity crowd in attendance.

Chacutenah Manor News

The annual Christmas party was held in the nicely decorated Lounge on December 12th. A good time was had by all including Santa Claus who arrived to distribute gifts.

Two groups of carollers were welcome guests at the Manor this year, namely the Alliance Church Girls' Choir and Mrs. Larson's Grade 2 class. Special thanks to the Girls' Choir for the boxes of lovely home-made candy.

There was a general exodus of folks from the Manor over the holidays. Mrs. Cockrell spent her's with her family at Spruce Grove; Mrs. Simmermon is still in Calgary at her son's home; Art Larson is in Paradise Valley; Mrs. Beer visited her family in Calgary; Mr. and Mrs. Lambert are visiting their daughters at Camrose and Round Hill; Mrs. McLean joined the Parsons' family party; Mrs. M. Kellar was with the Frank Kellar family; Miss Smith was at a family party at the Don Cressy home; Mr. and Mrs. Riley spent the day at the Ron Thurston home; Mrs. McRoberts, who had just returned from a two week stay in Tofield, was with the Dick McRoberts family.

Miss Laraine Pond of Scarborough, Ontario visited with friends at the Manor on Friday.

Mr. and Mrs. Ivan Hardy of Edmonton were recent visitors with Mrs. McLean.

Mr. and Mrs. W. Guy spent Christmas with their daughter and son-in-law, Mr. and Mrs. Copeland, at Lethbridge.

Dated this 28th day of December, A.D. 1979.

D.D. Creasy,
Municipal Administrator
Village of Irma

A Microwave Under Your Tree!

So now you have a microwave. As I write this I am wondering how many mothers were surprised this Christmas with a microwave under their tree. The trend towards this new type of cooking has been growing by leaps and bounds and it looks like it is here to stay.

So, you start out experimenting with your oven and everyone marvels at your 10 second hot dogs and your nice crisp bacon. But what next?

Microwave cooking is a new and different way of cooking and to be successful at it you'll need to adjust some of your old habits.

For example, time factors change drastically and there are a number of characteristics of the actual food being cooked that influence the time required. Volume, for example, will greatly affect time of preparation.

Always remember this basic principle of microwave cookery - there is a set amount of energy being generated within the oven, therefore the more food you put in the microwave, the longer the cooking time.

The shape of the food also affects cooking time. Microwaves penetrate food items to a depth of 2.5 cm. The portion of the food that does not come in contact with the microwaves cooks by conduction. That is, the outer layer of food gets hot and transfers the heat inward to cook the centre portion. Therefore, thin steaks cook at a much faster rate than roasts.

Density of food relates to how quickly the food absorbs the heat, as well as how quickly the heat is transferred from the outer edges to the centre. For example, a dense product such as a kg. of meat will take longer to cook than a kg. of bread because meat is denser.

Some of your cooking techniques will have to change if you want successful microwave cooking.

Irma O.O.R.P. Hold X'mas Party

On December 18th the Irma O.O.R.P. held their regular meeting at 7 p.m. H.R.L. Darlene Lovig opened the meeting with 31 members present.

Minutes were read and approved. A letter was read from our S.H.R.L. McDonald wishing us a Merry Christmas and a prosperous New Year. Christmas cards and greetings were received from Viking, Wainwright, Holden, Kinsella and Chauvin Lodges. Greetings were also received from D.D. Crozier of Hardisty. A card was also received from Elsie Coultman.

An invitation was received from Chauvin Lodge to attend their January meeting.

A thank you note from Peggy Smallwood for sympathy extended to her and her family during their sad loss was received.

The Sunshine committee reported all is well. Next, our new by-laws were given second reading. Discussion on flowers for the district meeting followed and it was passed that Lynda Pomeroy would make them.

H.R.L. Lovig assigned the committees for work and visiting with #1 to visit Viaks Lodge, #2 to visit our Manor and #3 to visit Battle River Lodge.

We are having our regular St. Patrick's tea and bake sale and raffle in March with committee #4 to handle the raffle and #5 the tea.

H.R.L. Lovig thanked the drill team for assisting with the Elks installation and the committee who attended to the Christmas tea, for the entertainment, for the travelling and also for our Christmas party and lunch.

Eileen Prior extended greetings to all for a Merry Christmas. Betty Parsons brought thanks from her mother, Mrs. McLean, for sympathy to her on the loss of her brother. Mary Histon thanked the Lodge for the gift received when she was sick.

The Lodge closed informally and we welcomed and greeted 54 guests to our Christmas party. Carol singing got everyone in a festive mood. Then our 'Fred Da vis', Carol Prior, conducted Front Page Challenge, with the panel successful in all games.

Next we were entertained by our own exotic dancers. More carols were sung and Santa and his wife were escorted in to give gifts to all.

A delicious lunch was enjoyed by all and a happy social hour was spent.

We wish you all a very Merry Christmas and a Happy New Year.

New Horizon Club

At the last business meeting of the Irma New Horizon Club, a nominating committee was elected to choose a slate of officers for 1980.

The date for the annual meeting was also decided upon, this being Wednesday, January 16th. The annual meeting will be held in the Drop-In Centre and will commence at 2 p.m. It is hoped that as many members as possible will attend this meeting. It should be a very busy afternoon.

All persons 55 years of age and over are elegible to become members of the New Horizons Club. Dues are $5.00 per member per year. We appeal to all in the community, who are eligible, to join up and help strengthen this worthy organization.

Come and join up with us and enjoy the fun and sociability. The centre is open every week day from 2 to 5 p.m.

Irma News And Views

On Saturday, December 29th, Eddie and Howard Jackson, Rick and Phyllis Hammond and Gordon Mark drove to Wetaskiwin to see a hockey game in which a team for whom Bob Jackson was assistant coach was playing. They report seeing a good game even if the Wetaskiwin team came out second best by a narrow margin.

Miss Susan Ho accompanied the Vietnamese couple and their seven year old son, who have recently taken up residence in Irma, to the Strawberry Plains W.I. Christmas party in the Legion hall in Irma on Wednesday evening, December 19th.

They were welcomed by members of the W.I. It is fortunate that Miss Ho is able to communicate with these new-comers to our community. She thanked the W.I. ladies on behalf of the Vietnamese who enjoyed the party.

On Friday, December 28, Minnie Jackson, who had not been well for a few days, went to Hardisty to visit the doctor. The doctor put her into hospital for a few days for tests and a rest. On Sunday she phoned to say she was much better but would probably be in for a couple more days.

Noreen Jackson was home for Christmas and returned to Winnipeg by train on Saturday, December 29th.

Charlie Jackson had five days leave from the Royal Canadian Mounted Police depot in Regina where he is undergoing training which he says is strenuous, however he is enjoying the experience.

Mary and Bert Armitage from Kinsella and Jim Jackson spent Sunday afternoon and evening with Mary and Bob Dempsey.

Mrs. Georgina Enger has returned home after spending two weeks with her sister Mrs. Inez Dunlop of Indian Head, Saskatchewan. Her sister was recovering from surgery. Georgina then spent some time at Cabri, Saskatchewan with her daughter, Mrs. Joy Frain and husband Barrie. They were joined for Christmas Eve celebrations by her grandson Darrel Teeter and wife Barbara of Edmonton.

Mrs. Enger returned home here with Darrel in time to have Christmas dinner at the home of her brother Stuart Fenton and his wife Doris and family. Another brother Eldon and wife Isabell were also able to attend the dinner.

There will be a snooker tournament commencing in the New Year. First prize is a wrist watch, second prize is a wallet and third prize is a box of chocolates. A trophy is being donated by Ernie Jacobson, manager of the Cargill Grain Co. operation.

Survival After Death

What would happen if the company plane crashed, killing the man whose skills as an entrepreneur, technical wizard or administrator had built the outfit single-handedly?

In the struggle to pick up the pieces, its very survival could be at stake.

Chances are creditors would soon be demanding payment of loans, there would be employee uncertainty about the future and debtors would delay payments.

One of the strongest liflines of a company facing this battle is a large infusion of new money. Any key-man insurance is one way to make sure it will be available.

Key-man life insurance is a policy purchased by a business on the life of its top man or woman. Its intention is to provide financial compensation for the death of that person.

According to Dale and Co., Toronto insurance brokers, the death benefit is not taxable in the hands of the company except for the excess, if any, of the policy's guaranteed cash value over the total premiums paid (a tax liabilit that is normally negligible compared to the death benefit). The net proceeds flow into the corporate surplus and capital dividend accounts at a time when loans and supplier credit may be called in and new credit curtailed or shut off.

One broker says: " The existence of a large sum of uncommitted cash from life insurance has made possible the undisturbed continuation of many a corporation."

The use of proceeds from key-man insurance to pay off debts means new management "can survive the temporary decrease in corporate earnings which frequently result from the death of a key man."

Proceeds can also go on a death benefit to the key man's widow and can provide a financial inducement to attract a replacement from outside the corporation.

During the key man's life, the policy's annually increasing cash value becomes a guaranteed, non-liquid addition to the corporation."

The cash values of life insurance policies are preferred collateral security for commercial bank loans and guaranteed security for private loans to the corporation directly from the life insurance company.

According to Dale, increase in cash values are tax free at the time they accrue as are dividends. The existence of corporate-owned insurances on a key-man "by assuring a substantial tax free addition to corporate surplus on his death, can reassure suppliers, banks, minority shareholders and employees that the corporation is a good risk from credit."

One of the problems facing a company that wants to buy key man insurance is deciding on the amount of the policy.

Robert Reid of William M. Mercer Ltd., Toronto, says planners must take the key man out of the scene and look at what would, or could, happen. "It is an extremely difficult evaluation to make and many executives are reluctant to even talk about it at all," he says.

There is no preset formula for evaluating the dollar worth of a company's key man. In the past, the generally accepted idea was to cover the person with a policy of five times his salary, but Reid says, "This doesn't bear any real relationship to specific needs."

As policies of this type have become more sophisticated in light of taxation and other business regulations, he says both legal and accounting advisers should be involved in a company's decision on the amount and type of policy purchased.

Premiums on this type of insurance are usually looked on as an expense of doing business. They usually appear on the statement of profit and loss as a cost, while the cash value is included on the balance sheet as a corporate asset. Since the annual increase in the cash values after a few years ill equal or exceed the annual premium paid, key man insurance is usually considered as having no negative effect on surplus - the premium paid from this and immediately returned in the form of an increase in cash value.

Dale says premiums are not allowed as a deduction from income before corporate income taxes are calculated. Premiums are payments on a piece of property, they are not made for the purpose of gaining corporate income.

Dale also points out there is no depreciation on a key man policy: "Guaranteed accumulations to it during the lifetime of the key man as well as the 'windfall' gain on death is free of income tax." The gain, if any, of cash value over premium cost at the date of death is taxable.

Kenneth Nagel, a consultant with Mercer, says the key man policy payout could increase the value of a business for income tax purposes where the key man is also an owner or part owner.

"However, such possible tax consequences must be weighed against the financial benefits in terms of maintaining profitability, satisfying creditors and customers and finding a replacement for the key man," he says.

Whether corporate-owned insurance on the life of a dead shareholder will affect the value of the company's shares for capital gains purposes depends on the facts in each case, according to Nagel. If the death was sudden, Revenue Canada says it would not include corporate-owned insurance proceeds in the share valuation.

If, however, death resulted from a lingering illness, it would attempt to add some, or all, of the insurance proceeds.

While not a new insurance idea, key man insurance has been making gains in the past five years as company officials become more aware of its benefits. Purchase of such a policy often depends on the aggressiveness of their insurance advisers and how up-to-date their thinking is, says Bernard Finestone, of Abbey Finestone/ Inc., Montreal.

"With esoteric types of insurance like this there is a great number of companies who could benefit from it but the numer who actually use it is relatively small," he says. "But judging from the articles in the Revenue Canada Bulletins, and the changing of the rules every six months, it must be a relatively active field."

Finestone says the banks seem to be the best promoters of key man insurance. This is because bank managers can best identify the key men and ask for the appropriate incurance to tide the firm over the potential loss. They also request that policies be assigned to the bank itself to support loans.

WHAT CAN YOU DO ABOUT HIGHER HOME HEATING COSTS?

A well-illustrated home study course is now available to answer all your questions on building or renovating for energy conservation.

By enrolling in the **Farm Home Planning Course**, you will learn practical, up-to-date home planning, siting, financing, decorating and construction principles. The complete course includes eight weekly lessons (a total of 450 pages with almost 400 illustrations), news columns, television and radio programs, seminars and workshops. Although the emphasis is on farm homes, the information applies to acreage or urban sites as well.

For more information, contact the **District Home Economist** at your local Alberta Agriculture Extension Office or register **now** with a $25 cheque or money order payable to:

University of Alberta,
Faculty of Extension,
Edmonton, Alberta T6G 2G4

(Specify Option A, New Home Planning, or Option B, Remodelled Home Planning)

NOTE - Registration Deadline is January 15, 1980

farm home planning course

Otto George Sorenson Laid To Rest

Otto George Sorenson died suddenly at home on Friday, December 14, 1979. He was 68 years old. He had lived all his life on the same family farm near Viking where he had been born on January 6, 1916, the son of Ole and Martha Sorenson. He was baptized in the Golden Valley Lutheran Church on February 9, 1916.

Otto was educated at Poplar Hill School and at the age of fifteen left school and began farming on the family farm. He has farmed ever since and took joy this year in finishing the last of the combining himself.

On December 9, 1952 Otto married Thelma Severson and together they have made a home and raised a family, three sons and one daughter. Otto loved his family and found joy in being a husband and father. He celebrated family life and rejoiced at Leonard and Marlys' wedding and at the engagement of Alvin and Lois.

Otto's interests and affairs have been simple ones — faith in God, his family, his home and his work. He enjoyed his work and did it well. Recently he has had the pleasure of watching his sons take over and expand the work of the farm.

Otto was a Christian and he lived life under the sign of the cross and in sure hope of the resurrection from the dead. God's word and its hearing, reading, and study were as natural to him as breathing. He provided the opportunity and encouragement for his family to attend Bible School and be grounded in God's Word. He served his Lord in the Church and sincerely desired the health, strength and unity of the Church in every way.

Otto was predeceased by his father in 1962 and his mother in 1962 and by two brothers in childhood.

Rejoicing in the memory of his life and love are his family: Thelma, his wife; his sons, Leonard, Alvin and Gordon and his daughter Marie. His brother Carl and his sister Myrtle Arntzen. One aunt, Belle Sorenson, one niece, Evelyn Bradley and three nephews, Austin, Raymond and Merlin Arntzen. His cousins here in Canada include Stan Severson, Karen Cottrell, Lillian Fitzmaurice, Olaf Sorenson, Melvin Wolden and Nellie Cummins. He also has a number of cousins both in Norway and in the United States.

The funeral service for Otto Sorenson was held on Tuesday, December 18, 1979 at Golden Valley Lutheran Church in Viking, with Pastor Tim Johnson officiating. Each of his sons participated by reading a lesson and giving a greeting to the congregation. Also taking part were Pastor Dave Larsen, soloist Stan Severson and organist Ina Sorenson. Favorite hymns of strength and faith included "A Mighty Fortress is Our God", "Joy To The World" and "On Our Way Rejoicing".

Active pallbearers were nephews Austin, Merlin and Raymond Arntzen, Ed Djos, Don Litwin, and Marvin Severson. Honorary pallbearers were Edwin Klein, Wilf Leidl, John McIntosh, Harry Rauser, Bob Stevens and Elmer Tennant.

Blessed be his memory [illegible].

Strawberry Plains Christmas Party

The Strawberry Plains Womens' Institute held their Christmas party in the Legion Hall in Irma on Wednesday evening, December 19th. At about 7 p.m. approximately fifty people were on hand to take partake of the bountiful pot-luck meal which was set out for them. The meal was much enjoyed by all. After the meal the floor was cleared and an entertaining program was presented.

The W.I. president Betty Paszter welcomed those in attendance in a few well chosen words. Owing to the absence of Mr. Alex Smallwood, who had served as the master of ceremonies for many years, Jim Jackson took on the duties

Several carols were sung with Doreen Bell at the piano. A reading "Merry Christmas" was given by Mona McKay followed by a piano medley by Linda Tomlinson.. Lorna Jackson then conducted a contest in her usual efficient manner which caused much merriment.

Next on the program was a reading "Christmas Is Here" by Betty Paszter. The group then sang two carols. Linda Tomlinson then gave a recitation "Jessies Plan", followed by a piano solo by Irene Tomlinson. Minnie Jackson then presented a reading with more carol singing.

Lorna Jackson conducted a unique type of bingo in which everyone became involved and which was a lot of fun. During the singing of "Jingle Bells" Santa arrived and as usual dispersed the presents from under the tree with the help of a few willing assistants.

Irma Resident Passes

A long time resident of the Village of Irma was laid to rest. A funeral service for Ethel Luella Knudson was held in Irma United Church on Friday, December 28th at 2 p.m. Rev. Gordon Wilson officiated at the service.

Mrs. Knudson passed away on Tuesday, December 25th in the Wainwright Auxiliary Hospital at the age of 88 years.

Hymns sung were "What A Friend We Have In Jesus" "Abide With Me" and "Rock Of Ages". Pallbearers were Martin Cressy, Keith Currie, Ralph Erickson, Lorne Fuder, Fred Jack and Bert Smith.

Interment followed in the Irma Cemetery.

AGT
GOOD NEWS PARTY LINE

A Public Meeting will be held in the Kinsella Memorial Hall, Monday, January 7th at 7:30 p.m. The meeting is being held with regard to sewer and water services for the Hamlet. All residents and interested parties are invited to attend.

The Viking 4-H Light Horse Club will be holding a bottle drive on January 5th from 10:00 a.m. until 2:00 p.m.

The Viking O.O.R.P. will be holding their January meeting on Wednesday, January 16th.

The annual meeting of the Viking Historical Society will be held at 8:00 p.m. Wednesday, January 16th in the Senior Citizen Drop-In Centre.

The Viking Chamber of Commerce have selected the Norbert Bauer and the Louis Merta residence as winners of the "country" light-up for Christmas campaign and the Albert Stubert and Bob Evans residence as "town" winners. Congratulations.

Vialta Lodge News

On December 16th our Christmas Party was held at the Lodge with a delicious turkey dinner and many other goodies. Residents invited family and friends for an early supper at 3:30. We all enjoyed the afternoon meal also the visiting and reminiscing. Everyone reports an enjoyable day.

Many residents went out to celebrate Christmas with their families. Those staying home at Vialta enjoyed a Christmas dinner with all the trimmings and enjoying each others company and the visitors who called. Everyone was thankful for the beautiful weather which helped make travelling more pleasant.

Several groups came to Vialta to sing carols and help make the season more meaningful. The grades one, two and five from Viking School accompanied by their teachers, Viking Brownies, Guides, Pathfinders, Holden Brownies and some of their leaders, Lutheran carol singers all dropped by during the holiday season. Also we appreciated the Christmas Service with all ministers taking part. We appreciated all your visits. Come again next year!

Seasons Greetings and get well wishes go to Mr. Joe Beschell at the Glenrose Hospital and Mr. Taylor and Mrs. Hurst in the Viking Hospital.

Birthday greetings to all those having birthdays in December which includes Mrs. Elness, Mr. Lindberg, Dutchy and Mrs Thompson.

Residents and staff would like to take this opportunity to say thank you to all our friends who came to visit, sent cards or gifts of any kind. We trust you had a Merry Christmas and wish you Good Health - Happiness and a Blessed 1980.

Callers at the Lodge during the Christmas holiday were Ray and Darlene Fednuk of Edmonton, Bob Cotter of Calgary, Irene and Zig Millard and Adelle Jones of Edmonton, Shirley Scott and Tanya of Holden, Mrs. R. Dinwoodie and J. Maximovich of Vegreville, Anne and John Brumhall of Ranfurly, Ida and Phil Austin of Ranfurly, Carol and Wilfred Heigeland and boys of Camrose, Foster, Faith, and Sara Soddaby of Edmonton, Cliff, Rosemarie, Cameron and Stuart Cunningham of Edmonton.

Other visitors at the Lodge were; George and Carol Oslund of Sherwood Park, Brad and Patrick Oslund of Sherwood Park, Eric and Pat Mansell of Innisfree, Gladys and Orville Bezaire of Lloydminster, Elina Campbell and Jean Dake of Vegreville, shirley, George and Leila Cook of Edmonton, Doris Likness and Alva Spring of Irma, Lorraine, Keith and Jackie Laube of Holden.

Mr. and Mrs. Murray McIntosh, Jas, Linda Dale and Grant Masson, Sandy David and Elizabeth Roddick, Pete and Dave MacArthur, Sean Ferguson and family, George and Bernice Dammond, Mrs. G. Baron, Carmen and Troy, Alf and Jenny Ebeltoft, George Reid of Shoal Lake, Manitoba. Alf and and Jenny Ebeltoft, Ardis and Robert Haeberle, Murray Cottrell of Cranbrook, British Columbia.

Cliff Thengs of Chilliwack, B.C., Harry and Dorothy Laws of Camrose, Florence Walters of Czar, Violet Haas of Myrnam, Gordon and Betty Holmes, Ben, Carol and Tani Holmes, Phil and Ida Austin, Bill Eickmeyer, sina Mackey and Karen Ebeltoft.

Anniversary Money To Go To People

The largest allotment of funds designated for Alberta's 75th Anniversary celebrations is going directly to the people by way of a per capita grant allocation, according to Mary Lemessurier, Chairperson of Alberta's 75th Anniversary cabinet committee.

The grant amounts to $20 per capita. Working from a $74.245 million budget, the grants total over $41 million and will be distributed to every city, town and municipal district.

Indian bands and Metis settlements throughout the province are also included in the per capita distribution.

The per capita grant will be issued in accordance with Alberta Municipal Affairs grant regulations and population statistics as of June 1979.

Alberta 75 will provide direct financial assistance to approximately 200 proposals submitted to the commission for consideration. Over 1800 submissions were received from a wide variety of groups and organizations throughout the province.

Mr. Lemesurier said, "The selection committee believes the proposals receiving direct funding from the commission positively reflect the nature of the 75th Anniversary celebrations, both for the people of Alberta and Canada.

Although grants had been initially proposed at a lower per capita level, the overwhelming response to the advertising convinced the commission that the sincerity and enthusiasm displayed by Albertans in their proposals warranted an increase in the per capita grant.

Mrs. Lemesurier said that it is not the intent of the government to interfere in any way with the allocation of the grants given to the municipalities.

A number of projects in the Province will receive promotional support but will receive no financial assistance from the committee. Some of the projects receiving financial support are the awarding of gold and silver medallions to Albertans 75 years of age and over; Alberta Culture's Festival of Arts throughout the summer, a photo exhibition and a provincial art review and a "Gallery on Wheels" will tour the province. As well as these, two Bronze sculptures featuring Princess Louise Caroline and Chief Crowfoot will be created by Albertans for the Legislative building rotunda and Hurtig Publishers of Edmonton will be publishing an encyclopedia to commemorate the 75th Anniversary. The encyclopedias are slated to roll of Alberta presses in 1985.

Card of Thanks

We would like to extend our thanks to Dr. Bennett, the pallbearers, Earl and Rose-Mae Kjelland, to Stan and Ila Sorenson and Pastor Dave for their part in the service, to Pastor Tim and Bev, to the L.C.W. for serving lunch and to all the friends and relatives who gave us their support and sympathy by sending cards, food, memorials and flowers and by coming and being with us. We are grateful to all of you for your love and concern. Thelma, Leonard and Marlys, Alvin and Lois, Gordon, Marie and Carl Sorenson. 46p

We would like to thank Dale Nilson, Dwight and Kevin MacKay for stopping right away and going for help; to Linda and Mel Pomeroy and Phyllis and Wayne King for administering first aid; to all the others who stopped with blankets or helped in any way after our car accident. Many thanks also to the ambulance driver and attendant. Special thanks to Dr. McGechan, all the nurses and staff at the Wainwright Hospital, everyone who sent cards and flowers and everyone who came to visit while in hospital. It was all really appreciated. Thank you.

Anita Newton and
Linda Willans 46p

I would like to thank the doctors and staff of the Viking Hospital for their good care during my visits. Also the doctors and staff at the University Hospital - you were all so wonderful. Many thanks to my dear relatives and friends for kindness shown through the year. God Bless and a sincere wish for a Happy New Year. Agnes Gilpin 46p

A most sincere thank you to our friends and relatives for the many acts of kindness shown us in the loss of our beloved husband, father, and grandfather, Cliff Smallwood. The cards, visits, floral tributes and baking meant so much to us and the memorial donations in his memory were greatly appreciated. Special thanks to Rev. Wilson, the organist and the choir of the Irma United Church, to Harry Crouch, the Honorary Pallbearers and the Masons who acted as pallbearers, the Masons for the graveside service they conducted at the cemetery, to the members of the U.C.W. and the Eastern Star and to friends who brought lunch and helped serve at the house following the funeral. Thanks to everyone who came to the funeral and out to the house afterwards to share a cup of coffee with us. Everything has been appreciated.

Peggy Smallwood, Loraine, Bill, Daryl, Gerry, Patrick, Marian, Butch, Brent, Greg, Sherri, Tracey and Doug Fischer, Carole, Keith, Darren and Cara Conrad, Bob and Donna Smallwood. 46p

CARD OF THANKS

I would like to thank the doctors, nurses and staff of the Viking Hospital for all they did during my stay in hospital. Maurice Cumming 46p

Read how lubricants made from the patented Gulf HydroTreating (HT) process provide superior performance and long life.

All lubricants are no longer the same.

All Gulf Canada farm lubes are now being formulated from base stock produced by the patented Gulf HT refining process, in the new Gulf Canada $215 million lube refinery.

Laboratory tests at Gulf's Sheridan Park Research Centre have shown that the lube products produced by the HT process can:

- ✓ Decrease equipment downtime
- ✓ Reduce sludging and friction
- ✓ Provide long lube life
- ✓ Improve performance
- ✓ Reduce equipment maintenance
- ✓ Assure quality

On the left, base stock refined by the conventional method. On the right, crystal clear base stock refined by Gulf's patented HydroTreating process. Selected additives are then blended with this clear base stock to produce high quality finished lubricants. Since we begin with a better base stock, we end up with a better product. And even though all lube products (Gulf's and others) may look the same when you buy them, be assured that all lubricants are no longer the same.

All Gulf farm lubricants are now formulated with HT for your farm use.

Quality assurance, overall product advantages and an assured supply make Gulf HT lubricants the best you can buy. Call your Gulf agent for the complete HT story. He can show you how you can save time and money with the Gulf products you use most.

The Symbol of Achievement Excellence

Warranty Protection.

Gulf farm lubricants work. We guarantee it:

Gulf lubricants are guaranteed to meet the lubrication specification requirements for warranties of major farm equipment, truck and car manufacturers when used in accordance with recommended application and service procedures.

Gas Kings Hockey Report

On Wednesday, December 19 the Viking Gas Kings hosted the Hardisty Stampeders in a B.R.H.L. games, defeating the visiting club 10 to 2. Viking took a 1 to 0 lead after the first period and increased their lead to 5 to 1 after 40 minutes.

Both Gordon Rattray and Doyle Wincura notched hat tricks for the Gas Kings, while Blair Quinton provided two goals and single markers were scored by Ray Rattray and Kenny Lefsrud. Doyle Wincura also collected four assists, while Gordon Rattray counted for two assists. Single assists for the Gas Kings went to B. Quinton, R. Rattray, K. Lefsrud, K. McInroy, M. Wemp and L. Laskosky.

A total of eleven minor penalties were called during the 60 minutes with Viking being tagged with six minors.

On Saturday, December 22, the Gas Kings travelled to Daysland and defeated the home team by a score of 5 to 3.

Gordon Bodnar opened the score for Viking in the first period with assists going to K. Lefsrud and R. Rattray. Barry Field, assisted by M. Wemp, collected Viking's second goal while Kirk McInroy, assisted by K. McGinitie and G. Rattray, completed Viking's scoring in the first period. Gerry Blatz netted two goals for Daysland in the first period.

In the second period, Gordon Rattray scored unassisted while Lee Laskosky, with an assist from R. Rattray, completed Viking's scoring. Gerry Blatz completed Daysland's scoring with his third goal of the game.

The third period was scoreless resulting in a final score of 5 to 3 for Viking.

Viking was tagged with ten of the fourteen minor penalties called in the game, with each team taking one major penalty.

Irma Tom Thumbs Win Two

Saturday, December 22 found the Irma Tom Thumbs travelling to Hardisty. Both teams played well but Irma managed to come out on top with a final score of 6-5.

Stacey Larson was the major goal getter for the team with a hat-trick. Troy Ronjom, Vicky Kellar and Jody Fenton each scored one goal.

On Saturday, December 29 Hardisty returned to Irma with a good crowd to cheer on both teams. Greg MacKay scored five of the nine Irma goals. Stacey Larson, Leonie Larson, Ron King and Shannon Archibald all scored one.

David Watkins scored four of the Hardisty goals and Jason Broughton scored one.

1980 Winter Games In Motion

There is less than nine weeks before the outcast of the 1980 Alberta Winter Games in Grande Prairie.

Already, thousands of Albertans from all ages and walks of life are preparing for zone eliminations that may qualify them to enter the provincial games February 28, 29 and March 1.

In rural central Alberta a school principal practices racquet ball, table tennis and chess in preparation for local eliminations leading to the 1980 Alberta Winter Games. Thirty year old George Ton of Rich Valley Public School has entered three events in hopes that he will qualify in at least one in order to enter the Winter Games. George says he is in it "just for fun".

Kelly Classen, a 16 year old Red Deer student is unable to compete in Zone 4 boxing play-offs due to a shoulder problem. Instead, Kelly is training eight school mates in hopes that some of them will qualify to compete at the Winter Games February 28 to March 1. The event is designed for boxers who have had less than six bouts. Classen feels the Games will give his boxers "a chance for exposure".

Margaret Asquith, wife, mother and part-time teacher at Winterburn School has entered racquetball play-offs in Zone 5. She played tennis in the 1979 Summer Games and is an avid long distance runner. The 35 year old British born teacher is no master at raquet ball but has "the strokes, the stamina" and the keen desire to take on a challenge. She is pleased that the Games offers her the chance to compete in her own age category.

These are just three of the 60,000 Albertans expected to become involved in some eliminations during the next two months.

Full-steam zone movement efforts are expected to double local participation compared to the 1976 Winter Games held in Medicine Hat.

According to Alberta Games Zone Director, Merley Roelofs, a shift in emphasis has put zone co-ordinators and volunteers in the limelight to encourage local involvement. It is going to pay off in participation.

The Games cultural component was introduced at the 1979 Summer Games in St. Albert. The program will be fully implemented for the 1980 Winter Games and about 4,000 Albertans are expected to become involved in cultural activities prior to the Winter Games in Grande Prairie.

Cultural programs include photographic contests and student art competitions as well as the production of an ethnic performance Celebrate Alberta and the compilation of an international dessert cookbook.

Special events like chess and senior's cribbage tournaments are also expected to increase local involvement.

Senior's programs are flourishing and stirring interest in cribbage, cross country, bowling and curling events. Seniors are welcome to compete in most other events as well.

Broomball and gymnastics have been introduced to the upcoming games bringing a total of 25 events. There were 21 events in the 1978 Winter Games.

Perhaps the most apparent variation in the 1980 Winter Games will take place in the host community of Grande Prairie.

In previous Games, participants arrived in two shifts and were welcomed in separate opening ceremonies. This year, the Games hopes to instill a broader sense of fellowship by bringing participants together in one shift. Visiting competitors will have more time to tour the area and meet other Albertans.

By-Election To Be Held For District 3

With two candidates confirming their intention to represent District #3 on the County of Beaver #9 council, a by-election will now be held.

A. Robert Cress, Secretary-Treasurer and Returning Officer for the County of Beaver #9 advised that following the close of nominations at 12 noon, Saturday, January 4th, Stewert Willard McMullen and Gordon Leonard Hoines will seek election for the office of Councillor to represent District #3.

Stewert was born and raised in the Viking area and he and his wife Ruby are engaged in a mixed farming operation located northwest of Viking. Following marriage, the McMullens raised three sons, two of which have made their homes in the Viking area and the third taking up residence in Leduc.

Gordon Hoines, born and raised in the Viking-Bruce districts is no stranger. Gordon is actively involved in the field of agriculture with a mixed farming set-up established south and east of Bruce.

The by-election for councilor to represent District #3 will be held on February 1st. There will be only one polling station for this election. Residents of District #3 will cast their ballots at a central location in the hamlet of Bruce.

The successful candidate will retain the councilor's seat until the next general election which is scheduled to be held in the fall of 1983.

Grand Challenge winners in the Viking Curling Club's "1980 Farmers Bonspiel" were the Debry rink of Viking. Curling in rights) Skip - Lyndon Debry, Third - Bruce Debry, Second - Lyndon Wilson, Lead - Maurice Parmenter.

Revision Of Rural List Of Electors

A revising process will be undertaken to update all electors lists. The revising process in rural areas will take place from January 7 to January 30 inclusive. However, in a rural polling division, if your name is not on the voters' list on polling day, you can still be "vouched" for by a voter whose name is on the list for your polling division.

The Returning Officer will explain to a voter how to have a name of an eligible elector added to the voter's list, or have a name deleted, or corrected.

In an urban polling division, a revising officer is appointed by the senior district judge. The revising officer will hold public sittings from January 25 to February 4, when applications are received for changes to the preliminary voters' list. In a rural polling division, revision will be done by an appointee of the Returning Officer.

Revising agents also are appointed by the Returning Officer of an urban electoral district. The revising agents will visit any place in the electoral district at the request of the elector to complete the applications of individuals whose names are not on the preliminary list.

At the time an elector completes his or her application to be placed on the revised list, he or she will be informed of the location of his or her polling place.

To be eligible to vote in the general election, a person must be 18 years of age or over by polling day which is February 18, must be a Canadian citizen and an ordinary resident of the polling division on December 31, 1979.

In the last federal general election of May 22, 1979, there were 15,184,393 names on the official list of voters.

The revised list will possibly affect 1.8 to 1.9 million people.

"This is why we are emphasizing the revision process", Mr. Hamel, the Chief Electoral Officer, said. "We are not only extending the period of revision, we are also increasing our information program so that all voters will know that this process is available".

Mr. Hamel said that the decision not to carry out enumeration was not a matter of cost, since the "savings" would be offset by the greater effort an resources being placed on revision and on the information program.

"The decision not to enumerate arose from logistical problems," he said.

The substantial numbers of forms and printed material, about one million kilograms (two million pounds) in all, could not be moved, mailed and delivered to all 282 electoral districts in time to carry out enumeration for a February election. This resulted in part from the time of year -- the heavy mail loads of the holiday season.

"Although the mechanics of preparing the voters' list are changed slightly, the spirit of the law and the basic process are intact and unchanged", Mr. Hamel said. "The objective has been and still is to give every eligible person the maximum opportunity to exercise the right to vote".

Viking Fire Department Expresses Concern Over Lack Of Volunteers

Concern over the shortage of firefighters in the Viking area was expressed at the regular January Viking Town Council meeting. Chief Gordon Draper and Deputy Chief Bill Kamphuis of the Viking Volunteer Fire Department attended the meeting to discuss the department.

Councillors questioned the firemen as to how this situation could be rectified. One idea was that the hourly pay of the volunteers should be raised from its present level of $5.00 per hour while fighting fire. The Council felt that this rate should be doubled as a possible incentive to local people to join the department. Council also decided to advertise for volunteers in hopes of improving the department manpower situation.

Concern was also expressed that little had been done by the County of Beaver to train rural members to act at fires outside of the Town of Viking. Some councillors felt that the County had an obligation to supply fire fighters at rural locations.

Chief Draper also reported that there have been a number of complaints about people burning garbage contrary to the local burning by-law. After some discussion Council decided to draft a by-law which would prohibit burning within the Town limits.

Council was also informed that the County has purchased two-way radios for their emergency vehicles. Discussion followed on the purchase of similar radios for the Town emergency vehicles so that all such vehicles in the County would be able to communicate with each other.

In other Council business, a motion was passed to contact the Alberta Pet Centre in Wetaskiwin and possible engage them to do a dog count in Viking and perhaps enforce the new pet by law by carrying out frequent patrols of the the Town.

Council received a letter informing them that the Local Authorities Board will be holding an annexation hearing on the Town-owned land northeast of Viking on January 30 at 10:30 a.m. in the Viking Council Chambers.

Council decided to contact Calgary Power and inform them of the Town's desire to upgrade the lighting on Main Street and that the Town would agree to the Calgary Power proposal for such work.

Council also hired Muriel Hanson for the full-time secretarial position in the Town office made vacant due to the pramotion of Mrs. Lydia Hanson to Town Administrator.

Old Age Security Amendments Receive Royal Assent

Amendments to the Old Age Security (OAS) Act, introduced by Health and Welfare Minister David Crombie, received Royal Assent Thursday, November 29, 1979.

The amendment to the Spouse's Allowance program removes a provision which terminated the Allowance six months after the death of the older spouse. Now, spouses allowance recipients whose spouses have died will continue to be eligible for the Allowance until they turn 65 and qualify for OAS in their own right, or until they remarry or die, as long as they meet the necessary income requirements.

The amendment also reinstates Allowance recipients who are still eligible but have ceased to receive the benefit in the past as a result of the older spouse's death. The reinstatement is calculated on the basis of the recipient's personal income. Anyone who feels he or she may be eligible for reinstatement of the Allowance should contact the Income Security Programs office nearest them.

The second amendment rescinds the provision which suspended OAS benefits if a pensioner were sentenced to prison for more than 90 days. Also spouses of prisoners lost their entitlement to the Spouse's Allowance benefit at the same time as the prisoner's OAS payments ceased.

Under this amendment, persons in prison will have their OAS benefits reinstated and will continue to receive the benefit during imprisonment and prisoner's spouses will continue to receive the Spouse's Allowance.

The two amendments will benefit more than 5200 persons in the 1980-81 fiscal year and will cost approximately $10 million.

We Could Go Up In Smoke!

At last Wednesday's Viking Town Council meeting, the local Fire Chief and Deputy Fire Chief discussed the shortage of manpower on the Viking Volunteer Fire Department. We know that this situation is not unique to the Viking Department. Most of the other departments in our area have lately been, or are now, experiencing the same problem.

Last year in Viking, the total manpower bill for fighting fires and for fire practices amounted to about $2,340. This is little, very little to pay when we consider the overall value of the fire protection which we all take for granted. The pay for the volunteers should be raised to at least $10 per hour while fighting fires. The Town of Viking has adopted this position and the County should do the same for rural fires.

Also, the County should strive to organize a system through which rural residents can be properly trained in firefighting procedures, and to organize a communications network through which rural residents can be informed of a rural fire once the call has been received by their local fire department. If a fire occurs in a rural area and all of the urban firemen are fighting this fire, there is no one left to cover a town or village fire if one should happen at the same time. If rural firefighters were trained, they could relieve the town firefighters once the arrive on the scene, thus allowing the town firefighters to return to the town in case of another fire.

To alleviate this shortage of firefighters in the area, all efforts should be made to encourage anyone who is able to take part in this most valuable service in our communities. We could be in very serious trouble if the situation doesn't improve!

NOTICE

TOWN OF VIKING

Pursuant to section 157 and 189 of the Highway Traffic Act any vehicle left standing for more than 72 consecutive hours upon any highway (street, alley, public property) may be deemed to be abandoned and may be moved or towed away at the owner's expense.

Residents are asked to comply and move vehicles from Town streets, alleys and property for purposes of street cleaning and snow removal.

Town Administrator

Industrial Milk Price Increase

Agriculture Minister John Wise announced recently that the target returns for industrial milk would be increased from $31.01 per hectolitre ($13.67 per hundredweight) to $32.62 per hectolitre ($14.38 per hundredweight) for milk shipments for Canadian requirements effective January 1, 1980.

The target returns level is calculated according to the Returns Adjustment Formula established in 1975. The formula is monitored quarterly throughout the dairy year. It measures the change in farmers' average cash costs and the Consumer Price Index (which is used to reflect changes in the value of farmers' labor) plus other factors.

When he announced details of the dairy program for the current dairy year which began on August 1, 1979, Mr. Wise indicated that henceforth the Returns Adjustment Formula would trigger a price adjustment whenever a change of at least two per cent was indicated and provided there would be no more than two adjustments (at least three months apart) in the course of the dairy year. Under the previous policy, a price adjustment was triggered when a change of four per cent was indicated.

While an increase of slightly more than two per cent was indicated by the formula in mid-August, a delay in effecting any price changes until after the relatively heavy sales season for dairy products in November and December was considered appropriate.

This policy has benefited consumers by maintaining stable prices for dairy products throughout the fall and Christmas season, while the new price level covering producer cost increases should not disturb the current stability of production quotas, "Mr. Wise said.

The target industrial milk price is achieved through the establishment of support prices on butter and skim milk powder, together with a direct federal subsidy paid to producers.

The Canadian Dairy Commission has been authorized to increase the support prices for butter by 13 cents per kilogram, and for skim milk powder by 12.9 cents per kilogram. (Both are about 5.9 cents per pound.) The new support price for butter will be $3.25 per kg ($1.48 per pound) for skim milk will be $1.97 per kg).

Retail prices for all dairy products such as cheese, yogurt and ice cream will likely reflect increased milk prices to producers.

There will be no direct impact on the price of table milk and cream, the pricing of which is determined at the provincial level.

Mr. Wise expressed his satisfaction with the high level of stability within the dairy industry. During the 16 month 1976-79 quota period, milk production in Canada came to within one-half per cent of national requirements.

The Minister noted the strong current demand for butter and cheese and indicated it is important for producers to ensure there is sufficient milk production to meet national requirements for dairy products.

Market Share Quota issued to producers is currently based on estimated national requirements of 43.22 million hectolitres (98 million hundredweights) and has remained unchanged since June of 1977.

"In recent months there has been mounting evidence that consumption of dairy products is increasing and even with the effects of this price increase, I am confident that the trend will continue," Mr. Wise said.

Canadian Encyclopedia To Mark Anniversary

Without question one of the province's most ambitious undertakings will be Alberta's gift to the nation - *the first Canadian Encyclopedia* since 1967.

Culture Minister, Mary Lemesaurier announced in Legislature recently that as part of the 75th anniversary celebrations, the province will provide financial assistance to Hurtig Publishers of Edmonton to research and publish the much needed Canadian reference work.

To ensure that all Canadians have access to the valuable and important reference work, Alberta will present the new encyclopedia to every school and to every library in Canada. This will total about 24,000 schools and 4,000 libraries.

Publisher Mel Hurtig said public response to the project has been "positively overwhelming".

"We have been flooded by phone calls and letters, especially from educators and teachers and librarians, who are telling us 'that's fantastic' and we're thrilled to hear of the project. Keep on."

The new Canadian encyclopedia will be the most valuable and current reference work about our country the history, people, economy, geography, the regions and provinces, politics, resources, natural history and all things Canadian.

More than three million words will be set out in over 1,700 pages. There will be 300 illustrations including maps and line drawings.

Hundreds of people across Canada will be involved in the project and translation rights will be offered free without royalties or any similar charges to a Quebec publisher so that a French-language edition may appear simultaneously.

The mammoth publishing venture is slated to roll off the presses in 1985.

St. Lawrence Seaway Will Impose Fines

The St. Lawrence Seaway Authority has warned all shipping currently in the seaway that as of December 19th, it will impose fines for tardiness. This will be the first year the Seaway Authority has imposed fines.

Last summer the authority announced it would impose a staggered series of fines on downbound vessels not reporting at the eastern end of Lake Ontario before December 15. It was to cost those vessels reporting on December 16, a fee of $20 thousand and those reporting on December 17th, a fee of $40 thousand and those on December 18th - $60 thousand. After that date the price for tardiness was to be fixed at $80 thousand.

Due to problems caused by strikes during the summer in both Canada and the United States, shipping would have three days grace after December 15th. Traditionally, the closing date for the seaway has been December 15th.

Now, the authority is using new terminology. The seaway has a closing period, rather than a closing date. The closing period is from midnight December 4th until the last ship clears the system.

The late drive to move grain from both Canadian and U.S. ports in Lake Superior has brought more ships than usual into the Great Lakes. Canada is reported to be 1.6 million tonnes behind in meeting Canadian Wheat Board contracts for grain moving through the seaway.

National Leader Makes Visit

Mr. A.J. Malakoe

Mr. A. J. Malakoe, the National Leader of the Benevolent and Protective Order of Elks of Canada, will be visiting the Viking Lodge #83 at their special meeting of January 10, 1980 at 8:30 p.m. Mr. Malakoe hails from Saskatoon, Saskatchewan and has been an active member of the B.P.O.Elks of Canada for thirty-one years.

The B.P.O. Elks of Canada are a fraternal organization founded in Canada in the year 1912 and today has a total membership of over 51,000. They have a national charity objective - the Elks Purple Cross Fund. This fund is a joint undertaking by the B.P.O. Elks of Canada and their auxiliary the Order of the Royal Purple.

The Elks Purple Cross Fund aids any child under the age of 19 for any reason whatsoever provided there is a demonstrable financial need.

In recent years, this fund has expanded to encompass the Elks Deaf Detection and Development Program. This is a national program focusing on the earliest possible identification and intervention of hearing impairment. To date, the B.P.O. Elks and their auxiliary have expanded over two and a half million dollars through this program to aid the problems of the hearing impaired.

The Viking Lodge #83 was instituted in 1927 and today boasts a membership of 112.

Swinging Beavers Dance Club Holds Box Social

The Swinging Beavers Square Dance Club held a "Box Social" on the evening of November 19th. This proved to be a very successful venture. The boxes were all shapes and sizes and the bidding lively.

Allan Zwierschke very capably auctioned the boxes and everyone enjoyed the goodies they had brought.

The club reports having had a very good attendance every Monday night and very good callers. The Swinging Beavers Christmas Dance was held on December 17th with Allan Zwierschke calling. Over sixty people were in attendance for the Christmas dance and the club were happy to welcome Art Ziegler and his wife, also Joe Petrie, who had been ill, although he wasn't able to join in the dancing, everyone hopes he will so be able to do so. So nice to have Bob and Mary Jasvin with us from Red Willow.

The hall was nicely decorated for our Christmas dance and there were several dance prizes and a door prize. At 11 p.m. a lovely turkey supper was served by a group of ladies from Bruce.

This was the Club's last dance in 1979. The first one in 1980 will be on January 7 with Art Ziegler calling.

DATE: January 21 to February 1 (inclusive)

PLACE: Hiseys Welding Shop - Ryley

TIME: Monday, Jan. 21 - 12:00 noon

Dobry Captures Grand Challenge

The 1980 Viking Farmers Bonspiel was once again a resounding success with a total of thirty-six rinks entering the competition.

The spiel drew teams from Killam, Sedgewick, Lougheed, Irma, Kinsella, Bruce, Holden, Ryley, Tofield, Vegreville, Ranfurly, Innisfree and other points.

Teams were treated to excellent ice conditions under the watchful eye of seasoned ice maker Henry Halso of Viking.

The Dobry rink of Viking defeated the Pete Miciak rink of Bruce to capture the Grand Challenge event.

Following is a list of the top four rinks in each of the events hosted by the Viking Club.

Grand Challenge
1. Doug Dobry
2. Pete Miciak
3. Harry Shyba
4. Gordie Maxwell

Second Event
1. Jim Tkaczyk
2. T. Jones
3. George Roddick
4. M. Toverud

Third Event
1. John Nott
2. Keith Currie
3. Don Hafso
4. B. Fowler

The Viking Curling Club greatfully acknowledges the following businesses who donated to the Farmers Bonspiel: Kelly's Hardware, McLeods Store, Place Farm Equipment, Viking Co-op, Howery's Auto and Farm Supply and United Grain Growers. Also a special thank you is extended to all the volunteer workers who helped during the spiel.

Viking Midgets Defeated In "B" Final

Over the Christmas holidays, the Viking Midgets travelled to Wetaskiwin and took part in a two-day, eight team tournament.

Their first game was played on Thursday when they met Edson. The first period found the boys starting out slow and due to the lack of skating and checking, the Edson team scored three goals. It wasn't until the 5:52 mark that the boys got on the board. This was an unassisted goal by Scott Taylor. Two minutes later, Richard Lefarud scored an unassisted goal to narrow the score to 3-2.

The second period saw the team play a better brand of hockey and it proved productive as they outscored Edson 2-1. Scoring for the Viking team was Allan Evans with two goals, with assists going to Kevin Maxwell and Scott Taylor.

Edson caught the boys napping at the start of the third period and scored two quick goals. It wasn't until the 15 minute mark that Viking caught fire with a goal from Kevin Maxwell. Scott Taylor received an assist on this one. Thirty seconds later, Murray Josephison scored with Scott Taylor and Kevin Maxwell assisting. With only three minutes left in the game, Scott Taylor gave Viking the lead while Murray Josephison and David Darling drew assists.

But with only two minutes remaining in the game, Edson tied it up and then the teams went into an overtime period which lasted only 35 seconds. Edson found the net first, defeating Viking 8 - 7 and sending the boys to the "B" side of the tournament.

Friday morning saw the boys on the ice at 8 o'clock to play against the Rocky Mountain House team. Both teams scored once with Eugene Miskew getting the goal for Viking. Joseph Winczura drew an assist.

The second period was scoreless with both goal tenders making good saves to keep the score at 1-1.

The third period saw the boys play one of their best skating and checking periods of hockey and this resulted in four goals. First Kevin Maxwell scored with Allan Evans and Richard Lefarud assisting. Graham Wilkie scored later with Murray Josephison assisting.

At 10:27 Murray Josephison scored with Kevin Maxwell and Allan Evans assisting. David Darling scored Viking's last goal of the game with Scott Taylor assisting.

Rocky Mountain House managed a goal late in the period and when the final buzzer sounded, the boys had defeated Rocky 5-2. This victory put them into the final which was to be played at 4:00 that afternoon.

At 4:00 p.m. the boys skated out onto the ice to play against Leduc. The first period saw the boys outplay Leduc and in turn score twice. Richard Lefarud scored with Murray Josephison assisting. Than at the 10 minute mark, Allan Evans scored with Kevin Maxwell assisting.

It looked like Viking would go into the dressing room with a two goal lead, but then with only 22 seconds left, Leduc scored narrowing the gap to 2-1.

The second period saw both teams have an equal amount of play and both goal tenders came up with some great saves to keep it a scoreless period.

The third period, with some questionable refereeing, found Leduc taking complete control. When the final buzzer sounded, Leduc had defeated the Viking boys by a score of 8 to 2, winning the "B" side of the tournament.

Over all it was a good tournament with good hockey which was enjoyed by all. The Viking Midgets have their next home game scheduled for Friday, January 4th against Coronation, the newcomers to the league.

Bruce And District News

Sandra and Hector Campbell spent a few days visiting Sandra's parents Annie and Rudy Koppel. Sandra and Hector has just returned from Montreal where they had spent Christmas with Hector's parents. Also visiting at the Koppel home were Judy and Douglas Koppel and son Tyler.

On New Year's Day, Ellen and Ernie Dorin were guests at the Walter Dorin home in Edmonton.

Three Bruce rinks skipped by Peter Miciak, Jim Tkaczyk and Ernie Dorin curled in the Viking bonspiel last weekend.

Jean Tkaczyk accompanied son Ricky to Sedgewick where Ricky's hockey team the Viking Pee Wees, defeated Sedgewick. Ricky got one assist during the game.

Annie and Mike Ozubko reported a full house on Christmas Day with 47 family members home to share the Christmas feast.

Myrna and Buster Curtis, Millie and Paul Maloway and Gordon Hoines were fishing to Bouk Lake. By all reports it was a successful venture for they managed to bring home some fish.

Evelyn and Harold Hissett were in Edmonton on New Year's day to spend the holiday with Harold's mother.

Fred Teske, who for the past weeks has been staying in Edmonton with his daughter Judy, has been a patient in an Edmonton hospital. According to the family, he is is much improved health and should be released from the hospital shortly.

Susan Teske of Sherwood Park spent part of her Christmas vacation with her grandma and grandpa, Lillian and Dan Teske.

In memory of Cliff Smallwood from Emil and Ethel Mazankowski and Pat. In memory of Mike Chillibach from Ed and Merle Weder.

IN MEMORIAM

In loving memory of *Roy Myrva* who passed away on January 5, 1978.
His smiling way and pleasant face
Are a pleasure to recall;
He had a kindly word for each
And died beloved by all.
Some day we hope to meet him,
Some day, we know not when,
To clasp his hand in the better land,
Never to part again.
Fondly remembered by wife Irene, children and the Myren and Theng families. 47p

Card of Thanks

We wish to express our most sincere thanks to Dr. Todorovick, Vegreville Nursing Home, members of the Masonic Lodge, Rev. Seal, the pallbearers, organist - Brenda Tuck and the ladies who served lunch. Also to all the relatives and friends who sent flowers, expressions and cards of sympathy, our thanks are extended. Also for donations to the Ranfurly Cemetery, United Church and Masonic Lodge Memorial funds, on the passing of our father, grandfather and great-grandfather. Your love and concern was greatly appreciated. Chandler and Bown families 47p

CARD OF THANKS

I want to thank all the nursing staff and the doctors for the wonderful care I received while at the Viking Hospital. A special thanks to Dr. Bennett and the nursing staff on duty when I was brought in. Also a special thanks to my son Harold and his wife Hilda for getting me to the hospital in time. Jim Jackson 47p

Irma W.I. News

Twelve members of the Irma W.I. met at the home of Mrs. D. Gunn on January 3 and ratified plans for the coming year.

Fourteen parcels of Christmas treats had been packed and distributed to shutins and seniors.

Suggestions for a revised list of baking for the Conference Conference competition were made. Vacancies on various committees were filled, completing a full slate of officers and committee members for 1980.

District #2 Conference and Workshop will be held in Edmonton at the Grey Nuns' Centre on February 27 and 28. The new president, Mrs. Peggy Fleming and one other delegate will attend.

The record sum of approximately $450 has been donated to various charitable projects through the medium of the Community Christmas Card. The W.I. extends a very sincere thank you to those who participated in this worthwhile project.

Two interesting letters from a W.I. member in New Zealand, who corresponds with a member of the Irma W.I. shows that interest in this organization is world wide.

The next meeting will be held at the home of Mrs. O. Darling. Hostesses are Mrs. P. Smallwood and Mrs. P. Craig. The raffle will be by Mrs. Jean Rae. Each member is asked to bring a wrapped article valued at about $2.00 to this meeting. These items will be auctioned after the business meeting has been conducted.

Echo-Rodino News

New Year's Eve came to the Rodino district while a large crowd danced out the old year at the Rodino hall. A pot luck supper started the evening. Later everyone enjoyed Walter Beeton's tapes as they danced and sang the night away. At midnight everyone joined hands and sang "Auld Lang Syne".

Mr. and Mrs. Walter Beeton of Czar and Mrs. Evelyn Beeton of Wainwright were overnight guests at the Prosser home.

Mr. and Mrs. Claude Holar and Shannon were visitors to the Consort area where they visited relatives.

Mr. and Mrs. Bob Williams took in a day in Edmonton where Claudia attended an Artex seminar.

Mr. and Mrs. Larry Mixers and sons of Edson were holiday visitors at the Robert Greenwood home.

Shady Cove W.I.

Ladies of the Shady Cove W.I. gathered at the home of Sophie Comisarow on November 19th for their November meeting. Myrn Forster was acting secretary in the absence of Dora Haeberle. Roll Call was answered by thirteen members and we welcomed one visitor.

Minutes from the previous meeting were approved as read. The treasurer's annual report was read by Kay Dorward in the absence of Treasurer Selma Willans.

Correspondence to be dealt with included an item on a workshop to be held at Wainwright on November 23, with optional subjects to choose from such as bead work under the direction of Gladys Holt. A number of ladies planned to go. An item of composition, "A Safety Song" contest was discussed. Those entering must be an amateur and a member of a W.I.

A discussion centred around our Christmas party. A committee was set up to handle the event.

Kay Dorward read a paper on handicraft centering around the Native Indian's Heritage and their crafts.

Ruth Ash gave a paper on Nutrition and Health. It has been found that poor health in senior citizens is caused by over medication or poor nutrition. Pamphlets were passed out on the subject. She also gave us many hints on buying and money stretchers.

Sophie Comisarow read an article on spices more commonly used. It told how they were grown and processed to prepare them for our daily use.

Sophie displayed the quilt that a few of our members had completed for her which she wished to pay for. It was suggested that she donate $5.00 to our treasury.

The motto given by Sophie Comisarow "Never do today what you can put off until tomorrow". Our next meeting was to be held at Gladys Holt's home on January 21, 1980. Hostesses will be Rita Hasso and Dora Haeberle. Roll Call - winter pastimes. Gladys Holt moved that our meeting adjourn. Lunch was served by Sophie Comisarow and Ida Dorward.

Ida Dorward

W.I. Christmas Party

The Shady Cove Women's Institute held their Christmas party on December 7th in the Viking United Church basement. The meal was a "pot-luck" with a variety of tempting things to eat. The tables looked lovely with Christmas table clothes and decorations.

Gifts were exchanged with our "May Time Pals" and after supper David and Kay Dorward showed slides of the Senior Citizens' trip to British Columbia as well as slides of other trips they had taken.

A number of our people could not be there and we missed them. It was a lovely evening and the members and their families all enjoyed getting together and reminiscing.

Irma News And Views

Alex Smallwood was taken to the Wainwright Municipal Hospital on Thursday evening and is still a patient at the time of writing. The latest report from Alex indicated that his condition has stabilized but he expects to be hospitalized for at least another week.

Fred and Lois Jack had the pleasure of a visit from their son-in-law Gordon Lewis, daughter Elaine and two children from Calgary during the festive season.

Donald McKay drove to Edmonton on Saturday, January 4th and brought his cousin's wife, Helen Smallwood to Irma. Helen had been in the city taking treatments.

It is a well known fact that the weather has always been the subject of comment and conversation. For quite some time this fall everyone commented on the delightful weather we were enjoying. Well, that has changed in the last few days with temperatures ranging to 30 degrees below zero.

On New Year's morning, a practically new pick-up, the property of Larr's Tong Service, was found literally wrapped around a power pole on Main Street. We have heard that charges have been laid. The icy condition of the streets may have been a contributing factor.

Irma Pee Wees rounded out the old year as they played host to Sedgewick on December 29, out scoring them 8 -4. Scoring for Irma were Randy Gamie - 4, Darren Archibald, Darcy Lemieux, Lorne Fischer and Ronnie Boomhower with one goal each.

Nathan and Diana Fuder were visited over Christmas by Diana's parents and brother and family, Mr. and Mrs. Hank Franklin and Detective and Mrs. Henry Franklin, all of Calgary.

Congratulations and best wishes to Mr. and Mrs. Jimmy Ford on the birth of their daughter Janice Pearl.

Holden News

Jim and Terry Lusk have arrived home after spending thirteen days in Los Angeles, California and Mexico. While in California they spent some time visiting with relatives.

Albert and Myrna Rurka of Provost visited several friends in Holden last week. Mrs. Rurka stated that her mother, Mrs. Seaton of Holden is feeling much better after spending over two weeks in the Provost hospital. Mrs. Seaton also made the trip to Holden last week.

She will spend several more days with her daughter before returning to her home in Holden.

Applications are still being accepted for North View Manor, the senior citizens apartment located in Holden. The units were to be rented by the first of January but final touches have delayed occupancy.

John Semotuk was the lucky winner of the bonanza draw for the month of December. John won $500.

One of the new changes in 1980 in Holden will be the change in billing for water consumption. Water meters will be read and bills issued every two months rather than on a monthly basis as has been done in previous years. The first billing will be in February.

The Holden Fire Siren was moved from the water tower to the Village garage.

SPECIAL SERVICES AT SHARON LUTHERAN
January 13th to 17th

A series of services will be held at Sharon on the above dates when Pastor Karl Keller, new director of L.E.M. (Lutheran Evangelistic Movement) will be guest speaker.

Pastor Keller was born and raised at Duff, Sask. His further education was taken at Concordia College, Edmonton; Concordia Senior College, Fort Wayne, Ind. Following completion of vicarage at Denver, Col., he graduated from Concordia Seminary, St. Louis, Mo. and was ordained upon call from Pincher Creek, Alberta, where he served as pastor from 1966 to 1970. From 1970 to 1974 he was pastor of Bethlehem Lutheran Church, Edmonton. Since 1974 he has been on staff of Campus Crusade for Christ. He has served as director of Here's Life Canada and also director of lay ministries in Ontario.

Pastor Keller, his wife Judy, a daughter Kimberley (12) and a son Timothy (10) make their home in Abbotsford, B.C.

Sharon congregation cordially invites neighboring congregations to attend these meetings which begin each evening at 7:30 p.m. Everyone is heartily welcome. Pastor Keller is a speaker with a message.

Do You Know The Bible Says

By Mrs. W. Myers

And Jesus came and spoke unto them, saying "All power is given to Me in heaven and in earth. Matt. 28:18". For the Father judgeth no man but hath committed all judgement unto the son. John 5:22.

And He hath put all things under His feet and gave Him to be the head over all things to the church which is His body..Eph. 1:22, 23 s.

By these verses you will see how important Christ is to the child of God for He is the vine and we are the branches. He is the Head of the church.

Now I don't mean the visible church, but the invisible. The body of the true believers throughout the world - all who have accepted Him as their savior.

God is glorified when we wxalt His Son for His Son was willing to come to this world to die for our sins that the purpose of God might be fulfilled. Therefore I can heartily sing, "Jesus is all the World to Me, My Life, My Joy, My All. He is my strength from day to day. Without Him I am sad. He makes me glad; He is my friend.

Jesus is all the world to me. My friend in trials sore. I go to Him for blessings and He gives them over and over.

He sends the sunshine and the rain. He sends the harvest's golden grain, sunshine and rain....following Him I know I am right.

He watches over me day and night. I trust Him now and I'll trust Him when life's fleeting days shall end. Beautiful life with such a friend; a beautiful life that has no end. Eternal life, Eternal joy: He is my friend.

Friend, when Jesus means more to you than anything else...then you will have the peace I have written about and the joy and the blessed hope of spending eternity with Him.

What could be more right?

Vialta Lodge News

Mr. and Mrs. Norman Ebeltoft of Peace River called in to see Mrs. Elnoss, Elmer Johnson, Mrs. Sorenson and Mr. and Mrs. S. Hoines.

Cecil and Gwen Hooper and Ernie Good visited with Gwen's mother, Mrs. Phena Evans.

Visiting Mrs. Mary Ash was her daughter Mrs. Diana Erickson.

Mr. and Mrs. Ervin Pederson and Ella Heileson called on Mrs. Pederson.

Ian Hoyland was in to see Max Hoyland.

Viking Gas Kings Win Two Consecutive Games

On December 29, Loughee[d] met with the Vikin[g] Gas Kings in league play. The game proved to be a rather lopsided game with Viking defeating the visiting team by a score of 11-2.

In the opening period Loughee[d] stood the ground with the scoring two goals each. Mark W[emp] got the scoring underway for the Gas Kings with an assist from Ray Rattray. The second goal was handled by Ray Rattray with assists going to Mark Wemp and Blair Quinton.

G. Contes and G. Rawla scored the two Loughee[d] goals.

Six goals were tallied by the Gas Kings in the second period. Scoring was handled by Lee Laskosky with two goals and Barry Field, Gordon Rattray, Doyle Wanczura and Ray Rattray all netting singles.

Barry Field scored two goals on assists from Murray Quinton and Mark Wemp, with Kenny Lefsrud and Bruce Harry assisting on the second goal. Kenny Lefsrud, assisted by Mark Wemp scored the final goal of the game.

The three star selections went to Lee Laskosky, Doyle Wanczura and Blair Quinton. Viking received 8 penalties while 9 were handed out to the Lougheed team.

Irma Aces played host to the Gas Kings for the opening game of 1980, which was played on January 2. Irma balanced the scale quite well although Viking again came home with a win, this time the scoring was kept in check with Viking securing 4 goals to Irma's single.

Ray Rattray scored the goal of the first period [with] Lee Laskosky and [G.] Wemp receiving assists. Irma's only goal of the game was netted by Wayne [Mc]Conaghy, unassisted.

Well balanced effort by both teams kept the second period scoreless.

Viking's Gas Kings converged from the third period with an additional three goals. These were scored by Ray Rattray on an assist from Mark Wemp; Gordon Bodnar, assisted by Barry Field and Kenny Lefsrud and the final goal by Kirk McInroy unassisted.

Robin Bittorf, Lee Laskosky and Barry Field received recognition in the three star selection. Penalties were divided as follows: Viking 6 minors; Irma 7 minors.

Player Standings Willmark Trophy

1. B. Quinton	35	6. R. Bittorf	25
2. G. Rattray	25	7. K. McInroy	5
3. L. Laskosky	45	8. R. Nashaul	5
4. M. Wemp	15	9. D. Wanczura	10

CONNIE KALDOR

Singer, song-writer and actress, Connie Kaldor brings a joy of life and a wealth of talent to her performances. In five years she has crossed Canada working in radio, television and live concerts. She has recorded original music for Sylvia Tyson's radio programmes "Touch the Earth", for 25th Street House Theatre, Saskatoon, and for Terrestrial Theatre Pass Muraille, to name but a few of her achievements. Her lively performances cover a wide range of subjects in her own original compositions. She has done warm-up acts for performers such as Valdy as well as Pied Pear, and co-hosted a local CBC Special with the "Dumptrucks" of Regina.

Performed at folk festivals such as:
Bow River Festival, Calgary; Wild Rose Festival, Edmonton; Innisfail, Whitehorse, Asheubeau

Adults: $4.00
Students & Sr. Citizen: $3.00

Water Study Set For Kinsella

At the regular January meeting of the County of Beaver Council on Thursday, January 10th the Council decided to go ahead with a detailed study on the construction of a sewer system for the hamlet of Kinsella. EPEC Consulting of Edmonton will be working on the study during the next few weeks.

Mr. Bob Cross stated that the Council expects the engineering company to have determined a general cost estimate by the March meeting of the County Council so that a decision as to whether or not to construct the sewer system can be made.

Mr. Cross also said that if the go-ahead is given to the project that construction is expected to commence later this year.

In other Council business, some questions have arisen regarding the payment of grant funds to the rural community associations within the County for upgrading of their existing facilities. After some discussion, the Council decided to pay out the full amount of the grant funds as determined by the Regional Recreation Board while it was in operation. These funds designated to the towns and villages in the County have already been paid out according to Mr. Cross.

The County of Beaver Council has agreed to hold an annual meeting this year. The date for this meeting has been set for March 24th.

Viking Elks Welcome Honored Guest

On the evening of January 10th, the members of the Viking Elks Lodge #83 and several other lodges of District 14 had the priviledge of meeting our Grand Exalted Ruler Bro. A. Malakoe.

Grand Exalted Ruler Malakoe spoke to the lodges present thanking them for the warm welcome he had received from all.

Bro. Malakoe went on to challenge all the members present to take up his theme of expansion through communication, suggesting we get together and work out our projects giving more of ourselves to the needs of our lodges and our community, learning to communicate with each other and our neighbors.

Secondly, he spoke of participation. Bro. Malakoe suggested the lodge officers make a strong effort towards getting the younger members involved in committee work and above all, make them feel they are wanted.

Thirdly he emphasized the fact that being involved in the community creates a greater interest for all members.

Last, but not least, our Grand Exalted Ruler reminded us to work with the ladies of the Royal Purple as they play an important part in the community.

Exalted Ruler Bro. John Mattinson ably thanked Bro. Al Malakoe for his words of wisdom.

The evening concluded with the Wainwright Patrol Team giving a demonstration of floor work, after which a bounteous lunch was served and it was rumored that there were several parlor stories told.

Viking Ministerial Sponsors F.L.E. Market

Saturday, January 26th, 1980 is the date for the first session of a six week seminar on sex education - for parents. Put on by the Viking and District Ministerial Association, the program is meant to help sex education happen in its best setting, the home. The sessions will be held each Saturday morning, 10-12 a.m. in the Viking School and run until March 1.

The program is titled FLE Market (for Family Life Education) and it is a place where parents can come to get encouragement, resources (printed and verbal) and other help in doing a difficult job. The six sessions are planned to deal with all the areas that relate to sexuality.

These areas are outlined in an advertisement elsewhere in The Weekly Review and cover areas of communication skills, values and decision making besides the basic area of sex education.

It is hoped that this program can renew parents' determination and ability to do their own education with their own kids. This is the role of the home.

The role of the school and the church is to help this happen. The County of Beaver School Board has approved the program and given their support. In effect they have said, "We cannot take this one over for you. It is best if you do it yourselves," and they are ready to help by opening the school and its facilities. The ministerial has planned and prepared this program, using various resource people, doctors, public health nurses etc., and is committed to helping parents in any way possible.

Now what's your role? Parents of students in Grade Eight are all receiving a brochure and letter directly asking them to be involved. It would be good if all could be involved. Certainly sex education like this cannot be "compulsory". Only you as a parent can make it compulsory for yourselves. All parents are welcome to come. All of those involved in the preparation and approval of this program, (pastors, doctors, teachers, nurses, Hospital Board) hope that many parents will take advantage of the help and assistance offered in this program.

Registration fee for the course is $10.00 per couple ($5.00 for single parents) to cover the cost of bringing in resource people, and to pay for materials which will be supplied to parents. Registration will take place at the school from 9:30 until 10:00 a.m. on January 26.

Enumeration Cards To Be Sent

Over 15 million cards -- called "Notices of Enumeration" -- will go into the mails to Canadian voters this January.

The massive mailing is a key procedure in preparing for the 32nd federal general election to be held on February 18, 1980.

They will go out to all those whose names were on the final, official voters' list that was used in the last general election on May 22, 1979.

The card will confirm that the voters' name appears on the list of electors for the polling division in which he or she was ordinarily residing at the time of the May 22nd, 1979 general election. It will identify the voter's electoral district, polling division number, the location of the polling station and the date and hours of voting.

This is a change from the usual procedure of compiling the preliminary voters' list. The list in past elections was prepared as a result of a door-to-door canvass by enumerators, then was revised into an official list. There will be no enumeration for this election.

In other respects, the process for this election will not differ in any major way. An eligible voter who does not receive an enumeration card in the mail can still get his or her name on the revised, official voters' list. But the voter must take the necessary action to get on the revised list.

A person who is eligible to vote but does not receive a card should contact the Returning Officer of his or her electoral district after January 15 and before February 4.

Those voters who have changed their place of ordinary residence since May 22, 1979 should note that the notice of enumerationwill be sent to their former address, confirming that their name is on the voters' list to vote at the local polling station where they were living at the time. Therefore, if a person has moved since the last general election, he or she must contact the Returning Officer of the electoral district where they are now residing during the revision period on order to have their name placed on the lists and be able to vote. The telephone number of each Returning Officer will appear in Elections Canada advertisements in local newspapers, or can be obtained by calling the local telephone directory assistance number.

Special emphasis will be placed on revising the preliminary lists for this election, according to the Chief Electoral Officer, Jean-Marc Hamelk.

To allow for this extra effort and to give eligible voters adequate opportunity to get their names on the final list, the period of revision has been extended to nine days for urban voters instead of the usual three days. Revision will take place from January 28th to February 4th inclusive (Sundays excepted).

P.D. Day Planned For County Teachers

On February 8th, teachers in the County of Beaver will attend a Professional Development Day at C.W. Seare School in Tofield.

This Day is jointly sponsored by the Board of Education of the County of Beaver #9 and the Beaver Local of the Alberta Teachers' Association. An invitation is extended to parents who wish to attend any of the sessions to do so.

The Theme of this year's P.D. Day is "Coping With The Learning Disabled Child" and the Keynote Speaker will be Mr. Lyle Matta.

The teachers will spend the day attending lecture sessions and workshops by various other qualified experts in the field of education of Learning Disabled Children.

Interested parents may phone or visit the school office in their locality and obtain a registration form. All registration forms must be in by January 25, 1980.

Cold Weather Concern!

The latest cold weather in the area can easily serve to remind us how vulnerable we are if our power or gas were to suddenly be cut off. We can also find ourselves in a frightening situation if our vehicles become stranded on a rural road. These are the hazards of living in an area where temperatures can reach -35°C.

Yet all one has to do is stand in front of any of our schools in the morning to see what little regard some people show for this cold weather. Daily, a number of youngsters from grades one to twelve will arrive on the school buses poorly dressed for the cold. What would happen if one of these buses were to become stranded on a rural road for a few hours when it was extremely cold? Whose responsibility would it be if a nine year old's feet were frozen in just such a circumstance?

The school boards do have rules about bus students being properly dressed for winter conditions. Many of the drivers enforce, or try to enforce, these winter dress rules. But should it be the drivers' responsibility? It is up to the parents initially to ensure that their children are properly attired before they get on the school bus. Parents should not allow their children to get onto a bus without proper dress and neither should the bus drivers. It is an awesome responsibility that our school bus drivers assume when driving a bus full of children. As parents, everything should be done to minimize the possible problems which these drivers may experience.

The time to ensure that each child who rides on a school bus is properly dressed for the cold weather is now. Let's not wait until we have a tragedy!

Letters To The Editor

Dear Sir:

The Town of Vegreville will host the 1980 North Eastern Alberta Winter Games on March 7, 8 and 9.

On November 20th, I was named Co-ordinator for the Games. As an introduction to myself, I submitt a brief resume of my past history as related to the games.

My name is Don Potherbridge, I am 36, married with one child. I was chairman of Yellowknife North West Territories: Caribou Carnival for two years after having worked with the carnival chairing various committees for previous years. As a member of the media I was involved with the Arctic Winter Games in Anchorage, Alaska and Schefferville, Quebec. Also as a media member I worked with the North West Territories team at the Lethbridge Canada Winter Games.

Planning for the North Eastern Alberta Winter Games has been ongoing since November 20. Zone Co-ordinators have been named in all zones to date and the technical package for the ten sports and two cultural events have been finalized.

If you have further questions about the Games, please feel free to call me at 632-3100.

Don Potherbridge
Games Co-ordinator

WANT TO WRITE?

A love of reading, a fascination with words and a desire for self-expression led me to creative writing. I have found it exciting, absorbing, fulfilling and even profitable.

My interest began in childhood. Encouraged by a favorite teacher, I began scribbling stories and poems in odd moments and gradually formed the vague idea of becoming a writer when I grew up.

When I mentioned this ambition to others though, few took it seriously. After several sly smiles and patronizing pats on the head, I began to realize that no one could believe that a perfectly normal, familiar little girl could become a writer. People thought of writers as extraordinary creatures who existed in distant places and lived exotic lives.

In a way, I had the same romantic, unrealistic notions, but I have a stubborn streak and I clung to my dream through skepticism, discouragement and outright statements of impossibility. True, I didn't know how to become a *writer* and had no contacts with anyone who was, but somehow my ambition remained even when I went to university and trained as a teacher. Marriage and a new career diverted me for a time, but not permanently.

Today I can say with pride, *"I am a writer"*. I am the author of five books three of which will be in classrooom sets in every school in the Province of Alberta this year - and dozens of published stories and articles.

Can you also become a writer? Of course you can if you want to and are willing to try, try and try again. And your dream may be much easier to translate into reality than mine was at first.

When I started, I had to do it all alone and it was hard to gain professional knowledge of writing techniques, editorial requirements and marketing by trial and error. Now, there is the Film and Literary Arts Branch of Alberta Culture under the direction of the dynamic John Patrick Gillese to give new writers practical help, inspiration and the self-confidence to write, write, write.

The program he and his assistants organized have helped me to go far beyond the tiny measure of success I had achieved before this branch was created. They can do the same for you. Moreover, because of Mr. Gillese's influence, local writing workshops are now spread across the province to give you help and encouragement. Competitions, writing classes and burgeoning markets for material also exist in Alberta.

Do you want to write? Get started. There is nothing stopping you.

by Sharleen M. Chevraux
Killam, Alberta.

Land Leasing Arrangements

Bill Brase, District Agriculturist

In view of current developments in the grain sector (depressed prices and continually rising costs), farmers who are renting land should review their old land leases and study alternative types of arrangements to determine the best for their particular circumstance.

In the long run "the best" is also "the fairest" and the fairest method of land leasing is to use the relative contributions of each party as a basis for calculating the amount of rent to be paid in cash or in crop share.

CROP SHARE LEASE

Traditionally with a crop share lease the landowner supplies the land and buildings while the tenant supplies the labor and machinery and pays operating expenses. However, since there are many variations, it is important to examine the relative cash and noncash contributions of each party. (A one-third: two-thirds split between landlord and tenant may be fair, but to satisfy both parties, the facts and figures should be down on paper.)

POINTS TO CONSIDER

The landlord and tenant share the risk and uncertainty of grain prices and yields.

The tenant has a further incentive to use good farming practices if the landlord pays a share of the cost of seed, fertilizer and chemical.

The landlord may be willing to sign a longer-term share lease than cash lease, thereby increasing the renter's security of tenure and time horizon for planning major machinery investments.

The landlord and tenant may disagree on major management decisions such as the optimum amount and type of fertilizer and chemical to use, cultural practices and amount of summerfallowing to be done.

Grains from superior farming ability or leases from inferior ability are shared with the landowner.

The landowner has no short-term guarantee of covering his investment costs.

CASH LEASE

The most common form of cash lease is one in which the tenant receives all of the income and pays all of the expenses, except taxes and building insurance, in return for a fixed cash settlement. Since the tenant is bearing all of the risk of poor crop yields, the landlords contribution should be adjusted downward to compensate.

For example, his share should be reduced by 10 per cent if, in the long run, one year in 10 is a reasonable estimate of the frequency of crop failures for this area.

To establish a fair cash rent, the expected gross returns per cultivated acre are calculated using average yields and average prices. This gross return figure is multiplied by the landlord's adjusted share of contributions to determine the cash rent that should be paid.

POINTS TO CONSIDER

The landlord receives a guaranteed return on his investment because the tenant must pay the fixed rent even if low prices and poor crops occur.

Many potential areas of disagreement are eliminated since the tenant has more flexibility in production and management decisions.

The tenant receives all the benefits of good production and management practices as long as he is renting the land. Because of the wide fluctuations in grain prices, cash lease agreements are usually short term. Hence, the tenant has less incentive to use improved cultural practices, the benefits of which will accrue in the long run and not necessarily during the term of the lease.

Accurate yield determination is of lesser importance than in the crop share lease.

A "fair" rent now may be "unfair" before the term of the lease has expired because of the uncertainty of prices and yields.

FLEXIBLE CASH LEASE

The advantage of a flexible cash lease over an ordinary cash lease is that price risk is distributed between the landlord and the tenant. As with cash lease agreements, the contributions approach is used as an adjustment for yield risk made to determine an equitable contribution ratio.

The next step is to calculate the base annual rent in bushels per cultivated acre. Then reduce the average yield of a crop commonly grown in the area by the percentage of rented land to be summerfallowed. Multiply this base annual rent by the total realized price to arrive at cash rent per cultivated acre.

Since the flexibility of the agreement centres around price determination, it is very important to specify in the agreement the way in which price is calculated. For example, if Canadian Wheat Board prices are to be used, the type of grain, grade, (a delivery point must be specified). Alternately, if feed grain prices are used, an average price for 30 days prior to the rent payment is made. It is also important to specify when payment of rent will be made since if wheat board prices are used, the final payment will not be known for some time.

POINTS TO CONSIDER.

A well thought out flexible cash lease may facilitate longer-term leasing arrangements.

Both the landlord and tenant share in some of their risk and uncertainty of variations in prices and yields.

With the flexibility of the agreement based on price, considerable time may elapse before final payments are know. However, with open market feed grain marketing numerous alternatives are available.

A flexible cash agreement which is too complicated provides for misunderstanding. Adjustments for actual price and yield variations are best obtained by using the crop share method of leasing.

Grant Increase Welcome!

Scott Saville, President of the Alberta School Trustees' Association welcomed the early January announcement by the Minister of Education of the $80 million increase in grants for basic education for 1980. The increase provides for a 9.3 per cent increase in per pupil instructional grants to school boards.

"It is interesting to note that the 9.3 per cent increase in per pupil grants happens to coincide with the Canadian Price Index of 9.8 per cent. Is the increase supposed to reflect government's high priority for basic education with due consideration of inflation, equalizing education opportunity, meeting special needs and enhancing the quality of education?" observed Mr. Saville.

While each individual board of education because of enrollment changes and assessment mix will be affected differently by the announced increase, Mr. Saville was hopeful that by keeping within the 7.5 to 9 per cent wage guideline, boards would be able to stay within the allowable 8 per cent increase on the local supplementary requisition.

Mr. Saville also noted that the funding to private schools has been increased by 18.3 per cent for elementary and junior high students and 15.5 per cent for senior high.

Notwithstanding the welcomed increase in the funding of basic education, Mr. Saville stated, "The financing of education in Alberta has become more rigid: centrally determined and locally administered. In an attempt to cover everything, the grants have grown in number, scope and complexity. Their detail of specification, diffusion of purposes and required administrative resources defy public understanding. The net result is provincial control of local boards of education operations...the system in effect is restrictive of, and prejudicial to, local lay control of school operations."

"There is no doubt in my mind that a full review of financing education in Alberta is needed," said Mr. Saville. "It should be undertaken immediately."

The Viking Volunteer Fire Department was called to the Danny Laidl farm east of Viking Saturday morning to combat a fire in this house trailer. Damage to the trailer rendered it a total loss.

Holden And District News

Mr. William Shyba of Holden celebrated his 90th birthday on Saturday, January 12th. At the grand age of 90 years, Mr. Shyba enjoys fairly good health. Mrs. Shyba, 80 years of age, says that family members were planning to gather at the home of

Holden 4-H Beef Club Holds Meeting

The Holden 4-H Beef Club held their regular meeting on January 9th with thirteen members present. Guest speaker for the evening was Mrs. Paulette Erickson who gave our club some very interesting information on Public Speaking and impromptu speaking.

The Club decided to have a pancake supper on February 19th in the Holden Community Hall with everyone welcome.

A film was then shown on calf scours and following the film the meeting was adjourned. Lunch was then served.

The club had an enjoyable evening on December 28th, skating and curling in the Holden Complex.

Reporter
Cheryl Giebelhaus

Bruce News

The extremely cold weather may have contributed to the lack of registrations for machine quilting and keep fit classes, the two courses sponsored by the Further Education Council which were to begin last week. If there are still some of you out there who are interested, please call Sonja Babbitz or Bea Fredericks. The instructors are still willing to come if things can get underway immediately.

Sunday afternoon Lillian and Dan Teske were guests at the home of their son Gordon and daughter-in-law Audrey where they helped to celebrate Gordon's birthday.

Shirley and Bruce McMorran and children of Edmonton were Sunday visitors at the home of Jean and Bud Starky.

Members of the Bruce Women's Institute met at the home of Lillian Teske on Thursday afternoon. The ladies spent part of the afternoon making up safety jingles for the spring conference. This year Gladys Kadatz is president, Ruth Dwyer is Vice-President and Ellen Doris is the secretary-treasurer. The members missed Grace Gromley who is still a patient in the Viking Hospital.

Vialta Lodge News

Myron, Irene and Diane Pasnak called in to see Mrs. Tehir on Sunday afternoon.

Mel, Myrna, Jamie and Karin Mackey all visited with Mrs. Elness and Mrs. D'Arcy. Lynn Rusicka also called on Mrs. D'Arcy.

Visiting with Mr. and Mrs. Selmer Heines were Alice and Arnold knudson and Marie Vealog.

Our sympathy is extended to Catherine and Ed Evans on the sudden passing of Catherine's brother, Donald Lawes.

Greetings to Mrs. Hunt who is still a patient in the local hospital.

Mrs. Hegar and Mrs. Heim took the bus on Monday morning to spend the day in Edmonton.

Our card party for this month will be held on January 29th at 8 p.m. All are welcome.

their son and daughter-in-law, Mr. and Mrs. Harry Skyba to celebrate the occasion.

Parents of the Holden Parent Nursery were very pleased to receive a donation of $100.00 from the Holden Beaver Hockey Club as well as $286.58 from the Holden Reunion Class from years 66-71. In addition a large box of toys had been collected at Dolson's General Store. Anyone wishing to, can still bring toys to Dolson's store or to the Parent Nursery at the Legion Hall each Wednesday from 9:30 until 11:30 a.m.

It is possible that the Parent Nursery as it is operated in Holden could be used as an example by other communities wish to set up a similar facility.

Hockey fans were delighted with the arrival of the cold weather as it offered favorable ice conditions for their out natural ice rink. As there is no afficial ice in Holden, several of the pre-Christmas games were cancelled.

On January 9th, the Holden Old Timers Hockey Club played against Heisler. Holden scored 6 while Heisler found the net 8 times.

The Holden Hill Top Goal Timers also had a hockey game last week scoring 7 to 6 over the Round Hill team.

Village Of Holden Regular Council Meeting

A regular meeting of the council of the Village of Holden was held on December 19, 1979 in the Village Office.

The meeting was called to order at 7:35 p.m. by Mayor Shykora.

Councillor Stambaugh moved that the minutes of the November 21st meeting be adopted as printed. Carried.

Mayor Shykora moved that accounts paid in the amount of $8,535.59 be ratified. Carried. Councillor Lemko abstained from discussion and voting on this matter.

Councillor Giebelhaus moved that payment of accounts of $25,736.77 and the Homeowner refunds in the amount of $7,986.86 be approved. Carried.

Councillor Stambaugh moved that the monthly cash statements be adopted as printed. Carried.

Mayor Shykora administered the oath of office to the secretary treasurer.

Councillor Lemko moved that the name North View Manor be changed to North view Manor. Carried.

Discussion took place regarding a by-law enforcement officer but no decisions have been reached.

Councillor Danilak joined the meeting at 7:50 p.m.

Councillor Danilak moved that it be Council policy to appoint the representative to the Tofield Hospital Board effective as soon as a vacancy occurs. Carried Unanamously.

Councillor Lemko moved that expense of 50th Avenue Curb and Gutter and Paving over the contract amount be funded from accumulated surplus from prior years. Carried.

Councillor Giebelhaus moved that expense for water line cleaning be funded from the water account. Carried.

Councillor Stambaugh moved that expense of sewer line cleaning be funded from propr years surplus with the balance being funded from environmental health services. Carried.

Councillor Danilak moved that Engineering costs for the 49 Avenue Curb and Gutter and Paving project and the sewage treatment project be funded in 1980 out of each specific project. Carried.

It was moved by Mayor Shykora that the following accounts be cancelled.

Harry Mielkich	$11.09 for water
Wayne Puckyasek	$12.60 for water
Robert Goodwin	$139.80 for ambulance
Robert Goodwin	$21.00 for water
County of Beaver #9	997.75 Tax Penalty

Carried.

By-law #21 - 1979 being a by-law to authorize the Municipal Council of the Village of Holden to incur an indebtedness on behalf of the said Village by the issuance of debentures for the purpose of constructing Asphaltic Paving.

Mayor Shykora moved the first reading of by-law #21-1979. Carried.

By-law #15-1979 being a by-law of the Village of Holden for the purpose of approving the Calgary Power Ltd., Franchise Agreement for a ten year period.

Second reading was moved by Councillor Giebelhaus. Carried. Third and final reading was moved by Councillor Stambaugh. Carried.

The Municipal inspectors report to the Mayor and Councillors was read by Mayor Shykora as was the report to the Secretary Treasurer.

Councillor Giebelhaus moved that Calgary Power Ltd., be authorized to construct an electrical system to service Block F and Block 25. Carried.

Councillor Danilak moved that the Secretary be authorized to apply to Alberta Environment for the municipal infrastructure grant for the sewage treatment plant. Carried.

Councillor Lemko moved that the Secretary Treasurer be authorized to take the Local Government Accounting Course from February 4 to April 19 with Course fee of $150.00 and expenses being paid by the Village. Carried.

Mayor Shykora moved that the Secretary be authorized to supply information to C.F.C.W. for the salute to Holden on January 17. Carried.

Councillor Danilak moved that the magnifying lamp presently stored in the Village garage be sold to Milburn Jeffrey for $35.00. Carried.

Councillors Danilak and Stambaugh and the Secretary plan to attend the Dangerous Goods Course in Viking on January 21 and 22. Moved by Councillor Stambaugh that letters of thanks be written to Mr. Hallett, D. Emerson and a. Mielkich, retiring members of the local recreation board. Carried.

Councillor Giebelhaus moved that the request from the Local Recreation Board that the Village Secretary Treasurer be authorized to collect program fees and make payments for expenses and the Village absorb the profits and losses for such programs be approved. Carried.

Councillor Danilak moved that the 1980 A.U.M.A. Membership fee of $153.93 and the Building Assessment of $80.00 be paid. Carried.

Councillor Giebelhaus moved that the actions of Councillor Lemko in filling the north portion of the lots in Block F, and the alley be ratified. Carried.

Reg Dolson and Bruce Budd, representatives of the artificial ice committee attended the meeting at 9:00 p.m. requesting information as follows: 1. Defining the boundary of the Holden Rural Area. 2. Authorization to take a census of the defined area. 3. Information regarding the Neighborhood Improvement Grants. 4. Other information regarding sources of revenue.

A discussion took place on these items and Mr. Budd and Mr. Dolson retired from the meeting at 9:45 p.m.

Moved by Councillor Danilak that the County of Beaver #9 be requested to define the Holden Rural Area for grant purposes as requested in a letter from the Holden and District Agricultural Society. Carried.

Mayor Shykora moved that Council record no objection to the artificial ice committee taking a census of the Holden Rural Area as defined. Carried.

Councillor Lemko moved that all water meters be read and bills issued every 10 months starting in February of 1980. Carried.

Councillor Stambaugh moved that the Salary and Benefits Schedule for the Secretary Treasurer and the Village Foreman be adopted as printed, and that the wage increase for 1980 for these two employees be 9 per cent. Carried.

A letter was read from George Baker outlining his proposals for future recreation administration. Councillor Stambaugh moved that Mr. Baker be informed that Council feel they are not in a position to enter into a contract at the present time. Carried.

Councillor Giebelhaus moved that the project Cooperation Capital Grant amounting to $696.50 be used to purchase tables and chairs for the hall. Carried.

The following items of correspondence were received: 1. Sample by-law from Alberta Municipal Affairs to revoke by-laws authorizing borrowing of money by issuing debentures if these debentures were cancelled in full by the Municipal Debt Reduction Program. 2. Alberta Environment regarding the 1980-81 reclamation program. 3. Alberta Disaster Services information regarding rescue kits and the cost shared equipment program. 4. Alberta Recreation and Parks regarding the appropriation of funds if a regional system disbands. 5. Alberta Recreation and Parks regarding M.C.R. Grant Application requirements. 6. Beaver Regional Recreation and Parks Board regarding meeting of December 3. 7. Alberta Municipal Affairs copies of letters to Bruce Budd regarding his proposed subdivision. 8. Alberta Labour, Gas Inspection report for the water reservoir and pumphouse. 9. Department of labour reporting no fire issues from January 1 to March 31, 1979. 10. Minutes of the Holden Local Recreation Board November 13 meeting.

Other items of correspondence received are as follows: 11. Beaver Regional Recreation and Parks Board minutes and reports. 12. Information regarding the Recreation Board Workshop in Medicine Hat on March 13 to 16th. 13. Travel Alberta requesting information on communities. 14. Christmas message from Doo Mazankowski. 15. Recreation newsletter. 16. Information on courses available through R.E.D.A. 17. Information from the Certified General Accountants Association regarding Zero Base Budgeting. 18. Outdoors Unlitter-ed newsletter. 19. The Municipal Councillor. 20 Workers Compensation Board newsletter.

Councillor Danilak moved that the correspondence be received and filed. Carried.

The Councillors then reported on their departments.

Councillor Stambaugh moved that the meeting adjourn at 11:10 p.m. Carried.

Recreation Board Regular Meeting

A regular meeting of the Viking and District Recreation Board was called to order by chairman Vern Hafso at 8:00 p.m. in the council chambers on the night of January 10, 1980.

Members present were Brenda Wiechnik, Robin Bittorf, Georgina Nordstrom, Phyllis Lefsrud, Ross Brewer and Don Gillies.

The minutes of the November 26 meeting were adopted as read by the secretary.

Vern Hafso reported that all grant money has been frozen since the dissolution of the Regional Recreation Board and will not be freed until the Town Council and the County Council meet on January 23 to decide on boundaries for the local Viking Recreation District.

The Recreation Board had a request from the Group Committee of the Scouting Movement for a grant of $2,000.00 to help cover the cost of a shelter planned for the Lake Thomas Camp. It was decided that the secretary should send an application form to Mr. Reddick.

Correspondence was received as follows:

1. Energize Workshop to be held in Medicine Hat or March 15-16.

2. Mr. Tomashavsky provided a breakdown of the MCR Grants which have been allotted and the amounts of money remaining.

3. Information on the North Eastern Alberta Games to be held in Vegreville on March 7 - 9.

4. Information on Alberta Winter Games to be held in Grande Prairie on February 28 to March 1.

5. Mr. Hendricks provided information on Recreation Boards and Community Service Boards in Alberta communities.

The election of officers for the next year took place with the following people holding positions: Chairman - Vern Hafso, Vice-chairman Robin Bittorf, Secretary - Phyllis Lefsrud, Reporter Georgina Nordstrom and Financial Reporter - Don Gillies.

We decided to hold our regular meetings on the third Tuesday of the month. All meetings are open and any organization with recreation concerns are invited to attend.

Light Horse Club Members Plan Trip

On January 3rd, President Veronica Sevcik called the meeting to order with twenty-eight members present.

"O'Canada" was sung and William Darling led in saying the pledge.

Roll call for this meeting was "part of your horse". Secretary Marilyn Ash then read the minutes which were adopted as read. This was followed by the treasurer's report.

On January 19th, at 9:15 a.m. the Viking 4-H Light Horse Club members will meet at the Youth Centre and leave for the Ice Capades. Each member agreed to pay for their own ticket. On January 17th, all Light Horse Club members must hand in their record books. Work must be completed up to page 8.

4-H newsletters were handed out. Mr. Bridgeman then gave us the parliamentary report. The meeting adjourned at 9:00 p.m.

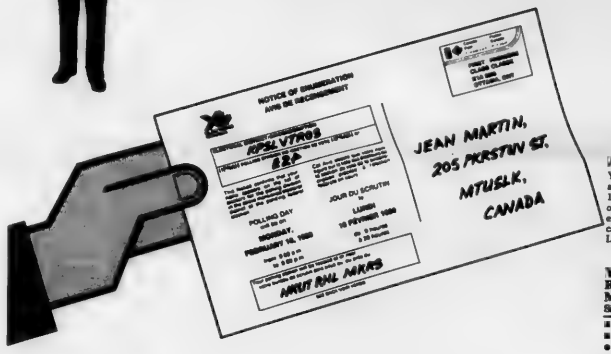
HAVE YOU GOT THIS CARD?

If not, you may lose your right to vote

FEBRUARY 18TH!



ARE YOU ELIGIBLE TO VOTE?
Yes, if you are a Canadian citizen, age 18 or over, and were residing in Canada on December 31, 1979. You will already have received your Notice of Enumeration Card in the mail, if you were enumerated for the last General Election. This card confirms that your name is on the Voters' List for the February 18th Federal Election.

YOU MAY NOT HAVE RECEIVED YOUR CARD IN THE MAIL BECAUSE—
Since last May 22nd...
- You've moved
- You've turned 18
- You've changed your name
- You've become a Canadian Citizen
- You were not enumerated for the last General Election.

IF YOU HAVE NOT RECEIVED YOUR CARD-

ANOTHER
BIG SERVICE

Quinte W.I. Meet

The last Quinte W.I. meeting was held on Thursday, December 13th at the home of Mrs. Catherine Evans.

The meeting began with the reading of the W. I. Creed. The reading of the secretary's and treasurer's reports were next on the list.

Correspondence received was handled next. Correspondence included an informational letter from the Rural Education and Development Association and a thank you card from Mrs. Cleora Darling, for gift received while in the hospital.

New business was then discussed with topics including the Christmas party and the next card party which was scheduled for January 9th.

An election of new officers followed with Mrs. Lois Crouse as President, Mrs. Lillian Evans will fill the office of Vice-President and Mrs. Mary Leidl will fill the position of secretary and publicity convener. The new slate of directors are: Mrs. Harietta Newby, Mrs. Doris Fee and Mrs. Lillian Arnett. The new programming committee includes Mrs. Lois Crouse, Mrs. Lillian Evans, and Mrs. Mary Leidl. Thanks are extended to the retiring officers and good luck to the new.

The visiting committee - Mrs. Doris Fee and Mrs. Lill Evans gave their report and a new committee of Mrs. Elsie Heslop and Mrs. Aggella Johnston were appointed for the following month.

For roll call we opened our Pollyanna gifts and names were called. The draw for the birthday box was held next and Mrs. Cleora Darling was the lucky winner.

The meeting was adjourned by Lillian Evans and the evening was brought to a close with coffee and lunch.

Following is a short summary, month by month, of the activities of the group over the past year.

January - we gave a donation to the repairs of the landrover in Lesotha, Africa.

February - we gave a donation to the A.C.T. Telerama held in Edmonton.

March - we entertained at Parkland Nursing home. We invited the square dancers to dance for the people at the nursing home and we served ice-cream and cake for lunch.

April - we sent a delegate to the Constituency Conference in Wainwright. Mrs. Leidl went as well as our delegate and she brought back a good report.

May - we gave a donation toward the expenses of the track athletes who attended the Forum for Young Albertans.

June - we attended the 25th Anniversary celebrations of the Shady Cove W.I. We also gave them a book of poems to mark the occasion.

July - we went on a family club trip to visit the museum located in Lloydminster. We had a great time and enjoyed sharing it with our families.

August - we gave a surprise party for one of our members, Mrs. Lill Evans. We presented her with a cup and saucer.

September - we gave another surprise party for a retired member of ours, Mrs. Alice Hoines. She was always willing to help out whenever asked. At the surprise party we presented her with a chair.

October - we helped out with the tire playground. We gave a donation and volunteered our help for kitchen duty.

November - we collected and gave pennies for friendship.

December - we held our annual Christmas Party for our families.

I have thoroughly enjoyed by year with the Quinte W.I. and as a reporter for the club and I am sure I will enjoy my new job as secretary and reporter just as much this year. Mary Leidl

The Pencil Box

The Bachelor

By Cathele Rauser

"Oh boy, another day over," muttered Clay Rauser as he dumped his school books on the table amongst the spilled cereal, melted butter, and probably sour milk. He kicked the door shut with his muddy boot, then tracked his way to the fridge, ignoring the faint voice of his conscience whispering something about his mother's rug. After all if a fellow is on the verge of starvation first things first. Clay had gone without lunch all day because he'd slept in.)

No bacon, a few eggs and the unappetizing remains of yesterdays stew greeted his hungry gaze. My gosh, Mom's only been gone two days, he thought, as his guilty eyes surveyed the stack of dirty dishes. He munched a slab of bread oozing with peanut butter and jelly thoughtfully. Watching the western of T.V. probably wasn't the smartest thing for me to do, even if Dad did want company. I better make the lunches now and then tidy up. Hmmm, I wonder what that weird smell could be?

One glance at the clock told him he'd better get cracking. Dad would want something filling for supper.

Having had two sisters who always prepared the meals on other such occasions definitely had its drawbacks. Then be had had very little to do in the way of cooking, but now they were both in college. Manfully be decided to make something tasty for his Dad. His older brother Lance had once shown him how to make a delicious omelet and if Lance could do it so could he.

Putting the beater together carefully, he separated a dozen eggs; that should be enough. A little of the shell seemed to have slipped in here and there, but if he best it up enough Dad wouldn't even notice. Lance had said the egg white had to be real fluffy and it still looked a gooey mess. Oh well, he'd put the beater on high and go and get the onions from the garden. By that time his masterpiece should be nice and fluffy.

Breathlessly returning from the garden he rushed into the kitchen; dirt laden carrots and onions clutched in his hands.

"Uh no!" The beater lay on the carpet, unbroken, but still whirring omelet in every direction. The mess was unreal!

Quickly throwing the vegetables into the sink, Clay grabbed for the cord, but slipped on the gooey egg white. Trying to regain his balance Clay reached for the counter, but missed, upsetting the entire bowl of egg yolks which in turn coated everything in sight with pokey, yucky, yellow egg.

At that moment the unmistakable sound of his Dad's tractor managed to vibrate a wee bit louder than CHED.

What was he going to feed his Dad. Soup? Dad hated soup. There were no eggs left, the meat was all frozen. At once his frantic gaze fell on the solitary can of ravioli which he had bugged his mother into buying.

Hurriedly he wiped the yolk covered can opener on his shirt sleeve and succeeded in opening the can. Into Mom's pressure cooker, the only pot clean, and onto the stove.

"Turn that racket off!"

Now, Dad was usually pretty patient, but after seeing the kitchen and being served luke warm ravioli, he was slightly ruffled. He didn't even eat the "fast food" dish, but merely pushed it from one side of his plate to the other, all the while muttering something about Italians. Clayton figured he was in big trouble, but when Dad started yelling he knew for sure.

"If you like this garbage then you eat it. Get this house cleaned up and find out what in the devil smells around here. Probably something our diamond dog has dragged under the deck. I'm going to cultivate until dark."

The door slammed on this statement leaving no doubt about his state of mind.

As Clay scrubbed rather feebly at the final saucepan he reflected resentfully on how everyone blamed his dog, Dusty, for everything. Just because she chased airplanes and bumblebees did not mean she was stupid. She was just ambitious. After all, what other dog caught skunks and weasels and brought them home.

Later Clay tried to crawl under the deck with a very dim flashlight to aid him in a completely futile search. After being nudged and nuzzled the whole time by an adoring Dusty his loyalty began to wear a little thin.

The smell persisted as Clay entered the house, growing stronger as he went downstairs to his bedroom. His last thought before dozing off was, "could smells penetrate cement walls?" Oh well, he'd find it in the morning.

Clayton lethargically awoke, sniffed and tumbled out of bed. The odor was just terrible. He dashed upstairs to find his Dad had left a srryptic note on the table saying:

"Find smell and make something decent for lunch."

Maybe Dusty had dragged a dead skunk into one of Mom's flower beds. He searched and searched and was about to give up when the girls drove up. He begged and pleaded them to help him. By noon they decided it had to be something in the basement. A loud exclamation of triumph echoed through the house as Pam ran rough the house as Pam came up the stairs holding a small covered pan at arms length and her nose with the other.

"Uh, the heart," Clayton giggled. "Mom was going to stuff it and I was supposed to put it in the downstairs fridge to cool, but started playing darts and forgot about it. Poor Dusty. You even get blamed for this!"

TOWN OF VIKING

Pursuant to section 157 and 189 of the Highway Traffic Act any vehicle left standing for more than 72 consecutive hours upon any highway (street, alley, public property) may be deemed to be abandoned and may be moved or towed away at the owner's expense.

Residents are asked to comply and move vehicles from Town streets, alleys and property for purposes of street cleaning and snow removal.

Town Administrator

Irma U.C.W. Annual Report

The Irma U.C.W. held eleven regular meetings with an average attendance of 10.4. We had a membership of fourteen plus two life members. At our annual friendship meeting held in March, we had 37 visitors and 13 members present.

The meetings were all conducted by our President Mrs. Edith Wilson with the exception of tw.

Each member took their turn in giving devotionals with Rev. Wilson giving them at the Annual meeting.

All our meetings were held in the Church.

In Community Friendship we sent 404 cards, made 126 visits to newcomers, sick and shut-ins and read 99 readings of church oriented literature. We served lunch to the mourners after one funeral.

Our Area Vice-President of St. Paul's Presbyterial U.C.W. Mrs. Findlay of Kinsella attended our May meeting. Her topic was "What is Going on with the U.C.W.?" Two of our members took part in the World's Day of Prayer Service. The U.C.W. also conducted one worship service in the church during our pastor's holidays.

Members attended the Presbyterial U.C.W. Workshop Rallies and Executive meetings. Reports of the above were given at our following meetings.

We arranged and worked at Spring and Fall Smorgasberg Suppers. We catered to an Eastern Star Banquet. We held two successful new-to-you sales and our Annual Bazaar and tea.

Several boxes of used clothing were sent to Saddle Lake Mission and to the Bissel Centre. We donated dishes, blankets, etc., to the host family coming to our district under the sponsorship of the Sharon Lutheran Church. We gave $500 to our local church general fund and $250.00 to M.S. fund.

About 10 or 11 quilts were quilted and sold at our new-to-you sales.

Our programs for our regular meetings were all taken from "The Women of the Bible".

Special thanks to those who so faithfully gave of their time and talents.

Helen J. Smallwood
Sec. Irma U.C.W.

Women Of Unifarm To Compile Early History

Our regular meeting was held on January 4th at the home of Mary Dempsey.

Our Home Economist was on hand to discuss the Fair Judging Standards booklet as well as many of the new leaflets available through her office.

The Unifarm group are presently looking into a dental plan which we know would be a great asset to many of our families. We hope to have complete information by February.

This year's study program is "Our Heritage" and we are hoping to create enough interest throughout the community to compile a more comprehensive History Book for Irma and surrounding district.

After looking at several other books we feel we should try and record more of our past history before it is lost forever. Therefore we are calling an open community meeting for Tuesday, January 29th at 7:30 p.m. in the Irma School to try and get some committees formed and get this project underway. What better way to celebrate our 75th birthday?

Our next meeting will be held at Ruby Taylor's on February 6th at 2:00 p.m. Remember visitors are always most welcome.

Regional Arts Centre
Holden, Alberta

8:00 p.m.
CONNIE KALDOR

Singer, song-writer and actress, Connie Kaldor brings a joy of life and a wealth of talent to her performances. In five years she has crossed Canada working in radio, television and the concerts. She has recorded original music for Sylvia Tyson's radio programme "Touch the Earth", for 25th Street House Theatre, Saskatoon, and for Toronto's Theatre Passe Muraille, to name but a few of her achievements. Her lively performances cover a wide range of subjects in her own original compositions. She has done warm-up sets for performers such as Valdy as well as Pied Pear and co-hosted a local CBC Special with the "Dumptrucks" of Regina.

Performed at folk festivals such as:
Bow River Festival, Calgary; Wild Rose Festival, Edmonton; Icelandic, Whitehorse.
Admission:
Adults: $4.00
Students & Sr. Citizen: $3.00
Door Open
7:30 p.m.

Lighting Displays

The Irma Chamber of Commerce wish to compliment the many residents of Irma and district who cooperated in our Annual Christmas Light Display Contest.

After much consideration the panel of judges decided to award first place in the Irma Town Event to the Nathan Fuder residence. The prize, a trophy, donated by Mr. and Mrs. Ron Dempsey and fifteen dollars cash. Second prize in the Irma residential went to the Charles Allen residence; prize of ten dollars. Money prizes were donated by the Chamber of Commerce.

Honorable mention goes to the Ron Lovig residence. Congratulations on other very effective displays go to Richard Larson, R. McRoberts and for the decorated tree in front of Mrs. N. Nilsson's home.

From nine commercial displays who had their lights on Saturday before Christmas we chose: First place, J. C. McFarland; Second place - Irma Hotel. Prizes the same as for the residential section. Honorable mention to McNeill's Irma Restaurant, Jack's Hardware and Irma Drugs had effective window lighting.

We travelled many miles Sunday night to view the twenty rural lighting displays. First prize in this event went to Ron Thurston who had fabulous lighting as well as a Nativity scene and Santa's workshop, helpers, sled and reindeer, not forgetting Rudolph with his red nose.

Second prize went to Phyllis Craig who chose the Santa theme. Honorable mention in this category goes to the Allan Larson residence.

A special category, Judges Choice, for outstanding display of lights only, went to the Gordon Holinger residence; prize $10. Honorable mention for other rural displays in the lights only category were M. Burr, Mike Orscheski, T. Larson, R. Erickson, H. Long and J. Newton.

If there were other displays which we did not know about, we apologize for the oversight. We judged over 32 different displays in the two nights.

Thank you for helping to make Irma and district more beautiful.

Irma News & Views

Congratulations and best wishes to Mr. and Mrs. Chester Ford (nee Donna Fryer) whose marriage took place on Saturday, January 12th at Wainwright.

Get well wishes to Mrs. Frank Wihnil who has been hospitalized for the past week in Viking.

Mrs. Dicka Hollinger and Minnie Jackson are still in the Hardisty Municipal Hospital.

Mary and Bert Armitage have Mary's sister Anne and husband Bill Cose from Winnipeg Beach visiting with them.

Dorothy Haugen was taken to Wainwright Hospital by ambulance on Saturday night and from information available it would seem that she may be hospitalized for at least several weeks.

Mrs. Alma Enger had the misfortune to have the motor in her car blow up in Vermilion while she was attending a meeting. As she will need a new motor which will have to come from the east, she will have quite a wait until her car is again in running order.

Echo-Rodino News

Mr. and Mrs. Norman Hollar enjoyed having their grandchildren from Viking spend last weekend with them.

The Rodino Country Club held their annual meeting on Wednesday night and a new slate of officers were elected as follows: President - Wes Bauer, Vice-President - Bob Williams, Secretary - Claudia Williams and Treasurer is Yvonne Greenwood.

Victor Carter travelled to Edmonton on business.

Mr. and Mrs. Les Prosser took in a day of shopping in Edmonton to collect supplies for the pool as swimming lessons start on Monday.

Irma Food Club

On December 19th the Irma Food Club had their Christmas party. The party consisted of games to begin with and then later we handed out the gifts. This was followed by a delicious lunch. The party was held in the Cub and Scout Hall.

We decided to hold a meeting on January 14th. We also decided to go to the Ice Capades on January 19th. Remember, before you can go, all of the chocolate sales money must be in and you must pay your $5.00 for joining so we can pay for the tickets. Club Reporter
Vicki Wilson

Parkland Nursing Home News

We would like to thank everyone who gave chocolates and oranges to the guests and staff for Christmas. Also thanks to the grade one to five students who came in to sing carols to us and also the carollers who came in the evening. Thank you everyone.

Welcome to our home to Mrs. Kathleen Weder, Mr. Gunner Erickson, Mrs. Edna Campbell and Mr. Michael Piwowar.

Our sympathy is expressed to the families of Peter Kowalchuk and Toole Bremner who passed away recently.

Terry Lusk of Holden called in to see Lars Riland.

Mr. Gunner Erickson had a visit with his daughter Christina Owen.

Dianne Pasnak visited with her grandmother, Mary Pasnak and Pearl Tchir.

Irene and Myron Pasnak visited with Mary Pasnak and Pearl Tchir as well.

Mr. Helmer Hanson was in to see Mrs. Haeberle and Lars Riland.

Mr. and Mrs. Clarney Horicek visited with Mrs. Cartwright, Mr. Piwowar and Mr. Murray.

Ann and Armand Cartwright of Edmonton visited with Mrs. Dora Cartwright.

Are you interested in a career in real estate?
Are you prepared to do what is necessary to become a professional?

NOTICE

To Farmers & Ranchers of the Municipal District of Wainwright No. 61

Excessive hay and straw scattered on the surface of many of our Municipal roads makes any kind of maintenance of these roads extremely difficult. The grader operator frequently has no choice but to push this material off and over the side of the road, thereby causing a significant loss of expensive gravel. It also creates a dangerous hazard to the safety of the travelling public by catching and holding drifted snow on the travelled portion of the road. While it is realized that inevitably some hay and straw will be lost during moving, your Council makes this appeal to responsible farmers and ranchers, that they clean up this spilled material in order that reasonable road maintenance may be carried out.

H.A. McDonagh - Administrator
Municipal District of Wainwright #61

Do You Know The Bible Says

By Mrs. W. Myers

Ezek. 36:26. A new heart also will I give you.....The message of Salvation is regeneration not reformation. The apostle Paul says "If any man be in Christ he is a new creation."

The new birth is not an overhaul of the old wreck but a new creation. It is not a new paint job. The old Adamic nature is so incorrigibly corrupt that even God will not attempt to repair it or fix it up but insists on rejecting the old bulk entirely and making a new man.

Jesus said, "That which is born of the flesh is flesh; and that which is born of the spirit is spirit. Marvel not that I said unto thee, Ye must be born again".

The old nature received by your natural birth is hopeless and dressing it up only makes it more dangerous than an ignorant uneducated one. The more we work on the old man the more deceptive the old nature becomes.

Do you know why the sinner must be born anew?

Because he was born all wrong the first time. In fact, he was born upside down. All doctors know that the normal position of a baby at birth is in the "LOA" position. You are born head down and feet up. You are with your back to heaven. But by the new birth you are turned around and born headed in the right direction. Man needs a new heart.

We must be born again, from above, newly created. Christ alone can newly create mankind and not we ourselves. Come to Jesus, confess that you are a lost sinner, accept Him by faith, then trust Him continually.

COUNTY OF BEAVER No. 9

NOTICE OF POLL

(SEC. 62)

Polling by Electoral Divisions

PUBLIC NOTICE is hereby given that an election will be held for a COUNCILLOR for Electoral Division No. Three (3) of the County of Beaver No. 9 for the year 1980 and the polling will take place on Friday, the 1st day of February 1980, from ten o'clock in the forenoon to eight o'clock in the afternoon.

The Electoral Division has been provided with the following polls:

for: PARENTS
by: Viking & District Ministerial
Supported by:
County of Beaver School Board
Viking Medical Group
Viking Hospital Board
Viking Churches

You Are Invited To Be There!

Tooie Bremner Passes

Mary Rewena (Tooie) Bremner (nee Harris) passed away on January 9th, 1980 in Viking. She was born in Schomberg, Ontario on December 12, 1899 and came west with her family in 1916 where they farmed 12 miles southwest of Viking.

Later she entered the Bank of Montreal in Viking where she was employed until moving to Detroit, Michigan around the year 1924.

There she found employment and later met and married J. G. (jack) Bremner. After his passing in 1963 she moved back to Viking to be closer to her family and old friends, a move she never regretted.

Mary leaves to mourn her passing, one brother and three sisters, Roy Harris of Viking, Jean Hiakson of Annapolis Royal, Nova Scotia and Alma Brouillet of Fort Lauderdale, Florida and Gladys Rose of Edmonton, Alberta.

Howard and McBride were in charge of arrangements. After cremation the ashes were interred in the family plot in Beechville, Ontario. No services were held by request.

Ethel Luella Knudson Laid To Rest

On December 25, 1979, Mrs. Ethel Knudson, long time resident of Irma and Coal Springs District, passed away at the Wainwright, Auxiliary Hospital at the age of 86 years.

Until she went to live at the Battle River Lodge, Mrs. Knudson was active in all aspects of church work. She is survived by one daughter, Helen Whidden of Kinsella and one son Melvin Knudson of Snowflake, Arizona, seven grandchildren, eleven great-grandchildren and one brother, Nathan Fuder of the Wainwright Auxiliary Hospital.

Ethel was predecessed by her husband Martin, two sons, one infant daughter and one great-grandson.

Funeral services were held on Friday, December 28th, 1979 at 2:00 p.m. at the Irma United Church with Rev. Gordon Wilson officiating.

Interment took place in the Irma Cemetery. Harry Creech, McLeod's Funeral Home Services in charge of arrangements.

Viking Mites Participate In Tofield Tournament

On Saturday, December 29th, the Viking Mites participated in a round-robin tournament hosted by the Tofield Mites.

Viking competed against Breton in their opening game and skated off with an 8 to 4 victory. In the first period Viking scored two goals. These were of the sticks of Jason Clouston and Darcy Draper.

Darren Astles netted a pair, and Tommy Maxwell and Robin Nashand scored singles in the second period.

Scoring for Viking in the third period was handled by Cory Siermachesky and Darren Astes with one goal each.

Following each game, a "Star Player" was picked from both teams. Receiving the judges nod was Darren Astes. Darren was presented with a hockey stick for his performance in the game.

Later that afternoon, Viking played the host team and were defeated by a single goal. Viking scored one goal during each period of play. Those were netted by Darcy Draper, Cory Clouston and Darren Astes respectively. A questionable goal by Viking was disallowed and the game ended with a score of 4-3 for Tofield. Receiving Viking's Star Player Award for this game was Cory Clouston.

To wind up the tournament, Viking played the Sherwood Park entry and recorded their second win by a score of 12 - 2. Topping the scoring for Viking was Cory Clouston with three goals. Darcy Draper, Cory Siermachesky, and Dean Hasberte each netted two, while Robin Nashand, Darren Wadley and Cory Wiechnik scored singles. Selected as Viking's Star Player in this game was Darren Wadley.

Viking although not coming out in top position, earned a well deserved second place finish only one point behind Tofield.

ALBERTA DISASTER SERVICES
will hold a seminar on the Handling, Storage and Transportation of hazardous materials.
All personnel involved with any aspect of the above are invited to attend, as well as any other interested people.
DATE: January 21 and 22, 1980
TIME: 7:30 p.m.
Place: Viking Legion Hall

Viking Bantam Hockey Review

On Friday, December 21, the Viking Bantam team played Daysland at home. It was the Bantam's second league game and their second win with a score of 7 - 4.

The first period ended with a 2-2 score. Viking goals were scored by Randy Graham assisted by Kenny Cikaluk and Ian Erickson and secondly by Rocky Hanson assisted by Ian Erickson and Randy Graham. Daysland goals were scored by Richard Renzinger and Reny Weisbeck.

In the second period Viking added three more goals. Rocky Hanson scored the first one assisted by Kenny Ekstedt. Then Ian Erickson scored two goals both of which were assisted by Leif Erickson.

In the third period Viking and Daysland each added two more goals. Viking goals were scored by Rocky Hanson assisted by Leif Erickson and Ian Erickson from Billy Hanson. Daysland's goals were scored by Greg Recj and Robert Losech.

On Friday, January 4th, the Viking Bantams proved that the long Christmas break didn't weaken their hockey any. They soundly defeated the Killam team by a score of 11 to 3. Killam's three goals were scored in a span of five minutes late in the second period. Brent Childs scored two goals and Bill Kneebel scored a single on a single assist.

Viking scorers were as follows: Ian Erickson 5 goals and two assists, Kenny Cikaluk one goal and four assists, Rocky Hanson three goals, Billy Hanson one goal and one assist, Randy Graham one goal, Joe Hoffman, Patrick Voltzer, Peter Thomas and Leif Erickson all received one assist.

On Saturday, January 5th the Viking team played their second game in twenty-four hours. They travelled to Forestburg where they edged out the Forestburg team with a 5 to 4 score.

Viking got the only goal of the first period. Kenny Cikaluk scored assisted by Ian Erickson.

Fans were treated to a scoreless second period.

Viking opened the scoring in the third period with three quick goals by Randy Graham, Ian Erickson and Kenny Cikaluk, assisted by Leif Erickson, Kenny Cikaluk, and Rocky Hanson respectively. D. Andrews of Forestburg then scored twice, followed by another Viking goal scored by Kenny Cikaluk, assisted by Ian Erickson.

Forestburg closed out the scoring with another goal by D. Andrews and one by S. Stenson.

Roger Shyba Rink Wins Bruce Farmer's Bonspiel

In spite of cold winds and cars that were reluctant to start, 25 rinks entered the annual Bruce Farmers' Bonspiel. In an exciting final game the Roger Shyba foursome, who were two down at the end of the 9th end, managed to score three on the 10th to defeat the Siermachesky rink from Viking.

Curling with Shyba were Darrell Malick, Ed Shyba and Marcel Zowtuk. Following is a complete list of winners:

Grand Challenge
1. Roger Shyba — Holden
2. Siermachesky — Viking
3. The Weekly Review
4. Koehli — Daysland

Second Event
1. Dorin — Bruce
2. Maxwell — Viking
3. Miciak — Bruce
4. Randy Field — Edmonton

Third Event
1. Harry Skyba — Holden
2. Stenarud — Ryley
3. H. Field — Bruce
4. E. Hammermaster — Bruce

Viking Mites One & One

In league play, the Viking Mites found themselves on the road for their first two games. On January 5 Viking travelled to Killam, where they met with rather stiff competition by the host team.

Killam took the upper hand right from the beginning and it wasn't until the third period that Viking found the net. Goal scorers in the third period, with singles each were Doug Taylor, Tammy Maxwell and Cory Clouston.

The following Saturday, the Mites headed for Forestburg and returned home with a 10 -5 win over the host team. Darren Astes, Jason Clouston, Doug Taylor, and Cory Wiechnik netted singles while Cory Siermachesky with 2 and Cory Clouston with 4, rounded out the scoring.

On January 19 the team will play Daysland in Daysland and on January 26 they will host the Killam team at the Caresa.

Scouting In Viking

The three levels of Scouting in Viking (Beavers, Cubs and Scouts) are going well. There are new leaders in the Cub and Scout levels.

Long time Scout Master Gerard Wadley now fills the position of Flagstaff District Commissioner. He feels that the program for each level is very good and a definite asset to any boy. The Scouting Movement is based on good principles and lends a great deal toward the development of responsible citizens.

The Scouting programs need parent involvement in every area. We need group committee members as well as section leaders. Please, if you are able to help or know of someone who might make a good leader or helper do not hesitate to contact Gerard Wadley, Flagstaff District Commissioner at 336-3020. Let's ensure that Scouting in Viking continues to flourish.

Junior High School basketball action is well underway in the County of Beaver. On Monday Viking hosted Ryley, with the final score in the girls' game, (shown above) 20 to 2 for Viking. Final score in the boys' game was 20 to 14 for Ryley.

Gas Kings Hockey Action

The Saturday, January 5th weather conditions resulted in the Gas Kings verses Killiam game being cancelled...to be made up at a later date.

The following game the Viking Gas Kings defeated Rosalind by a score of 6 to 3 with the game being played at the Viking Caresa. As season play progresses the Viking Gas Kings are becoming the power house in the league, having lost only one game in league play to date.

The Kings rolled over Rosalind convinced fashion with scoring of period Kings 2 - Rosalind 3. Second period Kings 5 - Rosalind 3. Third period Kings 8 - Rosalind 3.

Scoring for the Gas Kings were J. Laskosky with 2, B. Field 2, B. Quinton 2, and Mclaroy and Wemp 1 each. Assists were as follows: L. Laskosky 4, B. Fields 2, Lefsrud 1, Wemp 1, and McGinitie 1.

The three stars for the Killmart Cup were 1. Field, 2 J. Laskosky and 3. B. Quinton. Penalties: Gas Kings 6 and Rosalind 8.

On Wednesday January 9th, the Viking Gas Kings took on the Hughenden team at Hughenden, scoring an easy 8 - 0 victory.

At the end of the first period the score was 1-0 in Viking's favor. The score remained the same throughout the second period and by the end of the game the team had tallied a total of 8 unanswered goals.

Scoring as follows: R. Rattray - 3, B. Quinton - 2, McGinitie 1, Wemp 1, and Mclaroy 1. Assists were handled by Rattray - 3, B. Quinton - 2, L. Laskosky - 1, McLaroy - 1, and Wemp 1.

The three stars were R. Rattray, R. Bittorf and B. Quinton. Penalties: Viking 6 Hughenden 8.

Saturday, January 12th found the Sedgewick Sabres meet with the Gas Kings at the Viking Caresa. The Kings again defeated the visiting team. The score ended at 10 - 5 for the Kings.

Scoring went as follows: first period Kings 3 - Sabres 1. Second period Kings 5 - Sabres 1. third period Kings 10 - Sabres 2.

Wemp, Quinton, and Mclaroy scored doubles while J. Laskosky, R. Rattray, K. McGinitie and L. Laskosky scored singles.

Assists were handled by Mclaroy - 2, L. Laskosky - 2, Lefsrud - 2, Wincsura - 2, McGinitie - 2, and R. Rattray with 1.

Penalties: Gas Kings 12 and Sabres 8. The three stars selected were 1. Field, 2. J. Laskosky and 3. L. Laskosky.

On Monday, January 14, the Viking Gas Kings met with the Hardisty team and returned home with still another victory. Final score in the game Viking Gas Kings 10 - Hardisty 4. Details of the game to follow in a later issue.

Player standings for the Willmark Motors Cup up to January 14th are as follows:

L. Laskosky	75
B. Quinton	48
B. Field	40
R. Bittorf	36
G. Rattray	35
R. Rattray	35

Irma Aces Action

By Phil Holt

On the evening of January 2, the Irma arena was filled to capacity by hockey fans, many from Viking, to watch the *Aces* and *Gas Kings* in their second match of the season. The game was tied up one all going into the third period when the Gas Kings R. Rattray, G. Bednar and K. McInroy scored three unanswered goals to win with a 4 to 1 edge. The lone Irma score came at 18.36 of the first from Wayne Leahow after a determined effort. Ivan Bacon was very sharp in the net, stopping 32 pucks. The Aces tested Bittorf of the Gas Kings with 24 shots on goal. The penalties were all minors with 16 minutes to the Aces and 14 minutes to the Gas Kings. The game was exciting to watch! It appears that coach Rick Guitmer is forming a hard working competitive group of hockey players. They are fairly young with six rookies, four coming up from the Midgets and two having played before but missed a year or two prior to this season.

The Viking Gas Kings, last year's Battle River Champs, displayed a well balanced team, who out skated, out shot and dominated in the checking, which is so important.

The Aces have played nine games up to date, winning five and losing four. Winning scores are 3 to 2 at Hughenden; 8 to 5 at home against the Sabres; 5 to 2 a home game against Hardisty Stampeders; 5 to 3 at Longheed against the Road Runners; 6 to 1 at home to the Killam Indians.

The Gas Kings defeated the Aces in two games, both scores being 4 to 1. Sedgewick 6 to 4 at home and Hardisty 5 to 3 at home.

There appears to be good fan interest at the home games, which shows that there is on entertaining brand of hockey. The boys need and deserve all the support we can give them.

County Sends Out Questionnaire

A questionnaire on the operational year for the schools in the County of Beaver and the operating procedures during cold weather is being sent out to parents, bus drivers and teachers within the County. The purpose of the questionnaire, sent out by Superintendent of Schools F.W. Reinholt, is to get input on these topics from those specified groups.

The Board of Education will be reviewing the policies on the school operational yar and on cold weather operation in the near future. The questionnaire describes what the present procedures are and asks for an opinion on, or alternatives to, the set policy.

The questions on the operational year deal with the opening of school, the various holiday periods now recognized, the length of the school year, and Parent-Teacher interview days.

The questions on cold weather procedures deal with the reasons for cancelling the operation of buses, notice of such cancellations and the operation of school when the school buses do not operate.

The two sections of the questionnaire have space for suggestions from the various parties on all of the topics mentioned.

The questions on the school operational year and holidays generally resulted from concern over changes in other parts of the provinces on the part of parents and teachers. Some school jurisdictions within the province begin school during the last week of August. Some are closed two full weeks at Christmas and some have the Spring Break in conjunction with Easter rather than it being fixed as it is in the County of Beaver.

The questions on cold weather procedures result from concerns from both rural and town parents about their children missing school and having to "catch up", or the students having to attend when little can be done due to lack of students.

All parents, bus drivers and teachers should be receiving the questionnaire this week and it is hoped that as many recipients as possible will return them filled in.

Members of the Viking School Wildlife Club practiced the art of snowshoeing and cross country skiing as they travelled the trails of Wildlife Acres last Friday. The course is used as a learning aid to help enlarge the students knowledge and understanding of nature. Staff Photo

Vietnamese Family Welcomed In Irma

As part of the Vietnamese Refugee Sponsorship Program, a family of three now make their new home in the community of Irma.

The Tang family now living in Irma were sponsored by the Sedgewick Lutheran Parish. Other church groups and individuals have taken an interest in this family and have helped provide for them in many ways.

The Tangs have been guests at various Christmas parties and seemed to enjoy themselves very much. Their story, as told to Miss Susan Ho from Singapore, and at present a student at Irma High School is as follows:

Tang Tu, Hwang Anh and Tang Lap Duc joined 300 other refugees in a boat 222 feet in length bound for Hong Kong. They spent five months in Hong Kong where Tu and Anh were permitted to work in some factories.

They were among the more fortunate ones allowed to come to Canada. After spending about five days in Edmonton, they came on to Irma one cold Saturday evening in early December.

What a different life they are experiencing after living in the great city of Saigon, where Tu was chief cook in a Chinese Restaurant and Anh served as a waitress.

Their eight year old Duc was in his second year of school in Saigon. He is now attending grade one in Irma. The Tangs are very eager to learn English and in time to become independent. "Furthermore," added Susan, "they love Canada!", Indeed, everyone wishes them success in their strange, new life.

If there should be anyone wishing to help the Tangs in any way, please contact Mr. Gordon Hollinger of Sharon Lutheran Church, Irma. P.O. Box 143.

The Tang family recently moved to Irma as part of the refugee family program in Canada. The new residents are (left to right) Tang Tu, Tang Lap Duc and Hwang Anh.

College Student To Assist In Viking Child Care Program

After only one full month of operation, all goes well at the Viking Child Care Centre. We have an average of seventeen children per day, busy at crafts, music and very active play.

We are very pleased that Lorraine Clark from the Early Childhood Course in Vermilion College will be spending a full four weeks with us, learning about our Child Care Centre and hopefully sharing with us some of her schoiastic knowledge.

Our Tuesday and Thursday playschool classes are very much enjoyed by the 3-5 year olds. They are learning coloring, rythym coordinating, doing crafts, gross motor skills, dramatization and finger plays etc., while our little ones are busy in their playroom learning a very important feat of their age - that of sharing. Monday, Wednesday and Friday are the days set aside for mothers who would like to shop, do housework, or just have time for themselves while their children spend time learning to share and are competently cared for at the centre. On these days as well, children have a program of planned learning and play.

The parental participation is overwhelming with some of our dads building structured playthings; and our moms volunteering their help on a roster basis; where they bring their children for the day - free of charge - in return for their help at the centre. Thank you all.

Regular monthly meetings will be held every third Thursday evening at the centre.

Anyone interested is welcome to drop by anytime, have a coffee, and our staff will be glad to show you around our home and show you what we are doing.

Volunteers are always needed here - for sewing, baking, building, etc., so if you have some free time call us at 396-4066 - we'd be glad to use your help.

E. Carrington
V.C.D.S. President

A New Weed Control Act For The 1980's

The amended version of the Weed Control Act was passed at the fall session of the Alberta Legislature. One of the major changes was to allow for three classifications of weeds - Restricted, Noxious, and Nuisance.

The major implication of this is that it will be mandatory for a weed inspector to take action when restricted weeds are found. In the case of noxious weeds, she/he will be allowed to use discretion as to whether action is taken or not.

Another addition is a provision of authority to issue stop orders to prevent a person from continuing an operation which is in violation of the Act. The third major change is the section allowing municipalities to issue general notices to owners of subdivided land, that is parcels of less than 20 acres. These can be mailed to all such landowners by regular mail and non-compliance action can be taken without any further notification.

Regulations, forms, etc. are now being prepared and should be promulgated early in the new year. When available they, together with copies of the new Act, will be provided to all municipalities. Anyone other than municipal officials who may require copies of the new Act and regulations should direct a request to the Weed Control Branch.

Homestudy Soils Course

It's still not too late to register in the Alberta Agriculture Homestudy Soils Course. Applications will be accepted until February 1, 1980. Send $25.00 by cheque or money order to:

National Advertising Representative:

CCNA VERIFIED CIRCULATION PAID ANNA Alberta Weekly Newspapers Association

We Won't Charge You

During this past week, we had an inquiry from a reader concerning the cost of having articles placed in The Weekly Review. Our reply was that there is no charge whatsoever for any articles or letters-to-the-editor which we feel could be printed in the paper.

This newspaper operates on the revenue derived from advertising space, not article space. The businesses which advertise in this paper do so in order to increase their business. While doing this, they support the communities in the area by allowing us the space to print the news. In this way, the businesses support the people who have supported them by enabling us to provide this area with a newspaper.

There is a charge for any space utilized for advertising or notices, or the standard categories found in the Classified Ads. However, there is no charge for any news from any of the organizations or clubs in any of the communities. There is also no charge for letters-to-the-editor or any interesting news photographs which people may wish to have included in the paper.

We sincerely welcome and encourage any and all valid contributions which readers may wish to submit. We must, as all newspapers must, reserve the right to refuse to print material if we feel it is defamatory, of poor task or not appropriate to our policies. On occasion we have had to do just this.

The Weekly Review is here to serve the people in our coverage area. If you have club or organization news, don't hesitate to submit it to us. If you have an opinion on something, write us a letter. If you see news happening, give us a call. If you would like us to cover a major event, let us know. We will be there if at all possible.

So don't hesitate to write us a letter, send us an article, or give us a call. Your contribution is what gives us all a better newspaper, and we won't charge you for your efforts!

Cosmic Realty

Earl D. Hosler

Office 336-3232 Res. 336-2471

Dear Sir: I would like to use your newspaper to contact the Viking readers of The Weekly Review.

As Community Representative for Further Education I've been involved in several programs. One that was offered was Adult Swimming in L. Pressee's pool. Now, in order for these courses to run, we need a minimum of eight applications. This particular program had twenty-five. To me, this is loudly expressing a need.

Surely in town of this size could support and use an out-door pool. There are many towns that have a facility of this type. I know of one with less than half our population. We don't need a million dollar structure! Just something to do for the summer months when school is out, curing is done and the arena is closed.

Useless, you say? I was privileged to attend the Summer Games in St. Albert this year and see a little girl who is very dear to me, walk away with a Gold Medal in pairs Synchronized Swimming and a Silver Medal in the team competition of the same event.

This child has only June, July and August for swimming as the pool in that town is closed immediately following Labour Day. Of course, a lot of credit is due the coaches for such progress, but it started at the pool!

This year Viking and District can receive a very large sum of money ($20.00 per person) to Celebrate Alberta's 75th Anniversary. At this date we are a bit late to plan a "Home Coming", why not apply for some of this gift for an out-door swimming pool? On this, we have no time to lose, as applications for the grant have to be in the hands of Government early in February.

I will gladly take names of persons who want to pledge support for a project like this. Let's get on the ball, Viking.

Jennie Bird

Dear Sir:

The Graduating Class of 1970 is planning a ten year class reunion and needs the assistance of your readers in contacting the following classmates. *Kim Knudson, Maureen Studebaker, Kenny Sanderson, Tommy Bell his father is Clarence - older sister Eleanor, farmed the Vic Howery place, Linda Remesnik, Caroline Serasin.*

We would be grateful for any information as to the whereabouts of these people. Any leads would be appreciated. Please contact me at 336-2575. Thank you very much.

Yours truly,
Sandra Nielsen

Dear Sir:

Response to the Multiple Sclerosis Read-a-thon has been outstanding. Each successive MS Read-a-thon pulled has seen the number of participating schools and libraries expand greatly.

Educators are excited - and this is the real key to the entire success of the program - because there is a direct, personal benefit to the young participant which far exceeds in importance the amount of pledges he or she contributes to the cause of MS. Unlike walk-a-thons or bike-a-thons which produce only blisters and tired muscles, the MS Read-a-thon in many instances gives a non-reader or light reader an interest in reading books for their own enjoyment which can last a lifetime. It is the kind of reading motivational tool for which educators have been searching for many years.

Your aid in reporting our Multiple Sclerosis Read-a-thon has been vital towards helping us reach our goals and also invaluable in helping inform people of the seriousness of the mysterious disease known as multiple sclerosis, "the crippler of young adults".

You will be interested to know that the students at Viking School read a total of 1,621 books and raised a grand total of $1,980.84. We are deeply grateful to these school children who so generously gave their time and efforts to help others.

The MS Read-a-thon, which was originated and developed by the National Multiple Sclerosis Society, could not succeed without the wholehearted backing of the news median.

The staff of the Multiple Sclerosis Society of Canada join me in expressing to you our heartfelt thanks.

Sincerely,
Gayle Goudy
Read-a-thon Coordinator

Letters To The Editor

Dr. Richard Johnston (right), President of the Alberta Composer's Association, describes some of the finer points of song writing to R.W. Dowling, Alberta's 75th Anniversary Commissioner. The Composer's Association is sponsoring a 75th Anniversary song writing competition in the hope of finding a song that can be adopted as the theme music for the Anniversary. Deadline for entries is March 15, 1980.

Alberta Agriculture

TODAY & TOMORROW

My topic for this week's column, brucellosis, reminds me of the evil villain we sometimes see in melodramatic fiction. Like the hero, each survives to fight again another week.

The same type of thing is happening in one of the health aspects of Alberta's agriculture industry. The villain is brucellosis. And like the villain, it does seem to have a bad habit of showing up each time you think you've got the problem licked.

Since the end of 1976, disregarding a few peaks, the incidence of brucellosis in Alberta has consistently fallen. In November 1976 we hit a high of 89 herds in quarantine. Last year we fell as low as five. But each time we reach a low point, each time which we have it solved, a small outbreak appears. And that type of thing continues to stop Alberta from obtaining a "brucellosis-free" designation from Agriculture Canada's Health of Animals Branch.

First, let's conduct a brief review of the problem. Brucellosis is a contagious, bacterial disease which can cause cows to abort. Young heifers are especially susceptible. Brucellosis can also severely hamper the fertility of a stricken herd.

Yet, although any member of a beef or dairy herd is infected, that animal will not necessarily display signs of physical illness. The first indication may only be lost production. Because of its contagious nature, the disease can be passed to disease-free herds through any transaction which places an infected animal in contact with healthy animals. The result is another infected herd. And, if the process isn't halted, a dangerous merry-go-round is started.

Older producers may recall that brucellosis was an even more serious problem in years past. Then, in the 1950's, the federal government, with cooperation from the provincial governments, enacted a vaccination program intended to bring the disease incidence to a manageable level. Later on blood testing began, and positive or stricken animals were eliminated. Suspected herds were placed on quarantine until they were either given a clean bill of health or presence of the disease was confirmed.

In 1965, mandatory vaccination was discontinued, the situation appearing to be balanced. Indeed, as late as 1973 the number of herds under quarantine in this province fell to 10. We went no lower. From then until late 1976 the number of infected herds climbed. The same occured over much of the nation. Finally, the federal government implemented in April 1978 a new program designed to contain the disease.

However, by that point the disease incidence had dropped in Alberta. Therefore, the chief purpose of the program was to contain the disease in the higher-risk areas, Ontario and Quebec. Of the three federal risk classifications, brucellosis-free, low-incidence and "other", those two made "other". Alberta was designated a low-incidence region. We've maintained that level ever since.

In fact, the Peace River District has now received brucellosis-free certification. This is an exception to designating status by province. Because of trading patterns between B.C. and the Peace, the federal government, with our approval, decided to treat the Peace and B.C. as a single block.

Though we're close, most of Alberta is still not brucellosis-free. I hinted earlier that we had a recurring problem. The latest occurrence flared up late in '79 with a small outbreak in the northeast. Five local operations were found or suspected to have brucellosis. These small herds mean that half of the nine Alberta herds in quarantine at the end of December.

Of course, those nine are a severe drop from the 89 in quarantine just three years ago. Ontario has displayed an even more dramatic decrease, from 1000 in mid-1977 to about 100 today.

Unfortunately, that doesn't help Alberta. While we remain a low-incidence area, the regulations still require that our cattlemen do some extra testing, particularly on cattle attending shows and animals being shipped to a brucellosis-free region.

Advice offered by Alberta Agriculture's chief veterinarian, Dr. Hugh Vance, when the current federal program was inaugurated two years ago, holds true today.

"To help improve our own position, Alberta cattlemen looking for breeding stock should demand brucellosis tests and know the status of the herds of origin for any cattle they purchase," said Dr. Vance.

Australian Family Visits Viking Via Teacher Exchange Program

On Monday, December 31st, a family from Australia (the country down under) came to Canada for a year. They arrived shortly after 3:30 p.m. There were three girls with their parents in the family.

I had a hard time understanding them as they have an accent. I think they have a hard time understanding Canadians as well.

One of the first questions asked was "Do you have a koala bear as a pet?" or "Do you have a kangaroo as a pet?" (asked by a little girl). This was answered that you are not allowed to keep any wildlife as a pet. Anyway koala bears make such a bad grunting noise you wouldn't be able to get to sleep.

When the children were shown the school at Viking (where they are staying) they said it looked like a block of flats. They were shown the interior and the two younger children were amazed at how big it was. Back in Australia they had been going to a primary school which consisted of grades prep, one, two, three, four, five and six. Then you were meant to go to a highschool which has from one, two, three, four, five and six. It was decided that they all go into the grades they would have been in Australia even though they came in the middle of the Canadian year. It was actually the start of the Australian year.

They found the weather very cold because it was 30 degrees Celcius when they left.

They have been having trouble with the food for it has quite a different taste and they never can be sure what it tastes like or what it is.

By
Tonia Marguardt

We, at the Viking School, have taken part in a teacher exchange program. Our

The Marguardt family of Australia have taken up residence in Viking for 1980. Mr. Marguardt is involved in a teacher exchange program which saw the Fred Nordstrom family move to Australia for 1980. Members of the family are (back - left to right) Michelle and Tonia and (front - left to right) Jean, Nicole and Malanie. Staff Photo

Grade 10 English teacher, Mr. Fred Nordstrom and his wife left for Australia on Christmas Day.

We welcomed the Marquardt family, when they arrived on Monday, December 31st at 3:30 p.m.

Mr. and Mrs. Marquardt have three daughters, Michelle grade nine, Tonis grade six, and Nicole grade three.

The family is experiencing the cold and had nothing to do with snow, where they came from.

We at the Viking School would like to welcome the Marquardt family to Viking.

Design For Living Competion Expanded

The 1980 handicrafts and culinary competition, held during the Klondike Days Exposition, will include two special categories commemorating Alberta's 75th Anniversary.

Quilts with a 75th Anniversary Theme may be submitted. The winning quilt will be purchased by Edmonton Northlands and presented to a distinguished Albertan.

A photography competition will display fifty photographs in commemoration of the 75th Anniversary.

The Design for Living competitions are open to all Albertans, and are sponsored by Edmonton Northlands. Prize lists and entry forms are available upon request from Edmonton Northlands.

Entry forms must be returned before June 4, 1980. Write to: Agriculture Division, Edmonton Northlands P.O. Box 1480, Edmonton, Alberta T5J 2N5

Viking School Holds MS Read-A-Thon

The mysterious disease, MS affects the brain and spinal cord, causing a loss of ability of your arms, legs or any part of your body. There is no known cure for MS.

Viking School participated in a Read-a-thon in which the money raised went for research of MS. A total of 1,631 books were recorded as read by the pupils and a total of $1,960.34 was donated to the MS Association through the Read-a-thon.

In Mrs. Evan's classroom eleven people joined. They started reading on October 15th and got sponsors at the same time. With the parents help, they marked the book titles and the author in their pamphlets. They stopped reading on November 22nd and collected the sponsor money. You had to mail the check or money order and sponsor sheet by the 30th of the month if you wanted to enter for prizes.

Mrs. Evans added up the amount our class made. It totalled $169.94.

The principal came to the classroom to hand out prizes. Steven Winter won a frisbee and Rhonda Koppel won a book, plus Janet Voltner and Rhonda Koppel got buttons for raising more than $25.00.

MS is a dreadful disease and I'm glad to know that Viking School is helping us overcome it. Grade 6 Class
Rhonda Koppel

A.S.T.A. Favors Extension and Individual Rights

Representatives of the Alberta School Trustees' Association met with Labour Minister Lee Young today to discuss the Association's position regarding the Human Rights Commission and The Individual's Rights Protection Act.

Scott Saville, President of the A.S.T.A., accompanied by Second Vice-President Jim Falconer, Stan Maertz, Executive Director and Judith Anderson, Director of Legal Services, apprised the Minister of the Association's support of both the purpose and intent of The Individual's Rights Protection Act.

"The Act should be amended to remove the age restriction (45-60 years) and children should receive a legislated right to education, stated Mr. Saville".

The Association took the view that protection of an individual's rights can be achieved at less social cost than at present through revisions to present legislation, particularly as it pertains to the processes of enforcement. The underlying issue is the degree of individual protection which has been obtained through the Act and the resulting social costs of providing that protection. A sequent question is the possible extension of protection and the costs of doing so.

Regarding the Human Rights Commission, Mr. Saville said, "The attitudes and behaviors which characterise an enlightened society are generally formed through the educative process. Accordingly, education ought to be the primary function, both in theory and practice, of the Human Rights Commission."

AN OPEN LETTER
FROM THE PREMIER OF ALBERTA

Within the next few months, the citizens of Quebec will be asked to make a decision about their role in Canada's future. Quebec is an integral part of Canada and all of us wish it to remain so.

Albertans will be asked shortly to sign a "people to people" petition addressed to all Quebecers, urging them to remain Canadian and to continue building with us this vast nation of ours. This petition is a unique opportunity to speak to our fellow Canadians in Quebec, and it has my full support.

To highlight our province's commitment to Canada, the Alberta Government has declared the week of February 3 - 9 as Canadian Unity Week. As one who is proud of his Canadian heritage and who cherishes the enriching presence of a variety of cultures within our country, I ask each Albertan to do his or her part to keep this land strong and united.

Yours sincerely,

Peter Lougheed

Alberta
GOVERNMENT OF ALBERTA

Parent Guide To Education Released

Parents must be involved in their children's schools, not only to promote better achievement, but also to prevent educational abuses from taking hold, says a new booklet for parents.

Saying that only an irresponsible society leaves education entirely in the hands of educators, the guide points to abuses which occur when parents either refuse to participate or are excluded by school officials. Some of the abuses are: teacher union intrusion into education policies which are the responsibility of elected representatives; money diverted to adult education; experimentation without proper safeguards and retention of incompetent teachers.

The guide says another abuse is the failure to teach for competency in the three "R's". If students do not know the basics and are denied academic self-worth, they are likely to turn to gangs and illicit activities for social approval. The guide says it it not true that there is no connection between juvenile delinquency and schooling.

Parents who are involved in the education system have a lot to offer in keeping schools on track. And their own children benefit in terms of higher achievement and career development.

Parents are told how to overcome practises that exclude them from the schools:
-Organize a parents group, with or without the principal's help;
-help the school review its philosophy, goals and programs;
-develop a statement of expectations for the principal to include parents involvement;
-work to improve communication between the school and the home;
-ask legislators to speak out for parent involvement.

The guide is being made available to parents so that they need not "muddle through" in their efforts to work with the schools.

These Grade Two students at Holden School were delightfully surprised when earlier this month they received new desks. Throughout the county grades one, two and three exchanged their old desks for new.

Bruce & District News

Baby Tara Laing spent a couple of days as a patient in the Viking Hospital. Mary Stagryn has also been a patient there for some time.

Jean Stefanishen spent a few days in Ardrossan babysitting the grandchildren while her daughter and son-in-law Marlene and Ben Chamulka were holidaying in Las Vegas. Jean went up on the weekend to visit with his wife and grandchildren.

Two rinks from Bruce skipped by Ernie Doris and Jim Tkaczyk curled in the Ryley Men's Bonspiel last week. Ernie, who was aided by his son Malcolm Doris, Peter Miciak and Hank Field was in the prizes in the second event.

The Bruce Ladies' Bonspiel will begin on Wednesday evening and continue until Sunday night. Sixteen rinks are entered this year and the ladies will be entertained at a banquet in the Recreation Centre on Saturday evening.

Joan and Ken Stambaugh visited in Sherwood Park with their daughter Pat Harris and family. They helped to celebrate their granddaughter Laurie's birthday.

The Board of the Agricultural Society met on Tuesday night at the Recreation Centre. An Easter Ham Bingo is planned for Friday, March 28.

The Busy Bees 4-H Club members attended the Ice Capades on Saturday afternoon and reported an enjoyable time.

Bella McLeod of Coquitlam, B.C. is visiting at the Starky home. She will be spending two weeks at the farm getting acquainted with her new granddaughter Sheena.

The Senior Citizens are sponsoring card parties each Wednesday evening at 8 p.m. in the Community Centre. Last week's winners were Lillian Teske and Dan Teske with consolation prizes going to Vivian Benson and Roy Haugen.

Converting To Microwave Cooking!

When utilizing a microwave oven in the kitchen there are a number of points to remember about cooking techniques. Some of your old skills and habits will still apply but some new techniques should be learned to enjoy maximum benefits from your new oven.

Many homemakers enjoy the benefits of reheating food in their microwave. Flavour remains optimum and nutrients are retained through shorter cooking or heating times. Foods covered with a lid or oven waxpaper reheat more quickly in a microwave and do not lose as much moisture. Try this technique for surprising results when reheating.

Part of the preparation time with microwave cooking is called standing time. Food taken out of the oven is let stand for a matter of minutes before serving. During this time the outer portions of the food which have been thoroughly heated by the microwave transfer heat to the inner portions and therefore continue the cooking process. You will need to learn to adjust timing of food preparation in your microwave.

You should become accustomed to stirring foods in the microwave as well. The outer edges of foods tend to cook very rapidly and stirring will help to bring the cooked portion to the centre and the less cooked portion to the outside.

Turning the dish slightly every few minutes is useful in avoiding overcooking one particular spot in a dish that cannot be stirred.

Microwaves penetrate the food from all sides but there tends to be more microwaves penetrating from the top than the bottom. Turning meats and other larger items over will ensure more even heating.

The arrangement of food in the microwave oven also effects cooking results. Due to the distribution of microwaves within the oven cavity, items should be placed in a circle or triangle if possible. Also, the larger or thicker parts of an item should be placed towards the outside.

For maximum use of your new microwave oven, most experts recommend that consumers take one of the many cooking classes available. There is a lot to learn when converting to microwave cooking and participating in classroom instruction will greatly effect your long term satisfaction with your new microwave.

Holden & District News

The Holden Senior Citizen club held their annual meeting in the Drop-In Centre on Tuesday, January 15.

An election of officers was held with Peter Ogonoski as President, John Romanieson as Vice-President, and Kathleen Hurum as Secretary Treasurer. The club has also a board of ten directors. There were over thirty people attending the annual meeting.

In Hockey the Holden Beavers club are playing again. In a game on January 15, Holden's score was 5 Lamont 11.

The Edmonton Chimos, an all girl hockey team, played against the Holden Oldtimers club on Sunday afternoon. The score was Holden 4 - Chimos 6.

On Saturday, January 19, the Holden Hilltop Goodtimers hockey team played Round Hill Oldtimers with Holden scoring 3 and Round Hill scoring 11.

In Holden registrations are still being accepted for figure or power skating. Anyone who wishes to take up skating may contact the executive officers: Betty Lutz at 688-2224 or Bobbi Schweiker 688-3837. Instructions are given every Saturday afternoon. Instructor is Nellie Chalak of Viking.

Water & Sewer Systems Program

Alberta Environment recently announced a new regional water and sewer systems program. The program will assist groups of rural and urban municipalities in developing co-operative programs to provide joint water and sewer facilities.

The program would provide adequate water and sewer services for the communities where the development of independent schemes are not cost effective and or environmentally desirable.

Projects may be initiated by a group of municipalities or by the department where a regional system may be beneficial.

The program further provides for:

feasibility studies and project co-ordination.

funding for design and construction under the terms of existing Alberta Municipal Water Supply and Sewage Treatment Grant program.

greater cost effectiveness through joint Municipal operating of completed facilities.

purchase of treatment facilities in existence but required for the regional concept.

Bruce Busy Bees

After an enjoyable holiday it was time for the Bruce Busy Bees to get back to work again.

The first meeting of the New Year was held on January 15th.

At this meeting we decided that we are going to the Ice Capades on Saturday, the 19th of January.

Group One made Bumsteads and hard cooked eggs while Group Two made French Omelettes and variations of omelettes.

After eating what we had prepared, we cleaned up.

Seniors Live Active Retirement Through Alberta Games Program

It all seems like a legend, settlers breaking the crusty Alberta soil for the first time, enduring brutal winters in primitive shacks or "soddys".

Hard, strenuous and perpetual work was the only way to make ends meet in Alberta during the early 1900's. And when things were bad at home, they were worse on a national scale with economic depression and war.

But out of this era came the true pioneers: robust, strong and vibrant. They are today's senior citizens. It is their time for smoother sailing and relaxation.

Senior's provincial representative for Alberta Games Counsil, Martin Bruce warns however that seniors should take heed not to let leisure turn into inactivity.

"A lot of us have worked hard all our lives. We have the right to relax, but not as wax statues in museums, says 66-year-old Bruce.

Along with co-ordinator of the Seniors Movement Rick Schott and numerous volunteers, Bruce is encouraging seniors representation in the 1980 Alberta Winter Games in Grande Prairie on February 28, 29 and March 1. About 2,500 Alberta seniors are currently involved in zone eliminations and Bruce expects 250 to compete in provincial games. The program of events exclusively for seniors was formally adopted by Alberta Games Council last year during the Summer Games in St. Albert.

Bowling, cross country skiing, mens and ladies curling, cribbage, chess and photography competitions offer seniors, "relaxation through activity, exhilaration through competition and the excitement of social exchange," says Bruce. And winners need not worry about travel, food and accomodations. All participants will be provided for during the Winter Games.

Bruce has visited more than 50 senior citizens clubs in the province and he says seniors are highly enthusiastic about the Games' approach. "They need a little encouragement and confidence to get over their misconceptions about athletic competition. I'm not saying seniors should be out there pushing their limits, but many underestimate their capabilities," Bruce says.

Feeding The Beef Cow After Calving

It is vitally important the beef producers meet the greatly increased feed requirement of cows that have just calved, says R.E. Burg, animal nutritionist with Alberta Agriculture.

"Failure to do so reduces the growth rate of the calf and results in problems with the rebreeding of the cow," says Berg. "It would lead to this year's breeding season being extended, and there would be a consequent extension of next year's calving season."

"A cow's feed requirements increase greatly after calving because the animal needs to produce milk for her calf. Special attention to feed also hastens the cow's recovery from calving and allows the cows to start cycling sooner and with better conception rates."

Each additional one pound per day of milk produced by the cow ensures an average of ten pounds higher weaning weight on her calf, said Berg.

She suggested the following ration samples, based on average feed analysis and average requirements, for meeting the cow's feed requirements after calving. Adjustments for different farm situations should be based on feed quality, cow weights and levels of production and the general condition of the animal.

The following figures are based on: 1000 lb. cow, Low Production 10 lb. per day.

Ration A: Alfalfa Hay (lb per head per day - 22
Ration B: Grass Hay (lb. per day per head -30). Oats Grain (lb. per head per day - 8)

Ration C: Oat straw (lb. per head per day - .15) Alfalfa Hay (lb. per head per day - 10)

Ration D: Cereal Silage (65 per cent moisture - lb. per head per day - 57) Oats Grain (lb. per head per day - 0. These same rations when applied to a 1200 lb. Cow Moderate Production - 25 lb. per day are as follows:

Ration A - as above 30
Ration B: as above 24 and 4.3
Ration C - as above 12 and 25
Ration D - As above 70 and 4.5

The producer is advised to complement the above rations with cobalticidized salt, a 1:1 mineral supplement and 50,000 I.U. per head per day of Vitamin A.

In A Stew. . .

For these cold winter days what is a better choice for dinner than a bowl of steaming stew. Easy and economical, stews are nutritious and add a wonderful aroma to your kitchen.

A new publication titled "In A Stew" will be available from this office soon. It includes stew suggestions as well as many different stew recipes. German Beef Stew, Alberta Harvest Stew, Dilled Lamb Stew and Sweet and Sour Beef Stew just to name a few.

Stews are a great way to use leftover meat and vegetables, as well as vegetable cooking water. Simply save the water vegetables were cooked in then make a "clean out the fridge" stew. Add celery leaves, onion tops and coarse cabbage.

For extra protein add your own home cooked beans to the pot. Remember one cup of baked beans equals one serving of meat.

By doubling the recipe, you can freeze half for a quick meal. Freeze stews in a foil lined pan, then remove from pan and place in a freezer bag - allowing you to use the pan for other meals.

For an instant pot pit, try defrosting a frozen pie shell and place on top of stew. Cut slits in top and bake. For your copy of "In A Stew" give this office a call and leave your name

JANUARY SALES

Each month stores offer certain items on sale, for clearance or out of season purposes. By staying aware of what items are on sale or those that will be on sale we can plan purchases wisely and take advantage of savings.

This month the following items are often reduced: used cars, radios, stereo, mens shirts and shoes, furs, coats, bedding beachwear, jewellery, white goods, sports wear, handbags, home furnishings, rugs, tile, small appliances, china and glassware.

In the month of February, look for the following items: used cars, housewares, curtains, drapes, lamps, rugs, radios, stereos, toys, sports wear, air conditioners.

AGT

GOOD NEWS PARTY LINE

A public meeting has been called for Tuesday, January 29 at 7:30 p.m. in the Irma School for anyone interested in the production of a new History Book for Irma and surrounding District. All ideas and suggestions would be most welcome. Please plan to attend.

Viking Minor Hockey Association will sponsor their annual Dine and Dance on Saturday, February 16th, at the Viking Community Hall.

The Annual Meeting of the Kinsella Culture and Recreation Board will be held on February 6, at 8:00 in the school. Please plan to attend.

North Eastern Alberta Winter Games will be held in Vegreville on March 7, 8, and 9. Information is available from the Recreation News stand at the Civic Building or from the Viking School.

The Alberta Games are being held on Feb. 28 to March 1, in Grande Prairie. Information is available from the Recreation News stand in the Viking Civic Building or from the Viking School.

Viking Child Development Society advises that in the future they will only be accepting bundled newsprint at the paper depot.

Viking Curling Club will be sponsoring their annual Bobby Burns Dance on Saturday, January 26th, at the Viking Community Hall.

Viking Curling Club will be holding a Mixed Bonspiel from January 31 to February 3. For further information phone 336-3440 or 336-2143

Strawberry Plains W.I. meet at the home of Minnie Jackson on Wed., Feb. 20th at 2:00 p.m.

The Bruce Senior Citizens are sponsoring card parties each Wednesday evening at 8:00 p.m. in the Community Centre.

Strawberry Plains Annual Meeting Held

The Strawberry Plains W.I. Annual meeting was held at the home of Esther and Martin Cressey on Wednesday January 16th.

President, Betty Painter called the meeting to order with seven members and one visitor present. The minutes of the previous meeting were read and adopted. Business arising from the minutes was dealt with.

It was moved and carried that the present slate of officers continue for the year of 1980.

It was agreed that the W.I. would meet Peach at Long's Hereford Sale on February 6th on the same basis as in previous years.

Lorna Jackson was authorized to prepare a parcel for Mr. and Mrs. Howard Shroyer whose trailer and some valuables were destroyed by fire recently. The Schroyers were away in Denver, Colorado at the time of the misfortune.

Betty Painter was instructed to investigate the schools at the Battle River Lodge in Wainwright to determine what date would suit the residents in having the W.I. ladies come down and entertain them. She will report her findings at the next meeting.

The next meeting will be held at the home of Minnie and Jim Jackson on Wednesday, February 20th at 2 p.m. At the conclusion of the business meeting there will be a White Elephant Sale, followed by lunch. Visitors are always welcome.

Irma New Horizon Club Elects New Executive

The Annual meeting of the Irma New Horizons Club was held in the Drop-In Centre on Wednesday, January 16th with a good attendance.

The meeting was called to order by the president. The minutes of the last meeting were read by the secretary Alma Enger. The minutes were adopted and business arising from the minutes was dealt with.

The minutes of the last annual meeting held on January 10th, 1979 were read and dealt with. The president gave a short resume of the years activities and expressed thanks to the various committees for the excellent manner in which they had carried out their duties. Hope was expressed for the coming year that it would bear a number of meaningful activities.

The solsters report was presented, read, and discussed. This revealed that the club is in a good position financially with no liabilities.

Officers for 1980 were then elected as follows: President - Georgina Enger; Vice-President - Phyllis Craig; Secretary - Orril Darling; Treasurer - Harry Riley; and the board members are Elma Tomlinson, Elsie Satre, Alex Smallwood, Gunnar Larson, Edith Wilson and H. Foder.

The following committees were set up: Entertainment Lunch and Games etc.

At the conclusion of the business meeting, scrabble, whist, and cribbage were enjoyed, followed by lunch and socializing.

Kinsella News

The regular meeting of the Kinsella Culture and Recreation Board was held on the 2nd of January.

It was decided that Disking would be held on Saturday evenings only, beginning on Saturday, January 12. The price played the same at 25 cents per game.

After a lengthy discussion it was decided that due to a lack of ticket sales, the raffle that was underway would have to be cancelled. Anyone who has purchased tickets will be reimbursed.

The annual meeting is slated for February 6th at 8:00 p.m. in the school. Anyone who is interested in keeping our arena open is urged to attend. Please bring any suggestions for "use of" facilities and fund raising projects.

Echo-Rodino News

Mr. and Mrs. Les Prosser attended a Live Life Product Convention in Calgary last weekend.

Yvonne Greenwood accompanied by her friend Jeane Gillard of Kinsella took in two days of shopping in Edmonton. While there they visited with Rita Greenwood.

Dave Goertzen of Fox Creek called in at the Williams home on Saturday.

Mr. and Mrs. Jim Williams and family of Edmonton were also weekend visitors at the Williams home.

Mr. and Mrs. Tom Newby and family of Viking were Sunday guests at the Robert Greenwood home.

Kinsella Rose Seniors

The Kinsella Rose Seniors held a card party on January 16th with thirty-five people present.

We had seven tables of whist players while the others played pool, shuffle board, etc.

Pearl Brown took first prize for whist for the ladies while Ivy Mollier held second place.

Greta high score was Bert Cormack with Allan Barker placing second.

Phyllis McBride, Muriel Rawiuk and Edna Pyke served a delicious lunch to round out the evening.

Seniors, don't forget our annual meeting which is set for 8:00 p.m. on January 23rd. See you there. Also a reminder that visitors are always welcome.

Irma O.O.R.P. To Host Neighboring Members

The Irma O.O.R.P. held their January meeting on the 15th of the month. H.R.L. Lovig opened the meeting at 8 o'clock. There were 21 members present. Three officers were absent.

The minutes of the previous meeting were approved as read.

Communications consisted of a letter from our S.H.R.L. Ruby McDonald with her New Year's Greeting; also one from S.S.L. Gladys Worthing with best wishes for the New Year. Other items included a greeting from Irene Drewicki of Hardisty Lodge, a thank-you note from Parkland Nursing home for the oranges at Christmas.

Stella Glasgow reported on our forthcoming raffle in conjunction with St. Patrick Day tea. Our new by-laws were passed after passing their third reading.

Our District meeting was discussed and committees were appointed to take care of the catering and decorating also one for the noon lunch. It was decided that the proceeds from our raffle were to go to Falcon Enterprises.

H.R.L. Lovig thanked the committees for the tremendous job they did with our Christmas party. Also for those who filled in for her for the evening.

It was decided that we have visitors attend our February meeting. Wainwright, Viking, Kinsella and Hardisty Lodges are to be invited.

Good of the order was won by Ruth Archibald. Happy Birthday was sung to Cynthia Ballentine and Louise Prosser.

The meeting was closed and a delicious lunch was enjoyed by all.

The Homemaker

By Maureen Bauman, District Home Economist

It's a New Year! What a good time to start a system of record keeping. To help us with family financial planning, a new series of publications has been developed by Alberta Agriculture.

It is important that we all keep financial records. Knowing how much money you have to spend for family living and knowing how to spend it is very important. Record keeping is the first step to budgeting and financial planning. Before a financial plan can be set up it is essential to be aware of your income and expenditure. Looking at your spending patterns can identify areas where you are spending too much. Financial records also provide a permanent record of purchases.

The "Cope...With Family Financial Records" publication provides a record of personal and household transactions. It is designed to complement the farm business records.

An important but often overlooked record to be kept by families is the household and personal items owned by the family. The inventory also contains additional information such as date, place and price of purchase, identification, current value and ownership.

Inventory guides are available from various agencies. The new publication from Alberta Agriculture, "Cope With a Household Inventory", free for the asking, includes forms to get you started.

Paper plays an important part in our lives. It is used to record various events. At birth you are issued a birth certificate, at death, a death certificate. In between, papers record education, employment, marriage, property owned, bills paid, and many other things. Knowing which of these papers to keep and where to keep them can be a problem. An Estate Inventory can help you cope with all these papers.

An estate inventory is a recorded list of all important business, family, and personal documents and papers possessed by a family and their location. Knowing at all times what personal papers you have is important for good financial management.

To help you get started on an estate inventory, Alberta Agriculture has prepared a publication "Cope....With Family and Financial Papers". Remember — getting started is the most difficult part of record keeping.

All these publications to help you cope with record keeping are available free for the asking from the Alberta Agriculture office at Box 200, Ryley or phone 863-3686.

Irma News

The Irma Midgets hockey team journeyed to Rosalind on Sunday, January 20th and played a regular league game. They returned home victorious, having downed Rosalind 12 - 0.

Irma and Amisk Midgets played a regular league game in Irma on Friday, Jan 18th. Irma won 7 - 4.

The Irma New Horizon Club extends an invitation to all persons 55 years of age and over to join the club. Dues are $5.00 per person per year. The Drop-In is open to members and friends every weekday from 2 - 5 p.m. There is a shuffle board, pool table, cribbage etc. Arrangements have been made to hold a series of whist drives. The first whist drive of the season will be held in the Drop-In on Friday evening, January 25th commencing at 7:30 p.m.

Retiring Secretary, Alma Enger was presented a gift in recognition of five and a half years of devoted service. In making the presentation, Phyllis Craig stressed the fact that it takes a good secretary to make a good organization and that Alma had done an excellent job. Alma expressed her thanks and said that she had been interested and had enjoyed the work.

Veterinarian To Attend Beef Club

The regular meeting of the Irma 4-H Beef Club was held on the 3rd of December at the John Newton home. At this meeting, we decided to have a pot-luck supper when the members would exchange gifts.

There was a demonstration given on how to fill out the feed sheets correctly. On November 20, our club sent five bowlers to Wainwright where they had an enjoyable day.

On Decembef 1, our club sent three teams to participate in a 4-H Bonspiel in Wainwright.

The January meeting of the Irma 4-H Beef Club was held on January 4th at the home of Jerry Mark. A short business meeting was conducted. Three teams were selected to go to Edgerton on January 19th for their 4-H bonspiel.

Following the meeting, leader Bert Smith gave a demonstration on how to make a rope halter. The next meeting is to be held in the Irma School on February 4th. At this meeting a veterinarian will be in attendance and will show a film concerning calf scours.

The public is cordially invited to attend this meeting as this should be very informative. Meeting time is set at 7:30 p.m.

A Home Designed For Energy Conservation

The cold weather we have in winter makes a person think seriously about energy conservation. Anyone building a new home can include several energy conserving features if some planning is done before the building begins.

To get the most living space for minimum heating and building costs, keep the basic shape simple. Jogs and angles are expensive. The less exposed skin a house has, the less energy is required to heat it.

Consider developing the lower level, attic space or loft into totally useful space.

Window placement has a large effect on the amount of heat gained from the sun and heat lost through the glass. In general, try to have as many windows as possible facing south, and few or none on the nort exposure.

Planting trees and shelter belts can also affect energy conservation. Trees that lose their leaves are planted on the south side of the house to let the sun shine through in winter and give shade in summer. Trees can deflect winds and provide protection.

A tree energy conserving solution will maximize winter heat gain and minimize winter heat loss. It will also integrate building and side successfully. Sites with south facing slopes are especially good. They provide maximum exposure to the sun and protection from cold northwest winds. Earth berms of mounds and evergreen trees can also be used to protect the north and west walls from cold winter winds.

If you are planning to build or remodel your home consider enrolling in the Farm Home Planning Course, offered by Alberta Agriculture. Lessons are sent to your home once a week. Learn about sites, financing, drawing a floor plan, insulation, interior design and much, much more, right in the comfort of your home.

As well, there will be supplemental T.V., radio and newspaper columns coinciding with the lessons.

Want to know more? Give me a call at 863-3555. Hurry - registration deadline is January 21, 1980.

Maureen Bauman
Dist. Home Ec.

Fire . . . Friend Or Foe

At this time of the year many families gather together in front of their fireplace to enjoy an evening of relaxation and companionship.

The Home Safety Committee of the Alberta Safety Council points out that although a fireplace can be a source of delight, it can be extremely hazardous if common sense rules are not adhered to. One of the greatest dangers in that of using an excessive amount of wood and creating a fire which is too hot.

In order to fully enjoy your fireplace, the Home Safety Committee makes the following suggestions:

(1.) The burning of wood and artificial logs produces a deposit of creosote which adheres to the inside of chimneys. This creosote is flammable and is the main cause of chimney fires. Chimneys should be inspected regularly and swept as often as necessary.

As the creosote is difficult to dislodge, the best method of removal is to have the chimney swept with a wire brush. Should a chimney fire start, do not panic. By taking the appropriate actions, you can control the fire and minimize possible damage.

First, call the fire department. Second try to cut off the air to the fire by closing any doors or dampers and covering the fireplace with a wet sheet or blanket. Third, watch both the inside and the outside of the house for sparks coming out of the chimney which can set the roof on fire.

Once the fire is over, have the chimney inspected thoroughly before using again. Although you can help reduce fire damage, the best solution is prevention. Keep the chimney clean. Do not let it get dirty and dangerous.

(2.) For enjoyable wood burning fires, only dry seasoned wood should be used. Wood which has been cut and dried, preferably under cover, for one or two years is ideal. Remember that green wood does not dry in the winter time. Traditionally, wood sheds were used to protect the drying wood from the rain and snow. The wood was piled up in such a way as to allow good air circulation to every piece. A heker-skelter pile does not allow wood to dry.

(3.) Fireplaces require a good air supply for proper combustion. If your fireplace does not have a seperate outside air supply, leave a window open in the room or an adjoining room for a proper draft supply.

(4.) Do not use any type of flammable liquids to get the fire started.

(5.) When burning artificial logs, only burn one at a time.

(6.) Always use fire screens but remember that the screen will not prevent all sparks from escaping. Insure that the hearth is kept clean at all times.

(7.) Hot ashes are another potential source of fire in the home. Ashes should always be handled or stored carefully in metal containers. You should always treat ashes as if you expect to find glowing embers in them.

(8.) Do not leave a burning fire. Leave the fire only when all that is left is a small glow. Insure the screens are in place and the damper has been left open.

Plan Now For A Secure Retirement

How would you like to retire with a million dollars? This would give you an annual income of approximately $100,000 per year for the rest of your life. Well of course you would. As you can believe it, or not - even without winning a million dollar lottery. If you start planning early in life you can retire with enough money to ensure a very comfortable retirement.

Experts suggest that you start plans for retirement at about age twenty-five. By taking an affordable but fixed amount out of each paycheque and depositing it into a Registered Retirement Savings Plan - and by increasing this amount each time you get a raise - your ultimate savings over 40 years can and will be astronomical.

For example, if you were to deposit $2,000 per year (or $38.00 per week for 50 weeks a year) from age 25 to 65, you'd have about 1 million dollars accumulated by retirement. This is based on a 9 per cent annual interest rate.

Of course, few people at 25 years of age can afford $40.00 a week - but you could start with $20.00 and gradually increase it. 30 years from now you might be putting away $100 a week but 30 years from now you could be earning $300,000 a year if inflation keeps up.

And of course - you should not forget about the tax advantages you'll reap through investment in Registered Retirement Savings Plans. A $2,000 a year investment will actually only cost you around $1,300 or $25.00 a week because of the reduction of personal income taxes.

And so, if you can manage $2,000 a year savings - you'll not about $475,000 by the time you retire. Chances are good that your house will be paid for and inflated in value as well. And - that's not a bad start to a secure, worry free retirement.

Canadian Home Insulation Program

At the beginning of 1979 Albertans saw the Liberal Federal Government's insulation program was less than desired and anticipated. It was very evident that conservation of energy through the use of insulation was the last thing on the minds of Albertans.

Why insulate when we here have enjoyed low fuel costs, abundance of energy supplies and an affluent society. As the year progressed, energy costs began to rise, warnings of energy shortages were echoed, and Albertans began to listen, in fact many started to act.

As 1979 ended the use of the CHIP Program had increased 600 percent with approximately 19,500 grants totaling approximately 65 hundred thousand dollars having been paid or about to be paid.

We moved from a distant 6th best user of the program to a solid 4th. We lead the way in the Prairies and were surpassed by Ontario, Quebec, and British Columbia. A remarkable turnabout.

The program is now prepared for a bigger and better year. If anyone has a home built prior to January 1, 1961 CHIP can help to cut the cost of re-insulating. Owners of small apartments of 3 storeys or less are also eligible as are duplexes, semi-detached, row housing, triplexes, fourplexes etc. It is indeed time to act.

Costs of energy will continue to rise, shortages will indeed become a reality. Why not let the government help, for the Canadian Home Insulation Program can provide grants of up to $350.00 for acceptable insulation materials and up to one-third of labor costs if labor is provided by a licensed qualified insulator or insulation company to a maximum grant of $150.00

Information and applications may be obtained by writing to Station A, Box 2039, Edmonton, Alberta T5J 2G6 or by phoning collect to 425-5272.

Remember, energy conservation is everyone's business.

Do You Know The Bible Says

By Mrs. W. Myers

1 Cor. 15:35, 36, 38.
But some man will say... How are the dead raised up and with what body do they come?

Thou fool, that which thou sowest is not quickened, except it die... but God giveth it a body, as it hath pleased Him.

Gal 6:8 says, for He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

Dan. 12:2 says.....And many of them that sleep in the dust of the earth shall awake.....some to everlasting life and some to shame and everlasting contempt.

These bodies of ours when born are fresh and tender, but as they grow and are exposed to the elements become hard and rugby and even weather beaten. Age finally deteriorates the body and it is finally laid in the grave a decaying mass of flesh. It returns to dust.

Some prefer cremation and the body becomes ashes in short time, but no matter whether the body is devoured by wild beasts, flames or decay, in the resurrection God will give it a body with all the senses and feelings of a natural live body of flesh.

The soul that left that body will again reunite to stand before the judgment bar of God.

President Kennedy will be there, Nehru of India will be there, those whose bodies were buried at sea will be there, the rich and the poor, the educated and the uneducated will stand there to be judged.

The Bible will be opened and all will be judged by it and what they have done with Jesus.

Those who are saved before they die will be resurrected having a glorified body. Will you be one of them?

Holden Resident Laid To Rest

Mrs. Wasylyna Tymchuk of Holden passed away on January 13, at the age of 80 years.

She is survived by one son James of Holden, three stepsons, Tony of Willingdon, John of Boyle, and Alex of Holden; one daughter Miss Emily Tymchuk of Edmonton and three step-daughters Mrs. Mary Bechy of Camrose, Mrs. Pearl Babiy of Vancouver, Mrs. Anne Kolodychuk of Edmonton and two granddaughters, Marilyn and Bernice; 4 great grandchildren as well as several step grand and great grandchildren.

Wasylyna was predeceased by her husband Luke in 1974 and one grandson, Richard in 1977.

Prayer services were conducted on January 16 and Requiem Mass was held at the Holy Ghost Ukrainian Catholic Church on January 17.

Rev. O. Zachariasevych celebrant, interment in the Holden Cemetery. Fodun's Funeral Chapel of Vegreville was in charge of arrangements.

Irma Resident Passes

Mrs. Dicka Hollinger of the Sharon district passed away in the Hardisty General Hospital on Thursday, January 17th, 1980.

At the time of her passing, Dicka was 78 years of age. Funeral services were conducted for Mrs. Hollinger on Monday, January 21st at 2 p.m. at the Sharon Lutheran Church.

Pastor Ray Niebergall officiated at the service. Mrs. Della Nilson was organist. Soloist was Mr. Carl Sorenson with "Some Golden Daybreak".

Pallbearers were Lorne Fuder, Carl Gulbras, Arnold Lein, Jack MacKay, Ole Raasok and Leonard Skori. Interment followed in the Sharon Lutheran Cemetery.

In loving memory of *Barbara Powell* who passed away on January 26, 1976.

When evening shades are falling,
And we sit in quiet alone,
To our hearts there comes a longing,
If she only could come home.
Friends may think we have forgotten,
When at times they see us smile,
But they little know the heartache,
Our smiles hide all the while.
Ever remembered and sadly missed by Lawrence, Dennis, Barbara and family.

Irma Tom Thumbs Tie Two

On Saturday, January 12, Irma played an exhibition game against Wainwright. Scoring for Irma were Greg MacKay with two and Tracy Ronjom with a single goal.

The Reece boys were busy picking up the points for Wainwright with Bill getting a couple and Gord scoring one. This was a very exciting, hard fought game which ended in a tie with the score locked at 3 each.

On January 19th we saw Wainwright in Irma for a scheduled game. This was a hard fought game ending in a tie. Scorers for Irma were Greg MacKay with two goals and Ron King with two.

Catching Irma's goalie off guard were Michael Budol with a pair of goals and Pat Two and Jason Miller with one each.

Again, the team played hard and tallied their second tie in two weeks.

Viking Bantams Meet Defeat

On Saturday, January 19, the Viking Bantams travelled to Killam where they suffered their first defeat of the season.

Following a scoreless first period, Viking and Killam each scored three goals in the second period. Scoring for Viking were Ian Erickson, unassisted; Rocky Hanson, unassisted; and Ian Erickson again assisted by Ken Cikaluk.

In the third period Viking scored one more while Killam fired in five more goals. Ian Erickson got his third goal for Viking, assisted by Rocky Hanson and Ken Cikaluk.

The final score at the end of the third period was Killam 8 over Viking with 4.

Weedless Wednesday January 23

smoke are depressing", he says. "A 1977 survey by the Canadian Council reports that 26.9 per cent of the boys and 26.7 per cent of the girls between 15 and 19 years of age are regular smokers".

Regular smoking among teenage males has dropped from 35.7 per cent in 1970 to 26.9 per cent in 1977, but the percentage of female teenage smokers has stayed constant at 27 per cent. In Alberta, 61.2 per cent of the population over 15 don't smoke.

Regular smoking among teenage males has dropped from 35.7 per cent in 1970 to 26.9 per cent in 1977, but the percentage of female teenage smokers has stayed constant at 27 per cent. In Alberta, 61.2 per cent of the population over 15 don't smoke.

Evidence indicates that women who smoke during pregnancy may be adversely affecting their unborn children. Babies born to women who smoke during pregnancy weigh six to eight ounces less at birth than do newborns of non-smokers.

The province's 29 local health authorities are conducting campaigns during Non-Smoking Week with pamphlets, stickers, "No Thanks" buttons and other health education materials designed to encourage Albertans not to smoke.

Gas Kings Lead The Way In Battle River League

January 14th found the Kings travelling to Hardisty for league play against the lost team. The Hardisty Stampeders met defeat at the hands of the hard hitting Gas Kings by a score of 10 - 4.

In the first period, Viking chalked up four unanswered goals. These were netted off the sticks of McGinitie with a pair, and Kenny Lefsrud and Jim Laskosky one goal each. Receiving assists in the opening period were Doyle Winczura with 2, Lee Laskosky with 1 and Gordon Bednar with 1.

In the second period the Stampeders offered a slightly better brand of competition and netted two while Viking's single goal of the second period was scored by Doyle Winczura with Jim Laskosky providing the assist.

Returning to the ice for the third period the Gas Kings were ready for action and tallied another five goals while the Hardisty team netted only two. Handling the scoring for Viking were Lee Laskosky with two while Kirk McInroy, Barry Field and Doyle Winczura landed singles. Assisting on these five goals were Barry Field 2, Doyle Winczura 1, Kevin McGinitie 1, and Kirk McInroy 1.

Penalties were handed out as such: Viking 5- Hardisty 8.

On January 16th the Gas Kings were hosted by the Rosalind team and were once again defeated by Rosalind, on Rosalind's ice.

Although the scoring was kept to a single digit figure the same was not true for penalty minutes. The referees called a total of 18 Minors, 1 Major and 1 Misconduct to the Viking Gas Kings and an almost equal number to the Rosalind team. Their record reads as follows: 14 Minors, 1 Major and 1 Misconduct.

Scoring for Viking in this Games were Barry Fields and Kenny Lefsrud with one goal each. Receiving single assists were K. McGinitie, B. Harray, R. Rattray and K. McInroy. Final score in the game was 4-2 in favor of the Rosalind team.

Another "away game" was played on January 19th in Hardisty with the Kings defeating the home team by a score of 8 to 2.

At the end of the first period Viking topped Lougheed by a 3 to 1 margin. Netting goals were Quinton, Field and Winczura. Assists were by Lefsrud, Harray and J. Laskosky.

Viking's Mark Wemp and Kirk McInroy kept the lead with singles each in the second period. The only other Lougheed goal was also scored in the second period.

Lengthening their lead in the third period, were Kirk McInroy with two goals and Barry Field with one, to end the scoring at 8 - 2. Receiving assists: Field, L. Laskosky, K. McInroy, and B. Harray.

Penalties in the game were again topped by the Kings with 5 Minors and 3 Majors while Lougheed received 2 Minors and 2 Majors.

With a good number of fans in attendance, the Viking Gas Kings defeated the Forestburg Flyers by a score of 10 - 6 on Monday night, January 21.

First period statistics are as follows: Viking 2 - Forestburg 3. Scoring: Wemp 1, McInroy 1. Assists: R. Rattray 1, B. Field 1, B. Harray 1.

Second Period Viking 8 - Forestburg 5. Scoring: J. Laskosky 2, K. McGinnitie 1, R. Rattray 1, B. Field 1, G. Rattray 1. Assists G. Bednar 1, J. Laskosky 2, Quinton 2, Winczura 1, McInroy 1, Lefsrud 1.

Third period: Viking 10 Forestburg 6. Scoring: Bednar 1, McInroy 1. Assists: B. Field 1, Winczura 1.

Penalties: Viking - 9 Minors 1 Major. Forestburg: 4 Minors, 1 Major

Top points secured in the Battle River Hockey League by Viking Gas King Players are as follows: Ray Rattray 11g, 17a, 28 p; Kirk McInroy 14g, 13 a, 27p; Lee Laskosky 8g, 14a, 22p; Barry Field 12g, 9a, 22p; Gordon Rattray 12g, 9a, 21p; Doyle Winczura 8g, 12a, 20p; M. Wemp 11g, 12a, 23p; Kenny Lefsrud 4g, 16a, 20p; Blair Quinton 10g, 9a, 19p; and K. McGinnitie 7g, 9a, 16p.

Player standings for the Willmark Motors Trophy as of January 21 are:

L. Laskosky	95
B. Field	70
B. Quinton	65
R. Bittorf	45
D. Winczura	40
J. Laskosky	35
G. Rattray	30
R. Rattray	25
M. Wemp	15
K. McInroy	15
K. McGinnitie	10
R. Naslund	5

Alberta

IN THE MATTER OF "The Municipal Government Act";

AND IN THE MATTER OF "The Administrative Procedures Act";

AND IN THE MATTER OF an application by the Town of Viking, Alberta for annexation of certain territory lying immediately adjacent thereto;

TAKE NOTICE that the Town of Viking, Alberta has petitioned for annexation to the Town of the following described territory lying immediately adjacent thereto in the County of Beaver No. 9:

1. THE NORTH HALF OF SECTION THIRTY-ONE (31), TOWNSHIP FORTY-SEVEN (47), RANGE TWELVE (12), WEST OF THE FOURTH MERIDIAN

2. ALL THAT PORTION OF THE NORTH SOUTH GOVERNMENT ROAD ALLOWANCE ADJOINING THE WEST BOUNDARY OF THE NORTH WEST QUARTER OF SECTION THIRTY-ONE (31), TOWNSHIP FORTY-SEVEN (47), RANGE TWELVE (12), WEST OF THE FOURTH MERIDIAN LYING SOUTH OF THE PRODUCTION SOUTH EASTERLY ACROSS THE SAID ROAD ALLOWANCE OF THE NORTH EASTERLY LIMIT OF AREA 2, AS SHOWN ON FILE PLAN 3518 R.S.

The Board will hold a public hearing of the matter of the petition in the Council Chambers of the Town of Viking, Viking, Alberta on Wednesday, January 30th, 1980 at 10:30 a.m.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting or refusing the annexation application and you are hereby notified that if you wish to make any representation in this regard, you may file such written submission with the Board, or appear at the aforementioned public hearing.

In the event that no valid written representation is filed or spoken to as noted, the Board will proceed to deal with the petition on the basis of evidence presented at the public hearing.

Dated at Edmonton, in the Province of Alberta, this Twelfth (12th) day of December, 1979.

Viking Bantams Continue Winning Streak

On Saturday, January 12, the Viking Bantams travelled to Daysland for their fifth league game.

Viking took an early lead with four goals in the opening period. Scoring for Viking were Ian Erickson, unassisted; Ian Erickson assisted by Pat Voltner; Bill Hanson, unassisted and Randy Graham assisted by Joe Hoffman.

Viking added one more goal in each of the second and third periods. Both goals were by Ken Cikaluk, one assisted by Ian Erickson and one unassisted.

Dayland also scored one goal in each of the second and third periods. Both goals were by No. 14 Richard Rexinger.

The final score in the game was Viking 6 - Daysland 2.

On Sunday, January 13, the Viking Bantams hosted the Lougheed team.

The only goal of the first period was scored by Viking's Ken Cikaluk, assisted by Bill Hanson and Ian Erickson.

In the second period, Ian Erickson added two more goals, one assisted by Ken Cikaluk and one unassisted. T. Wahlund then put Lougheed on the scoreboard with two quick goals.

Ken Cikaluk's goal finished off the second period scoring with assists going to Ian Erickson and Leif Erickson.

Rocky Hanson scored two more goals for Viking in the third period. His first was assisted by Joe Hoffman. The second was assisted by Randy Graham and Joe Hoffman.

Final score once again was Viking 6 and Lougheed 2.

The WEEKLY REVIEW

Serving the People from Ryley to Irma
Published Daily Wednesday at Viking, Alberta

Wednesday, January 30, 1980 FEB 4 '80 Volume 2 No. 50

Brad Wyman Lockhart, shown here with his mother Shirley, became the Viking Hospital's New Year's baby at 5:50 a.m. on Friday, January 25th. Brad weighed in at 7 lbs. ½ oz. The proud father, Wyman Lockhart of Viking, would liked to have attended this photo session but he was home tending to Brad's sisters, Cheryl and Jody. Staff Photo

Six Candidates Contest Vegreville Constituency

Six candidates have filed nomination papers with the Returning Officer for the Vegreville constituency for the upcoming federal election. All of the candidates have a party affiliation, with the Progressive Conservative Party, the Liberal Party, the New Democratic Party, the Social Credit Party of Canada, the Communist Party of Canada, and the Rhinoceros Party of Canada all fielding candidates.

Incumbent Don Mazankowski of Vegreville will again carry the P.C. banner into the February election. Mr. Mazankowski has represented the Vegreville constituency since 1968 and was Minister of Transport responsible for the Canadian Wheat Board in the Clark government.

The Liberals will be represented by Florence Fachanuky of Mundare. Miss Rachansky is an ex-school teacher and has been doing free-lance writing for some newspapers along Highway 16.

The New Democratic Party has selected Henry Mandelbaum of Edmonton as their candidate. Mr. Mandelbaum is a research consultant in rural economic development and is presently working on his M.A. degree in Political Science.

Alex Gordey of Vegreville will contest the election for the Social Credit Party of Canada. Mr. Gordey is a retired school teacher, has been active in politics for many years and sat in the Alberta Legislature from 1959 until 1971.

Representing the Communist Party of Canada will be Bill Tuomi of Edmonton. Mr. Tuomi is the full-time secretary of the Communist Party of Canada for Alberta and has run in a number of elections in this area over the past few years.

The Rhinoceros Party of Canada has selected Carl Hohol of Lavoy to contest the Vegreville constituency. Mr. Hohol is married with three young children.

Alberta Disaster Services Seminar Well Attended

An informational semipar sponsored by the Alberta Disaster Services was held in the Viking Legion Hall on the evenings of Monday and Tuesday, January 21 and 22.

Chief Training Officer, Alberta Disaster Services, Scott K. Bricker conducted the learning sessions. Those participating in the discussions groups which followed included County Councillors, the County Fire Chief and the Fire Chiefs of the outlying communities, members of the local R.C.M.P. Detachment, Doctors, Volunteers Firemen and a number of local farmers and businessmen.

Both evening sessions were quite well attended despite a number of other community functions taking place, with 40 people registering on Monday and 37 returning on Tuesday evening. The main objective of this course was to enable emergency response personnel to become familiar and aware of the nature of hazards encountered in accidents involving dangerous goods, and to develop appropriate emergency strategies and apply correct emergency response procedures.

Although a vast field the seminar from Alberta Disaster Services placed emphasis on the areas of (a.) An outline description of the properties and hazards of the U.N. Classes of Dangerous Goods; (b.) Information concerning identification markings, storage, transportation, shipping containers, cargo vehicles, and industrial uses of common products; (c.) Guidance as to the proper emergency response to incidents involving dangerous goods; and (d.) Sources of information, advice and assistance available to emergency response organizations.

County Authorities Meet On Recreation

Representatives of the governing authorities for Regional Recreation in the County of Beaver met last Wednesday evening, January 23rd in Viking. Representatives from the County, Tofield, Ryley, Holden and Viking were in attendance.

Mayor Selmer Hafso of Viking chaired the meeting and in his opening remarks noted that no decisions would be made at the meeting but that it was hoped that constructive discussion would take place.

The first item on the agenda dealt with the operation of the Beaver Regional Arts Centre in Holden. Holden, Viking, Ryley and the County expressed their commitment to contribute towards the operation of the Centre, with Ryley expected to review their position in May. Representatives from Tofield gave no firm commitment but suggested that their Council would probably contribute.

Next, the Nugget Lake and Camp Lake picnic areas were discussed. A representative from Tofield suggested that the County should bear sole responsibility for their continued operation. Members of the County Council strongly disagreed with this position, as did some members of some of the governing authorities. Any decision on the matter was left until the next meeting.

The continuation of the three mill levy for recreation was discussed at length. Secretary-Treasurer Bob Cross stated that the County was in favor of maintaining the three mill program. All of the other governing authorities concurred.

However, Mr. Cross noted that he was not in favor of establishing boundaries to determine tax areas for each authority. Mr. Cross explained that the major utility companies, such as Northwestern Utilities, were taxed on a County-wide basis and that this revenue would be lost if the County were divided into areas.

Discussion followed as to how the total revenues could be split amongst the authorities so that the smaller community associations would be assured of funds.

Mr. Cross reported that agreement in writing had been received from all of the authorities on the final distribution of the Multi-Cultural and Recreation grants in a manner suggested at a meeting of the governing authorities on December 17, 1979.

Councillor Hjordis Armitage reported to the meeting that all small supplies of Regional Recreation had been sold and that Mr. George Baker was continuing during January to gather all major pieces of equipment together. Discussion followed on what should be done with the equipment.

At the conclusion of the meeting, a suggestion was made that a meeting should be held in the near future to try to solve all of the outstanding issues with regional recreation and that decisions on all such items should be reached.

Cable T.V. Hearing Set

QCTV Ltd. of Edmonton has made application to the Canadian Radio-Television and Telecommunications Commission (CRTC) for a broadcasting license for a cable television undertaking to serve Viking. A hearing on the application has been set for March 5 in Edmonton.

In September of 1978, the CRTC granted QCTV licenses to serve Vermilion, Vegreville and Lloydminster contingent upon their considering the inclusion of Viking in their regional hook-ups. QCTV was instructed at that time to make an application in this regard to the CRTC as early as possible.

In a letter with the application, Mr. Ed Polanski, President and General Manager of QCTV stated that the tentative construction date for the cable system to Viking would be in the spring or early summer of 1980. Mr. Polanski noted that the construction time was dependent upon the availability of A.G.T. facilities for transmission of the signals.

The application calls for the transmission of Canadian channels only on the

Viking To Host Provincial Finals

The 1980 Provincial hockey tournament for the Midget C category will be held in Viking. The three-day affair will be held on March 28th, 29th, and 30th at the Viking Arena.

The winners from the seven zones across the Province plus the host Viking, K. of C. Midgets will make-up the eight team tournament. If the Viking Midgets should win their Zone Championship, the runner-up in this zone will compete as the zone representative.

If operated as in previous years, the three day tournament will include thirteen games. The eight team roster will be divided into two sections, with each section holding a round-robin mini-tournament. The team with the best record in the round-robin from each section will then compete in a single championship game to decide the Provincial Champions.

This is the first Provincial hockey tournament which Viking has hosted. A meeting with Zone Chairman John Kelly is expected to be held in early February to work out final plans for the event.

National Advertising Representatives:

The Lesser-Of-Two-Evils?

The unfortunate thing about this election campaign is that the two major parties seem to be spending the majority of their advertising time and money on trying to belittle the leader of the other major party. The entire campaign seems to be working on the "lesser-of-two evils" approach.

It is truly unfortunate that we Canadians have very little direct input as to who will be our Prime Minister. Only the voters in the constituencies of Joe Clark and Pierre Trudeau determine whether or not these men will sit in Parliament. And only members of the P.C.'s or Liberals had any say in who would be their leader. With both parties putting so much emphasis on the leader of the other party, perhaps it is time that all Canadians had two votes - one for the Prime Minister and one for the constituency representative.

As determined by opinion polls, the vast majority of Canadians don't want Joe Clark as their leader. Most people prefer Pierre Trudeau. Yet Mr. Trudeau may not stay on as Prime Minister if he wins.

Because the P.C.'s and Liberals are focussing on leadership, we are supposed to vote on this basis. Perhaps we should vote solely on the merits of a particular candidate in our riding. Then we should suggest to both parties that they provide Canadians with fresh, new, intelligent leaders who won't force us into another "lesser-of-two-evils" position!

Gordey Social Credit Candidate

At a Nominating Convention of the Social Credit Party of Canada held in Holden, on January 19th, 1980, Mr. Alex Gordey of Vegreville was nominated, unopposed, as a Candidate for the Federal Riding of Vegreville.

Mr. Gordey is a retired school teacher and a person of wide experience in private and public life. He grew up on a farm near Spedden, Alberta, where he farmed as a boy through the difficult years of Depression. Later he went on through a period of self-education, and after a short time of teaching, he served in the Armed Forces in Canada and overseas. When he returned, he completed his studies and got his B.Ed degree from the University of Alberta.

After completing his University, he taught in Holden, but later moved to live in Vegreville, where he with his wife and family still maintain their residence.

While engaged in many community activities and organizations in Vegreville, he was also elected to the Town Council where he served for a number of years. In 1969 he was elected from the Social Credit Party as an M.L.A. to the Alberta Legislature and remained in that office until 1971 by winning two very successful Provincial elections.

He is still very actively involved in different types of community work, Church and cultural activities and of course keeping up strongly with political events on Provincial and Federal levels.

Rachansky Liberal Candidate

Florence Rachansky is the Federal Liberal Candidate for the Vegreville Constituency. She was born at Mundare, Alberta on September 19, 1938 and raised on a farm southwest of Mundare. Florence was educated in a rural school, Ukraina, until grade seven. She completed her high schooling at Mundare and went on to complete a bachelor's degree program in education at the University of Alberta.

Florence has taught for twelve years at various locations in Alberta, British Columbia and the Northwest Territories. These postings included Alix, Calgary, Vegreville, Edmonton, Frobisher Bay and Field. She has worked with people of other ethnic groups. She is always receptive to and open minded about the way other people live. She has completed courses at the University of Alberta in native studies and is aware of some of their problems. In addition she has completed self-improvement courses in broadcasting, basic income tax accounting and creative writing.

In the years 1975 to 1979, she became involved in various endeavours: insurance counselling, real estate sales and writing for local papers in Vegreville. Her ambition is to own a small town newspaper some day.

He philosophy is "Traditionally, women have been recognized for their ability to keep family units together. Governments could profit from the efforts of individuals dedicated to "pulling together".

Amateur Sports In Alberta Examined

A study is being undertaken to examine Amateur Sport in Alberta. This Alberta Intersport Study resulted from a recommendation presented by the delegates attending the Intersport IV Conference held last June in Edmonton. The delegates represented the various municipal, regional and provincial sport and recreation associations and agencies throughout the province.

Financial support for the study has been provided by the Alberta Government (Alberta Recreation and Parks) and provincial multi-sport related associations (Alberta Games Council, Alberta Recreation and Parks Association, Alberta Schools Athletic Association and Sport Alberta).

The purposes of the study are to determine if amateur sport in Alberta should be better coordinated; and if so, to identify how sport in Alberta could be better coordinated.

It is important that each association, organization and individual involved with sport in the province have an opportunity to provide information to assist with the preparation of the study which could influence the future direction of sport in Alberta. In an attempt to provide the opportunity to interested individuals and groups, public meetings will be held in four locations throughout Alberta.

Individuals are invited to present their views, suggestions and recommendations regarding the coordination of Amateur Sport in Alberta to the Alberta Intersport Study Committee.

A meeting will take place in Edmonton at the University of Alberta - Lister Hall during the evening of Friday, February 1, 1980.

Cable T.V. Hearing

Continued From Page 1

cable system. The channels to be included are CFRN, CBXT, CBXFT, and CITV of Edmonton, CKSA of Lloydminster, a community programming channel, an educational T.V. channel, a Time-News-Weather channel and two test pattern channels.

Cost of the service will be an initial hook-up fee of $55.00 and a monthly rental fee of $9.25.

Mr. Polanski stated that at a later date, QCTV will apply for the inclusion of two U.S. channels on the system. If such an application is approved, the monthly rates would increase to offset the cost of the increased A.G.T. service required.

Gordon Hoetnita of QCTV stated that the date for inclusion of American channels has not been established yet as various new methods of bringing the signals into the area are still under investigation. He said that these new approaches may facilitate the carrying of the U.S. channels.

Mr. Checknita also stated that other communities in the area, specifically Holden and Irma, have not been studied for cable T.V., but the new systems may allow for the system being delivered to these communities.

Holden & District News

The Holden ambulance was called to the home of Mrs. Peter Ewaniuk when Mrs. Ewaniuk became suddenly ill and was taken to Vegreville hospital. Mrs. Adele Story was the ambulance driver during the January 26th blizzard and Mrs. Story stated that at about 10:30 the roads were in fair condition, but visibility was very poor.

The Holden Fire Department also received a call the day of the blizzard. They were called to the farm of Mr. and Mrs. Rudolph Stein wand where there was a fire in the garage. The Fire Department responded very quickly and no damage was reported Mrs. Steinwand stated that she was very pleased with the help of Holden's Fire Department.

The Holden and District Chamber of Commerce will hold their Annual Chamber Meeting on Tuesday, February 5th. The meeting will be held at the usual time. Their January meeting was not held due to the date scheduled (first Tuesday of each month) which was the first of January New Year's Day. The Chamber of Commerce are anxious to start their meetings for the year and certainly welcome new members. Meetings are held following a full course supper prepared by the Ladies of the Royal Purple at approximately 6:30 p.m. at the Holden Community Hall.

Missing the blizzard in Holden on January 24th were Rose and Bill Dary, Leona and Norman Keeler and Mrs. Peter Laskoski all were vacationing in Hawaii.

Open house at North View Manor in Holden will be held on Saturday, February 2nd from 1 - 4 p.m., sponsored by the Village of Holden and the senior citizens. Lunch will be served and everyone is welcome.

Echo-Rodino News

Lorraine Prosser and boys accompanied by Morris Mal deris of Edmonton were weekend visitors to the Prosser residence.

Sharon Bauer favored her grandmother, Mrs. Hazel Miskew of Viking with an overnight visit.

Mr. and Mrs. Les Prosser travelled to the Stettler area on a business trip.

Lady Luck stays around the Hold Ranch and Josephine Holt was the lucky winner of two tickets to an Oiler Hockey game in Edmonton. The draw was sponsored by the Patterson Grocery Store in Wainwright.

Hilda Davis of England surprised the Holt family with a telephone call and reports that all is well with her there.

Ray Johnston is home once again following a two week stay in the Viking Hospital.

Proxy Voting - An Available Option

Proxy voting is an option available to certain categories of voters in the 32nd Federal General Election to be held on February 18.

Under proxy voting rules, another qualified elector in the same polling division may cast your ballot for you, if you will be absent or unable to vote on normal polling day, or at an advance poll, or on designated days in the office of the Returning Officer.

But to use the proxy voting provisions, you must qualify within one of the following categories:

1. You are a fisherman, mariner, prospector, trapper, member of an air crew, a forestry crew or a topographical survey crew;

2. You are ill or physically disabled and have a medical doctor's certificate which so states;

3. You are a full-time student, away from home during an academic term, and you have a statement to this effect from the Registrar of your educational institution in Canada.

To vote by proxy, you must take steps to appoint another elector, called a "proxy voter", to vote in your place.

Both your name and that of your proxy voter must be on the same voters' list in the same polling division. Both you and your proxy voter must fill out the application for a proxy certificate and either one of you must present it to the Returning Officer of your electoral district no later than 10 p.m. on February 15, the Friday before polling day.

Information on how to obtain and complete the application is available from any Elections Canada office in your area. The telephone number can be obtained from local newspaper advertisements or by contacting telephone directory assistance.

If you are applying to vote by proxy because of illness or physical incapacity, you must have a certificate from a legally qualified medical doctor. This must be on the doctor's letterhead, including address and phone number, and must state that the doctor has seen you.

Those who expect to be absent from home on polling day, February 18, should normally vote at an advance poll. Advance polls are open from 12 noon to 8 p.m. on February 9, February 11, and February 12.

If it is impossible for you to vote on polling day or at an advance poll, you may vote in the office of the Returning Officer of your electoral district from February 4 to 8 inclusive, and February 13 to 15 inclusive, during the hours of 12 noon to 6 p.m. and 7 p.m. to 9 p.m. This privilege is restricted to those who cannot reach the polls on February 18 or any of the advance polling dates.

Vialta Lodge News

Mr. Hoyland spent last week with his daughter and family at Sherwood Park.

We are glad to have Mrs. Hunt home again after spending four weeks in the hospital. Our greetings to Joe Beechell who is still in the Misericordia Hospital.

Saturday afternoon, January 19th, Mrs. Roger had her daughter and family, Carol, Wilfred, and Don Hedgeland of Camrose call to help her celebrate her birthday which was on Monday, the 21st.

Doris Likness and Alma Springs of Irma called on Mrs. Elness.

Gwen Hooper of Holden called on Wednesday and took her mother shopping in the afternoon.

Coming to visit with Mr. and Mrs. Selmer Holmes last Sunday were Betty Caine and girls of Leduc, Charlies and Edith Powell of Camrose, Joe and Helen and Sister Amelia Bisboric of Edmonton.

Frank and Irene Crabb of Irma visited Mr. Masson. Also calling on Mr. Masson were Mary Newton and Adelaide Dootson.

On Tuesday, Mr. Eickmeyer celebrated his birthday and had members of his family call on him to wish him many happy returns.

Ellen Dorin and Lynnette Field were in to see Mr. A. Dorin.

Orias and Clara Sundberg and Maureen Hafso called to see Mrs. Johnson.

Philip and Ida Austin of Ranfurly and Matthew and Kylie Austin of Sherwood Park were visiting Mr. Eickmeyer and Mrs. Austin.

Other visitors at the Lodge during the week included Lena and Odd Orbeck of Ryley, Ernie and Olive Good of Holden, Lila and Don Davidson of Alliance, Sheila Child and Michael Winther of Killam, Ann Onuoho of Bruce, Gudrun and Walter Sigelow of Violet Grove, Alberta, Hilton and Eileen Baron of Stony Plain, and Gus and Frieda Querengesser of Edmonton.

In to see Mrs. Ferguson this week were Vlasta and Neil Ferguson, Bernice and George Daymond of Edmonton and George and Jeannette Ferguson of Vegreville.

Mr. and Mrs. Ziegler journeyed to Edmonton by bus on Friday to spend a few days.

Shower Held For Irma Bride

A shower was held at the United Church on January 6th to honor Donna Frye whose wedding took place in Wainwright on January, 12.

In spite of the stormy cold weather, many friends and relatives gathered to extend their best wishes to the new bride. Mistress of ceremonies, Mrs. Evelyn Larson, welcomed the bride, her bridesmaids, Miss Edith Ford and Miss Faye Nissen, as well as the mother of the bride, Mrs. Elsie Frye and Mrs. Alma Ford mother of the groom to the gaily decorated table.

Faye told of her friendship in highschool with Donna, then introduced a musical proposal comically done by Donna Llagley and Evelyn Larson.

Mrs. Francis Presser and Marg and Debbie Lawson gave two interesting contests. Lynette Iddings and Susan Green favored everyone with a duet.

Lastly on the program the hostesses sang their good wishes for a happy future to Donna. Donna was then invited to explore a miniature Fields store full of lovely gifts.

Donna graciously thanked everyone for braving the storm and the lovely gifts. A pleasant evening and lunch was enjoyed by all.

Winter Months Spark Interest In Decorating

Spending time indoors during the winter months seems to spark interest in decorating and re-decorating.

Color plays a major role in any decorating effort. It can set the mood of a room and reflect a lifestyle that suits you.

Some questions to ask yourself when choosing color schemes are:

1. What type of room is it - one where a great deal of time is spent or only a small amount? If only short periods of time are to be spent in the room, brighter colors and more dramatic schemes can be tried because they aren't seen as much so you won't tire of them as quickly.

2. Is your family active or quiet? This can influence your choice of either bright or subdued colors.

3. What is the role of your home - to stimulate activity or to provide restful relaxation?

4. How much use and abuse does the room get? You may not want such light colors if it gets used a lot because maintenance will be more difficult and time consuming.

5. What direction do the windows face? Often warm colors are used for north and east exposures, and cool colors for south and west exposures to counteract the effects of sunlight.

6. What size is your room? The larger the room is, the more colors, larger patterns and deeper colors you can use.

Once you have answered the above questions, it is time to start planning your color scheme. The following procedure can help you start in the right direction.

1. Start with the colors you can't change and work with these to build up your color scheme.

2. Decide from the size and exposure of your room which colors would work well - warm or cool.

3. Find a multicolor (e.g. upholstery, wallpaper, paintings etc.) that pulls together the colors you have with suitable colors you like.

2. Decide from the size and exposure of your room which colors would work

4. Collect paint chips and fabric samples to make sure you have the right tones and textures for your room.

5. Choose the combinations of colors for background, secondary and accent areas. Remember that background areas such as walls, ceilings, floors all represent a major investment and should be planned carefully. Usually, results are most pleasing if colors are relatively soft and subtle.

Secondary areas such as major upholstery pieces can use brighter and stronger colors, but not more than three. Accents and accessories are small, and you can use sharp vivid colors related to the background and secondary areas to create bright spots.

6. If you are using current color fads in your color schems, use them on inexpensive, easily replaced items rather than larger upholstery pieces or walls.

7. Take your family into account and allow your children and husband to help in choosing colors.

8. Select colors you like and those you will be happiest living with. There are no hard and fast rules to color scheming, so try something different if you want - just strive for unity and harmony along with the creating of interest.

Advertising Doesn't Cost - It Pays

Lilly Simmermon returned to her home in Chacutenah Manor on Thursday evening after a brief visit with her son in Edmonton.

In spite of the chilling wind there was a good turn out to the first whist drive of the season, sponsored by the Irma New Horizons Club. Eight tables played at the Drop-In Centre. The prizes for mens and ladies high scores went to Bob Dempsey and Orril Darling and consolation went to Mamie Keller and Fred Clumstad. Lunch was served and some socializing enjoyed. The next whist drive will be held at the centre on Friday evening, February 8th at 7:30 p.m. sharp.

George and Cathy Cairns from Spirit River called in on Minnie and Jim Jackson over the weekend. They had visited with George's sister Nellie and family (Mr. and Mrs. Lawrence Johnston) at Wetaskiwin, and with Cathy's sister and family in Edmonton, before coming on to Irma.

Mr. and Mrs. George Jenvey from Sedgewick visited with friends in the Irma district on Saturday afternoon. Amongst others, they called on Minnie and Jim Jackson.

Mrs. Ed Sharkey (Alice) passed away in the Wainwright Municipal Hospital on Sunday morning, January 27th. The funeral service is to be held in the Irma Alliance Church at 2 p.m. on Wednesday, January 30th.

The Burn's Night celebration at the Albert Community Hall on Saturday evening, January 26th was poorly attended compared to former years.

Bob and Bonnie Dunbar and their girl Jolee from Lacombe were there. Bob as usual in full Highland garb, piped in the Haggis. Jolee added to the enjoyment of the evening by dancing the Highland Fling. Despite the smaller crowd, it was as usual, an enjoyable evening.

Irma News & Views

Kinsella Seniors Elect New Officers

Bros. Mike Orscheski, Walter Garvie, Cazmer Garvie and L. R. White curled in the District Senior Playdowns held at Wainwright while Bros. Carter Oakes, Cliff Overbo, Bert Smith and Wayne King curled in the Junior Playdowns. Neither one of the rinks will go any further but most agreed that we made a respectable showing.

Kinsella Degree Team accepted an invitation from the Edberg Elks Lodge to conduct the Initiation ceremony with the following Bros. filling the offices: Exalted Ruler Bro. Wayne King, Leading Knight Bro. Bert Smith, Loyal Knight Bro. L.R. White, Lecturing Knight Bro. H.G. Smith, Inner Guard Bro. Jerry Mark. Secretary Bro. John Bobyak, Esquire and Chairman Bro. Cliff Overbo.

A special thank you to Bro. Bill Armitage for taking us to Edberg in Hjorddis' van.

Chacutenah Manor News

Mrs. Simmermon who had been visiting with her daughter, Mrs. S. Smith in Edmonton, returned on Thursday.

Mrs. M. Cosford was a recent visitor with her aunt, Mrs. C. McLean.

The January Birthday Party was held in the lounge on Wednesday evening and was convened by Mrs. Lambert and Mrs. Hooper. Mrs. Cockroft, President of the club, welcomed the guests. The program opened with a sing-song with Mrs. Semple at the piano. An interesting color film "Paint It Wild" was shown followed by several games of Bingo.

Lunch complete with birthday cake was served by the committee, Mrs. Cockroft and Mrs. McRoberts, and Happy Birthday sung to Mrs. Beer and Miss M. Smith.

Mrs. Lambert thanked Mrs. Semple for her musical contribution and Mrs. G. Enger thanked the Manor for the enjoyable evening.

Kinsella Elks Report

The Kinsella Rose Senior Citizens Club held their Annual Meeting on January 23rd.

Twenty-two members were in attendance and all took an active part in the meeting, participating in discussions, elections, and motions.

The following were elected to office for 1980. President: Edna Pyke, Vice-President: Evelyn Greenwood, Secretary-Treasurer: Hilma Garvie and Directors are: William Rawluk, Pete Mollier, Cazmer Garvie, Bill Johnston, Edward Evans, Barbara Davis, Ivy Mollier will fill the office of Historian.

The Club is looking forward to a busy year. Remember senior visitors are welcome at any time.

Our card parties which are held on the third Wednesday of each month are open to anyone who is interested in playing, not just seniors.

Golka Sisters To Entertain During 1980 A.C.T. Telerama

This year, the Associated Canadian Travellers Telerama will be broadcast from the University of Alberta SUB Theatre.

Pat (left) and Christine Golka of Viking will be entertaining on the A.C.T. Telerama this weekend on CFRN.

Funds from this worthwhile endeavour support the physically and mentally handicapped all over Alberta, assisting them to become and remain as independent as possible.

The theme, "Let's Make It Happen", is hosted by the reknowned T.V. personality - Hinnie Propbet. Appearing with him will be Scott Lewis and "Lambchop", the Emarelds, Prairie Fire of Edmonton, and many other Alberta entertainers including the Golka Sister of Viking.

"Let's Make It Happen" begins at 9:00 p.m. on Saturday, February 2, and winds up at 5 p.m. on Sunday, February 3.

Watch for Pat and Christine, "The Golka Sisters" on Sunday, February 3 at 10 a.m. They'll be waiting to hear of support coming from the Viking area.

Thanks for helping "Make It Happen".

Progressive Farming

Hello; I would like to take this opportunity to introduce myself. I am Jerome Manchur, the new D.A. at Ryley. I'm filling the vacancy left by Jim MacKay. Bill and I are looking forward to working together.

I grew up on a mixed farm near Camrose. After graduating from the University of Alberta I went up to Fairview, Alberta which is located in the Peace River Region. I established a grain farm there. While at Fairview I taught Farm Management at the Fairview Agricultural and Vocational College, from mid October until mid April of each year. I was forced to quit farming this past fall due to a worsening back condition.

I'm looking forward to working and meeting the people here in the D.A. district.

I though I'd say a brief word on the native Range Improvement Program. This is basically a program which encourages farmers to break land, clear it, and seed it to pasture.

The A.A.D.C. Alberta Agricultural Development Corporation, will pay an interest rebate on the loan taken out to do this work. It's important to note that this program only gives an interest rebate and is not a loan or a grant.

What happens is that the farmer gets a loan (maximum of $6,000 eligible for interest rebate) through the bank, comes to the D.A. office, fills in application forms and is then eligible for $70.00 of interest per $1,000 of loan back at year end. As an example. This would bring the interest down from 18% to 8%. The local D.A. then inspects the land yearly in order to insure proper conditions are being met.

If you have any questions on this or other programs please contact the office.

Jerome Manchur

Closing Date - Feb. 22, 1980

Entries Increase At 1980 Spring Stock

A total of 615 head of beef cattle have been entered in the 1980 Northlands Stock Show and Sale, to be held at Edmonton, Northlands, on March 23 to March 28th.

The largest single category is the Horned Herefords, with a total of 195 entries. The Polled Herefords entries total 167 and 187 Simmental cattle are entered. The Stock Show and Sale will include 62 Aberdeen Angus, 39 Shorthorn and approximately 70 entries each of the Charolais and Limousin breeds.

Catalogues of the Northlands Stock Show and Sale will be available from the Agriculture Division of Edmonton Northlands on March 1, 1980.

The Northlands Stock Show and Sale is an annual event sponsored by Edmonton Northlands. It is held in conjunction with Northlands Quarter Horse Show, Northlands Superrodeo and the Canadian Western Farm and Ranch Show.

Card of Thanks

CARD OF THANKS
We would like to extend our sincere thanks you to our friends and neighbors for their many acts of kindness shown us in the loss of our beloved husband, father and grandfather, Guy B. Withers. The many cards, flowers, visits, and baking to both homes were greatly appreciated. Special thanks to the doctors, Viking Hospital Staff and Home Care nurses for their care during Guy's lengthy illness. Our thanks to Rev. Bennett, honorary and active pallbearers, the organist and choir of the Vegreville United Church for their part in the service. We are grateful to Lavoy and Rosemary W.I. groups for serving lunch after the funeral. To one and all, thank you

Marguerite Withers
and family 50p

Refugee Family Adjusting To Canadian Life

Since the arrival three months ago, the Truong family has been adjusting well to life in Canada. As well, they have experienced some major "happenings" which have added greatly to their lives in Viking.

In December, Truc's brother, Chuong Hong, and his wife, Hanh, arrived suddenly in Edmonton. The Viking Refugee Aid Committee agreed to sponsor them, as well as the first family. This was in accordance with the original plan to sponsor four to five refugees. Since only three people arrived in the first family, it was felt the committee could handle two more people.

Shortly after the Hong's arrival, Chuong and Luong began working in Vegreville for Esso-on Limited. Both Esso-on and the Immigration Department were in favour of this move, since the government had not filled the quota of workers required by Esso-on. Chuong and Luong enjoy the work and feel at home with other Vietnamese who work there. All the Vietnamese who began work here are still working here. Chuong and Luong stay in a rented room in Vegreville during the week, with members of the committee taking turns driving them to and from Vegreville on Monday and Friday. So far, this arrangement has worked well.

Also in December, on the nineteenth, Luong and Truc had a baby boy, Seabil. He and Truc were fine and healthy. Luong is a proud father and Van loves her little brother.

Lately, Hanh has been working on a call basis at the school.

Luong has received his learner's driving license and hopes soon to get his permanent license.

Both families are adjusting well to Canadian life and are grateful for all the help they have received. They will soon be completely self-supporting and are looking forward to being independent.

All funds for the support of the Hongs and Truongs have been donated by generous individuals in the community. No government - federal, provincial, or civic - has given funds for their support. Any questions about finances or donations may be addressed to Ernie Marta, Treasurer, Viking Refugee Aid Committee.

Refugee Aid Committee

Long Time Lavoy Resident Passes

Guy B. Withers passed away at home following a lengthy illness, on January 14, 1980. He had resided all his life on the family farm southeast of Lavoy.

Guy Withers was born on January 16, 1910, the son of Wilkan and Lavara Withers. Following his schooling at Aplomb Public School, he attended Alberta College and Graham School for Cattlemen. Mr. Withers then farmed in the Lavoy district until his passing.

In 1940, he married Ethel Gibson of Lavoy. They raised a family of five children. He took great pride in the breeding and showing of purebred livestock in shows across Canada and also took an active part in local and community organizations and activities.

Guy was predeceased by one son Warren, in 1957, and his first wife Ethel, in 1968. In 1969 he married Marguerite Naundorf of Fort Saskatchewan. They continued to farm in partnership with son Norman of Lavoy, and travelled extensively.

Funeral services were held on Friday, January 18, 1980 at the Vegreville United Church with Reverend Bennett officiating. Interment followed at the Lavoy Cemetery.

Honorary pallbearers were Floyd Hubbard, Floyd Tuck, Harvey Ford, Bud Durie, Bill Suddaby and Reg Suddaby. Active pallbearers were Wayne Tuck, Gordon Tuck, Wyman Lockhart, Bill Kittle, George Jamieson and Stan White.

He leaves to mourn his loss, his loving wife Marguerite, three sons and three daughters: Norman and wife Carrie of Lavoy, Dale and wife Linda of Athabasca, Daryl Naundorf and wife Pat of Fort Saskatchewan, Mrs. Richard (Ivy) Gabert of Fort Saskatchewan, Mrs. Elwood (Jean) Wenig of Clearbrooke, B.C. and Mrs. Allan (Elaine) Mundt of Stony Plain. He is also survived by fourteen grandchildren and one sister, Mrs. Lillie Winslow of Ponoka.

Irma Resident Passes

Mr. Stanley Reeds a principal and teacher at the Irma High School for many years, passed away in Vancouver on Sunday, December 23, 1979 at the age of 91 years. He had an acute heart failure in November and had been failing ever since. He went into the hospital again on the Thursday before his death.

The memorial service was held on Boxing Day. The officiating pastor comforted the mourners with the thought that Mr. Reeds had finished his course, and kept the faith to the high calling of His Master.

Mr. Reeds had continued to live in Victoria for awhile after his wife passed away, but eventually moved to Ottawa to live with his daughter, Ruth, and her family.

Later he moved with them to Vancouver where they are now residing.

Former Irma Teacher Passes

Clifford Silas Smallwood passed away in the Wainwright General Hospital, November 14, 1979.

Cliff was born at Irma on July 28, 1915. He attended public and high school in Irma and McTavish Business College in Edmonton.

On November 12, 1937 he was united in marriage to Margret (Peggy) R.Jos of Cadogan, Alberta. They were blessed with four children, Lorraine, Marian, Carole and Robert.

Always active in community affairs, Cliff was a member of Gratton Masonic Lodge since 1943. He served as District Deputy in 1955-56. He was keenly interested in all sports and participated in baseball, hockey, curling, golf, hunting and fishing.

In 1958 Cliff was elected as the Member of Parliament for the Battle River - Camrose Constituency, retiring in 1968. He was always interested in people and enjoyed meeting, visiting and helping anyone from all walks of life. From this he made many close and lasting friendships.

He leaves to mourn his loving family, his wife Peggy, three daughters and one son: Lorraine and Bill Patrick of Calgary, Marian and Bob Fischer of Irma, Carole and Keith Conrad of Calgary and Bob and Donna of Irma, also nine grandchildren, Brent, Greg, Sherri, Tracey and Doug Fischer; Daryl and Gerald Patrick, Derren and Cara Conrad; one brother Alex of Irma, one sister Maude Mills of Calgary, five nieces and nephews, his aunt Mrs. Helena McKay and her family and one aunt and numerous cousins in New Brunswick.

The funeral service was held on Saturday, November 17 in the Irma School Auditorium with Rev. Gerdon Wilson officiating. William Skorayko, former Member of Parliament from Edmonton East gave the Eulogy.

The congregational hymns were "In the Garden" and "Rock of Ages". The United Church Choir sang "Beautiful Garden of Prayer". Mrs. Marjorie Fischer was organist.

Honorary Pallbearers: Clarence Barber, Robert Dempsey, Milt Fahner, Stuart Fenton, George Fischer, Jack Horner, William Inkin, Walter Littlewood, Charlie Milne, Charles Reed, Vern Sampson and William Skoryko.

Active pallbearers were members of Gratton Lodge No. 144: Almon Archibald, Keith Currie, Richard glasgow, Eddie Jackson, Ralph Mark and Rod Prior.

Interment was made at the Irma Cemetery with members of Gratton Lodge conducting the graveside service.

The front of the auditorium was banked with beautiful floral tributes. These and flowers to the home and donations to charity show the high esteem in which Cliff Smallwood was held.

Rejoice Together

Tom Thumbs To Play First Home Game

The Viking Tom Thumbs have been reorganizing for another season. The team has a total of sixteen players - four remaining from last year, two new boys with previous experience and ten boys who had not played before.

With a lot of practice and some tremendous coaching from Duncan Will and manager Randy Coad, the Thumbs have a very good, and fairly even team. Despite the scores in their first few games, the boys have worked hard and played good games.

Games to date include their opening game in Tofield which resulted in a 1-1 score; their second game which was against Vegreville, ended in a 2 - 0 score for the Vegreville boys; and their third game resulted in a 7 to 3 score in favor of the Irma team.

The Tom Thumb line-up this year includes: Allan Anderson, Colin Rabbitz, Tim Bennett, Paul Coad, Brent Erickson, Cory Haeberle, Bart Hodgins, Jason Kripa, Steven Lang, Doug Nearing, Jason Nordstrom, Todd Ritchie, Conway Siemaszkeky, David Will and David Winter.

All our games so far this season have been played out of town. Parent support has been tremendous. Keep up the good work!

Our next game is on Saturday, February 2, at 12:30 at the Viking Canvas where our boys will again meet with Tofield. Come and join us for extremely entertaining and fun hockey. These little guys are the stars of the future.

Viking Bantams Win Two

On Thursday, January 24, the Viking Bantams played Forestburg in Viking. It was a close hard fought game.

Viking opened the scoring with two goals in the first period. The goals were scored by Patrick Voltner, assisted by Ian Erickson and the second by Ian Erickson unassisted.

The second period saw Forestburg's S. Busch score, followed by Viking's Kenny Cikaluk, assisted by Bill Hanson and Ian Erickson. S. Stenson then scored Forestburg's second goal.

In the third period S. Stenson of Forestburg scored again to tie the game at 3 - 3. Good goal tending kept Viking in the game until 18:03 of the third period when Kenny Cikaluk scored again, assisted by Ian Erickson and Bill Hanson. The final score was Viking 4 - Forestburg 3.

On Saturday, January 26th, Viking travelled to Lougheed where they beat the home town team with a score of 6 to 2.

A penalty filled first period saw each team score one goal. Lougheed's K. Martin scored first, followed by Viking's ken Cikaluk, assisted by Ian Erickson.

The second period found the boys settling down to better hockey. Ian Erickson scored the only goal of the period unassisted.

In the third period Viking added four more goals while G. Seethun added one for Lougheed.

Scoring for Viking were Ian Erickson, Michael McLean, Ian Erickson again and Kenny Cikaluk with his second of the game. Assists were by Patrick Voltner, Rocky Hanson, Kenny Cikaluk and Ian Erickson.

Thanks to Gary Vitek, Shaun Clouston and Dean Antos who came up from the Pee Wee team and played such a good game. We appreciated these boys filling in for our missing players.

Winter Games Photo Contest

The Alberta Games will again be featuring a photographic contest and a young artists exhibition as part of the festivities for the 1980 Alberta Winter Games being held in Grande Prairie. These projects will help to involve Albertans from Kindergarten age to senior citizens in the provincial Games movement.

The Photographic Contest and Exhibition is for non-professional photographers in three age categories. These categories are 18 years and under; 19 years and over; and 60 years and over. Color and black and white entries will be judged separately.

"Color Me Fit" the theme to tie art and fitness together, will bring the works of Alberta School Children from Kindergarten to Grade Twelve to the Alberta Games for display.

Any technique except sculpture and photography can be used.

Following the Alberta Games display in Grande Prairie, participating schools will receive a display from another area

One Win, One Tie And A Loss For Viking Gas Kings

Since our last report, the Viking Gas Kings have suffered one loss, tied their next game and made a come back to defeat the Rosalind A's in Monday nights game.

On January 8th, Daysland overpowered the hometeam and netted four goals while the Kings only scored twice. The opening period resulted in 2 goals in Daysland's favor while Viking had not yet found the net. At the end of the second, Viking had found their way back and netted a couple, keeping the Daysland team at three. However, in the third period Daysland scored a single to leave the game at a 2 - 4 victory for Daysland.

Jim Laskosky and Blair Quinton handled Viking's goals with Gordon Rattray, Martin Laskosky, Lee Laskosky, and Ray Rattray all receiving assists.

The three stars were awarded to Jim Laskosky, Blair Quinton and Lee Laskosky.

Daysland also held the edge in penalty minutes with Viking receiving 2 minors and 3 going to the winning team.

January 20th found the Killam Indians and the Gas kings battling it out on Killam ice and although the first and second period scores favored Killam, when the teams went off the ice the scoreboard showed 6-6.

Scoring for Viking was handled by Doyle Winczura with two, and Gordon Bodnar, Gordon Rattray, Mark Wemp and Kevin McGinitie with one each.

Assisting on Viking's six goals were Jim Laskosky with 3, Doyle Winczura with 2, Lee Laskosky with 1, McGinitie 1, and Quinton 1.

It was a game of share and share alike with both teams assessed 5 miners throughout the game. D. Winczura, J. Laskosky and M. Wemp were selected as the games star performers.

Despite the unfavorable temperatures, a good sized crowd turned out for the January 20th return visit of the Rosalind A's.

Rosalind opened the scoring just seconds into the game. Viking found the net shortly thereafter and tallied two more goals to end the first period on a 3-1 note.

The second period was also handled by Viking and they left the visiting team with a 5 to 1 score to face going into the final. Viking netted another three goals during the third and gave their fans an 8 - 1 victory.

Barry Field and Lee Laskosky netted doubles while Wemp, Winczura, R. Rattray, and McInroy handled singles.

Assisting on the Viking goals were Quinton 2, Bodnar 2, McGinitie 1, Harray 1, M. Laskosky 1 and Field 1.

Viking topped their opposition in the penalty department with the team being assessed 12 Minors. Rosalind received a total of 5 minors.

The three stars selected in this game were Field, Winczura and L. Laskosky.

The next Gas King home game will be played at the Carena on Sunday, February 3 at 2:00 p.m. against the Killam Indians.

Current calculations of the player standings for points in the Willmark Motors Trophy competition are as follows:

L. Laskosky	105
B. Field	85
B. Quinton	75
D. Winczura	65
J. Laskosky	60
R. Rittorf	45
G. Rattray	30
R. Rattray	25
M. Wemp	20
K. McInroy	15
K. McGinitie	10

Starts at 8:00 p.m.
ONE THIRD-NINTH

The Artist-In-Residence Program is a unique example of partnership in the arts. It was initiated in the fall of 1973. The distinct feature of the program is the actual residence in a community by the One Third-Ninth for a period of two to four days. Through this residency the trio is able to provide a wide range of musical services. In the past few years One Third-Ninth has gained national and international recognition as one of the outstanding performing groups in the nation. It maintains a schedule of over 100 concerts a year throughout Canada and the United States and is frequently featured on radio and television.

The group consists of:
Sheila Hammer, violinist.
Gloria Saarinen, pianist.
John Sisk, cellist.

Amundson Captures Bruce Ladies' Spiel

The Amundson foursome from Viking captured the A Event trophies at the annual ladies' bonspiel held in Bruce on the weekend. Pat Amundson, who had daughter Cindy throwing third rock, Carol Maxwell playing second, and Dianne Siermachesky delivering lead stones, defeated the Strichuk rink from Ryley in a hard-fought battle which went eleven ends.

A Vegreville rink skipped by Karen Farion edged out the Komarnisky rink from Holden to take home the prizes in the Second Event.

Two Bruce rinks met in the finals in the Third Event where the Fredericks rink skipped by Jean Thaczyk defeated the Dorin rink.

Following is a complete list of winners.

Grand Challenge

1. Amundson	Viking
2. Strichuk	Ryley
3. Lori Story	Edmonton
4. Kranzler	Holden

Second Event

1. Farion	Vegreville
2. Komarnisky	Holden
3. Linda Mackay	Holden
4. Adele Story	Holden

Third Event

1. Fredericks	Bruce
2. Dorin	Bruce
3. C. Mackay	Holden
4. Lund	Bruce

Ellen Dorin (right) of the Bruce Ladies' Curling Club presents the winners of the Grand Challenge with transister radios and trophies. From left to right: Dianne Siermachesky, lead; Carol Maxwell, second; Cindy Amundson, third and Pat Amundson, skip.

Winners of the Second Event in the Bruce Ladies' Bonspiel were: (left to right) Karen Farion, Skip; Jill Butler, third; Selonge Bolsychuk, second; and Marion Dorin, third.

Winners of the Third Event in the Bruce Ladies' Bonspiel (left to right) Sue Fredericks, skip; Joan Thaczyk, third; Michele Blais, second; Shown kneeling in front are Vicky Field who curled in the final game and Marie Chrystian, lead.

Canadian Radio-television and Telecommunications Commission
Conseil de la radiodiffusion et des telecommunications canadiennes

Notice of Public Hearing

EDMONTON, ALBERTA
8 MARCH 1980, 0930

The Canadian Radio-television and Telecommunications Commission will hold a Public Hearing beginning on 8 March 1980 at the Edmonton Place, 10136-100th Street, Edmonton, Alberta to consider the following:

PRAIRIE REGION

OCTV LTD., 10630-114TH STREET, EDMONTON, ALBERTA T5H 4A8

VIKING, ALBERTA (791711909)

In Decision CRTC 78-631, dated September 26, 1978, the Commission granted licences expiring March 31, 1983 to OCTV Ltd. to serve Vermilion, Vegreville and Lloydminster, Alberta.

The Commission stated in this decision, that it expected OCTV Ltd. to give early consideration to the inclusion of Viking in its regional plan and to apply to the Commission accordingly.

Consequently, OCTV Ltd. has submitted an application for a broadcasting licence for a cable television undertaking to serve Viking, Alberta detailed as follows:

FEES	PROPOSED MAXIMUM FEE
Installation fee	$35.00
Monthly fee	$9.25

The above are maximum fees; however, the applicant proposes special fees which are detailed in the application.

PROPOSED DISTRIBUTION

BASIC SERVICE (CHANNELS 2 TO 13)

CRTC - Public Notice 1980-5

Irma Tom Thumbs Win Two

Saturday, January 26th was a busy day for the Irma Tom Thumbs team. Their first game of the day took them to Wainwright where they played the top team from the three Wainwright teams.

This was a good game and both teams played well. However, Irma managed to outscore the Wainwright team and came home with a 3-2 win. Goals for Irma were made by Lenny Larson, Ron King and Greg MacKay.

Irma returned home to take on the Viking team at 4:00 o'clock. The home team didn't show any signs of tiring as they kept up the scoring race and outscored Viking 7 - 3.

Sheldon Archibald and Greg MacKay netted two goals each while Stacey Larson, Lenny Larson and Troy Ronjom scored one each.

The Viking goals were scored by Todd Ritchie with a pair, and Brad Hodgins netting a single.

Irma Midgets Win Last Three Games

The Daysland goalie smothered the puck in this scoring attempt by the Irma Midgets last Friday in Irma. However, twelve pucks managed to get past him while his Daysland team mates managed to put only one puck past the Irma netminder. Staff Photo

The Irma Midgets hockey team played a postponed league game on Wednesday evening, January 23rd, against the Daysland Midgets. The game which was played in Irma ended in a 12 - 1 victory for the home team.

Then, two nights later, January 25th, the Irma Midgets again took on the Daysland team. Again, they came off victors, to the tune of 14 -0.

The Irma Midgets hockey team responded to an invitation from Camrose to attend a hockey tournament in their city on Sunday, January 27th. A bus load of players and supporters travelled to Camrose on Sunday afternoon. Irma met with the Camrose team and won by a score of 7 - 5 after a hard fought game.

Aces Win Three And Lose One

The Irma Aces hosted the Daysland North Stars on Monday the 14th and came away on top of a 9-7 shootout.

Fans were treated to a very exciting game which featured back-to-back goals all the way through until the Aces finally pulled ahead to stay late in the third period.

Hard working Kevin MacKay led the way in goals for Irma with a hat-trick with Dale Tomlinson picking up two and Wayne Leskow, Jay Fenton, Morgan Jones and Garnet MacKay all tallying for one.

Gord Holt, Garnet MacKay and Wayne Leskow each picked up three assists with Kevin MacKay getting two and Brian Burr Morgan Jones and Ken Ford registering one assist each.

Ivan Bacon played steadily in net, turning aside 38 Dayland shots while Laurie Spiller handled 41 Irma Ace shots. The North Stars only picked up two minor penalties with Irma being assessed eight minors.

On the following Wednesday, Irma's team travelled to Lougheed to take on the struggling Road Runners and came away with a 10 - 1 victory.

Scoring for Irma were Kevin MacKay and Gord Holt with two while Joe Holt, Wayne Leskow, Dale Tomlinson, Ken Ford, and Brent Fischer each picked up singles.

Joe Holt and Garnet MacKay each picked up three assists. Jay Fenton tallied for two and Ken Ford, Marvin Holt, Gord Holt, Kevin MacKay and Wayne Leskow all connected for one helper.

Irma scored 10 unanswered goals with Bob Allen's shutout bid being unspoiled with less than two minutes to play when Brian Berg scored on a breakaway.

About the only exciting part of the game occurred in the last minute when big Lorne Cox jumped on top of Irma's Bill Newton. Newton held his own however, and was well deserving of the five minutes for fighting that he received. Two other minor penalties were assessed to Irma while Lougheed picked up six minors.

On Saturday the 19th, the Hardisty Stampeders came to town and following the lead of Brian Sim, came out on top of a hard-fought 7-6 win. A good sized crowd was well entertained as these evenly matched teams squared off for the third time this year.

Once again Kevin MacKay led the way in scoring for Irma, picking up two more goals. Marvin Holt, Turk Gulbrsa, Wayne Leskow and Joe Holt all connected for singles.

Garnet MacKay accounted for two assists while Brian Burr, Merv MacKay, Morgan Jones, Kevin MacKay, Joe Holt, Jay Fenton and Wayne Leskow picked up one each.

Hardisty's captain, Brant Sim had an exceptional night, picking up four goals and three assists. He seems to have sparked the Stamps and they have become a tough competitor. Gary Bromley picked up five points as well, for the Hardisty team.

Ivan Bacon put the brakes to twenty-five shots while Hardisty's Ron Croteau turned away thirty-eight shots. The teams were even in the penalty department with seven minors each.

The following Monday, Irma hosted the Sedgewick Sabres and handed them a defeat to the tune of 8 - 3. Hard work paid off for Dale Tomlinson as he picked up a hat-trick. Morgan Jones blasted two goals, with Brian Burr, Al Fenton, and Turk Gulbrsa each blinking the light once. Ken Ford accounted for three assists, Kevin MacKay, Wayne Leskow and Jay Fenton for 2, and Morgan Jones, Brian Burr, Garnet MacKay and Turk Gulbrsa all drawing one each.

Bob Allen played well in net for Irma allowing only three goals in thirty-five shots. On the other end, George Lepards got in the way of thirty-eight shots.

This match was filled with penalties with Gord Holt receiving a game misconduct for two fighting majors. Altogether, Irma picked up thirty-eight minutes in penalties while the Sedgewick team received only eleven minors.

Continued fan support for the Aces will sure be appreciated. You can come out and watch a combination of hard skating, lots of swinging and good clean hockey that sometimes gets carried away. Now that should be enough to get anyone excited.

L.A.B. Hearing Held On Viking Annexation

A Local Authorities Board hearing on an annexation proposal by the Town of Viking was held last Wednesday, January 30th, in the Viking Town Council Chambers. The Board consisted of Mr. John Hammond and Mr. Charles Shelley.

The Town of Viking wants to annex approximately 320 acres located just east of the old sewage lagoon. The Town presently owns the land, which contains the new sewage treatment facility and lagoon.

Mr. Shelley explained that if the annexation bid were refused, that the Town should know within a month. However, the entire decision-making process could take from 3 to 4 months.

Mayor Selmer Hafso and Councillor Len Josephison represented the Town. Mayor Hafso informed the Board that the Town had been directed by the Alberta government to secure land for a sewage lagoon and land-fill site. He said that the Town had done as instructed, yet was denied its annexation into the Town in 1978.

The Mayor also said that the land was needed if Viking is to expand economically. He stated that the Town has an ideal location for attracting businesses, and that a number of business people had requested land yet none was available within the Town.

Plans for the western part of the parcel call for its development into light industrial and highway commercial. Upon enquiries of Mr. Hammond concerning the wet nature of the land, Mr. Hafso said that the water table had dropped considerably in the past few years and that this shouldn't be a factor.

After a short question period by the members of the Board, Mr. Boyd Oberhoffner spoke on behalf of Alberta Municipal Affairs in support of the annexation bid. Mr. Oberhoffner presented the Board with a copy of the newly-adopted Viking General Municipal Plan. He then covered the points in the plan which supported the annexation proposal.

Mr. Oberhoffner also explained a proposed development outline plan which is being studied by the government. He said that the Town should have no problems in developing the land for light industrial purposes.

After some discussion by those present, Mr. Shelley read letters from the County of Beaver, Alberta Municipal Affairs and the Alberta Transportation Department which all supported the annexation. A letter from the Department of Agriculture stated that the land was of little agricultural value and that they would support the annexation bid if the Town could justify its need for the said parcel.

Upon summation of their positions by Mayor Hafso and Mr. Oberhoffner, Mr. Shelley closed the hearing.

Making presentations at the Local Authorities Board Hearing in support of Viking's annexation proposal were (L. to R.) Boyd Oberhoffner of Alberta Municipal Planning, Councillor Len Josephison and Mayor Selmer Hafso.

Animal By-Law Enforcement Begins

Enforcement of the new Viking animal by-law got underway in earnest this week. Alta Pet Services of Wainwright made their first surveillance as employees of the Town.

Lorne Creor of Alta Pet Services said that several dogs were spotted at large and that he had experienced some "angry" pet owners during his first visit to Viking. Mr. Creor said that their target is not the dog, but the owner. He said that they photograph all dogs at large first, then try to chase it home so that a ticket can be issued to the owner. He stated that apprehension of the dog is the last resort.

Mr. Creor said that if owners do not pay the tickets which are issued to them under the new by-law, summons will be issued and violators will be taken to court. The policy of his company is to treat everyone equally and ticket all those who contravene the by-law.

If the apprehension of the dog is necessary, the animal will be transported to Alta's facility in Wetaskiwin. Mr. Creor said that if the owner does not claim their dog within 72 hours, the animal will be sold or destroyed. The cost of retrieving a dog from the facility can run upwards of $50 with the fine, boarding fees, clean-up fees and a license, plus the trip to Wetaskiwin.

Mr. Creor said that as they get to know the Town, consistent offenders will not have the luxury of having their animals returned to them upon apprehension. He said the dog will automatically be transported to Wetaskiwin.

The survey of the number of dogs which are in a household will begin with the next patrol. Viking residents are allowed to keep a maximum of two dogs.

Mr. Creor stated that part of the survey will include asking people about any complaints they may have about dogs-at-large and then acting on the complaints if possible.

Alta Pet Services expects to have a number of angry pet owners in the Town during the next three to four months until the residents get used to enforcement of the by-law. The company will be issuing tickets ($30) to owners if dogs that don't have licenses from now on during their periodic patrols through Viking.

County To Sponsor Land-Use Workshop

The County of Beaver Council is sponsoring a third in a series of public information workshops. These workshops are being held to allow the local residents an opportunity to become involved in the preparation of a new land use by-law for the County.

The workshop will be held on February 12th, at 7:30 p.m.

County Council will be explaining their present policy on country residential development. In addition, other areas of concern for the by-law will be discussed; for example, development in the vicinity of highways, and the issuing of development permits.

The topics of the previous workshops were Agricultural Zone A and Zone B. Summaries of these workshops will be available on February 13th and will also be available from the County Office.

Henry Fenton To Judge At Northlands

The judges for Northlands 1980 Spring Stock Show and Sale have been selected. The Stock Show and Sale will be held at Edmonton Northlands March 28 to 30.

Henry Fenton of Irma will judge the Horned Herefords at the Show. Herb Strandquist of Loydminster will judge the Polled Herefords.

The top Aberdeen Angus will be selected by Brian Good of Red Deer and the Shorthorn will come under the eye of Ted Serhienko of Saskatoon.

Glen Good of Red Deer will judge the Maine Anjou and the Simmental entries will be handled by Len Friesen of Calgary. Allan Parke of Cache Creek, B.C. has been selected to judge the Limousin entries and Don Pochylko of Erskine, Alberta will select the winning Charolais.

The swine entries will be judge by George Mazejka of Sylvan Lake. All the judges are recognized breeders of livestock or have a close connection to the livestock industry.

Northlands Stock Show and Sale is being held in conjunction with Northlands Quarter Horse Show, Northlands Superodeo and Northlands Farm & Ranch Show.

Hoines New County Councillor

Gordon Hoines has been elected as Councillor for District 3 in the County of Beaver. Mr. Hoines defeated Stewart McMullen in the by-election held last Friday.

Of the approximately 300 eligible voters in District 3, 243 cast ballots, with Mr. Hoines receiving 168 votes, Mr. McMullen getting 66 votes and spoilage accounting for 10 votes.

Gordon Hoines was elected as the District 3 Councillor for the County of Beaver in the by-election held last Friday, February 1st. Staff Photo

Gordon Hoines was born in Viking in 1930. He has lived and farmed in District 3 for the past 49 years. He and his wife Betty have raised two sons, Rick and Vaughn, on their mixed farming operation approximately fourteen miles south of Bruce. Mr. Hoines said that his sons are both returning to farm at home in the Spring which enabled him to take on the Councillor's position.

Mr. Hoines is presently on the Board of Directors of the Iron Creek Gas Co-op and a member of the Bruce Stampede Association. In the past, Mr. Hoines served on the Board of the Golden Valley Lutheran Church in Viking and he and his family are still active members in Golden Valley.

This is Mr. Hoines' first time in a political office and he said that he is looking forward to working for the people in District 3 upon his swearing in on February 14th. He stated that he would like to thank the electors of District 3 for their support and for the opportunity to work for them.

Northview Manor

The construction of Northview Manor in Holden must be highly commended. The new facility for senior citizens is a tribute to those many community-minded people in Holden who worked to obtain a fine housing set-up for the elderly in the area.

Often in communities we forget about those people who have given many years in productive service to our respective areas. When people reach retirement age, they are sometimes simply forgotten. We seldom seem to find the time to show any appreciation whatsoever for the many valuable contributions which our senior citizens have made to our communities.

Yet the efforts put into the planning and construction of Northview Manor show seniors that many people in Holden do care. In previous years, people in Viking worked for Vialta Lodge, and people in Irma worked for Chacutenah Manor because they were concerned about their senior citizens. Now the people in Holden who worked to make Northview Manor a reality can feel proud of their concerned efforts for their senior citizens.

Hockey Is A Team Sport

Every year we experience the phenomenon of a parent who pays his child a certain sum of money for each goal that he or she scores while playing hockey. The major concern with such a practice is that the parent is encouraging "individualism" in a "team" sport.

Most any system of reward encourages youngsters to behave in a way that will secure them the reward. In a team sport like hockey, youngsters who are paid for each goal scored think little of the "team" effort, but think only of themselves and scoring goals. This year already we have witnessed youngsters totally ignore other players on their team and "hog" the puck just for another chance to score and thus earn money.

Our first question when a young hockey player completes a game should not be "how many goals did you score!". It should be "did you try your best!" or "did you play well!". They know that hockey is a team sport. They also know if they played well. And playing well on a hockey "team" means playing as a "team" player, not as a "parent-encouraged puck hog".

Vegreville Constituency Candidates

Upon completion of the candidates list for the Vegreville Constituency for the February 18th federal election, The Weekly Review contacted the offices of ALL six candidates running in this constituency. We requested that each candidate send us a short article on any subject of their choice and a picture. Our purpose in this is to help our readers to better make their decision on February 18th. The Editor it can be guaranteed to be safe). Only the sensible use of each source can assure us that oil and natural gas will not run out and leave us without power and in the dark.

To take the problem of pricing and the use of oil and natural gas out of bitter partisan politics, we urge the establishment of a joint federal-provincial crown corporation that manages reserves, exploration, refining, transportation, pricing, etc.. The maintenance of Petro-Canada is not "an energy policy" by Roelf.

Rhinoceros

Carl Hohol, Candidate for the Rhinoceros party in the constituency of Vegreville is a grass roots man. He was born at an early age and was raised on a farm near Two Hills, Alberta. Mr. Hohol, age 32, is married with three children and is considered by many rhino members as a very worthy candidate. He is inconsistent, indecisive, and unemployed on a full-time basis. Mr. Hohol does take his campaign seriously though, as he is up at the crack of dawn, usually 10:00 a.m., takes a brisk walk to the bathroom, and is back in bed at 10:05 a.m.. He flatly refuses to drink coffee during the day, as it keeps him awake. The Rhino candidate describes himself as a political moderate, makes enemies left and right; and can be seen mainstreeting from town to town flanked by his pet Zebra named Spot, and his dog Scurvey that barks with a lisp.

Provincially, Hohol disagrees with National Rhino policies and has decided to support Peter Lougheed and his Heritage Trust Fund. Three years of research and experiments at the Calgary Zoo resulted in a major discovery that by crossing a cow with a giraffe, produced a cow with a long neck ---so that it could feed on the Alberta grasslands and be milked by Mr. Lougheed in Edmonton.

Hohol is on the campaign trail now, making the Viking, Lloydminster and Vermilion swing, and at his recent press conference in Lloydminster was shocked at the response and support given to him.

Social Credit

Alex Gordey

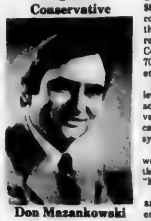
Mr. Alex Gordey states that he has taken the responsibility and risk in becoming a candidate for the up-coming election because there are so many people who are thoroughly disgusted with what is happening in Ottawa now, and with what our top political leaders are doing about it (or not doing), and with the frightening economic and defence situation in which Canada is today.

These people, he says, want an expression of their opinion through someone who will speak out the truth. This election is graviously unnecessary, and is only an exercise in futility.

These top political leaders and their close followers are wasting time and our money slugging it out among themselves with all kinds of verbal political garbage, while many pressing national issues are long smoldering at the door of the House of Commons waiting for urgent solutions.

Alex Gordey states that if we don't come out with some new ideas, and some clear determined policies to solve those issues, we might lose the proper strengthening of this nation and its future now by adverse circumstances, but by default.

Progressive Conservative



Don Mazankowski

This Federal Election is one of the most crucial in Canada's history. The choice which Canadians will make on February 18th will determine the direction our Country will follow in this new decade.

In six short months in office, the Progressive Conservative Government embarked on a new course for Canada. Mr. Crosbie's budget took some tough actions to get the mushrooming federal deficit under control and lessen Canada's reliance on foreign oil supplies. The Budget also contained significant measures for farmers and small business to allow them to deduct their spouse's salary from their income tax.

In areas under my jurisdiction a number of measures were taken to get the grain moving.

Among these were the final agreements and a major new grain terminal at Prince Rupert, extending the season at Churchill by three weeks, the acquisition of 7,4800 new hopper cars and 5,000 rehabilitated box cars to the system, and the establishment of a Grain Transport Coordinator, Dr. Hugh Horner, to oversee and direct the operation of the grain handling and transportation system.

After February 18th a re-elected Progressive Conservative Government will continue the work we have begun. Real change deserves a fair chance and I am confident that Canadians will give us that chance.

Liberal

Florence Rachansky

Canada must set its own energy prices geared to Canadian requirements and the prices must distinguish between the different categories of oil. 1. (oil from conventional sources). 2. (oil from unconventional sources). 3. (oil imports).

Replacement costs of conventional oil have to be determined. If it costs only $8.00 to produce a barrel of conventional oil, selling it at the $30.00 world price would result in windfall profits. Conventional wells supply 70 per cent of the oil currently used.

As conventional oil is depleted, we will have to replace it with oil from unconventional sources. In these cases we will build on the syncrude precedent.

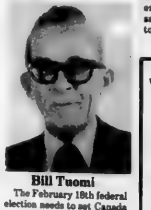
A Liberal government would continue to subsidize the import component of the "Made in Canada" price.

The Petroleum Pricing and Auditing Agency will be established to investigate and report on industry costs profits and operations.

The new pricing system should be in place by July 1st 1980.

See that energy becomes a part of the larger economic strategy forming the core of any industrial or regional development approach.

Communist Party



Bill Tuomi

The February 18th federal election needs to set Canada on a new course of action to resolve difficult problems of national well-being, national unity and of Canada's posture in foreign affairs.

To the Communist Party it is obvious that we cannot afford another Clark government in this country. This is its six month record: higher food and energy prices, higher taxes and interest rates, more inflation and unemployment. Only the banks and big business got breaks from it.

To resolve the "energy" crisis, we urge an all-inclusive policy that includes not only oil and natural gas, but also the use of coal, hydro power and atomic energy (if

Letter To The Editor

Dear Sir:

In your issue dated Wednesday, September 26, 1979, a front page article told the story of a 50 year freight Transport Business ceasing operation in Viking. Was this not a sad story?

Then, when some local people take the initiative to do something about it, action which they thought to be for the good of the town and community, the town businesses which were so concerned about losing the local freight business, neglected to support our efforts.

We have talked to many business people desiring their support but it seems to no avail, as it seems to be the attitude of Town Council and businesses alike to discourage any business endeavours in town.

It does not take much intelligence on anyone's part to figure out the amount of money spent by us in the town on such things as equipment, fuel, parts and wages which is of benefit to the community as a whole.

We feel that if the support of the community is not forthcoming, we will discontinue our freight service within 30 days and we will endeavour to return the same support which we had to the local businesses.

Open House At Northview Manor

On January 10, 1980, the self contained eight unit senior citizens apartment building in Holden was officially turned over to the Village by Alberta Housing Corporation. This past Saturday the Village of Holden and the Holden Senior Citizens Club held an open house at Northview Manor to give area residents an opportunity to stop by and view their new facilities. Staff Photo

Many citizens attended the Open House at Northview Manor on Saturday, February 2. Northview Manor is the newly completed eight unit self contained senior citizen complex.

Each room within the unit have been carefully planned and designed to accomodate the life style of senior citizens. Carpets and curtains are provided throughout the entire Manor. In the kitchens there are cupboards, sinks, refrigerator and stove. The bathroom is complete with medicine cabinet, vanity cabinet, bath rails and bath wall grab bars. A small room for storage with shelving allows room for a small freezer if desired.

A lounge and utility room will be shared by all the manor residents. The lounge will be provided with some furniture at a later date. The utility room has a sink, clothes washer and dryer as well as a small storage area complete with shelves.

Many extras have been provided such as smoke detectors, intercom and coat closet in the hallway.

After viewing the manor many people expressed their appreciation for the convenience of having a home such as this available in our community for the senior residents.

Lunch was served by the senior citizens.

Jean Grinde on behalf of their family business "Hill top Construction Ltd., displayed a beautiful electric clock which she presented to the future residents of Northview Manor.

Mrs. Christine Mackay has been appointed manager of the manor and Demy Suchy will fill the position of caretaker.

Mayor Shykora answered many questions voiced by those visiting during the open house. He stated that there will be an official opening at the Manor at a later date.

Bruce Food Club

On January 22, 1980, the Bruce 4-H Food Club met to discuss Public Speaking.

Our leader provided information and discussed ways to improve our speaking so when public speaking comes we will have more courage.

Group Two demonstrated impromptu speeches. The date set for our Public Speaking competition is February 24th, 1980.

The Bruce 4-H club would like to thank all those who gave money or goodies to the group.

Another meeting of the Bruce 4-H Food Club was held on January 24th. As there was no new business to take care of, we started to cook.

Our Foods I cooked "vegetable medley" and "oriental chicken" while Foods II cooked "sweet and sour orange weiners" which were served with sandwiches.

Following our cooking session, each member got a chance to practice impromptu speeches. After that, we all went home.

Bruce News

The Senior Citizens are still holding their card parties on Wednesday evening. Last week's winners were Ed McKinney and Katie Brecha while consolation prizes went to Annie Ozubko and Bert Siegel. The week before saw Lillian Siegel and John Stefanik take home the first prizes and Tom Dwyer and Roy Haugen receive the consolation awards.

Grace Gormley is home from the Viking Hospital after almost two months as a patient there. She is being well taken care of by her daughter Jean Matchett who came up from Lethbridge for a visit.

Hugh Cozart spent some time in the University Hospital in Edmonton but is home again and feeling much better.

Vernice and Don Sagert and children Shaune and Byron of Ardrossan were visiting at the Stewart home on the weekend.

Members of the Bruce Stampede Association held their annual party on Saturday, February 2, in the Community Centre.

This yearly event is for members and other individuals who contribute in some way to help make the stampede successful.

Approximately one hundred and fifty people danced away the evening and thoroughly enjoyed the delicious supper prepared and served by the men.

There were several guests from neighboring towns but those who came the greatest distance were Helen and John Kulba and Jo and Paul Osinchuk of Edmonton, Doreen and Jens Field of Sherwood Park, Hazel and Bob Bruce of Camrose and Frances and Leo Maruszecka of Tofield.

Preliminary Testing Conducted At Site Of Holden Senior Citizens Lodge

Holden citizens are pleased that a proposed 44 bed senior citizen lodge is now in the planning stages. On January 28 and 29, Hoggan Engineering and Testing Limited of Edmonton Consulting, Civil and Testing Engineering took soil tests for a geotechnical study for the proposed senior citizen lodge.

Mr. O.M. Sukhrani, P. Engineer said this is an Alberta Housing Corporation project. The proposed site for the senior citizen lodge is at 52 avenue and 48 street. (Holden Composite is now situated on this location. He also stated that the preliminary analysis of the soil conditions are very favourable.

Mobile Augers and Research Ltd., conducted the drilling.

Mayor Oleh Shykora has advised that tenders will be out this spring for the construction of a 44 bed senior citizen lodge in Holden and it is hoped that construction will begin during the summer of 1980.

The Holden 4-H Club will hold a pancake supper on February 19, from 5 - 7 p.m. at the Holden Community Hall. Everyone is welcome.

Holden and district residents were shocked to learn of the passing of a well known district farmer Mr. Benny Pasnak who collapsed at his farm home on Saturday February 3, and died of a heart attack.

Mr. Benny Pasnak was rushed to Viking hospital immediately by Holden ambulance driver Mr. M. Jeffrey, assisted by Mrs. Toots Laskoski and Mrs. Frances Laskoski. Mrs. Vic Pasnak and family greatly appreciated the quick response of the Holden ambulance and all the relatives and friends who have helped the family during this trying time.

Holden and area residents were saddened to learn of the passing of a former Holden school teacher, Kenneth Traan of Kingman who passed away on February 1st.

St. Mary's Community Association - South Holden all will be holding a Pre-Lent "Perogi and Ham Supper on February 9, 1980, beginning at 6:30 p.m. to 9:00 p.m. A dance will follow. Everyone welcome.

Irma Holds 75th Anniversary Meeting

On the evening of Thursday, January 31, approximately 60 interested citizens met at the Legion Hall to be informed about the money we will be receiving from the province in commemoration with Alberta's 75th Anniversary. Jeannette Boulet, Regional Officer of the 75th Anniversary Commission from St. Paul, spoke on how the money allotted to our area can be spent.

The combined population of Divisions 6 and 7 and the Village of Irma is approximately 1,500 persons, with the village having approximately one third of the population. Thus, the allotted birthday gift for our area amounts to $30,000.00.

This money is sent to the Municipal Office and the municipality and local committee shall be responsible for allocating these funds. Any money not used shall be returned to the 75th Anniversary Commission. It is important that all of this gift be utilized and the Irma committee is asking interested organizations to submit their requirements by March 12, 1980 so that the money can be fairly allotted. Any funds used must be designated for a 75th Anniversary project.

A committee consisting of Alex Smallwood and Myron Meyer - representing the Municipality; one member to be appointed from Town Council; Ron Thurston; Mary Newton; Georgina Enger; Dick McRoberts; Louisa Prosser; Keith Coffin; Marguerite Burr; Kim Olsen - representing the High School Students' Union; Jack MacKay; Donald Gunn and Bill Holt was chosen to act on behalf of the community.

Interested organizations may pick up a Project Application form at the Bank of Montreal, Irma. Don't delay get your application in as soon as possible.

The deadline date for returning these forms is March 12, 1980. They may be handed in at the Bank of Montreal, or to Ron Thurston prior to this date.

If you have any questions, feel free to contact any member of the 75th Anniversary Committee.

Travel Alberta 75 CANADA

Stamp Around Alberta to these winter events:

February 2 - 9 INNISFAIL - Annual Frosty Frolics and Boy Scout Winter Sport Jamboree. Events start daily at 9 a.m. Includes card playing, curling, bowling, novelty events, ice sculpture, poster competition, snowmobiling relay, snowshoeing, cross-country skiing, broomball and downhill skiing. Irma Recreation Board Activities Reviewed

The Recreation Area Board for 1979 was composed of the following members: Richard Larson, Ron Dempsey - Village of Irma, Ralph Mark - Representative of the Village ratepayers as of March, 1979, Alex Smallwood, Myron Meyer - M.D. of Wainwright, Keith Carrie - Rural ratepayers representative, Don Lukens - Wainwright School Division, John Newton, Barry Smith - Agricultural Society. Eddie Jackson replaced John Newton in November of 1979.

Secretary was Marion Fischer and Treasurer's position was filled by Don Creasey.

A delegation from the Agricultural Society attended the February meeting and submitted a proposal for the Agricultural Society to take over the operation of the arena. A grant is available to an Agricultural Society to help defer expenses of operating a building that has been erected by the Society. This proposal was accepted by the Recreation Board. The Agricultural Society was granted $14,915.00 from the budget to assist with the operation of the arena.

A Curling Club delegation attended the February meeting, presenting a rough sketch of a curling rink to be erected on the fairgrounds. Motion was made and carried that $80,000.00 of the Master Plan be set aside for the new proposed curling rink facilities.

"Master Plan"

New Horizon's Club (Community Group)	
Building Rec Centre	$5,415.90
Agricultural Society	
- Debt Retirement (Artificial Ice)	$10,000.00
- Artificial Ice (Community Group)	$37,421.00
Rodino Community Association (Community Group)	
Hall Improvements	$4,000.00
New Horizons Club above (after audit) had to return	$987.75
1979 Population - 1,506.	
Current 1979 Population x$100	
TOTAL ELIGIBILITY	$150,500.00
25% of Total Eligibility	$37,625.00
CULTURAL PORTION	
75% of Total Eligibility	
FACILITIES PORTION	$112,875.00
TOTAL FACILITIES TO DATE	$45,849.15
TOTAL CULTURAL TO DATE	
TOTAL SPENT TO DATE	$45,849.15
TOTAL UNEXPENDED	
Cultural	$37,625.00
Other Than Cultural	$67,025.85
TOTAL LEFT TO EXPEND	$104,650.85
COMMUNITY GROUP REQUIREMENT	
30% of Total Eligibility	$45,150.00
Amount Spent to Date	$45,849.15
Minimum Amount Left to Spend	NIL
DEBT RETIREMENT REQUIREMENT	
50% of Total Eligibility	$75,250.00
Amount Spent to Date	$10,000.00
Maximum Amount Left to Expend	$65,250.00

The Master Plan was reviewed for the coming year.

Swimming Pool: due to the extreme operating expense of a swimming pool the committee felt they would like to check into the use of the Wainwright Pool and the private pool of the Les Prosser family. Arrangements with the Prosser Family were made. Lessons were held in the summer, with 97 swimmers participating.

Complex: the board moved that a questionnaire be mailed to post office box holders in the area and the board approve the motion that the committee formed by the community meeting compose this questionnaire - 375 questionnaires were mailed.

Community bus: letters were sent to all organizations, church groups, youth groups and sport groups but very little interest was shown so the project was dropped. Thanks to the people who did respond

Tennis: tennis courts could be made in the arena for the summer months if enough interest is shown.

Co-operative Community Service Organization Assistance Grant (50 cents per population) was granted to the Irma Figure Skating Club to help with the purchase of a P.A. system for the arena.

Master Plan Grant: an amount of $4,000.00 granted to the Rodino Club for improvements to their hall.

Fairgrounds - Expenses of shale and improvements to the ball diamonds to be shared with the Chamber of Commerce and the Agricultural Society.

Budget Money Set Aside for Organizations: The Recreation Board sponsored a bus tour to Edmonton for the members of the New Horizon Club. A letter of appreciation was received - Little League Baseball - $190.00 for equipment and supplies.

Midget Fastball - $150.00 for equipment.

The Recreation Board has a Tax Deduction Number and this number can be used by any authorized organization.

Chacutenah Manor

Mr. and Mrs. J. Lambert left on Tuesday for a two weeks holiday, to be spent with their son and his wife, Mr. and Mrs. George Lambert in Victoria.

Several friends gathered in Ernie Guy's suite on Friday afternoon - the special occasion being his birthday. A cake baked by Mrs. W. Guy and decorated by Mrs. Cockroft, was served.

Mrs. Helen Whidden visited with Manor friends recently.

Mrs. Beer is on holiday. She will spend it visiting with relatives in Red Deer, in Calgary and in Lethbridge.

Irma News & Views

Mrs. Bessie Olsen is visiting with her daughter Mrs. Irene Madsen in Sherwood-Park.

Mrs. Bill Holt (Trudy) is visiting with her parents the Fletchers at Hinton.

In last week's issue of the paper the headings on the two obituaries which were printed, were not placed above the correct write-up. Our apologies to the families of both Mr. Hessel and Mr. Smallwood.

Congratulations are extended to Ludvig Satre who celebrated his 82nd birthday on February 1st. Many happy returns Ludvig.

In spite of crosswalks and streets being sanded a number of times recently, they are still very slippery and actually dangerous. Several people have fallen, but fortunately none were hurt seriously. A rain shower on Sunday morning accentuated the hazzard.

Mrs. Donald Gunn constituency convenor for Wainwright attended an A.W.I. workshop at the Grey Nuns Centre in Edmonton last week.

Isabel Barthlow and son Norman from Sundre, arrived at the home of her parents, Minnie and Jim Jackson for a few days visit. She is visiting with her daughter Joyce and her brothers Arthur and family and Eddie, Lorna, and Howard. They report having over a foot or more of snow at Sundre.

Bernice and Earl Blanchard from Kamloops, B.C. visited last week with their daughter Yvonne (Mrs. Fred) at Wainwright. They also visited with Bernice's sisters at Lloydminster and Unity Saskatchewan. They called on many of their former neighbors and friends in and around Irma. While in Irma Earl made a deal for a new Chev pick-up. They plan on returning to Kamloops on Wednesday or Thursday.

Word has just arrived of the passing of Charlie P. Paterson in a nursing home in Cork, Ireland following several years of failing health. Charlie, always interested in politics and in agricultural affairs, had many friends throughout Alberta. About twenty years ago he sold his farm at Mayerthorpe and returned to live with his brother and sister in Ireland, but visited Alberta every second year. During his visits he made many friends in the Irma area.

Echo-Rodino News

Mr. and Mrs. Robert Greenwood and Mr. and Mrs. Wes Bauer and Mr. and Mrs. Norm Greenwood spent all took in the Kinsella W.I. Telephone Whist game at the home of Mr. and Mrs. Ray Ball of Kinsella.

Trudy McAllister and daughter Tanya of Lloydminster are visiting with Mr. and Mrs. Tom Greenwood.

Harold and Yvonne Greenwood took in a day of shopping in Camrose. While there they visited with Mr. and Mrs. Dave Greenwood.

Congratulations and best wishes to Dennis and Janice Becon on the birth of their new little son, Garry Richard, a brother for Jennipher. Garry was born on January 17 and Grandma and Grandpa Fuder were up for a couple of weeks helping out at home until mother and baby returned.

Acorn Ranger
17 features bring together the best of both worlds. Old fashioned charm with modern heating technology. 17 good reasons to make this wood stove your stove.

1. 6mm (1/4") steel plate construction gives excellent heat retention and radiation.
2. Refractory lining on five sides completely surrounds the combustion chamber. Gives you a hotter fire with these efficient combustion and even heat output over longer periods of time.
3. Large capacity — the Ranger's firebox is 20" long, 14" wide and 16" high. Lots of room for wood or coal.
4. Superior and solid air tight door seal — no smoke spillage.
5. Pre-heated secondary combustion air promotes efficient burn-up of gases in the secondary combustion area.
6. Heat exchanger tubes provide efficient heat transfer.
7. Optional plug-in fan. Constantly circulates air along the bottom of the stove and through the heat exchanger tubes. It means fast warming of the room and a large heating capacity.
8. Inspection window for accurate burn rate setting and checking of fuel supply, without opening the door.
9. Two position door latch locks door partially open for rapid chimney priming.
10. 6" Selkirk Simplified Smoke Pipe System designed to fit the Ranger. Automatically adjusts to your ceiling height.
11. A separate steel stand makes the Ranger easy to install and handle.
12. 15 Year Limited Warranty. You won't need it, but it's nice to know you have it.
13. Manufactured in Canada by Selkirk Metalbestos.
14. Large cooking and warming surfaces.
15. Traditional design trimmed with ornamental castings.
16. Rotating draft control knobs let you adjust the burning rate to an efficient minimum.
17. Large door opening allows easier fuel loading. Removable ash retaining shield for safety and convenient clean out.

Village Of Irma Regular Council Minutes

The Council of the Village of Irma met in regular meeting in the Irma Village Office Wednesday January 2, 1980, at the hour of 7:00 p.m.

Present were Councillors, Barber, Dempsey, Jackson, Larson and Littlewood, also present was Municipal Administrator, D.D. Crosby.

Mayor Larson presiding.

Mayor Larson opened a discussion relating to Clr. Barber's statement that he was a Council member in 1967 for the Centennial matters. The Village records indicate that Mr. Barber was not a Council representative at that time. Moved that the minutes be corrected in this regard. Carried.

Moved that the minutes as corrected be adopted. Carried.

Moved that the schedule of receipts be accepted as presented. Carried.

Moved that the accounts be passed for the month of December be approved for payment. Carried.

The financial statement for the month ending December 31, 1979 reads as follows:

Net balance end of previous month - $17,483.89
Receipts for the month - $18,888.84
Term Certificate matured - $14,500.00
Disbursements - $11,760.93
Net balance at end of the month - $6,850.72

Moved that the financial statement as presented be approved, carried.

Moved that the minutes from the Chacutenah Manor Board meeting be received and filed. Carried.

Moved that correspondences from Wainwright Frg't Lines relating to minimum charges for freight be received and filed. Carried.

Moved that correspondences from Recreation Parks and Wildlife be received and filed. Carried.

Moved that correspondences from REDA setting out adult education courses be received and filed. Carried.

Moved that correspondences from Alberta Disaster Services relating to the availability of Rescue Kits be received and filed. Carried.

Moved that correspondence from the Wainwright School Div. No. 39 Board meeting be received and filed. Carried.

Moved that correspondence from the Municipal Finance Corporation acknowledging payment of the debenture by-law services in 81 Avenue be received and filed. Carried.

Moved that correspondence from the Medical Health Unit relating to water samples be received and filed. Carried.

Correspondence as received from Current Planning advising that the subdivision application, Pt. N.W. 28-45-9-W4th has been refused. This application does not meet the requirements of zoning regulations. Moved that this correspondence be received and filed. Carried.

Correspondence was received from Labour Standards Branch, Gas Inspection Dept. advising that a permit is required for the installation of furnace at the pumphouse. Moved that Irma Flag & Heating be contacted for the necessary permit. Carried.

Moved that correspondences from Municipal Affairs relating to the internal stabilization program be received and filed. Carried.

Moved that correspondence from Kinette Club of Wainwright advising that "Ivy Taylor Appreciation Night" will be held January 12th in the community Hall, be received and filed. Carried.

Correspondence was received from EPEC Consulting Western Ltd. relating to servicing costs estimates for Block G, Plan 1560 W. Moved that this correspondence be reviewed and filed. Carried.

Correspondence was received from Battle River Planning inviting Council to consider joining the said Planning Commission. Moved that Council is not interested in joining the Commission at this time. Carried.

By-law No. 507: This By-law has been prepared to authorize the village Council to enter into an Agreement with the Department of Environment for reclamation of land, Pt. S.E. 27-45-9-W4th. Moved that By-law No. 507 pass its first, second, and third reading. Carried.

The Municipal Administrator advised that there is playground equipment stored on the fairgrounds which could be used if a suitable site is available, moved that the Irma School be advised that this equipment is available for use on the school grounds. Carried.

Correspondence was received from Mrs. Barbara Penland requesting that water and sewer service be maintained at Lots 11 & 12, Block 7, Plan 1560 W, at no charge due to the fact that the property is vacant. Moved that this request be granted. Carried.

By-law No. 506: This By-law has been prepared to authorize a penalty for persons interfering or molesting the Animal Control officer. First and second reading were approved at the December 4, 1979 regular meeting of Council. Moved that By-law No. 506 pass its third reading. Carried. Clr. Barber opposed.

The Municipal Administrator advised that the County of Flagstaff has done extensive research on Sanitary Land Fill Systems and is about to undertake a program which would facilitate the entire county and the urban centres within its boundaries. An invitation has been extended to the Village Council to attend a meeting scheduled for January 14th, if the members are interested. Moved that Mayor Larson, Clr. Littlewood and the Administrator attend the proposed meeting. Carried.

Mr. Gunnard Larson was present to further discuss the C2 Zoning of frontage abutting Highway No. 14. He said that he disagrees with the zoning and that in his opinion there should be no regulations relating to development. That a person should be able to build at his/her discretion, as has been the policy in earlier years. Mr. Larson then took his leave from the meeting.

Correspondence was received from M.D. Wainwright requesting that the Village contribute toward the installation cost on manholes to service the new M.D. Grader Shed. Moved that this request not be granted. Carried.

Moved that provision be made for the storage of the Christmas Lights in the shed at the Fairgrounds. Carried.

C2 Zoning: The C2 Zoning as set out in Land Use By-law No. 499 was discussed at some length and it was moved that a letter be directed to the property owns with property abutting Highway No. 14, clarifying the application of the zoning and its affect on development. The fee for re-zoning only applies where application is made to change the use of land as set out, not for building permit applications. Carried.

Moved that options 3 and 4 be added to the Section 11.0 Dental Plan of the Policy of Employment for employee and Council members. Carried.

Moved that the salary and provisions as set out in the Policy of Employment for the Municipal Administrator and the Foreman, be adopted, and that the salary increase for the year 1980 be 10 per cent. Carried, unanimously.

The surfacing of S.R. No. 881 through the Village was discussed, and the Municipal Administrator advised that Transportation has been contacted in this regard however there has no response to this date. Tabled until the next meeting.

Kinsella News

Congratulations to Mrs. Rachel McDonald on the occasion of her 80th birthday, February 1st. A family supper was held in her honor at the home of Marlene and Donnie McDonald.

A Telephone Whist Party was held on Friday evening sponsored by the Kinsella Women's Institute. Prize winners were as follows: Ladies high - Mrs. Rose Cameron, Mens high - Wes Bauer, Ladies low - Mary Armitage, Mens low - Harry Rauser.

We would like to thank everyone who helped in anyway to make this event such a success.

Benny Pasnak Passes

Residents of the Village of Holden and surrounding farming district were shocked to learn of the sudden passing of Mr. Benny Pasnak on Sunday, February 3, of a heart attack.

Benny Pasnak passed away at his farm home at the early age of 48 years. He is survived by his loving wife Vic, three sons, Lawrence of Edmonton, and Darrel and Randy at home as well as his loving mother Mrs. Mary Pasnak resident of Parkland Nursing Home in Viking as well as one brother Myron of Holden and one sister Eleanor of Edmonton.

He was predeceased by his father and one sister Emily. Prayer service will be held at Holden South Greek Catholic Church hall on Wednesday, February 6th at 8:00 p.m.

Funeral Mass will be held at 10:00 a.m. at the Holden South Greek Catholic Church on Thursday, February 7th. Reverend Funeral Home in charge of all arrangements.

Parkland Nursing Home News

We would like to extend our sympathy to the family of Mr. Gunnar Erickson who passed away on January 30th.

Charlie Auburn and Barb Blosser enjoyed visits with Henry Curtis, Thelma Rawe, Errie Auburn and George Curtis all from Stettler.

Calling on Lars Ritland were Judy Danilak of Leduc, Mrs. Andrukow and Jody, Dave Good, Bertha Nohr and Mrs. Frank Andrukow and Sharon all of Edmonton.

Mrs. Ward was visited by her daughter and granddaughter Joyce and Heather Reed of Fort Saskatchewan.

Visiting Mrs. Campbell were her two sons, Victor, and Lloyd, from Hessier.

Mr. Thompson had a visit with Edna and Eleanor Mc-Lachlan from Edmonton.

The staff and residents of Parkland extend sincere sympathy to Mrs. Mary Pasnak on the passing of her son Benny Pasnak.

Get well wishes are sent to Mr. Benson, Mr. Murray and Mr. Krismer, all patients in the Viking Hospital.

Former Holden Teacher Passes

Area residents will remember well Kenneth Tran who taught at Holden School for a time. Kenneth Tran of Kingman passed away on Friday, February 1st at the early age of 36 years, following a short illness.

Kenneth leaves to mourn his pasing his loving wife Janice, two daughters, Melanie and Kimberly and his parents Milt and Ella Tram.

He is also survived by one brother Russel of Edmonton and two sisters Sharon Babiuk of Cranbrook B.C. and Darlene Strate of Kimberly B.C.

Pioneer Announces Trucking Program

A new program designed to assist producers wishing to make over-quota truck deliveries of Rapeseed and Flax in the new Pioneer Grain Terminal in Vancouver was announced today by Art Tooth, Vice-President, Country Operations of the Pioneer Grain Co. Ltd.

Speaking in Edmonton, Mr. Tooth said that within a week's time, preparations to facilitate truck receipts at the newly opened Pioneer Grain Terminal would be completed and that the Pioneer would then be prepared to accept truck deliveries of 1 and 2 Canada Rapeseed and 1 and 2 C.W. Flax arranged through the Company's Winnipeg Office.

"This is a program designed for producers who are interested in increasing their cash flow by delivering now", Mr. Tooth said. Because this does not require the use of rail facilities, deliveries are not regulated by quota.

Mr. Tooth recognized that the cost to producers for trucking to Vancouver would be considerably higher than the Crow-based rail tariffs but he suggested that the saving realized by producers in interest and storage over several months could in many instances largely compensate for these additional costs.

"We believe that the grain futures-related price we will be prepared to offer at or following terminal unload will prove to be very attractive to Alberta and Western Saskatchewan oilseed growers in particular", said Mr. Tooth.

Deliveries to the new four million bushel Pioneer Terminal, located on the north shore of Burrard Inlet in Vancouver, have been very restricted since the terminal's opening, due in part to the closure of the damaged Second Narrows rail bridge and the strike by B.C. Rail workers. The trucking program at this time is therefore also seen as a means of providing some extra grain for the Pioneer facility.

Election Day Is Heritage Day

Pierre Berton, Chairman of the Board of the Heritage Canada Foundation, says it is highly significant that the government has chosen February 18 -- National Heritage Day -- as Election Day. "After all," says Berton, 'snap elections' are becoming almost as much a part of our heritage as the historic buildings our foundation is trying to preserve."

He suggests that when people go to the polls, they remember the double significance of February 18.

Viking Mites Claim B Trophy In Killam Tournament

Beginning at 9:00 a.m. on Saturday, February 2, the Killam mites hosted a 4 team tournament with the host team meeting the Viking Mites in the opener. Maybe the early start caught Viking "napping" in the early part of the game but once they got moving, Viking offered a fine brand of competition and provided an exciting game for the many parents on hand. However, the game ended with Killam on top with a 6 - 5 score.

Viking goals were tallied by Cory Clouston with 3 goals; followed up by Darren Antos and Dean Haeberle with singles.

At 3:00 p.m. Viking and Irma played off for the B section trophy. Enthusiasm ran high among the players and probably higher among the parents who "coached" from the sidelines.

Darren Antos lead the way for Viking with 3 goals in an 8 - 2 victory. Singles were netted by Darcy Draper, Cory Winter, Doug Taylor and Jason and Cory Clouston.

Viking Mites Secure Second Place Standing

January 19th found the Viking Mites on the road to another victory as they travelled to Dayaland and downed the host team by a 12 - 1 score. There seems to be the magic number for the Mites.

Netting three in this game was Doug Taylor. Jason Clouston and Cory Siermacheasky followed his lead and score two each. Completing the goal scoring were Cory Clouston, Dean Haeberle, Darren Antos, Darren Wadley and Tammy Maxwell, all scoring singles.

On Saturday, January 16, the Viking team played host to the Killam Mites and although they came out on the lower end of an 8 - 6 score it was by far one of the most exciting games of the season. Killam offered a keen brand of hockey and at almost every stage of the game Viking met them halfway.

Handling the goal scoring for Viking was Jason Clouston with a pair, and Cory Siermacheasky, Doug Taylor, Cory Clouston and Darren Antos following up with singles.

Dayaland paid a return visit on January 31st. Viking having the manpower advantage, led the way with a total of 16 goals scored during the game. It wasn't until later in the third period that Dayaland scored their only goal of the game. Although the Viking team showed manpower advantage throughout, the determination and enthusiasm of the Dayaland team remained constant for the entire game. Scoring Summary: (the magic number 3 again) Doug Taylor 3, Dean Haeberle 3, Cory Clouston 3, Darren Antos 2, Cory Siermacheasky 2, Jason Clouston 1, Tammy Maxwell 1 and Trevor Ritchie 1.

Statistics printed elsewhere are not quite accurate as Viking has one more game against Forestburg to play before the season can be accurately tabulated. The game against Forestburg, originally scheduled for Thursday night in Viking will be cancelled. The Viking team will however play Forestburg on Thursday night in Killam where the League Play-offs are being held. At 5:00 p.m. Killam will meet Dayaland and at 7:00 p.m. Viking will meet Forestburg. The game originally slated between Forestburg and Viking was eliminated as it would not affect their placings in the league regardless of who won. Statistics from the play-off game will however be tabulated in league statistics.

The League Final will be played in Killam on Friday, February 8th at 8:00 p.m.

Viking Bantams Win One - Lose One

On Tuesday, January 29, the Dayaland Bantams travelled to Viking. The home town team outscored Dayaland 5 - 2.

The home town fans were treated to a scoreless first period.

Viking scored all three goals in the second period. Ian Erickson scored first assisted by Dan Arychuk. Then Dan Arychuk scored assisted by Ian Erickson and Ken Cikaluk scoring, unassisted.

Dayaland opened the scoring in the third period with two goals going to Richard Reisinger. Viking then added two more goals. Rocky Hanson scored assisted by Dan Arychuk. Ken Cikaluk finished off the scoring assisted by Ian Erickson and Peter Thomas.

On Saturday, February 2nd, the Bantams travelled to Hardisty to take part in an exhibition game for Minor Hockey Day. Viking ended up on the wrong side of a 4-0 shut-out. The boys played a good game but just couldn't score on the much improved Hardisty team.

Irma Midgets Have Busy Weekend

On Friday, February 1st the Irma Midgets hosted the Coronation Midget team. Coronation handed them a tough game with Irma on the lower end of a 10 - 5 score.

However, I was told that the score didn't really reflect the action of the game.

On Saturday, Wainwright Midgets played the Irma team on Wainwright ice. This was a hard fought game which resulted in a score of 11 to 9 in favor of the Irma boys.

On Sunday evening the Irma Midgets travelled to the neighboring town of Viking where they won over the Viking club by a score of 8 to 5.

Irma Tom Thumbs Win Again

On Saturday, February 2, the Irma Tom Thumb hockey team hosted the boys from Wainwright. Again the score was a close one with both teams skating hard and reaching for the top. However Irma managed to get one extra goal and came off the ice ten winners with a 5-4 final score.

Scoring for Irma were Greg MacKay assisted by Stacey Larson; Stacey Larson on an assist from Greg MacKay; Trey Rondjon assisted by Greg MacKay; Ron King on an assist from Shawn Jones; Stacey Larson with Greg MacKay again receiving the assist.

Wainwright goals were scored by Bill Leece, Trevor Murphy, Dallas Ferguson and Doug Callahan.

Vialta Lodge News

Mr. Adolf Dorin spent a few days last week with friends at Nevis Norway.

Mr. Eickmeyer visited in Ranfurly with his daughter and son-in-law, Mr. and Mrs. Phil Austin last week.

Mr. Law went to Ryley for the weekend to be with members of his family.

Mr. Inglis celebrated her birthday on January 31st. Several of her old friends called from Ranfurly, Two Hills and Myrnam to help her celebrate and treated us all to Birthday Cake with our afternoon coffee.

Mrs. Rodwell spent the weekend with the Bill Suddaby family.

Saturday afternoon Mr. Walters had Harold and Elsie Beeton of Wainwright, Mrs. Walters of Czar and Mrs. Robinson call and join him for coffee and cake to help him celebrate his birthday.

Greetings to Mrs. Hunt who is in hospital again.

Mr. and Mrs. Bob Thunell, Crystal and Ryan Brook all visited with Mr. and Mrs. Olaf Loveseth.

Myrna Mackay, Shannon and Jamie called on Mrs. Elness and Mrs. D'Arcy.

Earl and Lill Towe visited with Mr. and Mrs. John Ziegler on Sunday afternoon.

Our first quilting bee will be held on Thursday, February 7th in the afternoon. Bingo will be on Wednesday February 26th at 8 p.m. See you all at Vialta Lodge.

Viking Pee Wee Team Wins Killam Tournament

Viking Pee Wee's attended their first tournament of the season on Sunday, February 3 at Killam. The first game saw Killam defeated by Camrose.

Viking and Sedgewick met for the second game of the tournament with Viking defeating Sedgewick by a 9-3 score. The final game followed immediately and Viking also took this game by a 9-1 win over Camrose and so brought home the trophy.

Coaches John Antos and Ed Majeski really had the boys "up". They came out flying and all played good sound hockey in both games. Helping put it together for the Viking team was Shaun Clouston with 4 goals in the first game and 5 in the second. Completing the scoring for Viking were Dean Antos 3, Donnie Lawes 2, Stephen Winter 1, Jason Place 1, Brad Majeski 1, and Calvin Krips 1.

Backing the strong offence with some fine goal tending were Kenny Zemanek and Troy Hilliker.

On Friday, February 1st, our Pee Wee "C" rep team played the Camrose Pee Wee "B" rep team in an exhibition game and were defeated by an 11-7 score. The team played good clean hockey, skating hard and passing well. Viking goals were scored by: Vitek 1, Antos 1, Keith 1, Reaser 1 and Clouston 2.

Assists in this game were handled by Antos, Majeski, Krips and Lawes.

To date the Pee Wee team are undefeated in league play with a total of 4 wins and a tie.

Gas Kings Game Statistics

Hafso Rink Wins Mixed Bonspiel

The Vern Hafso rink of Viking captured the Grand Challenge honors in the 1980 Viking Mixed Bonspiel held this past weekend.

A total of twenty rinks entered the competition with entries from Viking, surrounding towns and neighboring provinces. Visiting teams were treated to the usual high standards of ice quality and hospitality which Viking is known for.

Following is a list of the top four rinks in each of the events hosted by the club.

Grand Challenge
1. Vern Hafso
2. J. Fornal
3. M. Hafso
4. G. Maxwell

Second Event
1. R.J. Cumming
2. G. Ritchie
3. I. Suddaby
4. L. Kelly

Third Event
1. Of Henry
2. I.H.C. (Majesky)
3. L. Erickson
4. Speed Maxwell

The Viking Curling Club gratefully acknowledges all donations to the Mixed Bonspiel and wishes to thank all the volunteer workers who helped during this spiel.

Grand Challenge winners in the Viking Curling Club's "1980 Mixed Bonspiel" were the Vern Hafso rink of Viking. Vern's rink defeated the ever powerful Joe Fornal rink of Holden to capture first place honors. (Left to right) Skip - Vern Hafso, Third - Sheryl Hafso, Second - Sanford hanson, Lead - Betty Hanson. Staff Photo

Second event winners of the Viking Mixed Bonspiel were the John Cumming rink of Viking. (Left to right) Skip - John Cumming, Third - Karen Cumming, Second - Albin Stormoheesky, Lead - Bernie Stormoheesky. Staff Photo

Noting where the winners of the third event call home gives us a good idea as to the tremendous area that Viking Bonspiel's draw entries from! (Left to right) Skip - Andy Place, Third - Nettie Place (from Vernon, B.C.), Second - Don Henry, Lead - Shirley Henry (from Kelowna, B.C.). The B.C. rink was entered in the competition under the name of Of Henry. Staff Photo

New Lights For Viking

Final approval has been given by both the Town of Viking and Calgary Power to the installation of new lights on Viking's Main Street.

The Calgary Power proposal was made to the Viking Council in October, with Viking accepting at the January Council meeting and Calgary Power giving their approval at the February Council meeting.

The present system of 17-250 wat mercury vapor lights on wooden poles with overhead wiring will be replaced by 14-400 watt high pressure sodium lights on steel poles with underground wiring. As well, Council has made application to Calgary Power to have three of the new lights installed on 53 Avenue from Main Street to the Carena.

The cost to the Town of the new Main Street lighting will be just over $28,000, plus all costs for trenching and sidewalk and asphalt removal and replacement. The new lights on 53 Avenue will cost $4,800 plus the extra costs as noted above.

The new lights are the same as those located at the intersection of Highways 36 and 14. Cost of operating each light will jump from $11.50 per month with the Mercury vapor to $22.50 per month for the sodium lights.

Installation of the new lights is expected to begin this Spring to facilitate the trenching necessary to underground wiring.

In other Viking Council news, the Alberta Department of the Environment informed Council that they have completed the reclamation of the old sewage lagoon. As Council felt that the job was not complete, a letter will be sent requesting improvements by Alberta Environment to the site.

Letters from the Postmaster-General of Canada and M.P. Don Mazankowski informed Council that a new post office would not be built in Viking in the near future due to federal government spending restraints.

Council also received preliminary application forms from Cicon Engineering for the new water supply and treatment facility for Viking. Estimated cost of the project is about 2.8 million.

The Town Council agreed to grant up to $1,000 towards the Provincial Midget C Hockey Tournament to be held in Viking from March 28th to March 30th, with the funds to be slated for the promotion of the Town.

4-H County Council Meeting Held

On Thursday, January 31, the County 4-H Council held their second meeting of the year in the Tofield Theatre Building.

Clubs represented were Tofield Beef, Ryley Beef, Ryley Light Horse, Holden Beef, Bruce Foods and Viking Light Horses.

A Family Fun Night will be held for all 4-H clubs in the County and their families. It will be held in the holden Complex on Wednesday, March 5th, from 7 - 10 p.m.

For all those interested in attending we ask that you please bring curling brooms, skates and either sandwiches or sweets for lunch. Admission will be $1.00 per family. All 4-H clubs please attend.

The County Public Speaking Finals will be held in the Ryley Legion Hall on Sunday, March 9th at 1:00 p.m. The Ryley clubs will supply the lunch. All other clubs to supply one judge each. Speakers are asked to bring in their own sheets already filled.

The Beaver Council donated $25.00 the A.C.T. Telerama.

The County Council has received 20 Certificates of Merit to be given in recognition of outstanding work done in the field of Safety. Students are asked to submit entries, either individual ones or club ones to the County Council by September 1st, 1980.

Entries will be divided into four categories: Photo, Poster, Essay and Display and / or Demonstrations. Please keep the above contest in mind.

The Williams Lake exchange students are coming to our County on the week of July 15-24.

The next 4-H County Council meeting will be held in Ryley on Thursday, April 24th at 8:00 p.m.

Irma Complex Committee To Conduct Survey

In the next week the Community Complex Committee plan to survey everyone in the village of Irma and districts 6 and 7 with two points in mind.

1. To accurately determine the support for the complex

2. Solicit donations towards the project. We hope to raise between $80,000 and $40,000.

At the time of writing, the M.D. have signed their agreement to the project and we are now waiting approval from the Village Council. There appears to be some doubt as to the support the complex has. Consequently, our survey will either show (finally) that we do or do not have the support to construct the project.

We have also requested support for the project from the Birthday Project Committee which, as it can be used to match grants, could represent almost all of the community support required.

If you would like to see the complex built this year, please indicate this to the survey members and support it by a donation. All donations will be put in trust. If the Village Council does not approve the project by April 2nd, all donations will be returned.

If the support is strong enough to gain approval, then the donors will be sent Income Tax Deduction Receipts. Either way, it is a good deal.

We look forward to your support and seeing a complex built in the year of Alberta's 75th Birthday. It will be a proud reminder for years to come.

Another Break-In At Viking School

Sometime during the early hours of February 6, the Viking School was broken into. The culprit or culprits attempted to gain entry through a door into the Industrial Arts shop, badly damaging it.

Eventually entry was gained by prying a window in the Home Economics room. Once inside the school the perpetrators broke into the office by forcing open the main office door.

A number of filing cabinet drawers were pryed open in the office and files were scattered about in one instance. A small amount of money was stolen from one drawer and two trumpets which had been locked in the office area also were stolen.

A check of the equipment by the school staff revealed nothing else missing, but several items had been damaged or moved.

Sargeant A.F. George of the R.C.M.P. Identification Branch in St. Paul responded to a call by Corporal Duncan Will of the Viking R.C.M.P. to dust the area for prints. Corporal Will is continuing his investigation into the break-in and theft, the second such incident at the school in the past 10 months.

Utility companies with overhead lines were on alert from Calgary to Cold Lake during the weekend as Promax Equipment Ltd. moved this 165 ton heater to Imperial Oil's heavy oil facility at Cold Lake. The 96 wheel trailer was pushed and pulled by two trucks totalling 1675 H.P. The units passed by Viking last Saturday afternoon. Staff Photo

National Advertising Representatives:

Vote, Even If It Seems "Less" Necessary!

For the third time in less than a year, Albertans will be facing the choice of whom they want to represent them in government. First a March provincial election, then a May federal election, and now next Monday's federal vote.

Many people are upset at this mid-winter election. Many say that it was not necessary. Yet "not" is too strong a term to use in reference to a democratic election. Perhaps some elections are "less" necessary than others. but no election is "unnecessary". If the representatives of the people of Canada vote to have an election, then it is necessary. Only when the basic power shifts from the people to a dictatorial elite will elections be unnecessary in Canada.

As determined by the Parliament of Canade, this election was necessary. Possibly not as necessary as some other elections, but necessary. Who created the situation which made it a necessity will not be debated here. But the fact that the vote will be held next Monday makes it necessary that we all get out and vote.

There are six candidates in this constituency, and these six candidates hold philosophies which cross the political spectrum. There seems to be someone for just about everyone. Thus we should all be able to get out on Monday and cast a ballot. It is imperative in a democracy, for internal apathy is one of democracies worst enemies, even in a "less necessary" election!

Letters To The Editor

Dear Sir:

Following is a copy of a letter sent to the Village of Ryley. We would appreciate your printing of it so acquaint your readers of this event.

On behalf of the Beaver Heritage and Agricultural Society, I would like to take this opportunity to thank you for your financial support in paying the $9062.81 owing on the capital debt of the swimming pool This leaves only $1,052.00 as interest payments to be made, which the society hopes to clear as soon as possible.

Your action is greatly appreciated by the Board of Directors and others concerned with the swimming pool.

Sincerely
Gail Booth, Sec.

Dear Sir:

In last week's issue of your paper you carried a letter from the present management of Viking Cartage expressing their concerns over lack of support from local businesses.

In answer to that letter, I would like to state that I agree with the writer that a *local freight business* is a definite asset to our community and we as local business people should endeavour to support it providing their rates and service are competitive.

As was indicated in last week's letter money spent with a local company stays within the town for their purchases of fuel, food, clothing, parts, wages and entertainment, whereas money spent with an out of town firm does not benefit our community. Also as an added possibility, support of our local freight company may enable them to obtain operation of the bottle depot in town and then perhaps it would be kept open at least during the posted hours.

I am sure the Viking Cartage people would agree that their operation has to be competitive to survive in a free enterprise system and perhaps all they are lacking is the opportunity to prove it. I feel as business people we should at least give them the opportunity to provide us with their services and as a result Viking and surrounding district may continue to have an over 50 year old freight transport business which would be an asset to both its owners and the community.

A Viking Supporter

Wheat Board Advisory Newsletter

The next annual Wheat Board District meeting will be held in Vermilion, Wednesday, February 20th, starting at 10 a.m. This is an opportunity for producers to meet directly with one of the Wheat Board Commissioners and some of the staff. Latest information on markets, transportation, and crop conditions in other countries will be available. There will be lots of time for questions, so some and participate.

Both farm deliveries and export sales are up slightly over the same period last year. Barley deliveries show the largest increase, with quotas currently at 35 bushels per acre. Demand is quite good for malting barley. Barley movement out of Peace River will be stepped up to compensate for transportation difficulties earlier in the season.

The Canadian Wheat Board has made increased bookings of Lake Freighters at Thunder Bay to insure that boats will be available when navigation opens this spring. A target of 2,000 cars per week for the next two months has been set for Thunder Bay.

On the West Coast, the loss of the second narrows bridge is still slowing exports at Vancouver. A temporary trucking program across Burrard Inlet has kept the Saskatchewan Wheat Pool Terminal operating at about 50 per cent of capacity.

B.C. Rail which had been getting some grain down to the north shore from Prince George, has resumed operation after a fairly lengthy work stoppage. Some uncertainty exists on when the Second Narrows Bridge will have its repairs completed. Mid February would seem to be the earliest date expected for normal operations to resume.

Progress continues by the consortium on the new terminal at Prince Rupert with a suggested completion date by 1984.

The American Grain embargo against U.S.S.R. has caused some weakening of prices. However, the U.S. has agreed to buy up corn stocks and to create a food reserve. The Canadian Government supports the U.S. Embargo to the extent that Canada will not increase sales to the U.S.S.R. above normal sales. Sales have varied in the past from 3 to 5 million tonnes per year.

World wheat prices continue above the domestic wheat price which is frozen to Canadian millers at $5.00 per bushel. Farmers are presently subsidizing the Canadian Consumers at over one million dollars per week on wheat used for Canadian Consumption.

The preceding article is submitted by Ted Strain, Member of Advisory Committee to the Canadian Wheat Board.

Alberta Agriculture
TODAY & TOMORROW

To the surprise of few, Alberta's dairy industry is now embroiled in a crucial game of 'catch-up'.

An expanding population, successful advertising campaigns and a renewed consumer awareness of 'natural food' have all created an enormous demand for milk and milk products. It's a market that's simply overwhelmed the industry.

One example of this supply-demand crunch reappears each winter. With the arrival of cold and snow, cattle must come off pasture and go on stored feed. Milk production often suffers. And though this doesn't create any overall shortage of fluid milk, regional supply problems can

Edmonton is a good example. Its rising land prices have led some dairy operators to sell; but these same high prices have also kept many beginning farmers from starting.

The reduced production, though adequate during summer, really shows up come winter. Current shortfalls have been covered, but only temporarily, through imported quantities from other regions and by reducing supplies to cheese plants.

One solution to overcoming these winter shortages will be, I hope, a new production incentive of $2 per hundredweight (cwt).

The incentive, to run from October 1980 to February 1981, will be paid to any operator for that amount exceeding his production during the same period in 1979-80. All milk, (producers — fluid, industrial and cream shippers — will be eligible for the new incentive.

You know, for the first part of the '70's the growth in Alberta's population outstripped that of the dairy industry. Fluid milk supplies were the first to face shortages. In 1974 the government helped out by introducing the Graduated Entry Program which eased the entry of industrial milk shippers into the fluid milk market.

Then, starting in 1975, the government helped sponsor a major advertising effort to promote milk consumption. Sales soared. Alberta still continues to have the highest per capita rate of milk consumption in Canada.

The stress of meeting this demand has affected the entire industry. Industrial production has fallen. Cheese producers could sell more — if they could get the milk. But if they do, fluid sales must drop. It has placed us in quite a dilemma. Indeed, the only sure answer is to increase our total production.

To this end, one thing we are specifically reviewing is the Agricultural Development Corporation's loan program for beginning farmers. I hope to make an important announcement in this area within a month.

Another item I will confirm is a continuation of the open quotas dairy producers currently enjoy. Under the Comprehensive Milk Marketing Plan, quotas were to remain open until July 31, 1980. Considering our current underproduction, it is unlikely we will experience a problem by moving back the expiration date another year. That means any operator can overproduce without fear of penalty until at least July 31, 1981.

Still, to protect ourselves, dairy production must increase. No longer is it a matter of just meeting our needs; it's required to ensure the future of our industry.

The next national market share quota adjustment is scheduled for July 31, 1981. It is not something we are keenly awaiting.

Though our 1979 dairy production was up 1.5% over 1978 and industrial and fluid milk production gave a 5% for the same period, our market share continued to fall — down another 5%. That means we're now 13% from full market share; or, to express it differently, Alberta can only supply 87% of its own dairy market.

It's a cause for concern. Other provinces wouldn't at all mind filling this gap and capturing a long-term share of the Alberta market at the upcoming national adjustment session.

That's why we have not yet agreed to a formula for adjusting market share. We believe we should have time to raise our production without resorting to extraordinary measures that could disrupt the industry.

We'd like to avoid any long-term loss of market share. But if we are absolutely forced to give away some, we're demanding that it be kept to an utter minimum. If we were to be hit for more than that, once production was adequate to our needs, further growth could be severely impaired.

Of the many parts of Alberta's agriculture sector, the dairy industry is one of the most complex. But one thing is certain, if there is any sector with the potential to gain — it is our provincial dairy industry.

The above picture of barley heads silhouetted before the setting sun placed third out of fifty-one entries in the class for "Flora and Fauna" in the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. It was snapped near Prevost by Gordon Gresuik of Viking who collected the fifteen dollar prize money for his efforts. B.R.T.A. Photo

100th Birthday Celebrated

Theresa May Block (Longwell) was born on February 6th 1880 at Hastings Country, Ontario.

In 1888, her parents Joseph and Sarah Longwell, two older sisters, one older brother, and Theresa moved to Canton, Minnesota, U.S.A. They moved again in 1901 to Maine Prairie, making their home near Pearl Lake.

Theresa married Edward Christian Block on June 5th of 1905 at St Cloud, Minnesota. Following marriage, they came to Alberta, taking up a homestead at Spring Lake. They sold this farm in 1913 and bought another farm near Strome, Alberta.

In 1912 they adopted a daughter, Helen, who was then two years old. Mrs. Montgomery now lives in Stoveston, B.C.

A daughter, Fern, was born at Strome. Mrs. Henry Rabby lives near Viking.

Mr. and Mrs. Block retired in 1944, selling their farm and they lived with their daughter at Viking until 1948. Mr. and Mrs. Block moved and bought an acreage at Cloverdale, B.C. Her husband Edward passed away on May 10th, 1967 at Cloverdale.

Theresa lived alone at Cloverdale for a time, visiting her daughter in Viking from time to time and in 1980 she sold her land and returned to Viking to live with her daughter Fern.

On June 14, 1972, Theresa fell and broke her hip. Theresa has resided at the Viking Nursing Home since the spring of 1973.

Theresa's family includes her four grandsons and eleven great grandchildren. Family members and friends gathered on the occasion of Theresa's 100 birthday.

Theresa Block

Viking Annual Chamber Meeting

The Annual Meeting of the Viking and District Chamber of Commerce was held on Thursday, January 31, 1980 at 7:15 a.m. in the Viking Burger Queen.

In attendance were: Mr. and Mrs. Ken Bird, Will Rushton, Rod Kripe, Peter Mykytishyn, Les Ottoson, Vince Slavik, Wm. Mattinson, Muriel MacLaren, Mrs. Pos, G. Rennie, Vera Halso, Ken Midbo, H. Barss, Ross Fitzmaurice and Dick Morris.

The minutes of the last annual meeting were read and adopted on a motion by Ken Bird, Vince Slavik seconded the motion, carried.

President Ken Bird brought to the floor the matter of membership dues for 1980. Past President, Vince Slavik felt the proposed fees were to great an increase and moved the fees be doubled from the previous rate to $20.00 per business and $6.00 per individual, seconded by Jenny Bird. Motion defeated. The proposed fee of $25.00 per business or family was presented by Will Rushton, seconded by Dick Morris. The motion carried.

Secretary Wm. Mattinsen gave a resume of correspondence received, mainly notices of meetings for trade dollars; than you from light up winners Louis and Elsie Merta.

The President's Report was printed in the "Chatter" and the Tourism and Membership Reports had been submitted in December and were on file.

Will Rushton reported on the wind-up of the Christmas promotion and the Devonian Project, which must be completed during 1980.

Rod Kripe reported on the progress of the new hospital and reported that construction was lagging and behind schedule.

The matter of the 75th Anniversary was discussed. A committee of five was set up with two representatives from the Chamber and one from Town Council, one from the Historical Society and the P.S.S. Director. The meeting approved the appointment to the Committee of Will Rushton and Les Ottoson as Chamber representatives on a motion by P. Mykytishyn, seconded by M. MacLaren. Carried.

The monies were allotted on the basis of $20.00 per capita. A number of suggestions for consideration include: Museum project; Outdoor swimming pool; School District Commemorations; and the Remember When Publication. Only capital projects must receive Municipal approval.

Several social functions will be considered throughout the year - one being the Viking Minor Hockey Provincial "C" Tournament on March 28-30.

A new sign program will hopefully become a reality this year as part of the Devonian Beautification Project. Muriel MacLaren was asked to act on this committee and local painters encouraged to take the opportunity to participate.

Good of the Chamber - Vince Slavik inquired if it was the wish of the Chamber to continue the "Crossroads Chatter" at the increased cost of 30 cents per copy. Carried. A vote of thanks was extended to Vince for his dedicated work in this area.

Installation: at this point R. Fitzmaurice, J.P. installed President Will Rushton and first Vice Pres. R. Kripe. President Rushton then declared the election and appointment of the following slate of officers:

President	Will Rushton
First Vice Pres.	Rod Kripe
Second Vice Pres.	S. Arnett
Secretary	Rod Kripe
Treasurer	Will Rushton
Imm. Past Pres.	Ken Bird
Membership	Ken Bird
Finance	P. Mykytishyn
Retailer. Mer.	M. McLaren
Tourism	J. Fountain L. Ottoson
Town and Ind.	W. Mattinson
Agriculture	Ed Klein

Moved by Ken Bird, seconded by Vince Slavik the President and Treasurer be empowered with banking authority. Carried. Adjournment was called at 8:20 p. m.

Viking Fair Board Annual Meeting

The Viking Fair Board held its annual organizational meeting at the Community Hall on February 6th, 1980 with nineteen members present.

President, Bill Place called the meeting to order, and the minutes of the last meeting and the treasurer's report were read.

In response to the correspondence to the Fair Board by Ibsen Brewer, it was moved that replies will be promptly sent out to:

- The District Agriculturist at Ryley regarding the provision of judges to our fair, and an invitation to our next meeting.
- The Horse Pulling Association requesting eight teams for the Horse Pull Competition.
- The Viking Arena Board and the Viking School advising them of the date set for this year's fair and requesting the use of their facilities.

Board members voted to hold this year's fair on Thursday, August 7th.

A motion was passed that we include a category for machine knitting in the handicrafts section of the Bench Show.

It is to be noted that the School Exhibits will be the same as last year.

A suggestion was made that we provide small permanent trophies to be presented to the winners of the travelling grain trophies.

The Fair Board requests that our exhibitors contact us as soon as possible with suggestions on ways to improve our fair regarding added categories or scheduling of events.

Bill Place, Ibsen Brower and Dianne Dobry volunteered to form a committee to nominate a new executive and several new directors to the Fair Board. We ask anyone interested in these positions to contact us.

The next meeting will be held on Wednesday, March 5, 1980 at 8 p.m. in the Community Hall.

Vialta Lodge News

Mr. Dillane left Monday morning for California to visit with relatives for a period of about two months. He will be travelling from Edmonton by plane.

Mrs. R. Anderson took the plane from Edmonton on Tuesday morning for Richmond, B.C. where she will spend a month with her son and his family.

Mrs. Ferguson spent the weekend with her son George and family at Vegreville.

Mr. Eickmeyer had his son Bill from Vegreville and his daughter Mrs. Austin of Ranfurly call on Friday and take him home with them to spend the weekend.

Tuesday evening we were very pleased to have Clarence and Jim Horinek and Charlie Pobuda call and entertain with musical numbers. Many thanks.

Visiting on Tuesday from Vegreville were Joe Dubec, Rose and Joe Volk and Art Fahy.

Margaret and Signor Helgeland of Ranfurly called to see Selmer and Martha Holines.

Chester Falls of Edmonton visited his cousin Elmer Johnson on Thursday.

Marion and Olaf Sorenson of Edmonton called on Mrs. Sorenson last Monday.

Mrs. Hogstead called on Belle D'Arcy and took her out to the farm for the day.

Bud and Dianna Erickson of Bruce called to see Mrs. Ash.

Jean Dake of Vegreville visited with Mrs. Pederson on Sunday.

Bob and Jean Cotter visited with Mr. Cotter on Sunday. Also visiting on Sunday were Anne Coultman and Karen Masson to see Grandpa Masson.

Greetings to Mrs. Hunt and Mrs. Haugen who are at present, patients in our local hospital.

Our thanks to George Baker of Ryley who brought the musical entertainment to us on Saturday afternoon. It was enjoyed very much.

Holden And District News

The Holden and District Chamber of Commerce held their regular meeting on February 5th. Dinner was served by the Ladies of the Royal Purple. Seventeen people attended the meeting.

President Kevin Stambaugh chaired the meeting. The minutes of the November and December meetings were read by the Secretary-Treasurer Harry Christian. The 1980 executive are Kevin Stambaugh - President (second term), Secretary Treasurer Harry Christian, 1st Vice Reg Dolson and 2nd Vice Matt Helfrich.

Membership fees are the same as last year $30.00 for businesses and $10.00 for an individual. The membership committee is Mel Haas, Dennis Shavchook, Bruce Budd and Marilyn Shykora. Chamber of Commerce gate signs are still available and may be obtained from Mel Haas or Bill Hallet or any member of the Chamber of Commerce. The delegate to the Battle River Association meetings is Don McKenzie.

Holden will be hosting the regular monthly delegate meeting of the Battle River Tourist Association on February 21st, 1980 at 6:30 p.m. at the Holden Community Hall.

The Holden Ukrainian Catholic Ladies Aide are holding their annual "Pyrrohy Supper" at the Holden Community Hall from 5 - 8 p.m. on Tuesday, February 26. Everyone is welcome.

The Holden and District 4-H Club will hold a pancake supper on February 19th from 5 - 7 p.m., at Holden Community Hall. Everyone is welcome.

Linda Mackay was honored at a bridal shower on Tuesday, February 5th at the United Church. On behalf of all the ladies, Jean Millimaka introduced the head table guests and then presented Linda with many beautiful gifts. After opening the gifts Linda thanked all the ladies. Lunch was served. Linda is the bride elect of Leon Romaniuk, also of Holden.

Holden St. Gregory's Church. C.W.L. held their regular monthly meeting on Thursday, February 7th. It was decided at this meeting to hold a cash bingo on Friday, March 28th. Mrs. Muriel Onusko of Vegreville attended as guest speaker.

Her chosen topic was on "Home Care". She also showed slides. The evening was enjoyed by all.

The Beaverhill Players are sponsoring an open play writing competition. Prizes are $150.00 for first, $75.00 for second, and $50.00 for third. The winning play will be produced by the "Players". The deadline for submission is February 29 and scripts are to be sent to Box 432, Holden, Alberta.

The Almanac

Old Ben Franklin had a knack,
Storing wisdom in a sack.
So when needed it was there
For a daily need and care.

Steady hot sun deserts bake
To much rain floods land and lake,
Spaced, the grass and flowers grow,
Thank the Lord who made it so.

Ostrich, blind so it is said
Fleeing from a foe
Burying in the sand the head
And so gets rid of woe.

This maxim our Fathers bequeathed,
Go easy on the I.O.U.
Buy no more than is useful, needed.
And what you don't without it do.

Good Lord of all thy blessings gift,
To lightest with a day
The gay heart is the one to lift
That which I dread away.

F. Gommerinyer.

Girl Guides Celebrate 70th Anniversary In Holden

Seventy years of Guiding in Canada will be celebrated in Holden at an anniversary tea to be held on Thursday, February 14th from 3 - 5 p.m. at the Community Hall.

All past and present Holden Guides, Brownies, Leaders, Assistant Leaders, Ladies Auxiliary members and parents are invited to attend the anniversary tea.

An entertainment program will be presented by the Brownie and Guide Packs.

The program will include a sing-song and a special Thinking Day Celebration which features a birthday cake candle lighting ceremony to honor the founders of the Guide Movement, Lord and Lady Baden Powell.

Displays will be set up with information on Guiding and a history of the 80 years of the Holden Packs.

The Guide and Brownie Packs will be honoring two ladies who are residing in Holden and were involved in Guides and Brownies 25 years ago.

Ryley Swimming Pool Clears Capital Debt

The capital debt of the swimming pool operated by the Beaver Heritage and Agricultural Society has been paid.

This welcome news was announced by the finance committee at the February monthly meeting which reported that the Village of Ryley had paid the outstanding $9,052.81. The only amount now owing is one year's interest of $1,052.00.

In an effort to clear this amount, the Society plans to hold a Community Supper in early March. Proceeds of this event will go towards eliminating the amount owing. An earlier turkey supper held Friday, February 1, proved a great success.

The finance committee also reported that the 1980 lottery tickets have been printed and are now for sale. Each $20.00 ticket entitles the buyer to twelve chances at the monthly $100.00 prize. Draws for the first three months will be held March 3, 1980.

The operations committee reported that almost all mechanical problems have been corrected and it is hoped that the pool will open for swimming about April 1.

A pool manager has been hired and advertisements will be sent out for lifeguards.

Bruce And District News Items

Visiting at the Morris Erickson home was Morris's cousins, Elva Modin of Rimbey, Alberta.

The Bruce Busy Bees 4-H Club will hold its public speaking competition on Sunday, February 24th, at 1:30 p.m. in the Bruce Community Centre (School). Everyone is welcome to attend.

Dorothy and Art Ham of Vegreville were visiting in Bruce one evening last week.

Winners at the card party on Wednesday night were RuthDwyer and Tom Dwyer while consolation prizes went to Lillian Teske and John Stefanik.

Mary Pirie had been a patient in the Viking Hospital for a few days.

On Thursday afternoon fire destroyed a small building owned by Ed Colp. The fire engine was there immediately and luckily the fire was contained to a small area.

Members of the Bruce Womens' Institute met at the home of Katie Bracha on Thursday, February 7th. There were 6 members and one visitor in attendance. Roll call was a song or verse composed by each member on Safety for Children. These proved to be very well done and will be taken to the Constituency Conference in April. Members and their husbands will have a dinner and evening together one day this month. Each Saturday, commencing Feb. 9, members will contribute cakes to be raffled with tickets available at Rudy's General Store. Right now, the ladies are busy working on handicraft items for the spring conference. At the close of the meeting the hostess Katie Bracha served a delicious lunch.

Annie and Rudy Koppel are receiving congratulations on the birth of their first granddaughter. Carol and Dale Knievel of Vermilion became the proud parents of a 7 lb. 15 oz. girl, chelsey Lynn on February 8th.

Carol and Ben Field are proud to announce the birth of their son Troy Arlen, 7 lbs. 14 oz. at the Vegreville Hospital on February 1.

County Teachers Hold P.D. Day

Harvey Flaaestad led a simulated learning experience with a number of County of Beaver teachers during one of the special interest sessions at the P.D. Day held in Tofield last Friday.
Lysle Photo

Teachers throughout the County of Beaver gathered at C.W. Sears school in Tofield last Friday for their annual Professional Development Day. The P.D. Day is a joint project of the Board of Education of the County of Beaver and the Beaver Local of the Alberta Teachers' Association.

The theme for the day's activities was "Coping With the Learning Disabled Child". Victor Petruk, Chairman of the P.D. Committee, welcomed everyone to the day's activities, then introduced the opening speaker, Mr. Lal Mattre.

Following the opening address, teachers dispersed to one of three special morning sessions. These included "Building Remediation Materials", "Interpreting Psychological Test Results" and "Simulated Learning Experience". Each of these sessions was instructed by specialists in the various fields.

At the noon luncheon prepared by the ladies of the Tofield Legion, Superintendent Fred Reinholt, Education Board Chairman Charlie Sears, County Reeve George Knudsiien and P.D. Chairman Victor Petruk all brought greetings from their respective offices and hoped that everyone was enjoying the day.

Keith Robson, Principal of C.W. Sears School, introduced the guest speaker for the luncheon, Dr. Neil Gannon, formerly Superintendent of Schools for the County of Beaver and now Director of the Calgary Office of the Department of Education. Mr. Robson's introduction consisted of a "roasting" of Dr. Gannon.

In his address, Dr. Gannon urged the teachers to openly accept the handicapped child into the classroom. He suggested that there are going to be more handicapped children in the regular classroom during the 1980's. He said that if one of his four children were to be handicapped, he would want that child educated in the regular classroom.

Special sessions were again part of the afternoon sessions with "Simulated Learning Experiences" being repeated and "Reading Comprehension" and "Stress Management" being added. The final address of the day was presented by Mr. Bruce Uditsky who dealt with "Behavior Management".

Mr. Uditsky dealt with strategies which could be used to deal with the behavior of "problem children". Mr. Uditsky works with handicapped children and has found these strategies successful in dealing with behavior problems, and said that they were valid for all children.

The full day of activities was attended by the more than 100 teachers in the County, along with various County officials. Also part of the day was a workshop for the office staffs of the schools in the County.

Irma New Horizon Club Report

The regular monthly business meeting of the Irma New Horizons Club was held in the Drop-In Centre on Wednesday, February 6th. Attendance was somewhat below normal as a number of members took advantage of the mild weather to attend the Hereford Production Sale at the Long Hereford Ranch at Strawberry Plains.

The meeting was called to order by our President, Georgina Enger. The minutes of the previous business meeting were read and dealt with. Following this the treasurer's report was given and received.

The President gave her report on the meeting which she was delegated to attend in connection with the celebration of the province's 75th birthday. Her report was received with thanks.

At the conclusion of the business meeting a few hands of cards and scrabble were enjoyed, followed by lunch and visiting.

The second in a series of whist drives being sponsored by the Irma New Horizons club was held at the Drop-In Centre on Friday evening, February 8th.

There were ten tables playing. Mrs. Dolly Hearn of Hardisty was the lucky lady with the high score. Mamie Kellar won the consolation. Ed Haugen took the prize for mens top score, while Scott Kreshaw of Galahad took the consolation. Scott was visiting with Archie Cook. Lunch was served and the prizes awarded.

It was announced that all score cards would be kept and a grand prize would be awarded to the lady and gent with the highest total score at the end of the series. The next card party will be held in the Drop-In Centre on Friday evening, February 22, at 7:30 sharp.

Chacutenah Manor News

The Irma Brownie Pack, with their leaders, Mrs. Mitton and Mrs. Lesteski, visited the Manor on Wednesday evening. They presented a program, composed of songs, pantomine and a skit to an appreciative audience.

Following the program, several of the girls were presented with their One Year Service Pin by Mrs. Faye Smith, District Commissioner - Wainwright.

Mrs. Shirley Lovig, past leader of the group, was present. She was given a gift from the members in gratitude for her work with the girls and also one from the girls. Mrs. Smith presented her with a pin in recognition of her ten years of faithful service.

A beautiful wall hanging was given to the residents of the Manor by Mrs. Mitton on behalf of the girls. Mrs. Cockroft accepted the gift and thanked the Brownies and their Leaders for a most enjoyable evening. Mrs. Smith was also presented with a gift from the Brownie Pack.

A beautiful lunch supplied by the visitors brought the evening to a close. Thank you Brownies and please come again.

Irma News & Views

Delly Hearn of Hardisty has been visiting some of her friends and former neighbors in and around Irma. She stayed with Minnie and Jim Jackson and also visited with Arthur and Marilyn, Lorna and Eddie and others.

Isabel Bartholow of Sundre and son Norman visited with Isabel's parents, Minnie and Jim Jackson as well as Lorna and Eddie, daughter Joyce, and brother Arthur, Marilyn and family. They left for Sundre on Thursday. They report having 24 - 30 inches of snow at Sundre, quite satisfying for the skiing fans.

Wednesday, February 6th was a lovely day for the Long's Herefore Ranch third Production Sale of Registered Herefords. A large crowd was on hand for this annual event.

Top price for a bull was $2,950.00, paid by Roworth and Cameron of Czar for Wetmore Standard LHR 57K. They also bought Britisher Standard 1K at $2,600. Britisher Dermot LHR 32K went to E.R. Jackson of Irma at $2,450.

Top price for a heifer was $2,800, paid by Ralph Mauil of Metiskow for Britisher Jewell LHR 12K. Mr. Mauil took six of the top heifers at an average price of $2,166.

Volume buyers were N.J. Herefords of Taber with ten head. P.F.R.A., Regina with six head and Ralph Mauil, Metiskow with 6 head.

Long's Hereford Ranch extends thanks and appreciation to the repeat buyers and for the fine local support received by the sale.

Sympathy is extended to Ross and Ethel McFarland and family on the passing of Ross's sister Marjorie who passed away in Edmonton on Sunday, Feb. 10th.

Congratulations and best wishes to Dan and Brenda Lukens on the birth of their new little daughter. A sister for Gene and Donald.

The regular meeting of the Irma Home and School will be held next Monday, February 18th, at 8:00 p.m. Guest speaker will be Betty Norman, the speech therapist who works out of the Minburn-Vermilion Health Unit Office. Also keep in mind the home and school variety program which will be held on March 28, 1980.

Read Those Contracts!

Read any good contracts lately? More to the point, did you understand what you read?

"If you have ever bought a house or a car, borrowed money, applied for a credit card or purchased on the installment plan, you've signed a contract. How many times did you completely understand what you were signing?

Of course you knew that signing you name would result in your obtaining the goods. You almost certainly knew how much the monthly payments were going to be.

It doesn't take all those paragraphs of closely-spaced type, however, just to state the cost of the goods and the amount of each payment.

The rest of that forest of leagal jargon, with its clumps of "heretofores", "whereases" and party-of-the-first-parts", is not there merely to fill up the rest of the page. Your obligations to the vendor are being spelled out, and you'd better know exactly what they are or you could receive an unpleasant shock later on.'

Practically everyone would agree that one should not sign a contract without reading it, yet it is simply amazing how many people do just that. Or they skip over the parts they don't understand, accepting the salesman's assurance that everything is fine.

Whenever you are pressed to sign something you don't understand, you'll often experience a feeling of unease. Don't fight the feeling. It is your instinct for self-preservation talking, and it is giving you good advice.

Echo-Rodino Report

Several people took in the REA meeting held at the Wayne King home Monday night. The future electric services to our farms was discussed at length. Wes Bauer and Cecil Lockhard were appointed as the two new directors to the line.

Clarence Hunter and Kathy Heggie of Edmonton were visitors to the Williams home last weekend.

Bob Williams and Everett Greenwood took in a day of ice fishing at Mann Lake.

Doreen Prosser travelled to Edmonton for a day of shopping.

Mr. and Mrs. Ken Robinson of Barrhead favored the Robert Holler home with a weekend of visiting.

Gerald Hunter and Charlene Melnyk of Calgary called in at the Williams home for the weekend and Bob and Gerald gave the children a treat by taking them ice fishing at Shuster Lake on Sunday.

Leslie Greenwood enjoyed a weekend at the home of Mr. and Mrs. Tom Nett.

Mr. and Mrs. Phil Holt took in the Western Stockgrowers Convention in Edmonton last weekend. A guest speaker on the subject of the 5th quarter of the animal (the items that are also used such as glands, hide, hoofs, etc.) was on hand. Billie Hart of California filled this position. Mrs Holt will be in possession of a recording of the speech and photos in about a week. They may be borrowed to any club or organization that would like to have them for their meeting.

Rita Greenwood and Brent Hafso of Edmonton were visitors to the Bruce Greenwood home.

Several members of the Rodino Country Club gathered at the Prosser home on Sunday evening to give a farewell gift to Andy and Lori Sparry who have left our club and moved their home to Calgary. Best of luck to the Sparry's in their new home in Calgary.

A New Look At Quackgrass

Quackgrass is a persistent weed found in both farm fields and home gardens across Canada. So far, no herbicides has been found 100 per cent effective in controlling this widespread pest.

Gordon McIntyre, a botanist at Agriculture Canada's Research Station in Regina, Saskatchewan, has decided to take a new approach to control of this costly weed.

Dr. McIntyre is studying the plant's life cycle instead of working directly with herbicides. He is looking for ways the plant's growth can be used against it.

The secret to success for quackgrass is the way it grows. Along with a root system, quackgrass has a system of underground stem like rhizomes with a number of buds or growing points.

"Most of these buds remain dormant when the plant is growing undisturbed. But if the rhizome is broken up by cultivation, many of the buds become active and can develope into shoots from which more rhizomes are produced, "Dr. Mcintyre explained.

"A good supply of moisture is very important to start growth".

Herbicides are not 100 per cent effective because even if they penetrate the rhizomes they are only absorbed into the actively growing areas of the plant and not the dormant buds. The unaffected buds can grow whenever conditions are suitable.

Dr. McIntyre's work revolves around finding a way to influence the behavior of the buds. He is trying either to stimulate their growth so they can absorb more of the herbicide or to keep them dormant even after the rhizomes have been broken up by cultivation.

"I believe the primary cause of bud dormancy is the inability of the buds to compete successfully with other parts of the plant for water and nutrients," Dr. McIntyre says.

He has shown in the laboratory that when quackgrass is grown under very high humidity or in very moist vermiculite, all parts of the plant grow including the dormant buds. The buds go dormant only when the competition for water is great.

Dr. McIntyre is continuing his studies by using various forms of nitrogen on the grass to see how this affects the dormant buds and their response to foliar-applied herbicides. If he can find a way to make all the buds grow or to prolong their natural dormancy, quackgrass could be controlled more effectively.

Please note that as there are now two D.A.'s in Ryley we are going to keep the Viking office open every Wednesday from the hours of 10 until 3 on a regular basis.

Looking Back . . .

Pictured above is Percy Main and mule on the first milk delivery route in Viking. The exact date of the picture is not known but an approximate time would be the late 20's or early 30's. Following in the next two issues of the paper we will have pictures of the two milk delivery services which followed Percy Main's mule delivery.

Character

The features a man wears on his head
Reflects the character behind,
What in his favour may be said
And clues to read a stranger's mind.

Is he an Able or a Cain
One or the other, more or less

But when in doubt look twice again....
Lest ignorance deceives the guess.

Discerning judges many trend
questing the evidences of clue
And probe the spirit in the head
More likely to be true.

In Memoriam

In loving memory of a beloved husband, father and grandfather, Mario Piccia who passed away February 19, 1978.
Memories are like threads of gold,
They never tarnish or grow old.
Sadly missed by wife Helen, Daughter Rena Mae, Son-in-law John and Grandchildren 1p

IN MEMORIAM
In loving memory of Jos Hooper, husband, father and grandfather, who passed away on February 6, 1967.
Softly the leaves of memory fall,
Gently we gather and treasure them all,
Unseen, unheard you are always near.
So loved, so missed, so very dear.
Today, tomorrow our whole lives through,
We will always love and remember you.
Lovingly remembered and sadly missed.
Mrs. Mary Hooper
and all the family 1p

IN MEMORIAM
In loving memory of Gordon D'Arcy, who passed away on February 16, 1970.
His smiling way and pleasant ways,
Are a pleasure to recall;
He had a kindly word for each,
He died beloved by all.
Some day we hope to meet him,
Some day, we know not when
To clasp his hand in the better land,
Never to part again.
Fondly remembered and missed by wife Isabelle. 1p

Memorial Donations to Viking Lodge Memorial Fund
In memory of Mr. Carl Theogs from Albert Whitford, Mr. and Mrs. P. Dinsiyk. 1p

Card of Thanks

We would like to extend our deepest thanks to the staff at the Parkland Nursing Home for all their help in organizing the 100th Birthday Party for our parent, grandmother, great-grandmother, Theresa Block. A special thank you to everyone who came to the open house, sent flowers and gifts and helped in any way. Your thoughtfulness will always be remembered.
The Rabby family 1p

CARD OF THANKS
I wish to say a big thank you to each and everyone for the many kindnesses shown to me while I was a patient in the Viking Hospital. To those who visited me, for the baskets of fruit etc. from the Alltown Church ladies in Irma, for the flowers from the Sharon ladies in Irma, and for the many beautiful get well cards and for those who looked after things at home especially my granddaughter Sonja. A special thanks to the doctors and nurses for their wonderful care and thanks for your prayers. It was all very much appreciated and again I say a sincere thank you.
Sincerely
Jean Withall 1p

CARD OF THANKS
The family of the late Benny Pasnak, farmer of Holden, who passed away suddenly on February 9, 1980, at his farm home wish to express thanks to relatives, friends and neighbors, ambulance driver and attendant for their many acts of kindness, expressions of sympathy, spiritual offerings, floral tributes, phone calls, the Catholic Ladies Aide, everyone who donated and gave food etc. and those who came to prayer and burial services. Special thanks to the Viking doctors and nursing staff and Father Adamyk, the pallbearers, Mr. John Stachyshki assisting in church mass, Rev. Fathers Beretski and Father Hnynorowich of Edmonton, Mount Pleasant Funeral Chapel of Camrose. To all, you were a great help to our family during this trying time.
The Pasnak family 1c

CARD OF THANKS
We wish to express our heartfelt thanks to our many friends and relatives for their kindness and expressions of sympathy, flowers, memorials, cards and food which was brought to the house. We would also like to thank the doctors and nurses of the Viking General Hospital and the University Hospital in Edmonton. Also Father John Adamyk, Mrs Berh Maizer and the ladies of the C.W.L. for the lovely lunch, the pallbearers and Earl Kjeland of Ronaghan Funeral Home.
Lena Brenda and family 1 c

Kinsella School Reunion 1979

The final meeting of the Kinsella School Reunion '79 Committee was held on February 5, 1980 with five members present.

The statement of receipts and expenditures was finalised, showing the total of receipts to be $5,279.52, with expenses totalling $4,513.82, leaving a balance of $865.70.

The original intention for the use of excess funds was to make a donation to the new Viking General Hospital, plus a donation to the Kinsella Culture and Recreation Board for the use of their facilities for the week-end of the School reunion last July.

On Friday, February 8th, 1980 a cheque for $700.00 made payable to the Viking General Hospital Equipment fund was presented to Mr. Jack Roddick by committee members Dawn Hodgins, Ray Johnston and Dianne Dobry. Ray accepted a cheque for $165.70 on behalf of the Kinsella Culture and Recreation Board.

The Reunion Committee, Warren and Dawn Hodgins, Doreen Prosser, Ray Johnston, Doug and Dianne Dobry, wish to thank the many people who helped in any way to make the Kinsella School Reunion '79 a success.

On Friday of the past week members of the Kinsella School Reunion 1979 Committee presented a $700.00 cheque to Jack Roddick for the Viking General Hospital Equipment fund. The reunion committee also donated a cheque in the amount of $165.70 to the Kinsella Culture and Recreation Board. Committee members (left to right) Ray Johnston, Dianne Dobry, Dawn Hodgins and hospital board chairman Jack Roddick. Staff Photo

Irma Residents Shocked By Brutal Death Of Spoon

The residents of Irma were shocked, horrified and saddened by the news on Tuesday, February 5th, of the brutal murder of Henry Alexander (Pat) Spooner.

His body was found in a garbage bin at the rear of the Co-op Hatchery in Edmonton where Pat had been employed for the past ten years.

At the time of his brutal murder he was night watchman. He became missing at approximately 2 a.m. After an intensive search, his body was finally discovered neatly covered with garbage in a garbage bin behind the hatchery. Two teenagers are in custody charged with first degree murder.

Several car loads of friends and former neighbors attended the funeral from St. Matthews Catholic Church at 132 Avenue and 86 Street in Edmonton. Service was held on Friday, February 8th. Pat leaves to mourn his passing, his widow Joan, three daughters, Catherine, Doreen and Margaret and their husbands; 12 grandchildren, brothers and sisters; cousins and a host of friends in Carstairs, Irma and Edmonton.

Park Memorial of Edmonton was in charge of all arrangements.

Clarence Brenda Passes Suddenly

Clarence Raymond Brenda passed away very suddenly on December 30, 1979, at the University Hospital in Edmonton.

Funeral services were held January 2, 1980 at the Holy Heart of Mary Roman Catholic Church in Viking with Father John Adamyk officiating.

Clarence Brenda was born in Viking on September 4, 1937 to Lena Brenda and the late Michael Brenda. He attended Haydon, Crocus Hill and Iron Creek Schools.

Clarence farmed with his father and brother Joe until 1964, when he moved to Viking. At the time of his passing he was associated with Cliff's Construction.

Clarence was a member of the Bruce Stampede Association, the Elks Lodge of Strome and the Viking Legion.

He is survived by his mother Lena, three brothers Rudy of Three Hills, Ed of Fort St. John, B.C. and Joe of Viking; two sisters, Louise (Mrs. Cliff Magee) of Camrose and Shirley (Mrs. Ed Bakke) of Regina, Saskatchewan; six nephews, four nieces, one great niece and several aunts, uncles and cousins.

He was predecessed by his father Mike in 1964, a sister and a brother.

Pallbearers were Todd Hartl, Reg Gregory, Andy Jakubec, Norm Meinyk, Marion Marcinkoski and Bud Hanson.

Interment was held in the Viking Cemetery with Ronaghan Funeral Home in charge of all arrangements.

Rejoice Together

Paszkowski Succeeds Loveseth Of Arga As President

At the conclusion of the ninth annual meeting of the Alberta Rapeseed Growers' Association (ARGA) in Edmonton Friday, Walter Paszkowski of Sexsmith was elected president for a one-year term.

Mr. Paszkowski formerly ARGA vice-president, succeeds Einar Loveseth of Viking, president for the past three years. Mr. Loveseth, a founding member, also served as a director and vice-president for three years before being elected president.

Albert Schatzke of Stony Plain was elected vice-president for the ensuing year.

The two day convention at the Edmonton Plaza Hotel closed with an address by Dr. Hugh Horner, federal grain transport co-ordinator who promised more involvement by western provinces in decisions related to the movement of prairie grains to sea ports.

Dr. Horner said the western provinces are already deeply involved in the movement of grain through investments in hopper cars and announced plans for the opening of a suboffice in Edmonton this month to coordinate activities in the province, to be followed by the opening of a similar office in Regina within a few weeks.

Concern about high freight rates on canola (rapeseed) meal and oil processed in western Canada resulted in support for a resolution calling for implementation of freight rate parity immediately so that the western Canadian crushing industry has access to markets while debate on the "crow rates" is being resolved.

Present freight rates for meal and oil are approximately four times the rate for unprocessed seed, effectively discouraging processing in western Canada, the convention was told. It was stated that both the federal and provincial governments acknowledge the freight rate disparity but are reluctant to move until an overall solution to the "crow rates dispute" is found.

The resolution also insisted that freight rate parity between canola seed and products is fundamental to any acceptable long-term solution to the crow rate problem.

In his annual report to the convention, retiring President Einar Loveseth pointed to canola as the agricultural success story of the decade. From its struggling beginning in the early 70's, canola rose to become established as the second highest cash crop in western Canada last year with production valued at close to one and a half billion dollars.

Mr. Loveseth noted that canola's success over the past ten years was highlighted by the change to double zero varieties that are low in erucic acid and glucosinolate; the construction of additional crushing facilities in Alberta; and improved storage and transportation.

Visits last year by trade missions from Korea, China, Japan and Taiwan resulted in committments to purchase meal and hold prospects for oil sales in the future Mr. Loveseth said.

Quinte W.I. Report

There were nine members and two guests at the last Quinte W.I. meeting held on Thursday, January 24th at 8:00 p.m. at the home of Mrs. Cleora Darling.

The meeting was opened with the reading of the W.I. Creed. The secretary's and treasurer's reports were presented next.

A discussion on new business followed. This included our district II Conference to be held in Edmonton on February 27th and 28th and our next two card parties one being held on January 28th and the second on February 14th at 8:00 p.m. at the Youth Centre of the Viking Caress.

Correspondence was handled next and included two thank you cards - one from the Parkland Nursing Home for the flowers at Christmas which were sent to two retired W.I. members who are patients there; and the other card being sent from Bruce Leidl for the gift he received from the Quinte W.I. while a patient in the Hospital prior to Christmas.

Mrs. Angela Johnston and Mrs. Elsie Heslop of the visiting committee gave their report and a new committee of Mrs. Mary Leidl and Mrs. Ethel Masankowski was appointed for the coming month.

For roll call this month each member had to tell "What I see from my kitchen window" as their names were called.

The draw for the birthday box was held next and the winner for this month was Mrs. Lois Crouse.

The meeting was then adjourned by Mrs. Lois Crouse and the evening was concluded with coffee and lunch. **Mrs. Mary Leidl.**

Nursing Home News

In to see his grandfather Mr. Zemanek, was Ron Veltisar.

Jim and Clarence Horiech visited with Mr. Mike Piwowar.

Visiting with Lars Ritland last week were Terry and Jason Lusk, Olive and Ernie Good, Jackie Good of California and Mr.A. L. Gibson.

Donald Carson from Killam was in to visit with Dave Anderson.

Mrs. Zelda Giebelhaus was in to see Mrs. Haeberle.

Saturday was open house for Mrs. Theresa Mack who celebrated her 100th birthday. Helping her celebrate were Harry and Mabel Haydon, Jaci Carl, Henry and Fern Rabby, Barbara Pandrich, Glen, Pat, Rhonda and Lynette Rabby, Tony and Phillis Rabby, Marie Hanson and Mary Kabosh. Our very least visitors were Theresa.

Ann and Armand Cartwright visited with Mrs. Dora Cartwright.

Ann and Vern Onubko called on Fred Onubko.

Mr. and Mrs. Clarence Horineck visited with Miss Klatt and Mike Piwowar.

Anne and Nick Tkaczyk of Edmonton called on Mrs. Tchir, Mrs. Pasnak and Mr. Ritland.

Mr. and Mrs. Ward and family of Edmonton visited with Mrs. Mabel Ward.

Mr. and Mrs. R. Laube and family and Helen and Annie Laube called on Mr. Laube on Sunday.

Steve and Ella Onubko of Edmonton visited with Fred Onubko.

Jim and Agnes Knudson of Irma visited with friends.

Get well wishes to Mr. Frank Murray who is in the hospital here.

Welcome home to Mr. Benson who had a short stay in the hospital.

Viking Mites Win League Trophy

The Mite division of the Battle River Minor Hockey League has been completed for the 1979 - 80 season with the Viking Mites again capturing the trophy in the final game.

Killam, finishing in top place in league action, met with Daysland in a semi-final play-off on Thursday, February 7th. The same night Viking, bedding second place, travelled to Killam to meet with Forestburg. Both games were rather one sided with Killam defeating Daysland and Viking defeating Forestburg by a 24-1 score.

Quite a crowd of Viking fans were on hand to watch the Killam and Viking teams battle it out for the League Trophy. Killam had previously met and defeated Viking in all four of the season's games. Going off the ice after the first period it appeared that Killam was headed for "five" skating away with a 2-0 lead.

Viking seemed to shed their "fear" in the second. Playing hard, Antos fired one into the net which really sparked the Viking team. By the time the second period had ended, Haeberle and Taylor had both scored singles, and goalie Robert Kamphuis had held the Killam team to a single goal, leaving the score at 2-2.

In the third both teams showed determination and fought hard for the tie breaker. This resulted in both teams netting a single goal each to end regulation game at 4-4. Antos again scored for Viking.

A ten minute stop-time period was called, to be followed up with a sudden-death situation if necessary. Killam emerged from the dressing room spirits high - Viking, looking somewhat less enthusiastic pulled themselves together at the drop of the puck. End to end, back and forth, with some extremely close calls. Suspense - then with less than two minutes remaining in the overtime period, Antos secured the trophy for Viking. The team were tired, all had played hard, and a more exciting game would be hard to imagine. Congratulations Viking.

Jerry Newton of Daysland, President of Battle River Minor Hockey League presents league trophy to Dean Haeberle.

Irma Tom Thumb Report

On Wednesday, February 6th, the Irma Tom Thumb team took on the Innisfree boys. The teams were quite evenly matched and each fought hard to keep on top.

When the third period buzzer sounded, Irma was on the top half of a 3-2 score. Goals for Irma were scored by Greg MacKay, the second by Stacey Larsen on an assist from Troy Ronjum and the third goal by Lenny Larsen. Points for Innisfree were handled by D. Fowler on an assist from K. Kuzio and the second by O. Graban assisted by J. Gussowski.

On Saturday, February 9th, Wainwright was in Irma and overtook Irma by a score of 4-1.

Irma's lone goal was scored by Greg MacKay. Wainwright goals were scored by T. Courte, D. Brietkreitz, and two by J. Bzowy.

Irma's goalie Jody Costall had his hockey season come to an abrupt halt when he had the misfortune of falling at the playgrounds and breaking his wrist as well as receiving a severe cut on his forehead.

We wish you a speedy recovery Jody and will all miss you out on the ice.

Viking Pee Wee Review

The Viking Pee Wee's had three games this past weekend, two league and one exhibition and were successful in winning all.

On February 7th, they defeated Daysland 8 - 1. Goals were scored by Antos who led the way with a hat-trick. Singles were picked up by Lawes, Rauser, Tkaczyk, Vitek and Place. Assisting on goals were Place, Keith, Lawes and Antos.

Sedgewick visited Viking on February 8th with Viking capitalizing in the scoring department, leaving the Sedgewick team on the trailing end of a 15 - 1 score. Goals in this one went to Clouston with 4, Keith 2, Antos 2, Winter 2, and singles to Tkaczyk, Majeski and Krips. Assists were picked up by Ash 1, Place 2, Clouston 2, Tkaczyk 3, Malowany 1, Antos 2, Keith 2, Winter 1, Vitek 1, and Lawes 1.

Sunday the team travelled to Irma for an exhibition game with Irma Wainwright. The end of the first period saw Wainwright leading 4 -1. The second period saw our boys put 6 goals away and Wainwright 3, the score board now showing 7-7. In the third period Viking put away 4 more and Wainwright 1, giving Viking an 11-8 win.

Scoring in this game were Antos with 5 and singles to Clouston, Place, Vitek, Majeski, Keith and Lawes. Assists went to Vitek, Clouston, and Majeski - 2 each, and singles to Lawes, Antos, and Tkaczyk.

On Sunday, February 17, Irma-Wainwright will pay a return visit to Viking at 5:00 p.m. The Viking Edm Pee Wee team will play their first game of Provincial Zone Playoffs on Saturday, Feb. 23 at 5:30 p.m. against Elk Point. This game will be played at the Carena. See you there.

Viking Bantams Defeat Killam

Viking Bantams unofficially moved into first place, to date, in their league when they defeated Killam 7 - 4 in a game played in Killam on Tuesday, February 5.

Viking led 2-1 at the end of the first period. Ken Ciksiuk and Ian Erickson each got a goal and an assist for Viking while Ron Carruth scored for Killam.

In the second period, Ian Erickson added a goal for Viking with the assist going to Dan Arychuk. Ron Carruth scored his second and third goal for Killam. Bill Knodel made it 4 - 3 for Killam before the period ended.

Viking scored all 4 goals of the third period. Rocky Hanson tied the score with an unassisted goal. Ian Erickson also score unassisted. Dan Arychuk added two more with assists going to Ian Erickson and Ken Ciksiuk.

Irma Aces Fare Well Despite Injuries

On Thursday, January 25, the Aces travelled to Daysland and came out on the wrong end of an 8-5 score. Joe Holt, Morgan Jones, Brian Burr, Kevin MacKay and Wayne Leskow handled the scoring for the Aces with Brent Fischer and Morgan Jones managing two assists and Wayne Leskow, Dale Tomlinson, Al Fenton, Garnet MacKay and Joe Holt all tallying for one.

Once again, the teams were even in the penalty assessment, with 8 minors and 1 major near the end of the game which led to an office skirmish between Wayne Leskow and some Daysland fans. John Newton and the rest of the Aces were soon on the scene.

The following Saturday, Irma hosted the Rosalind A's and handed them a 6-1 defeat. The scoring for Irma was evenly distributed with Brian Burr, Jay Fenton, Garnet MacKay, Ken Ford, Wayne Leskow and Turk Gulbraa all bagging one each.

Wayne Leskow also picked up two assists while Al Fenton, Dale Tomlinson, Jay Fenton and Marvin Holt helped on one apiece. The game was quite chippy with 14 minors and 1 major going to the Aces, and 13 minors, 1 major and 1 misconduct going to Rosalind. Bob Allen played well in net for Irma turning aside 21 shots, while Rosalind's Gord Hauser stopped 36 shots.

On Monday, the Lougheed Roadrunners came to town and were beat to the tune of 7-0. Wayne Leskow led the attack with two markers, while Bill Newton, Marvin Holt, Garnet MacKay, Joe Holt and Brent Fischer picked up one. Ken Ford, Jay Fenton, Morgan Jones and Wayne Leskow had two assists; Garnet MacKay, Kevin MacKay, Joe Holt and Gord Holt each had one helper. 4 minors and 1 major were assessed to the Aces; Lougheed receiving 7 minors. Bob Allen recorded his first shut out of the season, stopping 30 shots while Lougheed's Allan Sutter turned away 47 shots.

On the following Wednesday, the Aces journeyed to Hardisty and were soundly defeated 8 - 3. Scoring for Irma were Al Fenton, Morgan Jones and Brian Burr. Dale Tomlinson, Wayne Leskow, Brent Fischer, Kevin Mackay and MacKay each had one assist.

Hardisty totally dominated the game with Gary Bromly leading the way with 7 points. The Aces picked up 7 minor penalties while Hardisty received 7 minors.

The following night, Irma travelled to Hughenden and came out on top of a 4 - 1 score. All the Ace's goals came in the first period with Gord Holt finding the net twice and Wayne Leskow and Garnet MacKay each scoring once. Al Fenton had two assists with Brent Fischer, Wayne Leskow, and Morgan Jones managing one each. Irma had 11 minors to Hughenden's 7 minors. Ivan Bacon played well in net for Irma, stopping at least three break-aways.

On February 2, the Aces headed to the Sedgewick shoe-box to take on the Sabres and manages to come away with a 7-7 tie. This game was a thriller as the Aces were down 5 - 1 at one point but came back to tie it late in the game. Team captain Al Fenton led the way with 2 goals, singles went to Mervin MacKay, Morgan Jones, Gord Holt, Brian Burr and Garnet MacKay. Gord Holt picked up 3 assists and Morgan Jones helped on 2. Singles went to Kevin MacKay, Al Fenton, Wayne Leskow, Joe Holt and Brian Burr.

Once again, these two teams filled up the game sheet with penalties. The Aces had 18 minors plus 2 majors. The Sabres had 16 minors, 2 majors and a game misconduct.

The Hughenden Jets came to town on the 4th and handily defeated the Aces 7-2. There is not much to talk about in this game. The Aces just seemed to have had luck at every turn and only managed two quick goals in the third period by Brian Burr and Garnet MacKay. Marvin Holt, Gord Holt, Brian Burr and Dale Tomlinson all drew assists. Ivan Bacon didn't have much help in the net but still managed to turn away 24 shots. The Aces replied with 28 shots on Hughenden. 10 minor penalties were assessed to Irma while Hughenden received 12 minors.

The Aces travelled to Rosalind for a catch-up game on Wednesday and came away with a 6-6 tie. Rosalind had the game in the bag for the first two and a half periods but one of their players knocked over goalie Ivan Bacon and got himself beat up for it. Jay Fenton doing the damage. This seemed to wake the Aces up and with 10 minutes left and the score at 6-1, the Aces started their come back. With just over a minute left, hard-working Al Fenton, tied it with his second of the night. Morgan Jones drove in two while Wayne Leskow and Gord Holt dug in for one each. Gord Holt, Garnet MacKay and Morgan Jones had two assists each with Marvin Holt, Al Fenton and Brian Burr picking up one each.

Bob Allen had been scheduled to start the game but he got shot between the eyes in the warm-up and had to go to Daysland for stitches. Ivan Bacon filled in well and came up with some key saves near the end of the game to preserve the tie. The Aces had nine minors, two majors and one game misconduct. Rosalind received 11 minors and 2 majors.

On Saturday, February 9th, Irma hosted Forestburg for the first time this year and were thumped 9 - 3. Mervin MacKay, Brian Burr and Brent Fischer scored for the Aces; Gord Holt picked up two assists and Dale Tomlinson, Garnet MacKay and Brent Fischer all got one each. The Aces had 5 minors and 1 major while Forestburg received 5 minors in what was a fairly clean game. Goalie Bob Allen got in front of 34 shots while Forestburg's Jeff Collyer handled 25.

On Sunday night the Aces journeyed to Hughenden for a catch-up game and were beaten 5-2. This was an important game as the two teams were very close in standings. There was no game sheet available at this time.

Fun support for the Aces has been great in both home and away games. The Aces have been having a hard time lately due to a rash of injuries to key players and it seems that if something can go wrong, it will. Hopefully, things will be straightened out by play-off time.

MYTHS, MISTAKES & MIXUPS

In any area as critical as energy conservation there are bound to be fables. Here are some common errors.

"A garbage disposal needs hot water to work right."
No. Use cold water. Hot water liquifies grease, causing build-up in the piping.

"Hot water has to be at least 71°C."
A water temperature of 60°C is adequate for hot water purposes.

"All television sets use about the same amount of power."
Wrong. Colour sets consume more electricity than black and white.

Break the myths! Send for your complimentary Energy Kit. Write to ENERGY MANAGEMENT SERVICES, Box 1900, Calgary, Alberta T2P 2M1

Viking Vixons Win County For 9th Consecutive Year

The Vixens took part in the Annual County Basketball Tournament last weekend, February 16th in Viking.

The action all began at nine o'clock when the Tofield Titans played the Ryley team. Ryley won this game 21-19 to enter into the finals against the Viking Vixens.

The Viking girls under the coaching of Mr. P. Pon hadn't lost a game all season in the county which put them into first place. This gave them a by in the tournament playing only one game "the final".

The game started at 12 noon. Viking took control of the game early with a 16 - 10 half time spurt. As they led the way to a 31 - 23 victory it became certain that Viking would again be sporting the trophy. Their win brough Viking the trophy for the 9th consecutive year.

High pointers for the game were Connie Slavik, hitting the hoop for 11 points, Angela Mattinson adding 7 points, Tracey Midbo trailing with 6 points, Cheryl Giroux with 4 points, Lyan Naslund with 2 points and Alana Fouts with 1 point. The Viking Vixens and the Viking Norsemen play their next game next weekend, February 23, in the Viking Gymnasium, where the Regionals will take place.

Action all starts at 9:00 in the morning with teams from Provost, Hughenden, Wainwright, and Viking all participating and battling it out to see which team goes to the zones on the first of March. So, come out and support your team. We'll be expecting you there.

Members of the Viking Vixons basketball team which won its 9th consecutive County of Beaver championship last Saturday include (Back row, L. to R.) Coach Ping Pon, Lyan Naslund, Sonya Watson, Melanie Mattinson, Dariese Laskosky, and Alana Fouts, and (Front row, L. to R.) Tracey Midbo, Debbie Sloboda, Connie Slavik, and Cheryl Giroux.

Holden Residents In Support Of Library

Another project for the Village of Holden has begun to take form. How many of the local residents would find a local library an asset and a convenience? Anyone interested in having a library established in the Village of Holden are asked to telephone Pearl Allan or Anna Shavchook.

Mrs. Pearl Allan advises that there is a Village Library in Ryley which opens one day a week. A similar type of library could be set up in Holden if there is enough interest and demand for such a project. Almost everyone is interested in reading of one type or another. Many village and surrounding Holden residents go out of town for books.

Mrs. Allan and Mrs. Shavchook feel that a Public Library would be nice in our village. Mrs. Shavchook has carried out a telephone survey in a single day phoned over thirty people who were delighted to have their names listed as "We want a Library".

We now hope to receive the support of the Holden Chamber of Commerce and the Village Council as well as other residents.

Range Control Program Launched

Albertans will soon notice a new sign in rural areas of the province, commented Stan Wilson Chairman of the Alberta Cattle Commission.

Bright yellow fence and gate post signs indicating to travellers that they are in a Range Patrol area will become a part of the rural landscape this spring. These signs, Wilson went on to say, are a part of a program designed to create an awareness and better understanding of the laws with regard to property and trespass.

The Range Patrol Program, A Division of Rural Crime Watch will go into effect province-wide on February 15, 1980. Jointly sponsored by the Alberta Cattle Commission, the Western Stock Growers Association and the RCMP, Range Patrol is a voluntary program involving rural residents working in cooperation with their local RCMP detachment.

Last September cattle producers and the RCMP Detachments of Nanton, Cochrane, Didsbury and Provost initiated pilot projects to test the concept of rural crime prevention. Statistics collected by the RCMP show a noticeable decline in willful property damage and theft.

The number of cattle not-accounted-for in these areas is down from the same period in 1978. The Range Patrol program has enhanced communications between the RCMP Detachments and rural residents, as well as fostering greater co-operation among producers. The program has created a more responsible attitude toward property owners' rights is posted Range Patrol areas.

Rural residents wishing to start a Range Patrol program are required to be members in a Rural Crime Watch Association. Details and guidelines on organizing and running an Association can be made available upon request. RCMP Detachment personnel along with members of the cattle organizing new Association organizations will assist in

These signs may become more evident in our area as residents participate in the newly-formed "Range Patrol" program.

Maple Sugar To Perform

"Maple Sugar", a truly Canadian heritage group, will be performing at the Beaver Regional Arts Centre in Holden on Sunday, March 2 at 2 p.m.

The group designs its concerts around the musical heritage of the founding cultures of Canada. Their repertoire includes upbeat step-dancing, folk songs, and fiddle tunes, representing styles from all parts of Canada.

The size of the group will vary, depending upon the concert to be given. "Maple Sugar" can draw from over thirty singers, dancers, callers, folklorists and instrumentalists representing both the French and English musical traditions of Canada.

"Maple Sugar" members have made records for the Springwater label and "The Canadian" magazine called them "Canadian Soul Music".

Resounding Win For Mazankowski

Don Mazankowski of Vegreville will once again represent the people in the Vegreville constituency in the House of Commons in Ottawa.

Mr. Mazankowski defeated his nearest rival in the February 18th election by over 21,000 votes. The vote total for the M.P. was 25,600 compared to 4,283 for the Liberal candidate, Florence Rachansky.

In third place in the balloting was the N.D.P. candidate, Henry Mandelbaum, who collected 3,159 votes. Next came Alex Gordey of Vegreville who polled 599 votes, while the Rhinoceros candidate, Carl Hohol of Lavoy, collected 369.

The Communist Party of Canada candidate, Bill Tuomi of Edmonton, collected a total of 169 votes from electors in the Vegreville constituency.

Irma Home And School To Host Variety Program

Monday, February 18th, the Irma Home and School held their regular monthly meeting. The regular business was tended to first.

The variety program is scheduled for March 28th and is to begin at 7:30 p.m. Admission is set at $2.00 for adults, $1.00 for students and 50 cents for those 12 years old and under. Mrs. Josie Holt, heading the program committee reported that plans are well underway.

The Anniversary Committee asked if the Home and School would undertake the job of getting the names of people who have lived in Irma during the past 70 years. The purpose being to have invitations sent out for Irma's homecoming celebrations. It was decided that the Home and School would do their best to complete this job. If you have names of anyone that you know lived in Irma at any time, please phone either Louisa Prosser, Jack MacKay or Rob Jones.

There was some discussion as to where money would be best spent that could be received from the Anniversary Fund. It was decided that improvements such as more speakers to the P.A. System in the gym and the building of tables to be stored in the gym were felt to be two good ways to invest any money received.

Eva Pastor representative of the program committee then introduced Betty Norman, a speech therapist who works out of the Wainwright office of the Minburn Vermilion Health Unit.

Betty gave us a summary of her job as speech therapist. It was interesting to note that she treats all ages. School children may be referred by the Health Nurse or a teacher. Betty does an evaluation to determine the problem and treatment if necessary. There are probably many of us who are not even aware that such a service is available in our area. So we would like to thank Betty Norman for bringing us this information and making us more aware of what is available to us. Questions and discussion followed over an informal cup of coffee.

Please note that the next regular Home and School meeting will be held on Wednesday, March 12. School evaluators will be in attendance at this meeting so do plan to attend.

Irma U.C.W. Meeting

The regular meeting of the Irma United Church Women was held in the church parlor on Tuesday, January 29th, at 8:00 p.m. with President Mrs. Edith Wilson presiding.

Everyone was welcomed, after which we all repeated the Prayer Purpose. Mrs. Dorcas Coffin gave devotions, her topic being "Jesus the Hope of the World".

The Scripture lesson was read from Rev. Ch 3, verses 8-8, 19-22, also John Ch 10, verses 9-16.

We sang Hymn No. 17, after which we read Hymn No. 273, prayer in unison after which followed a short prayer by Mrs. Coffin.

Our program was a short resume of the duties of the committee chairwoman. Roll call was answered by 12 members. After a short discussion, it was agreed that we have our "new-to-you" sale on Saturday, April 26.

Mrs. Prosser moved our meeting be adjourned.

Our next meeting is to be held on Tuesday evening, February 26th, at 8:00 p.m.

Devotions - Mrs. M. Dempsey, Program - Mrs. L. Prosser. Everyone is welcome.

Irma News

Mr. Frank Baska who farmed south of Irma for over forty years before retiring to Provost, passed away on Sunday morning, February 17th in the Provost hospital. The funeral will be held from the Hardisty Catholic church at 11 a.m. on Wednesday, February 20th. Frank came from Hungary to Canada in 1926.

Nita and Jim Bartholow and boys Ryan and Brent visited Jim's grandparents, Minnie and Jim Jackson over the weekend. They also visited with Jim's sister, Joyce, and uncles Eddie, Arthur and families.

Phyllis and Rick Hammond arrived at the home of Phyllis's parents Lorna and Eddie Jackson during the week after spending almost two months soaking up the sun in Tahiti (where they informed us that only tourists pay taxes). They also spent a few weeks enjoying Hawaii. Phyllis and Rick left by train from Wainwright on Saturday afternoon. They will travel to Brandon where they will visit briefly before continuing to their home in Winnipeg.

Village Of Irma Regular Meeting Held

The Council of the Village of Irma met in regular meeting in the Village Office on Tuesday, February 5, 1980.

Present for meeting were councillors Barber, Dempsey, Jackson, Larson and Littlewood. Also present was the Municipal Administrator, D.D. Creasy. Mayor Larson was in the chair and called the meeting to order at 7:10 p.m.

Moved by Councillor Littlewood that the minutes from the January 2, 1980 regular meeting be adopted as circulated. Councillor Barber said that he does not feel that the minutes accurately record the proceedings of the meeting, that he did not say that he was a council member in 1967, the Centennial year, and that nothing was said about him being on council at that time.

After further deliberations Councillor Littlewood moved that a tape recorder be purchased to record discussions of the meetings in full. Tabled until later in the meeting.

Councillor Barber "I told you I do not agree with the minutes, as listed for the simple reason that I do not know how you got the last part of the paragraph in the first place. That I further disagree with the C2 Zoning on Highway #14". He asked that a copy of the letter to the property owners be read. The letter was read as requested, and Mayor Larson said that in his opinion the letter clarified the matter in question. The motion accepting the minutes as circulated was seconded by Clr. Dempsey and carried. Clr. Barber opposed.

It was moved by Clr. Barber that the foregoing discussion from the minutes be published in full. Seconded by Clr. Jackson. Carried. Larson and Dempsey opposed.

It was moved that the schedule of receipts as presented be approved for payment. Carried.

Moved that the accounts for the month of January as presented be approved for payment. Carried.

The financial statement for the month ending January 31, 1980 reads as follows: Net balance at the end of the previous month - $6,820.72. Receipts for the month $7,002.56. T.D.R. Matured - $10,000.00. Disbursements for the month - $23,239.44. Net balance at the end of the month $563.44.

It was moved that the financial statement as presented be approved. Carried. Presented be approved. Carried.

Committee: Mr. J. A. Smallwood representing the Municipal District of Wainwright No. 61 was present regarding a statement of claim for the sewer line to the new grader shed. He said that there had been an error in the original invoice for $1,280.00, it should have read $1,675.00. He asked that Council reconsider the matter.

The matter was discussed at some length and Mayor Larson advised that the development policy of the Village provides that the developer is responsible for all servicing costs.

Moved that a copy of the January 2, 1979 regular meeting, setting out the discussion with the Reeve and other committee members regarding this matter, and also a copy of the development agreement be forwarded to the M.D. of Wainwright, to substantiate Council's refusal of the account. Carried.

Numerous items of correspondence were received and filed. It was moved that the minutes from the Wainwright School Division #32 Board meeting be received and filed. Moved that Council withdraw its request to the Board for a copy of its Board meetings. Carried.

Municipal Affairs. Moved that the correspondence from Municipal Affairs outlining in detail the proposed Administrator's internship program be received and filed. Carried.

E.P.E.C. Consulting Western Ltd. Moved that correspondence from Mr. Dave Scott relating to the utility main extension to the Eastview Subdivision be received and filed. Carried.

Battle River Tourist Association. Moved that correspondence from the Battle River Tourist Association be received and filed. Carried.

Chacutenah Manor. Moved that the minutes from the Chacutenah Manor Board meeting be received and filed. Carried.

Labor Standards Branch. Correspondence was received from the Gas Inspection Branch requesting that a permit be taken to authorise the installation of the heater unit in the pump house building. Moved that the Administrator contact Irma Plumbing Ltd. for the required permit. Carried.

Irma Recreation Area. Moved that the minutes from the Irma Recreation Area Board meeting be received and filed. Carried.

Alberta Agriculture. It was moved that correspondence from Alberta Agriculture relating to Boulevard Tree Pruning Course be received and filed. Carried.

H. & R. Paving and Distributors. Moved that correspondence from H. & R. Stone and Distributing relating to paving stones for sidewalks be received and filed. Carried.

Buckwits Auto Recycling Ltd. Correspondence was received from Buckwits Auto Recycling Ltd. requesting Council renew its contract for the removal of derelict auto bodies and other solid waste materials. Moved that the contract for removal of derelict auto bodies and other solid wastes be renewed. Carried.

Assessor. Moved that Mr. Chuck Hutchinson, a member of the Provincial Assessment Branch be re-appointed to conduct the assessment requirements for the village in the current year. Carried.

Grosser Burial Plots. Correspondence was received from Mr. Br. Grosser offering to release unused burial plots in the Irma Cemetery. Moved that the unused plots as offered by Mr. Grosser be purchased by the village for resale. Carried.

The Administrator advised that with the introduction of the debt retirement program by the Provincial government in 1979, that the debt for construction of the new sewage lagoon has now been retired. A discussion ensued and it was agreed that provision should be made for the general repair and maintenance of the sewage system. This system is now 25 years old and the Foreman advises that several of the service lines which have required attention in the past year are showing signs of deterioration and should be replaced. Moved that $3.00 per month per service from the special assessment be designated to a fund for upkeep and replacement of the sewage system. Carried.

Complex. The agreement between the M.D. of Wainwright #61 and the Village of Irma, as prepared by the M.D's Legal Consultants, setting out the conditions under which it is prepared to make application for the grant funds available under the Community Services Program was presented. The document was reviewed in detail. Moved that the conditions as set out in the document are unacceptable and that it be returned, not signed. Carried.

Moved that the Curling Club, Irma Recreation Board and Complex Committee be notified accordingly.

Alta Pet Services. A document setting out terms under which the Dog Catcher services will be carried out was presented. Moved that the Mayor and the Municipal Administrator be authorized to execute an agreement on behalf of the Village with Alta Pet Services for animal control purposes. Carried.

Saturday Closing - Post Office. Correspondence was received from the Canadian Postmasters and Assistants Association soliciting Council's support in its bid to maintain postal services in the smaller centres. It is advised that it is the intention of the Postal Department to discontinue postal service on Saturday. Moved that the Village Council endorse and support the said association in its endeavours to maintain postal service on Saturday. Carried.

Ski-doo. The Municipal Administrator advised that Corp. T.G. Courte of the R.C.M.P has discussed the snowmobile regulations and advised that where no local by-law is in force the Provincial regulations will be applied. The provincial regulations do no provide for snow vehicles to be driven on the roadway or on the right of way. Moved that no action be taken in this regard. Carried. The provincial regulations shall apply within the village limits.

Solid Waste Management. Council members Larson and Littlewood submitted a report from the waste management committee meeting attended in Sedgewick which was sponsored by the County of Flagstaff. As proposed, there are three alternatives. 1. Regular garbage pick-up on a weekly basis. 2. Gathering boxes located at two or three locations within the village where garbage would be deposited. 3. One large collection box located outside the village, where garbage would be deposited. In each case there would be a weekly pick-up. After a brief discussion it was moved and carried that no action be taken at this time.

Moved that Councillor Barber be appointed as Council representative on the 75th Anniversary Committee. Carried.

Correspondence was received from the Cultural Development Branch relating to the $20.00 per capita grant which has been allotted to each municipality. Enclosed was a cheque in the amount of $9,720.00 which represents the village allotment. The said funds will be held in trust for the 75th Anniversary Committee.

Mayor Larson presented correspondence from Allied Chemicals relating to the use of calcium chloride, rather than salt for de-icing road surfaces. Moved that additional information be obtained. Carried.

1980 Street Program. Moved that the Municipal Administrator be authorized to contact Border Paving Ltd. and other contractors for cost estimates and make definite arrangements for the 1980 street program. Work to be undertaken as early as possible in the spring. Carried.

Councillor Barber asked for some direction from council for projects under the 75th Anniversary program. It was decided to leave this to the committee for the present time.

Tape Recorder. The matter of a tape recorder was discussed, however, no action was taken at this time.

Councillor Dempsey opened a discussion on the Complex and asked Council members to outline amendments to the draft agreement that would be necessary before the document would be acceptable to Council for signing. It was agreed that some immediate action should be taken that the grant funds are not forfeited. However, no definite direction was forthcoming.

The meeting was adjourned on a motion by Councillor Littlewood. Carried.

Farm Improvement Loans Act

Agriculture Minister John Wise announced recently that loans which totalled $261,453,892 were made under the Farm Improvement Loans Act during the 1979 calendar year. This compares with $227,656,347 loaned in 1978.

Under the Act, the government guarantees loans by chartered banks and other designated lenders to farmers for a wide range of purposes. The maximum that a borrower may have outstanding is $75,000.

Loans must be secured and may be repayable over a period up to ten years for all purposes except land purchase, for which a fifteen year term is permitted.

The maximum rate of interest on loans made under the program is based on, and varies with, the prime lending rate of the chartered banks, plus one per cent.

The Farm Improvement Loans Act was introduced in 1945. Since then, loans totalling $4.1 billion have been made.

Irma Pee Wees

Irma Pee Wees played host to Killam on Feb. 6. The game ended in a 6-6 tie. Doug Fischer scoring three, Randy Ganie and Richie Woloniak scoring two. On the 9th they played the Wainwright Stampeders out scoring them 10-2. Scoring were Doug Fischer 3, Darcy Lemieux 2, Tim Ford, Randy Ganie, David Urscheski, Lorne Firkus and Richie Woloniak with 1 each.

Kings Begin League Playoffs

On Sunday, February 17, the Battle River Hockey League Play-offs commenced with the first round in the best of a 3 out of 5 play-off between the Viking Gas Kings and the Killam Indians. The final score in the opening game was Viking Gas Kings 9 and the Killam Indians 2.

The game, played at Viking, found the Gas Kings ahead by two goals in the first period. They went on to a 5 - 1 lead by the end of the second and in the third period scored four more goals to bring the total to nine.

Scoring for Viking was handled by Bruce Harray with 2, Doyle Wincnura 2, and Kirk Mclnroy, Barry Field, Murray Quinton, Kenny Lefarud and Gordon Rattray with singles. Picking up assists were: Kirk Mclaroy 3, Barry Field 2, and Kevin McGinitie 2.

Penalties assessed Viking were 7 minors and 1 major.

On Monday, February 18, the Gas Kings paid a return trip to Killam where they were defeated 5-2 by the host team. Details to appear later.

Irma Minor Hockey Tournament Dates

A special meeting to arrange the dates of the Minor Hockey Tournaments was held at the arena on Tuesday, February 20, 1980.

The following dates were scheduled:

February 23	Mites
March 1	Tom Thumbs
March 8	Pee Wees
March 9	Midget "B"
March 16	Midget "A"
March 22	F.S. Ice Show
March 29	Minor Hockey Day

The Minor Hockey Banquet will be held on Tuesday, April 1st. Roast beef will be supplied by Minor Hockey and the rest of the food is supplied "pot-luck" by the parents. One pie per family is required. Each person brings his own plate, cup and cutlery.

Huseby Wins Men's Open At Bruce

The final games of the Men's Open Bonspiel were held on Sunday night. Twenty-nine rinks competed for the prizes in the three events.

Duane Huseby's rink from Gladstone defeated the Ernie Hammermaster rink from Bruce to capture the trophies in the Grand Challenge.

Probably the most exciting match of the entire bonspiel was in the final game in the second event between the Malcolm Dorin rink from Vegreville and the Dale Winsness quartet from Ryley. Both rinks were curling superbly and after 12 ends Winsness edged out Dorin by a score of 4-3.

The third event was taken by Gordie Maxwell of Viking who downed the Wagner foursome from Ryley.

Following is a complete list of winners in this spiel.

Grand Challenge
1. Huseby, Gladstone
2. Ernie Hammermaster,
3. H. Shyba, Holden
4. Speed Maxwell, Viking

Second Event
1. Winsness, Ryley
2. M. Dorin, Vegreville
3. Field, Bruce
4. Keehane, Ryley

Third Event
1. Gordie Maxwell, Viking
2. Wagner, Ryley
3. Bratrud, Gladstone
4. Sears, Tofield

Rudy Koppel (left) presents the Grand Challenge trophies to the Huseby rink from Gladstone. From left to right: Duane Huseby, skip; Allan Hellekson, third; Don Hellekson, second; and Wes Huseby, lead.

Hank Field (left) presents the second event trophies to the Winsness rink. From left to right: Dale Winsness, skip; Darryl Albrecht, third; Hal Strilchuk, second; and Bernie Kope, lead.

Ernie Dorin (right) presents the Gordie Maxwell rink of Viking with their trophies after they won the third event at the Bruce Men's Open Bonspiel. From left to right: Gordie Maxwell, skip; John Cumming, third; Roger Stermacheasky, second; and Albin Stermacheasky, lead.

Viking Mites Meet Defeat At Innisfree Tournament

February 10th found the Hardisty team at the Canexa for a game against the Viking Mites. This was a well balanced game with Viking emerging on top of a 5-4 score. In the opening period Cory Clouston scored a single for Viking. Doug Taylor netted the only Viking goal in the second period and Viking's remaining three goals were scored by Cory Clouston with a double and Cory Siermacheaky with a single.

On Saturday the Mites travelled to Innisfree to participate in their annual tournament. In the first game they met the strong Saddle Lake team and took a 8-3 tumble. The boys kept trying but were outmatched in size, skill and speed. Scoring for Viking was Cory Siermacheaky in the second period with a single and Cory Clouston netting a pair in the third.

In the final game Viking met Mannville. Once again the 6-3 score was for the opposition. Both Jason and Cory Clouston scored for Viking in the opening period. Viking's only other goal was tallied by Doug Taylor in the final period.

This Friday night, the Viking team will host the Innisfree Mites at 6:00 at the Canexa. Tournament dates have been arranged and Viking will host a four team Mite Tournament on March 15th. Team to participate have not been determined.

Pee Wee's Begin Provincial Play-Offs

The Viking Pee Wees played two games on the weekend. Their last league game was held in Forestburg on Saturday afternoon. Viking again captering a win. The final score was 8 -5 for Viking.

Clouston and Vitek each picked up a pair with singles going to Winzarus and Keith.

The Irma-Wainwright team were hosted by the Viking team on Sunday afternoon. Viking had a 4-1 lead at the end of the first period but in the second period Wainwright scored 4 times to our 2, leaving the score at 6-5.

Viking held on in the third period to end the game 8-7 in favor of the host team. Scoring for this game were Larsen with a hat trick, doubles to Clouston and Winzura and a single to Tkaczyk. Assists were picked up by Clouston 2, Antos 2, Voltner, Majeski and Place.

Our first league play-off game goes here at Viking on Thursday at 6:00 p.m. against the Killam team.

On Saturday Elk Point comes at 5:30 for the first of a two game total point series in Provincial Zone Play-offs.

Viking Bantams Continue Winning

On Tuesday, February 12, the Viking Bantams played a surprise game with Lougheed. The unexpected arrival of Lougheed didn't seem to bother the Viking boys too much for they scored 7 unanswered goals in the first period.

Viking added one more goal in each of the remaining periods, while Lougheed scored their lone marker in the second period. The final score of the game was Viking 9 - Lougheed 1.

Scoring for Viking were: Rocky Hanson 2 goals and 2 assists, Ian Erickson 2 goals and 2 assists, Ken Cikalnk 1 goal and 3 assists, Dan Arychuk 1 goal and 1 assist, Joey Hoffman 2 goals, Michael McLean 1 goal, Leif Erickson, Patrick Voltner, Randy Graham and Kenny Ebeltoft all received single assists.

On Friday, February 15, the Viking Bantams travelled to Dayaland where they won again by a score of 7 - 3.

The score at the end of the first period was 2-2. Scoring for Viking were Danny Arychuk, assisted by Ian Erickson and Danny Arychuk unassisted.

Viking scored three go ahead goals in the second period. Danny Arychuk scored first, assisted by Patrick Voltner. Theo Danny Arychuk scored again, unassisted. Ian Erickson scored the third goal assisted by Lief Erickson.

Dayaland added another goal in the third period, while Viking put in two more. Scoring for Dayaland was Richard Rexinger.

Ian Erickson scored for Viking assisted by Billy Hanson. Rocky Hanson closed the scoring with an assist going to Ian Erickson.

Viking - Holden Schools Hold Science Fairs

The Viking local Science Fair was held at the school on February 20, 1980. The students should be congratulated on their superb projects. All exhibitors received a Certificate of Participation.

The first place finishers received a trophy and a ribbon. The next four received ribbons.

The five best projects from each of Categories B, C, and D will represent the Viking School at the County of Beaver #9 Science Fair to be held at the Holden School on March 3, 1980.

Following are a list of student winners to represent Viking at the County Fair.

I. Gases and the Physical Changes on Plants
Dean Simmonds
Blair Kolenosky

2. Effects of Pressures on Different Species of Weeds Due to Varying Conditions
Michael Watson
Billy Sevcik

3. How Do Fertilizers Affect Plant Growth?
Franklin These
Tom Getsinel

4. What Effects Do Coloured Lights Have On Plants?
Shelley Shippy
Trudy Erickson

5. How Does Darkness Affect Plants?
Darren Josephison
Ian Erkinen

JUNIOR HIGH SINGLES

1. The Study of Textiles
Sindy Piwowar

2. How Macronutrients affect the Future.
Debbie Petruk

3. How Will Pollution Affect the Future?
Colleen These

4. Houseplant Problems
Pauline Bennett

5. Electricity
Lori McIsaac

ELEMENTARY PAIRS

1. How Do You Keep Bacteria From Growing?
Jodi Miciak
Marcy Newby

2. Acids - Acids
Darcy McDonald
Rhonda Koppel

3. Doubling The Effort
Carrie Ruzicka
Sheryl McClements

4. Evaporation
Kim Mizera
Debbie Fowler

5. Different Types Of Birds
Janet Voltner
Tonia Marquardt

55 Projects representing the excellent efforts of 97 students were on display last week at the Holden School Science Fair. The projects were judged from 3:00 till 5:00 at which time the Fair was open to public viewing. Trophies and rosettes were presented to the prize winners at 6:30. The top 5 projects in each category are eligible to participate in the County Science Fair to be held in the Holden School gymnasium on Monday 3rd of March. Students from across the County of Beaver will be participating. The Fair will be open to the public from 5:30 till 7:00. Prizes will be presented at 7:00. The top 5 projects in each category will be eligible to participate in the Edmonton Regional Science Fair to be held in Edmonton on the 11th and 12th of April.

Results of the Holden School Science Fair are as follows:

CATEGORY A:
1st - Bonnie Woloschuk, Marie Chrystian - *Abiotic*

Winners of the Elementary Pairs category at the Viking School Science Fair were Marcy Newby (L.) and Jodi Miciak. Staff Photo

Irma Fish And Game Club Hosts Dinner

On Friday, February 15 some two hundred and fifty people gathered in the Irma School Auditorium for the Annual Fish and Game dinner. The food, provided by members, with strong majority support from wives and mothers, was plentiful, varied and delicious.

The prompt delivery of the hot food coincided with the arrival of the hungry consumers and the conjunction of the two contributed greatly to the enjoyment of the dinner.

At the conclusion of the meal, Mr. Milt Fahner, presented the Irma Fish and Game trophies for 1979 to the winners in the various

Greenhead Mallard - E.C. Allen, Canada Goose - Brent Allen, Pheasant - Brent Allen, Jackfish - Shanon Archibald, Whitetail Deer - Alf Oracheski, Mule Deer - Steven Kaasok, Non-typical Deer - Jim Cole

For the remainder of the evening those present were entertained by excellent slides and commentary by Mr. George Mitchell of Edmonton, a retired superintendent of the City Police Force. He and Mrs. Mitchell have hunted and fished widely in Alberta, including the hunting of the Whitetail Deer in the Irma area, in B.C. and in the N.W.T. Their outstanding photography illustrated the extent of their hunting and fishing experience.

This was one of the most successful dinners ever sponsored by the organization. The Fish and Game Club thanks sincerely all those who helped to make it possible.

The E category at the Holden School Science Fair was won by Terry Michlick's entry, "The Making of Cottage Cheese". Fairweather Photo

Viking To Organize Rural Fire Brigade

On March 6th, at 7:30 p.m. at the Viking Fire Hall, a general meeting will be held to discuss the organization of a rural fire brigade for the Viking area.

A Rural Fire Brigade is something that is probably long overdue, however, the thing that adds even more emphasis is the fact that the County of Beaver has seen fit to place a brand new fire truck in Viking for rural use. What a shame it would be to have first class equipment like this available without an adequate number of people knowledgeable of its operation.

From an operational point of view, a rural fire brigade would not replace the Town Fire Department, but would in fact compliment it by being a source of additional trained manpower to assist in fire fighting. Just think of the consequences if the Town Fire Department could not respond to a rural call due to fighting a fire in town, or was called back due to a second fire.

National Advertising Representatives:

"Make Crime Pay!"

In both last week's and this week's issues of this newspaper, the County of Beaver has inserted an advertisement offering a $500 reward to anyone who can provide information leading to the arrest and conviction of the person or persons responsible for the latest break-in at the Viking school. It is indeed encouraging to see the County government taking action to attempt to apprehend the party responsible for this senseless act.

One sad thing is that such action is necessary at all. Most often in such cases someone in the community has the type of information needed for a conviction. Yet they fail to let the police know. It is a sad commentary on our society that the County must offer a large sum of money to encourage the apprehension of criminals.

Another sad note is that the thieves may be apprehended and convicted, then "let off" with a light sentence, or no sentence at all. One of the basic elements of punishment (and courts are supposed to punish the convicted) is deterrence, both to the convicted party and to others who may consider a similar type of action. Yet often the "fairness" to the convicted person is considered more important than the "fairness" to the society, meaning other possible law-breakers and/or victims. Hopefully the large amount of money which the County may spend will bring meaningful results.

Our society has developed values which often require the type of action which the County is taking. We commend such action and encourage anyone who has pertinent information to take advantage of the offer. It is an opportunity to "make crime pay".

Alberta 75

NOTICE

The Viking Alberta 75th Committee requests that anyone having suggestions as to the use of available funds under the Alberta 75th Committee grants to the Town should submit their suggestions in writing to Mr. Len Josephison, Box 636, Viking, Alberta T0B 4N0.

Deadline for the suggestions has been tentatively set as March 31, 1980.

Alberta 75

Letter To The Editor

Dear Sir:

As a suggestion for the celebration of Alberta's 75th Birthday, the following letter was presented to council at their last meeting.

As a follow up to this, we would like to invite all interested people to a meeting on Friday, March 14th, at 8:00 o'clock at the Youth Hall in the Viking Carena.

Your Worship and Councillors:

Rather than take up your time by appearing at your meeting, we hope that this will be read and given serious consideration.

Due to the response we are getting to a petition appearing in the stores, we feel there is a real need for a Swimming Pool in Viking.

We would like to see the bulk of the 75th Anniversary money go toward a project of this type. We are hoping that the Beaver County Councillors will be influenced to use the money from rural areas for this cause.

From this nucleus we would hope the town would see fit to peruse this project and construction.

We have contacted Fortesburg and Castor where there are open summer pools and the Administrators there say they feel the pool is one of the best investments their towns have made.

The benefit is many faceted:

First and foremost being to provide a facility for summer use when the rink is closed, both for our own residents and visitors.

Secondly - to cut down on vandalism, by providing an outlet for energy for our young population.

Thirdly - a diversion for all people in the community, no one is too young or too old to swim and the handicapped get a great deal of benefit from swimming.

Fourthly - to bring some of the business back to Viking that is presently going to Killam, Vegreville and Camrose. Mothers take their children to swim and do their shopping while they wait.

The last is one of the more important, I suppose, from the viewpoint of people in your position. We are all concerned with the decline of business in this area. Let's do all in our power to bring it back. Each facility we offer will help.

Forestburg has a population of nine hundred (900) and picks up the deficit of $10,000.00 each year for the operation of their pool which was put in as a Centennial project 18 years ago.

We realize taxes would have to be raised, but are in agreement that the end result would be worth the price. Why wait? Construction costs are only going to rise each year.

Our suggestion would be to approach the Curling Club, whose application for grant money has been submitted to the Department of Recreation, have showers installed in the recreation facility and the pool close beside so that in the future years it could be closed in, when circumstances warrant.

Your careful and generous consideration is earnestly requested. The need is urgent.

Viking Swimming Pool Committee

Minutes Of Viking Recreation Board

Chairmen Vern Hafso called the meeting to order at 8:00 p.m. in the Council Chambers with 5 members present: Vern, Robin, Georgina, Don, and Phyllis.

The minutes of January 10, 1980 were adopted as read by the secretary, seconded by Robin. Carried.

Correspondence:

1) catalogue for arena & sports equipment from Lachair.

2) advertising of sports and recreation equipment from Creative Co.

3) bulletin on Project Involvement - program for senior citizens.

It was moved that we present this project to senior citizens and the secretary was instructed to contact them. Carried.

4) letter from parks and recreation requesting that we send in a list of resource people in the area dealing with outdoor recreation.

5) letter from parks and recreation informing us of a workshop in Calgary dealing with facility management.

6) letter from parks and recreation clarifying government legislation regarding the establishment of local recreation boards.

7) Rec. News Bulletin.

8) material regarding the hosting of the Alberta summer games.

9) update material from the Energize '80 Workshop to be held in Medicine Hat March 15-16.

It was moved that the recreation board reimburse the expenses of any delegates from the board wanting to attend the Energize '80 Workshop. Carried.

Old Business:

It was reported that town council met with country council regarding the breakdown of regional recreation into local recreation boards. The funds from the MCR grant are no longer frozen and are available. They are to be further meetings to deal with the problem.

New Business:

1) Council requested that the rec. board submit an operating budget for 1980 for their approval. Considerable discussion followed resulting in some preliminary work being done on the budget but we could not complete it as revenue figures were not available. Completion of budget was scheduled for the next meeting.

2) 75th Anniversary Heritage Grant of $24,000 for town and about $25,000 for the rural district was discussed. Vern reported several petitions and proposals which are to be handed in to the anniversary committee. The rec. board's proposal was tabled until next meeting.

We decided to reschedule our regular meetings to the second Tuesday of the month. The next meeting is to be on March 11.

It was moved that the meeting be adjourned.

The Outdoor Recreation Section of Alberta Recreation and Parks is continuing to develop information to assist planners and administrators of outdoor recreation and outdoor education programs. At present we are collecting information to update and expand the OUTDOOR RECREATION RESOURCE INDEX. Any one who may be interested in being listed as willing to work as RESOURCE PEOPLE for outdoor recreational activities are requested to contact are requested to contact the Viking Recreation Board or may phone 336-2154.

HM2 - Darcy McKibbin - *Bees*

Fire Brigade

Continued From Page 1

Other areas to be brought up for consideration include establishing a rural card file which would be carried in the fire truck. Each card would include such things as building layout, location of fuel tanks, water sources and most important, a map indicating the best route for the fire truck to take in reaching a location. There is also the possibility of holding a training course in Viking to familiarize new people with fire fighting techniques.

Everyone, both town and rural are urged to attend this meeting. However, if you cannot attend and are willing to help in any way, please contact Richard Nordstrom at 336-2154 or George Roddick at 336-3242.

During the ice ages, the Sahara Desert was a rich grassland.

AGT GOOD NEWS PARTY LINE

A meeting has been scheduled for March 6, at 7:30 p.m. in the Viking Fire Hall to organize a Rural Fire Brigade. It is hoped that there will be a good turn out of interested rural and town citizens.

The Viking Mites will challenge their fathers to a game at the Carena on Friday, February 29th at 6:00, at the Carena

The Viking Fair Committee is holding a meeting on Wednesday, February 5th at 8:00 p.m. in the Community Hall. The District Agriculturist has been asked to attend this meeting. Committee members and all interested persons are urged to attend.

The Annual Meeting of the Viking Farmers' Market will be held on Tuesday, March 4th, at 3:30 p.m. in the Viking Community Hall. Plans to be made for the coming year. Delegates to be chosen to attend seminar in Edmonton.

Viking Choir On T.V.

At last the time has arrived for the Viking School elementary Choir to appear on Channel 3 T.V. If you are interested in seeing our enthusiastic Elementary students singing, tune in to CFRN T.V. Channel 3 at noon on Saturday, March 1st, when they will be part of the "Kids on Kamera" program.

The Viking Stage Band are still waiting for their program to be aired. Unless something important occurs causing programs to be changed, they should be appearing at 12:00 noon on Saturday, March 29th. A further announcement will be made nearer to the date.

"The Family Man"

The Beaverhill Players will soon be presenting another play at the Regional Theatre in Holden. "The Family Man", a modern comedy written by Benjamin Bernard Zavin and Carl Leo, shows the results when a working husband and wife swap roles for six months.

The play will star Amateur Actors from several towns in the County of Beaver.

Opening night will be Thursday, March 6. Other performances will be presented on March 7, 8, and 9, with all performances beginning at 8:00 p.m. except the March 9th performance which will be held at 2:30 p.m.

All members of the Cast have tickets for sale. Tickets will be available at the door, or you can reserve your tickets by phoning 663-3586

School Drama Classes To Present Three Plays

The Viking School Drama Department will present three 1 Act Plays on Thursday, February 28th at 8:00 p.m. in the Viking School Gymnasium. Tickets will be available at the door - $3.00.

For your convenience a free babysitting service has been set up in the kindergarten room at the school.

The evening's entertainment will include "The Tell-Tale Heart" which is a theatrical adaptation of one of Edgar Allan Poe's short stories - mystery, horror.

The second presentation will be "To Burn A Witch". This is a drama production based on the Salem Massachusetts "Witch Trials". The final presentation is entitled "From Five to Fivethirty" - dry English comedy.

This promises to be an entertaining evening with the students of the grade nine drama classes providing two of the presentations and the High School Drama class as the cast in the third.

NOTICE

TOWN OF VIKING

The Planning Act, R.S.A., 1977

Take notice that the Council of the Town of Viking proposes to pass a Land Use By-Law pursuant to section 66(1) of the said act.

The purpose of the proposed By-Law is to prohibit, regulate and control the use and development of the land and buildings within the municipality in accordance with the said act.

A copy of the proposed By-Law may be seen at the Town Office and may be inspected by the Public at all reasonable hours.

At 7:00 p.m. on the 19th day of March, 1980, the Council will cause a Public Hearing to be held at Viking, in the Viking Council Chambers, at which time objections to the proposed By-Law may be made and discussed.

Dated at Viking, this 25th day of February, 1980

Holden And District News

The Holden Parent Nursery Playschool is doing quite well and we had 24 mothers and 32 children on Wednesday morning. However, we found that this was too many people for the area we have, especially with the children's activities all set out.

We felt that the children were not receiving proper attention and supervision as we were somewhat overcrowded.

We now have two mornings per week. This commenced on February 19th. The playschool is now open on Tuesday and Wednesday mornings. Mothers picked a morning convenient for them. This seems to be working quite well. There is about the same number in each group.

Those mothers who have not picked a morning yet may still do so at any time. Mothers can play games, sing songs and do more activities such as crafts.

On Monday, at 7:30 p.m. on March 3, 1980, the Holden Parent Nursery is planning a work night. We would like as many parents as possible to come and help build things such as a wooden play stove, sink set, indoor slide set and some painting easels. We have wooden blocks to paint, puppets, bean bags to sew, also some musical instruments to make such as drums out of large cans, shakes out of baking powder tins, foil pie plates with the bells strung around the edges for tamborines. Anyone having other ideas, please let us know. Any materials you have to donate would be appreciated. Contact Darlene Stambaugh at [illegible].

Melvin Olson passed away on February 14th at the age of 62 years. Melvin farmed for many years several miles north of Holden. He is survived by his wife Irene, one son and three daughters, two brothers, one sister and several grandchildren. Funeral services were held Tuesday, February 19th in the Holden Lutheran Church.

Pastor G. Barr officiated at the service. Interment followed in the Holden Cemetery. Burgar Funeral Home of Camrose was in charge of all arrangements.

Holden Holds Supper Meeting

The Holden and District Chamber of Commerce hosted a Battle River Tourist Association Supper meeting on Tuesday, February 21st at the Holden Community Hall.

There were approximately thirty-five people in attendance. This included representative members from Zone 5 which includes the towns of Wetaskiwin, Camrose, Ryley, Daysland, Stettler, Castor, Wainwright, Leduc, Chauvin and Holden.

The Ladies of the Holden Order of the Royal Purple prepared and served the delicious supper. Out of town representatives were impressed and made complimentary comments to the ladies of the Royal Purple who were dressed in white and purple uniforms. They all looked very neat. They also enjoyed the delicious meal.

Bruce News

The Family Club held a successful bake sale on Election Day, February 18th in the Bruce Community Centre. The club would like to thank all the people who contributed to and supported the club in their bake sale. The proceeds will be to buy many useful items for the play centre.

Bingo players please note that the date of the ham bingo sponsored by the Bruce Agricultural Society has had to be changed to Friday, March 21, at 8:00 p.m. in the Bruce Community Centre.

Lillian and Bill Doris of Westlock were overnight guests at the home of Lillian's aunt and uncle Lillian and Dan Teske. The Dorins will be moving to Edmonton in a couple of weeks.

Wesley Stambaugh of Edmonton visited with his parents Jean and Ken Stambaugh.

Irma Brownies Entertain Seniors At Chacutenah Manor

The evening of Febuary 6th found the Irma Brownies and their parents, mostly mothers, at the Chacutenah Manor where they put on a short program for the people there. The girls started the program off with a few songs accompanied by Mrs. Eva Ho on the piano. Next, they did a couple of skits, which were thoroughly enjoyed.

Jeanne Leskosky then called Shirley Lovig, our former Brown Owl, forward to receive a gift from the Brownies plus a certificate for ten yars outstanding service with the Brownies. Judy Lemieux, our president then presented Shirley with a gift from the L.A. for all her hard work and time spent with the Brownies.

Following the presentations, our District Commissioner Faye Smith enrolled the Tweenies into the 1st Irma Brownie Pack. Those enrolled were: Nicole Mitton, Kim Glasgow, Brooke Jamison and Kim Eccles. Faye then presented 1st year stars to Paulette Lemieux, Deanna Minchau, Tracey-Ann Leskosky, Tracey Eccles, Aleana Ho, Corrine and Kristal Prier. Also 1st year, the girls learned to do knitting.

Thank you to Ruth Jamison, Stella Glasgow, Minnie Jackson and Lorna Jackson for taking time to help the girls with their knitting.

On Sunday, February 24, 9 girls, 3 mothers and Brown Owl and Tawny Owl attended the Thinking Day Service in Wainwright.

The Brownies would like to remind everyone of the Annual Come and Go Tupper Tea and Bake Sale which will be held on March 8th at the Cub Hall from 2 p.m. to 4 p.m. Another of the girls activities that will be coming up is the "Rag Day" which will be held on April 16th.

Irma News And Views

Irma is preparing for their big Homecoming weekend on the 2, 3 and 4th of August. A committee from Home and School are gathering names of former residents who should receive invitations. Please send names and addresses to Louisa Prosser, Jack MacKay or Robbie Jones.

Bernie and Harry Long left for Costa Rica on the 25th of February. They were accompanied by Frankie and Murray Wilde of Edmonton.

Adelaide Dootson and Phyllis Craig have left for Jamaica, from where they will embark on a Caribbean cruise. This will take them to various islands in the Caribbean and to Venezuela, South America. They expect to see spring flowers in Alberta when they return.

Ted Prior is in hospital in Edmonton taking treatments. He expects to be there for about six weeks.

Leone and Gordon Thurston are rejoicing over the birth of their first child, Collette, born in the Wainwright Hospital on February 17th.

Dorothy Haugan left by bus on Thursday morning, February 21st to undergo treatments in the General Hospital in Edmonton.

Albert Jackson was severely injured in an accident about 70 miles south of Fort McMurray on the evening of February 8th. He had his right hip dislocated, his right leg fractured in two places, also internal injuries.

He was taken by ambulance to the Miserarcordia Hospital in Edmonton on February 20th. He has a cast on his leg now, but is still in considerable pain. He wishes to thank all those who sent flowers, cards and letters, and a special thanks to all who visited and phoned to inquire about him.

The Irma New Horizon's whist drive in the Drop-In Centre last Friday evening was an enjoyable affair although only seven tables took part. Bob Dempsey again took the prize for mens high with a score of 217.

Joe Burton got the mens consolation with a score of 181. Ladies high went to Alma Enger with a score of 218. Orril Darling won the consolation prize with her score of 181. Prizes were awarded during lunch, amid hand clapping and much laughter.

Ashley Murray is hospitalized in Viking at present.

Clifton Holt is in an Edmonton Hospital.

Sympathy is extended to Mrs. Fred Clumstad on the recent passing of her mother.

The sympathy of our entire community goes to Christine and Mary Russell and family on the tragic death of their son Colin on Tuesday, February 19th, in Hawaii. Colin was carried away by a wave while bathing in the ocean. To date his body has not been recovered. A memorial service was held in the Irma United Church on Tuesday, February 26th at 2:00 p.m.

Echo-Rodino Report

My apologies for missing an item in last weeks news. Mrs. Gladys Holt's grandchildren Mr. and Mrs. Gordon Holt, Mr. and Mrs. Bill Holt and great granddaughter Shelly were among the people helping to celebrate her birthday.

Mr. and Mrs. Bruce Grenswood returned to Wainwright to have a peek at baby Thurston. Great grandmother, Mrs. Florence Johnston accompanied them on this trip. Congratulations go out to the proud parents, Mrs. and Mrs. Gordon Thurston of Irma.

Mr. and Mrs. Norman Hollar enjoyed the company of their grandson from Viking for the weekend.

Brent Hafso and Rita Grenswood of Edmonton were Sunday visitors to the Bruce Greenwood home.

The Viking Gas King hockey fans from this area were on hand Saturday in Kilsim to help cheer the team on to victory in the first leg of the play-offs.

Weekend visitors to the Prosser home were Mr. and Mrs. Bill Taylor and son of Edmonton and Lorraine Prosser and boys accompanied by Morris Malderis.

Viking Chamber Of Commerce Meeting

Thursday, February 28, 1980 7:15 a.m. -:- Viking Burger Queen

ALL MEMBERS PLEASE ATTEND!

Viking Town Council Minutes

A regular meeting of Viking Town Council was held on the evening of February 6th, 1980 in Viking Council Chambers.

Mayor Hafso called the meeting to order at 7:00 p.m.

The minutes of the regular meeting of January 2, 1980; the special meeting of January 16, 1980; and the special meeting of January 23, 1980 were adopted on a motion. Carried.

Business arising from the minutes:

It was reported that a telephone call had been received from Mr. J. Purvis advising that Mrs. D. Purvis was away until the end of January.

Corporal D. Will had submitted a list of signs within the Town that required replacements.

It was reported that several Volunteer Firemen from the rural area had been recruited. More Firemen are required that would be available to attend fires during the daytime should the need arise.

The Administrator reported receiving a phone call from Mr. G. Loades in reply to the letter mailed to D. Rabby with reference to the explosion that occurred in the building.

The financial statement for the month of January, 1980 showed receipts of $53,508.29 and disbursements totalling $34,477.72, leaving a net balance of $174,769.77 at the end of the month. A debenture totalling $6,962.18 is due on March 1, 1980. R. Evans moved that the financial statement be accepted Carried

R Evans moved the accounts be paid Carried.

Applications for building permits had been received from Mrs A Helmer to construct a garage at Lot 5, Block 34, Plan 4759KS and from P.O. Nordstrom to renovate present building at Lot 6, Block 10, Plan 1174W for dental offices.

Samples collected January 7, 1980 and January 14, 1980 at the Town Office showed the standard plate count as high, 2,500 and 3,000. Coliform bacteria showed nil.

A letter had been written to Alberta Environment re the Reclamation program advising that in Council's opinion more leveling was required to complete the reclamation project at the old sewage lagoon - nuisance grounds site.

It was moved that L. Josephinon be appointed Town Council Representative to the 75th Anniversary Commission Committee. Carried.

It was moved that W.R. Taylor, Alberta Disaster Services representative, inquire into obtaining municipal radio equipment in conjunction with the County of Beaver through the Alberta Disaster Services cost-shared program. Carried.

A possible design plan for future mobile home development for the remainder of the land lying north of the proposed three lot mobile home subdivision in NW 26-47-13-4 had been submitted by Coordinate Surveys Ltd. for Council's consideration. It was moved that this be tabled until after the meeting with B. Oberhoffner. Carried.

Correspondence was received and ordered filed from:

1) Hon. D. Mazankowski
2) County of Beaver re distribution of MCR grants
3) County of Beaver re pipeline from Iron Creek
4) Alberta Municipal Affairs re proposed subdivision NW 31-47-13-4
5) Alberta Municipal Affairs re new and amending legislation
6) Alberta Housing & Public Works re Neighbourhood Improvement grant agreement and claims forms
7) A.U.M.A. - Certificate of membership for 1980
8) A.U.M.A. - information on "New Partnership Information Meeting"
9) Village of Ryley advising representatives would be attending the meeting of January 23, 1980 on recreation.
10) Letter from K. Hendricks re Recreation on Board by-laws
11) Letter - K. Hendricks re population figures of municipalities for division of funds
12) Canadian Postmasters & Assistants Association re possible Saturday closure of postal services in small communities
13) Alberta Planning Board - amendments to Alberta Planning Act
14) Cicon Engineering - copy of preliminary application for Alberta Water Supply and Sewage Treatment Facilities Grant Program re Town Water and Treatment Facilities.

It was moved that the Town engage a licensed individual or consultant firm to represent the Town in obtaining easements for the pipe line and for purchase of land for the water reservoir. Carried.

15) Alberta Municipal Financing Corporation re estimate of 1980 capital requirements to be financed by sale of debentures.

It was moved that in accordance with Section 77 of the Municipal Government Act, Mr. Charles A. Hutchinson be appointed Assessor for the Town of Viking, the assessor designated by the Chief Provincial Assessor. Carried.

It was moved that the Town of Viking deposit an amount of $500.00 with the Village of Holden in a special account set up for operation of the Arts Centre as requested in the letter from the Regional Recreation Management Committee. Carried.

It was moved that the letter re the elected officials 3rd Annual Symposium to be held on June 2 - 4, 1980 at Banff, Alberta be tabled until a future meeting. Carried.

A letter had been received from Canadian National advising that CN is agreeable to a lease expensive type of fencing than had been previously specified for the proposed park site. The letter also advised that the lease could only be on a year-to-year basis, subject to cancellation on thirty days' notice. It was moved that a letter be written to CN advising that the Town would prefer a longer term lease to accommodate the project being considered for the area. Carried.

It was moved that payment of the $28,022.00 construction contribution for upgrading the street lighting on Main Street from 51st Avenue to 58th Avenue be submitted to Calgary Power Ltd. with final approval of the plan. Carried.

It was moved that the Calgary Power Ltd. proposal as per letter of November 28, 1979, re installation of underground street lighting system on 53rd Avenue from 50th Street to 51st Street be accepted with the design plan being altered to have the underground system running adjacent to the south side of the avenue instead of on the north as shown on the plan. Carried.

A letter had been received from Alberta Tourism and Small Business requesting a list of those businesses or industries that Council would like to see advertised in the Alberta Opportunity Ads. A list will be submitted.

A letter had been received from R. Baldwin requesting tree roots and stumps be removed from the boulevard in front of Lot 21 in Block 20. In return, R. Baldwin advised that he would have the boulevard leveled and seeded and have new trees planted. It was moved that the town men remove the roots and stumps in the spring. Carried.

It was moved that application be made to Calgary Power Ltd. to have a street light installed on the existing power pole at the northeast corner of Block 38 and a street light placed at the east end of 59th Avenue. Carried.

It was moved that a meeting with B. Oberhoffner of Municipal Planning be scheduled for February 14, 1980 at 7:00 p.m. Carried.

R. Evans reported that the Provincial Midget C Tournament will be held in Viking on March 28 - 30, 1980. It was moved that an amount up to $1,000.00 be made available to the Organizing Committee for expenses of the tournament. Carried.

R. Evans presented the proposed Salary and Benefits Schedule for 1980. It was moved that the Salary and Benefits Schedule as per attached schedule as presented be accepted. Carried.

Dr. A.G. MacLaren had contacted the Town Office advising that it would be to the Town's advantage to request an eighteen month extension to the present lease instead of the one-year lease as requested, to enable the town to complete the resurfacing and reseeding of the sanitary landfill site presently being used by the Town. He stated the price of the lease would be $700.00 per year. It was moved that the Town request an eighteen-month extension of the lease and include the required payment. Carried.

It was moved that the office furniture and supplies obtained for the P.S.S. office be paid for.

Bruce 4-H Holds Public Speaking Competition

On February 24th, at 1:30 in the afternoon, the Bruce 4-H held their Public Speaking competition. Eleven members gave their speeches. Following is a list of the members and their speech topic.

IN MEMORIAM
In loving memory of Hugh Quinton, husband, father and grandfather who passed away on February 27, 1978. His smiling way and pleasant face
Are a pleasure to recall:
He had a kindly word for each
And died beloved by all.
Some day we hope to meet him,
Some day, we know not when,
To clasp his hand in the better land.
Never to part again.
Lovingly remembered Hattie and family 3p

Card of Thanks

We would like to extend our sincere thanks to all our relatives, friends and neighbors for their kindness and services shown us in the loss of our beloved husband, father and grandfather, Carl Thange.
A special thank you to the Doctors and Staff of the University and Viking Hospitals, Pastor Tim Johnson for his comforting words and visits, Remagbea's Funeral Home, the pallbearers and honorary pallbearers, Stan and Ila Sorenson for solo and organ, Northwestern Utilities, the L.C.W. for the lovely lunch, and to all those who gave memorials, cards, flowers and portion of the $1/2 1-44-10-W4, and S 1/2 2-44-10-W4, and the N.W. 1/4-2-44-10-W4, approximately 940 acres cultivated for the years 1980, 1981, and 1982. Land to be one-third summerfallowed. Forage to remain on land. Highest or any tender not necessarily accepted. Tenders close March 20, 1980. T.R. Copeland Box 148, Irma, Alberta, T0B 4N0. 2-5p

CARD OF THANKS
We would like to sincerely thank: Doctors and Staff at the Viking Hospital; Pastor Tim Johnson; Earl Kjelland; the Pallbearers; Stan and Ila Sorenson; the ladies for the lunch at the church and each and every family member and friend who helped us through the loss of our husband and father. Thank you also to all those who sent comforting words and all who sent donations of food to the house. For all the lovely plants and flowers, the memorials and memorial donations and all the cards and written messages of sympathy we received, we thank you. Family and friends have eased our sorrow by sharing it with us. We are sincerely grateful for each and every kindness shown to us.
Joyce, Donnie and Diane Lawes 3p

The Holden 4-H Beef Club would like to thank all those who supported and attended our Pancake Supper. Special thanks to Holden Frozen Foods for donating the Beef Roast which was won by Mr. Craig Chomic. 3c

Viking Bantams Win First Round

On Friday, February 22, the Viking Bantams won the first game in the Provincial "C" play-offs. The two game total point series was played with Vegreville. The score of the first game in Viking was 6-3. At the end of the first period Viking was ahead 2-0. Ken Cikaluk opened the scoring assisted by Ian Erickson and Billy Hanson. Ian Erickson scored the second goal assisted by Rocky Hanson and Randy Graham.

In the second period, David Repp, with two quick goals, tied the game for Veg. Ian Erickson scored Viking's one marker in the second period, unassisted.

David Repp tied the score for Vegreville the second time with a goal in the third period. But, Viking came back strong with three more goals. Rocky Hanson scored the go-ahead goal, assisted by Ian and Lief Erickson. Then Rocky Hanson added another unassisted. The final goal was by Ian Erickson assisted by Ken Cikaluk.

The second game of the series was played in Vegreville on Sunday, February 24th. Despite the fact that due to injuries and penalties Viking had only 8 skaters, they still came through with a 4-3 victory.

Ken Cikaluk, assisted by Ian Erickson opened the scoring for Viking. McGowan of Vegreville tied it up at the end of the first period.

Kolinosky scored Vegreville's second goal. Ian Erickson, assisted by Joey Hoffman tied it up for Viking.

The third period saw Viking go ahead again. Ian Erickson scored assisted by Rocky Hanson. McGowan of Vegreville tied the score at 3-3.

Ken Cikaluk finished the scoring off for Viking, unassisted. Good goal tending by Darren Josephison kept Viking in contention throughout the series. Total points accumulated in the two game series are as follows: Viking 10 and Vegreville 6.

INVEST A STAMP IN THESE TWO MONEY SAVING, ENERGY SAVING, BOOKLETS

Canadians living in different parts of Canada have different energy needs. For example, the climate in Victoria is different than the climate in Alberta. And that's why our two booklets are so important. They're both designed to help Albertans find money and energy saving solutions that match conditions in Alberta. In fact the information you can get from the ENERSAVE booklet is custom-tailored to your own home and its specific energy requirements.

Here's what both of these compact and to-the-point information pieces can offer you

ENERGY MATTERS

This booklet discusses ways for you to save energy and money at home and in your car. It also provides useful information on Alberta's and Canada's energy resources. It's a valuable booklet for students, car and home owners alike. It discusses common points of heat loss in the home. Plus furnaces. Water heaters. Fireplaces. Insulation. Windows and doors. And lighting. For your car it looks at such energy related areas as vehicle weight, engine size, transmissions, tire types and energy efficient driving tips.

ENERSAVE

Read this booklet. Fill out the questionnaire included. Mail it away. Then watch for a personal computer-guide to saving energy in your home to arrive by return mail.

The questionnaire asks basic questions about attic, roof, wall, foundation and exposed floor insulation. It assists you in answering questions about your windows, weather stripping and thermostat settings. A personalized computer print-out suggesting how your individual home could become more energy efficient will be sent to you. This computer form will suggest energy efficient changes you could make. But that's only the beginning. You will also be shown how much you could save, about what the job might cost, and the number of years it will take (approximately) for the energy savings to equal your dollar outlay. Special comments of interest to you regarding your home are also included.

Bruce Stampede - Biggest Little Rodeo In The World

Not only is the Bruce Stampede in the small town of Bruce, Alberta, the largest one-day, one-performance rodeo in Canada, it also is the largest one-day, one-performance rodeo in North America. This information is based upon added purse and is documented in the 1980 Championship Edition of the Pro-rodeo Sports News.

In 1979 Bruce added a total purse of $3,750.00 for its July 29th rodeo. The second largest one-day rodeo by added money is Augusta, Montana, with a total added purse of $3,000. The Brooks Rodeo, which was held June 8, of last year has a total added purse of $4,000 and is a one-day rodeo. However, the Brooks rodeo has two performances an afternoon and an evening performance.

Alberta had a total of 90 CRCA performances in 1979 with a total added purse of $136,150. Saskatchewan had a total of 39 performances with a total purse of $85,375

British Columbia was third with 23 performances and $49,750 in purse, while Manitoba had 8 performances with a total of $20,750 in purse money.

The preceeding article has been reprinted from the Feb. 15, 1980 issue of Canadian Rodeo News.

Viking Pee Wees

On Thursday evening Killam came to Viking for the semi-final league game and were defeated 10-4. Scoring for Viking were Keith 2, Kripa 2, Wieczura 2 and singles to Majeski, Anton, Clouston and Place. Assists were picked up by Vitek 4, Wieczura 2, Lawes 2, Majeski, Volkner, Ash, Antos, Place, Rauser and Keith.

Saturday evening the Viking Pee Wees played their opening game of provincial zones play-offs. The Elk Point team met with Viking, at the Carena for the first game of a two-game total point series.

The Viking Pee Wees played hard and it paid off as they won the game by a 10-1 score.

In the first period Viking pulled ahead with a 4-0 lead. The second saw Elk Point checking hard and holding our boys to two goals while they netted one.

Viking again pulled away in the third, scoring four more goals. Heading the scoring for Viking was Dean Antos with 4, while Clouston and Wieczura netted a pair each. Thaczyk and Keith followed with singles. Assisting were Vitek 2, Clouston 2, Thaczyk 2, Lawes 2, Place 2, Antos and Volkner.

This Thursday the Viking Pee Wees host Sedgewick in the Battle River League finals. The game will get under way at 6:00. On Saturday the team will make a trip to Elk Point for the second game of the provincial series. Ice time for this game has been set at 7:30 Saturday evening.

Viking Midgets Win First Round Of Provincials

The Viking Midgets travelled to Lloydminster last Friday night for their first Provincial game in the Zone 2 play-offs. This game was against Lloydminster's combined second and third team.

The game was only four minutes old when Lloydminster scored on a high lobbing shot that eluded the Viking goal tender. The boys came right back and evened the score when Allan Evans scored at 4:35. Kevin Maxwell drew an assist. The first period ended with the score tied at 1-1.

The second period saw Viking outplay Lloydminster, but due to good goal-tending in the Lloydminster net, the boys only managed one goal. This was scored when Kevin Maxwell deflected a shot from the point. Kirk Maxwell and Allan Evans drew assists.

In the third period the boys had some good scoring chances, but again could only put the puck in the net once. Murray Josephison scored with Kirk Maxwell and Allan Evans assisting. Lloydminster had a few good scoring chances, but Scott Brower made some good saves and when the final buzzer sounded, the boys had defeated Lloydminster 4-2 and in the two game total point, outscored Lloydminster 7 - 3.

This victory advances the boys into the second round of play-offs. The first game of this round is against Manville with the first game in Manville on Friday night.

The second game of the series will either take place on Saturday or Sunday in Viking. The boys would like to thank all the fans for their support so far and they hope it continues.

Lloydminster got on the score board when they scored on a slap shot that beat the Viking goal tender. Just before the period ended, Scott Taylor scored with Joseph Wieczura and Murray Josephison drawing assists. The period ended with the boys leading 4-1.

In the final period the boys couldn't put the puck in the net despite many opportunities. Meanwhile, Lloydminster scored the only goal of the period when they scored from a goal-mouth scramble.

When the final buzzer sounded, the boys had defeated Lloydminster 4-2 and in the two game total point, outscored Lloydminster 7 - 3.

Viking Cubs To Host Flagstaff District Ice Stampede

During a regular meeting on the evening of Monday, January 28, the cubs and their leaders had a tour of the Viking Fire Department. The local Fire Chief, Gordon Draper, explained to the boys how to place a Fire Alarm. He also explained and identified the individual pieces of fire fighting equipment and what each was used for. All the boys and the leaders left knowing a little more about our local Fire Department.

Sunday, February 10, saw a group of 8 boys, parents and leaders travel to the Buffalo Lake District Ice Stampede which was held in Coronation. Following Opening Ceremonies, the boys took part in the costume judging in which they placed second, dressed at Viking Warriors.

The Chuck Wagon Races followed. In these competitions, six other towns were also out to capture the trophy held by Viking who were last year's winners.

The Viking boys looked good in the first heat, skating to the best over-all time. However in the final race, they were caught in the traffic and managed to place third in the final standings behind the cub packs of Castor and Coronation.

Everyone enjoyed themselves and are looking forward to the Flagstaff District Ice Stampede which will be held in the Viking Carena on March 2, at 2:00 p.m. Boys from this District and other Districts will be attending making an afternoon of good family entertainment. Everyone is invited to attend. If you have not seen an Ice Stampede before, why not join the crowd at the Carena on Sunday, March 2.

B. Anderson.

Irma Tom Thumbs To Host Tournament

Irma Tom Thumbs travelled to Chauvin Saturday to take part in the Chauvin tournament. The team left at 10:00 and arrived home tired but happy at 9 that night. They had brought home the trophy.

Their first game was against Chauvin, Irma coming out on top with a 4 - 3 score. Goals for Irma were handled by Troy Ronjom 2, Greg MacKay and Stacey Larson with one each. Chauvin's goals were scored by Chad Thirsk and Darren Olson. Each team received a minor penalty.

Irma's second game brought them up against Wainwright. Both teams played well and skated hard. However, Irma again managed a win with a score of 6-5. Top scorer, Troy Ronjom, netted four and Stacey Larson picked up two. Wainwright goals were netted by J. Miller with 4 and J. Bzowy 1.

Irma's third game was played against the Paradise Valley Tigers. This too was a close and exciting game and it wasn't until the third period that Irma stretched out with a 3 point lead leaving the ice on a 7-4 score.

Irma goals were scored by Greg MacKay and Troy Ronjom with 2 each, Sheldon Archibald assisted by Troy Ronjom, Lenny Larson and Stacey Larson with angies on assists from Sheldon Archibald.

The Irma Tom Thumbs will be hosting their own tournament on Saturday, March 1. Six teams are entered - Chauvin, Viking, 3 teams from Wainwright and our local team. It should prove to be entertaining hockey so plan to come out and support these young fellows.

Irma Tom Thumbs - (back row left to right) Donald Lukens, Quinton Prior, Troy Ronjom, Ron King, Vicky Keller, Greg MacKay, Sheldon Archibald, Shannon Archibald. (second row left to right) Darren Larson, Trent Bzowy, Lee Gwinn, Glen Gwinn, Lee Larson, Chris Nash, Danny Larson, Shawn Jones. (front row left to right) Tory Furd, Dwayne White, Stacey larson, Jody Costall, Perry Charest, Jody Fenton, Lenny Larson, Robbie Williams. (Coaches Phillip and Wayne Gwinn - missing from the photo!)

Mites Win Tournament

On Saturday, February 23, the Irma Mites held their annual hockey tournament with the Wainwright Royal Purple Mites, Wainwright Tomboy Mites and the Manville Mites participating, along with the home team.

The opening game found Irma defeating the Wainwright Tomboy by a score of 4-1. Scoring goals for Irma were Doug Larson 2 goals unassisted; Gene Lukens 1 goal, assisted by Rick Burton; and Leslie Creasy 1 goal assisted by Doug Larson. The Wainwrigh goal was by B. Sinclair, unassisted.

Manville met the Wainwright Royal Purple next with the win going to Manville 10 - 7. Scoring for Manville were V. Bryden 5 with one assist from C. Woywitka; C. Woywitka 4, with one assist from G. Bauer, B. Wasiln 1, assisted by V. Bryden. Scoring for Wainwright Royal Purple were R. Byrne 4 with one assist from D. Gibson, C. Crichton 1, D. Gibson and R. Bogie 1 each.

The Wainwright Royal Purple and the Wainwright Tomboys played for the B Trophy with the win going to the Wainwright Tomboys with their winning score of 10-2. Scoring for the Tomboys were: Mr. Phillips with 5 goals, assisted on 2 by R. Lynn and 2 by B. Sinclair; B. Sinclair 3 goals assisted on 1 by M. Phillip, M. Lissimore 2, assisted on 1 by R. Stearn and R. Lyan and on 1 by R. Stearn and K. Fuscko.

Scoring for Wainwright Royal Purple was R. Byrnes with 2 goals unassisted.

Manville played Irma for the A Trophy with Irma victorious on a 5-3 note. Scoring for Irma was handled by Jason Costall 1 goal assisted by Gene Lukens and Shanon Hollar, Leslie Creasy 1 goal assisted by Darryl Barker and Doug Larson; Doug Larson 3, assisted by Dave Larson, Leslie Creasy and Darryl Barker.

Goals scored for Manaville were by S. Macleod 1 goal unassisted; C. Woywitka 2 goals, assisted on 1 by W. Nicholson.

Thank you to the players, coaches and parents for making this such a successful tournament.

Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta

Wednesday, March 5, 1980 Volume 1 No. 4

Winter construction progress on the Viking Hospital has been done mainly on the lower level although plans are to have the roof completed by the end of March. Staff Photo

Progress Of New Viking Hospital Steady During Winter Months

The work on the new hospital is hidden behind the concrete walls of the basement and the frosted plastic hoarding on the main floor. A trip inside these walls allows you to see many workmen, miles of electrical conduit, duct work, water and sewer lines and medical gas lines.

In the centre basement core, all the block work is complete, dividing the area into the boiler room, emergency generator room, laundry, central sterilizing, bulk storage, pharmacy, staff change areas and lounge, store rooms, kitchen and staff dining.

The ceiling is a mass of electrical conduit, telephone conduit, mechanical systems (water and sewer, medical gas pipes and air conditioning duct work.) This phase of the construction will continue for the months of March, April and May, then will be "hidden" when the suspended ceiling is installed.

In the boiler room, the majority of the major equipment is in place, but not hooked up. This includes boilers, air compressors, suction equipment, heating systems exchangers, distribution panels and control panels for the electrical and air conditioning systems.

The crawl spaces under the north and east wings are being filled with the electrical and mechanical systems that feed the wards. This method of hospital construction offers easy access to such items as water and sewer lines, medical gas lines and some electrical lines that may require servicing from time to time.

On the main floor the north and east wings are framed with metal studding, giving the wards a dimension. All studding throughout the hospital is metal to conform with fire codes. The medical gas outlets are positioned in each room, with the electrical and other mechanical lines proceeding behind the framing crew. The schedule calls for the entire area to be framed next; then moving out into the outpatient, administration, and operating room areas. If the weather is favorable the face brick will be applied in April

Depending on the weather, the roof will be finished by the end of March. The roof construction consists of a Q deck or metal deck with gypcrete covering the Q deck. Vapor bearer is applied next, then foam installation, membranes and gravel being applied last.

At the time of writing, 7 individuals and or organizations have contributed $1,580.00 to furnish wards in the hospital. There have been several other substantial donations which will be used to purchase equipment and furnishings.

In reference to a letter which appeared in the January 2, 1980 edition of The Weekly Review, these donations do not effect the amount of provincial funding which is required to equip the hospital. The provincial government does not withhold funding because the citizens of a community wish to donate to their hospital.

All equipment and systems approved by the Department of Hospitals and Medical Care necessary for the operation and servicing of the buildings is paid for by the Provincial Government. This approval is based on accepted standards as laid down in current acts, Regulations and Standards Publications. Any equipment or systems in excess of those approved will be installed by the local Board ONLY by permission of the

Viking School To Host Career Day

On Thursday, March 13, the Viking School will be hosting "Explorations in Career Planning". Approximately 760 grade nine to twelve students will be attending the sessions planned at the school. The students attending will be from the Counties of Beaver, Minburn and Two Hills.

"Explorations in Career Planning" is a program in which business, industry, government, and educational institutions represent vocational fields by preparing exhibits depicting the nature of the requirements and demands for various occupations and careers.

The day provides students with the opportunity to become aware and acquainted with various occupations and careers available to them in the work world and have personal contact with people who represent them.

The Career Day is held every year on a rotational basis among the three counties participating. Every three years the sessions are held at the Viking School. Classes for all students from kindergarten through grade 8 are cancelled for that day, with all grade 9 to 12 students expected to attend the full day of career sessions.

Each student has preregistered in as many as six areas of interest out of a possible 25 options. Each student will be scheduled into the sessions of their choice so that no one session will have too many participants.

The sessions provide a wide variety of career options for the students. Sessions will focus on careers in professions such as teaching, engineering, the petroleum industry, the armed forces, and the police force. Career Day will also feature sessions outlining the educational opportunities provided by Grant MacEwan, Olds, and Lakeland Colleges as well as N.A.I.T.

The "Explorations in Career Planning" is being organized by Mr. Randy Ness. Careers Guidance Counsellor and teacher, Mr. Ness expects the sessions to stimulate students' interest in educational and career planning.

The large number of stud-

Holden Hosts County Science Fair

The "E" category at the County Science Fair was won by Holden's Lawrie Kowalchuk. Staff Photo

Holden School gymnasium was the site of the County of Beaver #9 Science Fair on Monday evening. Over 50 entries from Viking, Holden, Ryley and Tofield competed for the honors in the five main categories and three special sections.

Students were entered in one of the five main categories, with each entry being eligible for one of the special awards. The A category was for Senior High school entries, the B category for the Junior High pairs, the C category for Junior High singles, the D category for Elementary pairs and the E category for Elementary singles entries. The three special categories were for the best project in each of ecology, agriculture and energy conservation.

Displays were set-up in the gymnasium between 2:30 p.m. and 3:30 p.m., with judging following until 7 p.m. Upon completion of the judging, the Assistant Superintendent of Schools, Don Kondrat, announced

Continued on Page 10

Viking Chamber To Host Community Forum

A motion was passed at the February meeting of the Viking and District Chamber of Commerce that the Chamber host a Community Forum.

The Community Forum is a locally sponsored event in which participants identify the social and economic challenges facing their community and develop proposals for new directions of action.

These challenges and proposals, along with a community story, and symbol are published immediately and distributed to the participants. Communities across the country report that Forums are particularly effective in catalyzing local initiative. To date, more than 4,000 forums have been held in 29 nations.

Mr. Duncan Holmes and Ms. Ellery Ellsmodo of the Institute of Cultural Affairs attended the meeting and gave an overview of how the Community Forum could help Viking to:

- Recreate a spirit of neighborhood
- Encourage support for existing activities
- Restore and boarden local initiative
- Recover the unique role of the community

In other chamber business discussion was held on the STEP program, community calendar project, the 75th Anniversary Committee and the Midget Provincial hockey tournament to be staged in Viking on March 28, 29 and 30.

The next regular meeting of the chamber is slated for Thursday, March 20, at 7:15 p.m. in the Burger Queen Banquet Room.

Minimum Wage Increases

The minimum wage for persons eighteen years and over in Alberta is to be raised to $3.50 per hour from the present rate of $3.00 per hour. This increased rate will go into effect on May 1, 1980. The increase of 50 cents per hour was announced recently by the Minister of Labour, Les Young, following the Board of Industrial Relations' recommendation.

The previous increase in the province's minimum wage occurred in March of 1977.

As part of the minimum wage increase package, employees under the age of eighteen years are entitled to a raise in minimum pay from $2.85 per hour to $3.35 per your. In addition, the minimum rate for students under the age of 18 years, is scheduled to rise from $2.50 per hour to $3.00 per hour.

This increase affects more than 20,000 workers in the province who are now earning up to or near existing minimum wage levels. Approximately 60 per cent of these employees have no dependents and over half are under 25 years of age.

The minimum wage increase will result in Alberta having the third highest minimum wage in Canada which ranges from a high of $3.65 for Saskatchewan and Quebec to a low of $2.75 for Nova Scotia and Prince Edward Island.

Such An Opportunity!!

Seldom does a rural community in Alberta have the opportunity to host a provincial sports championship tournament. Fortunately for the rural communities, we are categorized into various groupings depending upon our population which afford us the opportunity of being a host for our particular category. But even then we may be competing for the hosting of the tournament with several centres.

Viking has been fortunate to have been selected as the host centre for the 1980 Provincial Midget C hockey tournament. Perhaps Viking deserved it, as for a number of years parents in Viking have been travelling from one end of the province to the other so that their youngsters could take part in provincial playoffs. Even so, Viking could have been passed up and the tournament given to some other centre in Alberta.

Now that the Viking Minor Hockey Association has secured the tournament, it is up to the community to support it. And so far many residents of Viking have done just that. The immediate action by the Town Council and by many businesses and individuals with their financial support is a fine display of community spirit. It takes a large amount of money and a great deal of time to host a provincial tournament. Minor hockey can't do it without the full backing of the businesses, organizations and individuals in the community.

Over the next few weeks, various members of the Tournament Committee will be soliciting support for the tournament. This is an opportunity for residents of Viking and district to "show off" the community to visitors from all parts of Alberta. Such an appropriate event to celebrate Alberta's 75th anniversary!

Letter To The Editor

Dear Sir:

The Committee for a 75th Anniversary Swimming Pool would like to report to interested people, that submission has been made to the 75th Anniversary Committee suggesting the total grant for Viking and District be used toward an outdoor pool for the Viking Community.

We are convinced that if the total amount of money is used on one big project, a larger number of people will receive a fair benefit from their share of the money, than if it is parcelled out in small quantities to individual groups.

It stands to reason that whatever one group receives in this regard, a second group has the right to expect in equal treatment. The total amount would be guess, with no great project to bear witness to a 75th Anniversary.

The total amount to Viking and District is almost $50,000 and combined with the Bank interest on this money until such time as the project is complete, there would be a very small amount of money required to complete the $70,000 pool we have requested.

We hope many of you will be out to our meeting on Friday, March 14th at 8:00 p.m. in the Youth Room at the Viking Carena to give your support or criticism to this matter. Cordially yours,

Viking Swimming Pool Committee.

Vehicle Registrations To Be Made By Mail

It's almost motor vehicle licencing time again and this year there's a difference. Most Albertans will no longer have to wait in long line-ups at the issuing offices to get their tags.

For the first time on a province-wide basis, vehicle owners will be able to renew their registration by mail.

Licence renewal applications will arrive in the mail around the first week in March. If all the information is correct, the vehicle owner can complete the form and mail it back with a cheque or money order. A trip to the issuing office is required only if there are any changes to be made on the registration, or if the mail-back deadline of April 15 is missed.

The licence validation sticker will be returned to you by mail.

For 1980/81, this sticker is to be placed in the lower right-hand corner of the licence plate.

If an owner misses the April 15 deadline, or if he doesn't receive an application in the mail, he should visit a Motor Vehicle Issuing office before April 30.

Motor Vehicle Division Licence Issuing offices are open Monday to Friday, 8:15 a.m. to 5:30 p.m.

Mainstream Canada

Let's Train Our Own People

By: Roger Worth

A heavy equipment company recently advertised in a prestigious national business publication seeking a general manager. The starting salary: $30,000 per year.

At the same time, another firm advertised in the same publication seeking a diesel mechanic. The starting salary: $50,000 per year.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

Admittedly, the diesel mechanic would be located in a remote area of northern British Columbia. But it's intriguing that at least one tradesman in Canada is earning as much money as a general manager of a firm with sales of $15 million.

The point, of course, is that there is an acute shortage of skilled trades people in the country and the situation is going to get a lot worse before it gets better.

In addition, salaries paid to skilled workers are rising at a phenomenal rate as shortages become more evident.

Meanwhile, more than $300 billion will be spent on major energy related projects in the country in the 1980s. As a result, the experts estimate Canada will need at least another 40,000 trained workers.

Until recently, most governments in Canada have generally taken a wait-and-see attitude toward upgrading manpower training and apprenticeship policies and programs.

In a recent survey taken by the 95,000-member Canadian Federation of Independent Business, for example, 17% of those interviewed listed shortage of qualified labor as their most important problem.

A crash program to train Canadians to fill the high-paying jobs that are now going begging is urgently needed. Otherwise, the pressure to import even more skilled trades people from other countries - while untrained Canadians remain unemployed - will become unbearable.

Viking Hospital

Continued From Page 1

Department of Hospitals and Medical Care. The approval requirement for extra equipment is there for the safety of the patient as the Department will not allow any organization or individual to purchase equipment which can not be backed up by the expertise to operate that equipment.

For a great number of years individuals and organizations have been donating money and/or equipment to the Viking Hospital. These donations have been given because the citizens appreciate the care given to them or their relatives and/or wish "their" hospital to have some little extra piece of equipment. This is not an isolated case in the province as every hospital, old and/or new receive donations in this manner.

"Explorations In Career Planning"

Continued From Page 1

ents expected for the day's activities will be expected to attend a full day of sessions and, except for Viking students, will be restricted to the school and the Community Hall where a lunch may be purchased by all those attending.

Mr. Ness stated that the "Explorations in Career Planning" days in the past have been valuable to the students and he expects that the 1980 session, on March 19th, will be just the same.

"Educating For The '80's"

"Educating for the '80's - Our Living Heritage Trust" is the theme of this year's Central East Teachers' Convention being held March 6 and 7 at the Chateau Lacombe.

While students have two days off, approximately 1,000 teachers and other professionals from the Counties of Beaver, Vermilion, Wainwright, Flagstaff, Paintearth, Neutral Hills, Provost, Camrose and Camrose City are expected to attend the various sessions.

The keynote speakers, both world reknown are Dr. Ambrose Brazelton and Dr. David Suzuki. Dr. Brazelton, a native of Ohio, will open the convention. He is an acclaimed speaker and Educator in the United States.

The closing speaker, Dr. Suzuki, a native of Vancouver is an acclaimed lecturer throughout the North American continent and over the world. He has won recognition from the National Research Council, The Canadian Human Rights Foundation and NATO.

Rayzell Andreychuk will greet the teachers at a Thursday morning breakfast. Presently she is the Chancellor of the University of Regina and is also Judge in Provincial Court of Regina.

The two days are packed with many other speakers also experts in fields that have an impact on education.

Some sessions will feature speakers who will relate their experiences in other countries. Edie Dayton, a teacher in Camrose City participated in the Canadian Teachers Federation Project Overseas, will show a slide presentation of Thailand. John Amatt, an experienced mountain climber of twenty years will present "Land of the Big Ice" - a visual portrait of the Canadian North.

In the Languarge Arts field, Dr. David Booth, Chairman of the Dramatic Art Department at the University of Toronto; Mary Burchak, a drama teacher for Edmonton Public; Dr. Beverly Mitchell, English professor at the University of Alberta; Cara Taylor, a writer; and Mary Oswald, a lecturer at the U. of A. will present seminars and workshops about recent innovations in teaching English. Dr. Kathy Dueck, a specialist in Elementary Social Studies and Frank Horvath a Social Studies consultant will present seminars concerning the new Social Studies curriculum.

Dr. David Suzuki

In Mathematics, Kathy Wiber a math consultant for Edmonton Public; Mr. H.J. Hallworth and Ann Brebner, professor of Educational psychology at the University of Calgary will present sessions in both primary and secondary math.

Ivan Stonehacker will direct a seminar for the secondary science teacher.

The convention also addresses non-academic areas. Ethel Marlins, a Consumer Commentator and broadcaster with the CBC, and Laurier Landry of Richardson Securities will present seminars on money management.

Dr. Keith Floyd, a clinical psychologist at Alberta Hospital will deliver a session called "Education Behind the Irony Curtain." A session especially designed to inspire teachers will be delivered by Dr. Robert Hatfield who is a practitioner of Internal Medicine. John Wood, associate director of Student Evaluation in the Department of Education will present a session on student evaluation.

Frank Jensen, an inventor will pursue the subject of energy conservation. Keith Harrison, an expert in the area of legalities related to teaching will present a session for the new and experienced teacher.

Out-of-hotel sessions, focusing on drama, music, industrial arts will take teachers to various schools throughout Edmonton. Bluelake Centre and North Star will provide experts in the field of outdoor education and physical education. The handicapped child will be the centre of focus at the Glenrose Hospital.

Throughout the convention, teachers will have the opportunity to view and purchase recent books and other materials displayed by various publishers and educational businesses.

And then.....there will be the nighttime excitement. Evening socials on Wednesday and Thursday will enable teachers to meet and relax. Hopefully the teachers will gain a broader and more meaningful humanistic and educational approach to teaching.

Parkland Nursing Home

Get well wishes are extended to our friends in the hospital - Mrs. Tehir, Mr. Krizner and Mr. Muchanuk. Mr. Murray has returned home after a lengthy stay in the hospital. It is good to have him back home.

Mr. Ritland enjoyed visits with Shelly, Jason and Terry Lusk, Olive Good, Daryl Andrukow and girls.

Calling on Charlie Auburn was his sister Honey Curtis of Strome.

Ross and Harvey Ward from Ryley visited with Mrs. Mabel Ward.

Vern, Elaine, Rhods and Lynette Uzubko were in to visit with Uncle Fred Uzubko.

On Friday, the Kinsella O.U.R.P. hosted the February Birthday Party. Celebrating birthdays this month were Joe Birdicka, Cornelius Murphy, Thomas Lennant and Bill Cheyl as well as Theresa Block who was 100 years young. The ladies provided a lovely lunch, a sing song and twirled around the dining room with several of the residents. Thank you ladies. We always enjoy you visit.

Greetings to our new resident, Mrs. Lula Fredricks from Bruce. Hope you are happy in your new home.

Novel Writing Work Shop To Be Held

A Novel Writing Workshop that features several of Alberta's most successful and prolific authors will be sponsored by Alberta Culture and presented at the Lethbridge Community College, Lethbridge, March 22 and 23.

The workshop will focus on writing a novel for today's market, topics for discussion include: plotting a novel, characterization, dialogue, and research techniques.

Teaching the workshop are John Hallem, author of The Devil's Lighter, The Dirty Scenario, The Judas Conspiracy and The Moon Pool; June Bhatia, author under the peaname of Helen Forrester of two works of non-fiction, Twopence To Cross The Mersey and Minerva's Stepchild and three novels, Alien There Is None, The Latchkey Kid and Liverpool Daisy; and John Patrick Gillese, Director of Film and Literary Arts, Alberta Culture, who has been working as a freelance writer for over thirty years and has sold short stories and non-fiction to over 200 magazines across Canada and the United States, as well as writing Kirby's Gander which was released as the feature length movie "Wings of Chance".

Registration for the workshop will be limited to permit individual attention. Workshop fee is set at $30.00. Participants are expected to provide their own meals and accomodations. The deadline for receipt of applications is in March.

Looking Back . . .

The second milk delivery service to be established in Viking following Percy Maine's mule was that of Pete Rosen's Milk Wagon. This picture was taken in 1936 and the "Milkmaids" are Gerda and Esther Rosen.

BRTA Plan Annual Cavalcade

The February meeting of the Battle River Tourist Association was held at Holden, Alberta during the last week of February. A total of 25 delegates attended the supper meeting.

It was reported that plans for the annual BRTA Cavalcade are well under way. The affair will be held the weekend of May 24-25, 1980. The cavalcade has become very popular over the years and organizers have to limit the participation to sixty units. The cavalcade will take participants on a tour of various highlights that can be found in Battle River Country. Anyone is welcome to join the cavalcade. Registration is set at $15.90 per unit. For detailed information, contact the Battle River Tourist Association Office at Box 1515, Camrose, Alberta T4V 1X4 or Phone 672-5555.

The Battle River Tourist Association has expressed concern in the recent past regarding the condition of Highway #53, linking Beaverlow, Donalda and Forestburg. BRTA Manager, S. Clemens advised members that correspondence from D.J. Bussard of Alberta Transportation indicates that while reconstruction of the grade has been held up due to right-of-way acquisition, it is anticipated that the reconstruction program will be carried out in 1980.

It was reported that the 1980 Annual Meeting of the Battle River Tourist Association will be held in Camrose on October 22, 1980 and will feature well known radio news broadcaster, Mr. Bruce Hogle, Manager of News and Public Affairs for Sunwapta Broadcasting Limited as the guest speaker.

Finance Chairman Gertrude Thieme of Stettler announced that Battle River Tourist Association had received word from the Travel Alberta Zone Assistance Board respecting the annual provincial grant that the association would be receiving in 1980. Not including a standard advance of approximately $2,800.00 that the association received earlier in the year, the Board announced that the Battle River Tourist Association would receive a grant allocation of $30,000.00 for 1980.

In other business it was decided that the BRTA would have a booth at the Wetaskiwin Trade Fair to be held April 11, 12 and 13; at the Stettler Trade Fair on April 25, 26, and 27 and at the Wetaskiwin Mall Show on July 3, 4, and 5. The Association will also be participating in the Edmonton and the Calgary Sportsmens Boat and Trailer Shows being held on March 5-9 in Edmonton and March 19 to 23 in Calgary.

Mr. Waldon Smith, City of Wetaskiwin Representative advised the members that Stan Reynolds had offered to donate all or most of the Stan Reynolds Museum which is located in Wetaskiwin to the Province of Alberta. It was moved by Association members that the Battle River Tourist Association take the necessary steps to urge the government to accept the offer of Stan Reynolds and establish a Provincial Museum in the Wetaskiwin area.

Manager E. Clemens also detailed a Provincial Hospitality Awareness program being sponsored by Travel Alberta. The program is centered around the concept "Reach Out A Friendly Hand", and is being offered to all Alberta businesses. Members moved that the Battle River Tourist Association fully support the Provincial Hospitality Awareness Program and that Zone 5 communities be invited to participate.

The next regular meeting of the BRTA will be held at Coronation, on March 29, 1980. All members are invited to attend.

Vialta Lodge News

Buzz Cotter and John Gillard visited with Mr. Cotter.

Renata Johnson called in to see Mr. Elmer Johnson.

Mrs. Anderson is home from a visit with her son Ian and family at Richmond, B.C.

Visiting with Grandma Reger on Saturday were Dorothy Connell and Elaine Reger taking her out for supper.

Saturday evening Mrs. Holm went out for supper with her son and family, Shanel, Clarence and Denise. They also visited on Sunday before returning to Lacombe.

Ida and Phil Austin called at the Lodge taking Mr. Eickmeyer home with them.

Hello to Mr. J. Beechell who is in the Misericordia Hospital. Mr. Carl Woder and Mrs. Hunt are patients in the Viking Hospital. We hope you will all be feeling fine and home soon.

We will be quilting on Thursday, March 6th and Wednesday, March 12th. Please note change of day. Bingo will be held on Wednesday, March 19th. Quilting will be held on Thursday, March 27th and our Card Party will be on Tuesday, March 25th at 8:00 p.m.

Do You Know The Bible Says

By Mrs. W. Myers

I exort therefore, that first of all, supplications, prayers, inter-sessions and giving of thanks, be made for all men....for kings and for all that are in authority: that we may lead a quiet and peaceable life in all godliness and honesty.

For, this is good and acceptable in the sight of God our Savior who will have all men to be saved and to come unto the knowledge of the truth. For there is one God and one mediator between God and man....the man Christ Jesus 1.Tim.2: 1-5.

God works in wonderous ways, His wonders to perform.

He plants His feet upon the sea and rides upon the storm. Doesn't this really warm your heart?

God works behind the scenes when no one is conious of it, but preparing things for a purpose He has in mind for a time in the future.

Instances of this are seen in the saving of the life of little Moses: the selling of Joseph to his brothers to Egypt and many others.

God laid His hand upon Abraham, a man raised in idolatory, with no knowledge of the One True God, and led him out to an unknown country to use him as the beginning of a chosen people and nation through whom He could show the world His deity, His power, His omnipotency, His love and mercy.

Events of our present days show the working of God to bring about his purposes and also as an encouragement for those who have been praying for the leaders of our country and those who have authority over the affairs of the country.

As we pray, God works. As in the case of Esther when she went before the king, risking her own life to save her people the Jews; it was said "and who knoweth whether thou art come to the kingdom for such a time as this. Esth. 4:14.

God has a whole world in His hands and each leader is appointed according to God's purpose.

The Christian has the greatest weapons at his disposal: the Bible, Gods word, Gods Grace, Gods Holy Spirit and the Lord Jesus Christ to whom we are to direct our prayers, and Who intercedes with God the Father for our petitions.

Friends be encouraged and pray as never before for the leaders of our country and for our freedoms. Also for the freedoms of other countries such as China is experiencing right now. Praise be to our Great God.

Canfarm Sets Viking Strategy

Calgary, February 15, 1980– Ten territories have been mapped out in an aggressive new marketing approach for Canfarm in Alberta.

This new strategy is part of this company's plan to intensify its service to farmers across the country. "We now have a range of farm financial management and production planning service to suit the needs of all farmers, "said Bob Funk, Canfarm's Region Marketing Manager.

"But we fully realize that good products must be backed up with first rate local service and that's what we're going to do."

The establishment of the marketing territories coincides with the launching of Canfarm's new financial management and Record keeping services. These include taxpac, a service which also allows farmers to use their records for management and planning; and Corp-pac, a service specifically designed for corporate farms.

Farmrite is a completely new service developed by Canfarm in cooperation with Safeguard Business Systems. This unique system allows farmers to do their records as they pay their bills. Each time a cheque is written, the information is automatically recorded on a journal. Canfarm then transforms the journal into an easy-to-understand set of farm financial management.

Some of the production management services, such as the Dairy Feed Service and the Beef Finishing Service, will be available to farmers through companies who have elected to become Canfarm Agents, while still other services such as the Sow Mangement Service will be available through Canfarms representatives.

Parrish & Heimbecker, through their subsidiary, New Life Feed were the first feed mill to reach an agreement with Canfarm to offer two services to their clients. Swift Canadian and Unifeed are now working together with Canfarm's production services. Agreements with others who service agricult ure, such as some veterinarians, are in the offing.

The territories set out in Alberta are described by a main centre in each one. These are Medicine Hat, Lethbridge, Calgary, Olds, Oyen, Red Deer, Edmonton, Vermillion, Edmonton North and Peace River. At the present time, Canfarm is servicing these territories from their two main offices together with representatives in the field. Bob Funk is work out of the Edmonton location. Carlyle Bradshaw (production specialist) and Cyril Johnson will out of Lethbridge and Olds respectively.

Another part of the marketing plan of the new Canfarm is the intensification of its agents in Alberta. These agents are using Canfarm services for their clients giving farmers a wider and more varied choice of whom they deal with.

One of the accounting firms activily using Canfarm is Bob Trueman of Deanrite Accounting in Camrose, Cornochan and Stettler. Bob is using Canfarms service to Handle the Bookeeping and tax filing with 100 of his 750 farms clients.

"We've recently added another business offering a record keeping service," said Bob Funk. "This is Vicky Neeby of Agra-Business Records in Ponoka.

For more information contact the following Canfarm office. Randy McGillivray Canfarm Co-operative Service,201-7911-101st,Edmonton, Alberta ,T6E-3Y7

Town Of Viking Council Minutes

Continuation of the regular meeting of February 6, 1980 of Viking Town Council on February 20, 1980, in Town Council Chambers, Viking.

In attendance were: Mayor Hafso; Deputy-Mayor M. Stephenson; Councillors R. Labreche, K. Midbo, L. Josephison, W.R. Taylor, R. Evans, and Municipal Administrator L. Hanson.

The meeting was called to order at 7:00 p.m. by the Mayor.

a) A letter had been received from W. Rushton regarding proposed subdivision of part of Block 32 and purchase of a triangular piece of property from the Town, asking that the Town proceed with the necessary documents for the proposed subdivision.

Moved that it is the intent of Council to dispose of Part of Reserve Parcel Lot R, Block 30, Plan 4699MC for the purpose of residential subdivision. Carried.

It was moved that notices re the above motions are to be advertised in two editions of the Weekly Review. Carried.

b) A letter had been received from the Viking Chamber of Commerce advising that the Chamber would coordinate the 75th Anniversary Celebrations.

c) A letter had been received from the 75th Anniversary Commission with the cheque in the amount of $84,640.00 for the $20 per capita grant.

d) It was moved that the letter from the Viking Swimming Pool Committee be referred to the 75th Anniversary Committee. Carried.

e) It was moved that correspondence from Alberta Recreation and Parks re the 1983 Alberta Summer Games Bid be turned over to the General Government Committee for study. Carried.

f) Correspondence had been received re the Alberta Fire Training School Workshops to be held in Vermilion.

g) Correspondence had been received from the Alberta Safety Council re Pupil Transportation Supervisor Workshop in Edmonton, Alberta.

h) Notice from Alberta Municipal Financing Corporation re Annual Meeting on April 21, 1980 had been received.

i) The Alberta Transportation Streets Assistance Program Grant in the amount of $83,754.35 had been received, with the 1980 equalized assessment for the Town of Viking.

j) Information had been received from Alberta Recreation and Parks re the Energize '80 Workshop in Medicine Hat, Alberta, March 13 to 16, 1980 was received.

Messrs. Jack and George Roddick appeared before Town Council and presented a progress report re the proposed subdivision of NW 31-47-12-W4. They informed Council that the preliminary plan of the proposed subdivision has been approved by Alberta Municipal Affairs Planning Branch and an Engineering Consulting Firm has been engaged. Several matters pertaining to the proposed development were discussed including water and sewer services, the water ditch along the highway, and zoning under the proposed land use by-law. A Development Agreement between the Town of Viking and the Developer would be drawn up at a later date.

L. Josephison, Council Representative on the 75th Anniversary Committee, reported on the meeting with Ms. Jeanette Boelst, Regional Director with the 75th Anniversary Commission, and the local 75th Anniversary Committee. He stated that only two submissions regarding projects pertaining to the 75th Anniversary Celebrations have been submitted to date.

It was moved that application be made to Alberta Disaster Services for Mobile Radio equipment under the Cost-Shared Equipment Program. Carried.

It was moved and carried that the following rates be set for use of Town-owned equipment:
Backhoe tractor - $30.00 per hour with operator
Grader - $30.00 per hour with operator
Dump truck - $30.00 per hour with operator
Mower-tractor - $10.00 per hour with operator
Steamer - $10.00 per hour plus operator
Labour - $12.00 per hour
Supervision (foreman) - $15.00 per hour Minimum 1 hour (include water supply)

It was moved that L. Josephison be appointed to attend to having a flag pole erected at the Civic Centre. Carried.

It was moved that an amount of $300,000.00 of the surplus funds at year end 1979 be set up as reserve funds in a Heritage Trust Fund Account. Carried.

j) The Official Oath from the Provincial Assessor, Alberta Municipal Affairs, had been received.

k) A letter had been received from Alberta Municipal Affairs

It was moved that the Public Hearing re the Proposed Future Land Use By-law be set for March 19, 1980 at 7:00 p.m. in the Viking Council Chambers and that notice re the Public Hearing be advertised in two issues of The Weekly Review. Carried.

A letter had been received from the Viking Canoma management Committee requesting financial assistance from the Town for the operation of the Canoma. It was moved that an amount of $3,000.00 be granted to the Canoma Management Committee for the operation of the Canoma. The motion was carried.

K. Midbo moved adjournment of the meeting at 8:10 p.m.

INVEST A STAMP IN THESE TWO MONEY SAVING, ENERGY SAVING, BOOKLETS

Canadians living in different parts of Canada have different energy needs. For example, the climate in Victoria is different than the climate in Alberta. And that's why our two booklets are so important. They're both designed to help Albertans find money and energy saving solutions that match conditions in Alberta. In fact the information you can get from the ENERSAVE booklet is custom-tailored to your own home and its specific energy requirements. Here's what both of these compact and to-the-point information pieces can offer you.

ENERGY MATTERS
This booklet discusses ways for you to save energy and money at home and in your car. It also provides useful information on Alberta's and Canada's energy resources. It's a valuable booklet for students, car and home owners alike. It discusses common points of heat loss in the home. Plus furnaces. Water heaters. Fireplaces. Insulation. Windows and doors. And lighting. For your car it looks at such energy related areas as vehicle weight, engine size, transmissions, tire types and energy efficient driving tips.

ENERSAVE
Read this booklet. Fill out the questionnaire included. Mail it away. Then watch for a personal computer-guide to saving energy in your home to arrive by return mail.
The questionnaire asks basic questions about attic, roof, wall, foundation and exposed floor insulation. It assists you in answering questions about your windows, weather stripping, and thermostat settings. A personalized computer print-out suggesting how your individual home could become more energy efficient will be sent to you. The computer form will suggest energy efficient changes you could make. But that's only the beginning. You will also be shown how much you could save, about what the job might cost, and the number of years it will take (approximately) for the energy savings to equal your dollar outlay. Special comments of interest to you regarding your home are also included.

1. ENERGY MATTERS

2. ENERSAVE

To receive Energy Matters and Enersave simply clip this coupon and mail to:

Holden Chamber Appoints New Executive

The Holden and District Chamber of Commerce list of officers and committees for 1980 are as follows: President - Kevin Stambaugh, First Vice-President Reg Dolson, Second Vice-President - Matt Heifrich, Secretary Treasurer - Harry Christian, Auditor - William Ogrodnick. Board Members include Oleh Shykora, Don MacKenzie, Bert Schweitzer and William Ogrodnick.

The Membership Committee consists of the following members Dennis Shavchook, Bruce Budd, Marilyn Shykora and Mel Haas.

Members of the Public Relations and Promotion Committee are Christine Mackay, Wayne Hamblin, Reg Dolson, and Howard Sawers. Those on the Inter-Government Committee are Harry Christian, Kevin Stambaugh, while the Executive are to fill in on the Program Committee.

The Agricultural representative is Lee Suchy. The delegate appointed to the Battle River Tourist Association is Don MacKenzie. Chamber meetings are held the first Tuesday of each month. Members and new comers are welcome.

Holden And District News

The Holden Water Tower, a landmark here for many years is presently being dismantled. The Holden Village Council advertised the tower for sale after it was replaced by the new reservoir. Don Tkaczyk purchased the tower and now states that he will use the lumber for some farm buildings.

Mr. and Mrs. Randy Stefaniuyn of Edmonton are receiving congratulations on the birth of their first born, a daughter. Proud grandparents of their first grandchild are Mr. and Mrs. Harold Hissett of Bruce and Mr. and Mrs. Joe Stefaniuyn of Holden.

"The Family Man" will be presented at the Holden Arts Centre on March 6, 7, and 8 at 8:00 p.m. and again on Sunday, March 9 at 2:30 p.m.

Holden Seniors were delighted to attend a Supper in their Drop-In Centre February 28th, when members of the Ladies of the Royal Purple entertained them. After supper the senior citizens enjoyed playing cards. Approximately 50 senior citizens attended the supper.

The Holden Village Council at their meeting, decided to discontinue its ambulance service due to the decision that the 1961 vehicle was unsafe to drive.

Village Of Holden Council Minutes

A regular meeting of the Holden Village Council was held on Wednesday, February, 20, 1980 in the Village Office.

The meeting was called to order by Deputy Mayor Giebelhaus at 7:37.

Councillor Stambaugh moved that the minutes of the January 16, 1980 regular meeting be adopted as printed. Carried.

Councillor Giebelhaus moved that payment of accounts totalling the amount of $7,383.76 be ratified. Carried. Councillor Danilak abstained from discussion and voting.

Councillor Danilak moved that accounts in the amount of $12,911.70 be approved for payment with the exception of Cheque No. 624 to Giebelhaus M & M for $43.45. Carried. Councillor Stambaugh abstained from discussion and voting.

Councillor Lemke moved that Cheque No. 624 to Giebelhaus M & M be approved for payment. Carried. Councillor Giebelhaus abstained from discussion and voting.

Councillor Danilak moved that the monthly cas statement be adopted as presented. Carried.

Councillor Lemke moved that Council form the Court of Revision with Mayor Shykora being the Chairman and the date of the Court of Revision being set for March 19, at 7:30 p.m. Carried.

John Podmore, Engineer attended the meeting to discuss the Councillors additional requirements to be included in the servicing master plan.

Councillor Lemke moved that letters be written to Tofiled and Viking Hospital Boards requesting interim ambulance service while the agreement is being drawn up. Carried.

Councillor Danilak moved that the $200.00 donation made by the Order of the Royal Purple for use of the Community Hall be used for curtains in the dance area as requested by the group. Carried.

Councillor Danilak moved that the Holden and District Chamber of Commerce be advised that the Council is presently revising the traffic by-laws for the Village, and areas for parking larger vehicles will be posted, and that at the present time there are no plans to change the parking restrictions on 50 Avenue. Carried.

Correspondence was presented from Alberta Housing Corporation reporting that results of the feasibility study indicated that there was no demand for land banking at the present time. Councillor Giebelhaus moved that a letter be written to Alberta Housing Coirporation expressing concern that the supply of Village lots is minimal and that private developers do not appear to be taking any action to make lots available. Carried.

Councillor Stambaugh moved that the request from Sharon Gill to operate the Holden Laundromat and Jubilee Hairstyling from her premises on Main Street be approved. Carried.

Councillor Stambaugh volunteered to attend the Battle River Tourist Association meeting on February 21, 1980 to bring greetings from the Village.

Councillor Danilak moved that Alberta Environment be requested to survey the ditch required on the Van der Torre property to facilitate lagoon drainage. Carried.

By-law #19-1979, being a by-law to authorize the Municipal Council of the Village of Holden to incur indebtedness on behalf of the Village by the issuance of debentures for the purpose of constructing concrete Curb and Gutter was read a second and third time with the following amendment:

-in paragraph 5 of the preamble and paragraph 4 of the enactment delete "12%" [twelve per centum]" and insert 14% [fourteen per centum].

Councillor Giebelhaus moved second reading including the above amendment. Carried.

By-law #21-1979 being a by-law to authorize the Municipal Council of the Village of Holden to incur an indebtedness on behalf of the Village by issuance of debentures for the purpose of constructing asphaltic paving was read a second and third time with the following amendments:

-in Schedule "A", item 1[c] under the heading "ON" delete block 8 and insert Block 9: item 1[d] under the heading "ON" delete block 9 and insert block 8; item 5, delete $4,732.00 and insert $4,716.80.

Councillor Danilak moved second reading of by-law #21-1979. Carried. Councillor Giebelhaus moved third and final reading of by-law #21-1979. Carried.

Councillor Stambaugh moved ratification of signing approval for servicing Block F. by Calgary Power. Carried.

Councillor Danilak moved acceptance of the monthly cash statement and approval of accounts paid in the amount of $876.91. Carried.

Councillor Lemke moved that the minutes of the North View Manor Management Committee Meeting of January 16th be received and filed. Carried.

Thirty-three items of correspondence were received.

Councillor Stambaugh moved the correspondence be received and filed. Carried. Councillor Lemke moved adjournment of the meeting at 10:50 p.m.

Better Business Bureau Warns Caution:

One of the most lucrative rackets in North America is the *Phoney Charitable Appeal*, the Bureau says.

A promotor makes a deal with a charitable or quasi-charitable organization, often involving sports. This gives him permission to use the organization's name. He then sells goods or services using the "charity" pitch (often accentuates or coupon books) . . . pays his expenses, passes a little on to the charitable organization and pockets the rest. It's a racket.

Charitable organizations require a permit to make charitable appeals in Alberta. The permit is issued under the terms of the Public Contributions Act, after the organization has been carefully checked for authenticity.

The Better Business Bureau of Edmonton and Northern Alberta advises that the following unauthorized charitable appeals are phoney....

Herald Publications, Los Angeles, California

Phones firms to solicit advertising - claims it supports worthy causes. Has no permit to make such an appeal in Alberta.

Alberta Junior "A" Hockey League

Selling Gold Medal Coupon Books. A promoter operation - solicitations from a "boiler room". No Charitable Appeal Permit.

S B Amateur Sports Report Ltd.

Selling advertising and subscriptions. Claims proceeds help Amateur Sports and Handicapped People. A straight "for profit" business. No Charitable Appeal Permit.

Priority Handicap [Alta 79]

Sells ball point pens. A straight "for profit" enterprise. No Charitable Permit.

There's nothing wrong with charity. There's nothing wrong with profit. Let's keep them separate. Give, but give wisely. Make sure your charity dollars do in fact go to charity - not into the pockets of an unscrupulous promoter.

The Better Business Bureau of Edmonton and Northern Alberta maintains a current list of all authorized charities in Red Deer, Edmonton and Grande Prairie and in the rural areas from Red Deer north. If in doubt, call the Bureau at 488-4084.

FACTORY ALLOWANCE
big savings now on MF 100-190 HP tractors.

(3) the meeting will be open to the floor for discussion.

Advertising Doesn't Cost - It Pays

WILL YOUR CANOLA BE "CRUSHER APPROVED"?

Don't lock yourself out of the large crusher market. Each year we reject several loads because the glucosinolate level is too high.

Be sure the crop you grow will be accepted by a crusher. All our planting seed is "Crusher Approved" and guaranteed less than two milligrams per gram glucosinolate.

Now is the time to purchase your planting seed. We have Candle, Tower, Regent and Alsex Seed. Production Contracts and Deferred Delivery Contracts available.

The top three projects in each category will be entered in the Edmonton Regional Science Fair to be held at M.E. Lazerte High School in Edmonton on April 11th and 12th. John Emerson of Holden School noted that the 4th and 5th place finishers may also be entered at the discretion of the judges and teachers.

Mr. Emerson stated that the County Science Fair has been established as an annual event now, and that he expects greater participation throughout the County in the years to come.

St. Paul Presbyterial U.C.W. Holds Annual Meeting

The annual meeting of St. Paul Presbyterial U.C.W. was held in Grace United Church in Lloydminster on February 4, 1980. The theme of the meeting "Why me Lord?" 2 Timothy 1:7.

There were 123 delegates and guests present. Registration was a 9 a.m. Following registration and coffee the ladies gathered in Sanctuary for "Come let us sing with heart and voice", led by Gladys Jack.

President Ruth Gray called the meeting to order and extended a warm welcome to all present. President from Lloydminster U.C.W. brought greetings and a welcome from their local.

The Innisfree ladies led us in devotionals.

Mabel Gamble of Mannville was presented with a plaque by Margaret Parkin from the ladies of the St. Paul Presbyterial in recognition of fifty years in Church and Christian Service.

The minutes were read and approved as read. Marion Wallace and Jean Weeks reported for Stewardship and Finance Divisions. The treasurer's report - on hand at the end of December 31, 1979 - $807.53. Bursary Fund $384.70. As a motion was made not to have more than $300.00 in the Bursary Fund, it was moved we send $84.70 to help the Student Minister's Program.

Marjorie Walton read the nomination report. There is still a few vacant offices.

Reports continued from: Church in Society, Christian Development, World Outreach Ministry, Personnel Education and a Literature Flash.

A message from Alberta Conference U.C.W.

President Lois Hale, who was introduced by Ruth Gray spoke next. Her topic was on the theme of the day "Why me Lord". She also spoke on the boycott of Nestle's products. The Alberta Conference Presbyterial endorses this boycot of Nestle's Products in Canada.

The Alberta conference U.C.W. will be held in Red Deer on April 28 to May 1. The theme for the conference "Celebrating Life". The Reverend Micheal Shandoo will be guest speaker.

Mabel Gamble thanked Lois for her information and presented her with a gift.

Installation of officers followed with Conference President installing the new officers.

The Lloydminster U.C.W. then served the ladies lunch.

Following lunch break, entertainment was provided by the "Lloydminster Bell Ringers Choir" led by Gladys Jack.

The new executives met for a few minutes and dates were set for sub-executive meeting, which will be held on March 18, at Kitscoty at 10:30; bring a bag lunch. A full executive meeting will meet on April 15th at Minburn.

The meeting is to start at 10:00 a.m. Coffee at 9:30.

The ladies all assembled in Sanctuary where Memorial and Communion Service was held with Reverend Quigley. Elders in charge were ladies from Kitscoty Pastoral charge.

Guest speaker for the day, Mrs. Shirley Philips, who was introduced by President of the Lloydminster U.C.W. Mrs. Shirley Aston.

Shirley, her husband Doug, and children spent several years overseas as missionaries in Malawai. Her husband is a dentist and his work over there was connected with the hospital there.

Malawi is one quarter the size of Saskatchewan and five and one half million people live there. They like out a meagre living, growing maze, tea, coffee and nuts. Poor as the country is, the people are happy, polite and peaceful. Theya re extremely grateful for any help given them. Half the children die before the age of 5. Shirley said they came to love these people although their customs were different from ours.

They were never in a hurry and always had time to stop and visit with you. The Philips children found this land a home of peace and happiness. They spent many hours playing with the children of this country.

Returning from Malawi they also spent two years in Newfoundland where Doug was a dentist for the outlying areas there. They have now returned to Saskatchewan and settled in Nipiwin.

Shirley had a display of pictures and handicraft work. This work was all done by hand and came from Malawi and Newfoundland.

Marjorie Fischer thanked Shirley on behalf of all present, for sharing their years spent in Malawi, with the ladies. She presented her with a gift of appreciation.

The offering collected amounted to $144.30 which wa to go to M & S.

The Courtesy Report was given by Dorothy Sheppard of Islay.

President Ruth Gray then turned the gavel over to Margaret Parkin, the new in-coming President.

Jean Weeks closed the meeting, leading the ladies in singing "Go In Peace".

Irma O.O.R.P. Report

The regular meeting of the Irma O.O.R.P. was held on February 19th, with twenty-four members and thirteen visitors present. All officers were present. Visitors attended from Hardisty, Kinsella, Viking and Wainwright lodges.

District Deputy, Dorothy Kroxier and three H.R. Ladies were introduced and welcomed by H.R.L. Lovig.

H.R.L. Lovig reminded us to turn in all reports. New Business: March is Red Cross month and committee #3 convened by Lady Olive Jones is to take care of collecting.

We are having our installation at our regular meeting on May 20. The date for our special meeting in May is to be decided later. The nominating committee is to bring in a new slate of officers for 1980.

On February 26th, several members are to visit the Kinsella Lodge. Invitations were also received from Hardisty and Holden lodges.

No decision was made for a delegate for the convention but Louisa Prosser plans to attend.

Good of the Order draw was won by Lady Irma Guy and happy birthday was sung to Linda Pomeroy and Correen Larson.

D.D. Kroxier thanked the lodge for the invitation and the lovely evening as did the three H.R. Ladies from visiting lodges.

Louisa Prosser outlined briefly what went on at the meeting called to discuss Alberta's 75th Anniversary Committee. A committee of fourteen was formed to look into this and there has been one meeting and the second was to be held on February 20th.

A motion was made and seconded that we apply for help to begin the playground which we have already discussed at some length previously.

It was moved and seconded that we donate a flag to the Busy Beaver organization and that such be recorded in our yearly donation to youth groups.

Lodge closed as per ritual and an enjoyable fellowship was had over a delicious lunch.

Irma News And Views

Edith and Donald Gunn, Annie and Charlie Milne and other friends left last week for a holiday in Hawaii.

Clifton Holt got home from Edmonton over the weekend. In Edmonton, he had undergone surgery and is now feeling fine.

Betty Passior and Minnie Jackson were in Wainwright on Saturday evening where they visited with Betty's uncle and aunt as well as her mother.

The papers, magazines and books which were collected for the Irma New Horizon's Club were delivered to Papercycle of Alberta in the Sherwood industrial estate at Edmonton, on Thursday, February 27th. There was a full truck load which weighed in 9,100 pounds. The newspapers brought $1.30 per hundred pounds, but the other mixed quantity of books, magazines etc. only brought 80 cents per hundred pounds. Eddie Jackson did the hauling. There is a little money in saving paper, on the other hand every ton of newspaper recycled, saves seventeen trees from destruction. Our thanks to all who have delivered papers to the garage. Thanks to those who helped with the loading of the truck on Wednesday afternoon. Keep the papers coming, as there is plenty of room for them now.

George Foreman had not been feeling well for several days so on Saturday, March 1st, his neighbor Jack Clisdell took him to Viking to see his doctor. The doctor diagnosed a heavy cold, with possible complications, so he put George in the hospital for observation and treatment which may take a week or more.

On Tuesday, February 26, Minnie and Jim Jackson visited Mrs. Nellie Thurston in the Wainwright Municipal Hospital where she is taking treatments. They found her, as usual, cheerful and glad to have visitors. Her daughter Olive Pugh was also visiting with her.

Lynn and Stan Bacon and children from Neepawin, Saskatchewan visited with Stan's mother and introduced her to her new granddaughter, Tricia Lee, who is only three months old.

Get well wishes are extended to Correen Larson who has been in the Manville Hospital.

Rev. Gordon Wilson left Sunday afternoon for Calgary where he will pick up Mrs. Wilson who has been holidaying in the Gulf of Mexico region with her sister.

Georgina Enger accompanied by Della Bang (nee Stone) have returned safe and well after a holiday in parts of the Gulf of Mexico. Della taught school at Crescent Hill for several years.

Kitty McNeill is in the Wainwright Hospital suffering from bronchitis. We wish you a speedy recovery Kitty.

Edith and Art Gwinn returned home on Sunday night after spending the past five weeks in B.C. They visited friends and relatives in Victoria, Galiano Island, Cowichan Lake, Shaionigan Lake, and Sooke. While at Cowichan Lake they drove out to Ladysmith to see Heather Jamison (Guy) and family.

They also spent some time at Penticton and Nilson and a few days at Edson with Clarence and Linda Larson and a few days in Edmonton with Hughie and Clara Millar. While in Edmonton they met Mr. and Mrs. Jerry Hurst who wished to be remembered to all their friends in Irma.

Fay Nissen left last Monday on a three week trip to Denmark.

At Your Service
Canada World Youth

If you have to dig a hole, why dig it in your own backyard? Why not dig it in Haiti, Senegal, Indonesia, or some other exotic far off place? A lot of young people between eighteen and twenty are taking a year out of school, or are between jobs. Why not live and work abroad during that year? An experience to remember. Un-humdrum your coffee. Grow it yourself.

Canada World Youth are looking for young people just like you. No, you do not need Grade 12, College or University. The only requirements are: - Canadian or landed immigrant, in good health and between the ages of 17 and 20. You must, however, like to meet others of a different race and culture, be prepared to see another person's way of life.

Canada World Youth officers just such an opportunity with their exchange. A program which arranges the exchange of young people between Canada and developing countries in Africa, Asia and Latin America.

What is Canada World Youth? A private and non-profit organization of youth exchanges, aimed at fostering cultural understanding and a growing awareness of development issues, both here in Canada and overseas.

"How much will it cost me? Or do I get paid?" Participants work as volunteers, but all costs during the program, such as food, lodging and transportation, are covered by Canada World Youth. Each participant also receives some pocket money.

Canada World Youth launched its 1980 recruitment campaign with the news that 800 young people would be participating in this year's youth exchange programs. Canada World Youth is funded in part by the Canadian International Development Agency and now in its 9th consecutive year. It is now looking for students between the ages of 17 and 20 who are interested in learning about development and cross-cultural communication.

Those young Canadians, joined by an equal number of exchange country participants will spend seven months living and working in vastly different cultures and communities. Small teams of CWY participants, each with a Canadian and exchange country group leader, integrate themselves into the communities, first in Canada then overseas, through volunteer work in fields such as agriculture, co-ops, environment, social services, small businesses, recreation and community groups.

Canada World Youth's first program starts in July and the second program starts in September. Deadline for receipt of applications for both programs is March 28, 1980.

Application forms and more information are available at Canada Employment centres, some schools, and the Canada World Youth regional office at 10523 - 77 Avenue, Edmonton.

Government Should Take Action On Hazardous Wastes

It's up to the Alberta government to take action now on hazardous wastes.

This is the message in recommendations the Hazardous Waste Management Committee has recently made to Environment Minister J.W. Cookson.

The committee's report said the government should create a province wide gathering system and a specialized treatment plant for hazardous wastes.

Simply trying to bury the problem would force future generations to face the difficulties surfacing in more industrialized parts of North America.

At the present stage of industrialized growth, Albertans have both "the obligation and the opportunity to bring about immediate conversion of industrial and other special wastes to "unobjectionable forms".

The committee said that while the producers of waste should be responsible for its disposal, the government should not rely totally on the private sector.

The proper handling of these wastes is so important that the government should participate in the ownership and operation of waste facilities.

The government should also enact legislation to cover the classification, transportation and disposal of hazardous wastes.

The committee noted the citizens of Alberta have the right, and responsibility, to help find a solution to the problem. They should participate in the public hearings the Environment Council of Alberta will be holding later this year.

When the government is ready to locate a site for a waste treatment or storage facility, any proposal should be accompanied by a comprehensive public involvement program.

Any proposed treatment plant should be subject to an environmental impact assessment.

The committee also recommended criteria by which a site for a disposal facility should be selected. They include factors such as; public safety; proximity to settlement; transportation and distance from waste generators; groundwater; surface drainage land use; availability of Crown land; climatic factors; geological suitability; soil conditions; land use controls; and possible industrial developments.

The committee suggested that an integrated waste management system including recycling; on-site and off-site treatment; long-term secure storage; and research and development.

This would be much like the system now used in Germany.

Reciprocal agreements should be made to cover the movement of hazardous wastes across borders to encourage co-operative waste management between provinces and countries.

The committee's report will now form much of the basis for the ECA public hearings.

After the ECA has made its report, the government will decide on its policy and programs for hazardous waste disposal.

The environment minister has stated the government will not consider any applications for disposal facilities until it has decided on the policy for the province.

Hazardous Products Symbols Deserve Respect

There is harm hidden in many household products that we use everyday. Products such as bleaches, polishes, or drain cleaners contain strong chemicals which are necessary for the product to do its job. But the same chemicals which make the products off-active can unfortunately also cause serious injury if they are misused.

More than 50,000 cases of poisonings are reported in Canada each year, with over 60 per cent of these occuring in children under the age of five years. About one third of child poisonings are caused by common household products. Many of these accidents could have been prevented if time had been taken to stop and read the label, before using or storing the product.

Under the federal government's Hazardous Products legislation, labels on certain products must carry information in symbols and in words, to warn of the dangers and to advise of the appropriate first-aid treatment in the event of a poisoning.

There are four main hazards indicated by the symbols: the skull and crossbones warns of poison, the leaping flame means a flammable product, the skeleton hand means corrosive and the exploding bomb indicates that an aerosol can could explode if heated.

Chacutenah Manor News

February birthdays were celebrated with a party held in the Lounge on Wednesday evening with Mrs. Kellar and Mrs. Beer as convenors.

Mrs. Cockroft welcomed the guests. Mrs. Kellar acted as M.C. and the following program developed.

A sing-song with Audrey Nissen acting as pianist. Mrs. McLean's rendition of "The Cremation Of Sam McGee" was well applauded. Two films, entitled "The Hottest Show On Earth" and "The Saddle Maker" were shown after which several games of bingo were played.

Mrs. Cockroft and Mr. Riley were on the lunch committee for the evening. The nicely decorated cake was cut and passed.

Birthdays for the month were those of Mrs. Lambert and Mr. E. Guy. Mr. Ron Thurston thanked the Manor folks for a pleasant evening.

Mr. and Mrs. Alan McRoberts and Brandy of Edmonton visited with his grandmother, Mrs. McRoberts on Sunday.

Echo-Rodino Report

Wes Bauer took in a day of fishing at Moose Lake, but the fish must have taken the day off as he came home empty handed.

Mr. and Mrs. Bob Williams travelled to Edmonton for a day of shopping. They visited with Mr. and Mrs. Jim Williams and family while there.

Get well wishes go to Josephine Holt as she is spending a few days in the Viking Hospital.

Victor Carter has returned home after a short holiday to Manitoba.

Harriet Faulkner has said good-bye to our cold weather and taken a trip to Hawaii.

Irma W.I. Notes

Fifteen members met at the home of Mrs. O. Darling. Mrs. P. Fleming, the president, gave information gained at a recent meeting concerning Alberta's 75th Birthday Party. Suggestions were made as to how this might be celebrated.

Because of the 75th Birthday, this branch will make a special effort to send a worthwhile display of handicrafts to the A.W.I. Conference at Olds in June.

Mrs. Edith Gunn, Constituency Convenor, traced the history and progress of the Associated Country Women of the World since its founding fifty years ago. There are branches in eighty countries of the world with the motto "For Home and Country".

A large shipment of quilts soap and clothing donated by members, was delivered to the U.S.C. in Edmonton by courtesy of Bison Freightlines, of Wainwright, Alberta.

A successful auction of articles donated by members realized the amount of $42.35 for "Pennies For Friendship". This helped to finance the A.C.W.W.

The next meeting will be held at the home of Mrs. G. Enger. Hostesses are Mrs. Ballentine and Mrs. Smallwood and the roll call is "a household hint".

something for everyone in the want ads

The District Agriculturist

Hi, at the Wheat Board's District meeting last week in Vermilion some interesting topics were discussed.

One of the main points pertaining to what to plant this spring concerned barley. As far as 1980 is concerned the Board figures farmers will be able to deliver all the barley they have. That is quite a change from the past couple of years. So far barley exports look very good for the coming year. As such the Wheat Board is advising farmers to grow more barley this coming spring.

Now if all farmers follow the Boards advice there will probably be a glut of barley again. So a word of caution here. I would say to plant about the same acreage as you always do with perhaps a few more acres if conditions this spring permit. I imagine some farmers will do the opposite of what the Board advises and will plant more wheat and rapeseed.

The Board figures that there will be good quotas for barley and lower grade wheat in the 1979-80 crop season. Higher grades of wheat #1 and #2 will probably have some carry over into 1981. With interest rates as high perhaps a fellow should look at moving some of that #2 wheat through other outlets now. If you are wondering what are some alternatives give me a call at the office.

As far as the future goes, the Wheat Board feels optimistic that grain exports will be increased. Of course the transportation system must keep pace.

Bill and I will be conducting a Grain Marketing Seminar at Viking at the Legion Hall at 10:00 a.m. on March 26. The subject will deal with market outlook

NOTICE

TOWN OF VIKING

RE: DISPOSAL OF MUNICIPAL RESERVE

Take note that the Council of the Town of Viking proposes to dispose of part of reserve parcel lot R, block 30, plan 4669MC, as per attached map, for the purpose of residential subdivision.

(Lot R, Block 30, Plan 4669MC)

Any objections to this proposed change must be given in writing at the Town of Viking Office by March 12, 1980.

Dated this 27th day of February.

Lydia Hanson
Municipal Administrator

Pee Wee Hockey

Irma Pee Wees lost to the Wainwright Legion Pee Wee team on February 16. A good game was played by both sides and at the final buzzer found the Irma boys defeated by a 7-6 score. Lorne Firkus, and Randy Kellar both scored two goals while David Oracheski and Tim Ford picked up one each.

Stacy Fuder and Robert Holt each served two minutes in the penalty box for tripping. The Irma boys playing for Wainwright for this game were Brendon Charest, Darren Archibald and Dour Larson. Brendon picked up a single goal during this game.

The Irma Pee Wees played host to the Sedgewick team on February 20th. The score at the end of the game was net at 7-7. Irma was ahead 7-6 when Garnet Wahlund scored for Sedgewick to tie the game at 7-7 at 19:56 of the third period.

Doug Fischer and Randy Ganie scored two goals each for Irma while Stacey Fuder and Randy Wigmore and Lorne Firkus all picked up one each.

Viking Bantams Lose Second Round Of Provincials

On Saturday, March 1, the Viking Bantams met with the provincial rep team from Gibbons for their second round of provincial C play-offs. This game was played at the Careua.

The short handed Viking boys faced a strong hard skating Gibbons team.

Gibbons won by a score of 11 2. Despite the lop-sided score the Viking boys never gave up and played hard until the final buzzer.

Ian Erickson scored both of Viking's goals with assists going to Joe Hoffman on the first and Rocky Hanson and Kenny Cikaluk on the second.

Viking forfeited their second game of the series so Gibbons now advances to the next level.

Viking Gas Kings F

The Viking Gas Kings won the right into the finals of the Battle River Hockey League on Monday, March 3, by defeating the Hughenden Jest in three games straight in a best of five semi-final play-off. Scores in the three consecutive games were 11-0; 4-0; and 8-6.

In the other semi-final play-off the Hardisty team is leading over the Forestburg team by 2 games to 1. The next game is scheduled for Forestburg on Wednesday, March 5. This is also a best out of 5 series.

In the first game of the semi-final Viking defeated Hughenden 11-0. The period scoring showed Viking on top by 6 goals at the end of the first period, by 7 at the end of the second and 11 at the close of the game.

Scoring for the Gas Kings were Field 4 goals, 1 assist, Wincura 2 goals, G. R
ray 2 goals, 2 assists,
Gimtie 1 goal, 2 assists,
Raitray 1 goal, 3 ass

Irma Tom Thumbs Host Tournament

Irma Tom Thumbs held a very successful tournament on Saturday, March 1. The weather was good and many turned out during the day to watch the action.

The first game saw Irma against Wainwright Lions. This was a hard fought game all the way, ending in a 3-3 tie. Wainwright taking the win with the first overtime goal.

Goals for Irma were handled by Greg MacKay assisted by Stacey Larson, Lenay Larson assisted by Glen Gwinn, Trey Ronjom assisted by Robbie Williams.

The Wainwright scoring was handled by Jason Becker with two goals and Keith Ewasiun assisted by Jason Becker. The winning overtime goal was scored by Todd Ford.

Viking Tom Thumbs met with the Wainwright Fountain Tire team in the second game of the tournament. Viking taking the win with a 3-2 score.

Goals for Viking were picked up by Doug Nearing, Colin Babbits and Todd Ritchie.

The two Wainwright goals were scored by Doug Callaghan and Jason Miller.

The third game brought Chauvin and Wainwright Electric together. Wainwright coming out on top with an overtime goal and a final score of 6-5 to defeat Chauvin. Chauvin goals were netted by Darren Olson. The Wainwright goals were scored by Jason Miller and Michael Badel with two each and one by Jeff Bisowy.

The fourth game saw Chauvin pull out away ahead of the Wainwright Fountain Tire team with a score of 9-2 when the final buzzer sounded. Darren Olson again scoring all nine goals for his team, assisted on two by Robert Girard and Dean Perkins. Wainwright goals were scored by Jason Miller and Shannon Frissel.

In the fifth game Viking played Wainwright Lions. This game found the Lions on top by one goal with a final score of 3-2. Both the Viking goals were scored by Colin Babbits. Wainwright goals were scored by Keith Ewasiun with a pair and a single by Todd Ford.

Irma having got the "bi" played their second game against Chauvin in the final for the B Event; Chauvin overpowering the home team and winning by a score of 8-1. Irma's one goal was picked up by Stacey Larson. The Chauvin goals were picked up by Darren Olson who netted four, Darryl Ruswak and Dean Perkins with one each. Chauvin took the trophy for the B Event.

The final game in the A Event brought two Wainwright teams to the ice, with Battle River Electric out scoring the Lions 5-1.

For Battle River Electric, Jason Miller scored four, and Troy Courte a single. The Lions goal was netted by Mark Kilderon. Battle River Electric proudly accepted the A Event Trophy.

A thank you is extended to all the visiting teams for supporting our tournament and the coaches and parents for all their help in making this day the success it was.

Irma Skiers Participate In Saskatchewan 60

On February 23, Doris McKay and Ruth and Al Jamison travelled to Duck Lake, Saskatchewan to take part in the annual cross-country ski marathon.

Doris and Ruth completed 37 km of the course, while Al skied the entire distance of 60 km.

A total of 800 skiers enjoyed a beautiful day of skiing through the forest reserves and along the North Saskatchewan River.

Pee Wee Hockey

Irma Pee Wees lost to the Wainwright Legion Pee Wee team on February 16. A good game was played by both sides and at the final buzzer found the Irma boys defeated by a 7-6 score. Lorne Firkus, and Randy Keller both scored two goals while David Orachoski and Tim Ford picked up one each.

Stacy Fuder and Robert Holt each served two minutes in the penalty box for tripping. The Irma boys playing for Wainwright for this game were Brendon Charest, Darren Archibald and Dour Larson. Brenden picked up a single goal during this game.

The Irma Pee Wees played host to the Sedgewick team on February 20th. The score at the end of the game was set at 7-7. Irma was ahead 7-6 when Garnet Wahlund scored for Sedgewick to tie the game at 7-7 at 19:56 of the third period.

Doug Fischer and Randy Gaule scored two goals each for Irma while Stacey Fuder and Randy Wigmore and Lorne Firkus all picked up one each.

Viking Bantams Lose Second Round Of Provincials

On Saturday, March 1, the Viking Bantams met with the provincial rep team from Gibbons for their second round of provincial C play offs. This game was played at the Carena.

The short handed Viking boys faced a strong hard hitting Gibbons team.

Gibbons won by a score of 7-2. Despite the lop-sided score the Viking boys never gave up and played hard until the final buzzer.

Ian Erickson scored both of Viking's goals with assists going to Joe Hoffman on the first and Rocky Hanson and Kenny Cikaluk on the second.

Viking forfeited their second game of the series so Gibbons now advances to the next level.

Pee Wees Win Battle River League Trophy

The Viking Pee Wee Elks team captured the Battle River Pee Wee trophy by defeating Sedgewick last Thursday. Members of the team are (back row: left to right) David Zaraki, Jimmy Walker, Bobby Ash, Coach - John Antos, Jason Place, Steven Winter, Calvin Krippe, Patrick Voltner, (front row: left to right) Dean Antos, Darren Winczura, Denny Lewes, Troy Hilliker, Kenny Zemanek, Gary Vitek, Shaun Clouston, Ricky Tkaczyk.

Staff Photo

The final league play-off game for the Battle River League Trophy was held in Viking last Friday night. Sedgewick met the Viking boys and although they had met defeat at the hands of Viking on other occasions, they really put the pressure on. They held the locals off and at the end of the second period the score was tied 3-3.

However in the third period Viking pulled ahead and ended the game 7-3 to win the League Trophy.

Clouston picked up a hat-trick, a double to Lawes and singles to Antos and Winczura. Assists were picked up by Place 3, Vitek 2, Antos 2, Lawes and Zaraki.

Viking Gas Kings Enter Finals

The Viking Gas Kings won the right into the finals of the Battle River Hockey League on Monday, March 3 by defeating the Hughenden Jest in three games straight in a best of five semi-final play-off. Scores in the three consecutive games were 11-0; 4-0; and 8-6.

In the other semi-final play-off the Hardisty team is leading over the Forestburg team by 2 games to 1. The next game is scheduled for Forestburg on Wednesday, March 5. This is also a best out of 5 series.

In the first game of the semi-final Viking defeated Hughenden 11-0. The period scoring showed Viking on top by 6 goals at the end of the first period, by 7 at the end of the second and 11 at the close of the game.

Scoring for the Gas Kings were Field 4 goals, 1 assist, Winczura 2 goals, G. Rattray 2 goals, 2 assists, McGinitie 1 goal, 2 assists, R. Rattray 1 goal, 3 assists, Bodnar 1 goal, J. Laskosky 3 assists, and Wemp 2 assists. Viking received 3 minor penalties while Hughenden was assessed 2 minors.

There is no game sheet available for the second game of the semi-finals which also went in favor of the Gas Kings by a score of 4-0.

In the third and final game on Monday, March 3, which ended in a 8-6 win for the Gas Kings, we find the home team with a 1 - 0 lead at the end of the opening period. At the end of the second period Viking was in the lead by a 7-2 score. Hughenden came back with four goals while Viking scored a single in the third to leave the ice with a 2 point lead.

Scoring reads as follows: J. Laskosky 2 goals, 1 assist. Winczura 2 goals, 1 assist, Field 2 goals 1 assist, G. Rattray 1 goal 1 assist, McInroy 1 goal, 2 assists, Lefsrud 3 assists, McGinitie 2 assists, and M. Laskosky 1 assist.

Viking again received the upper hand in the penalty assessing with 3 minors while Huhenden received 2.

The Gas Kings now await the outcome of the other section of semi-final play-offs and should this take five games the first game of the finals would start on Monday, March 10. Listen for radio announcements of this series.

Viking Pee Wees Advance

On Saturday, March 1, the Viking Pee Wee Provincial Rep team travelled to Elk Point for the second game of that series. The boys were ahead all the way. Although the Elk Point team worked hard, the numerous minor penalties they received only provided a greater advantage for the Viking team as they walked away with an easy 13-3 win. This giving them a 20-4 total point standing in the two games.

Tallying the goals for Viking were Clouston with 4, Antos with 3, and singles to Lawes, Keith and Winczura.

Assists were credited to Voltner 4, Majeski 3, Vitek 2, Winczura 2, Keith 2, Place, Antos and Lawes.

Viking now meets with the Gibbons team for the final round of Zone Play-offs. The first game has been tentatively scheduled for the evening of Sunday, March 9th at 5:30.

Watch for posters for confirmation of game date and time. Good luck to the team and their coaches.

Mannville Defeats Viking Midgets In Provincials

Last weekend proved costly as the Viking boys travelled to Mannville on Friday night to play the second round of Provincial play-offs.

The game was only five minutes old when Mannville scored its first goal. After that, Mannville scored five more goals within a span of nine and a half minutes.

The Viking boys managed only one goal, this being scored by Murray Josephinson with Kevin Maxwell and Allan Evans assisting.

The second period saw the boys play better hockey and they held Mannville to two goals. Despite some good chances, the boys couldn't put the puck past the Mannville goalie.

In the third period the boys came out skating and checking and outplayed the Mannville club. This period saw each team score three but Viking could have had three more, except for the Mannville goal tender.

David Darling played his best hockey in that period as he scored three goals and missed two other good chances. Kevin Maxwell drew an assist on the last goal. When the final buzzer sounded, Mannville had defeated the boys by a lopsided score of 11 to 4.

This game was a good example of what can happen when one team plays inconsistent hockey. In order to win games against teams of equal caliber, you must play three solid periods of hockey.

With Mannville leading by a total of seven goals, the boys had a difficult task when they played the second game on Sunday afternoon in Viking.

With only thirty seconds gone in the game, Mannville scored. Then at the eleven minute mark, they scored again for a 2-0 lead.

The boys had a few chances, but just couldn't connect for a goal. Mannville scored again on a unassisted goal to give them a 3-0 lead at the end of the period.

The second period saw the boys come out to play a better brand of hockey, but, by this time it was too late. Murray Josephinson scored with Wayne Selsker and Glen McGinitie assisting. Allan Evans tied the game when he scored with Curtis Quatek and Graham Wilkie assisting.

The third period saw both teams play aggressive hockey, but neither team could score despite some good chances.

With the final buzzer sounding, the game ended in a 3-3 tie, but Mannville advanced to the final round of Provincial play-offs against Smokey Lake.

With the loss, the Viking boys now have to look forward to League play-offs and hopefully they have realized that each and every player has to play three periods of hockey. The boys would like to thank the fans for their support and they will continue for league play-offs and the upcoming Provincial Tournament.

Garry Woloshin

Sometimes a great notion needs help getting in motion.

IF YOUR ORGANIZATION HAS A PROJECT WORTH DOING THIS SUMMER, THE SUMMER YOUTH EMPLOYMENT PROGRAM WILL HELP PAY FOR STUDENTS TO HELP GET IT DONE.

Does your organization qualify?
Established, non-profit organizations and local governments may qualify to receive financial assistance to hire students.

What projects should you consider?
To qualify, projects should employ at least three students for six to 18 weeks between the 5th of May and the 5th of September. Proposals must be of benefit to student participants and should be of lasting value to the community.

What students will be employed?
Post-secondary or secondary students intending to return to school in the fall, who are Canadian citizens or permanent residents are eligible.
The Summer Youth Employmen. Program will make a contribution towards wages at the level of the provincial minimum wage. In addition, the Program contributes employee benefits and up to $20. per person per week to cover project overhead costs.

Where do you go from here?
Information and project proposal application forms are available at Canada Employment Centres or Employment Development Branch offices.

Deadline for project proposals is March 28.
To receive financial assistance to hire students, proposals must be submitted (post-marked) no later than March 28. Of course, it is to your organization's advantage to submit its application as early as possible, but March 28 is the final deadline. Now's the time to get that summer project off the ground.

The WEEKLY REVIEW

Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta

Wednesday, March 12, 1980 — Volume 3 No. 5

At Monday night's playoff game in Viking, Lee Laskosky (L.) of the Viking Gas Kings was presented with the trophy for the Most Valuable Defenceman in the Battle River Hockey League by President Steve Yuha of Rosalind. This was one of three awards received by the Viking team. See page 19 for more Award pictures. Staff Photo

Viking N. I. P. Grant Not Approved

Viking's joint application with the County of Beaver for a $103,250 Neighborhood Improvement Grant has not been approved by the Alberta government. The money had been designated for the proposed Multi-Cultural facility for Viking and had been the second request by the Viking Council under the Community Services Grant Program.

In a letter read at the regular Viking Council meeting on March 5th, Tom Chambers of the Department of Housing and Public Works stated that "in comparing your application with those from other communities, it was our assessment that other projects were more effective in meeting the goals of the program. In particular, concern was raised over the lack of a recreation master plan for the district, especially when funds from Parks and Recreation were to be used to implement the project".

According to Vern Hafso of the Viking Local Recreation Board, a revised version of the over-all master plan dealing with Viking was not sent in with the application.

Ken Smith of the N.I.P. Grant office in Edmonton said that since Viking had withdrawn from the Regional Recreation Board, it was no longer part of the master plan. He said that his department's concern was that Viking's application was dependent upon receipt of the M.C.R grants from Alberta Parks and Recreation and that these would not be available until Parks and Recreation approved a new master plan for Viking. The time factor involved in completing these steps was one reason for rejection of Viking's application.

Mr. Smith also said that there were about 250 applications for N.I.P. grants and only 96 were approved, exhausting all available funding. He said that other communities were considered to be in greater need of the N.I.P. funding.

In other Viking Council news, Councillor Bill Tayler reported that a meeting of all of the governing authorities was held on Tuesday, March 4th at Ryley. It was agreed at the meeting that Holden would be the governing authority for the operation of the Regional Arts Centre and that all of the municipalities in the County would contribute to any deficits of the Centre as per equalized assessment. A meeting of the governing authorities will be held in Viking on March 20th at which time final decisions on the operation of the recreation in the County will be made.

As some businesses have failed to purchase a Business License for Viking, Council decided to advertise once again, then start prosecuting those people who do not have a Viking Business Lic ense.

The possible water shortage this spring was discussed by Council and contingency plans have been made for the acquisition of pumps and pipe from the Alberta government if the need arises.

A request for funding by the Viking Municipal Library Board was approved by Council for a total of $2,147.25 or $1.75 per Town resident.

Holden Chamber Considers Forum

The Holden and District Chamber of Commerce held their regular dinner meeting on March 4.

Dinner was prepared by Ladies of the Royal Purple. The Chamber membership committee was complimented for a job well done.

Discussions were held about the need for a hardware store, barber shop and a medical clinic with a doctor and a nurse.

The guest speaker for the evening was Duncan Hoines with the Institute of Cultural Affairs who was assisted by his wife Heidi Holmes. They hope to hold seventy-five forums across Alberta primarily in small communities. This is an approved project of the 75th Anniversary.

The Community Forum is a three hour workshop that looks at all the issues and concerns of a community which we hope will be held in Holden in the near future. This is a great forum for motivating communities. It has often created a new life within a community.

A forum of this type will be held in Tofield beginning in April and in Viking later in April.

Currently, they have been working in the county of Leduc and have held forums in Breton, Warburg, and Nisku. They have recently had a community motivation workshop within the further education council of the County of Leduc. It was attended by fifty people from thirteen communities.

The Chamber of Commerce is going to approach other groups in this community about co-sponsoring a forum of this type.

P.S.S. Begins In Viking

Monday, March 3, Preventive Social Services opened its doors to Viking citizens. The Director is Deborah Taylor, and the office is located in the Carena Building, beside the Fire Hall, kitty-corner to the I.G.A.

But just what is P.S.S. anyway? And what does a P.S.S. Director do? Many people ask that question and it would take a lot of words to define it adequately. It might help to start with two things P.S.S. is NOT! It is not Social Services (commonly known as welfare) and it is not a disease prevention office.

Because every community is unique, every P.S.S. is unique, and defined by the community's needs and wants. The program is governed by a local board, made up of members from various segments of the community. As well, every P.S.S. Director is an individual, so will have their own particular skills and interests and style of working.

P.S.S. can be involved in a wide variety of projects, depending on community needs. In some areas, P.S.S. is working with Family Life Education, Counselling, Homemaker Service, Youth, Senior Citizens, Mother's Day Out or a combination of these and others.

P.S.S. Directors can work with community groups for special projects; can help to develop proposals for projects, can get information on grants and funding available. Another role is to get ideas and input from the community and outside sources about issues and trends, then publicize that information.

In Viking, I'm starting on a community directory of clubs, agencies and services available to community members. If you have information that could be helpful, please let me know. I'm also available to speak at meetings.

If you need help or information, or know of someone who does, call or come down to the office. We'll try to assist, or direct you to someone who can.

If you have some ideas, suggestions, interests, questions, or would just like to talk for awhile, drop in. I need to know what you would like to see happening for you, your family and friends here in Viking. Whether you're a child, young mother, a teen, senior citizen, or somewhere in between, your ideas and input are valuable and important to make Preventive Social Service a useful community resource.

The office number is 336-4024. If you drop by and no one is there, please leave a message and I'll get back to you.

Area Accidents Claim Two

Two separate accidents during the past week claimed two lives - one in Irma and one near Viking.

In Irma, 14 year old Howard Harold Larson, son of Allan and Jean Larson, died as a result of injuries sustained when the snowmobile he was operating was in collision with a three foot high metal corral fence. The corral is located in the northwest part of Irma and is used as an animal showring. Constable Monteith of the Wainwright detachment of the R.C.M.P. reported that the accident occurred about 4:30 p.m. on Thursday, March 6. A 13 year old passenger on the snowmobile was taken to Wainwright where he was hospitalized for treatment of injuries. Harold Larson was rushed to Edmonton for special treatment but died enroute to hospital.

Funeral services for Harold Larson were conducted from the Irma School Auditorium by Rev. Gordon Wilson on Monday, March 10th at 2 p.m.

On Friday, March 7, at approximately 5:40 p.m., a single vehicle accident west of Viking on the old highway #14 claimed the life of Douglas Charles Weeks of Lamont. Mr. Weeks, former owner of the Viking News, died when his late model Corvette left the road approximately eight kilometers west of Viking.

Constable Bilodeau of the Viking detachment of the R.C.M.P. reported that the accident is still under investigation.

Funeral services for Mr. Weeks were conducted on Tuesday, March 11, from Park Memorial Funeral Chapel in Edmonton.

A single vehicle accident near Viking on Friday, March 7 claimed the life of the sole occupant, Douglas C. Weeks of Lamont. The late model Corvette came to rest on its roof and during R.C.M.P. investigation was uprighted and supported by beams.

Egg On Your Face?

A very important aspect to our living together in a society is a sense of security which we gain by knowing, within reasonable limits, how those around us are going to act or react. The better we know someone, the better able we are to predict the type of action which that person will take in a particular situation. Conversely, the less we know someone, the less able we are to make such predictions.

It is when we know little about other people that we usually find ourselves in the most embarrassing situation. When a situation arises that we know will possibly elicit a response or reaction from someone we don't know very well, *we often rely on the information of others in helping us predict what will happen.* The problem here lies in that at times, the information we acquire from others may be emotionally based, either pro or con. If we then base our predictions on heavily slanted advice from others, we may do both ourselves and the other party a disservice by voicing our expectations to others. If the prediction does not come to pass, then we may find ourselves with the proverbial "egg" on our faces. We may also damage the other party by innuendo.

When situations such as this arise, we can best handle the matter by doing one of three things. First, we may approach the persons involved directly to determine beforehand, as much as possible, what their reactions may be. Secondly, we may sit back, relax, and wait for the reaction, then evaluate it as rational human beings. Thirdly, we can very carefully evaluate the source of the third-party information upon which our prediction is based. Quite often the reaction which someone is "supposed" to display is not the reaction which they "do" display. Our sources of information are most important when we are attempting to predict behavior.

Dear Sir:

Viking Minor Hockey Association is one of the most successful and most active organizations of its kind in Northern Alberta, as its track record of champions has proven. This only happens when there are highly qualified and dedicated coaches developing our children's athletic talents.

Coaches spend hours of their time on and off the ice, driving many miles in their vehicles, and yet it seems they are always open to endless criticism. As the hockey season is drawing to a close, where is the appreciation?

Kids, coaches need your support to make a contender... not the endless hassle they have been getting. Why not say thanks just once, for the rides to the games, for learning the basic fundamentals of hockey, for the understanding of sportsmanship or maybe for the odd pop or hamburger?

And don't forget to thank Mom and Dad for the new skates or the stick with your favorite curve or, maybe for understanding when meal times are interrupted.

And, to you parents, give the coaches a bit of thanks and not the abuse some have received this winter. Throw away your stop watches and be open minded when your boy is benched for an act he committed.

Let the coaches do the coaching, stay in the stands and enjoy the development of your child as he participates with his team-mates.

Ask your boy if he is having fun, because that is what it is all about. Minor hockey is for the kids, so let them play it. Thank you coaches.

A Minor Hockey Parent

Dear Sir:

People of Viking, I see no shortage of water for you this spring, never fear, as I'm sure we've all the ice melts off the cross-walkes and the streets this spring, that the water pond will be filled and that will not have to be strained out either! Sal.

Dear Sir:

Sometime ago you had a letter in your paper complaining about how the owners of the Lamplighter Motel had treated some of their wedding guests. When the people inquired why the reservations of some of the invited guests were cancelled they were told that they didn't want wedding guests at the Lamplighter Motel.

I know that the owners of the motel would not tell any wedding guest or other wise that they were not wanted there. Because their business is catering to the public. That means giving rooms to no matter what kind of people they are.

But when you are a guest at someone else's place you don't mess it up - you respect their place. The same also applies to a motel room, you should leave it the way you find it.

I have been working at the Lamplighter Motel for a year and a half now, and I have cleaned some pretty messy rooms, most of them being occupied by wedding guests.

When you have to spend half an hour picking up bottle caps and cigarette butts before you can even strip the beds, then go into the bathroom and choke on the smell in there and see the walls of the bathroom all splattered with soap suds, the same walls you spent a half hour house cleaning the week before, then more people would know why wedding guests are dreaded in any motel.

As for the owners of the Lamplighter Motel, I have never worked for a more understanding couple before. They never get mad or yell if you make a mistake or forget to do something. They are always ready and willing to help you learn new things and to help save me time and energy by doing some of the rooms themselves. People like this are a credit to the community.

I have written this letter to give a more understanding point of what it is like to clean up after wedding guests and to what the owners of the Lamplighter are really like.

Yours truly,
The Chambermaid
Lamplighter Motel

Letters To The Editor

We are planning a 200 mile competitive trail ride from Medicine Hat to the Calgary Stampede. This is the first ride of its type that we have organized since the 1960's.

In these days some entries travelled close to 2,000 miles to participate in it. And, it was always well received by towns along the way. This year we plan to follow the route of the original 1964 trail ride.

This is strictly a pleasure-type competitive trail ride on which riders are divided into age groups and are judged on horsemanship and condition of horse, and it is definitely not a race.

The Medicine Hat to Calgary Stampede 200 mi. competitive trail ride will be held from June 27 to July 3. We will ride in the Stampede parade on July 4, after which we will have the presentation of trail ride trophies.

I might add that we are not charging any entry fee for this ride. All the trophies for all the various classes are being donated. I would appreciate it if all the interested parties would contact me as soon as possible as we would like to have all plans finalized by May 30, which is the deadline for entries.

You will note that we are planning on taking seven days to complete this 200 mile ride. This is to keep the pace leisurely in consideration of the younger riders that will be on the ride, to allow visiting Trail Riders to see some of the surrounding countryside and points of interest, and to allow for any delays that may be caused along the trail.

Group entries, Horse Breeds' Association entries, Riding Club entries, family entries or individual adult entries are all most welcome.

I would like to extend an invitation to horsemen in your area to join us on this ride. Please contact me at the address below for further information.

Yours truly,
L. Eric Hansen,
P.O. Box 943,
Medicine Hat, Alberta
T1A 7G8

Alberta Agriculture
TRANSPORTATION

Pipelines, well sites, right-of-ways, mineral rights, fence lines, power lines, access roads, easements — to a farmer each one of these means a loss, an infringement on his ability to gain the most from his land.

All are part of what we call surface rights — the use of good farmland for purposes other than agriculture. It's an area where my department has been very active.

Let's start first. Before I go further, I'd like to point out two principles already implied. Negotiating surface rights essentially involves such things as land, market value, loss of production, inconvenience and clean-up cost. There's the first point — every negotiable item is related to money.

The second is something that isn't negotiable — the right of oil or utility companies to get onto a farmer's land and use it for specific reasons. That is a right they enjoy under legislation.

Unfortunately, in most cases a farmer will only argue the level of paid compensation, which usually depends on the amount of disruption caused. Less often will he argue the crucial point of where the disruption occurs.

On their part the companies will pursue the most economic method of completing a job. In the case of erecting a powerline, if the easiest route is diagonally across a field, then that's where it will go. The loss in production will be merely one factor in calculating the final compensation.

That's something we're now trying to correct — to make companies realize that they have a social obligation to minimize loss; if feasible, the best interests of agriculture. Even if the increased cost of erecting a powerline as taken by lower losses in agricultural production, it would seem to investigate the alternative.

This very point has led us to create a new program for the southern part of the province. Effective immediately, the Peace/Athabasca Reclamation Program will help farmers move powerlines, pipelines, power lines off irrigated land. Applications farmers may now be obtained from Alberta Agriculture's Irrigation Division in Lethbridge.

I think the impact of this program is self-explanatory.

In years past, rural electrification was a priority that led to powerlines and poles being erected as quickly as possible. The unsightly poles and wires were only a minor nuisance compared to the availability of cheap electricity.

Now, particularly in irrigated districts, we're finding some ill-placed powerlines are becoming quite costly to both the farmer and the province.

The reason is improved technology. The effectiveness of new sprinkler systems, now able to cover an entire field, is severely lowered if a powerline cuts across the area. Physically moving the sprinkler costs valuable time and money. A further consideration is safety: water and electricity don't mix that well.

Similar situations are being faced in other parts of the province. However, Irrigated areas offer us the best opportunity to test initial programs.

These are pretest program conditions. The producer is responsible for initiating relocation of a powerline. The powerline must be moved no more than 25 kilovolts. It must definitely interfere with irrigation and the individual must be willing to grant another easement to the utility company.

Costs will be shared. Producers will pay the first $300 per pole (minimum $600) to be removed from the affected area. The utility company will handle some of the bill. Alberta Agriculture will make up the difference.

For the new fiscal year starting April 1, 1980 we have budgeted $100,000. We're now waiting to see producer response. By the way, I am also making this program retroactive to 1974. Some farmers, who acted independently in the past, will now be able to obtain partial compensation. Check circumstances will be the same.

Oil activity is mushrooming in Alberta, especially in the south. In the past few weeks I have heard several stories about producers being so impressed with offers from land agents, that they neglected to consider the future consequences.

For instance, an agreement between an irrigation farmer and an oil company should equally such things as where to drill, where to place access roads, surface disturbances, underground pipelines or cables. Will a pump jack mar the use of the land? If the consent doesn't consider these items, then a farmer may meet some obstacles when it comes time to upgrade his operation.

Sarabande And The Flower Show To Be Presented At Regional Arts Centre

A sarabande is a dance, a rather formal dance, which originated in the 16th century. The grace and beauty of its name appealed to three gifted musicians, a pianist and two singers, so strongly that they adopted it as the signature for their group.

Singers Kathleen Morison and Kathleen Payne with pianist Robin Chow provide the charming mixture of artistry, music, movement and theatre called Sarabande. With its highly successful presentation "The Flower Show; A Musical Botanical Delight" Sarabande has become known for its unusual and most entertaining approach to vocal music.

The Flower Show is an evening devoted to the exotic world of flowers as perceived by the great poets and composers. It includes songs about violets by Mozart and Scarlatti as well as lilac songs by Rachmaninoff and Hahan.

Even the lowly daisy is on display in compositions by Arne and Barber.

The musical garden is varied, beautiful, and often funny. At the Spring and Thistle, that rollicking music hall, Sarabande features the old favorite "The Biggest Aspidistra In The World".

There's a section devoted to roses including "Everything Coming Up Roses" and Schubert's "Heidenroslein".

You'll also hear "Tip Toe Thru The Tulips" and a wonderful solo piano version of "English Country Gardens".

Every garden has its compost heap and from it Sarabande has repotted "There Are Fairies At The Bottom Of Our Garden".

With solos, duets, and trios Sarabande has devised a delightful musical bouquet which even includes a nod to the flowers best and closest friend, the bumble bee.

The Flower Show has met with enthusiastic response from audiences and critics alike.

Sarabande's first production a lecture-concert on the voice, designed for school presentation, received over one hundred performances in its first two seasons.

To be in the audience at the end of a Sarabande performance is to wish it were about to begin again.

County Public Speaking Competition Held

Clayton Ranser won the Junior section of the County of Beaver 4-H Public Speaking competition held Sunday in Ryley. Staff Photo

On Sunday March 9th, the County Public Speaking competition was held in the Ryley Legion Hall at 1:00 p.m.

Eighteen speakers took part at the Senior and Junior Levels. The speakers all did an impressive job and are to be congratulated for their efforts. Taking top honors at the Junior Level was Clayton Ranser of Viking with his topic "Mother's Diet".

Coming in a close second was Joyce Lutz with her speech entitled "The Battleford Trail".

At the Senior Level Diane Henderson took first place with the topic "How To Make A House A Home" and Marily Ash placed second with her speech on "M.S".

Thanks are expressed to the panel of judges for their excellent work. The judges were Evelyn Carrington, Edmund Leisrud, Divana McKoen, Carol Rurka, Pat Kozieka and Marvin Tomashavsky. Thanks also to the Ryley Clubs for hosting the speakoffs this year.

4-H Fun Night Enjoyed

On Wednesday, March 5, approximately thirty-five families attended a Family Fun Night held in the Holden Complex.

All clubs throughout the County were represented. The 4-H members and many of their mothers and fathers alternated between curling and skating throughout the evening, with a good time reported by both the curlers and skaters. In true 4-H fashion, a bountiful lunch was served at the end of the evening.

The mounds of sandwiches and sweets disappeared quickly due to the sharpened appetites from all the fresh air and exercise.

Thanks to the Holden Beef Club for hosting the Fun Night.

Viking Employees Honored For Long Service

Five Viking employees of Northwestern Utilities were among thirty-five honored for long service at the company's annual awards banquet held on Saturday, March 1, in Edmonton.

John Desrosiers

John Desrosiers, a gas utility man, was presented with a thirty-year service award by the natural gas company's senior Vice-President, Jim Pletcher.

Mr. Desrosiers started with Northwestern in 1950 as a cook at the Viking Camp. He remained a cook until 1954 when he became a skilled labourer and then in 1964 he took over his current position.

Dennis Lever

Dennis Lever also received his thirty-year service award from Mr. Pletcher.

Mr. Lever joined Northwestern Utilities in May, 1950 as a labourer at the Viking field camp. Later he served as a welder's helper before moving to the Viking base camp to work in the pressure station where he now is station operator.

Ray Olsen

Ray Olsen also received his thirty-year service award from Mr. Dafoe.

Ray joined Northwestern at Viking as a labourer in the production and transmission department in April, 1950. He has been with that department ever since and has acted in the capacity of subforeman since 1968.

Bob McInroy, a senior field operator, was presented with his thirty-year service award by the company's Vice-President and General Manager, Bruce Dafoe.

Mr. McInroy started with Northwestern in September of 1950 as pressure station operator at Viking. In 1976 he transferred to customer service and utilization as assistant district agent at Viking, his present position.

Eight employees received 20-year long service awards and twenty-seven were recognised for thirty years of service.

Northwestern Utilities serves more than a quarter million customers in one hundred and fifty-eight Alberta communities, including Edmonton, Red Deer, Camrose, St. Albert, Westaskiwin, Grande Prairie and Fort McMurray.

Alex Forsyth received his twenty-year service award presented by Mr. Dafoe.

Mr. Forsyth started with Northwestern in September of 1959 as pressure station operator at Viking. In 1976 he transferred to customer service and utilization as assistant district agent at Viking, his present position.

Bob McInroy

Alex Forsyth

Sometimes a great notion needs help getting in motion.

IF YOUR ORGANIZATION HAS A PROJECT WORTH DOING, THIS SUMMER THE SUMMER YOUTH EMPLOYMENT PROGRAM WILL HELP PAY FOR STUDENTS TO HELP GET IT DONE

Does your organization qualify?
Established, non-profit organizations and local governments may qualify to receive financial assistance to hire students.

What projects should you consider?
To qualify, projects should employ at least three students for six to 18 weeks between the 5th of May and the 5th of September. Proposals must be of benefit to student participants and should be of lasting value to the community.

What students will be employed?
Post-secondary or secondary students intending to return to school in the fall, who are Canadian citizens or permanent residents are eligible.
The Summer Youth Employment Program will make a contribution towards wages at the level of the provincial minimum wage. In addition, the Program contributes employee benefits and up to $20. per person per week to cover project overhead costs.

Where do you go from here?
Information and project proposal application forms are available at Canada Employment Centres or Employment Development Branch offices.

Deadline for project proposals is March 28.
To receive financial assistance to hire students, proposals must be submitted (post-marked) no later than March 28. Of course, it is to your organization's advantage to submit its application as early as possible, but March 28 is the final deadline. Now's the time to get that summer project off the ground.

TOGETHER WE CAN DO IT THIS SUMMER

Home Economist Speaks To 4-H Food Clubs

On March 4, at 7:30 the Bruce 4-H Food Club held another meeting in the Bruce School. Maureen Bauman, Home Economist, was in attendance and gave a talk and a film on casseroles, which is a food poisoning. All the 4-H members would like to thank Maureen Bauman for attending.

Next, we had our business meeting. We discussed that we are going to sell coffee, pop and cup-cakes or cookies at the bingo on March 21. Also the Square Dance Club has invited the 4-H members and their families to their family fun night on March 15.

Following our meeting we cooked. Foods I cooked Guacamole and Tamale Pie, while Foods II cooked Bean Salad, C-Saw coleslaw and Caesar Salad. Then we cleaned up and went home.

On March 5, many 4-H members and their families had an enjoyable time at the County of Beaver 4-H Family Fun Night in the Holden Complex.

Home Help Aide Course Offered

The Vegreville Health Unit is running a course to train homemakers and home help aides who will work in conjunction with the Home Care Nurse. There is a lot of confusion about the whole concept of a homemaker, which I will attemp to clarify.

"Homemakers" provide physical and emotional support to people who, for various reasons, would not be able to remain in their own homes without this assistance. The four basic functions of a homemaker are;

- to assist people maintain a functioning home environment, which may include light housekeeping and management activities such as meal preparation, laundry, shopping.
- to provide care for children at home during specific situations when parents are unable to do so - eg. illness, surgery.
- to work under the supervision of a nurse or therapist to provide basic treatments, exercise and assistance
- to observe and report to the health team the health status of the person, in order to make sure the best care possible is given.

A Homemaker's role is very important, in that she often makes the difference of a person being able to stay in their own home, or being institutionalised - in a hospital, senior citizens' lodge or treatment centre.

The Health Unit is looking for Homemakers, and providing an introductory training program, which includes topics such as Home Nursing, the elderly, handling emergency situations, the family, rehabilitation, therapeutic diets and more. More in-service training will be provided to persons becoming Homemakers.

Homemaking can be very rewarding and satisfying work. If you are interested in being a Homemaker or would just like to take the course for your own interest, or out of concern for elderly parents, please contact: Muriel Onusko - Vegreville Health Unit, Phone 632-3331 or Deborah Taylor - Preventive Social Services, Viking at 336-4024.

The first session, dealing with Home Nursing, is Thursday, March 13th, at 9:30 a.m. in the Viking Hospital.

Vialta Lodge News

George and Jeanette Ferguson and granddaughter Courtney Bryden visited with Mrs. Ferguson on Monday afternoon.

Calling on Grandpa Tehir were Diane Pasnak and Ann and Nick Tkaczyk.

Gwen Hoog . called on her mother Mrs. Phena Evans.

The Hubbard family of Manville visited with Mrs. Rodwell and Mrs. Suddaby.

Visiting Mrs. Roger were Darrel Helgeland of Vermilion and Lyle Grosland of Holden.

Mr. Grosland also visited with Mr. L. Gibeon.

Mr. and Mrs. Sid Haukedal of Calgary were visiting his mother Mrs. E. Johnson.

Bob and Sofie Thunell and grandson Ryan Brook called on Mr. and Mrs. O. Lovesetk.

Lester Acton of Nashville, Tennesee visited with Mr. and Mrs. John Ziegler.

Mr. and Mrs. Hoines are visiting with their daughter and family at Rimbey.

Mr. and Mrs. Ziegler spent a few days out at the farm.

Get well wishes go to Mr. C. Weder and Mrs. Anderson at Viking Hospital and Mr. J. Beshell in Edmonton. We are pleased to have Mrs. Ash and Mrs. Hunt home again.

Everyone is invited to play bingo with us on Wednesday, March 19. Our card party is on Tuesday, March 25th at 8:00 p.m. and quilting will be on Thursday, March 27th.

Challenge Of The 80's

Challenge of the 80's was the theme of the 1980 Annual Meeting of the Travel Industry Association of Alberta held in Red Deer on February 29 to March 2, 1980.

The 1970's spawned many changes in the tourist industry and so at the end of a volatile decade, delegates reviewed the progress made by the Provincial Association to date and examined their approach for the future.

Many and varied challenges that face the tourist industry in the 1980's were analyzed and discussed by the delegates.

In other sessions delegates dealt with thirty six existing resolutions and twenty-four new resolutions. The Battle River Tourist Associations had submitted one new resolution urging government to take immediate action to establish a new Provincial Park at Bott Lake, located on Highway #13, in the Hardisty-Lougheed region. Although the new resolution was very narrowly defeated, private sector attending the convention showed keen interest in establishing in the area.

Recommendations Approved At Seminar

Payment of an annual rental for all easements and right-of-way acquisitions was among recommendations passed by about 40 delegates to a seminar on surface rights legislation and procedures held in Edmonton.

A total of ten recommendations were approved by the meeting and will be forwarded to the Legislative Assembly for consideration during discussion of amendments to surface rights legislation expected to be introduced at the spring session.

The seminar was designed to provide for discussion of problems in the whole area of surface rights acquisition in an effort to develop a workable and fair system to the benefit of both landowners and the energy industry.

The meeting got underway with panel discussions followed by workshop sessions to draft recommendations on problem areas outlined in the earlier discussions.

Representatives of five groups, the Alberta Cattle Commission, Peace River Stock Growers, Western Stock Growers, Unifarm and the Alberta Fish and Game Association took part in the

Industry was represented by executives from petroleum and electric utility firms and a land consultant. Three MLA's also att-

Let's make no mistakes With Hazardous Wastes!

We in Alberta can avoid the mistakes others have made in the disposal of hazardous wastes. We still have time to do a better job.

Public Hearings by the Environment Council of Alberta are being held on hazardous waste management. As an Albertan, your interests might be affected by recommendations the ECA will make to the Provincial Government. Your views are valuable. Make them known.

Find out how:

Contact the ECA for a background information package - Call Zenith 06075 toll free, or in Edmonton, call 427-5792.

Attend an information meeting in WAINWRIGHT Legion Hall Thursday March 20, 7:30 pm.

Alberta ENVIRONMENT COUNCIL OF ALBERTA 2102 COLLEGE PLACE, TOWER 3 8215 - 112 STREET EDMONTON, ALBERTA T6G 2M4

Mrs. Dicka Hollinger Passes

Dicka Hollinger (Fluevog) was born in Vansvieven, Norway, on June 3, 1901. She immigrated to Canada with her parents and family in 1909. The family settled in the Sharon district south of Irma.

On December 27, 1931, Dicka was united in marriage to Ludvig Hollinger. They farmed in the Sharon district. One son, Gordon, was born to this union.

Dicka was well known in the Irma and Hardisty area and those who knew her loved her for her generosity and love. Her home was always open to anyone in need and there was always a cup of coffee to share. She possessed the pioneer spirit of giving of herself to help someone.

She was a loving mother, mother-in-law and grandmother. As a cook she excelled and she enjoyed her garden, flowers and fancy work. She gave generously of herself and her means to her beloved church.

Her grandsons were very dear to her and she enjoyed living so close that she could share her love with them.

After a failing health, Dicka Hollinger passed away on January 17, 1980 in the Hardisty General Hospital. She leaves to mourn her passing: one son Gordon and daughter-in-law Marina of the Sharon District; three grandsons, Douglas Dwayne and Curtis; one sister, Nana Nilson of Irma, two brothers, Norman Fluevog of Irma, and Sigrud Fluevog of Vancouver, B.C. She was predeceased by her husband Ludvig in 1975 and by her parents and one brother, Edwin.

Funeral services for Mrs. Dicka Hollinger were conducted from Sharon Lutheran Church on Monday, January 21, 1980 at 2:00 p.m. with Pastor Ray Nisbergall officiating. The hymns sung were: "When Peace Like A River" and "Sweet Hour of Prayer" accompanied by Mrs. Della Nilson at the organ. Mr. Carl Sorenson also sang a solo entitled "Some Golden Daybreak".

The pallbearers were the Messrs: Lorne Fuder, Carl Gulbras, Arnold Lien, Jack MacKay, Ole Raasch and Leonard Skavi.

Interment followed at the Sharon Lutheran Cemetery.

Funeral arrangements were administered by McLeod's Funeral Home of Wainwright, Alberta.

Quinte W.I. Report

The February meeting of the Shady Cove W.I. was held at the home of Mrs. Sybil Brower on February 18th. After the usual opening, roll-call was answered by items for the fish pond. Seven members were in attendance. The President, Rita Hafso welcomed our Constituency Convener Mrs. Gunn.

The subject of the talk given by Mrs. Gunn was A.C.W.W. She told of its beginning and its growth.

We should all be proud that this movement started in Canada and furthermore, in Alberta at Lac Park in 1909 and is now known in sixty-nine countries. The first woman appointed to the Senate was a staunch AWI member. Mrs. Watt took the institution to England, while Mrs. Emily Guest introduced it to Scotland. The next A.C.W.W. Convention is to be held in Germany.

Mrs. Gunn had also seen pictures of the Wells of Kenya in operation, which had been a W.I. project.

It has been suggested that the A.W.I. study Canadian Constitution and work on an exchange program rather than United Nations.

The Wainwright Constituency Conference is to be held at Kinsella, on April 14th, 1980.

A motion was made by Sybil Brower and seconded by Ruth Ash that we make a donation of $5.00 to the Ufice Fund.

There was a short question and answer period and I'm sure many parts of W.I. work were explained and understood by all of us. Our thanks to Mrs. Gunn for a very interesting and informative talk.

Our next meeting will be held at Mrs. Ruth Ash's home on March 17th Roll call for this meeting will be an Irish joke. Hostesses are Elsie Ottoson and Jenny Lefferd.

The motto given by Sybil Brower read as follows:

These are our hopes and ideals.
Help us to attain them, Oh God".
Through Jesus Christ our Lord.
We need one another
We love one another
We forgive one another
We work together
We worship together
Together we use "God's Word",
Together we grow in Christ
Together we love all men
Together we serve our God
Together we hope for Heaven.

It was moved by Laura Swift that the meeting adjourn. A lovely lunch was served by Mildred and Sybil and a pleasant hour spent visiting.

Pharesee

Once there lived a Pharesee
Talked too much but could
no see.
Vain beyond the pale of light
Could not tell the morn from
night.

It's a story often told
Yet the point grown never
old.
Of how man in lifelong
yearning,
Has to suffer in his learning.

F. Gommeringer

The Healer

Man at his birth receives the
stain
Of Adam's ancient sin
And for it prone to ills and
pain
With all his kit and kin.

How welcome then the Healer's hand,
To end a torments test,
Those are the days he needs a friend
With him of all the best.

F. Gommeringer

Taking Time For Waterplay

Water, like paint and blocks, can be a basic material in a child's play experience. With a minimum of adult supervision, it can provide a child with hours of learning, satisfaction and fun.

Waterplay is more than the simple act of tossing toys into the bathtub. To allow the child maximum benefit from his play with water, a parent should provide sufficient time and an assortment of everyday objects to make the experience as stimulating as possible.

Water has one advantage over any other type of play material - it is always available and at no expense.

Waterplay can take place in a variety of settings. A small plastic swimming pool in the basement or back yard is good. The bathtub, sink or large basin are natural water play spaces. Providing a chair or box makes the water easier to get at.

When indoors a plastic tablecloth under a basin will protect the floor or table.

Everyday household objects are all that is needed to complete the scene. Plastic containers, spoons, strainers, sponges, plastic tubing, food coloring, and soap can all be used.

Children should only be given a few objects at one time. Too many will confuse the child.

Because of the versatility of water it encourages spontaneous and imaginative play. The child can experience first hand, principles such as volume and measurement. Waterplay is a calming experience for children. It has a relaxing effect, which children often carry over to other activities.

Looking Back . . .

This picture was taken on the last day of the Bill Haire milk delivery service in Viking by horse and wagon. It is believed to be the last horse delivery in western Canada and operated until May 14, 1965. Wm. Commerow, a local merchant, stands beside the horse.

Because Small Comforts Make a Big Difference

Like the mittens that make a big difference on a cold day, so wheel chairs, braces, artificial limbs, ostomy supplies are among the aids that make life more comfortable for a disabled or chronically ill person. And now these and many other aids for daily living are being made available to Albertans without charge.

The objective of the new program (effective March 1, 1980), is to remove the financial burden of buying these important aids, and to allow Albertans to enjoy more independent living in their homes and in the community.

Some Albertans already receive these benefits through the Extended Health Benefits Program, Workers' Compensation and other health plans, but this new program assists those Albertans who do not now receive such benefits.

If you, or someone you know is interested in more information about how we can make a big difference, contact your local health unit or board of health.

Irma New Horizon Club Report

The Irma New Horizons Club held their regular monthly business meeting in the Drop-In Centre at 2 p.m. on Wednesday, March 5th. Approximately thirty members were in attendance.

President, Georgina Enger called the meeting to order at 2:00 p.m. The Secretary Orill Darling being absent, our former secretary Alma Enger took over.

The minutes of the February 6th were read and approved. The treasurer's report was given, received and filed, correspondence was dealt with. A letter from Mary Newton regarding the new Irma history book was read and discussed.

It was moved and carried that our organization would that our organization would agree to the request of the Committee for the 75th Alberta Birthday Celebration by making application for the grant available to senior citizen's clubs for celebration of the Provinces 75th Anniversary. This grant is to be applied to defray the expenses of publishing the New History Book of Irma and District.

It was reported that a truck load of papers, magazines and books had been taken to Alberta Re-cycle in Edmonton and the sum of $102.00 realized. A vote of thanks was accorded Jim Jackson for storing and bundling the papers and to Eddie Jackson for hauling the papers.

The business being dispensed with, the meeting adjourned. Five tables then played whist and two tables played scrabble, Prize winners for whist were as follows: Ladies high score went to Mamie Kellar, with a score of 116, the low went to Peggy Fleming with a score of 85. Mens high went to Harry Riley with a score of 96 while Jim Jackson was awarded the consolation with a score of 90.

Lunch was served while the prizes were being dispensed. This ended another enjoyable evening.

The next whist drive sponsored by the New Horizons Club will be held in the Drop-In Centre on Friday evening, March 21st at 7:30 p.m. Everyone is welcome.

The Irma New Hrizons whist drive on Friday evening, March 7th, had only five tables. The prize winners were as follows - Ladies high Dorcas Coffin with a score of 183, consolation went to Minnie Jackson with a score of 144. Joe Burton took the mens high with a score of 180. Mel Mickleson and Jim Jackson tied for mens consolation and had to cut the cards, the latter won. This must be some kind of a record - a man and wife, both taking consolations at the same whist drive.

Kinsella News

After enjoying the Winter Games in Grande Prairie and a short visit to her sister in Edmonton, Pearl Brown returned home last week.

While in Grande Prairie, she had the pleasure of seeing her granddaughter Colleen receive her third Speed Skating Gold Medal, the other two coming from Edmonton and Calgary.

Mrs. Pederson visited home on Sunday, before returning to work in Grande Prairie, after spending a very enjoyable two week cruise in the Caribbean.

The Kinsella Rose Seniors are busy these days with projects for the Kinsella Homecoming in July. The centre is open every Wednesday evening.

The ladies are quilting and the men are working with wood at this time.

Members don't forget our business meeting is always the second Wednesday of each month. Don't forget our card party on the 19th and again everyone is welcome.

Irma News & Views

Congratulations to Jack Clisdell who is sporting a new Chevelle, Malibu. Best of luck Jack and may you and your Mom and Dad enjoy it for many years.

Bob Dempsey was taken to see his doctor in Hardisty on Thursday, March 6th.

The doctor put him in the hospital for treatment and tests and he will probably be in for about a week. The Newton family are taking care of Bob's chores for the time being.

Word has just been received of the sudden death of Milo Fleming who was an Alberta Wheat Pool field man, stationed at Vermilion some years ago. He was very well and favourably known in the Irma district. For the past several years Milo has been stationed in Lethbridge where he died at his home of a massive stroke on Thursday, March 6th, 1980.

Agnes Larson went to Edmonton the last week to attend the funeral of her mother in-law, who had passed away at the age of 87 years.

Agnes has not yet returned and Gunnar is batching.

A tragic accident at the Irma Fair Grounds took the life of a young Irma resident. On Thursday evening, March 6th, Leonard Larson, 15 year old son of Jean and Allan Larson, while skidooing in the Irma Fair Grounds collided with a pipe fence and sustained what proved to be fatal injuries. He was rushed by ambulance to Wainwright where his condition was considered so serious that he was immediately rushed to Edmonton where he passed away at 11:00 p.m.

Our whole community was shocked and saddened by the tragedy. Sincere sympathy is extended to the sorrowing parents and other relatives.

Funeral services were held in the school auditorium on Monday, March 10th, at 2:00 p.m., conducted by Rev. Gordon Wilson.

Another boy who was also on the skidoo with Leonard was badly shaken but fortunately escaped without serious injury.

A team of Irma Midgets travelled to Marwayne on Sunday, where they defeated the Marwayne Midgets by a score of 18 to 7. This was a provincial game.

George Foreman is still in Viking Hospital being treated for a heavy cold.

J. Jackson

Chacutenah Manor News

Our deepest sympathy to Mrs. Cockroft and Art Larson in the tragic death of her grandson and his nephew, Leonard Larson.

Mrs. Beer returned from a week's stay in Viking Hospital. She returned on Saturday and left on Sunday for Red Deer where she will recuperate at the home of her daughter, Mrs. Betty Anderson. Visiting her at the week end, were her grandson Dwayne Beer and Miss Cindy Gilbert of Calgary and her granddaughter and her husband, Mr. and Mrs. Murrat Dodds and their two children, Tonya and Lindsay.

Mrs. Mamie Kellar left by bus on Tuesday, enroute for High River where she will visit with her sister, Mrs. Charleston, who is hospitalized there as a result of a car accident. Before returning to Irma, Mrs. Kellar will spend a week with her son and daughter-in-law Mr. and Mrs. J. Kellar in Innisfail.

Mrs. W. Bennet of Wainwright was a recent visitor with her grandmother, Mrs. McLean.

Two Manor residents have recently received a collection of Nature Slides from the Alberta Heritage Learning Resource. An interesting and acceptable gift.

Mr. and Mrs. John Moore of Tofield were recent visitors with her mother Mrs. McRoberts.

Mrs. C. Saville of Edmonton visited with her mother, Mrs. McLean on Monday.

Irma W.I. Notes

The March meeting was held at the home of Mrs. Georgina Enger with fourteen members and one visitor present.

Mrs. E. Fleming, President, conducted the meeting and gave the report of the District Two Conference held at the Gray Nun's Centre in Edmonton recently.

Mrs. O. Darling was also a delegate to this Conference where Mrs. Martha Bellish, newly appointed Senator spoke.

A Cancer Fund Tea and Bake Sale will be held on April 12 at the Legion Hall in cooperation with the Strawberry Plains and Buffalo Coulee W.I.'s.

To help celebrate Alberta's 75th Birthday, the Irma W.I. is willing to assist with an old-time fashion show and the sponsoring of an over 75 year old queen, during Irma Daze in early August.

Many useful household hints were given by the members as they answered roll call.

We are very pleased to welcome Mrs. Kay Clumstad as a new member to our group.

Our next meeting will be held at the home of Mrs. Elsie Satre with Mrs. Satre and Mrs. A. Dootson as hostesses. Roll call for the meeting will be a baking hint.

Echo-Rodino Report

Doreen Prosser and Yvonne Greenwood made a business trip to Edmonton.

Trudy McAllister and daughter of Lloydminster spent the weekend by a friend, Shelly, spent an overnight visit at the Tom Greenwood home.

Kelly Smith returned to Lloydminster with them for a few days.

Harold Greenwood accompanied his friend Greg Grier of Kinsella to Wetaskiwin.

Saturday night found the Rodino Hall all lit up for the Annual Hard Times Dance. Following a hugh supper of beef stew, the happy but hard-up crowd danced the night away to the music of the Strum-alongs.

The winners of the prizes were as follows. Best dressed lady - Wendy Anderson of Minburn. Best dressed man - Jim Rusicka of Viking. Funniest dressed man - Lynden Mannell of Innisfree, Funniest dressed lady - Evelyn Greenwood of Irma, Most Hard Up man - Dale Prosser of Minburn and Most Hard Up Lady - Christine Myers of Dawson Creek, B.C. Boo-Boo prizes for the man and lady which turned up most dressed up in good clothes were Mr. and Mrs. Tom Lyseen of Vermilion. A good time was reported by everyone.

Consumer Rights And Responsibilities

While we are all so different in so many ways, one of the things that Canadians have in common is that we are all consumers having dealings in the marketplace.

For most of us, our consumer transactions and activities are such regular and frequent occurences that we soon develop certain attitudes and expectations about how the marketplace should function. Put simply, we have learned our basic consumer rights.

As consumers, we have the right to truthful and honest information about the goods and services we buy. This true and honest information must, by law, appear in advertisements of all kinds and on labels and packages.

We have the right to choose between products and services to satisfy our needs.

We have the right to safety in the goods and services we buy. We can expect that household products and children's toys for example will be safe when used as instructed.

And, finally, we have the right to be heard, to voice our opinions and complaints to business, consumer agencies, government and politicians.

But, as in life, there are two sides to this coin. If we are to enjoy our rights, we must also accept our responsibilities.

So while we have the right to information, we have the responsibility to seek it out before we purchase.

With the right to choose, goes the responsibility of making sensible choices - to shop comparatively for such features as price, durability and warranties.

The right to safety in the products we buy can only be enjoyed if we accept the responsibility to use them as directed, and in a reasonable, careful and safe manner.

Our right to be heard is worthless unless we assume the responsibility to be willing to voice comments, concerns and complaints, and to learn what laws protect us.

Your rights and responsibilities as a consumer are important. Remember them the next time you make a purchase.

Municipal District Of Wainwright #61
Province of Alberta

Notice is hereby given that the assessment roll of the said Municipality, made under the provisions of the Municipal Taxation Act, Section 36, has been prepared and will, for thirty (30) days, be open to inspection at the office of the Municipal Administrator of the Municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the Municipal Administrator of the Municipality.

Dated this 15th day of March, 1980.

Herbert A. McDonogh
Municipal Administrator

Energy Eater Beaters
READ YOUR ELECTRIC METER

Are you wasting dollars using energy you don't really need?

Managing your energy costs makes sense The less energy you use, the lower your power bill.

To reduce energy waste in your home
- Know how much energy you use now
- Know where and how the energy is used
- Know how to read your power bill

Our booklet, "Reading Your Electric Meter" will help you to manage your energy use better and reduce your power bills.

Dated this 29th day of February, A.D. 1980.

A. Robert Cross
Secretary-Treasurer

Village Of Irma Regular Meeting Held

The Council of the Village of Irma met in regular meeting in the Village Office on Tuesday, March 4, 1980 at the hour of 7:00 p.m.

Present were Councillors Barber, Dempsey, Jackson, Larson and Lakiewood. Also present was the Municipal Administrator, D.D. Creasy, the M.D.Z. Council representative, Myron Meyer and Mr. John McDougal from Pardee Equipment.

Moved that the minutes from the February 5, 1980 regular meeting be adopted as circulated. Carried unanimously.

Moved that the schedule of receipt as presented be accepted. Carried.

Moved that the accounts for the month of February be approved for payment. Carried.

Moved that the financial statement as presented be approved. Carried.

Net balance at end of the previous month $583.84. Receipts for the month of $10,377.49. Disbursements for the month $6,374.09. Net balance at the end of the month $10,587.24.

Correspondence from Alberta Disaster Services relating to Emergency Response to Dangerous Chemicals Act received was read. Moved that we order two of the handbooks setting out guidelines. Carried.

Moved that correspondence from the Battle River Tourist Association be received and filed. Carried.

Correspondence was received from Municipal Affairs setting out amendments to the Planning Act. Moved that this correspondence be received and filed. Carried.

Moved that correspondence from Northwestern Utilities Limited relating to the Franchise agreement be received and filed. Carried.

Moved that correspondence from the Alberta Municipal Finance Corporation relating to its Annual Meeting be received and filed. Carried.

Moved that correspondence from Ace Construction Limited relating to vegetation control services be received and filed. Carried.

Moved that the minutes from the Irma Recreation Area Board meeting be received and filed. Carried.

Correspondence was received from the following charitable organizations requesting support in the current year. The Salvation Army, Canadian National Institute for the Blind and Woods Christian Homes. Moved that the grant in the amount of $35.00 be awarded to each of the above named organizations. Carried unanimously.

Moved that correspondence from Alberta Transportation advising that funding will be available to assist in the costs for dust proofing of S.R. 881 in the current year. Moved that this correspondence be received and filed. Carried.

Moved that correspondence from the Gas Inspection Branch relating to the Propane Cylinder Filling Station be received and filed. Carried.

Moved that correspondence from the Assessment Equalization Board setting out the procedure used in arriving at the equalized assessments be received and filed. Carried.

Correspondence was received from the Local Authorities Board advising that approval has been given to the proposed annexation of Pt. S.W. 34-45-9-4 into the village. Moved that this correspondence be received and filed. Carried.

Correspondence was received from the Minburn Vermilion Health Unit relating to water samples be received and filed. Carried.

Moved that the Village Council be appointed to act as a Court of Revision to hear complaints that may be filed relating to property assessments. Carried.

Moved that the firm of McKinnon and Ford be reappointed to conduct an audit of the village books and records for the year 1980. Carried.

Moved that the minutes from the Wainwright School Division #32 Board meeting be received and filed. Carried.

A discussion ensued relating to Council's decision to withdraw its request that the Wainwright School Division forward a copy of its Board meeting minutes.

Moved that the Wainwright School Division #32 be requested to forward a copy of Board meeting minutes to the Village of Irma. Carried. Councillor Barber opposed.

Moved that the minutes from the Chateauneah Manor Board meeting be received and filed. Carried.

Moved that the minutes from the Irma Cemetery Committee's February 1980 meeting, setting out proposals for fencing and upgrading at the cemetery be received and filed. Carried.

Wainwright and Area Preventive Social Services: Correspondence was received from the P.S.S. requesting Council's approval of its 1980-81 budget. A brief discussion ensued and it was moved and carried that the Village of Irma withdraw from the P.S.S. program.

Correspondence was received from Current Planning advising that the proposed subdivision Block G, Plan 1560 W. for an industrial park has been approved. Moved that this correspondence be received and filed. Carried.

Correspondence was received from Current Planning advising that the proposed separation of Title for Lot 27-31, Block 8, Plan 1560 W. has been refused as it does not conform with the Planning Act. Moved that this correspondence be received and filed. Carried.

Correspondence was received from Current Planning advising that proposed subdivision Pt. s.w. 34-45-9-4 has been refused. The tentative general plan as prepared does not conform to the provisions of the Planning Act. Moved that this correspondence be received and filed. Carried.

Mr. John McDougal, Sales representative for Pardee Equipment was present to make a presentation of a rental purchase agreement of a new motor grader for the Village. Mr. McDougal made his presentation and took his leave from the meeting. Moved that no action be taken on the proposed rental purchase as proposed. The Municipal Administrator to check into the availability of used motor graders.

Mr. Myron Meyer was present at this time to discuss the proposed subdivision. Pt. S.W. 34-45-9-4 by the M.D. Wainwright #61, and the grounds upon which the proposal has been refused. The provisions of the Planning Act were referred to and Mr. Meyer stated that the M.D. Council has submitted an appeal.

Mr. Meyer then opened a discussion relating to the utility service lines to the new M.D. Grader Shed and said that the M.D. Council feel that the village is responsible for costs as set out on the invoice for which was refused by Council at its January and February regular meetings. The provisions as set out in the Village Development regulations were referred to. These regulations state that the developer shall be responsible for all development costs.

Further, Mr. Meyer said that he was not aware that the property in question is tax exempt and that the M.D. does not pay taxes on the property is question. Correspondence from the M.D. Council relating to the above matter was received. Moved that this correspondence be filed for future reference. Carried.

Correspondence was received from Alberta Housing Corporation advising that the Corporation is not prepared to proceed with servicing of the Industrial Subdivision at this time. It is recommended that consideration be given to providing road access into a dry lot industrial park with individual land owners providing sewer pump-out systems. Moved that this correspondence and the recommendations as set out by the said corporation be accepted. Carried.

Independent cisterns and

Moved that the C.N.R. Lease site holders be advised that water and sewer services on 46th avenue will not be provided in the immediate future. Carried

Correspondence was received from the Irma and District Chamber of Commerce requesting that the Village participate in the program of upgrading the Christmas Lighting fixtures. Moved that the Village provide the sum of $500.00 to assist with upgrading of Christmas Lights in the current year. Carried unanimously.

Correspondence was received from the Wainwright School Division #32 advising that check valves will be installed in the mobile home units to prevent damage to the hot water heaters in the event that water pressure fails. Moved that the correspondence be received and filed. Carried.

Correspondence was received from the Department of Education advising that there have been amendments to the School Act relevant to the opportunity of funds between the public and separate schools. Moved that this correspondence be received and filed. Carried.

Correspondence was received from Advanced Education and Manpower advising that the STEP program will be carried on in the current year. Moved that an application for ten students will be submitted. Carried.

Moved that the Village renew its membership with the Battle River Tourist Association for the current year. Carried.

Moved that the Village renew its membership in the Regional Resources No. 4 Project for the current year. Carried.

Lapel Buttons - Moved that the supply of lapel buttons be given to the members of the Caribean Tour group and members of the School Band. Carried.

Summer Youth Program - The Municipal Administrator advised that the Summer Youth Program has been extended into the current year. Applications must be submitted on or before March 28, 1980. Moved that no action be taken in this regard. Carried.

The foregoing concludes business before Council and Councillor Dempsey moved the meeting adjourn. Carried.

Holden 4-H Beef Club Holds Public Speaking

The Holden 4-H Beef Club held their monthly meeting on February 13th, with fifteen members present.

The club also held their Public Speaking during this meeting, with Dale Lutz as Chairman for the evening.

In the Juniors, Joyce Lutz was first with her speech "The Battlefield Trail" and Cheryl Giebelhaus placed second speaking on "Animal Ways".

Michael Lutz was first in the Seniors with his topic "Model Rocketry" and Kevin Stewart placed second speaking on "My Trip To B.C."

Two girls from the Bruce Busy Bees club also competed in the Public Speaking with our club. They were Cathy Pratt who placed first with her topic on Education and Phyllis Giebelhaus who was second, speaking on "The Worl of the Sea".

We would like to thank Mrs. Pearl Allan and Mrs. Vivian Andrusky of Holden and Mr. Arnold Hanson of Viking for kindly giving their time to judge for our Public Speaking. While the judges were deciding on the winners, the club carried on with their 4-H meeting.

The record books were handed in to Mr. Walter Lutz.

The meeting was adjourned and lunch was served. We would like to thank everyone who came to our pancake supper on February 19th and made it a very successful evening. We also wish to thank the Holden Frozen Food Store who donated the roast for our club raffle.

The roast was won by Greg Chomic. Club Reporter
Cheryl Giebelhaus

New Products For The Home

What new products have you noticed for the home? The District Home Economist from Lac La Biche has prepared the following information about some new products we can expect to find shortly. Look for them when you are shopping around.

Space Saver - a microwave by General Electric that doubles as a range hood. It fits over the range top at eye level height and has a hood and light built in below. It was available to builders and contractors in November and should be on the market next summer.

Verapel - by Flecto, is a new penetrating wood finish and preservative. It is applied with brush, rag, roller or spray and cleans up with water. Varapel is a complete treatment resisting checking, cracking and peeling. It can be applied over a previous stained coating or covered up itself by another finish. When dry, it is both water repellent and water insoluble.

The Steeping Bath - by Kohler, is designed for chin deep soaking comfort. It is 5 feet long, 3 feet wide and 20 inches deep throughout. Special features are a back-supporting design, slip resistant bottom, arm rests and safety grip handles. They cost $1,000 and come in thirteen different colors.

Trudoway - Floorcovering - manufactured by Armstrong. It is made for the doit-yourselfer. It is a moderately priced vinyl flooring available in 6 or 12 foot wide rolls which generally allows for elimination of seams. It can be installed over any type of surface in the home (except another cushion vinyl) and because it is so resilient and flexible, it will camouflage considerable unevenness. It can be cut with scissors, and either cemented or stapled around the edges except for doorways or other exposed edges where it has to be glued. This product is unique because it has a "memory". When the flooring is rolled out at the factory, the outer circumference of the roll is stretched and the backing compressed. Because of this, the flooring will contract after installation giving a very tight smooth fit even if it was originally trimmed too large. If trimmed to small, it can be stretched to fit. A great product for the do-it-yourselfer.

Quaker Corn Bran - said to be the first high-fibre cereal made from bran of corn, is being expanded nationally by the Quaker Oats Company, Chicago, Ill. Fortified with 9 essential nutrients, the product is said to contain no artificial preservatives. The cereal is packaged in 12 oz. or 16 oz. cartons.

Paperboard Cookware - Coated paperboard casseroles are available for use in the microwave oven. They can also be used for freezing, if the contents are wrapped in a material suitable for freezing. The casseroles are ideal for storing leftovers.

Card of Thanks

CARD OF THANKS I would like to extend our sincere thanks to all our friends and neighbors for their kindness shown to us in the sudden loss of our beloved son, Colin John. A special thank you to Rev. G. Wilson and the United Church Choir, to McLeod's Funeral Home and to the honorary pallbearers. Also to the ladies that assisted with lunch, and to all those friends who gave memorials, cards, flowers, food to the house and also to those who visited our home. It was all much appreciated.

Sincere thanks from Chris and Mark Russel, Carole and Faye, Terry Wayne and Vern. 5c

CARD OF THANKS We would like to thank the Viking Chamber of Commerce, Viking Travel Agency and the participating businesses in the 1979 Viking Chamber Draw promotion for the trip to Hawaii which was awarded to us after the Christmas promotion draw on December 22. Thanks again to all.

Lumir and Helen Dobry 5p

In Memoriam

IN MEMORIAM Cherished memories of Mr. Edward George McLean who passed away on March 6, 1977.
Things we feel most deeply
Are the hardest things to say,
Dear Dad, we love you in a special way.
If we could have one lifetime wish,
One dream that could come true,
We'd pray to God with all our hearts,
For yesterday and you.
Although we smile and make jokes,
No one missed you more than us,
And when old times we share
That's when we miss you most of all.
Always remembered by wife Mary, son John, Daughter-in-law Rose Marie, son-in-law Albert, and grandchildren Shane, Charlene, Sheila and Dwayne. 5c

IN MEMORIAM In loving memory of Andrew Tkaczyk who passed away on March 13, 1974.
Tonight the stars are shining.
On a lonely silent grave
Where sleeps in dreamy slumber,
One we loved but could not save.
In sadness we saw you sinking,
We watched you fade away,
Our hearts were almost broken,
You fought so hard to stay,
But when we saw you sleeping.
So peaceful, free from pain.
We could not wish you back,
Uncle,
To suffer that again.
Always remembered by sister-in-law Mary, nieces and nephews. 5p

Memorials to Violin Lodge
In memory of Mr. Alex McDonald of Burnaby, B.C. from Alice Holmes. In memory of Mrs. S. Howies from Alice Holmes, Kay Burbwick 5p

Fish and Wildlife

by Dennis Urban
Fish and Wildlife officer

BROOKS WILDLIFE CENTRE

A new $7 million wildlife centre opened last September at Brooks, Alberta.

This facility replaced the old Brooks Pheasant Hatchery which was no longer capable of providing adequate space for the birds required.

The new centre provides research as well as hatchery facilities.

The Brooks Wildlife Centre expands operations of the old hatchery which was first established in 1945. The new centre is located on a 365 acre site, has new buildings and plans are to move in new directions.

The wildlife centre will continue to produce birds for release to the wild or other suitable sites.

The Brooks centre provides facilities to handle live animals for rehabilitation (eg. oil covered birds, wounded birds of pray, etc.) or animals in custody as evidence for court cases. The provision of outdoor pens allows monitoring of natural environmental effects on upland birds.

Approximately 51,000 pheasants were hatched at the wildlife centre in 1979; 23,500 were distributed as one-day old chicks to 4-H members, individual landowners, Fish and Game clubs and Upland Birds Alberta members with an additional 5,300 six-week old birds sent to the Alberta Fish and Game Association.

All of these birds were provided free of charge. The Fish and Wildlife Division also released 9,300 pheasants throughout the province for fall hunting.

The Brooks Wildlife Centre is another facility which is most interesting and informative and will provide all Albertans with a very much needed centre for wildlife research.

Wildlife officers will answer any question you may have about anything concerning fish and wildlife laws or areas of concern.

If you have any questions, please contact your nearest local district Fish and Wildlife officer.

What's Annoying?
by
Raymond T. Johnson

Tell me, what is annoying? Something that takes place or exists that rattles one's better side of life. We all possess the power to choose, but there are times when that power is eliminated. The old grey matter decides instantly there is no lighter side to this; it is annoying.

There are a great number of things that can annoy one, in fact they are so numerous it is unlikely there is enough paper in Canada to record everyone's annoyances. Here I am going to scratch the surface of some of my torments of my life thus far.

A shower that sprays cold water when you turn the "hot", losing a bar of soap in thetub; losing the washcloth when your eyes are full of that soap; a bathroom without tissue after you have completed your mission, and a public lavatory in which the water continues to rise in after you have flushed it.

A quiet house cat under your feet when you are working in the kitchen; a pile of dirty dishes and no detergent; the rug half vacuumed when the vacuum gives up; starting dinner late then burning the food; and not realizing you forgot to salt the potatoes until you've sat down to eat.

Expecting a nice drink of cold milk and after pouring it, finding it sour; a refrigerator that defrosts on the floor; walking barefoot in that water from thefridge when you are up at 2:36 a.m. for a glass of water; and running out of razor blades when it is imperative you have a clean shave. Not having the proper color of shoe polish after immaculately cleaning your shoes for the shine; putting on your left sock only to find a hole in the heel of the mate. Breaking your shoe lace and not having a replacement; having a zipper on the fly of your pants that refuses to stay up; and having a hole in your pocket where you keep your parking meter change.

Driving a hundred mile trip and being stopped by the police for speeding in the last half mile; trying to start a car that refuses to start in sub-zero weather; a fuel guage that registers half full when it really should read empty; two flat tires and one spare; one flat tire and no wheel wrench; and driving in a storm with no windshield wipers. Stopping to get the wipers replaced and being told by the attendant, "Sorry, we don't have that kind."

Getting soda pop in your rye when you order water; a "skunky beer; the same song played three times in succession on the juke-box.

Milking a cow that kicks; Paying your income tax and receiving a tax notice that you owe another 32 cents; paying your phone bill and getting home to find your phone cut off and running to your car, parked at a meter just in time to see the meter man put the slip under the wiper. You may as well have walked.

A ball point pen that won't write; a girlfriend the same way; finishing a letter and finding you have no envelopes; having four claw hammers and unable to find one; and a wood burning tank heater that refuses to burn after pre-ignition with gasoline.

A cow that goes through the fence after you have opened the gate for her; a cow that refuses to accept her new born calf and a horse that shies at an object that it knows darn well is there.

Stretching barb wire that has broken three times; pounding a post that splinters to bits on the last pound; hitting your thumb while driving a staple in cold weather. Repairing a hole in the fence and finding ten head of cattle out an hour later. All very annoying!

Yes sir. There are just a few of my annoyances. They of course can be measured in degrees, but I wasn't sure whether one would measure them in Fahrenheit or Celsius. At any rate, these are some of the ones that get me where I can't control it. There are definitely more, but to think of them just annoys me!

Gas King action Monday night during the first game of the finals.

Viking Bantams Defeat Daysland In Semi Finals

On Monday, March 3, Daysland travelled to Viking for the first game of the two game total point series.

Rocky Hanson opened the scoring for Viking in the first period with Peter Thomas drawing the assist.

Danny Arychuk added two more goals for Viking in the second period. Assists went to Ian Erickson, and Kenny Cikaluk and Ian Erickson respectively. Rick Snow scored Daysland's only goal of the game in the second period.

The third period saw Viking really come alive with five unanswered goals. These were handled by Ken Cikaluk - unassisted, Ken Cikaluk - assisted by Rocky Hanson, Ian Erickson - unassisted; Danny Arychuk assisted by Ian Erickson, Ian Erickson - assisted by Danny Arychuk.

Viking then travelled to Daysland with a 8-1 lead in the two game series.

The second game of the series was played in Daysland on Wednesday, March 5.

The shorthanded Viking team had their work cut out for them in this game. The Daysland team played hard and the first period ended at a 4-4 tie.

In the second period each team added two more goals leaving a 6-6 tie at the end of that period.

Then in the final period, the Viking boys came out strong, scoring six unanswered goals. Point getters for Viking were: Ian Erickson 8 goals, 2 assists; Rocky Hanson 2 goals; Ken Cikaluk 1 goal and 2 assists; Michael McLean 1 goal; Danny Arychuk, Patrick Voltner, and Randy Graham one assist each. Total points in the two game series were Viking 20 -Daysland 7.

Irma Pee Wees

The Irma Pee Wee team played host to the Wainwright team on Wednesday, March 5th, losing a close battle by a score of 5-7.

Handling the scoring were Randy Ganie, Tim Ford, Joe glover all with two goals each and Lorne Firkus picking up a single goal.

Also picking up assists for the team in this game were Brendon Charest, Robert Holt, Lorne Firkus and Joe Glover.

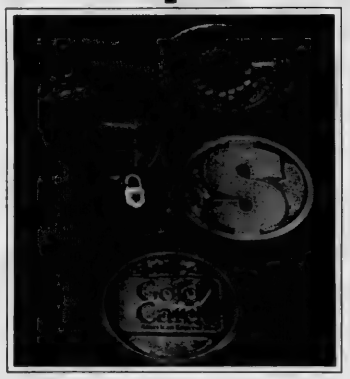
Treasury Branch


Pass Account
Treasury Branches' new PASS Account meets today's customer needs.
First of all it's a chequing account with a wide range of convenience services. But it can also be a savings account, meaning that all your money can work for you.
Here's how it works. By keeping a monthly minimum balance of $100 you receive many free services such as unlimited chequing and personalized checks with your name, address and telephone number clearly printed on them; plus acceptance of most utility bill payments without charge; free money orders, travellers cheques and money transfers.
You can also apply for overdraft protection. Interested? It gets better, because you can earn interest provided you have a monthly minimum balance of $500.
Opening a PASS Account is easy. Treasury Branches' staff will be wearing "Ask me about the PASS Account" buttons, so ask them, they'll be pleased to help.
Remember what we say about the PASS Account. It has "Convenience with Interest."

Viking Pee Wee's Close In On Zone Final

On Sunday evening, the Viking Pee Wee provincial rep team played their first game against Gibbons in the final zone playdown.

The team skated on to the ice with a great measure of determination and confidence. This determination and a lot of hard work paid off as the boys came up with a 10-1 victory and now return to Gibbons on Wednesday night to play the second game at 7:00 p.m.

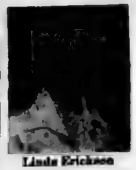
The team really went to work in the opening period and netted four goals while Gibbons had not yet found the net. Shortly before the end of the period Gibbons netted their first and only goal. Before the whistle blew, Viking had again taken a four point lead to end the period at 5-1. The score remained as such until the latter part of the second period when Viking scored two more making it 7-1. This score held until about three minutes were remaining on the clock in the third period when Viking came up with three more for their 10-1 win.

Astes had 3 goals and 3 assists, Clouston 3 goals, and 1 assist, Winczura 1 goal, 2 assists, Lawes 1 goal and 1 assist, Vitek 1 goal, Keith 1 goal, Majeski 2 assists, Kripa 1 assist, Tkaczyk 1 assist and Place 2 assists.

A total of 18 penalties were handed out in the game with 11 of these going to the Viking team.

An exhibition game with Vegreville last Friday night netted our locals a 20-4 win.

Meet Viking 's Snow Queen Carnival Candidates



Linda Erickson

Hi, I'm Linda Erickson. I am seventeen years old and in grade twelve. I plan to graduate with my fellow classmates on May 31 of this year.

Upon finishing High School, I plan to enter the field of aviation, by taking my private pilots license, then expanding into the field of an air traffic controller.

I enjoy participating in curling, horseback riding, dancing and public speaking.

I'd like to thank the Viking Figure Skating Club for giving me the opportunity to run for Snow Queen and I wish my fellow candidates the best of luck.

Cathy Sauers

Hi, I'm a grade 11 student at the Viking School. Sports are highly on my list of interests. I enjoy hockey, basketball, football and horse racing.

I would like to thank the Viking Figure Skating Club for asking me to run as Queen Candidate and the best wishes to Linda and Cheryl.

Cheryl Giroux

Hello! My name is Cheryl Giroux and I'm one of the candidates running for the Viking Carnival Snow Queen.

I'm 16 years of age and in grade eleven. I have a great interest in sports. I enjoy playing basketball, volleyball, badminton and watching hockey games. My past -time hobby is figure skating or anything else that deals with the outdoors.

Once I finish school, I plan on continuing my education in order to develop skills for a career which deals with children or with helping people.

Mite Tournment Mar 15

The Viking Mites Hockey team will be hosting their annual tournament on Saturday, March 15, 1980 at Viking.

The opening game will find Viking against Mannville at 11:00 a.m.

Hardisty and Wainwright will commence play at 1:00 p.m. with the B final going at 3:00 p.m. and the A final at 5:00 p.m.

The Viking Mites have had a very successful year, placing second in league action and going on to win the league trophy in the finals. The team and their coaches would appreciate the support of all hockey fans and parents during their tournament.

The teams invited to the tournament are an evenly matched group and a number of good games are expected.

The acre was originally the area a yoke of oxen could plow in a day.

Viking Light Horse Club Meets

On March 6th, the Viking 4-H Light Horse Club held their meeting at the home of Gary McClements. The meeting was called to order by Veronica Sevcik. "Oh Canada" was sung. Clayton Rauser lead in saying the pledge.

Mr. Frank Sevcik talked to us on conformation of a horse. Members then worked with the horses on halter. Tammy Johnston then demonstrated how to bridle a horse.

Jody Lutz acting secretary, read the minutes. The minutes were adopted as read. Roll call was answered by giving the age of our horse.

Correspondence was read. The deadline for pheasant raising applications is March 15th.

On Thursday, March 27, the Viking Light Horse Club will go to the Northlands Quarter Horse Show and we will also go to Super Rodeo. We will go by bus.

This will be discussed further at the next meeting to be held on March 20, 1980.

Tammy Johnston thanked Mr. McClements for the use of his building and horses and Mr. Sevcik for talking to us on the conformation of our animals. The meeting was then adjourned.

On February 24th, the Viking Beef Club, Viking Dairy Club and the Viking Light Horse Club held their public speaking competition.

The judges for the Juniors were Mr. D. Morris, Mrs. M. Hanson and Mrs. B. Wiechnik. Judges for the Seniors were Mr. R. Child, Mr. A. Wilmer and Mrs. I Toverud. Chairperson for the day was Miss Linda Erickson.

Junior Winners of the Beef Club were Cheryl McClements and Elizabeth Roddick. The Senior winners were Marilyn Ash and Blair Robinson

Junior winners of the Dairy Club were Lisa Lang and Helen Lang.

Junior Winners in the Light Horse Club were Clayton Rauser and Patti Ash. The Senior winners for the Light Horse Club were Veronica Sevcik and Holly Hoyland.

On March 9th, the County Speak-Offs were held in the Ryley Legion Hall. Clayton Rauser, Marilyn Ash, Cheryl McClements, Veronica Sevcik and Holly Hoyland attended.

Clayton Rauser placed first in the County Speak Off in the Junior Section while Diane Henderson placed first in the Senior Section. They will represent the County of Beaver in the Regionals.

Accomodations Needed In Viking For Midget Players

On the weekend of March 28, 29, and 30, 1980, the Viking Minor Hockey Association will be hosting the Midget "C" Provincial Championship Tournament.

There will be teams and visitors from all parts of the Province. Although some of the players may be staying with families in motels and hotels, there will no doubt be some who will need sleeping accomodations.

If anyone could provide a billet for a player or two (which will include breakfast), would you please contact Ross Brower at 336-3345 from 8:00 a.m. to 5:00 p.m. or 336-3294 in the evenings, with particulars as to the number you can accomodate.

Alfalfa Wilt A Serious Disease

Verticillium wilt of alfalfa is considered to be the most serious alfalfa disease in most of the areas of the world where this crop is grown. It often reduces the productive life of an alfalfa stand to two years from the normal five or six years.

Verticillium wilt of alfalfa is caused by the fungus Verticillium albo-atrum and was first reported in Europe in 1926. It spread steadily through the alfalfa growing areas of many European countries during the 1940's and 1950's, and made its first appearance in North America in 1962. At that time it was discovered in Quebec and Ontario.

No further cases were reported in North America until 1976 when the fungus was found in Washington State. By the following year it had spread to several nearby states and to south-central British Columbia. A survey of alfalfa seed lots conducted last winter and spring by Agriculture Canada revealed that the disease was present in all the western provinces.

In Alberta pathogenic isolates of the fungus were obtained in 24 of 95 seed samples tested during the survey, but the disease has not yet been confirmed in plants collected from alfalfa fields. Dr. Ronald Howard, plant pathologist with the Alberta Horticultural Research Centre at Brooks, says no verticillium fungus was found in more than a 100 alfalfa fields surveyed in Alberta by plant pathologists last summer, but that several "suspicious" plants were submitted.

He says the reason for the discrepancy between the seed lot survey results and the plant survey results remains a mystery. However, European researchers have reported that the fungus may go "dormant" during hot weather which would make it difficult to isolate.

The fungus can be carried on plant debris and any soil in alfalfa seed. Even very clean seed (less than 0.5 per cent plant debris and soil) contains enough material to carry the disease, Dr. Howard says. He points out that infested seed is the main way that the disease is spread.

To prevent its spread to new areas, all alfalfa seed, whether domestic or imported, except that to be used for sprouts, must be treated with thiram (4 oz. active ingredient per 100 pounds of seed) before it is sold. However, carryover alfalfa seed and alfalfa seed mixtures now in bags are exempt from mandatory treatment prior to sale, but the statement "Agriculture Canada recommends that this seed be treated with a fungicide recommended for the control of verticillium wilt (for advice see your local agricultural representative)" must be printed on the bag or on the label.

This labelling option, in effect during the 1978-79 season, placed the onus on [illegible] to determine if the seed [illegible] verticillium wilt.

THE SIGHT OF YOUR CHILD

About 160,000 school-age children are afflicted by eye injuries a year; fortunately, there are some things you can do to help keep your youngsters out of such statistics.

To help younger children keep their sight, the National Society to Prevent Blindness says, keep items in sight. Be sure that play is supervised. Most eye accidents occur during unsupervised activities.

Teach youngsters the dangers of playing with broken glass, BB guns, bats and balls, bows and arrows, darts and the like. Show them how to carry scissors, not to point sharp objects, never to spray aerosol to-

Eleven. I have a great interest in sports. I enjoy playing basketball, volley-

Children involved in active sports can play safely if they use appropriate eyewear.

In hockey, for instance, helmets should include eye shields to protect young eyes. This protection is being worn by players more and more — and when used it has dramatically cut down on eye accidents.

In other sports, children who need eyeglasses can be fitted with maximum-strength lenses and frames for best protection. Maximum-strength prescription safety glasses can be obtained where ordinary prescription glasses are sold.

The WEEKLY REVIEW
Serving the People from Ryley to Irma
Published every Wednesday at Viking, Alberta
Wednesday, March 19, 1980 Volume 3 No. 6

LEGISLATURE LIBRARY MAR 27 1980 EDMONTON

Attendance at last week's rural fire training program in Viking was excellent with approximately 35 people coming out. The program is being supervised by Harvey Dumouch of the Fire Prevention Branch and its intention is to provide back-up fire fighters to assist at unlikely rural fires and to save fires if needed.
Staff Photo

Irma Recreation Survey Conducted

Recently a survey was conducted in the Village of Irma and districts 6 and 7 with regards to recreational facilities for the village. The survey was conducted over a period of ten days, with three meetings and 185 hours of work involved.

The people involved were members of the Complex Committee and representatives of the Village Council, Recreation Board, Curling Club and Kinsmen Club of Irma. At the last meeting held on Thursday, the 28th of February, the results of the survey were tabulated. The results were: People who said Yes to: The Complex and centre - 19, 9.20%; the Complex only - 178, 90.86%; The Curling Centre - 299, 40.37%; No to both - 196, 26.20% Total Number - 592.

Considerable discussion revolved around these figures as no one building alternative represented a majority of opinion.

The meeting was called to order and on motions from the floor, Dick Mitten assumed the chair and Bruce Willerton, recorder.

Motion: moved by Ron Dempsey "that a curling centre be built", seconded by Keith Currie.

Following a discussion the motion was defeated.

Motion: moved by John Pasztor "that a curling rink be built and spearheaded by the Kinsmen Club and Curling Club", seconded. Following discussion, the motion was carried.

Motion: moved by Richard Larsen, "that Mr. Kasten be invited to attend a Recreation Board meeting with respect to his fee" seconded by Glen Lafleur and carried.

Motion: moved by Richard Larsen "That all survey ballots be destroyed", seconded by Arnold Lien, carried and carried out.

The meeting was adjourned on a motion by Keith Currie.

All money paid into the Complex Centre fund will be refunded shortly. Each donor is then welcome to donate the money towards the curling rink by giving to the Kinsmen Club.

Swimming Pool Committee Seeks Support

On Friday, March 18, 1980 an organizational meeting was held by the Viking Swimming Pool Committee.

The meeting was called to order by acting chairman, Mrs. Jeanie Bird, who outlined all the information that was available thus far, on the possibility of an outdoor pool.

An elected executive was then formed with Mrs. Jeanie Bird chairman by acclamation and Mrs. Marilyn Hoyland, Secretary.

A volunteer committee was set up consisting of Mrs. Joyce Hoffman, Mrs. Vivian Erickson, Mr. Norman Rosendahl, Mrs. Cathels Rasmor, Dr. Richard Mann and Mrs. Ellen Lefaivel.

A discussion period followed regarding outdoor swimming pools in surrounding towns - their means of financial support, their type of operation, and the various structural designs, which were the most durable and which could possibly be enlarged etc. Since a recreational facility site has already been designated, the location would be no problem.

There was a general consensus that the total grant for town and country be used for construction of a pool This would be a long lasting structure for our 75th Anniversary celebration.

It was felt however, that first we must get the support of the town council. It was suggested that we go as a delegation to a town council meeting, this month if possible.

The meeting adjourned on an enthusiastic and positive note with a vote of thanks to Mrs. Jeanie Bird and committee for their efforts so far.

Ag. Exports Hit Record

Canadian agricultural exports reached a record $8.1 billion in 1979, according to preliminary estimates.

This is a 26 percent increase over 1978 exports.

Agricultural imports over the same period rose by 17 percent to about $4.7 billion, giving Canada a record agricultural trade surplus of $3.4 billion.

The value of barley exports increased by 82 percent. These crops accounted cent, wheat by 14 percent, rapeseed by 71 percent and flaxseed 64 percent. These crops accounted for more than half the value of Canada's agricultural exports.

Viking Pee Wee Team Wins Zone 2

Viking Pee Wees will represent Zone Two in the Provincial Championship tournament at Sylvan Lake on March 21, 22 and 23.

Securing their position as winners of Zone Two, the Viking team handed Gibbons their second defeat on Wednesday night, March 12th at Gibbons by a 7-5 score.

A good number of parents were on hand to encourage the team for this final game. Going into Wednesday's game, Viking had a 9 goal lead in the two game total point series.

At the drop of the puck the fans began cheering and then watched the puck make several trips around the ice with neither team really in control. Midway through the first period Wiecnura on an assist from Tkaczyk put Viking on the board. A short while later Keith with some fine manoeuvers, advanced the puck to Wiecnura who quickly netted his second goal to leave the game at 2-0 at the end of period one.

After the break, Viking played a more consistent and agressive style of hockey. However, Gibbons kept on working and scored their first goal during this period. Backed up by strong goal tending Viking held Gibbons at bay and moved ahead by another three goals.

These were handled by Place on an assist by Lawes; Antos assisted by Keith from Wiecnura and Keith from Antos. This put the score at 5-1 going into the third.

The single goal netted by the host team in the second period was only a taste of what they offered in the

Continued On Page 16

Representatives of the Canadian Armed Forces presented several sessions on their chosen career to students at the Career Day held at the Viking School last Thursday. Over 20 different career sessions were offered to nearly 700 students.

New Competition Opens

Alberta authors are invited to submit their manuscripts to Alberta Culture's new Alberta writing for young people competition.

The competition is designed to attract Alberta's writing talent to the challenging and rewarding world of writing for youth.

In co-operation with Clarke, Irwin the competition offers $2,500.00 for the winning manuscript, fiction or non-fiction - $1,500.00 as an award from Alberta Culture and $1,000.00 as a non-refundable advance against royalties offered by Clarke, Irwin.

Additionally, any other manuscripts entered in the competition and accepted for publication by Clarke, Irwin will receive a $500.00 award from Alberta Culture and a $500.00 non-refundable advance against royalties from the publishing house.

Novice and established writers residing in Alberta are eligible to enter. Manuscripts, fiction and non-fiction, but not poetry, are invited and may fall into two categories: Book Manuscripts suitable for young adults (up to age 16) averaging about 40,000 words in length and book manuscripts suitable for younger readers (aged 8 to 12) running between 12,000 and 20,000 words.

Manuscripts written by children are not eligible. The deadline for submission of entries is December 31, 1980

A Real Eye-Opener?

Being open-minded! Being willing to logically and objectively analyze a situation! Trying hard not to let one's prejudices or biases cloud the objective truth! This is important in all facets of life. But it seems to have lost importance for some parents.

Last week's issue of this newspaper carried a letter from "A Minor Hockey Parent" which urged parents to be "open-minded when your boy is benched for an act he committed". The writer didn't ask parents to be on the side of the coach. The writer asked parents to be open-minded. Too often we're not. Too often we over-react defensively, little willing to understand that the coach has as many as 20 youngsters with which he has to deal, not just ours. Too often we are willing to ignore the behavior problems which our child can cause because we feel we have the "perfect" or "near perfect" child.

We entrust our youngsters during their time with us to many people (e.g. coaches, church leaders, teachers, youth leaders, etc.) who have various sets of standards and expectations which they place on the group which they face. Seldom are these standards or expectations excessive when viewed in relationship to the group. At times they may be excessive for one or two individuals - perhaps one or two children who aren't able to adjust to any but the lowest behavioral expectations. But these one or two individuals must adjust for the sake of the group and their leader.

Maybe it's time that some parents became more open-minded when looking at their child's behavior when in the care of others. We can't be completely unbiased and open-minded, but we can strive hard to come close. Perhaps it will be a real eye-opener.

Letters To The Editor

I was a member of the audience at the "drama weekend" put on by the students of the Viking School, or should I say what audience!

After all the time the students put in for the occasion, to me it was a waste of time on their part to even try to attempt an activity for the community.

Of course, I realize that some were unable to attend but an audience of under thirty (*Both Nights*) is a poor excuse.

What was it? Poor advertisement or just plain lack of interest?

It has always been said that everyone should support the activities of this community. Sure, the only activity that gets supported around here is Minor Hockey. What about the others that work hard to produce something for this place?

Concerned

The above picture, taken at Androssan of a pine bough heavily adorned with hoar-frost was awarded third prize in the horticultural class in the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. The prize winning picture was entered by Randy Olson of Sherwood Park who received $15.00 for this entry besides $75.00 in various other prizes in the same contest. B.R.T.A. Photo

Film Centres Receive Grants

Education Minister David King has approved an increase in the annual provincial per pupil grant to Alberta's five regional film centres, to $2.00 from $1.25. This increase, effective April 1, 1980, is in addition of approximately $122,125 to the combined budgets of the centres.

The five film centres serve approximately 181,500 Alberta students in rural and small urban school systems. Procedures for obtaining the increased grants will be provided to the centres by Alberta Education within the next few weeks.

Decentralization of Alberta Education's film library began in 1975 when a regional centre was established in Peace River, Alberta. Since then, centres have been established at Lethbridge, Calgary, Sherwood Park and Red Deer.

The decentralization has resulted in a better selection of 16mm educational films and a superior distribution system.

Attention Readers

Anyone interested or concerned with recreation in the Viking area should note the following: In last week's issue of the paper we stated that a revised version of the over-all master plan was not sent in with the application for the N.I.P. Grant.

However, this should have read "was sent in" with the application. We apologize for any misunderstandings which may have resulted from this error.

Viking Fair Board Prepares For Fair Day

The Viking Agricultural Fair Board held its regular monthly meeting on March 5, 1980, with twelve members present. Vice-President Gary McClements brought the meeting to order. The minutes of the last meeting and the treasurer's report were read.

The Board of Education responded to our request for use of the school gym and school grounds and recommended that we provide greater security at the school on fair day.

The District Agriculturist was unable to attend our meeting. However, he provided us with a list of judges for our directors to contact.

The nominating committee reported that the Board executive stands unchanged from last year and several new directors have been named with the exception of directors for entertainment and ribbons.

It was moved and passed that we have exhibits picked up on fair day between 5 and 6 p.m. rather than 6 and 7 p.m. for the convenience of our out of town exhibits.

A suggestion that we include Horticulture categories in the Junior Division is being considered as it would allow for a more acceptable competition for our Juniors.

The theme of our 1980 Fair is Alberta's 75th Anniversary. We anticipate that displays honoring this theme will be set up in the Community Hall from our various organizations.

We are contacting the Fair Supervisor in Edmonton requesting financial assistance with the cost of Brucellosis testing of livestock, the cost of which at present discourages livestock entries to local fairs.

The Viking Fair Board is responsible for running the Carena Snack Bar during the week of March 17 - 23. Volunteers are asked to please contact Jenny Bird.

Please note that the next meeting will be at 8:00 p.m. Tuesday, April 1 at the Community Hall.

Farm Laws For Farmers

A comprehensive and valuable booklet entitled "Principles of Farm Law for Alberta Farmers" is now available.

Major sections of the booklet include: Real Property Law; Tax Law; Wills and Estates; Commercial Law; and Tort Law.

The areas dealt with are all defined and explained, with reference to relevant legislation and how it works.

This publication is available from: Legal Resource Centre, Trade Centre South 10047 - 81 Avenue, Edmonton, Alberta T6E 1W7.

Palliser Unhappy With Processing

The new government in Ottawa should move quickly to remove all discrimination against the prairie crushing and processing industries and against the prairie livestock industry, says President George Fletcher of Palliser Wheat Growers Association. And the only way to do that is to adjust the present Crow rates and pay the Crow Benefit directly to farmers rather than to railroads.

Fletcher says virtually every farm group in Canada has now agreed that the railroads must be paid compensatory rates if prairie grain is to move smoothly and in volume to waiting world markets. And he says the government must honor its responsibility to pay a continuing subsidy on grain transportation.

But he notes that discussions at farm meetings this winter have left no doubt that the only way to remove present discrimination is to pay the Crow Benefit directlyto farmers, rather then the railroad.

"Make an acreage payment directly to the farmers then he can grow whatever crop he likes without losing the Benefit. Specific crops won't be subsidized, or the market distorted. Farmers will be able to sell their grain to the export market or domestic market as they wish, or feed it to their own livestock. This will lead to more crushing and grain processing on the prairies and more livestock. And the Crow money will go right into the rural economy instead of to the railways."

"As things stand now," Fletcher says, "the only way a farmer can get the subsidy is to deliver grain to the Wheat Board for movement out of the prairies. This means grain and oilseed exports are subsidized but prairie processors and livestock producers . . . n't. This weakens the already troubled prairie meat packing industry, and commits the prairies to be producers and exporters of raw products for another generation."

Fletcher says the present system also tends to freeze our cropping pattern into forms that may have been appropriate for yesterday's markets but may be inappropriate for today's. It hinders the adjustment to new crops and new cropping methods.

"Besides," he adds, "it's wrong to make government subsidy payments to the railroads. Farmers are at the heart of the grain business. They should get the subsidies themselves. Farmers are well able to decide how to spend that money. And when farmers spend it, it goes into their communities, and brings greater prosperity there".

Dance Lessons Offered In Viking

Mrs. Georgina Klammer has agreed to come to Viking to give weekly dancing lessons to children ages three years and older. She teaches tap, jazz, ballet and lessons.

There will be a preliminary meeting in the Legion Hall at 2:15 p.m. on Monday, March 31st for all mothers interested in registering their children.

Please bring your pre-school dancers with you and have your school age children come over to the Legion Hall after school.

Mrs. Klammer will give a lesson that day in each type of dancing so mothers and children alike will have a better idea of what is required in each type.

Also to be discussed will be dancing fees, footwear, hall rental fees and scheduling of dance lessons.

Regular lessons will commence on the following Monday and will be held each Monday thereafter in the Viking Legion Hall.

Any further inquiries may be directed to 336-2154.

Grants Provide English Programs For Refugees

Education Minister David King recently announced that the grant to help school boards provide temporary English as a Second Language Program to Indo-Chinese refugee children has been extended and expanded as follows:

The number of temporary English as a Second Language (ESL) teaching positions available for the 1979-80 school year has been raised to 75 from 50. The remaining positions for this school year will continue to be allocated on a first come, first served basis.

The program will be extended to the 1980-81 school year, with 75 positions continuing to be available. As with other special education teaching positions, a yearly renewal of approval for grant purposes must be obtained.

The termination date beyond which grants will not be payable for any single temporary ELS program is after 80 consecutive weeks of school operation from the date of establishment of that class. Weeks during which school is normally not in operation - Christmas, mid-winter, and summer holidays are not counted in the 80 consecutive weeks.

"It is not clear at present whether the program will need to be extended beyond the 1980-81 school year", said Mr. King. "A decision to extend the program will be based on the need demonstrated at that time."

For 1980, the grant to school boards is $11,890 per position. The purpose of the program is to integrate the Indo-Chinese refugee children into our educational system as quickly as possible.

Modern Elevator To Be Constructed

During the early part of March the Board of Directors of Alberta Wheat Pool authorized the construction of a second Buffalo Sloping Bin elevator. Located at Fort Saskatchewan, this one will have 215,000 bushel storage capacity. The first of these concrete precast elevators, built by Alberta Wheat Pool is located at Magrath.

General Manager, Wally Madill, announced that the Pool has retained Agritec Engineers to build the elevator based on the same plan as the Magrath structure.

Construction will begin as soon as weather permits at a location adjacent to the Alberta Food Products rapeseed processing plant at Fort Saskatchewan. Materials used in the construction are expected to begin arriving on the site within ten days of the announcement.

Vitavax RS Flowable
A winner in the rapeseed protection arena.

For years, flea beetles, seedling blights, damping-off and Blackleg fungus have threatened Canada's rapeseed acreage. But last year a new gladiator entered the protection arena —Vitavax RS Flowable—the only systemic liquid protectant registered for use on rape in the country.

What happened?
Vitavax RS Flowable quickly went to work shielding crops from these damaging diseases and insects. Growers were able to rest more easily knowing their crops were protected.

Vitavax RS Flowable is easy to apply.
Seed is treated uniformly and there is no dust or bridging of treated seed in drills.

It is available in 4 litre containers— sufficient to treat 365 pounds of rapeseed or plant 70-80 acres.

Irma Home & School Report

The monthly meeting of the Irma Home and School was held on Wednesday, March 12th in the school gymnasium.

Mrs. L. Copeland, area director, will be attending the Home and School Convention in Banff.

Mrs. Josie Holt will also attend as our Irma delegate.

Mr. Mitton gave an update on what improvements have been made to the P.A. system. It is hoped that it will be working up to our expectations by graduation time.

A donation will be made to the Band Alders in memory of Leonard Larson.

Present at our meeting were members of the evaluating team, who were in the school March 11 to 14.

President Della Nilson introduced their spokesman, Mr. Art Petticord who gave an outline of their purpose and introduced each member. Their main objective is to look at our school in a developmental role and offer suggestions which could improve the system.

Generally, they seemed quite impressed with our school program. Discussions and coffee followed.

Alberta Aids To Daily Living Program To Be Implemented

The Alberta Aids to Daily Living program, designed to enhance the lives of handicapped Albertans, is to be implemented during the month of March, 1980.

In announcing the starting date of March 1, Social Services and Community Health Minister, Bob Bogle, emphasized his enthusiasm for this program.

"It will eliminate some burdensome health costs for disabled Albertans and was designed in response to a clearly identified human need in the community", said Mr. Bogle.

Program design has been a co-operative effort among officials of the Department of Social Services and Community Health, local health authorities, hospitals and other institutions. The Joint Planning Committee is chaired by Dr. Ian Ashforth, Medical Officer of Health, Stony Plain - Lac Ste. Anne Health Unit.

Health units and Boards of Health will be involved in delivering the Aids to Daily Living program by co-ordinating assessments and providing follow up in the community.

According to Mr. Bogle, "We are once again utilizing the expertise available through the valuable frontline workers in the health units. I am confident that the program will benefit from their experience in helping people at the community level".

Under the program, each person's needs will be assessed individually. Benefits available will include wheelchairs, patient lifters, hospital beds, oxygen, artificial limbs, rigid braces, medical and surgical appliances such as ostomy supplies and pressure garments. Because of the complexity of the needs of individual Albertans, it is expected that full development of the program will take place over a number of years.

The cost of operating during the first year is estimated at $6 million dollars.

A provincial advisory committee composed of representatives of the community and of professional groups will consider the case for additional items and make recommendations to the Minister. The membership of the committee will be announced shortly.

In addition, informal sub committees will be used to evaluate the special needs of the various groups of handicapped Albertans. Parent advisory councils and special interest groups will, in this way, provide direct input to the direction the program should develop in the years ahead as more sophisticated aids become available.

Chacutenah Manor News Items

Miss Mildred Smith and her sister, Mrs. Matthews left on Saturday for a two week holiday in Victoria. There they will be guests of Mr. and Mrs. J. McDuff (nee Marjorie Matthews).

Mrs. Beer has returned from Calgary. Sunday visitors with her were her grandchildren Dwayne, Dwight and vicky Beer and Miss Cindy Gilber, all of Calgary.

Mrs. L. Smith and children of Provost were Monday visitors with her grand mother, Mrs. McLean

We were happy to welcome Mrs. Kellar home on Sunday from her visit with relatives in High River and Edmonton.

Echo-Rodino Report

Mr. and Mrs. Wes Bauer accompanied Mr. and Mrs. Dwight Roland of Minburn on a business trip to Edmonton.

Grandma Johnston spent a few days keeping house for their grandsons while their father, Ray Johnston, was in Edmonton for medical attention.

Clarence Hunter and Kathy Heggie of Edmonton arrived at the Williams home with Nerine Hunter who has been spending her winter visiting relations in B.C.

Victor Carter took in a day of shopping in Edmonton.

Yvonne Greenwood travelled to Camrose with her friend Joanne Gillard of Kinsella.

Get well wishes go to Mike Mackowski who is at present a patient in the hospital.

Gerald Hunter and his bride-to-be Charlene Melnyk of Calgary were weekend visitors to the Williams home.

Joe Holt has returned home after a short stay in hospital.

Saturday night a lovely shower was held at Rodino Hall for Charlene Melnyk. After a reading by Josephine Holt on the highlights of Gerald's younger life, a game was played. Charlene then opened a nice variety of gifts. Best wishes were passed to the bride-to-be as lunch was served.

The Rodino Country Club held their March meeting in the hall after discussion on how to make our dine and dance events more successful. It was also decided to hold a Rag Whist on the evening of March 21 at 8:00 in the hall.

Harriet Faulkner returned from Hawaii sporting a nice tan

Field Trip Enjoyed By Irma Kindergarten

As part of their tour to Wainwright on Wednesday, March 12th, the Irma Kindergarten class and a number of parents toured the Fenton Ranch just west of Irma where the participants observed the bull sale. Photo by Lynda Jones

Wednesday, March 12th found the Irma Kindergarten class travelling to Wainwright where they toured the Co-op Bakeshop and Meat Department. Everyone enjoyed cupcakes and easter eggs which were made especially for them.

Next, was a visit to Cambries where the children saw them making hamburgers and investigated the operation of the ice-cream machine.

After lunch it was on to the Star Chronical to see how newspapers are put together. Following the tour the young employee passed out a newspaper and a notebook to each child.

The next stop was a tour of the Fenton Ranch and visit to the bull sale. The refreshments of doughnuts and pop added a special treat to end an enjoyable day for all.

Irma News And Views

The Canadian Co-op Implement Depot at Sedgewich is holding open house at the depot on Wednesday, March 19th. Everyone is welcome.

Edith and Donald Gunn, Annie and Charlie Milne and party have returned home safely from their trip to Hawaii where they evidently had a very pleasant time soaking up the sunshine.

Bob Dempsey is still in Hardisty Hospital recovering from frost bitten fingers.

His wife, Minnie and Jim Jackson, Ted Thurston and son Ron all visited him on Sunday and found him in good spirits and eager to get home. His fingers are still swollen and are peeling progressively. The doctor figures he will not be fit to come home for several more days. In the meantime, John Newton and family are taking care of Bob's chores.

Annie and Bill Ramsay from Calgary have been visiting their daughter Marlene and son-in-law Doug and family as well as Anne's sister Grace Archibald and other relatives in the district.

Lorna and Eddie Jackson attended a birthday party in Vegreville on Sunday, March 16th for Mrs. Czar senior who was celebrating her 80th birthday.

Irma Midget A travelled to Coronation on Wednesday, March 12th and lost a penalty riddled game to the Coronation Midgets 16-7.

On Friday Irma Midgets travel to Bentley to play in the zone provincial final play-offs. Best of luck boys.

Well, St. Patrick's Day has come and gone and yet no reports of anyone being hurt. This is strange and not in accord with tradition. It was estimated that 50,000 Irish paraded in Dublin, the capital of the Republic of Ireland. Many Irish exiles return each year from the U.S.A., Canada, Australia and elsewhere to take part in the St. Patrick's Day parade. This year, bands from Switzerland, Germany and America as well as many native bands took part in the parade. New Yorkers also witnessed a grand parade in that city.

Every year tons of shamrocks are sent from Ireland to Irish and ex-Irish in many parts of the world to be proudly worn on the Saints day.

St. Patrick was an Irishman
He came of decent people
In Dublin town he built a church,
And on it put a steeple.

Dick Rohrer is still hospitalized in Wainwright Municipal Hospital. Jim Jackson visited him on St. Patrick's Day and found him looking much improved, but finding it difficult to get around owing to an impaired sense of balance. Dick has been in hospital for several months.

George Foreman is still in the Viking Hospital being treated for a heavy cold.

Congratulations to Mrs. Nellie Thurston who celebrated her 91st birthday on Saturday, March 16th. She is still being hospitalized in the Wainwright Municipal Hospital.

The Homemaker

By Maureen Beaman, District Home Economist

Are you planning on building a new home or remodelling your present one? If you are planning to have a contractor to do the job for you, here are a few suggestions that may be helpful.

Once you have decided on a suitable house plan, visit local supply dealers and inspect various items and types of materials that you require for the proposed home or renovation. There are many exciting and inovative building products on the market today, so become familiar with them.

Know what type of windows, doors, exterior and interior finishes you want. Check on the services you'll require such as plumbing, electrical, heating. Are there special fixtures you plan to include such as a fireplace, deck, built in cupboards etc. These and other factors must be carefully considered before you consult your contractor for a definite construction price.

Contact a reliable building contractor, one recommended to you. Be sure to visit and inspect homes he has built to determine the quality of his work. Ask about his experience and reliability.

Next, present the contractor with the house plans. Inform him as to the materials and special features you want. Ask him to submit a firm price in writing.

It is a good idea to shop around, and obtain two or more quotations based on the same plans and specifications.

When you have selected a contractor, it is a good practice to check on his credit rating. This may be done through your bank. It is also advisable to inquire with the local sub-contractor and suppliers in this regard.

Now, you are ready to enter into a contract agreement. This should be a written agreement stating each things as the work to be done, materials and specifications, completion date and a schedule of payments. For example: 25 per cent upon completion of foundation, sub floor framing, completion of roof and shingles.

20 per cent upon completion of all exterior work, roughing in of plumbing and electrical and basement floor.

15 per cent upon completion of heating, plumbing services, finishing details such as carpeting, exterior and interior painting and decorating and any other work called for in the contract.

15 per cent upon completion of interior partitions, insulation, drywall and cabinets etc.

15 per cent - the balance to be paid on Satisfactory Completion of all work covered by the contract. The purpose of the hold back is to permit correction of any defective work and to allow sub trades or suppliers to file liens in the event your contractor has not paid the accounts pertaining to your home.

It is your responsibility to clear the title in the event a lien is filed against it.

If at any time during the construction you require changes or additional work, make the agreement in writing with your contractor.

If you are not satisfied with the material or workmanship, tell your contractor immediately so changes can be made.

It is advisable to have your lawyer assist you when drawing up a contract agreement. This is a business arrangement that represents your money - so protect your investment.

Holden 4-H Beef Club

The monthly meeting of the Holden 4-H Beef Club was held on March 12th with fourteen members present.

Shawn Lozyk gave a report on bowling in Camrose with the Ryley Beef Club on February 16th and Kathy Giebelhaus reported on the skate and curl night in Holden on March 5th.

Th club then decided to have a tour of 4-H calves on March 26th. It was also decided to plan a roller skating party with the Ryley 4-H Club to take place in Sherwood Park.

Mr. Lutz gave some remarks about the 4-H hazard hunt and also some other 4-H activities.

Constable Jim Warren of the Tofield R.C.M.P. Detachment was the guest speaker. He answered questions from the members on many different topics. After the meeting one film on farm implement safety and a short film on the new beef grading system were shown.

Lunch was then served to members and guests.

Alberta 1880-1980

Back to the trees the antique row,
The Binder, Drill and Cart Stand buried in a drift of snow.
Rakeha about in moonlight dart.

grandfather's old machinery
Each piece a sweat earned dollar bought,
Come to a rest, his legacy,
By progress put to naught.

Himself no longer - laid to rest.
As is his rusting gear
Pioneers of the early west
Since nigh one hundred year

The Beautiful World He Made

Lord thank you for this wonderful home,
Where all the animals can roam.
The beautiful flowers in the wood
I'd love to be one if I could.
The pretty young fawn and her mother deer,
The running creek and the water clear.
And if the animals died away,
I hope you would make them again some day.

Dee-Ann Sloboda
Grade Four

Rosegarland Notes

The regular meeting of Rosegarland W.I. was held at the home of Irene Tovsrud, Tuesday, March 12, at 2:00 p.m.

Mrs. Edith Gunn of Irma, Constituency Convenor was guest speaker. As 1980 is the 50th Anniversary of Associated Country Women of the World (A.C.W.W.) she felt it was fitting to trace the history of W.I. from its small beginning as a womans organization in 1907 at Stoney Creek, Ontario to the present time. Her idea of improvement of the lot and education for rural women caught on and spread to other provinces.

Mrs. Gunn reported briefly some interesting points of the progress of the Womens Institute as it expanded, as follows.

The first Alberta branch was organized at Lea Park, near Vermilion in 1909. A National organization was formed in 1919 under the title of Federated Womens Institute of Canada. Mrs. Emily Murphy of Edmonton was the first president. Mrs. Murphy will always be remembered for her fight for the rights of women to be recognized as persons legally, in order to to a member of the Senate or any other Government office. This was finally accomplished in 1929. Fifty years later in 1979, we have a woman senator, Martha Bielish of Warspite, Alberta, a farm wife and teacher who has recently completed her term of office as National President of Womens Institute.

The first Womens Institute was organized in England by a Canadian, Mrs. Alfred Watt and in Scotland by Miss Gunn, another Canadian and from there to Europe. In 1930 the International Council was formed. From this evolved the Associated Country women of the World, organized in Sweden, also by a Canadian.

Affiliated with A.C.W.W. are farm womens organizations and Homemakers clubs. It now boasts a membership of over 8,000,000 women in 69 countries.

Mrs. Gunn emphasized the leading role Canadian women played from the small beginning to the present world wide structure.

Following her interesting talk Mrs. Gunn reported on the provincial objectives for 1980

1. That the International Year of the Child be continued as a project for 1980.
2. That this be tied in with "Safety" with a song contest on "Child Safety" to be entered at Constituency Conferences, the finalists to compete at the Provincial Convention in Olds.

Mrs. Gunn also urged all branches to establish a correspondence link with branches in other countries through the United Nations and Exchange program.

Erline Suddaby who attended the District Conference at the Grey Nuns centre in Edmonton gave a report as follows:

Concern was expressed for the A.W.I. office in Edmonton as rent will be doubled by May 31st. All branches were urged to raise money to help defray added expense.

The highlight was the guest speaker Senator Martha Bielish who spoke on her work in the Senate. She sits across the aisle from Senator Ernest Manning who has helped her greatly to familiarize herself with her duties.

The meeting then continued with the Pennies for Friendship Draw for March, "A penny a day for every day of this month".

The next meeting will be held at the home of Marie Weder on Tuesday, April 8th at 8:00 p.m. Hostesses are to be Olga Skolney and Erline Suddaby.

Fertilizer Prices On The Rise

A tight supply-demand situation could push up fertilizer prices by an average of 25 percent this year.

Canadian production of potash and nitrogen is expected to increase this year. However, a large portion of the increases are needed to meet export commitments to the United States.

Most Canadian phosphate needs are met through imports. The high cost of transportation and the value of the Canadian dollar compared to the U.S. dollar will keep phosphate prices up.

Manufacturing Advisory Council Established

Economic Development Minister, Hugh Planche and Housing and Public Works Minister Tom Chambers recently announced the establishment of a Manufactured Housing Advisory Council for Alberta.

The ministers said the Council was established following requests from the manufactured housing industry to perform a continuing liaison between the government of Alberta and this industry.

Mr. Planche and Mr. Chambers said the responsibility of the new council will be to advise the provincial government on steps that can be taken to enhance the industry's viability in Alberta. It is to advise government on solutions to problems facing the industry, government members serving on the council will be in a position to consider council recommendations and assess their feasibility of being worked out within government channels.

The council held its initial meeting in late January. Executive members of the council include D.J. Gendall, Deputy Minister, Development and Trade, Economic Development; M. Rasmusson, Acting Deputy Minister, Housing and Public Works; R.H. Blake, Assistant Deputy Minister, Tourism and Small Business; J. Engleman, President, Alberta Home Mortgage Corporation; K. Poholko, Acting President of Alberti Housing Corporation; T.H. Jankowski, Industry Development, Economic Development; N. Lock, Safeway Shelter Systems Limited; W. Knox of Aton; K. Schmidt of Knight Schmidt Industries; W.R. Hunter of Fleetwood Homes of Alberta and L.J. O'Riley of Mabco Homes Limited.

The council is optimistic about achieving rapid results through the inclusion of top level representation from both government and industry.

The ministers said the government in turn recognizes the need to maintain this industry as a viable part of Alberta's economy. Housing demands in areas such as Grande Prairie, Cold Lake and Alsands cannot be met without the help of the manufactured housing industry.

New Tax System— Encourages Small Business Expansion

In order to encourage small business expansion, create new jobs and stimulate manufacturing growth and development and the upgrading of our resources here in Alberta, the Government of Alberta will administer its own corporate tax, effective with the 1981 taxation year.

Greater control of our own provincial destiny in the years ahead is a key goal of the new system.

Provincial Treasurer Lou Hyndman said, "Alberta has unique problems and prospects - flexible taxation policies, made in Alberta and tailored specifically to strengthen the competitive position of growing Alberta businesses, are required to help in overcoming the very real market and transportation hurdles facing the Alberta business community."

The new "Made In Alberta" business incentive tax system will, over time, be more sensitive to Alberta needs and objectives, enabling individual entrepreneurs in Alberta to more fully take advantage of the Province's unique strengths and opportunities.

Specifically, the new business incentive approach will permit Alberta, for the first time, to design a tax system which could allow reduced tax for locally capitalized, small businesses all across the province, to help them expand, diversify and compete with large national and international corporations.

It could encourage the processing of more agricultural products in Alberta, indirectly strengthening the family farm.

Companies earning a significant portion of their profits in Alberta could be encouraged to either locate their head offices here or have a larger segment of their research, administration or other activities here.

Since the wartime tax agreement of 1941-47 Alberta has been "locked in" to Federal Government tax definitions and concepts. There has been little flexibility to provide incentives, or levy differential rates of taxation. Ontario and Quebec have used provincial corporate tax incentives to the advantage of their citizens for many years.

Since 1971, the Alberta Government has stimulated commerce in Alberta through a positive business environment and a highly favourable climate for investment, as well as through the Alberta Opportunity Company, the Agricultural Development Corporation and the recent small business tax reduction from 11 per cent to 5 per cent.

The new business tax system will be put into effect in two stages. First, in the forthcoming spring legislature an Alberta Corporate Income Tax Act will be introduced. This step will bring to Alberta, from Ottawa, the administration and collection of existing Alberta Corporate Tax, without changes, effective, January 1, 1981.

This summer and fall, the government will review ideas and submissions from business people and others as to specific tax incentives which could achieve the goals of business expansion and increased processing and manufacturing in Alberta.

The caucus committee on business tax and tax incentives, chaired by Edmonton Whitemud MLA Peter Knaak, will play a major role in receiving and reviewing these suggestions over the summer and fall of 1980.

The second stage will take place in 1981 - 82 when amendments to the new act will be proposed to provide specific tax incentives for subsequent years. These could include selective corporate tax cuts, new deductions from taxable income and refundable tax credits. To the greatest extent practical the new Alberta Business Incentive Tax System will be based on the Canada Income Tax Act, in order to simplify the preparation and filing of tax returns and maintain basic harmony with the National Corporate Tax System.

Notice of Alberta's intention to renegotiate the Federal-Provincial tax collection agreement has been given to the Federal Government, which will continue to collect and administer Alberta personal income taxes.

The Provincial Treasurer also announced that the offices of the new Alberta Business Incentive Tax Administration will be in Edmonton, with an auditing staff complement and information office in Calgary. When fully staffed, approximately 200 new employment opportunities will become available.

Mr. Hyndman said "this move will partly balance the employment effect of the recent announcement by the Federal Government of the move of 150 persons from their Edmonton District Taxation Office to Winnipeg".

"By bringing some our direct corporate taxing powers, Alberta can secure the flexibility to improve even further the climate for small business opportunity, investment, profits and expansion," Mr. Hyndman concluded.

Holden And District News

Holden St. Gregory's R.C. will hold a cash bingo in the church parlors on Friday, March 28, at 8:00 p.m. Door prize on advance tickets.

Mr. and Mrs. Bob Strilchuk of Westlock, formerly of Holden are receiving congratulations on the birth of their first son, born on Monday, March 10, weighing 7 lbs. 15 oz. - a grandson for Mr. and Mrs. Joe Mozkoski of Holden and Mrs. and Mrs. Paul Strilchuk of Ryley.

Earl Hardy and Mel Haas were the lucky winners of the bonanza draw recently. Each won $250.00.

The Holden Oldtimers Hockey Club had a very busy week. They played on Saturday, March 8 and Sunday, March 9 at Mundare winning two games. The Oldtimers scored 9 while Innisfree scored 3 in another Innisfree scored 5. In another game the Oldtimers scored 4 while Edmonton Wheelers scored 3. On Wednesday, March 12, the Holden Oldtimers and Mannville had a tie score of 4 each.

In Holden there is bingo each Wednesday night at 8:00 p.m. in the concession in the Holden Complex. It is sponsored by the Holden Agricultural Society.

Mr. and Mrs. George Hunchuk of Holden and Mr. and Mrs. Nick Fedyuk formerly of Holden, now of Calgary, are spending three weeks in Hawaii.

Bruce & District News

On Saturday, March 15, the Swinging Beavers hosted their annual family night. Both young and old guests enjoyed square dancing, round dancing and games, followed by a delicious lunch. A "fun" evening was reported by all those who attended.

Myrna and Buster Curtis and the Maiowany family were at Lake Wabamun last week doing some ice fishing.

Ricky Tkaczyk was the lucky winner of the cake raffled by the Womens Institute.

Sharon Kolodychuk and Trenton Christensen were the winners at the senior citizens' card party last Wednesday. Consolation prizes went to Jenny Cooper and Stanley Brachy.

If you enjoy ham for your Easter Sunday dinner, remember to attend the Easter Ham Bingo sponsored by the Bruce Agricultural Society which will be held on Friday, March 21, at 9:30 p.m. in the Community Centre.

There will be 15 games and a door prize and coffee will be available.

Palliser Urges Flexible Rates

One of the most urgent tasks facing the new government in Ottawa is to continue the momentum towards a turn-a-round of our grain industry, says George Fletcher of Palliser Wheat Growers Association.

Nothing that Canada's share of world grain markets has virtually collapsed in recent years, Fletcher says Palliser has offered to provide the new government with every possible assistance in its efforts to get grain moving freely to market and set the stage for farmers to expand their production.

He said farmers can no longer afford to store their crops for a year or two on their farms, when interest rates are 16 to 17 per cent. Nor can the prairie economy sustain 20 to 25 million acres of summerfallow when world markets need the grain that could be grown on it; when that summerfallow is causing much of the salinity problem undermining prairie soil productivity; and when prairie farmers need to grow the extra bushels to cope with the cost price squeeze pressing in on them.

But, Fletcher says there must be variable rates or incentives in a renewed grain transportation system.

He said once the federal government brings in Crow legislation, it should include a maximum rate for a single car, but railways would have to provide discounts.

Load ten cars instead of one and the railroad gives a discount to a grain company says Fletcher. Shippers would offer railroads premiums to bring grain to ports at specific times.

And, railroads and grain companies would negotiate below maximum rates for one-direction grain movement; optimal train size consolidated off a branch line; reduced fluctuations from week to week; weekend loading and unloading; elevator and terminal trackage expansion; and maybe for other efficiencies too. And these discounts would be posted in each elevator.

Fletcher notes that the Crow Legislation will compel farmers to pay more money to move their grain, so they must get something in exchange. For instance, they must receive a Crow Payment directly from the Federal Government. And they must insist that the railroad and the grain companies guarantee to move certain minimum amounts of grain.

Fletcher says the rigid nature of the present rate has restricted moves to update and rationalize the transportation and collection system. It has prevented the development of efficient and stable livestock feeding and oilseed crushing industries.

And, since the rate applies to only certain grains, it has discouraged prairie crop diversification. It has also left trucks unable to compete even on short hauls.

That is why flexible rates are now required.

In Memoriam

IN MEMORIAM

In loving memory of our dear Grandmother, Clara Kjoland, who passed away March 22, 1976.

Today recalls sad memories Of our Dearest One gone to rest,

And the ones who think of her today,

Are the ones who loved her best.

God knows how much we miss her,

Never shall her memory fade,

Loving thought shall ever wander

To the spot where she is laid.

Oh happy hours we once enjoyed,

How sweet their memory still.

But death has left a loneliness

The world can never fill.

The world may change from year to year,

And friends from day to day,

But never will the one we loved,

from memory pass away.

Fondly remembered and sadly missed by your grandchildren, Judy, Joyce, Muriel and Gene. 6 c

IN MEMORIAM

In loving memory of our dear Aunt, Sybil Branchflower, who passed away March 21, 1978.

One long and lonely year has passed,

Since our great sorrow fell.

The shock that we received that day,

We still remember well.

Parting was so sudden,

We often wonder why,

To us the hardest part of all,

We never said good-bye.

Our hearts still ache with sadness,

The silent tears still flow

For what it meant to lose you,

No one will ever know.

To hear your voice, to see your smile,

To sit and talk with you awhile,

To be together in the same old way,

Would be our dearest wish today.

Treasure her Lord in your garden of rest,

For here on earth she was one of the best.

Fondly remembered and sadly missed by your nieces and nephews, Judy, Joyce, Muriel and Gene 6 c

IN MEMORIAM

In loving memory of Len Carrington who passed away Carrington who passed away March 23, 1978.

The depths of sorrow we cannot tell,

Of the loss of one we loved so well.

And while he sleeps a peaceful sleep,

His memory we shall always keep.

Kit, Lynda and Rob and family, Myrna and Bob and family, Terry and Charlene, Colleen and Peter. 6p

In Memoriam

IN MEMORIAM

In loving memory of John Draganiuk beloved husband, father and grandfather who died on March 13, 1979.

A life linked with my own, Day by day I miss you more. As I walk through life alone, So many times I needed you. So many tears I've cried, If love could have saved you You never would have died. It broke my heart to lose you But you did not go alone. For part of me went with you, The day God called you home.

Lovingly remembered with many precious memories and sadly missed by wife Nancy, Russel and Vicki and the grandchildren. 6 p

In memory of those who passed away in the Viking area in 1979, a donation has been made by Ted and Eileen Prior. 6c

Card of Thanks

CARD OF THANKS

We would like to announce the arrival of our baby, Beverly Jo, on February 27. We want to thank the Drs., matron and all the staff for the good care and kindness shown to us during our stay in the Viking General Hospital. We also wish to thank all our visitors.

Laura, Bruce and Beverly Jo Bridgeman 6p

Card of Thanks

CARD OF THANKS

Since I am no longer operating the Shell Bulk Oil Agency in Irma, I wish to express my sincere thanks to the people of the area for their patronage over the years and hope the same consideration will be extended to the new agency manager, Margaret and John Wlosiak. Dick McRobert 6c

CARD OF THANKS

Thanks to all our friends and relatives for their visits, cards, fruit and candy during Albert's stay in the hospital. Your kindness is much appreciated. Bev & Albert Jackson, Edmonton 6 c

Bantams Win Battle River Trophy

The Viking Legion Bantams won the Battle River Bantams League Trophy after defeating Killam. (Back row: left to right) Randy Graham, Coach Morris Erickson, Rocky Hanson, Michael McLean, Ken Cikaluk, Joey Hoffman, Kenny Ebeltoft, Patrick Voltzer. (Front row: left to right) Gerdie Rusicka, Ian Erickson, Billy Hanson, Leif Erickson, Danny Arychuk, Darren Josephison. Missing is Peter Thome.

Staff Photo

On Monday, March 10th, the Viking Bantams travelled to Killam for the first game of a two game total point series to decide the Battle River Trophy winner.

Viking opened the scoring with two goals in the first period.

Ian Erickson scored the first one with assists going to Ken Cikaluk and Billy Hanson. Ken Cikaluk scored the second goal while Randy Graham and Danny Arychuk drew assists.

The second period saw Killam take over the lead with three unanswered goals. B. Child scored twice and B. Peters added the third.

In the third period Danny Arychuk scored unassisted for Viking to tie up the game. But Killam's R. Carruth scored to give Killam a 4-3 win in the first game.

The second game was played in Viking on Friday, March 14th.

Viking once again opened the scoring with two goals in the first period. Ian Erickson scored first with Ken Cikaluk drawing the assist. Ken Cikaluk scored the second with assists going to Ian Erickson and Rocky Hanson.

Ian Erickson opened the scoring in the second period as well with assists going to Danny Arychuk and Ken Cikaluk. Killam's first goal of the game was scored by K. Sorkin.

Ian Erickson scored Viking's final goal late in the second period.

Killam's P. Slavik scored the only goal of the third period. With the score 4-2 the Viking boys put together some real team work, to keep the Killam team from scoring again. This hard work and good goal tending by Darren Josephison kept the Killam boys from putting the puck in again.

Total points in the two games found Viking with 7 Killam 6.

Following the game Harold Hogg, President of the Bantam League presented Viking's captain Ken Cikaluk with the trophy. Congratulations boys.

The Bantams would like to thank The Weekly Review for printing their hockey news throughout the season.

Viking Gas Kings Hockey Report

The final playoff round to decide the championship of the Battle River Hockey League is deadlocked at two games apiece for Viking and Forestburg.

Forestburg took a two game lead in the best-of-seven series with victories of 7 to 3 and 4 to 3 over the Gas Kings. The third and fourth games of the series saw Viking even things up with victories of 7 to 6 and 7 to 5.

In the third game held in Viking last Saturday, Viking held a first period lead of 4 to 2, but only held a 5 to 4 lead after two periods. Two goals by each team in the third period enabled Viking to score a 7 to 6 victory.

Scoring for Viking were Gordon Rattray, Jim Laskasky, Doyle Wiacusra, Lee Lashosky, Barry Field, Ray Battray and Mark Wemp, each with one goal.

Penalties were assessed as follows: Viking 9 minors and 1 misconduct. Forestburg 8 minors.

Monday night, March 17th found the teams facing off for the fourth game, this one held in Forestburg. A large number of Viking fans were on hand to watch the Viking team bounce back and overcome the Forestburg team who took a 3-0 lead in the opening period.

Viking began to close the gap in the second period scoring three goals while holding Forestburg to a single, leaving Forestburg with a one goal lead heading into the final period. Viking took the upper hand in this period and netted 4 goals to tie the series at two game each.

Scoring summary finds J. Laskosky with 2 goals; L. Laskosky 2 goals 1 assist; M. Wemp and G. Rattray with 1 goal and 1 assist each; B. Field with a single and D. Wiacusra 2 assists; and K. Melarey and K. McGinnis with an assist each.

Penalties received by Viking totalled 14 minors while Forestburg received 12 minors.

On Wednesday night one team will again take the lead. The game is set for 8:30 at the Carena, with a lot of action expected.

Scouting In Viking

The Annual Flagstaff District Ice Stampede which was to be hosted by the Viking members was scheduled for Sunday, March 2nd. Unfortunately the stampede had to be cancelled due to the adverse weather conditions and the distance some of the participants would have to travel.

The Viking Group Committee felt that with the number of final and semi-final hockey games, tournaments and the up-coming ice show, it was impossible to reschedule the event. The Group Committee, therefore, would like to take this opportunity to thank the various businesses for their donations towards prizes for the different events. Namely - Place Farm Equipment, Leforud's Sales and Service, Howery's Auto and Farm Equipment, Crossroads IDA Pharmacy, Viking Meat Market, Kelly's Hardware, Fountain Tire and Flagstaff Implements of Killam. Your support is much appreciated and the Group Committee advises that they will be using the prizes in next year's annual event.

It is unfortunate that the Viking Stampede had to be cancelled and apologies are extended for any inconvenience caused to anyone. The event will be held next year and we look forward to bringing you an enjoyable afternoon at the races.

Gerard Wadley,
District Commissioner.

Viking Mites Win Tournament

Following a string of three consecutive losses, The Viking Mites pulled up their socks and won Saturday's tournament.

In exhibition play on March 1st, Viking travelled to Hardisty and were handed a 10-3 defeat. On the 7th Mundare visited Viking. Again, the lopsided score went against the locals. On Sunday, the 8th, Viking met defeat at the hands of the Wainwright team by a score of 10-8.

Saturday's Mite Tournament commenced at 11:00 with Mannville and Viking at center ice. Viking took control of the game in the early stages, going into the third period with 6-2 lead. However, a pace somewhat similar to slow motion came upon part of the team and Mannville capitalized on the opportunity and in short time had tied the score at 7-7.

Trevor Ritchie on an assist from Jason Clouston brought Viking ahead again to end the game at 8-7.

Scoring reads as follows: J. Clouston from Wischnik, Taylor from Anton, C. Clouston unassisted, Hasberis unassisted, C. Clouston from Taylor, Wischnik from Ritchie, Siermacheuk unassisted, and Ritchie from J. Clouston.

Wainwright met the Hardisty team in the second game. Hardisty over powered the Wainwright team and defeated them by a 10-1 score.

Mannville and Wainwright played off for the B side with the game going in Mannville's favor by a score of 7-5. This was an exciting game to watch with both teams playing hard and the score always close.

Bringing the tournament to a close were the Hardisty and Viking teams with the Viking team coming to grips with the situation and handing their opposition a 10-6 game. Following the presentation of the A Trophy, the Viking players all received Bank of Montreal souvenir caps, compliments of Bill Kanaplusie, Bank of Montreal - Branch Manager, and assistant coach.

Summary of scoring in the final reads as follows: C. Clouston unassisted, Hasberis from J. Clouston, Siermacheuk from Antos, Antos from Rushton, Wischnik from J. Clouston, Antos from Taylor, Antos unassisted, C. Clouston unassisted, Taylor from C. Clouston, scored two in a row Antos from J. Clouston.

The Viking boys would like to thank their coaches for all the work and time devoted to their team, the tournament, and the entire hockey season. Passing by the school yard on Monday, St. Patrick's Day, it was evident that the boys hadn't traded the "Blue for the green".

Dean Haberis receives the Viking Mites Trophy from George Ritchie after winning the Viking Mites Tournament held last Saturday.

ALBERTA MOTOR VEHICLE SAFETY STANDARDS NOW IN EFFECT.

GET YOUR 'VEHICLE SAFETY' BROCHURE... AND BE SURE YOUR VEHICLE MEETS THE REQUIREMENTS.

If you own or operate a vehicle, then you should know about the amendments to the Alberta Highway Traffic Act. And know how they affect you.

To assure a greater measure of safety on Alberta's highways your motor vehicle or trailer must meet the new equipment requirements. If your vehicle does not meet the requirements, you will be subject to prosecution.

Four brochures designed to answer the most frequently asked questions are available, outlining the new equipment requirements, including lights, bumpers, windshield washers and mudflaps.

Find out if your vehicle is equipped to handle the new requirements. You can obtain your 'Vehicle Safety' brochure by visiting any **Vehicle Licencing Location**, or by writing or returning the completed coupon to:

Snowmobilers Raise $41,800.00 For Disabled

The provincial totals for the 1980 Alberta Snowarama are now completed. $41,800 was received in pledges through the efforts of 216 snowmobilers in four host areas.

Edmonton riders raised $15,500 followed closely by Grande Prairie $11,700, Edson $9,000 and Red Deer $5,600. Despite two consecutive Sundays of blowing snow and cold temperatures, all snowmobilers completed the 75 kilometer distance.

The highest pledge total in the province was $2,300 brought in by Mr. George Coulin of Edmonton. Mr. Coulin, a retired policeman, has been in a power wheelchair himself for two years as a result of Multiple Sclerosis. He knows the importance of Snowarama as a fund raising campaign to assist physically disabled Albertans.

The Alberta Snowarama is a joint project of the Alberta Snowmobile Association, the Associated Canadian Travellers and the Alberta Rehabilitation Council for the Disabled. All funds raised are used to support the A.R.C.D. Technical Aids Program, and several local and provincial projects supported by the A.C.T.

The above picture of a motor tobogganer on a clear winter day at Ardrossan took first prize in the class for outdoor winter sports in the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. Submitted by Randy Olson of Sherwood Park the picture is typical of one of the most popular winter sports throughout the Battle River Tourist Zone. Mr. Olson cornered a total of $60.00 in prize money, $50.00 of which was awarded for this picture. B.R.T.A. Photo

Irma Pee Wees Host Tournament

March 16 marked the day of the Irma Pee Wee annual tournament in which Irma hosted three other teams.

The first game got underway at 11:00 a.m. with Irma playing Wainwright and defeating them 10-6.

Scoring for Irma were Darcy Leimieux with four, Lorne Firkus with three, Tim Ford, Darren Archibald, and Doug Fischer with one each.

The second game found Innisfree defeat the Killam team 8-6.

In the third game Wainwright defeated Killam 10-4 to take home the B event trophy.

The last game of the day was played between Irma and Innisfree. Irma came out on top once again, defeating Innisfree 8-5.

Scoring were Doug Fischer, Randy Genie each with two and singles going to Tim Ford, Lorne Firkus, Darren Archibald and Joey Glover. Irma Pee Wees were the winners of the A trophy.

The team travelled to Hardisty on March 15 to a Pee Wee tournament. In this one they defeated Czar 6-2 and downed Sedgewick 7-4 to bring home the trophy for the A event. Good work boys.

Irma 4-H Beef Club News

The regular meeting of the Irma 4-H Beef Club was held at the hold of Alfred Oracheski on March 3.

At this meeting we were given farm safety stickers to place on dangerous machinery so that we will be reminded to be careful around farm machinery.

We also discussed going to the rodeo and finally decided to go on the evening of March 26th.

We also decided to hold our club tour day in April with a meeting to follow at the home of Butch Fischer.

third period. Gibbons capitalized in the third, outscoring Viking by a 2-1 margin, scoring 4 goals while Viking scored 2.

Completing Viking's scoring were Lawes and Thaczyk with assists drawn by Kripa and Ash.

Viking scored 17 goals in the two game series and held Gibbons at 6.

Game times at Sylvan Lake find Viking on the ice at 12:00 noon on Friday, March 21; 11:30 on Saturday and 10:30 on Sunday. The final game of the tournament is scheduled for 7:30 Sunday night.

The Pee Wees appreciate the fan support they have had and give a hearty thank you to everyone, with a sincere vote of thanks to their coaches for helping to develope the skills which have taken them so far this year.

Sedgewick Rink Wins Mens Open Spiel

The Viking Curling Club's annual mens open bonspiel was held this past weekend and was the usual success with a total of thirty rinks entered.

Grand challenge honors went to the C. Johnson rink from Sedgewick when they defeated the Don Hafso team of Viking in final play.

First place in the second event went to the Roger Skyba rink of Holden with first in the third being captured by the ever powerful Joe Fornal rink, also from Holden.

Teams enjoyed curling on keen ice thanks to the watchful eye or rink manager R.K. "Bucks" MacLaren and his assistants.

Following are the top four finalists in each event.

Grand Challenge
1. C. Johnson
2. Don Hafso
3. H. Shyba
4. Bob Maxwell

Second Event
1. R. Shyba
2. N. Maxwell
3. R. Lien
4. H. Hafso

Third Event
1. Joe Fornal
2. Speed Maxwell
3. Doug Haber
4. Ouchie's I.G.A.

The Viking Curling Club would like to thank everyone who donated to the spiel and everyone who donated their time during the bonespiel. The following is a list of those who donated to either the Farmers or Mens Open Spiel.

Maxwell's Men's and Children's Wear, Sunny Days, Burger Queen, W.S. Mattinson Farm Services, Ritchie Agencies, Ruzicka Trucking, Place Farm Equipment, Willmark Motors, Crossroads I.D.A., Viking Meat Market, Sears, Cargill Grain, Kelly's Hardware, Macleods, Viking Co-op, Gary's Auto and Farm Supply, and United Grain Growers.

County Announces Recreation Contributions

At a meeting last Thursday of the municipal governments within the County of Beaver to discuss recreation, County Secretary-Treasurer Bob Cross announced that the County has established its recreation contributions for the County for 1[illegible].

All of the governing authorities for the County of Beaver were present with Reeve George Knudsen, Hjordis Armitage, Gordon Maxwell, Walter Kropielnicki and Bob Cross from the County, Mayor Selmer Hafso, Bill Taylor, Bob Evans, Maurice Stephenson, Ken Midbo and Administrator Lydia Hanson from Viking, Mayor Oleh Shykora and Marvin Giebelhaus from Holden, Larry Andrukow and Administrator Ray Hoveland from Rycy and Ed Regehr, Hans Christiansen and Administrator Neil Brodie from Tofield.

Earlier in the day the County Council designated 4 mills, or $74,780 to be used for recreation within the County. Of this amount, Tofield, Rycy, Holden and Viking will receive $10,000 each and Bruce and Kinsella will receive $2,100 each. The rural community associations, twelve in all, will be eligible to receive $400 each.

The County has designated $9,000 for the parks within the County and have decided to maintain the parks themselves. As well, $2,000 has been tentatively set aside for the operation of the Beaver Regional Arts Centre in Holden.

As most of the rural community associations have not used the money available to them under the old regional recreation agreement, the County has designated just over $14,000 for paying the balance owing to these associations. This amount will be added to the contributions of the other municipalities to make a total of $[illegible]. These contributions will be available on the rural associations for two years, after which time they will no longer be available.

The contributions from the County to the municipalities will be allocated directly to the operators of the recreational facilities in each town or village. Mr. Cross said that this was being done because the moneys were designated for operation of the facilities and because the rural taxpayers may object to the money going directly to the towns or villages.

Under the old regional recreation agreement, 5½ mills were levied by the County for recreation, with 2½ mills going to administration and 3 mills going into programs. Under the new system, 4 mills will potentially be distributed throughout the County for recreation facilities.

After some lengthy discussion on the new program, the municipalities voted unanimously in favor of the County's proposal.

Mayor Oleh Shykora next made a presentation on the operation of the Beaver Regional Arts Centre in Holden. Mayor Shykora presented a statement of revenue and expenditures for the first three weeks of March, and a proposed operational budget for 1980.

The Holden mayor pointed out that the Village of Holden had taken over interim management of the facility and had arranged for caretaking and bookings. He said that the proposed budget was pessimistic, as it showed a deficit of just over $18,000 for the year.

Lenthy discussion on the operation of the Arts Centre revealed that those in attendance were eager to see the facility given at least a year under proper management to see whether or not its operation was feasible. Ed Regher of Tofield said that it was agreed in principal that all governing authorities would support the operation of the facility for a year on a trial basis. He noted that the group could-

Viking Chamber-Council Discuss 75th

At a meeting of the Viking Town Council last Wednesday night, a delegation from the Viking Chamber of Commerce was present to discuss general guidelines for the use of the 75th Anniversary grant money from the Provincial government. Anniversary Committee Chairman Len Josephison requested the meeting of the two bodies so that the Committee would have some parameters within which to operate.

Mr. Josephison pointed out that the money can be used for capital projects, not just a "party" as the Alberta government had originally planned. To date, only three projects have been submitted, but the Committee expects several more before the March 31st deadline.

Discussion centred around whether the money should be used for one major project or a number of small projects. The general concensus of those in attendance was that a major portion of the grant money should be used for one major capital project that will be identifiable with the Anniversary in years to come. The group also felt that smaller parts of the money should be distributed to other smaller worthwhile projects so that a broad range of interests would realize some benefit from the money.

Prior to the Chamber - Council discussion, a contingent from the 75th Anniversary Swimming Pool Committee made a presentation to Town Council. Jenny Bird informed Council that their proposal was to use all of the 75th Anniversary money to build an outdoor swimming pool in Viking. She said that the cost would be under $100,000, and that they calculated that total grants available to the Town and County should total nearly $60,000, with another $6,000 available in a fund established several years ago by the Viking Elks.

The Pool Committee proposed that the Town would cover all operating deficits of the facility. Mrs. Bird said that a pool in Forestburg similar to their proposal operated at an annual deficit of about $14,600.

Mrs. Bird noted that the benefits of a pool for Viking would include a summer activity for everyone, more business to the Town, and the facility's usefulness to people of all ages and ability levels. She said that a year round indoor pool for Viking was too expensive at this time, but that provisions would be made to allow for adding a roof.

Some concern was expressed over who should pay for the operating deficit of the facility, plus who would make up the $40,000 needed to fully finance construction of the pool. As well, no commitment of County funds had been made as of last Wednesday to the Town for any Anniversary project.

Mrs. Bird requested that the Town provide the Pool Committee with a response, either for or against their proposal, prior to March 31st. Mayor Hafso pointed out that all proposals must be considered, and that the Council could not provide such a response before

Bruce 75th Funds Discussed

A number of residents of the district met on Tuesday, March 18th at the Community Centre to discuss how the Alberta 75th Anniversary money allocated to this area should be used.

The meeting was chaired by Mr. Hank Field, President of the Bruce Agricultural Society and Gordon Hoines was present to give any additional information required. Although plans will be finalized at another meeting on March 25th, the general consensus appeared to be that the skating rink should be moved from its present site to the school grounds. An asphalt base would be used at the new site in order that it could serve as a tennis court in the summer.

As well, a cedar carving of a bucking horse will be bought and erected in the same area as [illegible] the occasion and remind visitors of the fact that Bruce is the home of a well-known stampede.

A donation will also be made to the Bruce High School reunion scheduled for this summer and some funds may be made available for advertising and fireworks for the 1980 rodeo.

Irma History Book Being Prepared

A new history book is in the making. An enthusiastic group of people are busy delving into the past, gathering more stories and family histories.

The Irma New Horizons Club are willing to sponsor us so we will be culling our group the Irma Historical Steering Committee.

At the present time we are preparing a brochure that will be mailed far and wide. We urge everyone to jot down memoirs and interview neighbors and friends either making notes or using tape recorders.

Right away we need a name for our book. The winning title will receive a worthwhile gift. Remember, we are covering over seventy-five years in the Irma districts of 6 and 7 as well as the Village. Please send your submissions by mail preferably or phone to Mary Newton, Box 262, Irma, Alberta. The phone number is 754-2261. Deadline for your submissions of a title has been set at April [illegible].

We are very fortunate that a 1911 Irma Fair book is

Viking Factory Wins Awards

The N.A.D.P. Cheese Factory has won the Alberta Variety Cheese Competition for partly skimmed Mozzarella cheese in Alberta for 1979. The Viking plant is one of 14 across Alberta which competed for the prize.

The final award is based on 12 samples of cheese from each plant. The monthly samples are judged and the best over-all total score for the year determines the winner. Presently the Viking plant is in first place for samples sent in in 1980.

The Viking N.A.D.P. Cheese plant also captured first prize for variety cheese at the Provincial Cheese meeting held in Red Deer in 1979. The plant also won fourth prize for semi-soft cheese at the 1979 Royal Agricultural Fair in Toronto. The Viking sample scored 97.50 points out of 100 with the first place entry scoring 97.90.

The N.A.D.P. Cheese plant started in Viking at 5½ million pounds of milk per year. That total is now up to 15 million pounds annually with a daily use of 70,000 pounds of milk.

The staff of eleven people produced approximately 3/4 of all of the partly skimmed mozzarella cheese made in Alberta during the last three months of 1979.

The staff of the N.A.D.P. Cheese plant and the community of Viking should take great pride in these accomplishments.

The staff of the Viking N.A.D.P. Cheese Factory received the trophy last week signifying first place in the Alberta Variety Cheese Competition for 1979. Pictured are (L. to R.) Tim Arychuk, Ken Koch, Dave Chomik, Shirley McMullen, Judy Hartl, Ted Kalita, Kelvin McMullen, Kevan Lever, and Manager Ron Christensen. Missing from the photo are Dale Stevens and Leigh Francis. Worthy Of Praise!

Last Thursday in Viking, a meeting of the governing authorities within the County of Beaver met to discuss the future of recreation in the County. This was the most recent in a long series of meetings which both County councillors, town and village councillors, and recreation board members have been involved in over the last year in attempting to revamp recreation within the County.

It has not been an easy process. Each municipality naturally has the interests of its citizens foremost in their minds when dealing with this issue. At times it seemed as though some people were doing everything in their power to sabotage any workable solution within the County. Some municipal governments at times even refused to participate in meetings when their participation was needed.

And yet from all the turmoil and problems of disbanding the Regional Recreation agreement and initiating local efforts within each municipality, a workable solution to the problem seems to be at hand. At the meeting last Thursday, all five municipal governments were well represented and all in attendance worked diligently to attempt to arrive at some solutions to a number of problems. The County Council's proposal of 4 mills for operation of facilities in the towns and villages must be highly commended. It is a plan which can provide much needed funding for the facilities in our municipalities. Their proposal recognizes the problems incurred in the recent past in attempting to draft a workable agreement with all governments within the County. It also recognizes the importance of the smaller rural community associations as vital in some areas of the County of Beaver. It may be criticized for designating the funds to the organizations responsible for operating the facilities, but their rationale behind this move is sound.

At last Thursday's meeting, an air of optimism was evident as the participants attempted to resolve the Arts Centre issue and several other issues. A great deal of open dialogue and discussion resulted in the feeling that the problems of recreation are finally being brought to a successful conclusion. Yet the only way this was possible has been through the efforts of the large number of councillors and board members who have spent numerous, sometimes trying, hours attempting to resolve the issues. Their efforts may not win the approval of all residents within the County of Beaver. But their sincere honest efforts on behalf of the residents of the County of Beaver are definitely worthy of praise!

Letters To The Editor

Dear Sir:

In a few short days the Viking Carena will be the focal point for a number of Alberta hockey players, coaches, parents and fans.

I would like to extend a word of praise and thanks to all those responsible for and committed to a high standard for minor hockey within our community, the many people who volunteer their time to the smooth management of our facility, the dedicated individuals who arrange for an provide our teams with announcers, time-keepers, goal judges and qualified refereeing to mention a few.

Maybe as in a number of lifes experiences, we tend to forget the little things that can really count.

In Viking many of us have been impatient for the action as we stood for the final bars of O'Canada to struggle from our speakers. In the opening game of the Provincial tournament at Sylvan Lake, our Pee Wee finalists were caught standing proudly at the blue line, helmets off, when the referee impatiently signaled the start of play....no player introduction and no national anthem.

Once into the game, our players became somewhat confused by the lack of officiating. They had been conditioned by our referees to play good clean hockey with a number of do's and don'ts. Knowing and playing by the rules, our team was caught off guard by what seemed a complete lack of knowledge where the "no body contact rule" was concerned. In one instance a short bout of fisti cuffs took place within an arms length of the official...neither team was penalized. A Viking player was taken to Red Deer Hospital for x rays for a rib injury. Before this player had been helped from the player's box, another Viking player was helped off the ice.....in neither instance did the official interfere with his whistle. I'm sure we were all glad we were playing hockey and not football, a "fourth quarter" may have been disasterous.

During Viking's first and second provincial games, there was also an absence of goal judges in all honesty this may have resulted in an addition goal for our own team. Viking's second game, which was the first game of day two, was delayed past the half-hour mark while we waited for the arrival of officials.

Goal judges were at both ends of the ice going into our third game, but before long we became aware that the management of the host town were unable to provide an individual to announce the penalties, goals or assists.

"Little things" no doubt but in their absence, we were left with a feeling of pride for what our community offers visiting teams.

These "little things" did not alter our position in the tournament but I feel they play a "big part" in the development of sportsmanship, respect, dignity and pride in our young hockey players.

Thanks are long overdue for all the "little things" you are doing to assist our coaches in developing a fine line of hockey players

A Hockey Mom

Dear Sir:

Minor Hockey season has come to an end for another year. I must say I disagree on several points with the parent who wrote last weeks letter in this paper.

It is not only the coaches who spend hours of their time driving many miles, but also the parents who go out to watch their children play hockey. There is quite an emotional upset when several children on a tean are made to sit in the box while some of the so called "better players" play the game.

Amongst a bunch of kids hockey is supposed to be a game enjoyed by all the members of the team, not just several.

How can a coach stand up and say "We won the game", when he didn't allow all the players to have equal opportunity to participate? This is definitely not sportsmanship on the part of the coach.

These kids know what's happening and become upset. They are there because they want to play the game, not sit in the box. If not allowed to play in the game, how does a child learn the basic fundamentals of hockey? There is far too much emphasis put on these kids for winning.

I think to lose and be able to lose gracefully is more important to a child's development, than teaching the greed of winning. And where is the sportsmanship?

In this situation there is no such thing coming across to these kids whatsoever.

Coaches of this nature leave a very wide gap for endless criticism and get as much appreciation as deserved.

A Concerned
Minor Hockey Parent

Dear sir:

Although my husband and I don't patronize the Viking dances, movies, tavern or hockey games, we do attend and enjoy every stage performance that we hear about.

In fact, we found the entrainment in Holden Arts Centre the past two Sundays very enjoyable.

If we had heard about the Viking School Drama, we most certainly would have been there, as we always do, when the children are putting on a show for the parents and the community.

Unfortunately, we learnt about the drama night the day after it was staged, from one of the junior high students. We were really disappointed, when we do have a high school student in our house and there, must not have been much advertising, if any.

Live Entertainment
Enthusiast

Dear Sir:

Once again, I must ask your readers assistance in contacting classmates for our class reunion this summer.

If anyone knows the whereabouts of the following people, please contact me at 336-2575. Any information would be appreciated. (Kenny Sanderson, and Torras Huzar).

We have managed to contact everyone else except these two and are extremely anxious to reach them. Thank you very much.

Yours truly,
Sandra Nietfeld

County Recreation Funds
Continued From Page 1

n't go by the proposed budget because there was no justification for how the Centre was run in the past.

Bill Taylor of Viking concurred with Mr. Regber, noting that the Centre could show a better record with proper management.

Larry Andrulow of Ryley felt that the facility hadn't been given enough time and that a decision should be made on how each municipality would handle its share of the deficit. Some discussion on this matter resulted in the Tofield and Ryley representatives wanting to get approval from their Councils for any expenditures.

Mayor Skyhorn asked the group to return to their respective Councils and make two decisions - firstly to get approval for the proposed budget and secondly to decide how to pay for the deficit. A quick calculation by the group estimated that ½ mill from all municipalities would cover the operational deficit.

The disposal of the inventory owned by Regional Recreation was discussed next, with the final decision being that Hjordis Armitage, Bob Cress and Neil Brodie would be authorized to dispose of any items which could not be used for the parks, or which the various municipalities may want for their own programs.

A brief discussion on the MCR grants followed, with Mrs. Armitage noting that the funds available to each municipality had risen from $167,800 to $176,580. The meeting concluded after brief discussions on various other items dealing with recreation in the County.

Viking Council - Chamber Meet
Continued From Page 1

March 31st as this was the closing date for submissions to the 75th Anniversary Committee. The Mayor noted that the Council would have to wait for the recommendations of the Anniversary Committee, then make a decision on the grant money.

In other Council business, Councillor Stephenson reported that it has been estimated that only a two week supply of water remains in the Town reservoir. As the Town may face problems if the run-off does not increase substantially in the near future, Council decided to begin pumping operations immediately.

Prior to the Council meeting, a public hearing was held on the new Land-Use Bylaw. As there were no submissions to the hearing, Council gave final approval to the new Bylaw. Following this, a bylaw to establish a Development Appeal Board to deal with any land development under the new Land Use Bylaw was given all three readings and became law.

Irma History Book
Continued From Page 1

in existence. This is listed as the Second Annual Exhibition and Fall Fair of the Irma Agricultural Society and was held on Friday, September 22, 1911.

Does anyone happen to have the first book or any of the books covering the following years?

The executive in 1911 were as follows: President - J. G. Clark, First Vice-President - H.W. Love, Second Vice-President - J.H. Elliott, Secretary-Treasurer - Chas. Swailes. The directors were T. Keebler, G. A. Purvis, W.H. King, T.N. Sellers, C.T. Hill, O.B. Sproule, Thos. Knowles, Thos. Cookman, W.B. Steele, John Milldon, Chas Swailes, E.T. McDowell, G.S. Batt, A. Burton, and Axel Johnson.

Membership was $1.00. Prize money varied in the livestock section from $5.00 to $3.00 with more for teams. Most beach exhibits were $2.00 and $1.00. Advertisements in the book are also very interesting. The Board of Trade offers choice farmlands in the vicinity of Irma ranging from $15.00 to $35.00 per acre.

We urge all you folks who are great savers or hoarders to sift through some of your papers. Items such as this fair book, old letters, postcards and newspapers are a goldmine of information.

Our next regular meeting will be held on Wednesday, April 9 in the School Library at 7:30 p.m. Plan to attend and bring a friend.

Innisfree And District News Items

The Innisfree Tom Thumb or otherwise known as their Mitey Mites, hosted their annual tournament on March 15th at the Innisfree rink.

Teams participating were Mannville, Viking, Saddle Lake and Innisfree. Innisfree claimed the A Event against Saddle Lake in a ten minute overtime period with lots of tense but exciting moments. The final score being 2-1.

Mannville took home the B Event with a score of 6-2 against Viking. Scores in the other games found Innisfree with 6 over Mannville with 1 and Saddle Lake with 4 over the Viking team with 2. *Woodville News*

A speedy recovery is wished by all to Mr. Jake Petronkey and Randy Cannan who are both presently in the University Hospital in Edmonton, undergoing maj. or operations.

Congratulations go out to the Innisfree Mitey Mites for defeating the Innisfree Mitey Moms with a score of 5-4. A game well played by all!

A card party was held at Woodville on March 14th with six tables enjoying a nice social evening. Mrs. Lillian Weder was the ladies high score player with Mrs. Duke Currie receiving the ladies low score. Mens high score went to Mr. Fred Johnson of Viking and Mr. Gordon Christenson received the low score. Hope to see one and all again on March 28th.

Much laughter and enjoyment was portrayed by spectators as well as players the night that the Innisfree Ladies challenged a game against their husbands. The ladies came out the winners with a score of 8-6 but much credit must be given to the hubbies for their good sportsmanship!

The district was saddened by the recent news of the death of Carol Gayra (Bill Anderson's daughter). Carol and her sister were returning from the Brier Finals in Calgary at the time of the tragic accident. Carol was an avid curler, well known and loved by many in the surrounding districts. Funeral services were held on March 13th, from the Innisfree United Church. Our sympathy is extended to her family and friends.

Recreation Board Holds Regular Meeting

Chairman Vern Hafso called the meeting to order at 8:00 p.m. on the evening of March 11, 1980. The meeting was held in the Viking Council Chambers with eight members present. The minutes of the February 19th meeting were adopted as read by the secretary, seconded and carried.

In discussion of old business, Bill Taylor gave a report updating council's meeting with the County Council. Holden was to assume the responsibility of the theatre. Another meeting is to be called to make some final decisions on recreation tax. The County will turn over recreation tax dollars to the town and the town will match these dollars. There are also some decisions to be made on the disposal of the assets of the regional board.

Vern Hafso reported that the Neighborhoood Improvement Program Grant that had been applied for was not approved by the government. The reason given: the five year master plan sent in was invalid because it was part of a regional plan and not registered just under Viking.

A committee was set up to update and renew the five year master plan and it is to meet before March 21st to work on revising the plan.

Recommendations for 75th Anniversary Funds: Jenny Bird and Marilyn Hoyland attended the meeting on behalf of the swimming pool interest group to give us some information on construction and operating costs of swimming pools and to give us an indication of the amount of interest in going ahead with such a project.

The board discussed the project and decided to postpone their final decision until March 21st when they would draft a proposal to be presented to the Anniversary Committee.

A letter was received from Parks and Recreation informing us of a Recreation Work Experience Program and another dealing with summer employment S.T.E.P. program. These were read and discussed. It was moved and seconded that we operate a summer playground again this year. Carried.

The secretary was instructed to write a letter to the Clubroom Committee requesting the use of the Youth Room for the summer playground.

There was a discussion of the number of students the Board should employ under the S.T.E.P. program. We decided to apply for five people - two for the summer playground and two for assistants in outdoor camping; one for sports grounds maintenance. We also decided to apply for one university student under the R.WE.P. program to work as a summer program director.

Minor Baseball - Ross Brewer was asked to contact minor baseball coaches in the county to organize a general meeting to draw up a schedule for the coming season. An advertisement is to be put in The Weekly Review for coaches for minor ball.

Dance Lessons - It was moved that the Recreation Board endorse the dance lessons to be held in Viking. This was seconded and carried.

It was moved and seconded that we write to the superintendent of schools and offer the county the grant money available to offset the expenses of using the school facility for community recreation. Carried.

Budget - Considerable discussion followed regarding the budget. The rough draft of the budget was completed and was to be typed and brought to the March 21st meeting for first approval.

There will be a special meeting of the recreation board on March 21st with our regular meeting slated for April 8th. It was moved that the meeting be adjourned. Carried.

A Salute To Viking

On Saturday, March 29th, CFRN T.V. Channel 3 will be broadcasting a Kiddies on Kamera special entitled "A Salute To Viking". Make a point of watching this half hour show commencing at 12:00 noon.

The show features the music of the Viking Stage Band, a group of young persons from Viking and surrounding area together with the voices of Mrs Arlene Norris and Mr. Dennis Watson.

The band had a very successful year in 1979, taking part in parades at Killam, Wainwright, Vermilion, Viking and Camrose. They also gave performances at concerts both here in Viking at Sedgewick and in Vermilion. The taping of the show which is to be broadcast on the 29th together with an appearance at the Jubilee Auditorium competing against bands from Edmonton were two of last year's highlights.

Make a date with your T.V. on Saturday. You will surely be proud of this group of young people under the direction of Mr. Everett Norris who are spreading the name of Viking in such a positive way.

Lets Do It Together

As you all know Alberta is celebrating her 75th Anniversary this year.

There have been a number of changes in family life during the past seventy-five years.

In 1905 when Alberta became a province most family life was centered around the community, with the whole family going on picnics and other gatherings, including grandparents and children.

But, as the years went by, the family became less and less active as a whole unit. Now, most of the older folk are put in nursing homes and lodges away from the family, parents go out alone, small children join special groups.

The teens, as soon as they are able have a drivers license. They usually go out on their own instead of with the family.

Bringing the whole family together again is something our community can strive for.

As Alberta is celebrating its 75th Anniversary, a suggested theme for the Town of Viking could be "The Family" as a spark to rekindle the close feeling.

Some ways in which people can get involved in bringing the family closer together are: having a Big Brother, Big Sister program in which older people get teamed with kids, a welcoming committee for newcomers to the community, family picnics and film nights. Another program could be friendly visiting where volunteers go and visit with the senior citizens and/or the sick.

If you have any suggestions for projects or activities centering on the family, please call Deborah Tayler at 336-4024 or drop in at the Preventive Social Services office, located in the Carena next to the fire hall.

THE MUTUAL LIFE OF CANADA

Do You Know The Bible Says

Mrs. W. Myers

That I may win Christ and be found in Him, not having my own righteousness, which is of the law, but that which is through the faith of Christ, the righteousness which is of God by faith; that I may know Him and the power of His resurrection and the fellowship of His sufferings being made conformable unto His death. Phil. 3:9, 10.

Blessed be the God and Father of our Lord Jesus Christ, which according to His abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead, to an inheritance incorruptable, and undefiled and that fadeth not away, reserved in heaven for you, who are kept by the power of God through faith unto Salvation, ready to be healed in the last time. I Pet. 1:3-5. A few comments on last week's subject.

The Israelites loved and served God according to the law, but we have the Lord Jesus Christ to keep our eyes on and to follow and obey.

To focus our eyes on anyone or anything else will get us into many difficulties. Satan is just waiting to catch us off guard and to get us meddling with and in other things.

As a farmer puts up a flag pole at the far end of the field to keep his eyes on in order to make a straight furrow, so we need to be so occupied with loving and serving the Lord, that we will not have time or take time to find fault with others.

After the two and one half tribes of Israel east of the Jordan River explained in a kind way why they built their altar on the east bank of the Jordan River, to those on the otherside, the matter was settled in a peaceful way.

And Phinehas, the son of Eleazar the priest, said unto the children of Rueben, and to the children of Gad, and to the children of Manasseh, "This day we perceive the Lord is among us, because ye have not committed this trespass against the Lord". And the thing pleased the children of Israel and the children of Israel blessed God...for it shall be a witness between us that The Lord is God.

Linda Erickson was crowned "Snow Queen" at the "Mardi Gras on Ice" held last Saturday in Viking. Here Dennis Serafinchon escorts Linda from the ice after she was crowned. Staff Photo

Quinte District W.I. Report

There were twelve members and four guests at the last Quinte W.I. meeting. It was held on Thursday, February 21st at 8:00 p.m. at the home of Mrs. Betty Dennett.

The meeting began with the reading of the W.I. Creed. The secretary's and treasurer's reports were presented next.

Correspondence was dealt with following the reports. Items included some information from outdoors unlittered, b.e.d.s. and a letter telling about the visit of the Associated Country Women of the World, Mrs. Raigh Roe from Australia who was visiting at Red Deer, Alberta.

A discussion on old business followed. This included a discussion on who should go to the District Conference in Edmonton. It was decided that Mrs. Angela Johnston and Mrs. Doris Fee would attend.

Under new business it was discussed as to when to hold our next card party and our trip to the Multicultural Centre in Stony Plain.

Following this, our special guest, Mrs. Guna of Irma, Constituency Convenor, gave a very interesting talk on the F.W.I.C. movement and some of its early history.

Mrs. Harriet Newby gave a paper on Agriculture after which roll call was taken. Roll call for this month was "my handiest household gadget".

The birthday box was then drawn for with Mrs. Mary Johns as the winner this month. The visiting committee of Mrs. Mary Leidl and Mrs. Ethel Mazankowski gave their report. A new committee of Mrs. Harriet Newby and Mrs. Rita Sekzier was selected.

The evening was brought to a close with coffee and lunch.

Mary Leidl

The Viking Fair Board will meet on Tuesday, April 1, 1980 at 8:00 p.m. at the Community Hall. All board members and interested persons are invited to attend this meeting.

A reception and dance in celebration of the marriage of Paulette Rabby and Gordon Squair was held in the Iron Creek Community Hall last Saturday night. Staff Photo

YOU ARE INVITED TO AN
ERIC D. BUTLER
Lecturer, writer, National Director of The Australian League of Rights and President of The Centre Commonwealth League of Rights
SUBJECT:
"Afghanistan-Prelude To Armageddon?"
*Review of the latest World Developments including the Explosive Middle East situation.
*The only answer . . . Practical Christianity?
Mr. Eric Butler, a keen student of world affairs, is presently on his 18th world tour and will be addressing meetings across Canada. He will deal a review of the latest international developments, including the world's powder-keg situation in Afghanistan and the Middle East. Mr. Butler reveals that Practical Christianity is the only effective alternative to our present suicidal rush to disaster.
Viking - Friday, March 28th
Royal Canadian Legion Hall - 8:00 p.m.
There will be a large display of literature. This tour is sponsored by The Canadian League of Rights - A Free Association of Canadians dedicated to the Preservation of Law and Order, Free Enterprise and Our Christian Heritage. For further information: Elvie Barnett, Provincial Director, Box 551 Bowden, Ph. 585-3440

New Horizons Club Concludes Winter Whist

The whist drive in the Drop-In Centre on Friday evening, March 21st., under the auspices of Irma New Horizons had nine tables in play.

Phyllis Craig was the ladies high scorer with a score of 186. Low went to Edith Wilson with a score of 142.

Men's high was Gunnar Larson with 188 while the low went to Joe Burton with a score of 145.

Prizes were awarded for the high score over the series. The high lady was Mary Dempsey with a total score of 963. The men's high was divided between Freeman Greenwood and Gunnar Larson with identical scores of 960. Lunch and socializing was then enjoyed.

It has not been decided when the next whist drive will be held. But, when the decision is made the usual posters will be displayed in the normal locations.

The New Horizons members and the committee in charge wish to extend a hearty thank you to all who patronized the whist games.

On Tuesday, March 18th Neil McNeill, son of Bud and Kitty McNeill of Irma, was married to Rose St. Germain in Edmonton. Pictured above after the ceremony are Audrey St. Germain, the Minister, Neil McNeill, Rose McNeill, and Peter McNeill, brother of the groom.

Irma News And Views

The snow plows are busy today - Monday, March 24th clearing the highways, roads and streets of the heaviest snow fall of the winter in our area. Farmers will welcome this as it will cover up the summer fallow which was bare in many places. Moisture is always welcome at this time of year.

Mrs. Chris Russell, Mrs. Isable Fenton and Minnie Jackson left Irma by bus on Wednesday morning to attend Provincial Grand Orange Lodge sessions in Edmonton, being held March 20, 21, and 22.

Dorothy Bacon left last week for a visit with her son Jimmy and family in Edmonton.

Bob Dempsey arrived home from hospital on Wednesday forenoon, much improved but will have to return to hospital at intervals to have his hands dressed.

Dorey McKay, her brother and wife and other friends flew from Calgary last week to California for a holiday in that sunny climate. They plan on hiring a car and touring extensively while there.

Bert Clasdell and a brother-in-law from Airdrie visited with Bert's parents and brother Jack for a few days last week. They came to help Bert's father celebrate his 78th birthday.

Congratulations to Fred Knudson who celebrated his 87th birthday on Saturday, March 22. Fred is a highly respected Irma old timer.

Ashley Murray arrived home on Thursday evening after spending several weeks in Viking Municipal Hospital. His condition is much improved and he can manage to get around. There is a possibility that he may have to go to Edmonton for a minor operation.

WILL YOUR CANOLA BE "CRUSHER APPROVED"?

Don't lock yourself out of the large crusher market. Each year we reject several loads because the glucosinolate level is too high.

Be sure the crop you grow will be accepted by a crusher. All our planting seed is "Crusher Approved" and guaranteed less than two milligrams per gram glucosinolate.

Now is the time to purchase your planting seed. We have Candle, Tower, Regent and Altex Seed. Production Contracts and Deferred Delivery Contracts available.

Give us a call and let's talk Canola.

Irma Royal Purple District Meeting Set For April

The regular meeting of the Irma O.O.R.P. was held on March 18th. H.R.L. Lavig opened the meeting in regular form. There were twenty-six members present with only two officers absent.

Correspondence and communications were received and dealt with:

S.H.R.L. McDonald reminding us that May is Deaf Detection month; D.D. Crozier regarding our District Meeting; a letter from Chauvin Lodge saying they have jackets and hats for sale; a letter from Legion Hall committee with instructions about the hall; a letter from D.A.B.H. was read regarding programs etc., March 26th is information night and inviting a representative from our lodge; a letter from the 75th Anniversary committee regarding a barbecue supper for Irma Sports Day in August.

Other correspondence included a thank you note from Jean Larson thanking the Lodge for the plant and the individual members who sent cards etc. in their time of sorrow in the loss of their son.

Report from the Red Cross committee - a final statement for next month.

The raffle committee reported a successful raffle with first prize going to Dana Murray and the second prize going to Stan Castall.

The visiting committee is to go to the Manor on March 26th and report all is finalized. Viola Lodge committee took our program and birthday greetings to eight of the family at Viola Lodge. The committee for Battle River Lodge visiting are going on the 27th of the month with their program and lunch.

Plans for our District Meeting were discussed and finalized. A donation was made to the Red Cross. An invitation is to be sent to the Mayor and Exalted Ruler of the Elks to greet the ladies and welcome them

Committees were appointed to look after the various duties for that day.

Our Easter cookies are to be taken to shut-ins as we have done in previous years. A motion was made that we send the cheque to Falcon Enterprises from the proceeds of our raffle.

Good of the Order - Carson Larson thanked the lodge for the fruit basket sent to her. Edith Cockroft thanked all who sent her cards and their kindness. Birthday girls were Judy Lemieux and Dianne Prior. Good of the Order draw was won by Irma Guy.

Lodge closed and lunch was served. Remember our district meeting which is set for April 19th. Ladies, come and have enjoyable fellowship. See you there.

Parkland Nursing Home

Greetings to our new residents, Mrs. Murray and Mr. Chimko.

Get well wishes are extended to Mr. Krizner who is presently in the hospital.

Edna and Eleanor McLachlan called on Mr. Finsemore.

Sophie and Mel Benson of Edmonton visited with aunt Clara Swanson.

Mr. Rilland enjoyed visits with Judy Daniluk and family, Olive Good, Jim, Denise and Darcy Warawa.

Calling on Fred Osubko were Vern, Elaine, Lynette and Rhonda Osubko.

Mr. Auburn was visited by John Auburn and George Curtis.

Betty, Joe and Kathleen Kawalilak stopped in to visit Mrs. Chegg had an afternoon visit with Zerah Candish and Jessie Schenk.

Mr. and Mrs. Bill Chimko called on Dad Chimko.

Diane Pasnak called on Grandma Tehir and Grandma Pasnak.

Calling on Mrs. Fredericks were Doris McLeod of Calgary and Lillian Teske and Bea and Grant Fredericks of Bruce.

Mr. Zemanek enjoyed a visit with grandson Ronnie Volmer.

Elwood and Hattie Williams of Sherwood Park visited with Elwood's mother, Olive Willans on her 80th birthday which was on Friday, March 21.

Spring Sessions For Seniors

Early in May, when most University of Alberta students will be leaving the campus, a number of senior citizens will be sharpening their pencils and arriving for the university's Spring Session for Seniors.

The three-week program, running May 5 through to May 23, requires no formal academic qualifications for registration and all residents of Alberta who are retired and over 60 years of age and their spouses are eligible. However, priority will be given to senior citizens who reside north of Red Deer and who are 65 years of age and over.

The registration deadline is March 31. The courses offered are non-credit and registration is limited. Because of class limits, students are urged to register as early as possible.

Spring Session for Seniors gives the elderly an opportunity to expand and further their education and to experience university life. Students will be given free passes for library privileges and parking. As well, "out-of-town" registrants will have free accommodation. Meals, however, are not included.

IN MEMORIAM In loving memory of a husband, father and grandfather Earl McNeil, who passed away March 25, 1978.

Two loved and lonely years have passed.

Since our great sorrow fell. The shock we received that day,

No one can ever tell.

God gave us strength to meet it,

And courage to bear the blow,

But what it meant to lose you,

No one will ever know.

It is a lonely life without you,

And sad has been the way, For life at home is not the same,

Since you were called away. You bade no one a last farewell,

Or said goodbye to none.

A dear heart had ceased to beat,

And suddenly you were gone

Ever remembered and sadly missed by wife Alice, children Lorna, Rick and Shelley, Dianne and Earl, Alberta and Dwayne, Bob and Dianne, Jim and Pat, Marlene and Don and 15 grandchildren. 7c

Donations to the Kinsella United Church Memorial Fund In memory of Lawrence Mitchell from Mr. and Mrs. Bruce Davis.

In memory of Martin Swingen from Mr. and Mrs. Knut Overbo.

In memory of E.C. Williams from Jack and Jean McKie 7c

Memorial donations to the Viking United Church Memorial Fund. In memory of Mrs. Ottelea Fry from John and Karen Cumming.

In memory of Tosie Bremner from Vivian Hilliker 7 c

IN MEMORIAM In loving memory of our dear husband, father, grandfather, and great grandfather, Jack Soares who passed away March 22, 1978

The things we feel so deeply Are the hardest things to say.

We your family love you, In a very special way.

They say memories are golden,

Well maybe this is true, But, we only wanted you.

If only tears could build a stairway,

And heartache make a lane.. We'd walk the path to Heaven.

And bring you back again. Our family chain is broken, And nothing's been the same But as God calls us one by one.

The chain will link again. Lovingly remembered and sadly missed by his wife Nellie, daughters, sons, sons in-law, daughters-in-law, grandchildren and great-grandchildren. 7p

Swing Beavers Square Dance Club Host Family Fun Night

The Swinging Beavers Square Dance Club has been very active since January. Many members have visited other clubs and report having had a great time.

Our club in turn has had visitors from Therien, St. Paul, Hairy Hill, Wetaskiwin, Edmonton, Edgerton and Rossland, B. C. at the meeting of people from other clubs that makes square dancing so very interesting and so much fun.

On January 14th, we had a "Hobo Dance". There were many ideas portrayed as to how a hobo should dress which included one of our group encased in a cardboard box. The only drawback encountered by this member was that he wasn't able to sit down all night. To add to the fun of the evening we had a pie eating contest. There were eight contestants, including our caller Ernie Power of Edmonton. The contestants were seated at a table, hands behind their backs and blindfolded when, can you guess what was brought out, chocolate pie smothered in whipped cream. It was hilarious. A lady from Hairy Hill won the contest.

On March 15th, we hosted our annual Family Fun Night which was a huge success....over one hundred parents and children signed the guest book. Our thanks go to the committee for arranging contests, square dances and the program for the evening. Special thanks to Donna Brook for the beautiful Shamrock Cake given as a door prize and for the small birthday cakes.

Thanks also to Allan Zwierschke for the excellent job of M.C. for the evening and for providing the music. The guests expressed their appreciation and thanked us for the pleasant evening.

A lovely lunch was provided by the square dance club at 12 o'clock which brought the festivities to a close. Hope to see you all next year at our "Fun Night".

R.C.M.P. To Conduct Vehicle Check

Large numbers of vehicles travel Alberta's streets and highways while equipped with faulty or inoperative equipment. This condition becomes most noticeable at this time of year because hazardous winter driving conditions take their toll of vehicle equipment.

There seems to be a reluctance on the part of many motorists to voluntarily repair or replace such equipment. Starting April 1st and continuing through to the end of the month, the R.C.M.P. will step up the program to stop motor vehicles and do a thorough equipment check. These checks are designed to complement the car check campaign sponsored by the Canadian Safety Council and the Alberta Safety Council which will operate during the week of April 24th to 30th with the theme, "Can you afford not to?"

Written warnings or prosecution summonses will be issued if violations are found. Should violations on a vehicle be excessive, provisions exist to have the vehicle removed from the road until it is repaired.

The R.C.M.P. will be paying special attention to driving offences such as failing to signal lane changes or turns, improper parking of vehicles on the highway, drinking drivers and other liquor related offences.

"Vehicle Check" will be in effect until the end of April 1980. Motor Vehicle operators are encouraged to avoid prosecution by checking their vehicle equipment such as horn, lights, windshield wipers, brakes, glass, turn indicators etc. and replacing or repairing defective parts.

Motorists are also encouraged to keep safe driving practices always in mind; to drive courteously and in that way avoid accidents or prosecution.

The only objectives of the R.C.M.P. are to reduce the accident rate in Alberta and to save lives. We are asking for everyone's cooperation.

Irma Midgets Play In Provincials

The Irma Midget hockey team, their coach Jerry Mark and manager Charlie Soucy, supported by about ten cars loaded with fans, drove to Bentley on Friday, March 21st to take part in the Provincial playoffs.

Having won in Zone Two, D Category, they played their first game on Friday evening against Eckville which they won 6-4.

The next game was with Sedgewick which they lost 7-4. Their third game wa with Gleichen, which Irma won 18-6.

The league players were Shane Hollar, Larkin Holt, Dwight MacKay, Dale Nilson, Howard Jackson, Lee King, Curtis Littlewood, Lyndon Dunbar, Dean Dunbar, Bradley Hill, Jim Owen, Randy Burns, Michael Soucy, Larne Smith is also on the team but was unable to go along on account of the flu or a heavy cold.

The Irma players and most of the fans left Bentley before the final game was played due to the storm. Some stayed over night at Red Deer, others got tired of fighting the roads which were covered with heavy snow and stayed the night at Tofield or other points. A few cars arrived home on Sunday night.

Amundson Rink Wins Ladies Bonspiel

Grand Challenge winner of the Viking Curling Club's 1980 Ladies Bonspiel was the Cindy Amundson rink of Viking. Ray Maxwell presented the trophy, donated by Northwestern Utilities, to (L. toR.) skip Cindy Amundson, third Rhonda Cumming, second Darlene Gibson, and lead Theresa Petrus.

The Pat Erickson rink won the Second Event after an extra end of play against the P. Mackay rink. Pat Amundson (L.) presented the trophy to (L. to R.) skip Pat Erickson, third Joan Stewart, second Claudia Girouxe, and lead Bernie Rousseau. Staff Photo

During this past weekend the Viking Curling Club hosted its annual Ladies Bonspiel with a total of twenty-seven rinks entering.

The ladies had excellent ice to curl on thanks to rink manager R.K. "Bucks" MacLaren and were waited on hand and foot by the men of the Viking Curling Club, who served for their banquet and attended to the snack bar and refreshments.

The Cindy Amundson rink of Viking won the Grand Challenge in an extra end of play against the Christine Mackay rink from Holden.

The Second Event playoff also went into an extra end of play before Pat Erickson's Viking rink defeated the P. Mackay rink.

The T. Johnson rink from Sedgewick defeated the A. Gould rink to win first place in the third event.

The Viking Curling Club would like to thank everyone who attended the Ladies Bonspiel and would also like to thank everyone who donated to and helped during the spiel.

Following are the top four teams in each event.

First Event
1. C. Amundson
2. D. Mackay
3. K. Cumming
4. K. Laughren

Second Event
1. P. Erickson
2. P. Mackay
3. S. Sarafinchan
4. A. Story

Third Event
1. T. Johnson
2. A. Gould
3. G. Lovig
4. P. Greenfield

Viking Pee Wees Win Two Lose One In Provincials

Viking Pee Wees, Zone Two finalists emerged from the Provincial "C" tournament in third place, with two wins and one loss.

Friday, March 21st found everyone up bright and early and heading for Sylvan, with our first game scheduled for 12 noon against the host team. From start to finish Viking seemed to be charting their way across an obstacle course. Sylvan, vying for the lead, offered a rough brand of hockey. By the end of the first, Viking had taken a 1-0 lead. In the second Viking again led the way chalking up another seven giving them an 8-0 lead. However in the third Sylvan got into the game and popped in six goals to Viking's two. The final score read 10-8 for our boys.

Scoring were Keith 3 goals and 2 assists, Antos 3 goals, 4 assists, Wincsura 2 goals, 1 assist, Place 1 goal, 1 assist, Clouston 1 goal 1 assist, Majeski 1 assist, Lawes 1 assist and Tkaczyk 1 assist. Star Player award selected in this game went to Antos.

Saturday at 11:00 a.m. Viking and Vulcan met. This proved to be a much tighter game with Viking having many scoring opportunities but unable to put it past the Vulcan goalie. One fan, while watching the Vulcan goalie at work, compared his screening as being as effective as covering the net with a sheet of plywood. However Viking did get past him a few times and won this game 6-5.

Scoring were Lawes 2 goals, Antos 1 goal, 3 assists, Keith 1 goal, 1 assist, Wincsura 1 goal, 1 assist, Majeski 1 goal, Clouston 1 assist, Place 1 assist. Star Player award for this game went to Clouston.

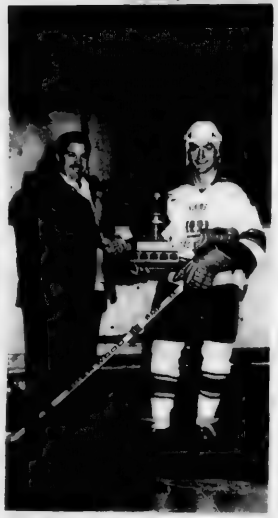
On Sunday the boys came up against another undefeated team - Springbank who outscored Viking, eliminating them and moving on to the final. Springbank had a 7-4 lead at the end of the first. Nearing the end of the second Viking had narrowed the gap to 7-6. Suddenly Springbank took control and the period ended 12-7. Springbank doubled Viking in the third making the final score 16-10.

For Viking it was Antos 4 goals, 2 assists, Keith 2 goals, 1 assist, Clouston 2 goals, Tkaczyk 1 goal, 1 assist, Vitek 1 goal, Place 1 assist, Lawes 2 assists, Majeski 1 assist.

Star Player award for this game went to Keith.

High Level came out of Division Two undefeated and so met Springbank in the final, Springbank winning 11-7 to become the Provincial Champs.

The coaches wish to congratulate the boys on the team for their efforts in taking them this far. Thanks to the parents for all their help and support, to all the fans that came out to see us play and to the Viking businesses and individuals for their well wishes prior to our tournament.



Will Rushton, owner of Willmark Motors in Viking, presented the Willmark Cup, emblematic of the Most Valuable Player on the Viking Oso Kings hockey team during the season, to Lee Lashkosky between periods at last Wednesday's B.R.H.L. playoff game.

Viking Annexation Approved

Viking Lions' president Bill Giroux (right) presented half of the grand prize at the Annual Lions Windfall Dinner to Norman Erickson (left) of Viking as M.C. Bev Monroe of CFCW looked on. Ken Williams of Viking, who was not in attendance, split the prize with Mr. Erickson.

Staff Photo

The Town of Viking's application for the annexation of the Town-owned half section on which the new sewage treatment facility is located has been approved by the Local Authorities Board.

The Town was given notification last week through receipt of copies of Local Authorities Board Order No. 12549 and Order in Council No. 289/80 which gave effect to the annexation.

The Board Order contained summaries of information presented at the L.A.B. Hearing held in Viking on January 30, 1980 and then listed the Board's conclusions.

The L.A.B. concluded that the Town will continue to grow because of its agricultural setting, the established amenities and past growth patterns. It also decided that additional land was required to meet the industrial needs of the Town.

Concerning the particular piece of land, the Board concluded that the land is of low agricultural value, it may be readily and economically serviced with utilities. While an irrational boundary would be created by the annexation, it concluded that it was a logical expansion to the Town for the industrial uses proposed.

The L.A.B. recommended that the application for annexation of the north half of section 31, township 47, range 12, west of the 4th meridian plus some adjoining road allowances be granted in full. The effective date of the order was January 1, 1980.

Grimshaw Wins Provincial Title In Viking

The Grimshaw Midgets captured the Alberta Midget C Championship trophy with a 9 to 6 victory over Coronation on Sunday night in Viking.

The three day tournament saw eight teams from across Alberta battle for the Provincial title. The teams were split into two divisions with Grimshaw, Sylvan Lake, Bow Island and Viking in Division I and Coronation, Okotoks, Mannville and Athabasca in Division II. Each division played a round-robin series and the winners of each division met on Sunday night.

The Viking Minor Hockey Association had chosen the theme "Alberta 75" in recognition of Alberta's 75th birthday. In keeping with this theme, Mr. Charlie Maxwell, himself 75 years old this year, was selected as Honorary tournament Chairman, and senior citizens, mostly grandparents of Viking K. of C. Midget players, were selected to handle the official face-off before each game.

In Division I play on Friday, Viking outhustled a strong team from Sylvan Lake and registered a 4 to 1 victory in an exciting contest. In the other game, Grimshaw began their string of victories with a 7 to 5 triumph over Bow Island.

In Division II play on Friday, Coronation defeated a struggling Okotoks team by a score of 10 to 6 while Athabasca was victorious over Mannville, outscoring them 6 to 2.

Saturday's games saw reversals in form for some of the teams in both divisions. In Division I, Sylvan Lake rebounded from Friday's loss to squeak out a 4 to 3 overtime victory over a much improved Bow Island team. Viking, meanwhile, ran up against the powerful Grimshaw club and bowed 10 to 4.

The Division II teams created the most excitement when Friday's losers became Saturday's winners. In the first game Mannville scored with just five seconds left on the clock to gain an 8 to 7 victory over Coronation. In the second game, a smooth-passing Okotoks squad registered a 9 to 2 victory over Athabasca.

By Sunday morning, only one team, Bow Island, had no chance of reaching the finals. However, Grimshaw assured itself of a berth in the final game with a 9 to 1 rout of Sylvan Lake. the second game in Division I, although offering no possibilities for a final play-off spot, saw Viking skate to an easy 8 to 4 victory over Bow Island.

The Division II play-off berth was still up for grabs, and Okotoks kept the pressure on with a 10 to 6 victory over Mannville. Coronation easily defeated Athabasca 13 to 3 in the second Division II game, leaving both Okotoks and Coronation with two wins, one loss records. Coronation won the championship spot on the strength of its Friday win over Okotoks.

A large enthusiastic crowd was on hand for the final game on Sunday night. Coronation started strong and held a 4 to 1 lead after one period. Early in the second, Grimshaw scored three quick goals to tie the score. Coronation moved ahead by two goals, midway through the second, but Grimshaw managed to tie it at six goals by the end of the second period.

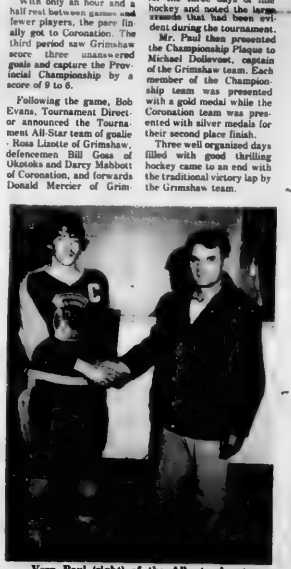
With only an hour and a half rest between games and fewer players, the pace finally got to Coronation. The third period saw Grimshaw score three unanswered goals and capture the Provincial Championship by a score of 9 to 6.

Following the game, Bob Evans, Tournament Director announced the Tournament All-Star team of goalie - Ross Lizotte of Grimshaw, defencemen Bill Goss of Okotoks and Darcy Mabbott of Coronation, and forwards Donald Mercier of Grimshaw, Greg Latimer of Coronation and Kelly Konieczny of Mannville.

Vern Paul of the Alberta Amateur Hockey Association congratulated Mr. Evans and his committee for the fine job done in putting on the Tournament. He congratulated the hockey players for the three days of fine hockey and noted the large crowds that had been evident during the tournament.

Mr. Paul then presented the Championship Plaque to Michael Dollevoet, captain of the Grimshaw team. Each member of the Championship team was presented with a gold medal while the Coronation team was presented with silver medals for their second place finish.

Three well organized days filled with good thrilling hockey came to an end with the traditional victory lap by the Grimshaw team.



Vern Paul (right) of the Alberta Amateur Hockey Association presented the Alberta Midget "C" Championship Plaque to Michael Dollevoet, captain of the Grimshaw Midgets following their victory on Sunday in Viking.

Exhibitors Win Awards

Judging at the Northlands Stock Show and Sale held during the later part of March resulted in a number of local exhibitors receiving awards.

The high selling Shorthorn bull, Altriene Commando 47K, consigned by Doug Wilson of Killam, brought $2,750.00. He was purchased by Brian Wiley of Fort Fraser, B.C.

Miss Royal Intense 6K, the entry of Paul Kalial, of Tofield was placed Grand Champion in the Horned Hereford section by judge Henry Fenton of Irma. Reserve Grand went to JK STD Dermot Lass 58K from Kleins JK Herefords of Viking.

senior Champion, JK Standard Blanchard 23K from Kleins JK Herefores was named Grand Champion Horned Hereford Bull.

Showing of the British breeds found the judges awarding the Grand and Reserve Championships in the Shorthorn section to the entries of Doug Wilson of Killam. Senior Champion bull, Altriene Commando 47K was made Grand, and the Reserve Senior Champion bull, Altriene Commando 32K became Reserve Grand Champion.

Angus judge, Brian Good gave top honors to Graham Snider's bull Dry Grass Dynasty Look. Junior and Reserve Grand Champion bull, Angus Acres Jumbo 88K was the entry of T.W. Armitage of Kinsella.

In the Aberdeen Angus section 29 lots of bulls grossed $43,400.00 for an average of $1,496.55. Heatherdown Mr. Big and Tall consigned by Lyan Armistead, Hardisty, was the top selling animal at $2,700.00 and purchased by Donald Spiller of Daysland.

Viking Chamber To Host Community Forum

A motion was passed at the February meeting of the Viking and District Chamber of Commerce that the Chamber host a Community Forum.

The Community Forum is a locally sponsored event in which participants identify the social and ecocomic challenges facing their community and develop proposals for new directions of action.

These challenges and proposals, along with a community story, and symbol are published immediately and distributed to the participants.

Communities accross the country report that Forums are particularly effective in catalyzing local initiative. To date, more than 4,000 forums have been held in 29 nations.

Mr. Duncan Holmes and Ms. Ellery Elizondo of the Institute of Cultural Affairs attended the meeting and gave an overview of how the Community Forum could help Viking to recreate a spirit of neighborhood; encourage support for existing activities; restore and broaden local initiative; recover the unique role of the community.

A Community Forum is being held in Viking on Wednesday, April 16, 1980 commencing at 7:30 p.m. in the Viking Community Hall.

It is hoped that the public will take advantage of this opportunity and will be in attendance at the forum on the 16th of April.

They Made It Happen!

Many people in this area can feel very proud this week. It is not often that a town of Viking's size is able to host a provincial function. The Provincial Midget tournament committee under the direction of Mr. Bob Evans should be extremely proud of a job well done. Vern Paul of the A.A.H.A. voted that it was one of the better run tournaments that he has attended.

Also, the fans from all teams, but particularly those from the Viking area, are to be applauded for the tremendous support which they showed for the tournament, and particularly the final game. It made the efforts of the Committee all worthwhile.

A large number of business and individuals must take pride in the fact that they supported the tournament through trophy donations and advertising in the souvenir program. Also, the Viking Town Council and the Chamber of Commerce must be recognized for their spirit of community which saw them supply hats and banners for the visiting teams.

Lastly, a very large number of people worked behind the scenes ensuring that everything ran smoothly. These people are often the unsung heroes of many community functions. Those involved in helping out behind the scenes in any way to make the Provincial Midget "C" Tournament such a great success should pat themselves on the back.

It was a big undertaking. But the community in and around Viking proved they could pull together to make it happen!

M.L.A. Report

By Tom Lysons

The spring Session of our Legislature is now in full swing. One of the major announcements this past week by the Minister of Agriculture, was a plan to assist new farmers.

A modified beginning farmer loan program will be instituted by the Alberta government. On April 1, 1980, the Alberta Agricultural Development Corporation (ADC) will withdraw the last resort lending provision for the beginning farmer loan program. Until now, if a younger farmer's family were known to be well established, then it would have been deemed that the family should assist him.

The main criteria of the new program are:

1. Once in-a-lifetime loan to establish a workable farm package.
2. Maximum loan amount of $200,000.00 and an upper limit of $300,000.00 on loan plus assets.
3. A preferred interest rate of 12 per cent for the term of the loan, with a 6 per cent earned interest rebate for the first five years.
4. Adequate experience and repayment ability on the part of the applicant.

Funding will be sourced from the Alberta Investment Division of the Alberta Heritage Savings and Trust Fund.

This program will provide upward of $75 million in lower interest loans to young farmers.

More information and complete details can be obtained from your local District Agriculturist.

Direct financing will be available to the established farmer at 9 per cent for five years, while for others there will be the availability of loans at the preferred interest rate of 12 per cent.

A statement was made by the Honourable Mr. Miller, Associate Minister of Public Lands and Wildlife, regarding the initiation of a programme of range improvement assistance on crown lands commencing in the 1980 81 fiscal year.

A statement was made by Mr. Eric Musgreave, who is chairman of the Alberta Research Council regarding the successful negotiations between the City of Edmonton and Alberta Housing and Public Works for acquisition on one quarter section of land south of Millwoods where the new Alberta Research Facility will be located adjacent to the Edmonton Research and Development Park.

A study by the Alberta Government, as well as by the Saskatchewan and Manitoba governments will be launched to determine if a western power grid would be practical. This power grid, if finalised, would give the Prairie Provinces better use of electrical power.

On Monday the Minister of Hospitals and Medical Care announced this year's hospital program. This package included 19 renovation contracts, 12 additions and 19 new hospitals. The cost of this program will be approximately 570 million dollars.

I will be in Edmonton for the next few weeks while the House is sitting and please feel free to call me collect at 427-1865. Also, I now have a constituency office in Vermilion, which is open from 10:00 a.m. - 3:00 p.m. from Monday - Friday. Ellen Range is in charge there and the phone number is 853 4207.

FUELED UP FOR FITNESS

HOME BAKED BREAD MAKES A HEALTHY COMEBACK

How often have you heard weight- or health-conscious folks describe their diets by saying, "I didn't cheat today—I passed up the bread." In fact, they are cheating themselves of essential nutrients as well as the entire dimension of smells, flavors and textures worshipped by bread-lovers and bread-bakers for centuries.

Wheat bread is a valuable source of the B vitamins which are needed to convert the foods we eat into the form of energy which the body uses as fuel. Very active people burn more fuel and therefore demand more vitamins in larger quantities. Fiber, a natural constituent of whole grains and cereals, is thought by many to play a protective role against several of the nation's leading killer diseases. The Fleischmann's Corn Oil Margarine used in this recipe is big on flavor, but low in saturated fats and cholesterol-free, another nutritional plus. So take a hefty slice of the bread of life and stop cheating yourself of homemade goodness.

CRACKED WHEAT BREAD

Makes 2 loaves (24 slices)

4 3/4 to 5 3/4 cups unsifted flour
3 tablespoons sugar
4 teaspoons salt
2 packages active dry yeast
1 1/2 cups water
1/2 cup milk
3 tablespoons Fleischmann's Margarine
1 cup cracked wheat

In a large bowl thoroughly mix 2 cups flour, sugar, salt and undissolved yeast.

Combine water, milk and margarine in a saucepan. Heat over low heat until liquids are warm. (Margarine does not need to melt.) Gradually add to dry ingredients and beat for 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add cracked wheat and beat at high speed for 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Punch dough down. Turn out onto lightly floured board. Cover, let rest on board for 15 minutes. Shape into 2 loaves. Place in greased 8 1/2 x 4 1/2 x 2 1/2-inch loaf pans. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Bake at 400° F. about 30 minutes, or until done. Remove from pans and cool on wire racks.

AG

GOOD NEWS PARTY LINE

The Anglican Church Women are holding their Easter Tea and Bake Sale in the Anglican Hall on Saturday, April 5th from 2:00 until 4:30

A Dine and Dance will be held on April 12th at the Rodino Hall with proceeds to go to Pioneer Enterprises. Supper at 7:00 p.m. with music supplied by the Stramalongs. Advance tickets only [illegible] 2523 or 336 2715.

Beaver Regional Arts To Present Paul Hann - The Cockney Cowboy

The Beaver Regional Arts Centre in Holden will present the Paul Hann show. Paul Hann is a singer, performer and plays the guitar, banjo and mandolin as well as having written a number of instrumental pieces.

Paull Hann after three albums on Edmonton based Sleepy Plain Records, is just beginning to step out. He's had a substantial round of tours in western Canada over the past twelve years and is now moving more into eastern Canada and down into the United States.

He is also stepping out musically. His new album, titled "Paul Hann", includes more of the humourous situation songs for which he is becoming increasingly well known and liked in Canada.

He has been fondly referred to as the "Cockney Cowboy" in many circles. Hann immigrated to Canada 12 years ago from the south suburbs of London, England. While working in the civil service there, he became disenchanted with his life style. He jumped on a boat for Canada with visions of working as a lumberjack. He wound up in Edmonton, a city he had never heard of. In Edmonton he began playing for fun and parlet money in pizza places and coffee houses, while working in a department store. Here he met a young song writer, Peter White who offered him some of his work and the two have struck up a working partnership. From here on Hann took a serious interest in developing a musical career and put together an album. Although not a terrific success served as a launching pad for others.

A later album took on a twist into the country rock field. One of the singles may be familiar "Mama Make the Radio Play Me A Cowboy Song". This went over very well on the country radio stations. His newest album is even more country. His first selection is Hann's big nature song "Cockney Cowboy", a humourous account of his ocean crossing.

Hann's whole image of an Englishman singing cowboy songs has become a vehicle for humor.

Picture if you will, a cowboy from Edmonton walking into a Texas bar, ordering a pint, and after wiping his beard with the back of his hand, introducing his latest tune and then proceeding to deliver it in a hearty cockney twang.

Play Festival To Be Held At Holden

Are you interested in live theatre? Do you enjoy a variety of theatrical experiences?

If you are then remember the following dates, April 24, 25 and 26 - Thursday, Friday and Saturday evenings; 7:30 p.m. in the Regional Arts Centre at Holden the 20th One Act Play Festival sponsored by Zone III of the Alberta High School Drama Festival Association will be staged.

Drama students from Sherwood Park, Devon, Vermilion, Holden, Wetaskiwin and Viking will be competing for prizes in the following categories: best play, best runners up, best play by a new school, best actor and actress, best supporting actor and actress, best costumes, best set, and best technical production.

Tickets are $2.50 per evening and will be available at **the door or from Gertjan Zwiggelaar, Box 866, Viking, Alberta, T0B 4N0 or Phone 336-3332.**

There are only seventy seats available to the public so it is best to reserve in advance.

The students attending the festival will have an opportunity to learn drama skills from leading professionals in acting, directing, taking direction, mime, improvisation, theatrical techniques, reader's theatre, speech and makeup. These classes will be held in every bit of available space in Holden including the School, Legion Hall, Masonic Hall, and the Community Hall.

The Association is still looking for more space. If the readers know of space available please contact Gertjan Zwiggelaar at the above address.

Titles of some of the plays are "Nellie McNabb", "Hello Out There", "From Five To Thirty Five", "Little Nell", "Human Circus," and "The Marvelous Playbill and Dr. Faustus".

Each of these will be adjudicated publically and privately in more detail in order to provide the directors and casts with a meaningful learning experience.

Winners will be announced on Saturday, April 26th and trophies handed out. This year's trophies are hand made originals by the president of the association.

It promises to be an exciting and most interesting three days for the students and a superlative of live theatre experience for the fortunate members of the public who attend the performances.

Vialta Lodge News

Our sincere sympathy is extended to all members of the Beschell Family, on the passing of Joe Beschell on Wednesday at the Misericordia Hospital in Edmonton. Joe spent over six years with us at the Lodge.

Those attending the funeral service on Saturday at the Kinsella United Church were Mr. C. Weder, Mr. and Mrs. Ziegler, Mr. Landberg, Mr. Dillane, Albert Whiford, Ruby Rattray, Ruth Zelinski, Bernice Ziminek, Lil Arnett, Catherine Evans, Lil Evans and Kay Borthwick.

Mrs. Ash is spending a few days in Stettler with her daughter and family.

Mrs. Suddaby took the bus Sunday evening to Edmonton to spend the week with her family there.

Greetings to Mrs. Elness and Mr. Pawlow who are at present in the hospital.

Mr. Roy Dillane returned home last Tuesday after spending about six weeks visiting relatives in Kansas and California.

Thanks to Mr. and Mrs. Earl Hardy of Holden who came on Saturday evening and showed slides.

Thursday afternoon we were very pleased to have the Irma Royal Purple ladies come and entertain and serve lunch to celebrate birthdays in March. Those celebrating their birthdays were Mr. Loveseth, Mr. Anderson, Mrs. Hodwell, Mr. Gibson, Mrs. Austin, Mr. Dillane and Mrs. Savage. Many thanks ladies for a most pleasant afternoon and the delicious lunch.

Mr. and Mrs. Hoines journeyed to Camrose on Sunday to visit with relatives.

Visitors at the lodge during the weeks included Anne Ek of Edmonton. Esther Ushakeston of Rimbey, Mr. L. Saltz of Irma, Nanna Nilson of Irma, Kitty Haggerup of Norway, Mrs. R. Unwoodie of Vegreville, Diane Pasnak of Edmonton, Carol and Wilfred Helgeland of Camrose, Mrs. D. Anderson of Tofield.

Bill and Marge Masson of Calgary were also among the visitors. Others were Betty Lowe and Jeannette and George Ferguson, Elaine and Lorne Ferguson and Joan Ferguson and girls of Vegreville, Joyce, Nicole and Courtney Hryden of Vegreville, Doris Likness and Elva Spring of Irma, Elsie and Hector Conrad of Edmonton, Shirley Cook, Heany Greenwood and Bet ty Hanson.

Alice Hoines and Cath erine and Ed Evans took in the Spring Tea and Handi craft Sale at the Homestead Lodge in Vegreville on Saturday afternoon. We will be quilting on Thursday, April 6th.

Everyone is welcome to join us on quilting day. We look forward to your com pany.

A.H.C. To Build Seniors Residence At Tofield

The Alberta Housing Corporation has been awarded a portation has awarded a $447,062.00 contract to Dra- later part of March.

gonda Construction Limited, Edmonton, for the construction of a 12 unit senior citizens self contained residence in Tofield. Tom Chalmers, Minister of Housing and Public Works made the announcement during the

Other bids submitted included Watson Tofield (1978) Limited $449,980.00; Masterpiece Construction Limited $479,890.00; Keller Construction Limited at $515,500.00 and Penner and Co. Western Limited at $524,000.00.

Construction of the new senior citizens residence is to commence in April and completion is scheduled for October of 1980.

Architecturally designed by Alberta Housing Corporation, in-house architects, the residence will be situated adjacent to the existing 44-bed Tofield Lodge. Amenities for this 12, one-bedroom unit project consist of laundry facilities, tenant parking, a combined lounge and kitchenette.

Eden and Paul Chrystian are pleased to have a new granddaughter. Last week Barbara and Harvey Chrystian became the parents of a baby girl.

Kathleen and Harry Schmaus are receiving congratulations on the birth of their first child on March 28, a son Jordan, 7 pounds, one and a half ounces.

The Alberta Housing Corporation is responsible for the capital costs of construction. Application will be made to Canada Mortgage and Housing Corporation to provide a subsidy towards the operating deficits.

Upon completion, the residence will be managed by the Town of Tofield.

Bruce & District News

On March 26, at 7:30 the Bruce 4-H Food Club held another regular meeting in the Bruce School.

We had a business meeting and we decided that for "Clean Up Day" we are going to try to clean seven miles of highway, going east.

"Clean Up Day" is on May 3 this year and is part of our regular year's activities.

For fun night we are going to go roller skating. The date set for this is May 8.

Foods I made popcorn, pumpkin bread and fruit snacks.

Foods II made cheesy celery casserole and antipasta. Before we ate, Sharon Koppel gave a talk on ways to use vegetable water. Then we ate, cleaned up and went home. S Koppel

Brent Kawaliiak is home again after spending a few days as a patient in the Viking hospital.

Harold Hissett spent the weekend in Vancouver where he participated in an Alberta Wheat Pool tour. A trip to Vancouver Island was part of his itinerary.

Mrs. Annie Laube was a patient in the Tofield Hospital for several days last week.

On Saturday, March 29, the Holden Fire Department was called to the farm home of Mr. and Mrs. Ben Lutz. The fire department volunteers arrived on time and no [illegible] were seen on the outside of the house.

Holden News

The Holden Brownies and Guides Strawberry Tea will be held on April 19th at the Masonic Hall from 2 until 4 p.m. Bazzar and bake items will be on sale along with our tea. Advance tickets are being sold by the Brownies and Guides.

Holden Kindergarten Parents will be holding an organizational meeting on Wednesday, April 9, 1980 at 7:30 p.m. in the Holden School Library. All parents with children in this age group are urged to attend this important meeting.

Mr. and Mrs. Leonard Laube and Mr. and Mrs. Ian Laube and their families are spending a week in Californaia, visiting Disneyland and other points.

Did you miss tax savings? Plan RSP to save in '80

By Frank Kaplan

It's never too soon to think about how to better manage savings.

Yet at this time of the year several million Canadians close their minds to the very mention of Registered Retirement Savings Plans -- RRSPs -- although billions of dollars of savings are involved.

This human reaction is understandable. The RRSP season is over, ending in 1980 on February 29. That was the deadline for setting aside savings under the federal government's incentive plan that protects the savings from immediate taxation.

Anyone who didn't take advantage of RSP provisions by the deadline is paying the full tax bite as they struggle through the 1979 income tax form.

Those who did take the time and trouble to learn how to benefit from the RSP provisions likely are counting a substantial refund of income taxes they already paid.

For those few who are not already familiar with Retirement Savings Plans, some pertinent details should be set aside for early action.

20% of earned income, up to a maximum of $5,500 may be set aside, free of tax, until some future time when money is withdrawn. The objective is to save money, earn income on the savings, and use the protected pool of investments much later when personal income might be very low for such a reason as retirement.

For those already in a pension plan, the maximum is $3,500 less the amount they contributed to the pension plan.

It is possible to contribute to an RSP for a spouse instead thereby dividing future income and tax.

Other sums of money can be added to an RSP without affecting contribution limits - for example pension payments from a former employer if a second career is undertaken.

The purpose in summarising some of these provisions here so soon after the deadline for the 1979 tax year has passed is to emphasize the importance of managing Retirement Savings Plans. For that matter, any saving or investment program requires continuing attention.

As for RSPs, this is a time to start saving for the next set-aside. Consider making monthly contributions. Why leave matters to the last minute when you may find that you have to borrow money. While the interest is a deductible expense for tax purposes, do you really want to pay interest at such high rates? Far better to receive, than give -- at least in this instance.

Time now is available to explore the hundreds of different ways of investing through RSPs. Costs and results -- the rates of return earned by your savings -- can vary considerably.

Explore possibilities of "spousal plans."

If you have a "self-administered" RSP where you direct each investment, a hard-nosed portfolio review is a good idea any time.

This column is prepared by Frank Kaplan, a prominent writer on Canadian business and finance, in association with the staff and information facilities of The Investment Funds Institute of Canada, which represents financial organizations investing more than $2.6 billion of the savings of almost 500,000 Canadians.

Village Of Holden Council Minutes

Minutes of the Regular Meeting of the Council of the Village of Holden held on Wednesday, March 19, 1980 in the Village Office.

Present were: Mayor Shykora, Councillors Giebelhaus, Stambaugh, Lemke, Danilak and Administrator Mackay.

Others: Reg Dolson, Kevin Stambaugh and Harry Christian from the Holden and District Chamber of Commerce.

The meeting was called to order by Mayor Shykora at 7:30 p.m.

Councillor Giebelhaus moved that the minutes of the February 20, 1980 meeting be adopted as printed. Carried.

Councillor Danilak moved that accounts paid in the amount of $16,678.74 be ratified. Carried.

Mayor Shykora moved that accounts in the amount of $4,090.84 be approved for payment. Carried.

Councillor Stambaugh moved that the monthly cash statement be adopted as presented. Carried.

Mayor Shykora moved that the record show that a Court of Revision was not required as the one appeal that had been made was withdrawn. Carried.

Councillor Lemke moved that Dodsworth, Dey, Fossen and Hary from Canyon be appointed auditors for the Village for the ensuing year. Carried.

Councillor Lemke moved that the action of Mayor Shykora and Councillor Stambaugh in agreeing to take over interim management of the Beaver Regional Arts Centre be ratified. Carried.

Moved by Councillor Giebelhaus that the action of the Mayor and Administrator in ordering the same format of financial statements as last year for distribution to taxpayers be ratified. Carried.

Councillor Stambaugh moved the 1979 Financial Statement be received and filed. Carried.

Councillor Danilak moved that the Mayor and Administrator be authorized to sign the easement prepared by the Village Lawyer affecting lot 13, Block 16, Plan 3949 owned by Waylin Consultants Ltd. Carried.

Councillor Lemke moved that the action of the Mayor and Administrator in giving approval to the Tofield Container Refund Centre to operate a mobile bottle depot within the Village be ratified. Carried.

Sewage lagoon sites were discussed.

Councillor Lemke moved that the Village apply for two students under the summer temporary employment program. Carried.

Correspondence was read from the Holden & District Chamber of Commerce re the future of the Ambulance in Holden. Moved by Councillor Giebelhaus that this correspondence be received and filed. Carried.

Councillor Stambaugh moved that the appointment of Councillor Giebelhaus to a committee to finalize the assets of the Regional Recreation Board be approved. Carried.

Councillor Danilak moved that the request by George Smythe for two month extension on his option to purchase lot 18, Block 21, Plan 419HW. be approved. Carried.

Mayor Shykora moved that the Administrator be authorized to hire an electrician to do electrical work required as a result of an inspection by Alberta Labour of the Village Garage. Carried.

Reg Dolson representing the Holden & District Chamber of Commerce attended the meeting at 8:45 p.m. to present information on a Village Forum for members of the community and surrounding area. This will be sponsored by the Chamber of Commerce in the future and Council representation was requested.

Councillor Stambaugh moved the minutes of the February 20 Management Group Meeting for Northview Manor be received and filed. Carried.

Councillor Danilak moved that account paid in the amount of $2,445.40 be ratified. Carried.

Councillor Giebelhaus moved that accounts in the amount of $271.13 be approved for payment. Carried.

Councillor Giebelhaus moved that the Monthly Cash Statement for the Beaver Regional Arts Centre be adopted as printed. Carried.

Mayor Shykora moved that the Administrator supply the Royal Bank of Canada with information re possible financing required in 1980. Carried.

Correspondence was read from Mary Lou Dolson regarding restricted of heavy trucks on 50 Avenue. Moved by Councillor Stambaugh that a letter be written to Mrs. Dolson indicating that Councils position has not changed on this matter. Carried.

Kevin Stambaugh and Harry Christian representing the Holden and District Chamber of Commerce attended the meeting at 9:00 p.m. to discuss ambulance service in the Village.

A meeting was set for Monday March 31 at 7:00 p.m. for the purpose of reviewing the proposed traffic by-law.

Councillor Danilak moved that the Administrator prepare a by-law for licensing of Businesses within the Village. Carried.

Councillor Lemke moved that the Holden Local Recreation Board Budget in the amount of $3,800.00 be approved. Carried.

Mayor Shykora moved that a street light on 51 Ave. as requested by B. Schweitzer and M. Jeffrey be authorized with the location being decided by the street committee. Carried.

Councillor Stambaugh moved that authorization of a street light at the water reservoir and pumphouse site be ratified. Carried.

Councillor Lemke moved that the Village renew its membership in Rural Development Project No. 4 for 1980 and that Councillor Giebelhaus be named as our representative. Carried.

1. Alberta Municipal Financing Corporation re amending by-laws to state interest rate not to exceed 16% per annum.
2. Letters from the Tofield and Viking Hospital Boards stating that ambulance service will be discussed at their next meetings.
3. Alberta Housing Corporation re review of the feasibility study for land banking.
4. Town of Viking re meeting March 20 to discuss recreation in the County.
5. Water reports February 25 and March 5, 1980.
6. Alberta Disaster Service re advanced rescue course.
7. Alberta Education re Public/Separate Apportionment of Federal Grants in lieu of taxes for school purposes.
8. Copies of letters from Podmore Engineering to Kraft Construction re the water reservoir and pumphouse.
9. Alberta Environment enclosing a cheque for $155,366.10, an advance of the Alberta Municipal Water Supply and Sewage Treatment Grant.
10. Podmore Engineering re tenders for curb and gutter and paving on 49 Ave.

Irma Co-op Assoc. Holds Annual Meeting

The annual membership meeting of the Irma Co-op Association was held in the Irma Legion Hall on Wednesday, March 26th at 1:30 p.m.

The meeting was called to order by the President Lawrence Savage with approximately two dozen members present, with a few members attending later.

The minutes of last year's meeting were read by the Secretary - Eddie Jackson and were dealt with after some questions were asked and answered.

The director's report which was wide ranging and quite comprehensive was read and discussed. Many questions were asked and answered.

The auditor's report and financial statement was gone over page by page. The President and Manager were called on to explain many facets of the statement. A motion to have a person from the auditor's office attend next year, to explain the statement, was defeated after the manager explained what the cost would likely be for this service.

A motion regarding a change in the method of paying out equities was moved and after being discussed, was left in the hands of the board to be dealt with.

The statement revealed that sales for 1979 were a record $1,010,750.00 up by $150,250.00 from 1978 sales of $860,500.00.

The Co-op manager Milt Fahner gave a lengthy verbal report in which he stated amongst many other items that the bank loan of $25,000 from the Bank of Montreal, was fully paid off. This loan had been secured by the managers signature. Milt thanked the members of his staff for their loyalty and co-operation. The board members for their record of attendance at board meetings and for their help and encouragement in dealing with the many problems were also thanked.

Milt expressed special thanks and appreciation to the Co-op members who had so faithfully supported their store in the past year. This support is essential to the success of any Co-op. The net savings for the year was $60,615.00 (6%) when income tax is deducted in the amount of $3,316.00 will leave $57,299.00 to be credited as dividends to the account of members, based on their patronage.

A motion of appreciation to the manager and staff and to the board was carried with applause.

A form from the Bank of Montreal setting out new procedures for borrowing was read and explained to the meeting. It gave authority to the board to borrow if necessary. A motion to approve this form was carried unanimously.

The retiring directors were Ralph Erickson and Ted Hill both of whom were nominated as were Ron Thurston and Gary Archibald. Ralph withdrew stating that he had served for twelve years and thought that someone else should have a chance to serve. He said that he had enjoyed his term in office.

The president called on Doreen Hill and Lorna Jackson to prepare and distribute ballots which they did. As a result of the vote, Ron Thurston and Ted Hill were elected for a period of three years.

Doreen Hill and Lorna Jackson were elected to serve as associate members of the board as well as Len Skori and Gary Archibald.

While the meeting was still in progress, the ladies served coffee and long johns. The meeting adjourned at about 4:30 in the afternoon.

By J. Jackson

Tax Refunds Will Take Eight To Ten Weeks

People expecting income tax refunds this year can expect to wait eight to ten weeks for their refund cheques because of a late start in processing at Revenue Canada's four Taxation Centres.

Computers began processing tax returns at the end of January this year rather than usual starting time of mid January due to delays in computer programming and the mailing of personalized tax returns.

Taxation's computers must be re-programmed every year to accept new items of legislation affecting tax returns. This year the computers had to be programmed a second time when legislation for the mortgage interest and property tax credit had not received approval when Parliament was dissolved December 14.

At that time the mailing of the 15 million personalized tax returns was also halted to allow for removal of the application for the mortgage interest and property tax credit (Schedule 11). About six million returns and schedules had already been mailed by mid-December but schedules were removed from the remaining nine million tax returns.

Even though some tax returns do contain the schedule and all returns have a line (64a) referring to the mortgage interest and property tax credit, people should ignore these references to the credit when filing their tax returns. The returns of people who attempt to claim the credit will be adjusted automatically to reject the claim.

The late start in the processing of tax returns will affect mainly early tax filers who mailed their tax returns before the end of January. Last year about two million returns were filed by January 31.

Most taxpayers must wait until they receive their information slips before they can file their tax returns. The deadline for most information slips, including the T4 (statement of income from employment), T5 (statement of interest income), T4RSP and T4RIF5P is February 28. Senior citizens or widows claiming the child tax credit had to wait for their T4OAS (Statement of old age security benefits) or T7A1 (statement of family allowance payments) which were mailed with their January old age security or family allowance cheques.

Without the required information slips the processing of tax returns is delayed at the Taxation Centres. About 500,000 taxpayers must be contacted by mail every year to supply information that is missing from their tax returns.

Wypout™ declares war on wild oats
You've been waging the war with wild oats for years. But it will take a powerful force to make a dent in the enemy's armour. Last year Uniroyal Chemical committed Wypout to the fight and in 1980 brings up the heavy reinforcements. Wypout 250—a hard-hitting, double strength formula which is going to make its presence felt very quickly.
Wypout and Wypout 250 are among the most economical post-emergence wild oat treatments available in Canada.
They provide growers with effective control before there is a chance of yield loss.
Wypout and Wypout 250—formidable allies in the war on wild oats.

Irma News And Views

The Irma Alliance Sunday School children are having a special Easter presentation on Easter Sunday, April 6, at 10:00 a.m. Everyone is welcome. Come and bring your children to Sunday School.

Brian Burr and some of his Calgary friends flew to Hawaii last week for a three week holiday in the sun.

Billy Mason and wife Margery from Calgary and Margery's mother, Mrs. Stan Coultman from Edmonton, visited in Viking and Irma last week.

Trudy and Bill Hold had a visit last week from Trudy's mother, Mrs. Fletcher and her sister Jody from Edmonton.

On Saturday evening March 29th, the Irma Midgets faced off against the Midgets from Wetaskiwin. After one period of good fast hockey with Irma on the top half of a 5 to 3 score, the game was called owing to the ice surface breaking up. The managers of both teams agreed that the ice was dangerous and they decided to quit before any injuries resulted. The ice plant had gone out of order earlier in the evening.

On Saturday afternoon, March 29th four Saskatchewan residents, friends of Agnes and Gunnar Larson, were introduced to those present at the Irma New Horizons Club. Mr. and Mrs. Harold Chute of Nokomis, Enid Watson Govan and Dennis Lawrence of Weyburn were on their way home after attending Super Rodeo in Edmonton.

Mr. Chute produced his violin and with his wife at the piano gave an impromptu concert. Agnes Larson who is a many time prize winning violinist also played a few lively tune. Our Saskatchewan visitors were favourably impressed by our Drop-In Centre.

Bob Jackson and wife Geraldine from Wetaskiwin spent the weekend with Bob's mother and father Lorna and Eddie and brother Howard.

Minnie and Jim Jackson had Ellen and John Armitage and Mr. Tom Shaw from Sedgwick call in on Saturday evening. Mary and Bert Armitage and Maureen also called. Gertie and Pete Funk from Wainwright came and spent a few hours visiting.

Echo-Rodino Report

Last Week

Donna Prosser of Edmonton was home for a few days.

The Prosser pool was the busiest place in the neighborhood this week as the pool was open to the community for swimming and donations were taken to be turned in to Falcon Enterprises in Wainwright. Many people took the time to go for a swim and help out for this worthy cause.

Rodino Hall was again the scene of a Bag Whist on Friday night. Nine tables of card players laughed the evening away as the various gifts were exchanged at the end of each hand.

The Holt family attended the Irma Aces Hockey banquet held at the Albert Community centre on Friday night.

Mr. and Mrs. George Forester of Loomis and Dave Atkinson and Ilene of Fort Saskatchewan were weekend visitors to the Mackoweski home.

Stacy Williams took part in the Ice Show held in Irma on Friday night.

Rita Greenwood of Edmonton visited with her family over the weekend.

Maurice Malderie, Lorraine Prosser and boys of Edmonton were weekend guests at the Prosser home. Douglas Prosser has stayed with his grandparents for this week as he has had spring break from school lessons.

Mr. and Mrs. Frank Saville and daughter of Red Deer popped in for a visit at the Hold home on Saturday.

Bob Williams braved the storm Sunday to travel to Wetaskiwin to meet Perry Mannington of Calgary who came to spend spring break with the Williams family and Grandma Hunter.

This Week

The snow storm over the weekend blocked roads and gave the children that attend Irma school an extra day to stay home and help their parents dig out from under the white fluffy stuff.

Bradley Day had the misfortune of cutting the end off his finger while helping Mrs Pyke of Viking clean the snow off her sidewalks with a snowblower.

Mr. and Mrs. Wes Bauer braved the road conditions on Monday and made a trip to Edmonton and repeated the trip again on Thursday.

Doreen Prosser and Yvonne Greenwood took in a Falcon Enterprises meeting in Wainwright. During the meeting Doreen announced that the Rodino Club was going to hold a Dine and Dance at the hall on april 18 to raise money to help Falcon Enterprises pay for their new building which has many advantages the old one did not have. They would be pleased to have anyone drop in and see the trainees at work any week day at their new location.

Mr. and Mrs. Tom Greenwood and Kelly travelled to Lloydminster where they visited the McAllister family and Kelly stayed to spend a few days holiday with her sister Trudy.

There is one brave lady in our neighborhood, Claudia Williams, who dressed in hockey equipment and joined the rest of the mothers that took on their sons in a very exciting hockey game in Irma on Wednesday afternoon. The game was lost to the boys after a great show on the part of the mothers.

Mr. and Mrs. Les Prosser and family took in a day at the Farm and Ranch Show in Edmonton.

Bob Williams sang at the Variety Concert in Irma on Friday night. Stacy and Robbie were also taking part in the concert with their classes from school.

Nerine Hunter and Florence Hollar travelled to Calgary to help prepare for the Gerald Hunter and Charlene Melnyk wedding this coming weekend.

Congratulations go to Mr. and Mrs. Mike Mackowski on the birth of their first grandson. The proud parents are Mr. and Mrs. Arne Gulbraa of Irma

Irma School News

The Irma School staff with the assistance of the parents hold a Red Cross Tea and Bake Sale on Saturday, March 29th in the Legion Hall.

A large crowd was on hand to enjoy the event and through the efforts of all concerned $265.00 was raised. A special attraction was an Easter Egg Cake, made and decorated by Mrs. Gale Sweeny. The beautiful cake was auctioned to the highest bidder with Mrs. Minnie Jackson giving the highest bid at $9.00 and taking home our Easter Egg. Thanks to everyone who helped make the tea so successful.

The Grade three class of the Irma School held a very successful Candy and Caramel Popcorn sale during the noon hour on Wednesday, March 26th. Their efforts raised a total of $75.75 for the Red Cross Youth Fund.

The class, with their teacher, Mrs. G. Astley, would like to give special thanks to all the mothers who so generously made the delicious candy.

Thursday, April 3, 1980

8:00 p.m. in the Civic Centre REGULAR MEETING Town Office Council Chambers

Battle River Women Of Unifarm Meet

Our regular meeting was held on March 5th at Isobel Fenton's home. We were disappointed to hear that a dental plan is not yet available.

Our Annual Conference will be held at the Albert Hall this year. This is open to anyone interested. A very interesting program has been lined up so mark your calendar for Thursday, April 17th.

Our group will be serving morning coffee as well as dinner so it will be a busy day.

We have a good supply of cookbooks on hand at $6.00 each. The price unfortunately went up the first of March so we must pass it along.

Our annual white elephant sale will be on April 2nd at Rita Pares. Visitors are most welcome at all our meetings. After handing our correspondence and sick and visiting reports we adjourned to have lunch while we planned our conference dinner menu.

Members are also reminded that we need handicraft items for the Conference and it would be greatly appreciated if it could be brought to the next meeting.

Miss Brenda Ruttle of Lloydminster spent the weekend with her grandparents, Mr. and Mrs. J. Lambert.

Mrs. Simmermon has returned from a months holiday spent with relatives in Edmonton, Delta, B.C., and Saskatoon.

Ladies of the O.O.R.P. visited with us on Wednesday evening. Mrs. Cockroft welcomed the group and Mrs. Allen Taylor took over as M.C. Several musical renditions by two competent artists - Mrs. Copeland as pianist and Allen Taylor with the saxophone, were thoroughly enjoyed. Mrs. Taylor conducted a reading which was followed by a sing-song of old favorites. A lovely lunch was served by the visitors and Happy Birthday sung to Art Larson, following which Mrs. Cockroft thanked the group for the enjoyable evening.

Mrs. Mildred Smith returned on Sunday from her holiday in Victoria.

Sunday guests with Mr. and Mrs. Hooper were their daughter and her husband, Mr. and Mrs. Semple of Wainwright.

Kitchen Safety

AVOID SERIOUS BURNS

Why do a slow burn over an accident that might have been prevented? Check the kitchen for possible hazards that could cause serious burns such as the following:

Teach young children that the heating units of a range can be hot until may still be hot even after the units are turned off.

If grease in nonelectrical cookware catches fire, smother the fire with a lid.

USED TRACTORS

3 - 106 White	$22,000
4 - 180 White	$34,500
1750 C.P.E.	$5,800
1800 C.P.E.	$3,900
1370 Case	$26,500
G VI M.M.	$2,595
95 Massey	$1,800
AC No. 45 and loader	$1,250

From reed to diamond:
A history of the engagement ring

The engagement ring is the oldest of all bridal customs – older than the wedding veil or the floral bouquet, showers of rice, or old shoes. It is even older than the wedding band, for in many ancient cultures, the ring was presented before the ceremony itself.

The first betrothal rings bore no resemblance to the beautiful diamond rings which symbolize 74% of all engagements in Canada today. In primitive times, plaited grasses were tied around the finger to symbolize the groom's ownership of his bride – probably a carry-over from the early custom of tying her ankles and wrists with sweet grass to prevent her from running away.

Later rings were made of leather, stone, animal bones, and finally hand-wrought metals. The first embellishments were simple signets or symbols, and it wasn't until the 15th century that diamonds were introduced.

The diamond, too, is as much a symbol as it is a thing of beauty. The hardest substance known to man, and virtually imperishable, it represents invincible strength and endurance; and its mysterious fire and brilliance has come to be associated with the inexplicable magic of love.

Since its introduction, the diamond engagement ring, like anything which is worn on the human form, has been subject to whims of fashion. From colonial days on, any diamond ring worn by a lady on her left hand denoted matrimonial intent, but the predominant style of the day has been distinctive change through the years.

The *Cluster Ring* was a common symbol of engagement in Martha Washington's day. A cluster of diamonds represented an old fashioned floral bouquet with small rose-cut diamonds arranged like petals around a larger centre stone.

The *Marquise Cluster*, a long pointed oval of diamonds, created in the time of Louis XVI, was fashionable for 150 years. More popular today is the marquise solitaire, a single stone cut in the marquise shape.

The *Diamond Hoop* is recorded throughout Colonial history. It looks to us like a wedding band because its row of small diamonds encircles the finger, but in earlier times it was an engagement symbol referred to as a "keeper ring." When the wide, engraved wedding band was presented, this ring was slipped on the outside to "keep" it.

The *Victorian Engagement Ring* was generally more ornate, with diamonds set off by black enamel and yellow gold. Lapidary skills were being further developed at this time, due in part to the vast new supply of diamonds discovered in South Africa in the 1860's. This was the beginning of a new age in diamond cutting.

The *Princess Ring* is the English style engagement ring and was the vogue in our country until the arrival of the solitaire. The princess has three to five sizable diamonds in a straight row across the top of the finger. One typical example, called the Prince of Wales setting, displays diamonds between curls of metal which represent ostrich feathers.

The *Solitaire*, meaning a single diamond, has been, for most of this century, the most popular engagement ring, although the setting itself has varied from plain metal prongs to elaborate filigree basketwork. Today's bride favours a simple, classic setting which shows her diamond to its best advantage.

The shape of the solitaire may be the round "brilliant" cut, the rectangular emerald cut, the pear shape, the marquise, oval, heartshape, or square. Studies show that the round brilliant is still the first choice of Canadian brides, but that the "fancy shapes" are growing in popularity. A new development which offers yet another option is the invention of the "Radiant Cut," a combination of the emerald cut's rectangular shape with the brilliant faceting of the round cut.

Beaver Handling Course Held

The following is a report on the first Beaver Handling course held on Friday, February 22, at 7:00 p.m. in Viking.

The course was sponsored by Nature Cost Lures and Baits.

Dan Leidl gave the opening remarks and followed with an introduction of guest Dave England, the district Fish and Wildlife Officer from Vegreville, Alberta.

Other speakers included Mr. and Mrs. Jim Halforester of the Ontario Trappers Association, Mr. Don Currie from Westlock and Mrs. Mary Leidl. Each then spoke on their own type of business.

Mr. Dave England gave a short talk on trapping regulations.

Mr. Jim Halforester gave a brief talk on the Ontario Trappers Association. He also encouraged and instructed those present on how to ship furs through the Edmonton Depot to the O.T.A. at North Bay, Ontario.

Mr. Don Currie followed with a brief talk on the Alberta Trappers Central Association. He also encouraged Viking interests to set up a local trappers association.

A skinning demonstration was then conducted with many pointers being given.

After the fur handling there was a lengthy discussion on the various aspects of the trapping trade after which the students and guests mingled over a table of trapping supplies.

History Writing Workshop To Be Held

Anyone in northeastern Alberta interested in learning from the experts how to research, write, edit and publish a history of their area is invited to attend Alberta Culture's Workshop on Writing Regional History April 25 and 26 at ACFA de Bonnyville Offices in Bonnyville.

A $10 registration fee includes coffee, all the seminars during the day and a half, and lunch. The Workshop is co-sponsored by The Bonnyville Historical Society.

"The importance of community history cannot be underestimated" said John Patrick Gillese, Director of Alberta Culture's Film and Literary Arts Branch. "

"By bringing recognized professionals to workshops like these, we hope to make the way smoother for individuals and groups who are thinking of undertaking a regional history project."

The resource people include Lois Nichols, co-editor of Land of Red and White, James Parker, Archivist, University of Alberta, Judy Lindenas, Alberta Culture and a representative from New Horizons.

Topics such as the selection of a printer, promoting sales of your publication and the importance of good editing; organization of your materials and getting financial assistance will be highlighted during this Workshop.

Advance registration is required before April 21st, 1980. For more information and application forms write or call: Alberta Culture Neville Sokol, Regional Representative, P. O. Box 2460, St. Paul, Alberta. T0A 3A0 Telephone: 645-4475

Accident Fund Increases

Owners of motor vehicles and certain off-highway vehicles will be asked this year to pay $2.00 more when renewing their 1980 licences.

The $2.00 increase on all motor vehicles will go into the Alberta Motor Vehicle Accident Claims Fund which is administered by the Department of the Attorney General. The fund now pays claims up to $100,000 for personal injury and property damage when the person responsible cannot be located or the person suffering the damages cannot collect.

The last increase occurred in February of 1977 when the contribution to the fund was raised from $1.00 to $3.00 per vehicle. The 1977 increase was the first in 20 years. The fund commenced operation in 1947.

Since 1947, the Fund has paid over $42 million in claims for personal injury, property damage, hospital, medical and ambulance charges, auto repairs and other costs which have risen substantially in the past few years.

Soil Testing Makes Sense

In a recent news release from Agriculture Canada we are advised that soil testing can tell a farmer when to add fertilizer to his land. But it can also tell him when to leave well enough alone.

Wally Findlay of Agriculture Canada in Ottawa, Ontario, Research Station has been studying fertilizer recommendations based on soil tests. He says that where fertilizers have been used for many years, further applications sometimes waste money and damage the environment.

Dr. Findlay says soil testing is the best way to determine the needs of the soil. For farmers with crop problems last year soil samples should be analyzed in the spring. But, for long-term soil-farm soil management, testing is best done in the fall.

Bruce Community Pioneer Passes

On the morning of March 17th, 1980, the Bruce community was saddened to hear of the sudden passing, at his home, of Andrew Edward Erickson, one of its widely known and beloved old-timers.

On the afternoon of March 21st, 1980, many relatives, friends, neighbors and acquaintances gathered in the Bruce Community Centre to pay their last respects to Andrew.

Pastor Tim Johnson from the Golden Valley Lutheran Church, Viking, a recent acquaintance of Andrew and his wife Sigrid, gave a most comforting and consoling and comforting message to all those who attended.

The congregation sang "What a Friend We Have in Jesus", a favorite hymn of Andrew's, as well as "How Great Thou art", originally a Swedish hymn. Stan Sorenson, accompanied by Bud Hammermaster on the organ, sang the beautiful hymn, "The Old Rugged Cross".

The pallbearers were Irvin Frederick, Harold Hiscott, Ed McKinney, Robert McMorran, Karl Otto and Ray Pearson, all good friends of the deceased. Vaughn and Arnold Hansen played "Amazing Grace" on the organ and piano, which on a previous occasion Andrew had expressed as his favorite, at the completion of the funeral service.

Andrew Edward Erickson, the eldest son of Erik and Anna Larsson was born October 3, 1905 in Gagnef, Dalarna, Sweden.

He served for a time in the Swedish Army, under conscription, before coming to Canada. Upon arrival in Canada in 1926, he first worked in Winnipeg, and finally, in the year 1928, settled permanently in the Bruce area.

When he came to Bruce, he worked for Ole Erickson, whose eldest child, Sigrid Evylin Erickson, became Andrew's wife on August 23, 1935. Andrew and Sigrid then became a permanent family in the Bruce area. To this union three sons were born, the eldest of whom died in infancy.

Ronald started banking in the Bruce community, as well as helping on the family farm for many years before marrying and moving to Viking. His interest in the farm still persists, however.

Morris joined his parents in the mixed farming business and will continue to carry on the family farm operation.

Andrew's interests lay mainly in the well-being, prosperity and encouragement of his family, the successful operation of the farm and the welfare of the community of Bruce.

His three grandchildren were very fond of him and he in turn was justly proud of their achievements.

He took great pride in his farm, which, with the help of his wife Sigrid and his son Morris, grew into a sizable operation.

Anyone at any time, if in need of assistance of any kind, could come to Andrew and Sigrid's and enjoy their always open door and warm hospitality. His genuine interest in the well-being of his many relatives, friends and acquaintances will be greatly missed.

Andrew is survived by his loving wife Sigrid, his son Ronald, wife wilma and daughter Denise; Morris, wife Paulette and children Ian and Trudy and a brother Erik in Sweden.

He was predeceased by his parents Erik and Anna Larsson, his infant son Gordon in 1937, and a sister Anna Hendricks in Sweden in 1975.

Frank Baska Passes

Frank Baska passed away on February 17, 1980 at the Provost Hospital.

He was born in Harskut, Hungary now known as Kipsvnik, Czechoslavakia on August 26, 1900. Frank was the youngest member of a family of three boys and one girl.

As a youngster, he worked as a herdsmen and was on his own by the age of twelve, his parents having passed away.

In 1926 he joined his brother John in Alberta. Frank married Irene Salamon in the Wainwright Catholic Church on August 20, 1928. To this union three children were born. He and his wife settled near Irma in the Strawberry Plains School District and for a few years farmed there. Later, they moved to the Silver Lake District.

After 41 years of farming, they retired and moved to Hardisty. Irene suffered a severe stroke in February of 1978. In November, Frank moved to the Provost Senior Citizens Lodge where he lived until his passing.

Frank leaves to mourn his passing one son Charlie and daughter-in-law Mary, two daughters Mrs. (Robert) Helen Bell of Irma and Mrs. Annie Jahasz and son-in-law Albin of Fort Saskatchewan. He is also survived by six grandsons and two granddaughters: Patrick and Kevin Baska, John, Leslie, Albin Jr. and Mary Ann Jahasz, David and Sandra Lee Bell, Laura and Dennis Bird, two great-grandchildren Shawn Bird and Arlne Bell, a niece Emma Salamon of Edmonton, one brother-in-law John Salamon of Hardisty together with numerous nieces, nephews and relatives in Alberta, New Jersey and Czechoslavakia.

Frank was predeceased by his loving wife Irene and a son-in-law, Robert both in June of 1979. He was also predeceased by his brothers Steve of New Jersey, John of Provost and a sister Helen of Czechoslavakia.

Friendly Visiting For Viking

Friendly visiting is a program in which volunteers, particularly teens, visit senior citizens who can not get around very well.

The volunteers could go either to the lodge, nursing home or to the homes of seniors and visit with them. These visits would help the seniors to keep in contact with their community and could be a benefit to both the senior citizens and to the visitor.

Such a service could provide a good opportunity for the seniors and volunteers to interact and learn from each other. Sometimes just a phone call on a regular basis is all that is needed. This type of service would not cost the senior citizens anything.

Also, if a person is leaving the Viking and wanting a visitor they could contact such a service and arrange for someone to come or call on a regular basis.

For a handyman service, there would be a charge for work done.

To set up a Friendly visiting service, volunteers are required both to help in organizing the program and to do the visiting. Another essential is senior citizens who want to be visited.

Preventive Social Service is looking at the possibilities of establishing a Friendly Visiting program. If you are interested in any aspect of this program please give Deborah Tayler a call at 336-4024, or drop into the P.S.S. office which is located next to the Viking Fire Hall, in the same building.

By Kevin Stephenson
P.S.S. Volunteer

The Spider

To eat, a Spider weaves a trap
Designed to catch a fly.
Just anywhere upon a map
Death to a hopeless flyer by.

Plump is its body, small the brain
Inventing such a trick.
What genius can't explain..
How it is done - efficient, quick.

A mirror of creations wonder,
Part of the world in which we live
Yet of a magnitude to ponder
Its diverse aspects relative.

F. Gommeringer.

FARM AUCTION
HAVING BEEN FAVOURED WITH INSTRUCTIONS FROM

April 27 Sunday Service — 11:00 a.m.

Progressive Farming

I attended the Forage Symposium at Glenn, sponsored by the Lakeland Forage Association. I found the meeting very informative. Some of the following points were discussed:

Meadow Foxtail - This grass seems to be very early maturing with remarkable cold-hardiness. It is one of the earliest grasses to be ready for spring grazing and lasts well into the fall. Seed is light and fluffy and costs are therefore high. Perhaps this forage will someday figure prominently in our pastures.

Blunt Sweetclover - Rem Hewarth, from the University of Saskatoon has been working on developing a new strain of alfalfa which will be blunt free. He bases his research on selecting strains of alfalfa which are digested more slowly in the animal's rumen during the first few hours. Blunt is caused from certain proteins within the cells of alfalfa which will rupture in the rumen and cause a gaseous bulging or bloat. By selecting a strain of alfalfa more slowly digested, this release of protein will be slower thus not promoting bloat.

Fertilizing Forages - One of the most efficient stands of forages involves a mixture of alfalfa with a grass, preferably grass with growth characteristics similar to alfalfa eg. timothy, orchardgrass, or meadow bromes.

The best combination of fertilization for a mixture would then be a mixture of N & P2 O6. The alfalfa needs the P2 O6 and the grass needs the N. Current research indicates the best placement of P2 O6 in an alfalfa stand is side-banding it, one inch below the seed when establishing the stand.

Roller application of Herbicide - Last year Round-up was applied, experimentally with a roller applicant mounted on a swather. The principle is based on the selectivity of height differences. As an example - controlling the high weeds in a low crop - wild oats in flax.

The herbicide is sprayed onto a roller which turns and contacts the weeds at a certain height which is determined by the height of the roller. All weeds contacted by Round-up either die or are damaged. The solution is about 5 per cent of Round-up and costs about $67.00 per acre. I can see some real applications for this method for controlling weeds in forages and pastures.

If there are any questions on the above topics feel free to contact the office. By the way if anyone is interested in leafcutter bees, there will be a meeting on these at Vermilion.

Low - Slow Cooking

Be it ever so humble, there is nothing like a bean. It's economical, nutritious and can be kept on the shelf at least a year and be just as good.

Navy beans are the small, oval shaped white beans. They hold their shape even when cooked tender and are the main ingredient for a pot of old fashioned baked beans.

Soak the beans overnite, or quick soak them by slowly bringing to a boil, boil gently for 2 min., remove from heat and let stand 1 hour. The beans are now ready for the bean pot.

Always bake beans slowly to make them tender and moist 6 to 7 hrs. at 120 degrees C. Leftovers can be frozen up to 6 months.

One important caution when baking beans. Beans will not soften if an acid is present in the mixture. So if a recipe calls for tomato paste, ketchup or anything acid, be sure it is added after the beans have softened. If an acid is added early, the beans will stay hard and there is no way to reverse this process.

Hard water will also affect your pot of beans. If you have particularly hard water, use distilled water, or melt clean snow for use in your recipe.

Growth in value, income Investment Funds record

By Frank Kaplan

Investment Funds in 1979 had the best year in a decade judging by the recently-completed statistical compilation of the Investment Funds Institute of Canada.

The broad data shows that 83 Funds with assets of more than $2.6 billion, the highest level since 1969. Giant-size figures in the billions can be intimidating. In the case of the Funds, such huge amounts can obscure an important point - the fact that Investment Funds are pools of modest savings of individuals.

It's the old story of the little grains of sand coming together to create a beach. Investment Funds are owned by the people who contribute savings. Ownership is in proportion to the amount of money each person has invested. These individual amounts are pooled and are managed or invested by financial industry professionals.

That's quite different from saving through other financial industry mechanisms. For example, saving money in a bank doesn't mean you own any part of that bank.

To appreciate the fact that Investment Funds are used by the proverbial "little man", consider that those total assets of $2.6 billion are owned by almost 500,000 people.

The average account at the end of 1979 was a modest $5,012 barely the price of a new car these days.

Yet the modest average account is the highest level ever in the Investment Fund statistics which go back 28 years.

Another interesting statistical fact is that the average amount of assets held by an individual investing in the Funds has increased by over 30% from 1978. Look back a few years to 1974, and the average holding is up 128% from $2 636.

Undoubtedly one influence on the growth of the individual investment in the past year has been the advance in the Canadian stock market.

Of the $2.6 billion of total assets, almost $1 billion or about 35% was invested in shares of Canadian companies.

Sales of the Funds have also been increasing. They're running, about 80% higher than in 1976.

Possibly one lesson for this trend of increasing use of Investment Funds as a vehicle for saving and investment is a pattern of strongly rising dividends paid or credited to Fund shareholders.

In 1979, dividends distributed exceeded $132 million and were up a sharp 35% from the previous year. That amount breaks down to about $300 for each account. The trend in dividend distributions has been upwards since 1972 when about $70 was the amount on an average account of $3,915.

Interesting to note too that the total of dividend distributions in 1979 is 173% higher than 1972 distributions.

All in all, the Investment Fund approach to managing money seems to work well in these two key objectives of any investment program -- achieving growth in the value of the investment and increasing the flow of income.

●●●

This column is prepared by Frank Kaplan, a prominent writer on Canadian business and finance, in association with the staff and information facilities of The Investment Funds Institute of Canada, which represents financial organizations investing more than $2.5 billion of the savings of almost 500,000 Canadians.

Card of Thanks

I would like to thank all those that bought tickets for me while I was running for Carnival Queen and a special thanks to those who made a great effort to sell tickets for me. I would like to thank the Irma Figure Skating Club for the lovely gifts and trophies I received. Thanks a lot to everyone. Carrie Lien

CARD OF THANKS

I would like to thank the doctors and all the girls at the Viking Hospital for their care and attention during my stay with them. The many visitors and cards were appreciated too. Ashley Murray 8c

CARD OF THANKS

We wish to express our sincere thanks to our friends and neighbors who sympathized with us in our recent bereavement of our father and grandfather. For your prayers, mass offerings, memorial donations, floral tributes, cards and visits; to the C.W.L. for the lovely lunch served after the service and to all who expressed sympathy. A special thank you to Rev. Father Perron and Father Paul Kueffer for their kindness and pastoral visits during his illness; to Dr. G. Cahill of Hardisty General Hospital and Dr. Cruz of Viking and Acton of Provost; to all the nurses and staff that took care of him; to the choir and Mrs. Elsie Lechner, the organist Mrs. Wilf Buelow, the pallbearers and to Gregory's Funeral Home for their assistance. Words cannot express how much we appreciated the kindness shown us and have made this sad time more bearable. May God bless you all. Charlie, Helen, Annie and families 8c

The family of the late Andrew Edward Erickson would like to extend a sincere thank you to all their acquaintances, friends, neighbors, and relatives for the thoughtfulness, kindness and help received during the recent loss of their dear husband, father and grandfather. We especially wish to thank the doctors and staff of the Viking Municipal Hospital; the ambulance driver, Pastor Tim Johnson for his consoling message and visits to the family, Ron Hammermaster, the organist, and Stan Sorenson the soloist, the Hanson boys, Ronaghan's Funeral Home for their assistance, the senders of sympathy cards, telegrams, letters, telephone calls, floral tributes and charitable donations, the personal condolences received at the funeral and our homes. A special thank you to the Rescue Squad for the excellent lunch served after the funeral, those that brought food to our house, and everyone that helped in any way to make this most difficult time more bearable for us. We will always remember your gracious acts of kindness, so freely given during this time of our bereavement. Sincerely Sigrid Erickson, Ron, Wilma and Denise Erickson. Morris Paulette, Ian and Trudy Erickson 8 p

In Memoriam

In loving memory of *Ethel Dezor* who passed away April 5, 1979, as she wished to be remembered.
Do not stand at my grave and weep;
I am not there, I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on snow.
I am the sunlight on ripened grain,
I am the gentle autumn's rain.
When you awaken in the morning's hush,
I am the swiftly up-lifting rush.
Of quiet birds in circled flight.
I am the soft stars that shine by night.
Do not stand at my grave and cry;
I am not there. I did not die.
Sadly missed and always remembered by Mallie, Cliff, Karen and grand children Jo-Anne, Lynne, Percy, John and Sandra. 8 p

Barry Bruce Rink Wins Bruce Family Fun Spiel

The curling season in Bruce ended officially on Friday evening, March 28 when the Barry Bruce rink won the annual Family Fun Bonspiel by defeating a rink skipped by Bud Hammermaster.

During the evening a potluck supper was enjoyed by more than a hundred people. As usual, the response to this bonspiel was enthusiastic with sixteen rinks participating.

The ages of the curlers ranged from six to sixty plus years. The Kraus family rink was unique in that it had five curlers, with the two youngest members throwing one rock each.

The second event was taken by the Malowany rink skipped by Hank Field and the third event was won by the Dewart rink.

During the evening Lillian Tonks was presented with a gift; Lillian has been the "soup-maker" for the snack bar for the past two years.

Following is a list of winners in the three events.

A Event
1. Barry Bruce
2. Bud Hammermaster
3. Merv Zemlak
4. Rod Tkaczyk

B Event
1. Paul Malowany
2. Wayne Thirsk
3. Sam Field
4. Dennis Chrystian

C Event
1. Gerald Dewart
2. Larry Kraus
3. Vernon Pratt
4. Bruce Kawalilak

Winners of the "A" Event in the Bruce Family Fun Bonspiel. (left to right:) Barry Bruce, skip; Dwayne Marciskoski, third; Bob Bruce, second; Jackie Bruce, lead.

Winners of the "B" Event in the Bruce Family Fun Bonspiel. (left to right:) Dean Malowany, lead; Hank Field, skip; Kim Malowany, second; Paul Malowany, third.

Winners of the "C" Event in the Bruce Family Fun Bonspiel. (left to right:) Tracy Dewart, lead; Neil Dewart, skip; Gerald Dewart, third; Kary Dewart, second.

Outstanding Alberta Harness Horses Honored

Eight "Champion Performers of 1979" were selected and honoured at the third annual Harness Horse Awards night held at the MacDonald on Saturday, March 29.

"Mutatis Mutandis" owned by Wayne Clouston of Viking was selected from among thirteen finalists in the Claimer of the Year category. The 4 year old bay mare, claimed in June of 1979 had a lifetime race record of 2 wins, 2 seconds and 3 thirds for earnings of just over $15 hundred with her fastest mile in 1978 clocked at 2:11. However in the early part of 1979 she showed promise and had lowered her mark to 2:06.4 when Clouston claimed her.

In six short months she had paced her way into many a winner's circle and onto the sports pages of the Journal, the Sun, the Herald and the Albertan. She tallied a score of five consecutive wins, each time moving into tougher competition.

At the end of 1979 Mutatis Mutandis had paced the mile in 2:02.3 recording 11 wins, 5 seconds, and 3 thirds for earnings near $17,000.00. Following the announcement of the winner, Terry Cavanagh, Director of Public Relations for the City of Edmonton congratulated the owner and his driver and presented an original portrait of the "1979 Champion" by artist Wendy Risdale of Tofield.

Jim Rogers stable, formerly of Viking had a "1979 Champion" in his 5 year old black gelding, born and raised on his farm northeast of town. The story of Herbert Dundee is a "fairy-tale"

Attempts to make a race horse of this one over a span of two or three years had been futile. Before turning him out for the last time, Rogers entered him in a qualifying race...he again showed promise. He entered the horse in an official race, Herbert Dundee walked away with a win in a respectable time of 2:06 and never looked back until he had won a series of eight consecutive races. By this time he was racing against the best and had equalled the existing track record for consecutive wins on an Alberta track.

On Awards Night we find Herbert Dundee nominated as outstanding performer in two separate classes "Best Alberta Bred" and "Aged (4 year old and up) Gelding, Colt or Horse". In addition the Jim Rogers Standardbred Farm was nominated for the "Breeder of the Year" award. The judges selected Herbert Dundee from among five finalists and Jim Rodgers was presented with the "Best Alberta Bred Award". His record shows 12 wins, 1 second and 2 thirds in 29 starts for purse money of over 17 thousand dollars.

A total of sixteen nominators across Alberta, representing racetrack management, horsemen, officials, and media members in both Calgary and Edmonton, voted in secret ballot for their choices.

Action in the Provincial Midget C Championship game on Sunday night saw the Coronation team (in white) lose by a score of 9 to 5 to the Grimshaw Midgets. Staff Photo

Viking Midgets Enjoy Success In Tournament

This past weekend found the local Midget team in provincial play as they hosted the Midget C Tournament.

In the first game Viking met Sylvan Lake. This game saw end to end hockey, but with a good many saves by both goalies, the first and second periods remained scoreless.

The third period had the same kind of action and it looked like the game might go into overtime, but then with only eight minutes left in the game, Kevin Maxwell scored with assists going to Murray Josephison and David Darling.

The boys then held Sylvan Lake off the scoreboard and at the sound of the final buzzer, Viking had won by a 1-0 score. The Most Valuable Player award for Viking went to goalie Scott Brower.

Saturday saw the boys take on their old Provincial rivals from Grimshaw. The game was only 8 seconds old when Kevin Maxwell scored an unassisted goal to give the boys a 1-0 lead. This lead did not last long. Grimshaw came back and scored four goals to have a 4-1 edge. The second period found both teams scoring a pair of goals. These goals went to Murray Josephison and David Darling. Joseph Wincura and Curtis Quattek both drew assists.

In the third period, Grimshaw again scored on their chances, picking up four goals to Viking's single. The lone goal for the Viking team was scored by Allan Evans with Murray Josephison assisting.

At the final buzzer, Grimshaw got their revenge by defeating Viking 10-4. This loss put the Viking boys in a tough position for a spot in the final.

The Most Valuable Player award for the Viking team was received by David Derling.

Sunday's game saw the boys play Bow Island in a game that had only the teams pride at stake. Due to a Grimshaw victory that day which gave Grimshaw a 3 and 0 record and an automatic berth to the final.

When the first puck was dropped, the boys came out really skating and checking well and at the end of the first period they had a 4 to 1 lead.

Scoring for Viking were Glen McGinitie with two while David Darling and Allan Evans each scored one. Eugene Miskew, Doug Brower, Richard Lefsrud and Scott Taylor drew assists. The second period saw the boys give a very good effort, outscoring Bow Island 3 to 2. Allan Evans scored a pair giving hime 3 for this game while David Darling scored an unassisted goal. Kirk Maxwell, Richard Lefsrud and Kevin Maxwell drew assists.

In the third both teams slowed their pace a little but still provided the fans with good hockey. Both teams traded one goal, Viking's came off the stick of Kevin Maxwell with Allan Evans and Richard Lefsrud assisting.

When the final buzzer sounded, Viking had defeated Bow Island by a score of 8 to 4. The Most Valuable Player award in the game went to Allan Evans.

With this victory, the Viking Midgets had a 2 win and 1 loss record, which was second best in their division. With the game over, it concluded the season for the Viking boys. The two victories in that calibre of tournament proved very satisfying for the team. On behalf of the players and team management, we would like to express our appreciation for all the support we received from our community during the season and especially for the terrific support during the Provincial Tournament.

Viking Hosts Second Annual Badminton Tournament

During this past weekend Viking Badminton Club hosted it's 2nd Annual Badminton Tournament at the Viking School. President of the club, Tommy Harray, presents first place in the Men's Doubles to Sammy Pon (left) and Walter Stefanik (right). Staff Photo

Third place winners in Mixed Doubles were Eva and David Ho of Irma with president Tommy Harray presenting the trophy. Staff Photo

First place honors in the Mixed Doubles went to Alana Fouts and Walter Stefanik, both of Viking. Staff Photo

The Viking Badminton Club held its Second Annual Tournament on Sunday, March 30th with participants from Neilberg, Saskatchewan, Irma, Wainwright, Tofield, Camrose, Vegreville, Sherwood Park and Viking.

Competition commenced at 9:30 a.m. and was keen throughout the day. The tournament consisted of a double knock out system. There were a total of ten entries in the Men's Double and Ladies Double competitions and a schedule of 18 entries in the Mixed Doubles.

Free lunch was provided by members of the host team throughout the day.

The entire tournament was well organized and although most of the competitors offered good sportsmanship along with good badminton, one individual was lacking in this quality.

The competitions drew to a close with the final in the Men's Double division going at 9:00 p.m. The eventual winners are as follows:

Men's Doubles
1. Walter Stefanik
Sam Pon — Viking
2. Tim Kelly
Kevan Lever — Viking
3. Brian Ching
Ping Tan — Sherwood Park

Ladie's Doubles
1. Linda Jenkins
Laurie Wiles — Camrose
2. Donna Barnes
Donna Kearn — Camrose
3. Doris Fouts
Alana Fouts — Viking

Mixed Doubles
1. Walter Stefanik
Alana Fouts — Viking
2. Dennis Chase
Liz Erickson — Irma
3. Dave Ho
Eva Ho — Irma

Placing third in the Ladies' Doubles were Alana (left) and Doris (right) Fouts of Viking. Staff Photo

Winners of second place in Mixed Doubles competition were Liz Erickson and Dennis Chase from Irma. Staff Photo

Irma Figure Skating News

On Tuesday, March 25, the Irma Figure Skating Club held a Wind-Up meeting for the 1979-80 season.

There was a good representation of mothers in attendance. Secretary, Carol Creasy read the correspondence. A thank-you card from president Faye Lien thanking everyone for their help during her term of office was received.

A letter was received from the Agricultural Society asking for assistance in sharing the cost of an edger.

It was decided a donation will be made to the edger fund when our finances are more stabilized.

The treasurer, Lucille Meakins gave an account of the finances. Jim Beer was on hand and president Faye Lien took the opportunity to present him with his $100 cheque won at our ice show.

Gordon Mark won the $50 prize.

There was some lengthy discussion on badges and the professional teachers. The girls who had been tested for figure and dance three badges will be tested again according to club procedure.

Our club will be looking for a teacher with at least 5th year figures for the 1980-81 season. The subject of renting costumes was discussed. it was felt that we needed a small charge to help with the maintenance. And also to help replenish our funds which are paid out for renting the costumes. A fee of 50 cents per costume and and overall charge of $5.00 was decided upon.

Dinny Levig, Lyan Prior and Carol Prior volunteered as the nominating committee for the 1980-81 executive. A recommendation was made that the new executive appoint committees for the 1981 ice show early in the season.

Pictures and a write-up on our ice show will hopefully be available for next week.

Irma Pee Wees Win Final Game

The last game of the season for the Irma Pee Wees was played on March 29th which was Minor Hockey Day in Irma.

Minor Hockey Day found the Irma Pee Wees play host to Hughenden. This was a game well played by both sides with Irma coming out on top with a 5-4 score.

Doug Fischer scored two with Ronnie Boomhower, Tim Ford and Darcy Lemieux each getting one. Assisting on the goals were Tim Ford, Randy Ganie, Lorne Firkus and Robert Holt.

Penalties in this final game of the season were awarded to Randy Kellar - two minutes for roughing and Tim Ford - two minutes for tripping.

Administrators Propose County Ambulance Service

At the regular April Viking Town Council meeting the administrators of the Viking and Tofield hospitals presented an agreement advocating a County ambulance service.

Rod Krippes of Viking and Don Roth of Tofield proposed that the ambulance service be charged from a basically hospital district service to a County-wide service.

The draft agreement calls for the establishment of a Board of Directors consisting of one representative from each of the Towns and Villages, two from the County of Beaver, and each of the hospital administrators. This Board will govern the operation of the new ambulance service under the direction of their respective Councils who are to be the signatories to the agreement.

The administrators proposed that four ambulances be maintained, with two stationed at each of the hospitals in the County. Presently, there is one ambulance in each of Tofield, Holden and Viking. The Administrators said that the Holden ambulance was in poor condition. They noted the accessibility of trained personnel at each of the hospitals to man the ambulances if attendants were not available. Mr. Roth felt that a new Government Act will require properly trained personnel in each ambulance thus giving weight to their hospital base.

The proposed agreement calls for the various municipal councils to be responsible for the supplying of the ambulances, and for any operational deficits which may arise. Calculations of financial responsibility are proposed on an equalized assessment basis.

Each of the hospitals will be responsible for housing and maintaining the ambulances, and for obtaining qualified staff in order to provide proper service. The hospitals will also be required to collect all charges from users of the service. Rates for such service are to be based on the recommendations of the Alberta Ambulance Operators Association.

The proposed agreement also requires that all parties give a full years notice if they wish to terminate the agreement.

In discussion on the proposal, it was noted that the

Calves are rapidly arriving at Gleneon Simmentals south of Viking and on farms throughout the area. Staff Photo

Police Seek Town-Supported Help

Corporal Duncan Will of the Viking Detachment of the R.C.M.P. presented a formal request to the Viking Town Council for financial support of a secretary for the local detachment. Presently the detachment has a secretary for fifteen hours per week, supplied by the Alberta division of the R.C.M.P.

Corporal Will pointed out that approximately 46 per cent of the total complaints handled in the Viking detachment area were located in the Town of Viking. A total of 1117 complaints were handled, with 540 of these being within the Town. Corporal Will stated that although 48 per cent of the case load was in the Town, a much higher percentage of the patrol and enforcement time was spent in the Town limits.

The detachment head noted that approximately 20 per cent of the total officer hours were spent doing clerical and administrative office duties. He felt that increased secretarial help in the office would allow the officers to spend more time on the road, and allow residents easier access to the police by having someone in the office for a longer period of time. The Corporal said that people do not like to use Zenith 50,000.

Corporal Will requested that the Town of Viking provide 15 hours of secretarial time per week. The present secretary would

Theme Chosen For Viking Fair Displays

The Viking Fair Board met on April 1, 1980 with fifteen members present. Vice-President, Gary McClements chair the meeting.

The Fair Book will be prepared and submitted to The Weekly Review for printing before our next meeting.

All directors are reminded to contact Ileen Brower as soon as possible if they wish any furter changes to be made in their section of the fair book.

The Horse Pull Association has had to decline the invitation to our fair due to previous commitments.

Members voted to increase prize money in the Beef and Dairy sections.

A display committee will be set up to recruit and organize displays for the hall on fair day, using the theme of Alberta's 75th Anniversary.

The Viking Fair Board will hold their next meeting at 8:00 p.m. on Wednesday, May 7th, 1980 at the Community Hall.

Variety Program Held At Irma School

A huge crowd filled the gymnasium on Friday, March 28th and enjoyed an excellent program sponsored by the Irma Home and School Association.

The singing of O'Canada opened the evening followed by a presentation of two numbers by the Senior High School band "American Patrol" and "Disco Soulin".

The grade one dance class captivated the audience with their presentation of "Simon Says". The grade three class and the school choir followed with the "Pied Piper of Hamlin".

Vicki Nilson expanded on the evenings enjoyment with her solo rendition of "Lead Me On".

A French skit written and performed by the grade ten french class entitled "Un Western" provided excellent entertainment.

The musical talents of the grade seven junior High School Band produced "Arch de Triumph" and "Slightly Misty", adding much to the evening's program.

Next, the grades two and three classes presented a demonstration of "Japanese Dance". Following this, the grade four contribution of "Poor Old Woman" was enjoyed.

Adding to the evening was the musical talents of Bob Williams of the Rodino District.

The grade four and five classes provided their version of the Peruvian Dance.

"A Touch of Swing" and "How Deep is Your Love" at the hands of the Junior Band was thoroughly enjoyed. This was followed by a musical presentation by Jim Lingley.

The grande finale of the variety program was the Irma Dram Club presentation of "The Great Sylvester", directed by Mrs. Elsie McRoberts.

This play of the 1960's is set in a typical (?) home of the time where the family daughters were busy rejecting the values of "straight" society. The play was very well acted and thoroughly enjoyed by all.

Program co-ordinator Mrs. Josie Holt closed the program with a vote of thanks to all the participants, the teachers who worked with each group and our M.C. Mr. Doug Coffin and to all who attended.

Following the closing remarks "God Save the Queen" was sung. Lunch was available following the program with all proceeds to the Band Aiders committee.

A huge crowd filled the Gymnasium on Friday, March 28 and enjoyed an excellent program sponsored by the Irma Home and School Association. Pictured above the Grade 3 and School Choir presented "Pied Piper of Hamlin".

Northern Alberta Hereford Club; and Gordon Klein at the halter.

New System Can Work

The idea of a County-wide ambulance service as proposed by the administrators of the Viking and Tofield hospitals definitely has merit. By involving the various municipal governments in a cost-sharing, responsibility-sharing agreement, there is a guarantee that the system will be adequately financed. The present system of operating, then going hat-in-hand to ask for municipal funding is unnecessary. Also, with the Board of Directors consisting of representatives of the various councils, decisions will ultimately rest with those who are paying the bills. This should ensure that money is not squandered on an excessively high standard of service. It should also guarantee good service by making the elected representatives of the people responsible for the service.

Yet two possible problems immediately come to mind. First is the question of service to County residents in and around Holden. With the present condition of the Holden ambulance, and the staffing problems experienced by all centres, perhaps service could be better provided from the two hospitals. But this will only be possible if the hospitals maintain a qualified staff who can respond "immediately" to any call. This is a must in relation to the points furthest from the ambulance stations.

Second is the question of the longevity of a Board of Directors made up of representatives from the various councils. The members of this Board are going to find themselves in a true give-and-take situation. There is an overriding value concerning human well-being when dealing with ambulance service, and this Board will be no place for fighting over local concerns at all costs. We've seen it happen in the past, but it can't be allowed to happen this time. The only way that the system will truly work is if all parties are concerned with the welfare of "all" residents within the two hospital districts.

The administrators of the two hospitals are to be applauded for their efforts and concern. The new system can work. But it's going to take money, commitment, and compromise.

County Ambulance Service

Continued From Page 1

Agreement calls for a County system, yet the hospital districts extend beyond County lines. Mr. Kripps said that all calls within the hospital districts will be answered irregardless of the agreement.

Mr. Kripps stated that no actual costs of establishing the service have been determined, but that the system now runs on revenue derived from patient charges with any deficits being assumed by the municipalities.

Mr. Kripps read a letter from Bob Cross of the County of Beaver which stated support in principal for the concept, with the ambulances co-ordinated out of the hospitals due to probable staffing difficulties. The letter suggested that contributions could be made toward salaries of additional hospital staff in order to have people readily available for the ambulances.

Mr. Kripps noted that the two ambulance system for each hospital would provide a back up unit in case of a double call. Councillor Labreche also pointed out that the back-up system would allow for better service and maintenance of the vehicles.

The question of communications within the County arose. Mr. Roth said that the ambulance would be tied into the County radio communications along with the other emergency vehicles. This would facilitate the service on a County-wide basis, even though the ambulances will be stationed in Viking and Tofield.

Following the discussion, the Viking Council voted in support of the idea behind the proposal and anticipated further details on the proposed system.

Police Seek Town Help

Continued From Page 1

have her week extended the additional time, but would technically be a Town employee for the extra two days.

Total cost to the Town for the 15 hours per week would be approximately $4,700 per year. However, Corporal Will estimated that approximately $7,500 was received by the Town due to locally levied fines. thus the detachments work inside the Town more than covers the cost of the secretary. It was suggested that with extra time on the street by the officers, this total may increase.

Mayor Hafso thanked the Corporal for his presentation and said that Council would consider the matter.

The problem of people parking in the bus zone during restricted hours was discussed. Suggestions made were to ticket violators more and/or to move the restricted parking zone so that it covered the area from the corner by Bowery's Auto Supply down to the Viking Confectionery. This would allow easier access for the buses at all times.

In other Viking Town Council news, Councillor Stephenson reported that an agreement had been reached with Ray Slavik for purchase of 60 acres approximately twelve miles southwest of Viking for the location of the new Town water reservoir. Mr. Stephenson said that soil testing will begin immediately and if the area is found suitable for the reservoir, the land will be purchased.

A letter from Dr. J. Loughlin was read informing Council that the owners of the land immediately east of Viking would be keeping the property for the immediate and foreseeable future. The Town has been attempting to purchase the land from the Loughlins to be used for residential housing, but all efforts have failed to date. Some discussion on the possibilities of expropriation of the land followed the reading of the letter.

Council was informed of the resignation of Fire Chief Gordon Draper and the need to appoint a replacement. Council voted to appoint Bill Kamphuis as the new Viking Fire Chief and Brian Anderson as Deputy Chief.

Town Administrator, Lydia Hanson informed Council that about eight businesses had failed to acquire the new business licence as required under the Town by-law. Council felt that enough time had been given and decided that the delinquent businesses should be informed that the matter would be handed over to a lawyer for action if licences were not obtained immediately.

Time Is Running Short For Mail-In Renewals

There is now less than one month left for mail-in 1980 licence renewals.

Since the program started in the first week of March, more than 108,186 vehicle registrations were renewed through the mail saving their owners the time of waiting in line at an issuing office.

A total of 282,336 vehicles have been re-registered throughout the province since March 1st, about 39 percent of these through the mail.

The mail-in program started off with about 20,000 applications arriving the first day, but has levelled off to about 6,000 to 8,000 applications arriving daily.

Persons renewing by mail can expect to receive their validation stickers within four to six days of mailing their application, depending on postal service, the motor vehicle division, which has been processing applications within forty-eight hours from receipt.

A trip to an issuing office is required only if there are any changes to be made to the Registration, of if the mail-back deadline of April 15th is missed. The change of address can be made on the mail-in form.

If an owner misses the April 15th deadline, or if he doesn't receive an application in the mail, he must visit a motor vehicles issuing office before April 30th.

Palliser Claims Initial Prices Not Realistic

"The initial wheat prices announced for the 1980-81 crop year are scarcely in line with today's realities," said Palliser Wheat Growers President George Fletcher, in a wire to Senator Hazen Argue, Minister of State for the Canadian Wheat Board.

Fletcher said that these prices, coupled with the 10 bushel quota predicted by Senator Argue for the next crop year, spell hard times for prairie wheat producers.

The Palliser President noted that the Canadian Wheat Board asking price is now about $202.71 per tonne #1CWRS 13.5 per cent, compared to $172.89 one year ago. He added, "Last year's initial price, set at $3.50 per bushel, by the then Liberal Government, proved to be too low and was increased to $4.25 per bushel by the P.C. Government last October 15th.

The $3.75 per bushel you have set is only 25 cents above last year's initial price and is in fact 50 cents per bushel less than the adjusted initial price set by the Progressive Conservatives."

He concluded, "One wonders if you didn't make a mistake in your conversion of the price per bushel, into the metric prices you used in your announcement."

At the April meeting of the Viking Town Council, Bill Kamphuis (left) was appointed Viking Fire Chief and Brian Anderson was appointed Deputy Fire Chief. Staff Photo

Hockey Wind-Up Banquet April 13th

Members of the Viking Minor Hockey Association are reminded that the annual Wind-Up Banquet will be held on Sunday, April 13th at the Viking Community Hall at 2:00 p.m.

At the banquet presentations of team and individual photos will take place, as well as the exchange of mementos of the hockey year.

In addition, the lucky winner of the $500 cash draw will be determined. Therefore, anyone having raffle tickets are asked to return them to Diann Clouston at The Weekly Review office before the end of the week.

In response to numerous inquires regarding the purchase of team jackets, arrangements have been made to have a representative from Janizen attend our wind-up, and will be on hand to assist in placing your orders following the dinner.

Mr. Ralph Carrington former Viking resident celebrated his 90th birthday on February 24, 1980 at a social held in the Bethany Nursing Home in Camrose with many relatives and friends in attendance.

Mission Possible 1980

Rev. R. A. Bauer, Executive Director of Pax Natura (Peace With Nature) Society of the Rehabilitation of the Deaf will be guest speaker at the annual Mission Possible program at Golden Valley Lutheran Church on Sunday, April 20 at 2:00 p.m. sponsored by the Lutheran Sunday School.

This society in conjunction with Pax Natura Ranch also operates a half-way house and counselling services for the deaf in Edmonton.

Four years ago, Rev. Bauer, pastor of Cross of Christ Lutheran Church in Edmonton, acquired a small ranch about nine miles east of Clyde, where recreational and vocational programs are in progress for the deaf who have had difficulty integrating into the main stream of todays society. A new $75,000 workshop is being built for the purpose of teaching various trades by volunteer tradesmen in a practical setting.

The students then have the privilege to choose a life career. Besides a learning experience they have an opportunity to become at peace with themselves midst the quietness of nature, away from the rush of modern society.

They have already received orders to rebuild and paint old small machinery and to refinish furniture. Some recreational facilities have been set up: campsites and swimming holes are in the planning stage for the deaf and their families during the summer.

Two years ago, a bus load of Junior High pupils from Viking School visited Pax Natura Ranch for an overnight stay. Rev. Bauer took them on a nature hunt and taught them rope making. In addition they enjoyed horse back riding. This was an example of the combined lesson and recreation that is part of the camp program.

They also experienced the opportunity to meet and shake hands with the deaf and learned first hand what it means to be handicapped.

Rev. Bauer will bring a slide presentation on his rehabilitation program and also a twelve minute documentary film on the Deaf camp, made by Access Television. He also plans to teach the children a song in the language of the deaf.

A cordial invitation is extended to the public and especially to children of all denominations.

As this year is the 20th birthday of Sunday School which originated in Gloucester, England in 1780, ice cream and birthday cake will be served following the service. So kids, mark your calendar for "Mission Possible 1980" at Golden Valley Lutheran Church on April 20th, at 2:00 p.m.

Alexander MacDonald Passes

Alexander MacDonald passes away in hospital on February 22, 1980 at the age of 77 years.

Alexander and his wife were former members of the Viking Community in past years.

He was late of North Burnaby.

Alexander is survived by his loving wife Ethel; son and daughter-in-law, Donald and Lillian; daughter and son-in-law, Margaret and Jim Tompkins; one sister, Margaret MacDonald; grandchildren Cameron and his wife Bettie, Delayne, Lyndsay, Kevin and his wife, Janice; 1 great-granddaughter, Jaynee, a niece, Florence Teetzel.

Funeral services were conducted on Tuesday, February 26th at 1:30

Leonard Harold Larson Laid To Rest

Leonard Harold Larson, beloved son of Mr. and Mrs. Allan Larson, passed away suddenly on Thursday, March 6, 1980 at the age of 15 years.

He was born on February 5, 1965 at Mannville Hospital and lived his young life with his family north of Irma. He took his schooling at Irma and was completing grade nine. He was a member of the Irma Bantam Hockey Club and played saxaphone in the Irma School Band. He also played the piano. In earlier years Leonard had been a member of the Irma Cubs and 4-H Food Club. Leonard was baptised in the Irma United Church where he attended Sunday School and church until his untimely passing.

He leaves to mourn his passing his loving parents, two brothers, Dwight and Trent and one sister Kerri all at home, his maternal grandmother, Mrs. Edith Cockroft of Irma, numerous aunts, uncles and cousins as well as a host of relatives and friends.

Funeral services were held on Monday, March 10, 1980 from the Irma School Auditorium with McLeod's Funeral Home in charge of funeral arrangements and Rev. Gordon Wilson officiating.

Mrs. Marjorie Fischer was organist. Hymns sung were "Amazing Grace" and "Safe in the Arms of Jesus". The choir rendered "Will Your Anchor Hold". Pallbearers were Keith Currie, Charlie Soucy, Ron Prior and three cousins Tom Burke, Ron Burke and Dennis Burke. Interment followed in the family plot in the Irma Cemetery.

Do You Know The Bible Says

Mrs. W. Myers

Who is a wise man and endued with knowledge among you? Let him show, out of good conversation his works with meekness of wisdom. But if ye have bitter envy and strife in your hearts, glory not, and lie not against the truth.

This wisdom descendeth not from above, but is earthly, sensual, devilish. For where envying and strife is, there is confusion and every evil work. But the wisdom that is from above is first pure, then peaceable, gentle and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy. And the fruit of righteousness is sown in peace of them that make peace. James 3:13-18.

I was reading Joshua 22 this morning along with my commentary on the same chapter and I find this portion holds a great lesson for all Christians.

Joshua was commending the Reubenites, and the Gadites, and the half tribe of Manasseh for their labor, and their conduct and their faithfulness and as he blessed them he extroted them... "But take diligent heed to do the commandment and the law, which Moses the servant of the Lord charged you, to love the Lord your God and to walk in all His ways and to keep His commandments and to cleave unto Him; to serve Him with all your heart and with all your soul. Verse 5. Do this as you go to possess your lands".

These three tribes decided to build an altar beside the Jordan river not for sacrifice but to be a witness between them and the other tribes and the following generations after them. It would serve as a reminder to them of the one true God who had called them and done so much for them.

Now, on the other side of the river were the other tribes where the tabernacle of the Lord was also, with the altar of sacrifice stood before it.

The tribes on the west side objected to the other two and one-half tribes on the other side, building a similar altar and made some unkind accusations.

What the two and a half tribes on the east side did was done with a clear conscience to be a constant reminder to them of their great God, but those on the west side misunderstood. They loved and served the same great God but thought the others were rebelling. What happens when we get our eyes off God and find fault with others doings? See what happens next week.

Viking O.O.R.P. Lodge Celebrates 30th Anniversary

At the regular meeting of March 4, 1980 the Viking O.O.R.P. presented 30 year bars to its charter members (left to right) Ladies MacLaren, Hansen, Ronaghan, Garos, Piscia, and Evans.

The regular meeting of the Viking Order of the Royal Purple #122 was held in the lodge rooms on March 4th, 1980.

The traditional opening ceremonies were performed and necessary business transacted. The remainder of the meeting was then devoted to celebrating the thirtieth anniversary of the institution of the lodge.

Visitors for the occasion included Past Supreme Honored Royal Lady, Irene Francoeur of Camrose, District Deputy Dorothy Krusier of Hardisty and ladies from Holden and Hardisty. The Holden Lodge had instituted Viking Lodge on January 27th, 1950 and four members were present who had attended at that time.

Of the charter members, Ladies Piscia, Garos, Evans, Ronaghan, MacLaren, and Hansen were present to receive their thirty-year bars.

Unable to attend were Ladies Gladys Roddick, Edna Roddick, Edith Burnham, Sophie Comisarow, Elsie Gobla, Connie McIntyre and Margaret Hill.

Honored Royal Lady Tiedemann presented Past District Deputy Garos with a crystal tray mounted with an engraved plaque as a gift from the Lodge in recognition of her thirty years of perfect attendance and her dedication in serving the lodge.

A solo entitled "May You Always" was beautifully rendered by Lady Eileen McIntosh with piano accompaniment by Lady Pauline Watson.

Following the meeting, pictures were taken as a memento of the occasion. A delicious lunch was then served which included two anniversary cakes made and decorated by Ladies Grace Sutter and Bessie Pratt, bearing the inscriptions "O.O.R.P. Viking Lodge # 122" and "Vivian Garos 30 Years Perfect Attendance".

Viking O.O.R.P. Meet

Viking O.O.R.P. convened in the club rooms on April 1st for the monthly meeting with H.R.L. Tiedemann in the chair. The meeting opened with the regular ritual.

The district meeting will be held in Irma on April 19. Several members will be attending. The various committees gave their reports, including the nominating committee which presented a slate of officers for the coming term.

The slate was unanimously accepted. The house committee presented proposals for new lodge rooms and received a few other proposals from the floor.

Convention this year is to be held in Penticton from July 27 to 30. Vivian Garos, Marge Hanson and Rita Hill were nominated as delegates. Others wishing to attend should contact H.R.L. Tiedemann.

The Lodge agreed to serve lunch at the auction sale of Helen Piscia on April 17th. Lunch was served by Joy Place and Margaret Stubert.

Main Street Viking

A group of over thirty relatives and friends gathered at the farm of Martin Hjelvold on April 5 to help celebrate the occasion of his 78th Birthday.

Highlight of the celebrations for Martin was the presentation of a home-made birthday cake, created and presented by his ten year old niece Susie Davis. The card selected and honored Martin as "Fiddler of the Year". Lois Schmuty brought a large birthday cake to add to the many memories of the day.

NOTICE

THE PLANNING ACT

R.S.A. 1977 as amended

TAKE NOTICE THAT the Council of the Town of Viking proposes to pass an amending zoning by-law pursuant to section 135 of the planning act. The purpose of the proposed by-law No. 338 being the rezoning from Park Reserve to R2-Residential that portion of land as shown on Schedule B attached to and forming part of by-law No. 338.

A copy of the proposed by-law No. 338 may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 6:45 p.m. on the 16th of April, 1980, the Council of the Town of Viking will cause a public hearing to be held in the Town Council Chambers at which time objections to the proposed by-law may be made and discussed.

Dated at the Town of Viking this 3rd day of April, 1980.

Holden Chamber Of Commerce Meets

The Holden and District Chamber of Commerce held their regular dinner meeting on April 1st. with twenty-seven persons in attendance.

The meeting was chaired by President Kevin Stambaugh. Secretary-Treasurer Harry Christian read the minutes of the last meeting and also gave the financial report. A discussion was held about the Crow freight rates and the chamber's support for these rates as a change in rates would effect the surrounding community.

Two delegates were nominated from the meeting to attend the local recreational board meeting in regard to the 75th Anniversary Celebration.

The Chamber approved a donation to twenty dollars towards a $100 fund enabling the Holden School graduate with the highest marks on the general program to receive an award, which will be presented at the Holden Graduation exercises on Saturday, May 3. This presentation will be made by the President - Kevin Stambaugh.

Don McKenzie gave a report on the last Battle River Tourist Association meeting and stated that the next meeting will be held at Camrose on April 17th.

Bill Hallet gave a report on the sale of the Chamber signs and stated that sales were good and more signs would have to be ordered.

Persons attending the Chamber dinner enjoyed a delicious meal prepared by the Ladies of the Royal Purple.

Bruce & District News

Congratulations to Ernie Dorin who placed second in the Wild Horse Race at the Edmonton Super Rodeo.

Isabelle and Marvin Land spent the Easter weekend at Red Deer with their son and daughter-in-law Arnold and Bev Lund and grandchildren Laurie and Deeble.

Maxine and Dale Fedorow and children of St. Paul were visiting Dale's mother and father Stella and Ole Fedorow.

Lucille and Wesley Stambaugh were visiting with Wesley's parents, Josa and Ken Stambaugh.

Annie and Rudy Koppel enjoyed a visit with their daughter Candise of Edmonton. On Saturday night they went to Vermilion to spend the weekend with their daughter and son-in-law Carol and Dale Knievel and attend the baptismal service for their granddaughter Chelsey.

Unless you've been in Bruce the past few days, you can't imagine the state of the streets. These few words might give you a clue.
My old boots leak....it's just my luck!
My car is out on Main Street....stuck!
The kitchen floor is a disgrace!
That mud just gathers every place.
No friendly soul knocks on my door
For she can't get here any more.
My kids fell in the mud today;
The price of progress I must pay.
But there are blessings to be found
For cars can't drag and squeal around.
While others slave, I'll have my fling,
No use to clean MY house this spring!

New Facility Approved

D.J. Russell, Minister of Hospitals and Medical Care, announced recently that the request submitted by the Tofield Municipal Board for a new facility to replace the current thirty-four bed hospital has now been approved.

The Board can therefore immediately commence programming in order to confirm project details and final bed numbers.

In approving this request, the Department of Hospitals and Medical Care agrees with the board that the existing hospital which was originally built in 1947 has exceeded its useful life. An addition to the original building had been constructed in 1975.

The department also recognizes the board's concern regarding the lack of auxiliary and nursing home beds in Tofield and surrounding area. As a result, the scope of the project will involve a replacement facility with acute care, auxiliary, and nursing home beds.

Based on the most current information available, the estimated capital cost for this project is approximately $7,000,000 in January 1980 dollars.

Range Improvement Assistance Available On Crown Lands

In a statement recently given by Associate Minister of Public Lands and Wildlife, J.E. (Bud) Miller it was revealed that a government program of range improvement assistance on crown lands will commence in the 1980-81 fiscal year.

Eligible lands include public lands held under grazing lease, grazing permit, hay land grazing license or hay land permit disposition administered by the Public Lands Division of Alberta Energy and Natural Resources.

A total of $1.5 million funded through the general revenue fund of the province has been approved for the 1980-81 fiscal year.

The public grazing land improvement program will stress that assistance primarily will be given to small scale farmers and ranchers and to grazing associations and co-operatives. A significant proportion of the increased grazing capacity which will be developed on grazing association or co-operative lands will be made available to new members.

Improvement projects to maintain or increase the grazing capacity of public lands will be eligible for technical and financial assistance and will include the following:

1. Clearing, breaking and working down and seeding of brush covered lands and other low productivity lands to tame forage species.
2. The construction of cross-fences, water facilities, trails, etc., to enhance range utilization.
3. Range maintenance and the control of brush encroachment through spraying, prescribed burning, mowing fertilization or other control measures.

Improvement projects will commence only after a range development plan has been drawn up for the public lands which is acceptable to the disposition holder, the public lands division, wildlife, and other resource agencies who have a definite management interest in the lands being considered for improvement.

The plan will consider, enhance or protect all resources such as wildlife and coniferous timber stands. Since approved projects will be one hundred percent publicly funded, the Crown will retain ownership of the improvement.

Improvement projects will be carried out by local contractors or by the holder of the disposition. Holders of grazing dispositions will be receiving a circular explaining the program in more detail in the near future.

It is stressed the eligibility criteria will be designed to give priority to small scale farmers and ranchers and to grazing associations and co-operatives.

Applicants who clearly do not meet the eligibility criteria may be considered at a later date after those applicants with the greatest need are given assistance. If there is significant doubt that the applicant meets the eligibility criteria, the application will be referred to the local Agricultural Development Committee for review and recommendation.

Application forms for improvement assistance should be available after April 21, 1980.

To be considered in the 1980-81 fiscal year, applications should be returned to the Department by July 1, 1980.

Further details of this program may be obtained from the Public Lands Division, Alberta Energy and Natural Resources, 9915-108 Street, Edmonton or from district offices located throughout Alberta.

Spring Clean-Up Time

It's that time of year, windows and doors open wide and out come the cleaning rags.

There are more cleaning sprays and solutions on the market than there are kinds of dirt.

Vinegar is one home solution that has a variety of cleaning uses. Here are just a few:

Window Cleaner - one cup of white vinegar to one quart of water will clean and sparkle windows.

Scale Remover - full strength vinegar will dissolve lime scale in your kettles, irons, and steam rollers. Heat the vinegar through the appliance and rinse well with clear water.

Copper Cleaner - Mix into a paste - one tablespoon of flour, one tablespoon of salt and one tablespoon of vinegar. Spread onto copper and rub off with a damp cloth.

Hair Rinse - One half cup of vinegar added to rinse water will brighten your hair.

Fabric Softner - probably not as fresh smelling, but one cup of white vinegar in the final rinse will soften and brighten clothing.

Another good cleaning and deodorizing solution can be made by mixing three tablespoons of baking soda in a quart of warm water. Use this for washing defrosted fridges or freezers, bread and lunch boxes. It also removes dusty oily film from ornamental glassware. Follow with a clear water rinse.

These 3 lubricants with patented Gulf HydroTreating (HT) may be all you'll ever need.

Super Plus Motor Oil with HT

The one tough oil for *all* farm engines—gas or diesel—and all seasons. Lubricates efficiently on the hottest summer days right down to -40°C. Results in cleaner engines, improved cold-weather starting, longer service life and lower oil consumption.

Gulf Duratran Transmission/ Hydraulic Fluid with HT

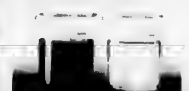
The one heavy-duty fluid to use in most tractors and implements, especially North American tractors equipped with a common reservoir.

Gulf Supercrown MP Grease with HT

The only grease your farm equipment needs. Through the toughest chores or the longest lay-offs.

Gulf farm lubricants work. We guarantee it.

With HT, all lubricants are no longer the same.



On the left, base stock refined by the conventional method. On the right, crystal clear stock refined by the patented Gulf HT process. Selected additives are then blended in to produce high quality finished lubricants. Since we begin with a better base stock, you end up with a better product. Now, even though lube products may look the same, be assured that they no longer are.

Save on Gulf HydroTreated (HT) Lubricants at the

April Is Dental Health Month

Plaque and Tooth Decay

Tooth decay has always affected mankind including our prehistoric ancestors. Yet it wasn't until fairly recently that scientists began to discover what causes this common problem.

It seems that we carry the seeds of our own decay with us. Scientists tell us that decay is caused by the bacteria that naturally exist in our mouths. Billions of bacteria live in the sticky, almost colourless film of plaquethat is continuously forming on everyone's teeth.

Dental researchers now believe that three things are necessary for a cavity to appear. They are bacteria in the mouth, fermentable carbohydrates(sugar) and a susceptible tooth.

What we see as decay is essentially the destruction of our teeth caused by acids. Bacteria thrive on sugar. When you eat or drink something sweet (or those that contain fermentable carbohydrates), the bacteria are given food to grow and multiply and produce acid. Tooth enamel is the hardest substance in the human body. But since the acid from bacteria is kept in contact with the tooth by the sticky plaque, it is almost as efficient as a drill in making a hole in the tooth.

So efficient is the production of acid that there is some indication that the most damage occurs within the first 15 minutes after sweets are eaten.

Little wonder why dental experts advise us to limit sweet snacks between meals and to clean all bacterial plaque from teeth at least once a day. For adequate cleaning, both dental floss and a tooth brush are necessary.

After the acids have eaten a hole in the enamel of a tooth, the bacteria move in to continue the disease process. Next, the underlying dentin is attacked and then the acids penetrate to the pulp where the blood vessels and nerves are.

Dramatic evidence of the role that bacteria play in the decay process can be seen in animal experiments. Animals that are born in germ-free environments in laboratories are kept in isolation from all exposure to bacteria and eat unlimited amounts of sugar without developing cavities.

But within a few weeks after they are exposed to some of the bacteria that normally exists in the mouths of humans, the animals develope extensive decay.

Unfortunately, most of us have teeth that are susceptive to decay. A few people seem to have a genetic resistance to decay no matter what kinds of food they eat.

Scientists are trying to learn the reasons for this resistance in order to help prevent cavities in the rest of us. So far, the only thing we know that helps our teeth resist decay is fluoride.

TENDER

The Council of the County of Flagstaff No. 29 invites tenders for the hauling of gravel required to be placed on the County roads during the 1980 construction season.

It is estimated that approximately 120,000 cubic yards of gravel will be hauled from various County gravel pits and County stockpiles. Individual or group bids will be accepted. The Council will require sufficient trucks to haul 150 to 200 cubic yards per hour. The successful bidder will be required to be available for loading between the hours of 7:00 a.m. and 6:00 p.m. daily.

The successful bidder will be required to sign a contract and to submit a Certificate from their insurance agent(s) certifying that they are carrying insurance coverage of at least $200,000.00 inclusive.

If the successful bidder requires an overweight permit, it will be his responsibility to obtain it from Alberta Transportation.

All bids are to be submitted on tender forms provided by the County. These tender forms will be available at the County office in Sedgewick during regular working hours. All tenders must be submitted to the County Office no later than 5:00 p.m. on April 22, 1980.

The lowest or any tender not necessarily accepted.

For further information regarding the 1980 gravel haul please contact one of the undersigned or the County Office.

Grade 4 Choral Speech presented "Poor Old Woman" under direction of Mrs. L. Prosser during the Irma Home and School Variety Program on Friday, March 28, 1980.

Irma Students On Carribean Tour

Thirteen excited grade eleven students and three chaperones boarded the airbus at Edmonton Municipal Airport on Thursday evening, April 3rd on the first leg of their tour of the Carribean.

The group were scheduled to board the plane in Calgary at 3:00 a.m. on Friday. For many of the students this will be their first flight and nervousness ranked second only to excitement.

Sonny and Margaret Archibald and Miss Debbie Lasseur are the chaperones for the tour.

Irma families will put out the welcome mats as their students arrive home on the 18th of April.

Irma 4-H Food Club Report

The Irma 4-H Food Club held their regular meeting on April 3rd. The club secretary, Darren Casey read the minutes of the previous meeting.

Leila Glasgow gave the treasurers report.

Mary Newton suggested we pay Minor Hockey $12.00 for hot chocolate used at our skating party.

Kim Olson moved that we give a donation of $50.00 in memory of Leonard Larson, a former 4-H member.

We are planning to have a dance on April 25th.

Irma News And Views

On their way to help celebrate the 50th Anniversary of Mr. and Mrs. John Lkettke of Kindersley, Saskatchewan, Mr. and Mrs. Tom Copeland stopped to visit with Lillian's brother, Mr. G.H. Mitchner of Uyen. Tom and Lillian spent the weekend with their daughter and husband, Mr. and Mrs. Gary Skjei. They came back to Irma by way of Asedia Valley so they could visit with Mr. and Mrs. Norman Gibson.

Frank Peterson from Campbell River, B.C., is visiting at Irma with his sister Grace Archibald. Both of them are staying at the home of Sonny and Margaret Archibald, taking care of the place and the two boys and livestock while Sonny and Margaret are on the Carribean tour with the grade eleven students from Irma.

Rev. Gordon Wilson and Edith had the pleasure of a visit over the easter weekend from their entire family and grandchildren. Home were son Arthur and fiance Pat Posh from Calgary, daughter Sandra and husband David Hamilton and three children from Kyle, Saskatchewan, daughter Linda and husband Ron Dick and their two children from Calgary.

Visiting with Lorna and Eddie Jackson over Easter were daughter Phyllis and son-in-law Rick Hammond. They left for their home at Brandon, Manitoba on Sunday, forenoon. They planned to spend the night in Saskatoon. Also visiting were son Charlie from R.C.M.P. depot at Regina and his girl friend Caroline Czar from Edmonton. On Sunday, Lorna, Eddie, Charlie and Caroline spent the day with Mr. and Mrs. Dan Czar at Warwick, Alberta, where they assisted Mr. Czar in celebrating his 59th birthday.

Miss Joyce Bartholow drove to Sundre on Thursday evening to spend Easter and a few extra days with her parents, Isabel and Chester Bartholow and other members of her family.

Visiting over Easter with Lois and Fred Jack were their daughter Elaine and husband Gordon Lewis and children Graham and Nicoli. Also visiting were Arthur and Lynn and Jack and Scott.

Mr. and Mrs. Norris Tomlinson and family of Edmonton and Mrs. and Mrs. Garth Tomlinson and family of Whitecourt, spent Easter weekend with Gramma Tomlinson and other relatives and friends in Irma.

Last Wednesday Ella Skilles and Elena Tomlinson visited their sister, Martha Hellerud in the University Hospital.

Your Message Gets Across Better IN WANT ADS

Card of Thanks

I would like to thank Dr. Bennette and Dr. Cunningham for the good care I was given while I was in the Viking Hospital. Thanks to the nurses who cared for me for the three weeks of coughing during the night and day, and to the rest of the staff. Also thanks to the many friends who came to see me and the ones who were good enough to take me to and from the clinic and hospital. Thank you all for the lovely cards you sent.

George Foreman 9p

Card of Thanks

I would like to extend a sincere thank you to the Doctors, nurses and staff at the Viking Hospital for their great care and kindness while I was in the hospital. Also thank you to those who visited me and for flowers and cards. It was all appreciated. Helen Whidden

CARD OF THANKS

We wish to express our deep gratitude to all those who did what they could and assisted in many ways at the time of Leonard's accident. Thank you to the doctors and staff at the Wainwright General Hospital. We are ever grateful to our relatives and friends for the many acts of kindness and expressions of sympathy, their support and understanding which was offered in so many ways during our sad bereavement. We extend our appreciation to all who brought food to the house, for the flowers, the multitude of memorial donations, for all those who called at the house and for the many, many cards and remembrances which we received. We want to thank the Wainwright School Division for the use of the Irma School, the Irma U.C.W. and the Irma O.O.R.P. for serving lunch after the funeral. Special thanks to the pallbearers, to Father Orech and staff, to Mr. G. Wilson, the Irma United Church Choir and organist Mrs. Marjorie Fischer. We are very grateful to each and everyone who has helped us all bear the loss of our loved one. These kindnesses and the personal assistances have been truly appreciated, gratefully acknowledged, and will be remembered always. Jean, Allan, Dwight, Trent and Kerri Larson and Edith Cockroft

9c

CARD OF THANKS

The family of the late Lydia Houseman wish to express their gratitude for the many kindnesses and help in the loss of their beloved mother and grandmother. The flowers, donation, food and messages of sympathy have been greatly appreciated and shall always be remembered. The hospital and medical staff who cared for her so well over her long period of illness, we will always be grateful to.

Sincerely, Gordon and Connie Saunders, Ethel, Claude and Muriel, Evelyn, Colin, Bobbie Jo and Billi Jo Mc-Laren. 9 c

CARD OF THANKS

I would like to thank the Viking Figure Skating Club for the lovely gift I received as Snow Queen. I would like to extend a special thanks to all those who supported me and aided me in selling tickets.

Linda Erickson 9c

CARD OF THANKS

We would like to thank our many friends in Viking and district for the letters and sympathy cards received since the passing of Lucille Klein of St. Albert.

Allan Klein, Blythe Gray and family 9p

Energy Eater Beaters
TUNE UP APPLIANCES

In saving energy, you have the power. A well-tuned appliance uses less energy, just as a well-tuned car uses less gasoline.

- Range hood fans become clogged with grease and grime which makes the fan work harder. Soak in detergent and water.
- Irons clogged with mineral deposits take longer to heat and will steam unevenly. Use a mild vinegar solution to loosen the scale, then steam iron till dry.
- Full vacuum bags suck more electricity than dirt. Check the vacuum filter to be sure it's clean, too.

For more power-saving ideas on caring for your appliances, write to ENERGY MANAGEMENT SERVICES, Box 1900, Calgary, Alberta T2P 2M1

Progressive Farming

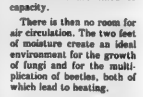
Alberta Agriculture's pest control specialist, Michael Dolinski, says there is a considerable amount of grain heating in the south of the province, and that the heating cannot be controlled with an insect fumigant because it is being caused by fungi.

This type of heating can only be controlled by augering the grain out of the bin to cool it down and to break up the hot spots. If it contains no insects, it can be augered back into the bin. If insects are present, Mr. Dolinski recommends treating the grain with malathion dust, registered for use on stored grain, while the grain is being augered back into the bin. Although the liquid form of malathion for stored grain beetles will also kill the beetles, its drawback is that it will increase the moisture in the grain.

A phosphine (Phostoxide) fumigant can be used when the grain temperature is above 5 degrees Celcius. It dissipates in about one week, while malathion remains active for approximately eight to ten months. There is no restriction on marketing or feeding fumigated grain, but it takes a week to work. Grain that has been treated with malathion cannot be marketed or fed to livestock for seven days.

Mr. Dolinski believes that the long period of warm weather last fall plus the convection currents in the increasing number of large steel bins that are being used to store grain are responsible for the heating of grain that was binned with a low moisture content last fall. The convection currents can concentrate the normal level of moisture in the top two feet of grain, especially in bins that are filled to capacity.

There is then no room for air circulation. The two feet of moisture create an ideal environment for the growth of fungi and for the multiplication of beetles, both of which lead to heating.



In some animals, such as the rabbit, the incisor teeth keep growing as they are worn down. The shark grows set after set of teeth.

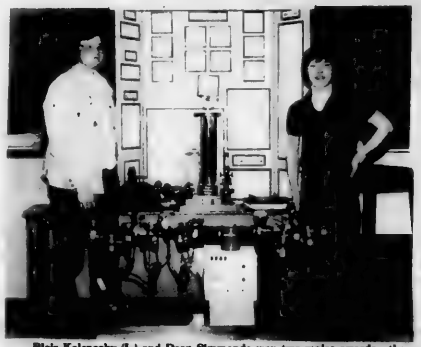
County Students Do Well In Edmonton Science Fair



Blair Kolenosky (L.) and Dean Simmonds won two major awards - the Alberta Institute of Agrologists Agriculture Award and the Alumni Award for Basic Research - at the Edmonton Regional Science Fair held in Edmonton last Friday and Saturday. Their entry was entitled "Cocoa and the Physical Changes on Plants". The Viking duo also captured third prize in B category for Junior High School group projects. Staff Photo

The 20th Edmonton Regional Science Fair was held in the M.E. Lazerte Composite High School on the 11th and 12th of April. Ninety-two judges were responsible for judging the 195 projects on display. The County of Beaver entered twenty projects representing the work of thirty-two students.

Judging was completed on Friday evening and on Saturday the fair was open to the general public. When the awards and trophies were presented on Saturday afternoon, Beaver came away with the following honors.

First prize of $50 and a trophy, the Alberta Institute of Agrologists Agriculture Award went to Dean Simmonds and Blair Kolenosky of Viking. Dale Lutz and Russell Gielbelhaus of Holden School were accessed "First Honorable Mention" for their project while the "Second Honorable Mention" was awarded to the Viking School project of Michael Watson and Billy Sevcik, who received a certificate.

Viking students received honorable mention in the "C" category which displayed individual projects by grades seven to nine students. Sindy Piwowar and Debbie Petruk placed third and fourth, respectively.

Category "D" consisting of projects on display from grades four to six, resulted in Tracy Lutz and Joyce Lutz of Holden School receiving $20 for their third place project and Tina Seide and Shelly Ronaberg, also of the Holden School receiving "Third Honorable Mention". Congratulations are extended to all participants at the Regional level and special encouragement to all winners.

Improvements Planned For Highway 16

An extensive upgrading plan for a 70 km section of Highway 16 east of Vegreville to east of Mannville was announced recently by transportation minister Henry Kroeger.

Improvements will involve realignment of the highway to reduce curves and intersection conflicts, and will allow for future expansion to a four-lane divided highway. New construction will place Highway 16 south of the villages of Lavoy, Innisfree, Minburn and Mannville, and will include paving of access roads to these centres, together with the new highway construction.

Right-of-way for the first project will be assembled during 1980 with construction expected to begin in 1981. The first phase of building includes an improved and widened two-lane highway with paved shoulders, with provision for expansion to four lanes in future years. The initial section to be upgraded is from Highway 36 to west of Innisfree.

Long range plans include a bypass of Vegreville to the south, with a route location previously developed to accomodate this revision.

Alberta Transportation officials and village and county councils met on several occasions to obtain views and to evaluate input from area residents before a final plan was developed.

Alberta Transportation engineers studied a number of alternatives including retaining the existing highway in Lavoy, Innisfree, Minburn and Mannville. However, due to the closeness of the CNR line and existing frontage developments, multi-laning along this location was considered impractical. In addition, increasing traffic loads would pose crossing difficulties for both pedestrians and vehicles within the communities.

The relocation plan, which will provide space for further expansion and the paved access connections were determined to be more viable.

"I wish to express my appreciation to all those who participated as their comments formed an integral part of my department's work and assisted in integrating the highway plans with other development proposals in the area," Mr. Kroeger said.

See Map on Page 5

Truck - Train Collision Claims One

A truck - train collision at a level crossing approximately 4 miles east of Viking claimed one life Tuesday afternoon.

Dmetro Arychuk of Viking was killed when the grain truck which he was driving was struck by the west-bound Canadian National passenger train about 2:45 p.m. The accident occurred at an uncontrolled level crossing near Mr. Arychuk's farm site.

Damage to the front of the first engine of the passenger train was extensive as the grain truck was pushed for over a half mile down the tracks. Temporary repairs to the damaged engine were made in Viking before the train continued on to Edmonton at about 5:00 p.m.

Mr. Arychuk was 59 years old at the time of his death and farmed in the area for many years.

The grain truck in which Dmetro Arychuk of Viking was killed Tuesday afternoon was totally demolished by the force of the collision with the west-bound passenger train. Staff Photo

Viking Paper Depot Temporarily Closed

The Viking Child Development Society have found it necessary to close the paper depot effective immediately.

We have applied for a grant from the Department of the Environment (in Jan.) to purchase a trailer for the purpose of collecting and transporting the bundled newsprint. However at this point, we have received no word as to the approval of our application. Other communities, as ourselves, have received grants for this purpose.

At present, it is necessary to organize the facility, collect the paper, bundle it, load it onto the transport truck, and unload it. We have found it very difficult to find enough volunteers to do all this work and thus decided to close the paper depot.

However, it is available to any other service group or organization that may want to accept the responsibility and raise funds for their purposes.

If the grant is approved, we will re-open with other service groups still having the option of taking it over for a period of time to raise funds for their own needs.

We would like to extend our sincere thanks to all paper contributors, transport companies and volunteers.

Just Some Thoughts!

It's "interesting" how a government with 75 of the 79 seats in a legislature can ignore the protestations of large numbers of residents. Over the past year, the Honorable Bob Bogle has been in "hot water" on a fairly regular basis. And yet the Premier seems to ignore the situation. What we need is a larger opposition to create more "waves."

In keeping with the Provincial government, the giving of funds to local organizations across the Province through the 75th Anniversary is a very smart move politically. If the $41,000,000 is not spent on worthwhile projects in the various centres, the Alberta government need not accept any of the blame. The "fault", if there is any, can easily be placed at the feet of the local organizations.

And dealing with the 75th Anniversary, there is great merit in Bob Clark's suggestion for a Northern Alberta Crippled Children's Hospital. Rather than having to be sent to Calgary, children in Northern Alberta would be located much closer to their respective homes. This should aid in their recovery and progress as family support is very important to a child in hospital.

And speaking of sick people, the demise of the Holden Ambulance adds weight to the efforts of the two Hospital Administrators in the County of Beaver in attempting to institute a County-wide ambulance service. The people of Holden must now be included in the coverage area of both the Tofield and Viking ambulances. The two vehicles are being spread thin. Perhaps the wheels should start turning a little faster!

Letters To The Editor

Dear Editor:

I am writing this letter to congratulate the executive and staff of the Viking Child Development Centre for their patience and hard work in bringing this facility to Viking.

The caring, sharing and loving that the children are developing with their own peer group at the centre will be invaluable to them as they grow and hopefully help to make them responsible and caring citizens.

I have watched my children with their "new friends" and had countless little stories of their favorite games and listened to all the new songs with a lot of humor.

I have felt terribly guilty over arriving early to collect them only to hear "please go, I'm not done yet".

I'm sure the other moms enjoy watching their children's social growth and share my feelings.

Thank you for your dedication.

Just a "Mom"

Dear Sir:

Sunday, April 27th will provide another opportunity for local residents to participate in a community program.

The day will begin with a pancake breakfast served from 9:00 a.m. to 1:00 p.m., which will enable residents to attend the breakfast either before or after attending church.

The variety concert will provide entertainment for young and old alike and based on past performance, it will be an excellent program.

Residents of local and surrounding areas are urged to participate - either with your talents or as spectators.

Alberta Agriculture

TODAY'S LOW PRICES

A few weeks ago I had a run-in with a skunk.

No, I didn't lose, but my dog did. The greeting took place underneath my front porch. Queen who the dog came to for consolation.

Well, in the end, my trusty shovel, over that's hold up pretty thick and this since I first started farming more than 20 years ago, helped me provide exit directions to the skunk. It was a classy retreat.

Instead, it was comic, at least as I later retold it to various people, with the notable exception that such a story requires.

However, as I think back, what happened had the potential to be a tragic affair.

The fact that the skunk was aggressive (perhaps for good reason) is one indication of a skunk infected with rabies.

Right now we're fighting a rabies outbreak in the southern part of the province. And though it's very unlikely that a skunk afflicted with skunk on my farm, there is always a freak chance that a wild animal could be infected anywhere in the province.

Here are the facts on the outbreak. As of April 10, there were 10 confirmed cases of rabid skunks being found in Alberta in 1980. Eight of these were discovered within a short distance of Foremost in the south. In late March, one was found two miles south of Medicine Hat and another recently showed up outside the town of Brooks.

In total, 13 rabid skunks have been found since December 1 of last year. Without a doubt, we have an outbreak. The fear is that the rabies will spread to the north, particularly if it should be passed on to the growing fox population or coyotes which have wider, random movements.

On the other hand, we now have active control measures underway. Where we have found single rabid skunks, we have initiated skunk depopulation projects within a three-mile radius of the finds. That three-mile figure corresponds to the normal range of activity of a skunk. Seldom do these efforts turn up any additional cases.

But, that didn't hold true for the outbreak near Foremost. There we turned up more rabid skunk carcasses. So, we have expanded the depopulation to a 20-mile radius.

Overall, Alberta has been very meticulous in maintaining an anti-rabies control program. Over the past decade, 1970-79, we have found a total of 220 infected mammals. The majority of these were bats with 136 reported cases.

Though the incidence of rabies in bats is high, bats seldom attack other mammals. We can only hope to control bat rabies in dangerous situations. For instance, if more than five percent of a bat colony in an abandoned building has rabies, then we will eradicate the colony to prevent any chance of the disease spreading further.

One way rabies can spread from bats is with the infrequent meeting of an infected bat carried by pet or human. If my favorite skunk, the one that showed such affection for my dog, had rabies, that might have been the way he got it.

Within Alberta, we usually have three or four reported cases of skunk rabies per year. This has been true since 1974. Over the decade, 42 rabid skunks have turned up in the province.

In addition, we have had isolated cases of larger animals being infected. There were 27 over the preceding 10 years. They were: since 1974; 13 cattle, the latest being in 1977 and the previous one in 1973; 10 dogs with the last case showing up in 1974; two cat, 1976; one porcupine, also 1970, and one horse, in 1972.

No human cases have appeared in that time, although up to a dozen people per year are treated for possible exposure to rabies.

What do we do next? Well, our efforts to eradicate rabies are intensifying. Several teams have been formed to depopulate skunks in designated areas. If the disease should happen to spread to foxes or coyotes, we will re-direct our efforts to those animals.

At the same time, individuals should also be on guard for rabid animals. Any wild animal displaying unnatural traits of aggression or tameness should be avoided, and a federal veterinarian or county bylaw officer informed immediately. In the event you can't contact the appropriate official in your area, inform the local district agriculturist who will pass the information along.

Those in the south should also avoid rehoming any domestic animals. If you have dogs or cats that you can no longer house, please try to have them adopted or turn them over to an SPCA shelter. Increasing the already substantial number of stray dogs and cats only gives this problem another potential route to follow.

For our part, we are now looking at expanding the 30 km (18 mile) rabies control zone that currently runs down the Alberta-Saskatchewan border. We suspect much of this problem stems from Montana which has had outbreaks in northern and western counties. Therefore, we might create a new southern control zone from the Saskatchewan border to the beginning of the foothills.

Oh yes — and my friend the skunk, I think I saw him out and about the other day. Unfortunately, his breed doesn't fend off this disease very well, so if he was infected, he would have been a probable 'goner' by this point. It looks as though he didn't have it — good thing for him, good thing for me!

CURRENT EVENTS QUIZ

Do you know the truth about what's going on in the world today? This quiz can help you tell.

1. Scientists can create human genetic material in the laboratory. _____True _____False?

2. The country that produces the most petroleum is Saudi Arabia. _____True _____False?

3. American oil companies do not support the development of alternate energy sources. _____True _____False?

4. NASA has developed a new kind of rocket ship that can make several trips to space and back. _____True _____False?

5. Only a small minority of American children live in homes where both parents of the only parent works during the day. _____True _____False?

ANSWERS

1. True. Recombinant DNA research, popularly known as "gene splicing," allows scientists to manufacture genes and sometimes the products of those genes from almost any living creature, including humans. 2. False. Although Saudi Arabia produces over three billion barrels of crude petroleum a year, the U.S.S.R. surpasses them with nearly four billion. 3. False. According to Jerry McAfee, Chairman of the Board of the Gulf Oil Corporation, oil companies strongly support the development of all domestic energy sources. He also points out that the so-called "windfall profits" tax is unnecessary and counterproductive. Oil companies could and would use the money to find more energy for America. 4. True. The Space Shuttle is expected to be able to make a number of trips to space and back. 5. False. According to the National Educational Assn., ever since 1975, the majority of American children have lived in homes where both parents or the only parent works during the day.

NOTICE OF HEARINGS

HOG MARKETING REVIEW COMMITTEE

The Hog Marketing Review Committee will entertain briefs, verbal presentations and recommendations from the general public at the following locations and dates:

April 17	**Lethbridge** - Lethbridge Lodge Hotel	
April 21	**Red Deer** - Black Knight Inn	
April 23	**Camrose** - Camrose Legion Hall, 4703 - 48 Avenue	
April 25	**Vegreville** - Homesteader Inn	
April 28	**Westlock** - Westlock Curling Rink	
April 29	**Grande Prairie** - Grande Prairie Motor Inn	
May 22	**Edmonton** - Location to be named	

MEETINGS: 9:30 a.m. to 5:00 p.m.
Submissions will be heard in the order in which they are registered with the meeting. Provision for private consultation with the committee may be made. Further information is available from local regional agricultural directors.

Viking Light Horse Club Report

The Viking 4-H Light Horse Club held their regular meeting on April 3rd with president Veronica Sevcik calling the meeting to order.

The members then sang O'Canada. Sheila Winters lead in saying the pledge. Members then answered to the roll call which was "your zodiac sign".

The members were informed that the date of the highway clean up would be May 3rd.

The club then decided they would clean Highway 36 south for the required ten miles. Members will meet at the club room at 9:00 a.m. on May 3rd before they begin the clean-up.

Karen Ruzicka agreed to represent the club in the Killam Rodeo Queen contest. Members agreed to participate in the joint achievement day with the Beef and Dairy Clubs by putting on a display.

Summer camps were explained and dates of these camps were given.

The County 4-H meeting will be held at Ryley on April 24. The Regional meeting will be held at Two Hills on April 17.

The Viking 4-H Light Horse club will hold their Achievement Day on July 14, 1980 at the gymkhana grounds.

Free Car Litterbags Available

Motorists in Alberta are being asked to put their litter up front, with 500,000 free car litterbags provided by Alberta Environment.

The free litterbags are available at all Motor Vehicle Branches and their network of licensing offices throughout Alberta.

The bags are being distributed by "Outdoors Unlittered", a non-profit organization promoting litter control throughout Western Canada.

"These attractive and useful bags will help Albertans to keep our province beautiful. This is especially important during our 75th Anniversary celebrations," stated an Outdoors Unlittered spokesman. "Littering from cars is not only a dirty habit, it is also expensive. It costs taxpayers millions of dollars each year to clean up our highways."

The re-usable plastic litterbags feature a recycling theme, reminding Albertans to recycle their bottles and cans.

In Alberta, soft-drink, liquor and wine bottles and soft-drink and staple serving tin cans can be returned to bottle depots throughout Alberta for recycling.

A rat can go without water longer than a camel.

Quinte W. I. Meet

There were eleven members and two guests at the last Quinte W.I. meeting which was held on Thursday, March 27th at 8:00 p.m. at the home of Mrs. Catherine Evans.

The meeting was opened with the reading of the W.I. creed.

The reading of the treasurer's and secretary's reports followed.

The correspondence was dealt with next. This included a letter from Mrs. Gunn our consituency convenor and a thank you card from the Lawes family for our card of sympathy during their time of loss.

The old business was attended to next which included our preparations for our day to entertain at Parkland Nursing Home.

New business was discussed next which centred around our card party on April 12th.

The previous visiting committee of Mrs. Harriet Newby and Mrs. Rita Seisler gave their report and a new visiting committee of Mrs. Lillian Arnett and Mrs. Lois Crouse were appointed for this month.

Mrs. Angella Johnston then gave her report on the District Two Conference she attended in Edmonton on February 27th and 28th. Mrs. Crouse reported on our trip to the multi-cultural centre in Stony Plain in March.

Roll call was taken next. For this month we told "A short cut in housework". The birthday box draw was held next with Mrs. Harriet Newby as the winner this month. The evening was ended off with coffee and lunch.

Mrs. Mary Leidl

DID YOU KNOW?

That market research surveys have shown that customers choosing a restaurant often rank "cleanliness" as more important than either "atmosphere" or the quality of food and service?

That customers can help keep restaurants and other places clean by being careful not to litter? Littering is a people problem, and only people can solve it.

That foam containers help maintain food and drink at their proper temperature better than other disposable products?

NOTICE

THE PLANNING ACT

R.S.A. 1977 as amended

TAKE NOTICE THAT the Council of the Town of Viking proposes to pass an amending zoning by-law pursuant to section 135 of the planning act. The purpose of the proposed by-law No. 338 being the rezoning from Park Reserve to R2-Residential that portion of land as shown on Schedule B attached to and forming part of by-law No. 338.

A copy of the proposed by-law No. 338 may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 6:45 p.m. on the 16th of April, 1980, the Council of the Town of Viking will cause a public hearing to be held in the Town Council Chambers at which time objections to the proposed by-law may be made and discussed.

Dated at the Town of Viking this 3rd day of April, 1980.

Lydia Hanson
MUNICIPAL ADMINISTRATOR

TENDER

The Council of the County of Flagstaff No. 29 invites tenders for the hauling of gravel required to be placed on the County roads during the 1980 construction season.

It is estimated that approximately 120,000 cubic yards of gravel will be hauled from various County gravel pits and County stockpiles. Individual or group bids will be accepted. The Council will require sufficient trucks to haul 150 to 200 cubic yards per hour. The successful bidder will be required to be available for loading between the hours of 7:00 a.m. and 6:00 p.m. daily.

The successful bidder will be required to sign a contract and to submit a Certificate from their insurance agent(s) certifying that they are carrying insurance coverage of at least $200,000.00 inclusive.

If the successful bidder requires an overweight permit, it will be his responsibility to obtain it from Alberta Transportation.

All bids are to be submitted on tender forms provided by the County. These tender forms will be available at the County office in Sedgewick during regular working hours. All tenders must be submitted to the County Office no later than 5:00 p.m. on April 22, 1980.

The lowest or any tender not necessarily accepted.

For further information regarding the 1980 gravel haul please contact one of the undersigned or the County Office.

Does Viking Need A Handyman Helper Program?

The "Handyman Helper" service is a program mainly for senior citizens who are either unable to get around very well at home or who need some extra help doing such jobs as spring cleaning, mowing the lawn, painting, digging gardens etc.

A committee of interested people is the first step. The seniors and teens must have representation.

For the handyman helper project to begin, there would have to be a registration of the people who need help around the home. Then the teens would have to register, so the organizers know who is willing to work. The prospective employer could phone in his requirements for the job needed.

The organizers would have a list of what the workers would prefer to do. Then there would be the process of matching the job with the worker.

Once this is done the employer and the employee would agree on the wage. This could be either the minimum wage or for a large job, an agreed upon sum. It would also be possible to specify wage before the matching process.

Once the specified job is done, the employee would report back to the organizer. Then the organizer would go to the employer to follow-up and determine whether they were satisfied with the employees work.

Is there a need for this program? Do you or someone you know, need or want help with some chores around the house or yard?

If you think there is a need or you are interested in seeing this program established in Viking or would like to sit on the organizing committee, please contact Deborah Taylor at 336-4024 or drop into the Preventive Social Services Office.

Spring Range Program

Putting cattle out to graze too early in the spring can seriously damage rangeland. But keeping them in the corral and feeding them hay can be costly.

As an alternative, Agriculture Canada scientists suggest that stockmen maintain an area of cultivated grass for early spring grazing.

This practice gets cattle off winter ranges and defers use of summer range until the native forage recovers from winter dormancy.

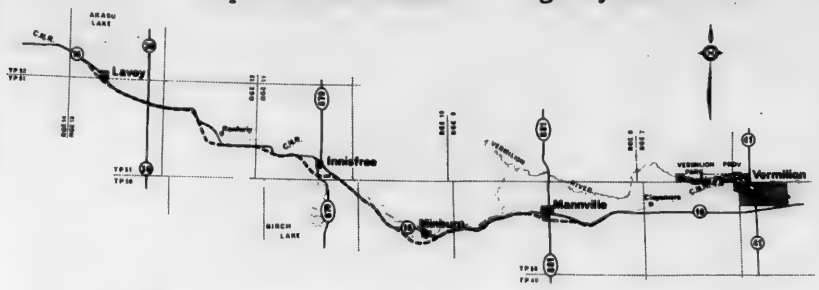
Improvements Planned For Highway 16



Title Required For Irma History Book

The Irma and District Historical Society ask "Are you interested in doing your part in making the new history book a treasure?"

Most of the paper work in organizing our society, obtaining a publisher, ordering brochures, etc., has been completed and we now need many volunteers to get on with the job.

We are looking for an appropriate title and are offering a worthwhile prize to the winner. Please mail your ideas to: Irma and District Historical Society, Box 178, Irma, Alberta by the deadline date, April 26, 1980. Please note that the Society now has a post office box.

As time passes we will be needing art work; so those talented people should put on their thinking caps and be ready.

A number of volunteers are going to the School Division to copy names of students attending the twenty-two schools that were once part of the rural scene. Were you, or a member of your family.....a student, a teacher or a trustee, or did you or your family provide a home for the teacher, do the janitor work, or perhaps help to build one of the following schools? Included in the history book will be Albert, Alma Mater, Avondale, Batts, Coal Springs, Crescent Hill, Echo, Education Point, Glenholm, Irma, Jarrow, Lewisville, Lynx, Melbrae, Orbindale, Rodino, Roseberry, Rose, Strawberry Plains, Silver Lake, Sunny Brae and Willowview.

It was interesting to read the last report, written by a different correspondent, regarding the 1911 Irma Fair Book. To many, the names included must bring back a wealth of memories. We hope if you have any such items you will let us borrow or copy them. Any old papers such as the High School Hi-Lites, and other rural school papers, letters, post cards, M.D. maps, newspaper clippings, minutes of churches and organizations will be a great help in getting information. Have you started writing your family history, including among the ordinary items, such things as family reunions, amusing incidents and your joys and sorrows and the community involvement at such times?

Many who lived in the area have moved, we are depending on you to find these people, or failing that to help record what you remember of them.

A workshop on Writing Regional History is being held in Bonnyville the evening of April 25th and continuing the following day. Registration fee is $10.00 and includes all the seminars and lunch.

Mary Newton will be driving to this workshop sponsored by Alberta Culture. If you are interested in attending please contact her before April 21st.

The next meeting of the Historical Society will be held on April 28th at 7:30 p.m. in the school. Please attend the meeting and volunteer your help. We need you now. If you are unable to attend the meeting but have answered "yes" to any of the questions in this report, begin by writing things down while you are thinking of them.

A list of contact people will be listed with the next report. We hope you will contact them to make their job easier.

Cable television began with community antenna systems set up in 1949 to bring signals into difficult-to-reach areas like mountain valleys.

growing better... together

5757

So important to the look of the land.

Today, 80% of our electric power is produced from coal. . . coal that must be mined from the land. But competitive land uses don't have to be in conflict. Surface mining doesn't have to leave ugly scars! At our Whitewood Mine, we're demonstrating the ability to successfully reclaim land to ensure its continued beneficial use to society. As custodians of two resources, we're meeting the reclamation goal of "equal to or better than". . . because we *care* about the land.

Irma News & Views

Monday, April 14th, a total of 54 Irma Band members left for New Norway where they will take part in a band workshop. The students will return on Wednesday evening. On Thursday evening, April 17, New Norway will return to Irma and take part in a band concert.

Mr. and Mrs. Allen Gulka and son Peter of Kitimat, B.C. spent the Easter weekend at the home of Mr. and Mrs. Jim Craig. Two year old Peter is staying with his grandparents while his parents are holidaying in the United States.

Christine Russell and Minnie Jackson left Irma by bus on Tuesday morning, April 8th on the way to Chilliwack, B.C. to attend the Provincial Grand Orange Lodge of B.C. They plan to return home on Saturday evening.

Gary Jones, his wife Eunice and family from Fox Creek arrived at the home of his sister, Audrey Nissen on Saturday, April 5th to spend the Easter weekend with Audrey and Fay. They left for Fox Creek on Thursday, forenoon.

Thirteen people attended the first of a series of ten yoga classes in the Irma Drop-In Centre on Wednesday, April 9th. Eighteen people has previously registered for the classes, however, some of them happened to be away.

Verna McBurney returned home by bus on Saturday evening after visiting with her mother at Wildwood, also visiting with friends at Stony Plain and other points.

Minnie Jackson and Christine Russell arrived in Edmonton on Sunday morning from Chilliwack where they had attended the Provincial Grand Orange Lodge, and while there they enjoyed the hospitality of Irene and Walter Lauvin. On arriving in Edmonton Christine phoned her son Wayne who picked them up and visited them in Irma at approximately 11:30 a.m. Wayne who has recently returned from a holiday in New Zealand is sporting a perfect sun tan as a result of his stay "down-under".

Mrs. Steve Fuchko (Chrissie) is in the University hospital in Edmonton taking a series of tests and expects to be there for at least a week.

There were fourteen people in attendance at the second in the series of yoga classes in the Irma Drop-In Centre on Friday, April 11. Mrs. Mary Maguire from Wainwright was in charge of the class.

Bill Burns had a heart attack on Saturday, April 5th and was taken to Wainwright hospital and placed in intensive care. We are glad to learn that he was moved out of intensive care on Friday last, and he is gradually improving but is still quite weak. J. Jackson

Building Export Markets For Purebreed Cattle

A federal government task force is working to help cattlemen increase Canada's purebred cattle exports.

The task force, set up in 1978 with Agriculture Canada and Industry, Trade and Commerce personnel, is trying to help cattle exporters overcome transportation problems and other barriers to export shipments.

It has sponsored seminars to improve communication between government, export agencies and farmers, and to inform cattlemen of the services available to them to help make export sales.

Bridge Clubs Hold Tournament

The St. Paul Bridge Club will be holding its first annual Open Championship on April 28th at 6:30 p.m. It will be held in the Mezzanie of the Recreation Centre in St. Paul.

The St. Paul Bridge Club was just recently sanctioned by the American Contract Bridge League. For the first time, master points will be available at the Club's Open Championship. Along with that, there will be trophies for the winner and additional prizes.

A $6.00 entrance fee will be charged for the day. The $6.00 fee will include supper, lunch table fees and one free drink during table talk hour which will begin at 6:00 p.m. that evening.

The executive of St. Paul Bridge Club would like to extend an invitation to all bridge players within northeastern Alberta to come to St. Paul to help us celebrate the inaugural annual event. We would like to get an idea of how many people are planning to attend and would request that you contact Ken Yetlaw by April 22, in order to assure adequate dinner arrangements.

Echo - Rodino Report

Mr. and Mrs. Mike Mackowski took in a day of shopping in Edmonton.

Yvonne Greenwood accompanied Joanne Gillard on a shopping trip to Wetaskiwin and Camrose. While in Camrose they called in for a visit with Teresa Greenood.

Maryann Holt and her friend Lynette Barrs had Marvin Holt chauffeur them on a trip to Edmonton.

Doreen Prosser and Yvonne Greenwood took in the Fashion Show put on by Willy Lichak in Innisfree on Friday night.

Shane Hollar travelled to Calgary to spend part of his Easter holidays with relations there.

AGT
GOOD NEWS PARTY LINE

There will be a Bad Alders meeting held on Monday, April 20, at 7:30 in the Irma School Library.

Anyone interested in coaching minor league ball or helping in any way during the coming ball season are asked to contact Ross Brewer at 336-3394 or Lee Josephison at 336-4959 Viking

Registration night for the Irma Early Childhood Services 1980-81 year will be held on Wednesday, April 23, at 8:00 in the E.C.S. room. Any child who will be at least four and a half years old by September 1, 1980 may be registered.

The next Irma Home and School meeting date has been changed to April 28 at 8:00 p.m.

A benefit family dance for the Ben Lutz family will be held in the Holden Community Hall on Friday, April 25, 1980 at 8:00 p.m. Ladies please bring lunch. Anyone not able to attend may send donations to Christine Mackay at Box 293, Holden, Alberta.

Irma Newly Weds Honored At Open House And Shower

There was open house at the home of Kitty and Bud Mcneill on Sunday, April 13th in honor of their son Neil and his bride Rosie, who were married in Edmonton on Tuesday, March 18th.

From 2 to 4 p.m and long after, the tastily decorated room was literally crammed with friends and well wishers who came to congratulate the happy coupin and to enjoy the hospitality of the McNeil home and have a piece of the beautifully decorated wedding cake. The cake was made and decorated by the bakery department of East-Alta Co-op at Wainwright.

Neil assisted his bride in opening the many useful shower gifts which were received. For the immediate future Rosie and Neil will be making their home in Edmonton.

The best wishes of the community are extended to the happy couple for many years of happy married life.

NOTES FROM IRMA W.I.

Twelve members met at the home of Mrs. L. Sare on April 3. Plans were finalized for the tea on April 12, for the Cancer Society. This is sponsored jointly by the Strawberry Plains, Buffalo Coulee and Irma Branches of the W.I. with all proceeds going to the W. Crees Hospital and for cancer research.

Members volunteered to bake Items for competition at the District Two Conference in Kinsella, which is being held on April 14th. A good contribution of handicraft competition items are also prepared.

The program consisted of two reports. Mrs. Mary Dempsey, Canadian Industry and Agriculture convenor spoke on the production of soybeans in southern Alberta.

Mrs. Edith Gunn, Health and Home Economics convenor spoke on "Salt" a condiment and preservative, so commonly used and so dangerous to the health of many, particularly those with high blood pressure.

The raffle was won by Mrs. M. Dempsey. Birthday greetings were sung to Mrs. G. Enger. Hostesses were Mrs. L. Sabre and Mrs. M. Dempsey.

Chacutenah Manor

VISITING WITH Mrs. McLean during the week were her daughter and son-in-law Mr. and Mrs. C. Saville of Edmonton.

Sunday guests with Mr. and Mrs. Lambert were Mr. and Mrs. Banks of Round Hill.

Mrs. Mamie Kellar attended the Womens' Institute Conference held in Kinsella on Monday.

Mrs. D. Klein of Calgary visited her grandmother Mrs. McRoberts on Sunday. Mr. and Mrs. Klein have just returned from a holiday spent in Hawaii.

Mr. and Mrs. Hooper are visiting their son and his wife, Mr. and Mrs. Larry Hooper who are located at an oil well site near Calgary.

Mainstream Canada

The Problem with Numbers

By W. Roger Worth

A youngster in Thunder Bay, Ontario, missed part of the hockey season this year, even though he was ready to sign the forms required by the local sports association and pay the annual fee.

The reason his application to play minor hockey was disallowed: the kid didn't have a Social Insurance Number.

That's just one example of the creeping use of a numbering system for people that is causing widespread concern in Canada.

Canadians have indeed come a long way since 1964 when Parliament approved simple legislation setting up a social insurance numbering system to control information relating to only two programs, the Canada Pension Plan and the federal unemployment insurance scheme.

In fact, the only people who legally require a social insurance number are individuals over 18 who are working in pensionable employment.

So much for the law and the Parliamentary activity that resulted in a nine-digit numbering system not unlike the one presented in the 1984 scenario by George Orwell.

What's happened with Ottawa's "restricted-use" social insurance number, of course, is history.

In efforts to upgrade electronic accounting and information systems, banks, financial institutions, credit card companies, schools, libraries, even sports associations are grabbing individual numbers these days.

The government has even forced banks to withhold 25% of Canada Savings Bond dividend payments to people without social insurance numbers. Discrimination indeed.

Realistically, it's difficult to operate without a social insurance number, no matter what government authorities say.

As a result of concern over the burgeoning use of the numbers and the potential for invasion of personal privacy by making private information readily available to almost anyone, a Commissioner has been appointed to study the issue.

It's about time.

Parliament should either broaden legislation controlling the social insurance numbering system or forbid use of the numbers by private groups and institutions. At least the public would be re-assured that Canada's legislators fully understand what is happening.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

S. T. E. P. Fund Now Totals Five Million

The provincial government intends to create employment opportunities for Alberta youth during the coming summer according to Jim Horsman, minister of Alberta Advanced Education and Manpower.

"Total funding for the Summer Temporary Employment Program (S.T.E.P.) will be more than $5 million," Mr. Horsman explained. "The final amount will be determined by the level of summer unemployment of Alberta youth."

The program will provide summer employment for young people in 10 different program elements. There are five S.T.E.P. components for post-secondary students. With the addition of a new program area for school boards projects, five elements will be offered to high school students.

Under the new program, students will perform duties related to maintenance of school facilities, beautification and other supportive school boards projects.

The post-secondary components, which run from May through August, emphasize work experience activities. The five areas are:

-- provincial government departments, with major emphasis on individual career development while providing support for departmental activities;

-- recreation, cost-shared projects with municipal recreation boards and provincial sport associations;

-- veterinary, cost-shared between Alberta Agriculture and registered veterinarians, for veterinary students;

-- tourism, cost-shared projects between Alberta Tourism and Small Business and some offices of the Travel Industry Association of Alberta, for work in tourist information centres;and

-- Law enforcement, with emphasis on performance of normal duries with municipal police forces throughout the province.

The S.T.E.P. components for high school students are scheduled for July and August. As well as the new school boards projects, they include:

-- summer farm employment for youth on Alberta farms, under cost-shared arrangements between Alberta agriculture and eligible farmers, for employment of not less than two weeks;

-- municipal governments projects, with emphasis on maintenance and recreation-type jobs, with cities, towns, villages, counties and municipal districts;

-- junior forest ranger program under Alberta Energy and Natural Resources, for eight weeks of career development camp experiences in provincial forests; and

-- agricultural society projects, operated jointly with Alberta Agriculture, to improve local facilities and provide assistance with summer fairs and shows.

To be eligbale for S.T.E.P. jobs, students must be at least 15 years of age, Alberta residents and legally entitled to work in Canada Mr. Horsman noted that projects employees are generally recruited through local Hire-A-Student office He urged students interest in S.T.E.P.jobs to register at their nearest Hire-A-Student office when it opens. Hourly rates of pay have been increased to $4.50 maximum, in the provincial government components. Last year the upper limit was $4.25 an hour.

S.T.E.P. has employed over 33,000 students since its introduction in 1972. Last summer the nine program components provided jobs for 1,100 university and college students and 2,500 high school students.

"Planning considerations for the 1980 Summer Temporary Progam include consultation with the Canada Employment and Immigration Commission.

Interested in the future of Alberta's working community?

Submit your views on manpower and training needs to the Manpower Advisory Council of Alberta

The Manpower Advisory Council consists of public members from across the province who conduct a continuing review of Alberta's manpower goals and needs. They make recommendations to the Minister of Advanced Education and Manpower on the basis of that review.

The Council is seeking the views of interested parties to help them identify problems and concerns as well as successes in meeting the current and future manpower needs of the province.

Some specific areas you may wish to address are training services and facilities, employment opportunities and labour supply.

Concerned unions, employers, organizations, educational institutions and private individuals are invited to send written recommendations* to

T. C. DONNELLY, Chairman

Do You Know The Bible Says

Mrs. W. Myers

Jesus said, "I am the Vine and you are the branches". He that abideth in Me, and I in him, the same bringeth forth much fruit. For without Me, ye can do nothing. John 15:5.

A green healthy vine or tree has a source from which it is nourished and the nourishment must be constant, with all the needed nutrients; so the psalmist says in Isa. 1, ...blessed is the man that walks not in the council of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful; but his delight is in the law or the word of the Lord, and in His law he meditates day and night. And he shall be like a tree planted by the rivers of water that brings forth his fruit in his season; his leaf also shall not wither; and whatever he does shall prosper. Verses 1, 2, and 3. The branches are the persons who belong to the family of God; born of the spirit into the ranks of the redeemed of the Lord.

You may ask...What makes a vibrant, aggressive, productive, Christian tick? First of all he must be a branch of the heavenly eternal vine, with the connection being the Holy Spirit. He is in our heart and we are in His hand.

Next, we are constantly occupied with Him. As the song says...Jesus is all the world to me...my life, my joy, my all. He is "My Strength" from day to day and without Him I would fall.

A Christian's happiness is not acquired from the intoxicants or moral stimulants that are so profusely used in these days to produce the kicks that the empty heart cries our for. But, the comrad or companionship of Jesus in our daily lives causes us to well up with a bursting joy that the empty heart know nothing about.

Only a "Spirit" filled heart can know this joy and peace and satisfaction. Now if any man have not the Spirit of Christ, he is none of His. And if christ be in you, the body is dead because of sin, but the Spirit is life because of righteousness. Rom 8:9 and 10.

Friend, are you a branch connected by the Holy Spirit and a member of the family of God?

Pioneer Laid To Rest

A resident of the Fleet District for 62 years and of Viking for the past six months, Mrs. Lydia Houseman passed away in the Viking General Hospital on March 29th, following many months of failing health at the age of 86 years.

Lydia Beck was born in County Down, Kilkeel, North Ireland on March 17th, 1894 and was one of ten children born to Hugh and Susan Beck and was raised and educated in the same area. When she was eighteen years she sailed from Ireland to Canada and then westward to Fleet, Alberta where she made her home. The trip by boat and train took nearly a month to complete.

In 1914, Lydia was united in marriage to Howard Saunders who was also in the Fleet District and to this union three children were born, Howard Jr., Gordon and Ethel.

Mr. Saunders passed away in March of 1928 and in June of 1929 she was united in marriage to Floyd Houseman who was a resident of the Fleet District. To this union one son was born but died in infancy after only a few days.

Mrs. Houseman was a very active seamstress, as this was the trade that she brought with her from Ireland and many people benefitted from her talents. She also enjoyed crocheting and reading, but her family was very important to her and gave freely to them at all times.

She was very fond of having company and visiting and everyone enjoyed her sense of humor and Irish wit. The welcome mat and warm hospitality awaited everyone at any time in her home and she was always at hand to help one and all., especially those in need. One of her main concerns was for the welfare of others. She was loved by all who knew her and a true friend she was.

Mrs. Houseman will be sadly missed by her family and friends alike. We will all have beautiful memeories of her to hold and cherish in years to come.

She is survived by her loving family: Ethel and Claude McLaren and grandchildren Colin and Muriel McLaren and two great grandchildren all of Viking, and son Gordon Saunders and wife Connie of Fleet and by two sisters: Anne Seeds and Maira Spiers who live in Ireland as well as several nieces and nephews, and a host of friends.

She was predeceased by her parents, four brothers and four sisters, by one son Howard who was killed in action during World War II as well as an infant son and by both husbands, Howard and Floyd.

Funeral services for Mrs. Houseman were conducted from the Knox United Church in Castor on Wednesday, April 2, at 2:00 p.m. with Rev. Glen Simmonds officiating. The organist was Mrs. Judy Hall and the United Church Choir were in attendance and as a selection sang: "Beyond the Sun Set". The congregational hymns were "Safe In The Arms Of Jesus" and "All The Way My Savior Leads Me".

The honorary pallbearers were Wm. Siebold, Klas Rosene, Jack Hallett, Roy Solorenko, Leslie Heath and George Hressett. Active pallbearers were; allan Holloway, Dennis Willis, Glen Siebold, Bax Skemp, Stan Nelson and Cyril Burnbury.

Interment followed in the temporary burial vault with permanent interment to follow at a later date in the Castor Municipal Cemetery. E.L. Sharpe and Sons Funeral Homes of Castor were in charge of all arrangements.

Don't Be Blind To The Dangers Of Anhydrous Ammonia

Last year ten Iowa farmers never thought they'd fall victim to the eye-damaging dangers of anhydrous ammonia. They were wrong. Now they can only dream of new born calves, sunsets and children's smiles. But they can't see them.

Jay Kratchmer, physician at University of Iowa Hospitals, reports that each year hundreds of farmers are brought to their knees in anhydrous accidents. Although he only treats what are probably the most severe cases, he knows local physicians handle dozens of other accident victims. Will you be next?

According to an 18 state report by the National Safety Council, one out of every four chemical injuries involves anhydrous ammonia. It is an efficient form of nitrogen and widely used throughout the country. Agronomists predict we'll apply nearly 5 million tons of anhydrous ammonia in 1980.

There are thousands of people involved in handling anhydrous. From the time it leaves the manufacturing plant until you get it applied, NH 3 is transferred a minimum of two or three times. At each of those points there is potential for mishap.

Be prepared to protect yourself. You've heard it before it bears repeating, especially because your sight depends on it. Wear protective equipment.

Wear approved goggles or a face shield and gloves. Goggles should be close fitting with hodded ventilation. A plastic face shield should wrap around and cover your entire face.

"Studies indicate that most accidents occur when ammonia is moved from one tank to another," notes Bill Field, Purdue University safety specialist.

Here is what Field urges you to do in the event of accidental exposure to ammonia.

1. Move fast. Water is the best and only emergency first aid for ammonia burns. Flush or irrigate the injured area with lots of water for at least 15 minutes before going for professional medical help. The first ten seconds are critical.

A 5 gallon container of water should be attached to all fertilizer application tanks. Check them daily to make sure they are full of clean water. Also, carry a small plastic squeeze bottle of fresh water in your pocket for immediate access.

2. Eyes doused with ammonia close involuntarily. Force them open so water can flush the entire surface and inner lining of eyelids. If you're wearing contact lenses, be sure to remove them before flush ing.

3. Immediately after first aid with water, get the burn victim to a doctor.

4. Don't apply salves, ointments, or oils to ammonia burns, they'll only cause deeper burns. Let a doctor decide what medical treatment to use.

"It is easier to mend neglect than to quicken love." St. Jerome

Holden And District News

Visiting with John and Emily Ogonoski during Easter were Monty and Cherry Chappell of Sherwood Park. Mrs. Emily Ogonoski was a lucky winner of an 18 lb. Easter Ham on C.J.C.A. Radio - Edmonton.

Home for easter with John and Emily Ogonoski were Dennis and Gwen of Edmonton, Robert, Ramona and Shawna Mae Ogonoski of Ryley and George, Donna, Money and Cherry Chappell of Sherwood Park.

Holden residents received a notice in their mail this week that the Ambulance Service for the Village of Holden has been discontinued. For Ambulance service in emergencies we are to phone Viking Hospital at 336-4786 or Tofield Hospital at 662-3263. This notice came from the Village of Holden.

Mrs. Siser, resident of Northview Manor in Holden, the new eight unit self-contained senior citizen complex, enjoys her new home very much. She was very pleased to state that a phone was installed recently. Mrs. Siser says she finds the size of her unit large enough and was pleased with all the facilities provided such as a stove, refrigerator, laundry room with a clothes washer and dryer. Every room is new, neat and clean with a beautiful lounge for manor residents to visit. Mrs. Siser says it is the ideal home for senior citizens and is looking forward to seeing the other units occupied.

Mrs. Doris Hunchuk entertained Darlene and Anna Shavchook on Thursday afternoon for coffee. Mrs. Hunchuk showed two albums of photos taken on their recent trip to Hawaii. Mr. and Mrs. Hunchuk feel there was much to see and explained that almost everyone would enjoy such a trip.

A "One Act Play Festival" will be held at the Regional Arts Centre in Holden on April 24, 25, and 26 at 7:30 p.m. on Thursday and Friday and at 7:00 p.m. on Saturday. Tickets are available at the door.

Bruce & District News

Congratulations to Ian Erickson and Ricky Tkaczyk who each received an award for the most sportsmanlike player at the Minor Hockey Banquet held in Viking on Sunday, April 13. Ian played on the Bantam team while Ricky was with the Pee Wees. The trophies were donated by the Viking R.C.M.P. Detachment and presented by Corporal Duncan Will.

Linda and Harold Ramsun were here from Westlock to visit at the Erickson home.

On Tuesday the 4-H girls are going to Sherwood Park to enjoy an afternoon of roller skating.

At the Wednesday night card party sponsored by the senior citizens, prizes for high scores went to Vi McCracken and Bert Siegel. Consolation prizes were taken home by Lil Siegel and John Stefanik.

Bea Fredericks and Olive Good represented the Holden United Church at FOCUS —80 which was held in Banff on April 11-18. The theme of the conference was "Will our children have faith?" and the speaker was Dr. John H. Westerhoff, III., a teacher of theology from Durham, North Carolina.

Fashion And Fabric Forecast

The fashions for the 80's are elegant-clean, uncluttered and classic. Trends are towards a slim, shapely silhouette with hemlines inching up.

Colors for summer are pure and vibrant. Brights mix together to create an exciting impact. Clean white combined with black, navy, red, or burgundy is a popular choice. Delicate pastels provide an alternative to the brights.

Dresses emphasize the slim silhouette. The T-Shirt dress in all lengths is a major trend. Dramatic effects are created with color splits in design detail.

Suits, featuring both matched, and unmatched skirts, remain a wardrobe basic. Jackets are shorter with a definite waistline and are often belted.

Skirts are straight - wrapped, or pleated or slit, with hems covering the knee. Above the knee lengths are featured in sporty garments.

Pants continue to have a narrow look with high waistbands and hip interest. Ankle length pants are often worn with high heels. The latest trend is baggy jeans, narrowing at the ankle paired with bright multi-colored sweatshirts.

Crisp fabrics are favorites for suits-linens, tweeds, poplins, salicioh and gabardine. Shiney surfaces will be found in sateens, shimmery satin, eire and chinty.

Textured fabrics like seersucker, pliise and crinkle crepe provide interest. Knits will continue to be popular especially lightweight jersey and lacy sweater knits. Striped terry and velour knits are also on the scene.

In accessories look for narrow belts, shiny and bright jewellery, clutch bags, spectator pumps and calf or crochet knit gloves.

Unifarm Hosts Social At Holden

A social evening of supper and dance is being planned by Unifarm District #63 Board to help Celebrate Alberta's 75th Birthday on Saturday, April 19, at 8:00 p.m. at the Holden Community Hall.

Mr. Howard Falkenberg, President of Unifarm will review 75 years of farm organizational history, and you'll have the opportunity to visit with your Member of Parliament, Mr. Don Mazankowski, your M.L.A.'s and your executive.

This is an opportunity for getting together and showing our appreciation of having the privilege of calling ourselves "Albertans". Enjoy the music provided by Johnny's Serenaders.

To facilitate catering commitments, advance tickets only, will be sold. Tickets are available from S. McMullen, Bruce; Don Halthohn and Peter Hrabec, Holden; Garry Manderson, Ryley; Herb Sware and Joe Lashuk, Tofield, Robert and Lilla Ash and Einar and Ellen Lovseth, Viking.

Come and help cut Alberta's 75th birthday cake.

Holden Beef Club Hold Meeting

The monthly meeting of the Holden 4-H Beef Club was held on April 9th with all sixteen members present.

The club decided to have their Field Day on May 18th at the farm of Walter Lata. The club members will be going roller skating in Sherwood Park on Tuesday, April 15th.

Kelly Ann Story gave a talk on "Showmanship" of the 4-H calves and Kevin Dwarz talked on "Grooming" in relationship to our calves.

The meeting was adjourned and three films on artificial insemination, growing grain and electrical safety on the farm were then viewed.

Club Reporter
Cheryl Giebelhaus

Pink Eye In Cattle

Pink eye, the common name for an infectious eye disease in cattle of all ages, can occur at any time of the year, but it is most prevalent in the summer when flies and dust aid in its transmission.

Dr. Frank Baker, Alberta Agriculture's beef cattle extension veterinarian, says the discomfort and debilitating effect of pink eye undoubtedly results in considerable loss of milk and meat production in an infected herd.

Occuring in most countries of the world, this disease is caused by a bacterium - moraxella bovis. Dr. Baker says it is very important to isolate affected animals in the early stages of an outbreak because of the contagious nature of the disease. Early signs include watering of the infected eyes and inflamed eyelids and "whiten" of the eyes, hence the term pink eye.

Pink eye can occur in one or both eyes. As the disease progresses, a cloudiness appears on the eyeball. This cloudiness can vary in color from white to yellow and may develop into an ulcer. In severe cases, the eyeball becomes cone-shaped and may rupture, causing blindness.

According to Dr. Baker, when treated early, pink eye usually responds well to antibiotic preparations. He says that ointments and lotions are preferable to powders because the latter often causes irritation. The medication should be applied at least once a day and preferably three or three times a day. Treatment is longer and more difficult when the eyeball has become cloudy or ulcerated. In these cases, veterinarians frequently inject an antibiotic and cortisone under the eyelids.

The importance of shielding the eye from sunlight, according to Dr. Baker, is part of the treatment that should not be overlooked. It can be done by confining the animal or animals, indoors or by putting a patch over the affected eye. These are commercial patches, similar to those worn by human beings, but many cattlemen use a piece of cardboard. It should be large enough to completely cover the eye and be attached to the upper eyebrow with "bull cement" which is the term used by cowboys for the glue that is used to put the tags on the backs of cattle at auction markets. Although an animal often rubs the patch off in a few days, it usually stays on long enough to help the eye to heal.

Among the factors that make cattle susceptible to pink eye are a deficiency of Vitamin A, dust, flies, strong sunlight, wind, tall grass and anything else that tends to irritate or injure the eye.

Dr. Baker recommends doing everthing possible to minimize these conditions. The fact that infected animals can remain carriers for more than a year makes the elimination of pink eye difficult, if not impossible.

Skillful photography and a beautiful zinnia combined to nail down second prize in the horticultural class of the recently concluded Photographic Contest sponsored by the Battle River Tourist Association. The prize winning picture was submitted by The Rev. G.W.A. Saar of Wetaskiwin who received $30.00 for his entry – one of the thirty-eight submitted in this particular class. Rev. Saar took the picture at the Emmaus Lutheran Church Parsonage located twelve miles west of Wetaskiwin.

Plaque Control — Oral Home Care Program

You can now see your mouth's worst enemy – plaque.

By chewing a tablet containing a harmless food colouring, the film of bacterial plaque on your teeth will show up as red stains.

The tablets are called disclosing wafers because they disclose the location of the transparent plaque and are part of an easy, efficient oral hygiene program to help make sure a person never has to lose teeth needlessly.

Plaque is constantly forming on teeth and must be removed on a daily basis. Dental experts state that by controlling this problem a person can look forward to healthy teeth for a lifetime.

Once a dentist has cleaned the teeth and removed all the mineralized deposits known as calculus or tartar, it is a simple job to make sure teeth remain clean for the next six months.

The first line of defense against plaque is the toothbrush. Brushing must be very thorough and reach all accessible surfaces of the teeth. A dentist or dental hygienist can instruct on the best method of brushing.

For most people, the brushing technique is a simple back and forth stroke ranging from a short gentle scrub to a vibratory motion.

Dental authorities emphasize the thoroughness of the cleaning, the end result, rather than the particular brush movement used to get the clean.

In the majority of cases, a soft, multi-tufted brush with rounded bristles should be used. Occasionally the dentist may recommend a different type of brush.

Disclosing wafers are available from a dentist or drugstore. The tablet is chewed until it dissolves and then "swished" around in the mouth.

The first time using the wafers a person will notice glowing red areas on the teeth....accumulated plaque and food debris. Brush to remove all of the red stain possible.

Dental floss or tape will help to remove plaque from the remaining areas between the teeth and near the gumline. These are common places for decay and gum disease to begin.

Complete plaque removal using a toothbrush and dental floss should be done at least once a day.

The family dentist or one of his assistants can demonstrate correct methods of plaque control, including proper flossing. Incorrect flossing can injure sensitive gum tissues. Until the child is able to floss and brush effectively, the parents must handle plaque removal.

To prevent tooth decay and gum disease proper oral hygiene must be practised. This means regular visits to the dentist and daily cleaning by the patient.

Wheat Board Advisory News Letter

Advisory members to the Canadian Wheat Board met in Winnipeg on March 20 for their regular monthly meeting with CWB commissioners. Hazen Argue, new minister in charge of the CWB, was in attendance as well as grain co-ordinator Hugh Horner.

The committee did not meet in February due to the annual district meetings being held in all districts at that time. Attendance at these meetings averaged 150 to 200 people. Committee members reported active participation by producers and all districts expressed the desire to continue to hold these annual meetings.

There was a general consensus that quotas on off-board feed grain, established at the beginning of the crop year, was an improvement over the previous year. Many producers expressed the desirability of having all grain under the Canadian Wheat Board.

Grain movement continues a gradual improvement. Quotas will be increased to allow farmers to deliver all of their barley in this crop year. Rapeseed exports appear to be less than expected, and faces stiff competition in Japan from U.S. soybeans. Lower prices to producers have resulted.

The repressed situation has been further aggravated by transportation difficulties and the fact that the grain trade protects itself by charging the carrying charges on this commodity about six months in advance. The result has been that about an additional $50 per tonne spread has been on the street or elevator price and the future price.

Farmers are receiving less this year for rapeseed because of severe competition from other oilseeds, because of transportation difficulties and because of the inefficiency of the open market system.

At the west coast the Second Narrows Bridge is back in operation and this should result in increased exports out of Vancouver.

Grain co-ordinator, Hugh Horner, says he will attempt to continue to have some grain brought into North Vancouver over the B.C. railroad so that the Saskatchewan Wheat Pool terminal and the new Pioneer terminal on the north shore can operate to full capacity. At Thunder Bay navigation is expected to begin in the last week in March. This is one of the earliest openings on record.

World demand for grain remains strong, but world prices for wheat have declined about $20 per tonne since January. The full effect of the grain embargo to the U.S.S.R. on present world prices is not fully known at this time.

Inquire at your local elevator regarding quota changes on durum and utility wheat.

May 1 remind you that April 30 is the deadline for making quota changes on your assigned acres.

OFFICE: 336-3443

What Kind Of Seed Are You Buying ?

Every spring advertisments appear saying something like "Seed Rape", grown from certified Altex, germination 99 per cent, priced cheap, call Fred".

And, every spring, some one looking for a bargain, buys and plants Fred's "seed", perpetuating a problem which spreads far beyond his farm.

The problem stems from the fact the Fred's"seed" probably contains a lot of things besides Altex rape-seed.

It could have been grown on land which produced Torch rapeseed last year, resulting in a 15-20 per cent Torch contamination of this "Altex".

It could contain cleavers, knawel or any of the other prohibited or noxious weeds that are spreading rapidly. It could contain blacking, sclerotinia or other rapeseed diseases that can cut crop yields by two-thirds.

The buyer of such seed is lucky if he loses only his crusher quota. The new noxious weeds are almost impossible to spray-kill, so he can easily end up with a new, expensive annual control problem.

If he gets the barley scalped out in a municipal seed plant, the plant becomes contaminated, as especially cleavers are almost impossible to remove totally from a mill line. Then they end up in succeeding cleaning lots, contaminating adjoining farms.

Line elevators and export terminals are vulnerable also. Rapeseed contaminated with older type rapes, or excess disease and weed levels have to sell resulting in storage or shipping blockages.

These are some of the reasons the Canada Seeds Act makes it a legally liable offense to infer any seed is or was grown from a true variety, unless it is pedigreed seed.

The use of a variety name assures the buyer that the seed has been subjected to compulsory Federal inspection for land cropping history purity, as well as weed and disease research.

Only pedigreed seed is required by law to go through this compulsory inspection. Using a variety name when selling common seed can mislead buyers into believing it has been inspected and graded also.

Plant Products Division of Agriculture Canada is embarking on an education program to make buyers, millers and intermediaries aware of the laws and their reasons for being. The C.S.-G.A. fully supports and assists in this effort to halt the spreading of noxious weeds as well as lowering commercial dockage and transportation problems.

Ethical newspapers are greatly assisting, by not inserting illegal or misleading advertisements. Such action is of great benefit to their readers, in assuring buyers of seed got no nasty surprises and sellers are spared explaining an illegal act to the Federal authorities.

So when buying your seed this spring, make sure it is certified. Otherwise you may be part of the problem rather than part of the solution.

For information on seed advertising, contact your local Plant Products Division of Agriculture Canada or the C.S.G.A. secretary, Mr. Bill Whitbeck at Alberta Agriculture, Field Crops Branch, Lacombe. Phone 782-4641.

Caring For Your Carpets

Carpeting is really easy to care for. A simple regular plan will help to maintain your carpets' original appearance.

A regular carpet care schedule would include weekly vacuuming, instant spot and stain removal and a year to year thorough cleaning.

When removing accidental spills there are a few general rules to follow. First and most important is to apply a clean absorbent cloth to the stain. The cloth will act as a blotter if pressed firmly against the stain.

Don't rub. Rubbing will only spread the stain.

For surface stains press the cloth down and hold. For deeper stains, place a weight on a thick pad of cloth and allow time for the stain to be absorbed.

After a period of time your carpet may be dulled by an accumulation of soiling materials, even with regular vacuuming. This kind of dirt cannot be removed by a vacuum cleaner and will need further steps to restore its appearance.

The surface of the carpet can be brightened seasonally using home cleaning methods but a thorough professional cleaning may be required yearly, or every second year.

Some home cleaning products leave a sticky residue on the carpet fibres that causes the carpet to soil faster after cleaning. A good way to check the cleaning product is to put some in a dish and leave it for a few days to evaporate. If it sticks to the dish, it will stick to your carpet and hold the dirt and soil particles. Don't use this kind of cleaner. If it dries to a powder which can be vacuumed out, it will not cause fast re-soiling.

Whatever cleaning method you use be sure to get all of the cleaning material our of the carpet. Be sure the carpet is completely dry before replacing furniture and allowing traffic to cross it.

Kinsella Elks Report

On behalf of the Kinsella Elks Lodge, P.D.D.-G.E.R. Bro. Earl Hardy from Holden presented P.D.D.G.E.R. Bro. J.A. Baker with his Automatic Life Membership card and lapel pin. Bro. Hardy considered it an honor to present Bro. Barker with his A.L.M., as they grew up together. Bro. Hardy called P.D.D.G.E.R. Bro. J.A. Baker "Mr. Elk" in Elkdom.

In his reply Bro. Baker thanked the Kinsella Elks Lodge and hoped to continue making a contribution to Elkdom for many years to come.

E.R. Bro. Clare Findlay congratulated P.D.D.-E.R. Bro. J.A. Baker, followed by a standing ovation from all Bros. present.

Eleven Bros. from Kinsella took the "Fraternal Elk" to the St. Paul Lodge recenily and the Kinsella Degree Team had the honor of doing the initiation ceremony for the St. Paul Elks.

Fourteen members attended the District meeting in Chauvin, "although we didn't win any of the competitions, we did make a very respectable showing."

Bro. Joe Beschell, a good member of our Lodge, passed away recently. He was proud to be a Bro. Elk and supported the Officers of our Lodge by attending meetings and helping out wherever he could with any of the Elks sponsored events. He would have been very pleased with the representation of Elk and Order of the Royal Purple members at his funeral and with the Elks Service, which Bro. L.R. White gave.

Congratulations to the Ham and Bacon winners. Thank you for your support.

Vialta Lodge News

Visiting with us on Saturday were Mrs. E. Sargent from Stony Creek Lodge in Camrose as well as Mr. John Stauffer from the Telfield Lodge.

Greetings to Mr. Thrower who si present is in the hospital.

On Wednesday, Mr. Tebir, Derin and Pawlow motored to Camrose for the day.

Jim and Velma Sangster called on Thursday to see Mrs. Suddaby, Mrs. Bedwell, Mr. and Mrs. Ziegler and Mr. C. Weder.

Rhea Jeffrey and boys of Stettler called on Grandma Ast.

Lillian Weder was in visiting with Mrs. Ingle.

Mabel McDonald called on Mrs. Suddaby.

Diane Pazsak of Edmonton was in to see Grandpa Tebir.

Mrs. Elsese had Doris Likness of Irma call on her.

Gwen Hooper called on her mother, Mrs. Evans and took her out for the afternoon on Tuesday.

Visiting at the Lodge on Sunday were Blythe Grant and Mrs. David Anderson of Killam.

Marguerite and Lee Younger of Olds visited with Mr. and Mrs. Ziegler.

Calling on Sunday to see Mrs. Ferguson were Elizabeth and Lloyd Moore and Andy and Juanita Bahyse of B.C.

Quilting at the Lodge is being held on Thursday - the 24th, while Bingo is this Wednesday, the 16th and our card party will be held on Tuesday, the 29th.

Many thanks to those who brought us nylons.

M.L.A. Report

By Tom Lysons

The 1980-81 Budget was brought down on April 2, 1980.

The main thrusts were on upgraded and expanded facilities, housing loans of over half a billion dollars from the Heritage Savings Trust Fund money to finance significant expansion of the Alberta Family Home Purchase Programme and the Core Housing Incentive Programme, including enriched subsidies.

Highways and road rehabilitation will get a boost by almost 25 percent to $562 million.

Health care, education, social services and recreation with emphasis on services for senior citizens, children, the handicapped and those with special needs.

Over the next few weeks we will be going over the budget in detail. The entire budget document would be nearly three inches thick.

A report on a survey conducted by the provincial government on the use of pesticides in the Alberta farming community was released last fall by Alberta Environment. Written by Alison Kuzyk of the Pollution Control Division, the survey of producer use of, training for, and problems with pesticides, should be of particular interest to all agricultural producers who make use of pesticides. It is also going to be of considerable help to government in determining the need for regulations concerning labeling, training for and disposal of pesticides.

Conducted during the summer of 1979, the project surveyed 333 farms in all areas of the province. This represents .5 per cent of the approximately 65,000 farms in Alberta and should be a statistically valid sample.

The survey is very comprehensive in covering a diverse selection of issues. Ranging from questions on the kind of producers using pesticides, to associated health problems, to safety, disposal and labeling concerns, the report covers all areas.

In order to provide information on pesticide difficulties, the report focused on pesticide problems. The author was pleased to discover that some previously unreported difficulties were encountered.

Difficulties identified :- Livestock illness, or death - 10 percent of those surveyed had problems. Crop or shelterbelt damage - 36 per cent had problems. Chemical residues - 21 per cent. Ruptured cans and chemical spills - 10 per cent. Health problems associated with the handling of pesticides - 27 per cent.

The survey results also indicated, however, that the difficulties encountered were more a function of poor training or incorrect application than a problem with the pesticides themselves. It was found too, that if storage of unused pesticides was easier or unnecessary, if disposal was safer and if equipment and handling was also safer, producers would have less difficulty with pesticides.

The author of the report recommended that all chemical container labels clearly state procedures for disposal. More approved burial sites should be established. Pesticide containers be refundable. That all chemical retailers, especially in smaller communities, should stock good protective equipment. Producers be encouraged to buy chemicals only as needed if they have problems storing them.

The report is now being closely reviewed by the Caucus Committee on Agriculture, and by the Department of the Environment. Further study or action will begin soon, but I certainly feel the results of this study should be of considerable interest to all Alberta farmers.

I will be in Edmonton for the next few weeks while the House is sitting, and please feel free to call me collect at 427-1885. Also, I now have a constituency office in Vermilion, which is open from 10:00 a.m. to 3:00 p.m. from Monday to Friday. Ellen Ranger is in charge there and the phone number is 853-4202.

OVER $4,580,000 CASH RETURNED TO RURAL ALBERTANS

This year $4,580,000 in cash will be returned to UFA members based on their petroleum and farm supply purchases.

More than 55,000 Albertans have a voice in UFA. These member-owners share a total service:
- quality petroleum products and general farm supplies
- 121 petroleum agencies and 28 farm supply centres conveniently located throughout Alberta

UFA has been serving Alberta agricultural producers and their rural communities for over 70 years. Patronage pays in many ways with cash dividends and quality products. That's why most rural Albertans belong to UFA.

Camrose To Host First Seniors Games

Camrose will host the nation's first provincial games for senior citizens announced the city's M.L.A Gordon Stromberg in Edmonton on Monday of this week.

Alberta Games Council, organizers of the Alberta Summer and Winter Games, is co-ordinating the 1980 Alberta Anniversary Seniors' Games as a 75th Anniversary project.

Speaking on behalf of his constituency, Stromberg said response from residents in providing volunteer organization has been favourable.

"Camrose senior citizens have shown strong leadership capabilities in the past." He is certain the city of 12,000 will shine when it steps into the provincial games limelight on August 21, 22 and 23.

The games are being designed to provide seniors over fifty-five years of age with the chance to pursue greater levels of physical, social, intellectual and creative achievement through friendly competition.

Twenty activities from horseshoes and handicrafts to tennis and trapshooting are currently being organized for seniors with direction from the newly-formed Alberta Senior Citizens Sport and Recreation Association.

Thousands of seniors are expected to participate throughout the province with eight hundred succeeding to Camrose.

For more information on how to get involved with eliminations leading up to the Seniors' Games contact your local recreation department, seniors representative or zone co-ordinator. For further details you are invited to contact Susan Blanchard, Project Director at 281-6708.

A Sports Day at Sherwood Park provided the action for Randy Olson of that centre to snap the above picture of young baseball players. Randy picked up the fifteen-dollar third prize in the class for "Events" in the recently concluded Photograph Contest sponsored by the Battle River Tourist Association. This, along with several other winning entries, pushed his total winnings to $60.00. B.R.T.A. Photo

Shady Cove W. I. News

Shady Cove, W.I. held their March meeting on the 18th, at the home of Mrs. Ruth Ash. After the usual opening, the roll call was answered with something Irish.

Gladys Holt, Kay Dorward, Nellie Chandler and Rita Hafso contributed to the birthday box. It was suggested we raise the lunch contribution. Laura Swift was elected as delegate to the Conference on the 14th of April.

Erline Suddaby of Rose Garland W.I. attended our meeting and gave a report of the meeting held at the Grey Nun Centre. This proved very interesting. Senator Martha Bielish of Alberta Womens institute was present, she relates some of her duties since she was appointed to the senate. He talk was very informative and enjoyed by all present.

District 52 have 782 members. The A.C.W.W. Convention is to be held in Germany in 1980. There is a possibility that it may come to Edmonton in three years time.

Miss Taylor of Preventive Social Services in Viking, attended our meeting. She explained the many services that they provide to help the community and asked for suggestions as to what they could do to help in different areas. We enjoyed her address very much and think we understand the work they are trying to do, much better. Their motto.... Helping people to help themselves.

It was moved by Sybil Brower that $6.00 be spent for stamps and cards. Seconded by Ida Dorward, the motion was carried.

The committee for handicrafts and baking for the Conference are Kay Dorward and Gladys Hold.

The motto given by Ruth Ash "Pause a minute and you will find, You have the time to help mankind. A cheerful word, a friendly smile, Makes their life and yours worthwhile".

Our next meeting will be at the home of Kay Dorward. The roll call is pennies - for the length of your waistline. Hostesses are Laura Swift and Helen Taylor.

The meeting adjourned with a lovely lunch served by Jenny Lefsrud and Elsie Ottoson.

M. C. R. Grant Split Decided

A meeting of the municipal representatives of the former governing authorities of Beaver Regional Recreation have finalized the dividing up of the Multi-Cultural and Recreation Grant funds.

Last Thursday evening in Ryley, two major decisions were arrived at to determine the split in the funds. At the meeting, Mr. Kent Hendricks, area representative for Alberta Culture, Youth and Recreation, was called upon to clear up some misunderstandings emanating from his office, concerning the availability of the M.C.R. grants.

Mr. Hendricks explained that the grant was still available on the same guidelines as before and that all the representatives needed to do was determine a split for the funds. He also presented one method of splitting the funds which included the total expenditures to date of each of the five municipal governments.

The current population of 8,778 within the limits of the County of Beaver provided an original total of $77,800 in grant funds. In equal division, each municipality was to receive $179,560. Twenty five percent of this total was to be earmarked for culture and the remaining 75 percent for recreation. Total grants funded totalled: $362,627.63, having an amount of $515,175.57 to be divided amongst the municipalities.

As Tofield had used portions of its eligible M.C.R. grants, determination of the split has to be worked out based upon previous expenditures and Tofield's used share was deducted from their total. Of the just over one-half million dollars remaining in the fund, Viking ($122,700), Holden ($39,300) and Ryley ($55,100) are each to receive $100 per capita while Tofield will receive $76,631.58 as $60,268.42 has already been spent. The County was eligible for $221,440.99 as they had previously spent a total of $302,359.01 on recreation and cultural projects.

So that each municipality would ultimately receive $175,560, the eligible municipalities will receive money from the County funds. The County of Beaver passed a motion agreeing to approve projects of the specific municipalities to be funded from the remaining $221,440.99. Under the motion, Holden will receive $20,795.49, Ryley - $34,285.00 and Viking will receive $51,685.00. Tofield will not receive funds from the County as they had previously received their funding from the County.

Receiving of the M.C.R. grants is dependent upon each municipality having a Recreation Master Plan registered with the government. With the dissolution of Regional Recreation, the municipalities are no longer part of the old Regional Master Plan.

Also, before funds are received, the Provincial government must approve the project or projects for which the funds are to be used. As well, the grants are made on a matching dollar basis, with each municipality required to equal the fund dollars.

Senior Citizen Units Approved

Alberta Housing Corporation advised the Viking Seniors Housing Committee that they are prepared to construct an 8 unit self-contained [illegible] dwelling in the Town of Viking.

In the spring of 1979, a committee concerned with adequate housing for seniors was formed. Committee chairman Doctor A.E. Caldwell, secretary Jenny Bird, and committee members, Kit Carrington, Judy Arneson and Jack Roddick submitted an application to Alberta Housing for the construction of seniors facility.

In considering the need for such a facility, Alberta Housing forwarded thirty survey sheets to the Viking committee. The committee conducted the requested survey and the completed questionnaires were returned to Alberta Housing Corporation for assessment, and having received no correspondence regarding their survey, the committee again attempted to contact Alberta Housing Corporation. A letter was forwarded in January, 1980. Secretary, Jenny Bird said that she did not receive a reply.

However, last Thursday, April 17, Mr. Frank Martin, a representative of Alberta Housing, contacted the secretary in person to inquire about the site selected for the facility as his firm has scheduled the construction of the Viking project for 1980.

Due to a lack of communication with the offices of Alberta Housing Corporation, the Viking committee were not prepared for this step. However, the Viking [illegible] will make preparations to Viking Town Council at a special meeting to be held later this week. Should Town Council approve the construction of such a facility, a site must be determined, architectural design selected in addition to other preparations.

Should this project be given the go ahead, it will likely be operated in the same manner as other existing seniors facilities.

The Alberta Housing Corporation assumes responsibility for the capital cost of construction and upon completion, the town then manages its operation.

The Viking Elks Lodge took their turn this past weekend at selling tickets for the 12th annual Alberta Elks Association Truck & Camper raffle. The unit has travelled all over Alberta as various Lodges display it while selling tickets. Viking Lodge members Bert Hill (left) and Jack Mattinson are shown selling what may be the luck ticket to Jim Beckham of Viking. Staff Photo

Mrs. Mary Forsal (left) and Mrs. Julia Rawaka have been reunited. It has been 52 years since the sisters have seen one another. Mrs. Forsal left Poland with her husband and children bound for Canada. Mrs. Rawaka will be visiting here for two months before returning to Poland. Staff Photo

Community Forum Held In Viking

Attendance at a community forum held at the Viking Community Hall on April 17th, proved that a number of community members are interested in rectifying problems that are evident in our town.

The forum, sponsored by the Chamber of Commerce in conjunction with the Institute of Cultural Affairs and Alberta 75 was carried out by volunteers who seek to "discover and demonstrate effective methods for comprehensive local renewal."

The group as a whole was asked to depict problems or challenges as they see them in our community. Smaller groups were then formed to discuss and present their proposals and plenary.

Challenges most prominent were those in the arena of social organizations; (too few people involved in too many things), land for development; (lack of planning from the past), social problems, (undisciplined life styles) business economics; Activities, in order to coordinate services available.

The people were then regrouped to prepare and present a symbol, a story, and a song about Viking, which were all very entertaining.

The participants proposed a Family Community Picnic, in order to strengthen family units; Growth of the Town, to organize development of the business and residential communities; Communications and involvement, in order to motivate citizens; Welcoming

One Act Play Festival Starts Thursday

The Beaver Regional Arts Centre in Holden will be the scene for the One Act Play Festival for Zone III of the Alberta High School Drama Festival Association, starting Thursday.

Opening ceremonies commence at 11:00 on Thursday at the Arts Centre. Following the ceremonies, students from Holden, Viking, Vermilion, Dévon, Sherwood Park and Wetaskiwin will begin an afternoon of drama workshops. Professionals in various drama fields will provide instruction for each [illegible]

The one act plays begin at 7:30 p.m. on Thursday and continue on Friday and Saturday, also at 7:30 p.m. Following each play, Janet Daverne will provide public adjudication. Following Saturday's performances, winners of various acting, directing and writing awards, based on the three-day festival will be announced.

Hosting of the Festival is a first for schools within the County of Beaver. All evening performances are open to the public with tickets priced at $2.50 per night.

The One Act Play Festival this Thursday, Friday and Saturday promises to be an entertaining and educational experience for the audience and participants alike.

The Boycott Decision

The decision by the Canadian government which was reported this week to boycott the Summer Olympics in Moscow is the right decision politically and economically for the majority of Canadians, but perhaps not for the minority. Part of that minority may just be the farmers of Canada.

Two major factors appear as the basis for the decision that was taken. Firstly, the Soviet Union has stated that their hosting of the 1980 Olympics is a sign of approval for the policies of their government. The suggestion here is that anyone participating in the Games "supports" the Union of Soviet Socialist Republics. This in *itself, if that is the proper interpretation,* is a solid basis for boycotting the Olympic Games.

Secondly, Canada's most valuable economic ally has taken the decision to boycott the Games. To believe that we in Canada can ignore this fact and not support the policies of the Carter administration is ridiculous. Some will say that we shouldn't be tied to the United States and should go to Moscow as a sign of true independence. Yet the realist can see that the long-term losses which could occur in economic terms are tremendous.

Yet someone may get hurt in this decision anyway. Over the past 10 years Canada has enjoyed the situation of being able to sell large quantities of wheat to the Soviet Union. In recent years, this volume has declined, but the possibilities always exist that we could increase sales. With the boycott, it is unlikely that we will be given any advantage at all in any possible grain sales with the Soviet Union.

If You Are Thinking Of A New Home . . .

Letters To The Editor

Dear Sir,

I have tried for the past year to find someone to fill my position as Irma's Representative on the Further Education Council in Wainwright and as of yet, I have not succeeded. Unless someone volunteers soon there will not be any courses offered in Irma this coming winter.

I would like to spend a winter at home doing what I have learned the past five years, rather than driving to town each evening opening and closing doors for the classes.

Perhaps it would be good for all of us to have more time at home with our families. Everyone seems so involved it may be a pleasure for others too.

There is one other alternative. Your group can act as a sponsoring organization and take full responsibility of collecting fees, opening and closing doors etc. If anyone wants to do this, I would gladly give you any advice you may need in applying for the courses.

Thank you for the good times we've shared and the new friends I met and perhaps after a quiet winter at home, I may be back at the job next year.

Sincerely,
Eunice Gulbraa

Dear Sir:

Child Safety Week, May 17 gives me the opportunity of drawing attention again to the large number of accidents that are occurring to Canadian children and to the need to continue and increase efforts toward accident prevention.

During this special week we will all become very much aware of the risks of accidents to children but let us especially remember that these risks exist throughout the whole of the year. Child Safety must become a major commitment of parents, teachers, and leisure time supervisors everywhere in Canada. Through education and supervision, we can help prevent child accidents, deaths and injuries.

Youngsters must be made aware of potential hazards in the environment, whether at home, at school or at play. The ideal time for the development of safety habits that can last a lifetime is during the learning years of childhood.

The Canada Safety Council sponsors Child Safety Week to help give children a better chance for a safe and happy future. It is counting upon your support and co-operation to ensure its success.

W. L. Higgitt,
President
Canada Safety Council

How To Raise Your Parents

The following are a few "Tips for Teenagers".

1. Do not be afraid to speak their language. Try to use strange sounding phrases like "I'll help you with the dishes." and "Yes".

2. Try to understand their music. Play Andy Williams' "Moon River" on the stereo until you are accustomed to the sound.

3. Be patient with the underachiever. When you catch your dieting mom sneaking salted peanuts, do not show your disapproval. Tell her you love fat mothers.

4. Encourage your parents to talk about their problems. Try to keep in mind that to them things like earning a living and paying off the mortgage seem important.

5. Be tolerant of their appearance. When you dad gets a haircut, don't feel personally humiliated. Remember it's important to him to look like his peers.

6. Most important of all, if they do something you consider wrong, let them know it's their behavior you dislike, not themselves.

The Homemaker

By Maureen Beaman, District Home Economist

Once again a low carbohydrate diet has emmerged under a different name. The Complete Scarsdale Medical Diet, by Dr. Tarnover, is believed by thousands to be the key to quickly shedding excess pounds.

The diet is low in carbohydrates and high in protein. Lean meat, fish, vegetables and fruit are the staples with limited bread allowed. It tells the dieter exactly what foods to eat, though it doesn't say how much to eat, except for a restriction on protein bread.

The fact remains that if you eat as much as you want and it exceeds your energy needs, you will gain weight, even on this diet. You will lose some fat, but no more fat than on any other diet of equal calorie value.

There are health hazards associated with this diet. It can bring on potential kidney disease and worsen existing kidney disease because the kidney has to excrete the excess ketones.

There are also hazards for those without kidney problems. The diet can bring on attacks of gout. It can lower blood sugar to such an extent that a person could go into hypoglycemia. Other side effects include nausea, fatigue and dizziness. It is particularly dangerous for pregnant women.

Because the diet is low in milk, breads and cereals, it does not meet daily requirements for calcium, B vitamins and carbohydrates.

Turnover claims loses of one pound per day can be expected on the Scarsdale diet. This claim seems a bit unrealistic. If you did lose this quickly, chances are it will be regained as soon as you "go off" the diet.

A balanced diet with fewer calories and a program of exercise is still your best bet for losing weight.

Viking Student Winner In Essay Contest

Editor's Note. The following essay was the First Prize winner in the 1979 Vegreville Health Unit's Essay/Poetry Contest and was written by Jody Miciak of Viking.

DENTAL DECAY - CAUSES AND PREVENTION

Teeth can and should last a lifetime! However, to ensure strong and healthy teeth, one must take proper care of them. More than ninety five per cent of Canada's people are affected by dental decay. Twenty per cent of all people in Canada have lost their teeth by the time they reach thirty five years of age. Over half the population have no permanent teeth at all when they reach fifty five years of age.

Plaque, the gluey substance which holds acid to the teeth and gums, is made from saliva, bacteria and food particles. Dental plaque can be kept at a minimum if teeth are brushed regularly. The bacteria changes the sugars in food to acids within five or ten minutes of being in the mouth. The longer food particles stay in your mouth, the faster bacteria and acid are produced. When acid has been made, the teeth are affected by decay.

Decay means the rot or break-up of teeth. It eats its way to the living tissues of the tooth. It begins with a break in the enamel. Decay moves rapidly from the enamel to dentin and finally reaches the dental pulp. When the decay in your tooth reaches the dentin you might get a toothache. The pulp is destroyed when the tooth is untreated and the later may become swollen and there will be great pain. Decayed teeth may cause infection and a person may get runkown. The poison from the infection may enter the bloodstream and will be carried to different parts of the body. Because decay is not always visible, dentists take x-rays that allow them to see the roots and between the teeth.

There are many things a person can do to help prevent decay. They are:

1. Eat the proper foods. You should have a 4 4 3 2 diet which means 4 servings from the bread and cereal group, 4 servings from the fruit and vegetable group, 3 servings from the milk group, and 2 servings from the meat group.
2. Brush your teeth as soon as possible after meals and before you go to bed. Use a soft bristled toothbrush and when it wears out you should get a new one. Floss between your teeth daily. If you can't brush your teeth right after eating you should eat some foods like apples, carrots, and celery to clean off some of the plaque.
3. Use a fluoride toothpaste, have fluorine added to the drinking water or have the dentist "paint" it on the teeth. Fluoride helps make teeth more resistant to decay.
4. Keep between meal snacking to a minimum, especially soft, sticky foods containing sugar and drinks with sugar.
5. Start going to the dentist at three years of age. Have a check up every six months throughout your life.

These things will help prevent decay. You should brush and floss daily, have regular check ups by the dentist, and eat a well balanced diet. These things will help you keep your teeth for a lifetime.

Bruce And District News

Prize winners at the weekly senior citizens' card party were Lillian Siegel and Dan Teske. Consolation prizes went to Vivian Benson and Bert Siegel.

Dot and Don Stambaugh of Edmonton were renewing acquaintances in Bruce one day last week.

While on a tour of the United States and Canada, Alf Aker and Thomas Lund of Norway were overnight guests at the home of Agnes and Roy Erickson.

Six ladies from Bruce were among the ninety-three Womens' Institute members who gathered last week in Kinsella for the annual Constituency Conference. Katie Bracha, Ruth Dwyer, Gladys Kadatz, Anne Motkoski, Ellen Dorin and Lillian Teske reported an enjoyable day and praised the guest speaker Mrs. Kretzinger.

Burning the garbage proved to be a costly, unpleasant experience for two Bruce district families. On Tuesday afternoon the fire engine was called to the Makoway home where a shed housing a number of Paul's tools burned to the ground. Luckily, Dean Makoway had managed to move the tractor away from the shed or it too might have been lost.

Then on Wednesday morning, volunteer firemen were summoned to the Irving Babitz farm northeast of Bruce where a storage shed was burning. In both instances the fire was prevented from spreading to adjacent buildings and fuel tanks.

Congratulations to Michele Blais who won the girls' singles at the badminton tournament held in Wetaskiwin last weekend. Michele will now represent Holden High School at the provincial play offs to be held in Calgary on May 3.

Annie Koppel spent last week visiting at Lloydminster with her son and daughter in-law Doug and Judy Koppel and grandson Tyler. While she was away Lillian Teske worked at the store.

Evelyn and Harold Hissett were in Edmonton on Sunday to attend the baptismal service for their granddaughter, Amanda Stefanisyn.

Holden & District News

A benefit family dance for the Ben Lutz family will be held in the Holden Community Hall on Friday, April 25 at 8:00 p.m. Ladies please bring lunch. Anyone not able to attend may send their donations to Christine Mackay, Box 203, Holden, Alberta.

The Lutz family home had damage to the interior of the home when fire broke out. The thoughtfulness of the elder Lutz children in closing windows, turning off power and calling the fire department, the entire home was not destroyed.

The Village of Holden welcomes two newcomers who will open shops for business. The grand opening of Jubilee Hairstying will be held on Tuesday, April 22. "Hairstying for the whole Family". This shop is next door to the laundromat business. The shop will be open from Tuesday to Friday from 9 a.m. to 5:30 p.m. and on Saturday from 8:00 a.m. to 3:00 p.m. Hairstyling will be done by Sharon Gill.

Wayne and Sandra Hamblin are the new owners of the M & M Store. They will have their grand opening on May 1, 2, and 3.

Don't forget the One Act Play Festival being held at the Regional Arts Centre in Holden on April 24, 25 and 26. For more information call 336-3322.

Paul Hann Show At Holden

Holden and surrounding area residents thoroughly enjoyed singer song writer, Paul Hann's performance at the Beaver Regional Arts Centre on April 16th.

Mrs. Field of Bruce was in charge of ticket sales and said that ninty-four tickets were sold.

Before his official performance, Paul Hann was welcomed and introduced by Mr. Bruce Budd.

Paul Hann charmed all attenting with his songs, jokes etc. and especially with his yodelling at the conclusion of his act. Paul Hann expressed his appreciation of performing in Holden and expressed special thanks to Mr. and Mrs. Bruce Budd for inviting him for supper. He also commented on the lovely Arts Centre.

Residents of Holden appreciated all who worked that evening and especially those from out of town.

Rural Safety Essay Competition

"Working Safety" is the theme for the 1980 Rural Safety Essay Competition, sponsored by Alberta Safety Council.

This year's contest places particular emphasis on five areas of safety, reports Mrs. Lois Hole, Chairman of the Rural Safety Essay Committee. It was felt that in commemorating Alberta's 75th Anniversary, we should encourage children to write essays highlighting livestock safety, electrical safety, stress and fatigue, wearing protective clothing, and equipment maintenance added Mrs. Hole.

This year's winners from grades 5, 6, 7, and 8 will be honored at a luncheon on April 25, 1980 at the Chateau Lacombe, with the Honorable Frank lynch Staulon, Lieutenant Governor of Alberta, presenting the Provincial Awards.

An estimated 50,380 children, representing 49 school jurisdictions wrote essays this year, an increase of 14 per cent over the number of contestants in 1979. This is a very gratifying response, in our thirtieth year of the contest, reports Mrs. Hole.

Judging was first undertaken at classroom level, best essays were then forwarded to Superintendents at each school jurisdiction and the best of them were then sent to the Alberta Safety Council. Final selection and provincial winners were chosen by a panel of teachers from the Correspondence School Branch.

A provincial winner was chosen at each of the four grade levels eligible. There were 89 winners in this year's contest, including the provincial winners. Winners receive a pin, which they keep and the school receives a classroom plaque with the student's name engraved on it. The four provincial winners also receive a $100 cash prize.

Spring Clean-Up Set For May 3

The rights of way alongside Alberta's highways will be beehives of activity Saturday, May 3. That's the day when more than 6,000 members of nearly 500 Alberta 4-H and Junior Forest Wardens clubs are expected to take part in the fourth annual 4-H Spring Roadside Clean-up of 7,000 km of highway right of way, transportation minister Henry Kroeger announced today.

Last year club members removed 46,000 bags of litter from provincial highways rights of way. The 4-H Council of Alberta association the clean-up campaign, with Alberta Transportation regional crews providing the bags and trucks for hauling the litter away.

Each club is responsible for a maximum of 16 km of primary highway, but for safety reasons, the program will not involve the medians of four-lane highways or interchange loops. Motorists traveling primary highways on May 3 are urged to exercise extreme caution.

In the event of inclement weather, the one-day event will be rescheduled to Saturday, May 10.

"I am especially proud and I'm sure all Albertans appreciate the effort being put forth by the 4-H and Junior Forest Warden clubs in this massive clean-up effort, " Mr. Kroeger said.

Attention Teenagers!

Many teenagers now a days do not know how to talk to their parents about such things as sex, divorce, suicide, running away, alcohol, drugs, friends, or other problems.

Preventive Social Service wants to work for and with the youth of Viking.

The P.S.S. office is available for teens to drop in and talk, get information and take out books.

The P.S.S. library has a number of books on such things as divorce, runaways, sex, death, self esteem, rape etc. and if they don't have the information you require, they will get it for you.

The P.S.S. Director, Deborah Taylor would like to meet the teens of our community.

Drop in to the P.S.S. office (side door of the Carena) or give her a call at 336-4024.

Vialta Lodge News

Our sincere thanks to Charlie Pobuda and accompanying pianist for the musical entertainment on Tuesday evening. It is enjoyed by all and we look forward to your visits.

Mrs. Loveseth spent a couple of days visiting in Edmonton last week.

Mrs. Ash enjoyed visiting with her son Art and his family from Calgary during the weekend.

Mr. Allen is spending a while in Sedgewick, visiting with is sister, Mrs. Russell.

Mr. and Mrs. Ziegler are spending a few days on the farm with their family.

Olga Knutsen and Aggie Galloway of Fort Saskatchewan visited Elmer Johnson and Martha and Selmer Helles.

Bob and Sofie Thuzell and Ryan Brook of Cameron called on Mr. and Mrs. Loveseth on Sunday.

Terry Sorenson of North Vancouver, B.C. was in to see Grandma Sorenson on Sunday.

Other visitors at the lodge included Margaret Garee - Vancouver, B.C., Mary Hardy - Holden, Joy Hampshire - Killam, Joan Innes and Mary Cheran of Sedgewick, Mary and Reg Stolaby - Lavoy, Kay and Bess Cotter - Calgary, Ethel Coulter - Edmonton, and Rene and Gladys DeSmal, also of Edmonton.

Quilting at Vialta Lodge will be Thursday, April 24th and the Card Party will be on Tuesday the 29th.

Help Wanted

The Municipal District of Wainwright No. 61 are hereby inviting applications for the position of Assistant Agricultural Fieldman. The successful applicant must be mature, have a class 111 drivers licence and be prepared to take a course to obtain a pesticide applicators licence.

Please apply in writing to the undersigned, not later than the 16th May, 1980.

Child Safety Week May 1-7

A large number of children require medical attention due to injuries from unsafe toys, unsafe play habits and unsafe play environments. Although federal laws have set safety standards for many toys, no law can replace parental supervision and common sense.

All toys are not suitable or safe for all children says the Canada Safety Council. A plaything that is perfect for an older child can be a real threat to a baby sister or brother.

Sliding glass doors, such as patio doors, have been the cause of many accidents to children and adults alike says the Canadian Safety Council. These accidents vary from doors closing on unwary hands and fingers to children in play running through the glass.

Most accidents involving sliding doors happen because people "forget the door is there". Use solution is to put decals or colored tape on doors so people will have a visual clue when a door is shut. Remember to fix them at both an adult and a child's eye level. It also helps to put furniture in front of sliding doors to slow down those in a hurry.

More than 230 children under fifteen years of age die each year in pedestrian traffic accidents in Canada. These general rules should be applied to daily living: Look all ways before crossing the road. Keep away from all parked cars. Play your games in safe places. Walk, don't run when you cross the road. Where there are no sidewalks, walk off the road, on the left, and face on-coming traffic.

The Canada Safety Council also recommends to wear retro-reflective clothing or yellow, white or light colored clothing at night or during dark stormy weather in order to be seen by drivers.

Viking Main Street

Guest at the home of Mr. and Mrs. E.U. Evans for the Easter holidays was Mrs. Jas Heslop of Castlegar, B.C.

Mr. and Mrs. Evans accompanied by Mrs. Heslop went to Brandon, Manitoba to visit their sister, Mrs. T. Humphries and nephew and niece Mr. and Mrs. D.J. Speers of Alexander, Manitoba.

Mr. E.U. Evans and Mrs. Heslop left on Friday for Kelowna to attend the funeral of Mr. T.H. Noad late husband of Winnifred Noad, sister of Mr. Evans and Mrs. Heslop.

Viking Student Wins Essay Contest

In the Alberta Safety Council's "Rural Safety Essay Contest", Donna Kittle of Viking was among the list of winners recently announced. Staff Photo

Donna's essay entitled "Disaster" was selected from entries submitted throughout the jurisdiction of the County of Beaver #9. Donna Kittle is a grade five student attending Viking School in Mrs. Midbo's class. Her winning essay follows:

"DISASTER"

One morning on a cloudy September day, James Candle, a farmer, was anxious to do some combining. He was almost finished the field. Now Mr. Candle is not his real name, but the story you are about to read is true.

Mr. Candle knew the wheat in the field would be damp, but he decided to try to combine anyway. He had left the hopper full of grain from the night before. Mr. Candle had to empty it before he could begin combining. After servicing the combine, he started it and began unloading the grain into the truck. However, it wouldn't auger out properly because it was damp and stuck together.

Then it happened! Carelessly Mr. Candle jumped into the hopper and started kicking the wheat to get it loose.

Suddenly his jacket got caught in the leveling auger and threw him around and around. After some frantic thought he threw his leg over the side of the hopper bin to stop himself from turning. The auger twisted his clothes into a rope around his waist, and squeezed him so he could hardly breath. He struggled and prayed that something would break or someone would come.

As he was about to pass out, the belt that turned the auger burned through. This was the lifesaver. Mr. Candle untangled himself from the "rope of clothes" and weakly climbed down from the combine. Somehow he managed to drive himself home. Staggering weakly up the path to his house, clad only in his under-shorts, he was assisted by his mother. She immediately drove him to the hospital.

At the hospital Mr. Candle's mother waited worryingly while the doctor examined her son. Finally the doctor came out of the emergency room saying, "Your son was one of the lucky ones, but he will have to stay in the hospital for a few day."

As Mr. Candle laid in the hospital bed recuperating from cuts and bruises, he had much time to think. He thought about his wedding which was to be in two days time. He also thought about his fiancee whom he loved so much. He realized that he should not have climbed into the hopper. He should have made sure the shield guard was on the auger, for he knew very well that fast moving parts such as augers and power take-off shafts should have protective coverings over them.

He also was aware that machinery should be completely stopped before checking for any difficulties. If it wasn't for the fact that Mr. Candle was young and strong, carelessness would have cost him his life.

Village Of Irma Regular Meeting Held

THE Council of the Village of Irma met in regular meeting in the Irma Vilage Office Tuesday April 1, 1980.

Present were Councillors, Barber, Dempsey, Jackson, Larson and Littlewood also present was Municipal Administrator, D.D.Creasy. Mayor Larson called the meeting to order at 7 p.m.

Moved that the minutes from the March 4, 1980 meeting be adopted as circulated. Carried.

Moved that the minutes from the March 21, 1980 special Meeting be adopted as circulated. Carried.

Business arising from the minutes: A discussion ensued relating to the lapel buttons which were presented to the School for distribution to students. A request has been made for an adequate supply for all students. Moved that 500 additional buttons be ordered. Carried unanimously.

Mayor Larson advised that a used motor grader is available. This machine appears to be in good working orded and is available immediately. Moved that the purchase of a used Wabco Model 660 Motor Grader for the sum of $19,000.00, be authorized. Carried. Councillor Barber opposed.

Moved that accounts for the month of March as presented be approved for payment. Carried.

Moved that the month end cash statement as presented approved. Carried.

Moved that correspondence from Alberta Urban Municipalities Assn. re: the review of the Equalized Assessment formula be received and filed for future reference. Carried.

Correspondence was received from Alberta Municipal Affairs relating to the taking of a census within the Village. Moved that the Municipal Administrator arrange for the taking of a census in the current year. Carried unanimously.

Moved that correspondence from Q—8 Products Co. relating to communications equipment be received and filed. Carried.

Moved that correspondence from Current Planing relating to the appeal respecting the proposed subdivision Lots 27-31 Block 8, plan 1560 W be received and filed for future reference. Carried.

Moved that correspondence from Disaster Services relating to pesticides be received and filed. Carried.

Moved that correspondence from Mount Royal College relating to special short courses and seminars be received and filed.Carried.

Correspondence was received from Disaster Services setting out the format for Course No. 01/80, Advance Rescue. April 21-25, 1980. Moved that this correspondence be referred to the local fire department. Carried.

Moved that the Recreation News Bulletin from Alberta Recreation and Parks and Wildlife be received and filed. Carried.

Correspondence was received from Alberta Urban Municipalities Association advising that a M.L.A. Committee has been established to review the P.S.S. program. Council's comments and recommendations are requested. Moved that no action be taken. Carried.

Correspondence was received from the Calgary Stampede Association requesting the use of the Village Flag for the parade at the Calgary Stampede. The village does not have a flag. Correspondence filed.

Moved that correspondence from the Irma Recreation Area Board's February and March meetings be received and filed. Carried.

Moved that correspondence from the Vermilion Health Unit relating to water samples to be received and filed.

Moved that correspondence from MacKenzie Fleming Limited relating to weed control chemicals be received and filed. Carried.

Moved that correspondence from Gem Tree Farm relating to the availability of trees ans shrubs be received and filed. Carried.

Moved that the minutes from Regional Resources meeting be received and filed. Carried. Councillor Dempsey gave his report of topics which are to be considered for presentation at the A.U.M.A. Annual Convention. The priority matters to be dealth with are inequities resulting from per capita grants, research into economic impact of centralization and closure of service businesses in small communities, increase in penalties imposed on individuals committing crimes detrimental to society, secondary road priorities and increase in penalties imposed on individuals committing crimes against Police Officers. Moved that this report be received. Carried.

Correspondence was received from Alberta Transportation advising that the Street Improvement Grant funds for the Village will be available to assist with the proposed street program in the current year. Moved that this correspondence be received and filed for future reference. Carried.

Wainwright Area P.S.S. Budget: The Wainwright Area P.S.S. Budget for the current year was presented for approval. Provisions as set out in the Joint Agreement between the co-operating bodies state that Council's decision to withdraw from the program will not be effective until the 1980 81 term. Moved that the budget as presented be approved. Carried unanimously.

By law No. 508. This By-law has been prepared to authorize a grant in the amount of $25.00 to the following charitable organizations: The Salvation Army, Wood's Christian Homes and The Canadian National Institute for the Blind. Moved that By law 508 receive its first, second, and third and final reading. Carried.

Correspondence was received from A.U.M.A. advising that the Dental Benefits schedule of fees has been revised to meet increased costs. Moved that the revised schedule of fees be accepted. Carried.

Correspondence was received from the local 75th Anniversary Committee requesting a $500.00 advance payment from the Anniversary Funds to cover incidental expenses in connection with the Irma Days Celebration preperations. Moved that funds as requested be advanced. Carried.

Weed Inspector: Moved that the M.D. of Wainwright No. 61 Council be approached to appoint Mr. Robert Hollar to carry out the weed inspection requirements of the Village for the current year. Carried.

There being no further business before Council, at this time, Councillor Littlewood moved the meeting adjourn.

These 3 lubricants with patented Gulf HydroTreating (HT) may be all you'll ever need.

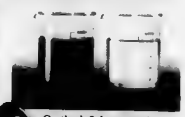
Super Plus Motor Oil with HT
The one tough oil for *all* farm engines—gas or diesel—and all seasons. Lubricates efficiently on the hottest summer days right down to -40°C. Results in cleaner engines, improved cold-weather starting, longer service life and lower oil consumption.

Gulf Duratran Transmission/ Hydraulic Fluid with HT
The one heavy-duty fluid to use in most tractors and implements, especially North American tractors equipped with a common reservoir.

Gulf Supercrown MP Grease with HT
The only grease your farm equipment needs. Through the toughest chores or the longest lay-offs.

Gulf farm lubricants work. We guarantee it.

With HT, all lubricants are no longer the same.



On the left, base stock refined by the conventional method. On the right, crystal clear stock refined by the patented Gulf HT process. Selected additives are then blended in to produce high quality finished lubricants. Since we begin with a better base stock, you end up with a better product. Now, even though lube products may look the same, be assured that they no longer are.

Save on Gulf HydroTreated (HT) Lubricants at the

SPRING LUBE SALE

"DEPEND ON KEVIN FOR GREAT SAVINGS FROM NOW TO MAY 15, 1980."

It's time to take advantage of Spring Sale prices on 8 great HydroTreated (HT) lube products from Gulf. Warranty-approved products made with the patented Gulf HT refining process that sets them apart from conventional lubes.

For a limited time, you can obtain excellent volume discounts on purchases of any of the following:
* Super Plus and XHD Motor Oils • Supercrown MP Grease
* Duratran Transmission / Hydraulic Fluid • Harmony HVI-50 Fluid • Gearlube 75W90 Oil • Dextron II and Type F Automatic Transmission Fluids.

Longer Hours Of Operation to serve you better!
Mon. to Sat. 7 a.m. to 10 p.m.
Sunday 8 a.m. to 10 p.m.

BUY NOW IN VOLUME AND HERE'S WHAT YOU SAVE.

You Buy (Litres)	You Save (Per Litre)
50 – 109	3¢

COUNTY OF BEAVER NO. 9

• FIRE PERMITS •

The period between April first and October thirty-first of each year is declared a fire season. Any person lighting a fire, (other than an outdoor campfire for cooking and warming purposes which is never left unattended) is required to obtain a fire permit. In the County of Beaver, fire permits are obtainable (no charge) from each County Council member, Fire Chief or the Agricultural Fieldman. Failure to obtain a fire permit or other contreventions of the Forest and Prairie Protection Act could result in a fine of up to $300.00 of to 90 days imprisonment or both.

Fire Is A Serious Matter . . . Treat It Wisely !

The County of Beaver No. 9
Ryley, Alberta

According to the AMA, soft water is better for hair and skin than hard water.

Irma News And Views

Neil Jackson of Edmonton spent the weekend with aunt Lorna, uncle Eddie and cousin Howard. He hopes to be registered on Monday at N.A.I.T. to take a ten week course in a sheet metal trade.

Mrs. Mary Russell (nee Thurston) has returned to her home in Mississauga, Ontario after spending two weeks visiting her mother and other relatives and friends in the Irma and Wainwright district.

Mrs. Billy Askin (nee Thurston) has returned to her home at Steen River after visiting with her mother and other relatives and friends in the district. She stayed while here, with her brother Ted, Mollie and family.

Agnes and Gunnar Larson arrived home in the small hours of Sunday morning after a brief holiday in Prince Albert, Saskatchewan.

Our grade eleven students and their chaperones arrived home on Friday evening last, after their two week tour of the Carribean. They report having an enjoyable time. They are now busy catching up on their school work.

Congratulations and best wishes to Mr. and Mrs. David Hill on the birth of their first born, a son, on April 19.

Our apologies to Mrs. Vera McBurney for the error in the spelling of her first name. Also there was an error in reporting her visit. Apparently she had only visited her mother at Wildwood. Again, our apologies.

The annual meeting of Grattan R.E.A. will be held in Irma Legion Hall on Wednesday, April 30, at 7:30 p.m. All members are ernestly requested to attend.

A. D. C. Beginner Loan Implemented

Lately there has been a lot of interest in the A.D.C. Beginner Farmer Loan so I thought I would clear up a few points:

The new A.D.C. Beginner Farmer Loan is really just a modified version of the old program.

The last resort lending provision has been removed. the program now considers the applicant as an individual. The financial status of the parent or guardian will no longer be considered in the application.

The main criteria of the new program are as follows: a once-in-a-lifetime loan to establish a workable farm package.

A preferred interest rate of 12 per cent for the term of the loan with a 6 per cent earned interest rebate for the first five years is incorporated into the program. Adequate experience and repayment ability on the part of the applicant are considered.

In summary, then, the new program will allow for more beginner farmers to make a start. If you require more information please call Bill or myself at the office at 663-3555. The ADC Loans Officer comes every Tuesday. Appointments can be made through the D.A.'s office.

A note of warning to all beef producers who use Dursban 44 to control lice on beef cattle. This product has recently been removed from the market by Dow. As such, don't use the product until further notice. The problem appears related to bulls and any treated animals should be watched carefully for up to a month after treatment. Contact the vet if animals show any signs of illness or unusual behavior.

Woodville District

On April 5, 1980 at the Woodville Community Centre, many friends, neighbors and relatives gathered in honor of Mr. and Mrs. Jake Petrunkey. A social evening of cards was enjoyed by all, as many chuckles of laughter were exchanged when the winners of each hand chose a small gift from the lovers bags.

The Woodville Community is going to miss Jake and Anne and their family as they were active community members and always there to lend a helping hand. Jake was a good farmer by trade and Anne a devoted school teacher in Innisfree.

The community wishes them all the best in their new home in Vegreville and hope they find much happiness there.

The Woodville community were glad to offer their services by catering to the lunch at Jake and Anne Petrunkey's spring sale on April 16.

The Woodville Community and district extend deepest and most heartfelt sympathy to the Fowler family in the loss of David Allan Fowler who was loved by all who ever knew him. Although these days of sorrow are difficult to bear; may it help to know that others understand and truly care.

Echo-Rodino Report

Emil Hubert has been visiting at the Prosser home while he recovers from an industrial accident.

Mr. and Mrs. Len Mantz of Mannville visited with Mr. and Mrs. Tom Greenwood the past week.

Anna May Garvie spent the weekend with her friend Kelly Smith.

Friday night again found Rodino Hall in full swing as the Rodino Country Club held a dance to raise money to help Faheen Enterprises in Wainwright. A short auction was held between the supper and the dance and the bidders enjoyed some articles made at the workshop and those donated from the community.

Sunday visitors to the Tom Greenwood home were Mr. and Mrs. Glen McAllister and Tanya of Lloydminster and Mr. and Mrs. Barry Stuart and son of Edmonton.

Morris Malderis, Douglas Prosser and baby brother of Edmonton were visitors to the Prosser home. Lorraine was unable to come as she was hospitalized. Get well wishes go to her from the neighborhood.

Mr. and Mrs. Les Prosser made a trip to Edmonton for finishing supplies for the house they are building in Minburn.

The sympathy of our community is extended to Victor Carter on the passing of his father Ken Carter formerly of Irma.

Wheatgrass Licensed

Agriculture Canada has licensed the first northern wheatgrass variety for use in Canada.

The new variety, Elbee, was developed at Agriculture Canada's Lethbridge Research Station.

It is adapted to a wide range of prairie soil conditions and is winter hardy and drought-tolerant. In addition, the new northern wheatgrass variety has excellent germination.

Do You Know The Bible Says

Mrs. W. Myers

But as many as received Him, to them gave He power to become the sons of God. John 1:12.

When we come to God and admit that we are lost sinners; genuinely repenting and accept Jesus as our Savior, God becomes our Father, and only then can we truly say our Father.

Now, before this encounter with the Lord we were not His children, so as Jesus spoke to the arguering pharisees who were claiming Abraham as their earthly father and even called God their heavenly father and yet denied that Jesus was the Son of God, Jesus told them, "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth; because there is no truth in him."

John 8:44 a. So according to the above verses of scripture we are one of the two, either a child of God or a child of the devil. Either children of light, or children of darkness. Servants of God or servants of satan.

Under the power of God or under the power of Satan.... one or the other for sure.

Can we in our own strength free ourselves from satan No! John 1:13 clearly states that we can come to God only by God's drawing us, and empowering us. Satan has power over us until God overpowers him and empowers us to come to Him. That is why we are saved by Grace; the power and grace of God that frees us from satan.

The penative sinner in the temple cried out, "Lord be merciful to me a sinner", pleading for God's mercy and power to free him from satan's power.

When we come to God as He is urging upon our conscience that we need Him, He hears us and saves us; not because we deserve it, but for Jesus sake. Jesus took our sin upon Himself and paid the penalty for it.

The power that satan wields over mankind today is evident in people of all ages from children up.

"Know this - that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breakers, false-accusers, incontinant, fierce, despisers of those that are good, traitors, heady, high-minded, lovers of pleasures more than lovers of God, having a form of godliness, but denying the power thereof. II Tim. 3:1-5. Also for a proof of this read Rom. Chapter 1.

David Fowler Passes

On April 4, 1980, Mr. David Allen Fowler of Minburn, Alberta passed away suddenly at the age of 27 years.

He is survived by his loving parents, Leonard and Mabel Fowler of Minburn, two sisters and one brother, Mrs. Harley (Dorothy) Nutt of Vegreville, Mrs. Robin (Shirley) Prosser of Wainwright and Vernon at home; also one nephew and two nieces, David and Janel and Jo Anne Prosser, his loving maternal grandfather, William John Taylor of Viking Lodge in Viking and his loving paternal grandmother, Mrs. Margit Fowler of Innisfree, also numerous aunts and uncles.

Mr. Fowler was predeceased by a brother Daryl Ross in 1958, paternal grandfather Watson Fowler in 1976 and maternal grandmother Dorothy Taylor in 1954.

Funeral services were held on Tuesday, April 8, 1980 at 2:00 p.m. at the Ranfurly United Church. Rev. A. Gifford officiated and interment followed in the Ranfurly Cemetery.

Donations to the Ranfurly Cemetery Fund or the charity of one's choice were greatly appreciated.

Park Memorial Ltd., of Vegreville in charge of arrangements.

Pioneer Laid To Rest

Kenneth Charles Carter, known to his many friends as Ken passed away in Viking on Tuesday, April 15th, 1980.

Funeral service at the Irma United Church on Friday, April 18th at 2:00 p.m. was conducted by Rev. Gordon Wilson and Rev. H. Castelon. Interment followed in Jarrow Cemetery.

Ken was born in Essex County, England on January 22, 1885.

Active pallbearers were Ralph Mark, Keith Coffin, Ross McFarland, Les Prosser, Cecil Lockhart and Clifford Firkus. Honorary pallbearers were Art Larson, Jim Pond, Bill Lawson, Bob Meakins, Milt Fahner, Lawrence White, William Masson, Charlie Milne and Ted Thurston.

THE PIONEER

Hockey Banquet Held In Viking

The community hall was the scene of the Minor Hockey wind-up banquet on Sunday, April 20.

Mr. Ross Brewer said grace prior to a delicious meal supplied by the hockey mothers.

Following dinner Gordon Hodnar, President of the Viking Minor Hockey Association, presented Emily Lefarud with a corsage and trophie in recognition of her tireless efforts for the organization over the years.

Brian Wiechaick, Sec.-Treas., gave a brief outline of the financial status of the association.

Mr. Selmer Hafso, as mayor brought words of encouragement to the teams and best wishes from the town.

Pictures were presented to each team by their respective coaches: Duncan Will and Randy Coad of the Tom Thumbs; Brian Wiechnik and Bill Kamphuis with the Mites; John Antos and Ed Majeski with the Pee Wees and finally, Gary Wolosinka, Bob Evans and Percy Wilkie with the Midgets. During the presentations Mr. Evans thanked everyone who had helped to make the Provincial Midget "C" Tournament such a resounding success. The captains and their assistants in return presented their coaches with appreciation trophies.

The gathering was rounded off to the success of the Viking teams. The Mites, Pee Wees and Bantams had all ended their season as league champions. Team members all received league trophies. In addition, the Pee Wee team received banners from the Chamber of Commerce and crests from Sylvan Lake to commemorate their efforts in Zone Two Champions, in the Provincial Tournament held in Sylvan Lake. Viking won their first two games but went down to defeat in the third game putting them out of contention.

The "Voltner Award" was won by Billy Hanson, member of the Viking Bantams and the Viking Power Skating Club. This award will be presented annually and is sponsored by Mr. and Mrs. Joe Voltner who were instrumental in bringing Power Skating to Viking. In making the presentation, Mrs. Voltner thanked all who had taken part in the past and invited all Minor Hockey members to join next season. She emphasized that the award is not "a most valuable skater award", this is impossible as all good skaters are valuable, especially to their hockey teams. Rather the award is in recognition of desire and effort in using the content of lessons taught.

Mr. John Kelly, President of Alberta Amateur Hockey Association was guest speaker at the banquet. In his opening remarks he endorsed the contention that to be a good hockey player you have to be a good skater. Also "you are never too good that you don't have more to learn". In his address he also emphasized the importance of good sportsmanship. Mr. Kelly emphasized the value of those dedicated to the sport of minor hockey in the rural communities and acknowledged the efforts of those in the community who work endlessly toward the continuation of success in the hockey world.

Corporal Duncan Will, representing the Viking Detachment of the R.C.M.P. presented "Sportsmanship Awards" to one member of each of the Viking teams in recognition of sports-manlike conduct throughout the season. Receiving awards were: Doug Nearing, Darren Antos, Rick Thacaryk, Ian Erickson and David Darling.

Once again, Tammy Maxwell drew the winning ticket for the Minor Hockey Cash Draw raffle with a lady from Strome the lucky winner.

Following the close of the banquet, orders for Viking Minor Hockey jackets were taken, with the complete order to arrive at a later date.

Viking Recreation Board Meets

Chairman Vern Hafso called the meeting to order at 8:15 pm with seven members and one visitor present; Vern, Ken, Bill, Brenda Georgina, Deborah, Phyllis and Kent Hendricks.

The minutes of the March 21 special meeting were adopted as read by the secretary, seconded by Brenda. Carried.

Correspondance;

1.)Amateur Sports News Letter asking for information on sports news and press releases of what's going on in the community. It is to be sent in for publication in their paper.

2.)Letter from the Track and Field Association informing us of the Level 1 Track and Field coaching clinics in the province.

3.)Information on the Outdoor Experience for young Children Workshop to be held May 9,10,11, at Westridge Park Lodge.

It was moved and sec., that we send someone to this workshops if we can find a suitable candidate. Probably the summer playground supervisor. Carried.

4.)Information on Workshops on Young Children Activities to be held in Bruce on April 16.

We were to pass on this information to interested groups-Kindergarten parents Association and the Child Care-Mother's Day Out Program.

5.)Information on Project Involvement for Seniors. The secretary was to return the questionnaire enclosed.

6.)Letters from Canadian Amateur Football Association survey, information on the 1980 Provincial Aquatic Workshop, and registration form for the National Coaches Certification Level 1 Theory Course.

7.)Letter from Recreation and Parks informing us of a meeting on April 17 in Ryley to deal with problems concerning the MCR funds for the Beaver Regional area.

8.)Letter from the County informing us of a proposal to build a hard-surface pad in the school grounds on a cost sharing basis, estimated cost $5,000. It was moved and seconded, that we send a letter to Town Council recommending our support of this project. Carried.

We also recommend that concrete rather than asphalt be used for the school-Community Incentive Assistance Grant. (CIG) per capital is available for such a project.

Old Business;

Five-Year Master Plan

Kent Hendricks was present to help us with the final revision of the Five-year Master Plan. He suggested we add an index and an appendix and make recommendations regarding future programing and administration of proposed programs and facilities.

1980 BUDGET

We continued discussion of the Budget and allowed for some additional expenditures. R.W.E.P. - $1,800
S.T.E.P. - $500
Sr. Cit. Programs $500
Material for Lion's Park and Lake Thomas Development. $3,000

It was moved and seconded that the final revised draft of the recreation board budget be presented to Viking Town Council for approval.

It was moved and seconded that meetings start at 7:30 p.m. Carried.

It was moved that the meeting be adjourned. The next meeting will be held on May 13. Phyllis Lefarud

C. W. Sears Elementary School

Serving the educational needs of 224 students, kindergarten through grade three with 11.1 teacher equivalents.
Principal: Keith Robson

Deep in the jungles of Africa!

A little dab will do it.

Great artists at work!

A young librarian.

So this is Canada?

We've only just begun!

Books, books, books!

Flying through the air with the greatest of ease!

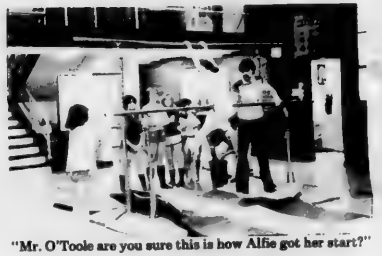
Tofield School

Serving the educational needs of 466 students, grade 4 through grade twelve with a staff of 25.3 teacher equivalents.
Principal: Al Pollack Vice-Principals: Brian Aubrey; Hans Sperrebaum

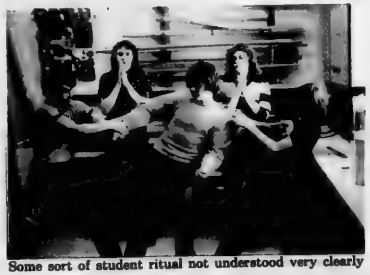
It's a bird, it's a plane, no it's . . .

One of Tofield's hallowed halls!

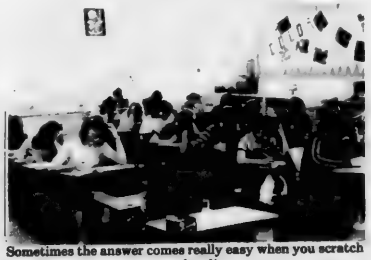
Some of us just like to sit by ourselves!



"Mr. O'Toole are you sure this is how Alfie got her start?"



Some sort of student ritual not understood very clearly



Sometimes the answer comes really easy when you scratch your head!

Janitors have to rest too, you know . . .

"Bathing Beauties!"

Board of Education

75 Years Of Knowing And Growing

During Education Week, we traditionally attempt to put on display items representative of the Educational program in our schools. This is generally achieved through essay contests, science fairs, student forums, displays of student work and activities observed on open house days at the schools.

We welcome you to participate in our Education Week activities planned in each of our schools. Our theme this year, "75 Years of Knowing and Growing", represents a direct tie-in with our Province's 75th Anniversary. Our Education Week programs will basically represent the Educational scene of today and we hope you will reflect on the past to appreciate how far we have advanced.

In addition to our programs at the school level we are pleased to note that our students have submitted entries to the Provincial Science Fair, Rural Safety Essay Contest and Provincial Crafts Competition. Dirk Jessen of Tofield High School very ably represented the County of Beaver at the "Forum for Young Canadians" in Ottawa during the last week of March.

We are proud of the achievements of our children in the County of Beaver. They will be the recipients of our heritage and certainly should receive the best. We thank you for your support in this regard and trust you will visit our schools during Education Week as well as other times during the year that are convenient.

"With us they share their heritage
Natures vast domain
But we, not they, must keep from harm
The earth, the air, the rain."

Fred W. Reinholt
Superintendent of Schools

"Yes, may I help you..."

"I think I have to leave . . ."

Educating Our Children

As we celebrate the 75th birthday of our province we should look back to see what conditions were like these past 75 years. Most of us won't remember too far back, but probably far enough to describe real differences in our school system today compared to years ago.

Remember when we had the one-room schools, when the kids walked or rode a horse to school, there were several grades for one teacher, the kids huddled around the wood stove to keep warm on cold days, the kids had a new teacher each year, and everyone trembled when the school inspector arrived?

My how things have changed today. All the schools are in town and the kids ride a school bus. Teachers have only one grade or a few special subjects to teach. The kids have many books to read, films and television to learn by and nice gymnasiums to play indoor sports. The opportunities are much better today.

I think we should all take a moment to think about what we have today and how thankful we are for that. Also we should be thinking about the future. Can we continue to provide so much when we have fewer kids and money? We need to meet this challenge each year in order to continue to provide the best for our kids in the County of Beaver.

Sincerely,
Charlie Sears
Chairman
Board of Education

"Make me..."

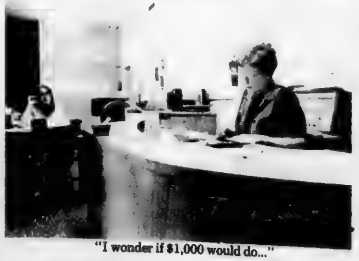
"On the one hand..."

"Then there's always the other hand."

"Okay Fred! I warned you..."

"Gold: $4000?!?!"

"No, the round peg in the square hole."

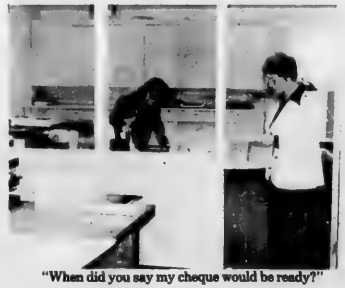


"I wonder if $1,000 would do..."

EDUCATION
is a Life Long Pursuit
in quest of Wisdom!

"Ehhhhh..."

"Just say AH..."



"When did you say my cheque would be ready?"

Alberta Teacher's Association Report

If the events of the past few months are any indication, the decade of the '80's will prove to be the most challenging of the century. Major political and economic changes, some of which affect us directly and some which will have a delayed impact on our lifestyle, will make it necessary for Albertans to reevaluate their ambitions. Science may not be able to provide the answers to all of our problems, as we have come to expect. Personal initiative and efforts will have to play a greater role in supplementing our government's measures to guarantee Canadians one of the highest standards of living in the world. Education will play an increasing part in preparing people to accomplish the tasks ahead.

In this year, the 75th anniversary of our province's founding, we are fast approaching a milestone in human history. We are about to turn a corner on the road of fate but our maps do not tell us where the road leads. Public education in the 1980's must rise to the challenge of helping Candians to draw that road.

"Learning and growing for the '80's" is the title we have given to this task.

LEGISLATIVE LIBRARY MAY 6 1980 EDMONTON

The Viking Fire Department were called to an in-town fire Friday afternoon at the Jack Slavik residents. The fire completely destroyed a storage shed at the back of Mr. Slavik's property and was started by an unattended grass fire. Staff Photo

Fire Conditions Extremely Critical

The recent spell of hot, dry weather is creating problems for the volunteer fire departments in the area. The tinder-dry condition of the areas in the towns and in the country, combined with careless burning or cigarette smoking has resulted in a rash of grass fires.

Viking Fire Chief Bill Kamphuis reported that 8 grass or grass-burning related fires have occurred in the past week in and around Viking. He noted that hopefully the new burning by-law being drafted by the Town would ban all burning. The Fire Chief pointed out that the burning of lawns is prohibited and no burn barrels can be within 60 feet of a building (dwelling).

Deputy Chief Larry Froland of Irma reported that about half a dozen grass-related fires have occurred in the country around Irma in the past week. As of Monday, no fires had occurred in the Village.

Mr. Froland said that careless burning of grass and garbage has resulted in most of the fires. He also said that the careless discarding of cigarettes has been the probable cause of two of the fires. He noted that the extremely dry conditions allow for a quick spread of the fire. The Deputy Chief stated that the Department is encouraging people not to burn, even under controlled conditions.

Bruce Fire Chief Ken Stambaugh reported that in the past week three grass fires have occurred. He said that the fires were caused by the burning of grass or garbage. Mr. Stambaugh noted that they are trying to educate people in the Bruce area about the dangers of open burning of any kind

Laughlin Land Offer Received

Viking Town Council has received an offer from the owners of the Laughlin Estate land to sell a portion of the land to the Town.

In a letter from Mrs. Dorothy Purvis and Mr. J. Laughlin discussed last Wednesday, Council was offered between 35 and 40 acres on the western side of the Laughlin quarter-section which is located on the east side of Viking. A line which cuts through the eastern edge of the slough across from Ruzicka Trucking's loading station and which runs parallel to the streets of the Town will form the eastern boundary of the parcel offered.

After a legal survey has been completed, the exact acreage of the total parcel will be calculated. From this total, five acres will be subtracted in lieu of the slough and the remaining net acreage is priced at $6,000 per acre. Thus, if the total acreage of the parcel is 35 acres, the Town will pay for only 30 acres.

The offer is subject to the removal of a restrictive caveat now on the property title and proceedings are underway to have this removed. It is also subject to obtaining approval for the subdivision to allow for residential development as designated under the New Viking Town Plan.

Mrs. Purvis and Mr. Laughlin have left the offer open until June 15 of this year, but Council moved quickly on the matter and has decided to complete all necessary steps to facilitate the purchase of the land. As the money must be paid within ninety days of the subdivision, Council must make arrangements for the necessary financing.

The offer from the Laughlin Estate follows efforts by Boyd Oberhoffner of the Alberta Municipal Affairs on behalf of the Town. His efforts led to a meeting between the land owners and Councillors Evans and Taylor who finalized arrangements for the written offer which Council has received.

In two other land matters, Council decided to begin development of the newly annexed industrial land on the east end of Town, and to proceed with the purchase of the Ray Slavik land for the new water reservoir.

Councillor Taylor raised his concerns that the Town should start development of the industrial land area just south of the Viking Meat Market Abbattoir. He felt that if Council didn't act now that it would be another year before the land was developed and businesses needing this land would be lost to the Town.

Council decided to contact Boyd Oberhoffner as to the status of the development plan and proceed as soon as possible with the development of the industrial area.

In discussions with Cicon Engineering of Edmonton, Council was informed that preliminary tests on the land proposed for the new water reservoir are satisfactory. Ron Chrapko of Cicon Engineering advised Council that purchase of the approximately 40 acres from Ray Slavik be proceeded with under the agreement previously drawn up.

Construction on the new water reservoir and treatment facility is to begin in the near future, with completion set for this fall and utilization set for next year after the spring run-off has filled the new reservoir.

Viking Subject Of T.V. Film

Viking has been selected as the focus of a one-hour television program as part of the 75th Anniversary celebrations. Q.C.T.V. Ltd. of Edmonton has selected Viking as one of twenty-five Alberta communities which will be the subject of hour-long T.V. shows.

In a letter to Mayor Hailes, A.C. Williamson, Chief of Programming for Q.C.T.V., informed Council that the filming will be done in May and June. When the films are completed, they will be shown over the Q.C.T.V. Cable Systems.

Arrangements will be made to show the film on Viking in the Town and a copy of the film will be donated to the Provincial Archives as a permanent reminder of Alberta's 75th Birthday.

Council appointed Lon Josephson to act as liaison with Q.C.T.V. for the filming venture.

In other Council business dealt with at the meeting of April 23rd, Council decided to take part in a proposal by the Superintendent of Schools, Mr. Fred Reinbolt, to further develop the playgrounds at the schools throughout the County. Mr. Reinbolt's proposal was received by County Council with an indication of some financial support.

The Superintendent's proposal calls for the installation of a "hard-surface" pad at the Viking, Holden, Ryley and Tofield Schools, at an estimated cost of $5,000 per pad. The pad could be used for tennis, badminton, volleyball, basketball, rollerskating and various other activities.

The proposal also called for the installation of basic playground equipment at the new C.W. Sears Elementary School in Tofield at an estimated cost of $5,000.

Council felt that the idea of the pad was worthwhile and decided to take part in the development.

The Viking Council also received a letter from Dr. A.E. Caldwell, Chairman of the Viking Senior Citizens' Housing Committee, requesting the Town's help in determining a site for the new eight unit self-contained senior citizens' units to be built in Viking. Council was in full support of the new units and discussed the two major possibilities at length.

One location as contained in the new Town Plan, is on the present baseball diamond site. The immediacy of

Continued on page 2

Day Care Centre To Be Shut Down

The Child Development Centre or Day Care Centre, operated by the Viking Child Development Society must be moved from its present location or be shut down by June 20th. The present location of the Centre at 5215 57 Avenue does not comply with the 1978 Alberta Building Code requirements for a day care or pre-school facility.

The Day Care Centre has been operational in Viking for about five months. The program has a total registration of 35 children, with an average of approximately 10 children in attendance per day.

In their search for a facility for the Day Care Centre, the Child Development Society could only secure the present house which is owned by the County of Beaver. Mr. J.R. Webber of the Alberta Safety Standards Branch has determined that this facility does not meet the necessary requirements.

Under the Alberta Building Code, it is extremely difficult for a single-family dwelling to be approved as a day care facility. Under the Code, protective fire walls throughout the building, a fire alarm system, two basement exits, emergency lighting and various other requirements are mandatory.

A letter from P.D. Carruthers, Licensing Inspector, Social Care Facilities Licensing, dated April 14, 1980, ordered the facility closed immediately. Following receipt of this letter, Deborah Taylor, P.S.S. Director, contacted Mr. Dick Massiah of the Buildings Standards Branch to seek an extension of the license.

Miss Taylor's efforts resulted in a 60 day extension of the license as long as several conditions were met. These are that smoke detectors be installed (2 per floor), that a ratio of one adult to five children be maintained, and that no children be allowed in the basement of the Centre. Mr. Webber inspected the facility last Thursday to determine if the new regulations were being followed.

Deborah Taylor said that as of June 20th the facility will be closed unless renovations can be made to the present house, or unless a new location can be found. She said that there were few possibilities for another location, but that the Society

Holden Supports "Anti-Litter" Week

The Village of Holden has scheduled "anti-litter" week for May 5th to 10th. During this week, the Village is encouraging residents to clean up their property.

During "anti-litter" week the Council has arranged for extra garbage pick ups to be made. The Village of Holden had a record year for construction during 1979. Considering this, and the fact that we experienced several fall and winter storms, a lot of heavy construction paper and materials are still evident, on tree tops, and surrounding alleys, playgrounds, etc.

Residents in the Village have always appreciated the clean-ups done by certain classes from school and their teachers.

Clean-up will be very important this spring due to the Village planning the 75th Anniversary celebrations.

We Must Take Care

The possibilities of there being a great deal of property destroyed are evident. The probability is increasing every day. Our efforts must be towards decreasing that probability.

The hot dry weather has produced a situation that is just ripe for fires. In the past week there has been a large number of grass fires in our area. Most of these have been caused by negligence. None of them has resulted in a large loss of property or any loss of life. But until the area gets a good rain, we must all use extreme caution when dealing with fire.

Burning of any kind should be stopped. The ground is so dry that sparks from a garbage fire in a burn-barrel could easily result in a costly fire. As well, we must be cautious when discarding cigarette butts or matches.

We have been very lucky up until now that there has been no loss of life or a major loss of property. It could happen, though, if we do not all remain constantly aware of the ever-present danger due to the extremely dry conditions.

It Will Be A Shame!

June 20th is the date. That is the date by which the Viking Child Development Centre must be moved to new premises, must have renovations completed in their present location, or will be forced to close down.

Just five months ago many people were doubting whether or not a Day Care facility was necessary in Viking. Many people suggested that there wasn't a demand for one. Yet presently there are 35 children registered with the Centre, and an average of about 10 children use the facility on a daily basis. The Centre is staffed with trained personnel and a very valuable and necessary service is being provided by the Child Development Society.

Many, many hours of volunteer labor on the part of many people in Viking have gone into making this facility an operational reality. They have proven that there is a need and that the program is worthwhile.

June 20th is the date. Hopefully before then the people of Viking will do everything in their power to help the Child Development Society ensure that this much-needed Day Care Centre is not closed down.

Letters To The Editor

Dear Sir:

On Saturday forenoon a call came for help in fighting a fire at Steffanson's Lake picnic grounds. The fire crew and engine responded and soon had the fire under control.

It was ascertained that there had been some kind of a wild party at the lake on Friday night and evidently the fire had not been extinguished when the finally broke up. The winds from the southeast evidently blew sparks into the dead grass in the bush.

The number of empty beer and whisky bottles laying around would definitely indicate that the people taking part in the party were in no condition to feel responsible for fire, or anything else.

There is now only one picnic table where originally there were three. One table was wrecked completely, quite some time ago. There are still some small pieces of the second table appearing in the ashes of the campfire.

Much effort was expended on this picnic spot and many people have enjoyed this pleasant lakeside picnic area which is in danger of being wiped out by the idiotic behavior of irresponsible, stupid people....ably assisted by the beaver who have destroyed many of the shady poplars.

A Responsible Citizen

Dear Sir:

The M.C. at the Variety Concert on Sunday asked for public comment on the show. This is as good a way to relay our thoughts, as any.

It certainly was an excellent show of the local talent, and should be commended. It is a good way to spend any Sunday afternoon. Evenings always seem to be spoken for, in the Viking area, because of so many other activities and organizations.

We really enjoy live entertainment and Viking has always been praised for its excellent talents. Please have more of these functions with more participation from performers AND Public Support.

Another show for the Alberta Anniversary is a grand idea. Mrs. M.J. Miskew
Viking, Alberta

Subject Of T.V. Film Continued from P. 1

the need for the site was seen as creating problems of relocating the ball diamond at this time.

The second location discussed is immediately behind Vialta Lodge. Council decided to have the Town Housing Committee meet with the Senior Citizens' Housing Committee to determine the best location.

Council has decided to engage a lawyer to take action against the few remaining businesses in Viking that have not purchased a business license. The Business Licensing By-law took effect on January 1, and only about half a dozen businesses have failed to comply with the new by-law.

Council also decided to approve the request by the Viking detachment of the R.C.M.P. for secretarial help. The Town will be supplying fifteen hours of secretarial help per week, thus allowing for a secretary in the detachment office four days per week.

Acceptance of the lease agreement by C.N. for a parcel of land at the south end of Main Street was received by Council. Cost of the lease is 11.00 per year with cancellation on a 30 day basis.

The Town's enquiries into the possibility of having automatic signals installed at the C.N. crossing immediately east of Viking resulted in a letter from the Canadian Transport Commission questioning Town of County jurisdiction. Council felt it didn't matter who accepted the responsibility for the jurisdiction and decided to make application for the safety signals.

Council also approved three yearly requisitions. The Beaver Foundation's request of $10,258.98, the Viking and District Chamber of Commerce request for $3,130.30 and the Viking Recreation Board's request for $10,150.00 were all approved by Council.

In a final item, Council was notified of the twinning of Viking with O'Leary, Prince Edward Island as part of the Canada Week festivities for 1980. Council has already been notified of some Viking residents who will possibly be visiting Viking's twin community this summer.

Fire Conditions
Continued from P. 1

during the present dry conditions.

Former Holden Chief, John Ogonoski reported that only one grass fire has been reported in the Holden area in the past week. He said that most people in the area are refraining from burning, thus creating few problems.

Al Barker, Kinsella Fire Chief, reported that three grass fires have occurred in their area in the past week. He said that in extremely dry conditions like these, anybody who burns "probably has holes in their head".

Chief Barker requested that anybody cutting brush and piling it in long windrows should make breaks in the windrows so that the fire equipment will have easier access to a possible fire in the area. He also said that farmers should also make breaks in any long hay stacks that they are piling so that the trucks can more easily move in and around them if they catch fire.

County Fire Chief Laurie Weatherill stated that due to the extremely critical conditions, everyone should refrain from burning of any kind, including garbage. He said that most of the fires in the County, up to the present time, have been due to negligence, but that there could now be more started due to broken glass or sparks from trains.

Chief Weatherill noted that the area is fortunate that there hasn't been a greater loss up until now, and warns that extreme caution must be exercised until the area gets rain.

Help Wanted

The Municipal District of Wainwright No. 61 are hereby inviting applications for the position of Assistant Agricultural Fieldman. The successful applicant must be mature, have a class 111 drivers licence and be prepared to take a course to obtain a pesticide applicators licence.

Please apply in writing to the undersigned, not later than the 16th May, 1980.

What The Next 10 Years Will Bring

As a writing assignment, my Grade Nine Language Arts class was asked to express what they foresaw over the next ten years both from a general and a personal perspective. The results ranged from the realistic to the fanciful, from the serious to the humorous.

Following are excerpts taken from these papers; these will speak for themselves, illustrating that variety of personalities that is a fact of life. (Anonymity is at the request of the students.

C.Maxwell

.....in ten years down the line, the job I would like to have is that of a dentist. I have given this a lot of thought and have come to the conclusion that the cheapest, although maybe not the easiest, way to get in this profession is by joining the Armed Forces.

.....Hopefully, I will have finished school and have a job. I wish to be either a secretary or an actress. As for a secretary, I don't know whether anyone will need a secretary at the rate technology is moving at. By the time I get through secretarial school, computers may have taken the place I could have had.....I can always settle down, have children and grandchildren. I really don't know where I'll be, or what'll happen to me in the next ten years, but who does?

.....The next ten years shall be the most challenging and, hopefully, the most exciting of my entire life. When I finished high school I plan to wait one year before furthering my education. During this year I plan to travel to some exciting and exotic country.

....In ten years I will probably be a farmer. In order to take that courageous step in my life, I will have inherited some land, machinery and buildings or I could have won a million dollars in a lottery.

....In the next ten years who knows what will have happened? We might be living on the moon or some other planet. People might also be living in space ships all over the solar system. Or computers and robots will take over the earth and have men as dummies or specimens to work on.

.....In ten years I will be rich. Why you ask? Who cares? No, I will tell you. In return for the money Skave gave me a new modernized car that runs on horse wastes. I sold it and made a million on it.

....My life during the next few years will be focused on my being a famous hockey goaltender. Four years from now I will be playing for the Red Deer Rustlers. Then two years later, I am to be drafted by the Edmonton Oilers of the National Hockey League.

....In ten years our lives will be greatly changed. Our knowledge will be greatly advanced. All we will have to do is press a button or a series of buttons and get what we want. People will become so dependent on machines that they will probably forget how to live without them.

....Wherever I tell my friends what I expect, or hope to be doing in ten years they tell me I'm crazy. Probably because I'm highly unlikely. My reason for saying this is, my ambition is simply to move to California, marry a cute movie star, and live happily ever after. I can see the California part of it but somehow I kind of doubt the rest of it.

....Once I receive my matriculation, university will be the next step of learning. Maybe I can get a degree in some field. When I complete university, I will probably get a job. I'll be glad to see my first pay check....going on a holiday, perhaps Europe or Africa.

....I think that by that time, computers will have a number of the jobs that humans now hold. I think that we will be low in things like oil and gas. Nuclear power plants will be used to make quite a bit of our electricity....of course we might not have to worry about having a crowded world; Russia and United States might have a nuclear war and end it all.

....In some ways, it's scary to think about what the world would be like in ten years from now. In other ways it is a challenge to set goals for oneself and try to reach them. The 80's will bring about many changes, some good, some bad; some predictable and still others will be totally unexpected. Even now, we are dependent on machines and computers for many things. By 1990 maybe there will be a few jobs that computers can't do. On the other hand thousands of new job opportunities could open up in different fields which are unknown to us now. Will we still be around by the end of the 90's? By that time nuclear scientists may have developed and have used the ultimate weapon which could be capable of destroying the human race.

....The next ten years of my life are the most important ones I will ever have. I may take of one year or further my education. I will further my career as a vet or an accountant. The marks necessary for these fields will have to be intense. I hope to have a boyfriend but maybe not marriage - quite yet. I do, of course, travel to Europe, South and North America and to a warm tropical country like Cuba. One other ambition is to obtain a season's ticket for the Edmonton Oiler season.

....We could have a nuclear war which could possibly destroy at least 90 percent of the earth's population, if not all. If there were any survivors they would have to begin life on earth all over again. If that doesn't happen, I believe that life on our planet will change incredibly.

....Private business enterprises will be a thing of the past and everything will be government owned.

....By the year 1990, I see the world as very highly advanced in technology. Most of the tasks done by manual labour will be done with the use of computers. A person will probably only need to go to school for only a short time because teachers will be replaced by computers. to be continued

Day Care Centre
Continued from P. 1

would be approaching the Churches again for possible use of these facilities.

The P.S.S. Director also noted that construction of a new facility was not possible at this time. She said that it would be very sad if the facility had to be closed because it is definitely serving a need in Viking and a tremendous number of volunteer hours have gone into keeping the facility operational.

The Child Development Society has sent letters to the various governments seeking support in keeping the facility operating. Evelyn Carrington, President of the Society, received a call From M.L.A. Tom Lysons who advised her to contact the County and see if renovations could be made to the present facility. He informed Mrs. Carrington that the Building Code was passed for the protection of all Albertans and thus it must be adhered to.

The Child Development Society has just received a $5,000 grant from the Alberta government to use toward the purchase of a trailer to be used for the paper depot. The Society has been granted permission by the Viking Town Council to park the trailer, when purchased, in the lot beside the Viking Civic Centre.

W.I. Ladies Entertain At Battle River Lodge

Having been prearranged to coincide with the monthly birthday party, a group of Irma ladies representing the Strawberry Plains W.I., assisted by Ernest Rae on his violin, entertained the residents of Battle River Lodge in Wainwright on the afternoon of April 23.

Lorna Jackson very capably handled the position of M.C. with Doreen Bell on the piano and Ernie Rae on the violin. Lorna also provided a bango for a sing-song. Each of the residents were given a number and when their number was called they were presented with a prize. The star of the party was vivacious Gabriella Chavarria from Mexico who treated the audience to a Mexican dance.

Those celebrating birthdays were Leslie Heffren who was 84 (he was also celebrating his 54th wedding anniversary), Mrs. Dora Armstrong, Mr. John Ferneybough, Mrs. Magdalene Berg. These four sat at the table on which the decorated birthday cake was displayed and Happy Birthday was sung to them.

Two others had birthdays but they were absent, Mrs. Tressa White and Tony Chartier.

The cake was cut and lunch served and a period of socialising was enjoyed. Mrs. Ethel Bacon took the mike and on behalf of the residents expressed thanks to the Strawberry Plains ladies for the pleasant afternoon.

Many former inmates inquired of their old friends in Irma and sent their greetings...among these were Ada Pedel, Jim David, Reinholt Stach and Pearl Oldham.

Chacutenah Manor News Items

Mrs. Simmermon is in Edmonton, guest of her daughter, Mrs. S. Smith.

Mrs. G. Cosford was a Sunday guest with Mrs. McLean.

The monthly social evening and birthday party was held in the Lounge on Wednesday with Mr. and Mrs. Lambert as convenors. Mrs. Lambert welcomed the guests. A spirited sing-song was enjoyed with Mrs. Parsons as pianist. Mr. A. Pierce contributed several solos which were well applauded. A few games of Bingo were played, followed by several very fine instrumental numbers contributed by Mr. and Mrs. Parsons and Brent Pierce.

Lunch was served by the committee, Mrs. McLean and Mrs. Hooper. Happy Birthday was sung to three of the guests - Mrs. Enger, Mr. Wilson and Wes Parsons.

Mrs. Wilson thanked the Manor folks for the pleasant evening and Mrs. Lambert thanked the guests who had contributed to the entertainment.

Mr. and Mrs. Semple of Wainwright were Sunday visitors with Mr. and Mrs. Hooper.

WANTED

Parkland Nursing Home News

A warm welcome is extended to our new resident, Mr. Mike Pawlow.

Get well wishes to those in hospital - Mrs. Cole, Mr. Finnemore and Mr. McAllister. Hope you are back home soon.

Frank Murray enjoyed a visit with Jessie-Jean and Alan Swanson and Joan and Gordon Meakins.

Calling on Mr. Ritland were A.L. Gibson, Olive and Ernie Good, Denise and Darcy Warawa, Jason Lesk and Mr. and Mrs. Eugene Danilak and family.

Lloyd and Walter Campbell of Heisler were in to see mother Campbell.

Mrs. Psanak was visited by Gloria Knudsein, Diane Burndred, Pearl Loverin and Eleanor Meieck.

Diane Psanak of Edmonton called on Gradma Tehir and Psanak.

Zerah Candlish from Dayland stopped in for a visit with her mother, Mrs. Clegg.

Visiting with Mrs. Block was her daughter, Fern Rabby.

Charlie Auburn enjoyed a short visit with Allan and Ruth Auburn and Ernie and Susie Auburn of Stromo.

Erica and Pat Mansell of Innisfree called on Mrs. Weder. Mrs. Weder has also been spending many of these warm afternoons out with her husband, enjoying the lovely sunshine.

Mr. Piwowar had a visit with Larry Leidl.

Uncle Fred Ozubko was called on by Elaine, Rhonda, and Lynette Ozubko.

Calling on Mrs. Cartwright were her son Armand and wife Ann.

Willie Downie was our for a drive in the country with his sister, Isobell Jorgenson.

Mrs. Fredericks was visited by Lillian Teske and Gladys Dorin.

Other visitors to Parkland included Ruth Zelinski, Lorraine Stefanisyn, and Jack Hennessy.

Everyone at Parkland extends their deepest sympathy to the families of Clara Swanson and Ken Carter.

During Irma's Minor Hockey Banquet, Shane Heller (left) was named most valuable goalie; Dwight MacKay (right) received trophies for the most valuable player and second highest scorer in the league. Gordon Mark (centre) received the runner-up trophy for best defenceman. L. Jones Photo

Echo-Rodino Report

The community was saddened to hear of the passing of Milton Crouse of Red Deere. Mr. Crouse was one of the first settlers of the area.

The Prosser home was filled to over flowing over the weekend with visitors as Mr. and Mrs. Mervyn Krull and Karen returned home from Vancouver where Mervyn has been attending University. Lorraine Prosser and boys of Edmonton accompanied by Morris Malderise and Mr. and Mrs. Bill Tyler and son of Edmonton helped welcome Mervyn and Loretta home.

Nerine Hunter travelled to Edmonton to visit with her son Clarence Hunter for the weekend.

Weekend visitors to the Bruce Greenwood residence were Rita Greenwood of Edmonton, Theresa Greenwood of Camrose and Brent Halso and Duane Marciskowski of Viking.

Congratulations to Mr. and Mrs. Gordon Holt of Irma who are the proud parents of a baby boy, the first grandson for Mr. and Mrs. Phil Holt.

Mr. and Mrs. Jerry Gorentsen of Fox Creek spent the weekend with the Williams family.

Bob Williams took part in the Variety Concert held in Viking on Sunday.

Are You Concerned About The Books In Our School Library?

There was a good turnout of parents and teachers for the April 28th meeting of the Irma Home and School.

Secretary Faye Lein read a letter from the School Division, stating the date change for children entering school. A child must be five years of age by February 1.

The proceeds from our variety program will be divided between the band, drama club and home and school, with each receiving $142.50.

A motion was made that the home and school donate $20.00 in memory of Leonard Larson.

The amount owing on the P.A. system was tabled until after graduation. This event should give us the chance to see that it is working up to our expectations.

The anniversary committee remind everyone to be sure and send in the names and addresses of all former Irmaites.

Mr. Mitton gave us an update on school happenings both locally and on an over all basis. The students' union will be selling hats for the anniversary celebrations.

The return of departmental exams was discussed at length. Teacher marks are better indications of progress, however, they are being questioned as to their consistency on a province wide basis.

A number of parents expressed their concern about certain books available in our school library. Mr. Mitton pointed out that the curriculum board is made up of lay persons who recommend the books. The school staff does screen books to a certain extent but as we all realize it would be impossible for them to read every book in the library. Letters of concern are being sent to the appropriate department.

Our convention delegates Mr. and Mrs. Tom Copeland gave their report. This year's theme for Home and School is Partners in the 80's - include your families in your activities.

Community Schools - an idea which has been started to allow small communities to keep their schools. This would involve parents who volunteer to work in the school by helping on field trips or with clerical work such as typing, filing, sending out notices. In the classrooms, they can mark everyday assignments. In the tutorial area it could be volunteer and pupil on a 1 to 1 basis or up to 6 students to reinforce reading or math. All of this goes with the Community School concept.

The government encourages Community Schools. Maybe we, as a small community school should be looking at these ideas. It is impossible for me, your reporter to give you full coverage in detail, so please take time to come out to Home and School. There are so many things changing in education and it is up to us to keep informed. The next meeting will be on May 19 at 8:00 p.m. Hope to see you there!

Irma News & Views

Fires, grass and otherwise have been the order of the day for the past week or ten days. Irma and district have had their share. The fire engine and volunteer fire crew have been kept busy. Their prompt response at all times have prevented more serious damage.

On Saturday forenoon, they responded to a fire at Larry Mark's. When that blaze was controlled and the engine and crew back to the Village for a short time, another call came in from south of town where the picnic grounds at Steffanson Lake was ablaze. This was also soon brought under control.

Much credit is due Clair Prior and the crew of volunteer fire fighters for their quick response to fire calls. However, none of them feel happy about the false alarms which have been turned in occasionally.

Readers are reminded not to haul their papers to the nuisance grounds. There is plenty of room in Jackson's garage where they can be stored until a truck load has accumulated at which time they will be hauled to the Alberta Recycle depot in Edmonton. Net proceeds from the paper sales go to the Irma New Horizons Club.

Lorna Jackson drove Minnie to Gwynne to deliver clothing, shoes and boots etc., to the Bethany Home for Children on Tuesday, April 22. They had coffee with Mr. and Mrs. Jesperson who are very happy in their role as superintendents of the home.

Minnie and Jim Jackson and Joyce Bartholow visited with Muriel and George Jackson and Alma Harding at Sedgewick on Sunday afternoon.

The Hon. Dan Mazankowski is shown being sworn-in by the Clerk of the House prior to the opening of the 32nd Parliament. This is a necessary formality which is required after each election and before a Member takes his seat in the House of Commons.

Vialta Lodge News

Thanks to all who have been faithful in coming to help us on quilting days. Also many thanks to all those who have donated materials, nylons etc. There will be no more quilting until further notice.

Mrs. Ellen Dorin and Lynette Field were in to visit with Mr. Adolf Dorin.

Visiting Mrs. Savage were Ross and Erica Tylar of Alberta Beach.

Walter and Marie Atkinson of Vernon, B.C. visited Mrs. Elmen.

Diane Paranak of Edmonton called on Grampa Tchir.

Gene, Diana and boys of Calgary visited with Mom Barwell.

Albert and Esther Gunderson called on Elmer Johnson.

Diana Erickson visited her mother, Mrs. Mary Ash.

Mr. and Mrs. Glennie and Margaret visited with Mrs. D'Arcy on Sunday, taking her out for the afternoon.

Mrs. Dazner Andersen of Tofield Lodge called on old friends at Vialta on Saturday.

Hello to Mr. Cotter who is spending a few days in the Viking Hospital.

Mr. and Mrs. Ziegler are spending some time out at the farm.

On Friday evening the Lutheran ladies came to help celebrate the birthdays of the month. Everyone enjoyed the musical numbers and solos as well as the delicious lunch served at 8 p.m. Those having birthdays included Mrs. Lovseth, Mrs. Weber, Mrs. Anderson, Mrs. McNally and Mr. Allen. Thanks to everyone who came for spending this time with us.

Mrs. Suddaby and Mrs. Rodwell took part in the Variety Show at the Viking Community Hall on Sunday afternoon. Several others went to watch with everyone reporting an enjoyable afternoon.

Bruce News

Don, Debbie, and Dennie Heber of Onoway were visiting family and friends.

Mark Koppel was honored on Tuesday afternoon, April 22 when nine of his little friends gathered to help him celebrate his birthday.

Sigrid Erickson spent a weekend in Calmar visiting with relatives and friends.

The fire engine was called out on Saturday afternoon when grass caught fire at the dump northwest of Bruce. The fire was brought under control quickly.

There will be a shower for Tracy Hissett on Friday, May 2, at 8:00 p.m. in the Recreation Centre.

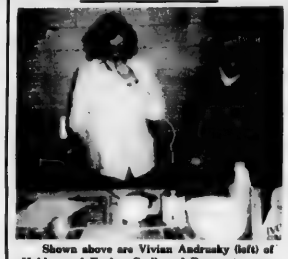
Sandra and Hector Campbell of Edmonton and Carol, Dale and Chelsey Knievel of Vermilion spent the weekend at the Koppel home.

Lynne, Randy and Amanda Stefaniuyn and Tracy Hissett of Edmonton were weekend guests at the Hissett home.

A farewell party was held at the Bruce Play Centre on Tuesday morning, April 22 for Timmy and Christine Price and their mother Betty Price who are moving to the Athabasca area. There were sixteen children present.

The Prices were presented with a wooden plaque.

Don't forget the Bruce Busy Bees 4-H Club Achievement Night on Monday, May 5. Everyone is welcome to attend.



Shown above are Vivian Andrusky (left) of Holden and Evelyn Corliss of Bruce at a pre-school workshop held in the Bruce Community Centre on Tuesday evening, April 22. The workshop, which was attended by 22 mothers, was organized by the Department of Recreation, Vegreville. Mothers and teachers attend from Wainwright, Viking, Holden and Bruce.

Student Employment Program Designed For Viking

Spring is here and many students are starting to think about summer jobs. Many people either need summer jobs or else need some help around their homes. Senior citizens in particular, sometimes need assistance.

Jobs could include such tasks as raking leaves, mowing lawns, tilling and planting gardens, painting, house cleaning etc. The student employee would earn some money for the work done.

Preventive Social Service in Viking is working on compiling two lists - similar to the "Hire-A-Student" program. One list consists of people wanting work done and the other list consists of names and information relating to these wanting to work.

For those wanting work - each person will register, name, age, interests, phone number etc. This information will be put on a master file.

Those people wanting work done will also register with a description of the jobs they wish undertaken. These will also be put on a master file.

The next step is to match up the two files and then the students will be given a particular job. The only way a service like this can operate is if there are people wanting to get involved.

If you need some work done around your home or yard, or if you would like something to do this spring and summer, please phone Deborah Taylor at 336-4084 or drop in at the Preventive Social Service Office.

By Kevin Stephenson

Music Workshop To Be Held At Camrose

Applications to attend session One of Alberta Culture's summer music workshop, held at Camrose Lutheran College, Camrose, from July 20 to August 2, are now being accepted.

Session One offers students a total musical experience - featuring visiting guest artists, films about the arts and music, physical and vocal warmups, improvisation and sound recording opportunities, and small seminar sessions that may include introduction to aspects of contemporary music, jazz, poetry, dance, theatre of the visual arts. Conductors include Dennis Prime, Conductor of the Edmonton Wind Symphonia, Cenek Vrba, Concert Master of the Calgary Philharmonic Orchestra, Edward Norman of Vancouver, B.C., and Ernest Kassian of the Regina Symphony.

Applications for the band program must be between the ages of 15 to 16 and have a minimum two years playing experience. Those applying for the string orchestra program must be between the ages of 13 and 16 and have Grade IV level of skill. Fee for each course is $180.

Audition tapes are required with each application.

Students interested in participating in the boys choir must be a minimum of ten years of age with unchanged voices. Only 50 voices will be accepted. The Wiola class, a new program this year, has openings for ten students. Applicants must be 9 to 14 years of age and be recommended by their school music teacher. Fee is $180.00 for each course.

The summer music workshop is produced in cooperation with the Alberta Choral Directors' Association, the Alberta Chapter of the Canadian Band Directors' Association and the Alberta String Teachers and Players Association.

A limited number of working bursaries are available for qualified students with serious financial hardships.

The deadline for applications is May 15, 1980. For more information or application forms, write or telephone: Alberta Culture, Performing Arts, 11th Floor C.N. Tower, Edmonton, Alberta. 427-2665.

Progressive Farming

District Agriculturists
Jerome Manchur & Bill Brass

As of April 17, Alberta Agriculture Statistics Branch released a report on the intended acreage of principal field crops this summer:

The following is a summary of the information:

1. Wheat - 11 percent increase from 1979. Example up 550,000 acres. Average for all prairie provinces is a 5 percent increase.

2. Barley - 18 percent increase from 1979. Average for all prairie provinces is 24 percent increase.

3. Oats - 9 percent increase from 1979. Average for prairie provinces is 14 percent increase.

4. Rapeseed - 29 percent decrease from 1979. Average for prairie provinces is a 25 percent decrease.

5. Flaxseed - 38 percent decrease from 1979. Aver age for prairie provinces is a 19 percent decrease.

6. Summerfallow - 9 percent decrease from 1979. Average for prairie provinces is a 6 percent decrease.

The high initial payment on this fall's #1 feed barley at $1.95 per. bu. has undoubtably encouraged many producers to grow barley. #1 C.W.R.S. wheat will be $3.75 per. bu. #1 feed oats will be $1.05 per. bu.

For the County of Beaver this translates into approximately - wheat at $3.45 per. bu., barley at $1.85 per. bu. and oats at 95 cents per. bu.

After reviewing the above data one can see that the majority of farmers still follow what the Canadian Wheat Board advises. If you are one of the rare breed of farmers who always go directly against what the Canadian Wheat Board advises then it looks like rapeseed is your bag this year. As far as cereals go there really isn't much choice. Perhaps increase the wheat and oats some. With the large increase in barley acreage one only hopes we don't see a glut of barley as there was in 1978.

Holden & District News

Holden residents are looking forward to the ball clubs beginning their leagues this year as each league provided excellent summer entertainment during 1979. This year the league practices began rather early with everyone getting organized during the second week in April.

The Alberta Government Liquor Store in Holden was robbed on April 24th. The store front window was smashed. Jim Warren of the Tofield R.C.M.P. Detachment is investigating.

IN MEMORIAM
In memory of John Thacayk who passed away April 27, 1978.
(Two long and lonely years)
We do indeed a special day
To bring you to our mind.
The days we do not think of you
Are very hard to find.
It's such a helpless feeling
Where there is nothing one can do
To bring back those yesterdays
That were so filled with you.
To some you may be forgotten,
To other, a part of the past,
But to us who loved and lost you,
Your memories will last forever.
From loving wife Mary, sons, daughters, son-in-laws and daughter-in-laws, and grandchildren and great grandchildren. 12p

Do You Know The Bible Says

Mrs. W. Myers

John 4:35, Gal. 6:7, Dan. 12:2. A Bountiful Harvest for Eternity.

Lift up your eyes and look on the fields, for they are white already for harvest...

For whatsoever a man soweth, that shall he also reap. For he that soweth to the Spirit shall of the Spirit reap life everlasting....and many of them that sleep in the dust of the earth shall awake, some to everlasting life and some to shame and everlasting contempt.

Yes, a greater harvest is soon to take place. The reapers of the devil are hard at work deceiving and being deceived. Great is going to be the harvest of the unsaved, but great also is going to be the harvest of those who have repented of their sins and have taken Jesus into their hearts.

The fanning mill of Judgement will separate the acceptable grain from the tares and chaff. For the Lord knowns the way of the right-eous, but the way of the ungodly shall perish. Rev. 20:15 says....and whosoever was not found written in the book of life was cast into the lake of fire.

Yes, it is appointed unto man once to die and after this the judgement. Job 33 says, God is greater than man. Why does thou strive against Him? He says..... come unto me, I will give you rest. I will give you peace. I will give you satisfaction. I will give you the water of life so that you will never thirst again. Oh, taste and see that the Lord is good.

At the judgement will you hear Him say....thou good and faithful servant enter in, or depart from me?

Volunteering With The Elderly

When volunteering with the elderly, a person must include genuine mutual respect and honesty, honouring the basic rights of the elderly. The role of the volunteer must be seen as an "Enabler" rather than a doer. An enabler makes them "able" or furnishes them with adequate means.

To achieve a genuine and mutual respect, the volunteer must perceive the older person as a capable, mature adult. This is sometimes easier said than done. Even when the elderly person appears frail, severely handicapped, withdrawn and possibly confused, one must remember that here is an individual who perhaps was once a mother or father, husband or wife, raised a family, was active in the community, church or what have you and contributed to the building of our society. They were "doers" long before the younger volunteer.

The attitude and expectations with which one approaches an older person often determines the kind of response one gets. The older person often determines the person's image and sense of self-worth are mirrored in the attitudes and expectations others convey. Treat him or her as a helpless patient and a hopeless, helpless person often results. Treat him or her as a child and that person may be forced to take a childish role. But, treat them as a dignified, mature, worthwhile human being, as you the volunteer would like to be treated, and they will be a mature, older person with dignity and pride....a goal we all hope to achieve in old age.

Remember, older persons are not merely older versions of young persons - they have actually lived, loved, grown and suffered through those years.

If we're lucky, we'll live that long.

The preceeding article is submitted by Muriel Onuska, Volunteer Program Organizer, Co-ordinated Home Care Program, Vegreville Health Unit.

Irma Fish And Game Association Meets

The last meeting of the Irma Fish and Game Association was held on April 9th in the library of the Irma School. The previous year's executive returned for the 1980 term.

Highlights of the meeting included plans for the club Fishing Derby which will take place on June 13, 14, and 15 at Moose Lake at the Government Campsite on the south shore. Prizes will be awarded in three categories: Men, Women and Children. To be eligible for prizes, participants must have a membership in the local club. A fish fry has been scheduled for Saturday night. It all shapes up to a fun weekend, so come and join us.

The club suggests you watch for the new club jackets and caps. They are really something else. Also Don Gunn and Fred Clumstad are capturing club activities for the local year book.

The Zone 5 meeting was held on April 19th in Clandonald. Unfortunately no one was able to attend from Irma.

The club advises that they hope to sponsor a student for the one week camp at Goldeye Centre during the week of July 2 - 8. If you are interested in attending, and are between the ages of 12 and 17 years, contact the president, Len Skori for further details. Goldeye Centre Conservation Camp is a great experience.

The monthly door prize draw was won by Kevin MacKay. The Snowball draw was won by member ship #0820. Check your membership number. You have to be at our meeting to win this cash prize. It grows monthly.

Are you concerned about Fish and Wildlife in our area? Do you have a project we could get involved in... wildlife habitat etc? Why not come out to our next regular meeting which is held the first Wednesday of each month. We enjoy a short business meeting, a wildlife film and a free cup of coffee. The next meeting is set for May 7 at 8:00 p.m. in the Irma School Library. Bring your enthusiasm and ideas. Bring a friend and enjoy companionship of loyal Fish and Gamers. We need you now. Tight lines and straight shooting. Submitted by C.E. Allen
Secretary-Treasurer

Be Careful With Seed Dressings

Seed-dressing chemicals do a good job of protecting seeds and seedlings but care must be taken to use them properly advises Agriculture Canada.

Every year, a few farmers run into problems with these products. These problems could be avoided by carefully reading and following instructions.

The label directions identify the chemicals and the pests they control. The labels also provide details on methods of application and the necessary precautions to be taken.

Irma Minor Hockey Banquet Held

Nearly three hundred minor hockey players and their parents sat down to a delicious hot beef supper in the school auditorium on April 1st.

After everyone was pleasantly full and the food tables fairly well depleted the coaches then introduced their players.

Trophies were presented in the various categories and each coach was presented with a gift in appreciation for the time and effort put into providing a good hockey season.

The Irma Midget team collected four trophies from the 5 M League. The most valuable player went to Dwight MacKay. Dwight also got a trophy for second highest scorer in the league.

Shane Hollar got the best goalie award while Gordon Mark received the runner-up to best defenceman.

Charlie Soucy, President of Minor Hockey, thanked everyone who helped to make this season so successful.

COUNTY OF BEAVER NO. 9

● FIRE PERMITS ●

The period between April first and October thirty-first of each year is declared a fire season. Any person lighting a fire, (other than an outdoor campfire for cooking and warming purposes which is never left unattended) is required to obtain a fire permit. In the County of Beaver, fire permits are obtainable (no charge) from each County Council member, Fire Chief or the Agricultural Fieldman. Failure to obtain a fire permit or other contreventions of the Forest and Prairie Protection Act could result in a fine of up to $300.00 or to 90 days imprisonment or both.

Fire Is A Serious Matter . . . Treat It Wisely!

Tender Date Set For Viking Airport

Tenders for the construction of the Viking airport will be called for on May 31st. In a telephone conversation last Thursday, May 1, M.L.A. Tom Lysons stated that tenders for base grading and paving will be advertised on the last day of May, with a tender deadline of June 23rd.

The new Viking airport will be located approximately three miles west of the Town on the south side of Highway #14. The construction of the airport was first announced at the Annual Meeting of the Viking and District Chamber of Commerce in January of 1979.

Plans at that time called for tenders to be called for in the spring of 1979 with construction slated for last summer. Provincial government cutbacks in funding for airport construction caused postponement of the project last year.

Mr. Lysons said that construction of the project is expected this summer. The airstrip will be 3,000 feet long and 75 feet wide. It will be lighted and paved and will be an all-weather airstrip.

The Alberta government has already acquired the land for the airstrip and will be responsible for all costs in construction of the project. The Town of Viking will assume responsibility for snow removal and maintenance once construction has been completed.

Saturday, May 3rd more than 6,000 members of nearly 500 Alberta 4-H and Junior Forest Wardens Clubs conducted the 4th Annual 4-H Spring Roadside Clean-Up. This highly commendable clean-up program covers 7,000 Km. of Alberta highway right of ways and yields an annual removal of 50,000 bags of litter. Members of the Bruce Busy Bees are shown as they collected garbage from along highway 14 between Viking and Bruce.

Land-Roads Discussed At Special Meeting

A meeting of the Viking Town Council to discuss land development and engineering issues was held at the Civic Centre on Monday, May 5th. In attendance for this special meeting was Boyd Oberhoffner of the Municipal Planning Board of Alberta Municipal Affairs and Ron Charapko of Cicon Engineering.

Mr. Oberhoffner presented the development plan for the East Industrial Park, divided into development phases. Plans are to begin development of phase one in the near future.

The Planning Officer also presented Council with seven alternate proposals for the development of the Laughlin Estate land. Council will be studying these plans and will arrive at a decision soon, so that the development planning process can begin.

Ron Charapko of Cicon Engineering reported that the soil tests on the new water reservoir land are positive. He related to Council that the government grants available for the development of water systems were

Holden Grads Enjoy Banquet And Exercises

The 1980 Holden School Graduation Banquet was held last Saturday, May 3, at the Community Hall. A graduate from last year's class, Betty Kawaliak acted as master of ceremonies, Reverend Szuka offered the blessing with Councillor Jack Stambaugh bringing greetings from the village. After graduand, David Blais proposed a toast to the Queen, the Roman Catholic ladies served a sumptuous banquet to 175 invited guests.

Upon introduction of graduands by the master of ceremonies, several toasts and replies were made.

Toasts to the Board of Education, the parents, the teachers and the graduands were made by Janice Ewasiuk, Tara Christensen, Karen Motkoski and Charles Mathews, respectively. These were replied to by Walter Kropielnicki, Margaret Christensen, Ray Vadas and Karen Kalynchuk respectively.

The Beaver Regional Arts Centre was the setting for the Holden School Graduation Exercises for twenty-five students. Some 300 people attended the event which was open to the public.

Following the singing of O'Canada by Divana McKoss, accompanied by Laura MacGregor on the piano, Reverend James McKinstry offered the Invocation. Principal, Oleh Shykora brought greetings from the school while the theme poem was read by graduand and author Bonnie Woloschuk.

A Holden graduate from 1975 was the guest speaker. She was Diane Kryska a university graduate in Psychology who is teaching at Grant MacEwan College and researching at Alberta Hospital. Ms. Kryska gave an interesting message indicating to grads that success could come in most endeavors if they worked hard at accomplishing their goals.

Karen Kostko, very ably delivered the Valedictory address. Karen was also winner of the ATA award for highest matriculation standing presented by Leonard Langner, Holden Sub Local President. A runner up award in this category was presented to Dixie Warren by Helen Bilyk of the Order of the Royal Purple.

The highest general award went to Janice Ewasiuk. This was presented by Chamber president, Kevin Stambaugh on behalf of his organization and four other Holden groups: Holden Agricultural Society, High School Students' Union, National Farmers' Union and Royal Canadian Legion. Edna Stefanik representing Bruce Agricultural Society, presented the second place award in this category to Wendy Komarnisky.

Vincent Hrabec received the Elks award for contributing most to school spirit, presented by Ben Lutz. Wendy Komarnisky won the outstanding citizenship trophy award donated by High School classes of 1950 to 60 presented by Lawrence Hrabec.

Board of Education member Walter Kropielnicki presented a set of pictures to the graduands. This was received on behalf of the school by Darrell Peanak.

A pleasant evening closed with Superintendent

Continued on page 3

Most farmers in this area are now in full swing with seeding operations and some farmers have had wheat sown 10 days previous to this. One disadvantage to early seeding is that weed control has to be done solely with sprays rather than cultivation.

National Advertising Representatives:

We Can't Publish These!

Over the past few weeks we have received a number of "Letters To The Editor" which we have not published in the newspaper. These letters have all expressed honest opinions on a variety of issues which could or would concern a number of area residents.

We consider the space provided in this newspaper for Letters To The Editor very important. We have published, and will continue to publish, letters which meet two major criteria. Firstly, they cannot in any way be considered defamatory in nature. We must reserve the right to publish any letter which we feel is defamatory or of questionable taste.

Secondly, the original letter which we receive must be signed by the author. This does not mean that the author's name must be used in the newspaper. Any letter writer is entitled to use a "pen name" when the letter appears in print. However, we must maintain the original signed letter on file. The utmost efforts have been and will be made to protect the identity of anyone who wishes to remain anonymous.

This second criteria is the reason why we haven't published the above noted letters during the past weeks. They have come to us unsigned. They were good letters, and it's too bad we weren't able to publish them. Hopefully next time the letters will be signed!

Interested In Attending GOLDEYE CAMP

We will sponsor two students between ages 14 to 18 to attend the Goldeye Conservation Camp, located West of Red Deer!

Letters To The Editor

Dear Sir:
On August 30th and 31st, 1980, a Homecoming Celebration will be held in Peace River for the 75th Birthday of Alberta. This weekend which is being co-ordinated by the Sir Alexander MacKenzie Historical Society, should prove to be an enjoyable time for both those returning as well as for the present citizens of the Peace River area.

The weekend will start with a bus tour of the beautiful historic Peace Valley on Saturday afternoon. This will be followed by a banquet and an old time costume dance in the evening. Also, during Saturday afternoon there will be historic slide shows and pioneer crafts (especially for the children) for those who do not go on the tour.

On Sunday there will be an Interdenominational Service in the afternoon followed by a picnic.

For further information about the Peace River Homecoming Celebration, please send your name and address and anyone else's who you think might be interested, to the following address:

Homecoming Celebration
c/o Peace River
Centennial Museum
Post Office Box 747
Peace River, Alberta
T0H 2X0

Dear Sir:
Today, May 3, 1980, the 4-H children are on the highways cleaning up our garbage strewn road.

This is Alberta's 75th Anniversary. We have a beautiful province. It would be nice if folks would put their garbage in the garbage containers provided along the highways.

Thanks kids for a job well done.

Sincerely,
Mrs. Nellie Dewart

Variety Show Enjoyed By Many

Sunday, April 27, was a very busy and successful day for the Viking Agricultural Society. It began with a well attended pancake breakfast under the capable management of Myrtle Ronaghan and her helpers who were kept hopping from 9 until 1 o'clock, satisfying healthy appetites.

It was pleasant indeed, as we ate our breakfast, to listen to the music of the Western Group, featuring Tom and Pauline Mattinson, their daughter Melanie, H. Hansen and Mark Hansen.

With Bill Mattinson as master of ceremonies, the variety program got under way at 2:00 p.m.

Following the singing of O'Canada, the Western Group entertained once again with vocal and instrumental numbers on violin and guitars.

Not to be outdone by anyone, our senior citizens took over for the next four numbers.

Amy Suddaby of Vialta Lodge, is no newcomer to the platform. She gave a reading entitled "Why I'm Proud to Be A Canadian" - very timely for Alberta's 75th Anniversary.

Pearl Rodwell, also of Vialta Lodge gave two comic readings. This was followed by an old time orchestra from Irma...Mr. Ernie Barss on violin, Mrs. Barss on the banjo and accompanied on the piano by Josie Holt.

Fred Gommeringer of Vialta Lodge read some of his own poetic compositions for which he is well known.

The young folks then took over once again with the following numbers: two vocal solos with guitar by Lesha Mattinson, two piano accordian solos by Laureen Gircyc, two vocal solos in Chinese by Lang Trung, with guitar and also accompanied by guitarist Tom Mattinson, two vocal solos by Luanne Marko accompanied by Stacy Place.

For a change of pace, Charlie Pobuda played some old time numbers on his accordian accompanied by Mae Sevcik on the piano.

The young folks came back again with a piano solo by Kerri Maxwell, a song duet by Melanie and Angie Mattinson. Petite Sandi Klontz in costume, danced a top dance number to recorded music which added much and Gordon McFadyen.

The next item (this writer is not sure whether this is not sure whether this in the old timers, young timers or somewhere in between, category) was a comic-serious variety of readings by Margaret Rusicka.

Donna Lee Kittle then played two piano selections followed by two piano accordian duets by Laureen Gircyc and Lillian Anderson.

Bob Williams, also no stranger to the stage, sang two numbers, accompanying himself on the guitar.

The program ended with some rousing rock numbers by Kitsch - a rock band from Prague featuring Darren Wiszura, Don Voltner, Bob Ruzicka and Gary Vitek, on guitars and drums.

It is encouraging to see so much young talent as was displayed on this program, for it is from small beginnings like this that so many of the top entertainment stars have sprung.

Bill Mattinson is to be commended for his own time and talent in putting this annual event together. There is no better way to bring to light, the terrific amount of talent prevalent in Viking and district. A special thanks to all the participants for a thoroughly enjoyable afternoon.

Canada Hospital Day - May 12

"Energy Conservation - A Health Care Priority For The 80's" is the message Viking General Hospital will be bringing to patients, staff and the community on Canada Hospital Day, May 12, 1980.

"We want to assure the public that we are doing everything possible to combat the ever-growing energy crisis Canada faces" said Jack Roddick, Chairman of the Hospital Board. "Energy Conservation is one of the highest priorities in our hospital and one to which we have a long-term commitment. We are fully aware that our industry is a major consumer of energy and we are determined to do our utmost to alleviate the situation."

Mr. Roddick stated the February 1980 issue of Dimension in Health Service proposed 5 recommendations that would enable an energy conservation program within the health care industry in Canada.

1. Have an energy audit performed at your hospital.
2. Place energy conservation as a high priority objective in your hospital. This can be done by making regular energy conservation reports to the board and devoting inservice education and staff development efforts towards energy conservation.
3. Be prepared to consider capital spending projects on a "sound investment" basis because several capital purchases have a rapid pay back period in energy conservation.
4. Consider that many energy conservation measures can be achieved with little direct capital expenditure. Changes in routine or new methods of operation may achieve considerable savings.
5. Remember that energy conservation should not be a one-shot effort but a continuing long term commitment which will become increasingly important as we move through the 1980's.

Many hospital administrators will ask the inevitable question: "What incentive is there for us to pursue an energy conservation program?" The answer is, there is no alternative.

Rodino Country Club Supports Falcon Enterprises

Wes Bauer, President of the Rodino Country Club, assisted by Doreen Prosser, club member, represented their friends and neighbors in the district, and presented a cheque in the amount of $1,200.00 to Falcon Enterprises.

Accepting the presentation was the manager of Falcon Enterprises, Bob Welch. The donation is to be used towards the cost of construction etc. of their new building.

The cheque was the proceeds of a Dine and Dance held at the Rodino Hall where a large crowd enjoyed a supper and later the music of the Strumalongs.

The evenings success was the result of many community minded people who turned out to support a very worthy cause...those who donated articles for the auction which took place between the supper and dance and everyone who donated time and money toward the whole evening. A big thank you goes to the Strumalongs for an evening of "donated music" which everyone enjoyed to the fullest.

Bob Welsh, manager of Falcon Enterprises, accepts a cheque for $1,200.00 from Wes Bauer, president of the Rodino Country Club. Assisting in the presentation is Doreen Prosser.

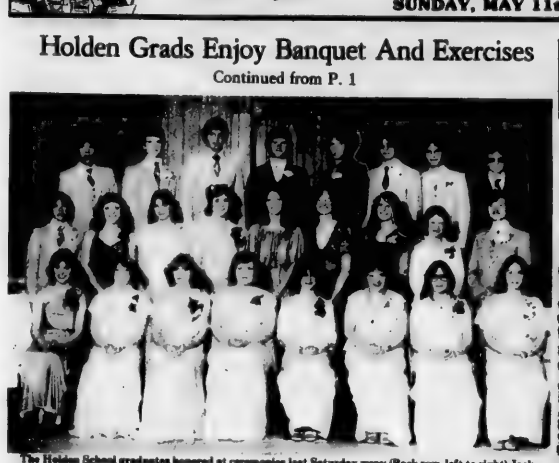
Holden Grads Enjoy Banquet And Exercises

Continued from P. 1



The Holden School graduates honored at ceremonies last Saturday were: (Back row, left to right) Jack O'Brien, David Blais, Grant Shikiniski, Perry Story, Vincent Hrabec, Paul McKinstry, Darrell Pasnak and Brian Hejnar; (Middle row, left at right) Darrell Malick, Karen Motkoski, Bonnie Beblitz, Tania Hahn, Wendy Komarnisky, Bonnie Woloschuk, Lynn Globelhaus, Linda Kisiak, and Lorne Komarnisky; (Front row, left to right) Karen Kaiyachuk, Karen Kostka, Tara Christensen, Valerie Steinwand, Audrey Halabut, Marie Chrystian, Janice Ewasiuk, and Dinia Warren.

Fred Reinholt's closing remarks and the presentation of scrolls and plaques by Oleh Shykora and Student President, Sheila Rurka.

Master of Ceremonies duties were ably performed by high school teacher Joe Fornal. Entertainment was provided by Asona, Andrea and Louise Lukaweski, Valerie Steinwand and Lynn Globelhaus.

An invitational dance followed with music by Wm. Zurawell's Rumba Kings.

What The Next 10 Years Will Bring

Continued From Previous Week

....In ten years from now I think that I will be rocking in my easy chair looking at my wife, Raquel Welch Jr. I will be rocking in my chair because my N.H.L. team the Bruce Stampeders didn't make the playoffs. We didn't have the greatest year, finishing 49th out of 90 teams.

....I could have just about gotten my M.D. degree or become a veterinarian. But to go in for a doctor or vet takes a lot of money, so it will be a farmer for me. In ten years, it will probably be real hard for a farmer, but the government might finally notice the farmer with his hardships and help him out some.

....I have always liked football so I wouldn't mind taking over Tom Wildeson's job as the quarterback of the Edmonton Eskimos. I'd most likely retire after 15 or 20 seasons because I'd get tired of winning the Grey Cup all the time. If this didn't work out, I would try to become an astronaut. With my luck, World War III will have probably started before I graduate from High School. With the talk of boycotts and the threats of military intervention, all out confrontations are inevitable.

....I hope to be well underway in a mechanic's job, with any luck. What if I do go for a mechanical career and we run out of fossil fuels? Oh, I also hope to get my degree in welding.

....In my future I plan to finish high school and go on to university. I would like to become a social worker or a child physychologist. After I have finished my education and have made a start on the rest of my life I want to get married.

....I would like to take courses to do with teaching or secretarial work and maybe a few night classes like interior decorating, hairstyling, or mixology. When I am finished the classes I have chosen to take, I will probably find myself a 9:00 to 4:00 job that uses the education of the courses I had taken, or start a business of my own, like hairstyling. Later on in the future I would like to settle down on a farm in the country with a cute guy and maybe go into grain farming or cattle raising.

Special Meeting

Continued from P. 1

in short supply at present but that this situation should be changed later this year.

The engineer reported that Border Paving has begun work on the streets in the Rozmahel sub-division. He said that the sidewalks and curbs could be started by this weekend with paving to follow.

Discussion about paving resulted in Council's decision to pave the parking lots at the south end of Main Street and beside the Civic Centre. Council decided that these lots would be more readily utilized if they were paved.

In conjunction with this street work, 53 Avenue from the L.G.A. to the Caravan will be widened. Plans also call for the widening of Main Street by the Town garage, and several sections of road and sidewalk repair throughout Viking.

Along with several other matters, Council discussed the installation of the new lighting system on Main Street and the possible problems in laying the underground wire. Also discussed was the servicing of the East Industrial Park and the possible problems with drainage in the area.

Self Defense Program For Women And Girls

"Wen-Do" is a system of self-defense for women and girls and centers on the types of attacks they are most likely to encounter. "Wen" is a contraction of the word "women" and "Do" means the way in Japanese so "Wen-Do" means "the woman's way".

Self-defense starts with avoiding potentially dangerous situations whenever possible. If you feel as though you are being followed on the street, don't say to yourself "That's silly, I'm being paranoid." Be a little paranoid, look and see if you can identify your followers, cross the street and see if the person crosses with you; then you will know if you are being followed. With this knowledge and awareness you can take steps to avoid an attack.

Mental preparation is just as important as self-defense in the physical aspect. Many women feel that they could not hit another human being.

But if you asked the same woman what she would do if she looked out the window and saw a stranger dragging her three year old out of the yard, the answer would probably be "I'd kill him to save my child."

By Canadian law you are allowed to use enough reasonable force to repell an attacker, as necessary. As long as you feel that you had to use whatever technique you did to escape, such as a punch in the nose or a swift kick in the knee then that is reasonable force.

The intent of Wen-Do is to provide effective self-defense technique based on the types of attack that a woman will most probably encounter. These shall be made available to all women regardless of race, age, or personal belief. Wen-Do will provide self-defense instructions to any woman who wishes to learn it as a method of self-defense.

The Wen-Do program consists of 12 to 15 hours of instruction, workouts and discussion. The physical techniques are for maximizing a woman's strength and minimizing their weaknesses. It will also provide simple but effective methods of defense against the more common attacks that women encounter.

Discussions on such topics as Awareness and Avoidance of Attacks, Women and the Law, Emergencies, Rape, Aggression and Verbal Self-defense.

Preventive Social Services in Viking will make it possible for the women in Viking to take this course. It will be open to all women from women in their teens to seniors. However, a minimum of twenty must register and a registration fee will be charged. For equipment, each person will be required to bring a firm soft cushion or other similar object and each participant should be attired in loose comfortable clothing.

If you would like information about this program just phone Deborah Taylor at 336-4024.

If there is enough interest shown in this area, a program could be set up for this summer or fall.

To Florida And Back In Twenty-One Days

By Irene Toverud

"Roving Reporter" Irene Toverud recently returned from an extended bus trip to Florida. Irene chronicled her experiences which we will be bringing to you in a series of articles over the next few weeks.

"We're taking a bus trip to Florida in January; why don't you come along?" suggested the Bohns from Grand Prairie, whom we had met at a convention in Edmonton last November.

Why not indeed!, and this started the ball rolling towards a twenty-one day tour to Orlando Florida, home of Disney World and the Kennedy Space Centre.

Alf and I boarded the bus in Edmonton with several others at 8:00 a.m., January 19 and proceeded to Calgary, picking up passengers at Lacombe and Calgary. It wasn't until the following day that our full quota of passengers was reached. People joined us at Weyburn and Regina including a couple from Manitoba. From thereon it was south to Minot, North Dakota.

Although the bus suffered a flat tire on the second day, the delay wasn't too serious and everyone was in good spirits as we hurriedly ate supper at Minot in order to get to the "get acquainted" wine and cheese party prepared for us by our tour escort John. As each person introduced himself and described his or her occupation and lifestyle, we discovered that ninety-five per cent of the passengers were farmers. It took a week to associate names with faces but this did not in any way deter the camaraderie and fellowship that developed among us.

Every morning at 6:00 a.m. or 6:30, if we were lucky, came a wake up call, baggage to be out at 7 and on the road at 8 or 8:30 whatever the case may be. This was the story of our lives for sixteen days. We groaned each time the call came but a quick shower and a "deadline" soon dispelled any sign of sleepiness. Anyone who believes a holiday is sleeping in is advised to never go on a bus tour. For people who have always been early birds it was no problem. There were many groans and complaints but it was all in good natured fun, of course.

The flat terrain and sometimes rolling land so familiar in southern Alberta and Saskatchewan continued on through North and South Dakota. In fact there was little change until we reached the Ozark mountains in Missouri. The only change was that the grain stubble changed to sunflower stubble, then to corn stubble and finally in the deep south it was cotton fields.

We stayed one night at Mitchell, South Dakota, centre of the corn belt, where it boasts the worlds' only Corn Palace. The history of this ornate 100 ft. x 80 ft. wood structure completely covered with corn, grain and grasses of various colors, dates back to 1892. Its intricate design is completely stripped off each year and a new design and decor applied in time for the annual "Corn Belt Festival" or as is locally called "Corn Palace Time". The palace houses a large auditorium and is in use twelve months of the year for stage shows, exhibits, concerts, sports etc. Lawrence Welk, well known band leader, drew thousands of spectators in the 1940's to the Corn Palace to hear his champagne music.

Continuing on our way the following day we travelled on through Iowa, into the "Show Me" state of Missouri and stayed overnight at Kansas City situated on the boarder between Missouri and Kansas. This is a very old city, understandably so because of its location at the fork of the Missouri and Kansas rivers. Mameth brick warehouses, black with age, dirty and run-down stand in mute evidence of the busy transportation of goods and passengers by paddle sternwheelers at one time.

I pictured in my mind the beehive of industry that prevailed in those far off days. Then the roar of a big jet, flying low overhead to land at a nearby airfield broke the spell and I saw with even greater clarity from our modern shiny world the aura of neglect and grime that tarnished the brilliant past.

Our driver became lost in an attempt to locate our motel so we were able to see more of the city than was on our agenda as he cruised around.

Kansas City is very beautiful in the summer say the natives. With so many old historical buildings still in use, it revealed a visible account of the history and character of its people.

There were seven Holiday Inns in Kansas City but we couldn't you know, we were booked into the one close to the airfield and shunting trains. To top it all off, we encountered our first cockroaches while playing cards with some friends that evening. This really put the icing on the cake. Many weren't able to sleep but I was so tired that I slept through, despite the planes, trains and cockroaches. We lost no time next morning complaining to John about the cockroaches. However, he explained off-handedly "We take the cockroaches the same as we do flies and mosquitoes in Canada; its a way of life in the south... they don't bite and there is little anyone can do about them." So we accepted them like true natives from then on and if one was found in the bathtub or on the wall or whatever, into the flush he went and that was that.

Although we were well past the snowline, there was still a frosty chill in the air. Our Canadian men were constantly amused to hear the people revving their car motors for several minutes to warm them up as though it were twenty below zero.

To hark back a bit...John set up a cribbage tournament, bingo and several money making games to while away the long tedious hours of travel. The "bus game whereby anyone heard saying the word "bus" was fined ten cents yielded a pot of $24.00 within the first week. There were two very yappy passengers who paid the most fines, Kathy and myself, Irene. Fortunately John called the game off or we would have been bankrupt or squirrelly or both.

Darkness had set in by the time we reached the famous Ozark mountains, home of the hillbillies and their so called stills. What little we did see, were rocky oversized hills covered with timber.

The road system in the southern States impressed us tremendously with their numerous overpasses and underpasses, thus eliminating the crossroads and stop signs that we are so familiar with.

At Little Rock, Arkansas, we were introduced to hominy-grits and corn kernels that looked appetizing, but no one was able to stomach.

"You can have mine" I egged as I tried to con Alf into eating them for me. "No thanks," he exclaimed most emphatically for he had noticed others had left their's too. That was our first and last taste of one of the main staples of the hillbilly diet.

Grits were automatically served with orders of bacon and eggs. I rather liked it as did several others of our group. It appeared to be somewhat similar in appearance to cream of wheat cereal but of a coarser nature. It was made from ground Indian corn. It could be eaten with cream and sugar or butter, salt and pepper.

We were spared the jowls but we did enjoy the hush puppies...deep fried corn balls and for those who enjoyed seafood the lobster and fresh shrimp were delicious.

We found the slow broad dialect of the south a bit disconcerting at first as it was hard to understand but we soon became accustomed to it. We also became accustomed to being waited on by blacks in stores and cafes. They seemed to be on a par with the whites as far as we could see...if there was any discrimination, we failed to see it. However, there were some run down areas that appeared to be predominately occupied by black people. At the same time I can picture the run-down streets that we have in Canada peopled by whites.

At night the streets in the south were so dark,...whole avenues of homes seemed to be deserted except for small lights here and there. Even the street lights were dim. We could only guess that the U.S. government is more energy conscious than we Canadians or the expense of power was very high.

We appreciated the friendliness of the American people and with some amusement, their sympathy towards us for living in a cold country. They couldn't understand our chattering teeth and blue faces as we shivered within our turned up coat collars. For after all, the cold penetrating wind came from Canada, didn't it?

Finally, we reached New Orleans, Louisiana, a port city on the banks of the murky mighty Mississippi River. Fed by two hundred and fifty tributaries, it looked angry with its eternally grey silt laden appearance.

We were housed for two nights in the Vieux Carres Hotel meaning "Old Square" in the Old French Quarters. This is the oldest section of New Orleans...still preserved in its original form. Though the buildings were old and unkempt in appearance, the fascinating lacy ironwork balconies were surrounded by apartments facing inward with only a carriage-way to the teeming streets outside. The ornate iron gates were wide enough to allow access for horses and carriages. The stables were in close proximity.

The courtyards provided privacy and protection for the young ladies who dare not go for strolls on the outside because of roving gangs of hoodlums. The iron bars across the shop windows and doors bore mute evidence of the break and entry problem suffered then too. The apartments are now residences for retired people. The shops still retain the old world atmosphere...fun to explore at leisure.

On a city tour, we saw the stately mansions with beautiful white columns owned at one time by the plantation owners, made rich by the labors of black slaves. We realized then fully that we were in the deep south.

We saw the mansion that was the setting for the movie "Gone With The Wind"; and the shacky houses of the negroes still being lived in and I wondered if a deep burning resentment of white supremacy doesn't still burn in the breast of the black man as he lives in the midst of the hurtful history of his forebearers.

Bruce And District News

Two local girls were honored at two separate bridal showers held in the Bruce Recreation Centre last weekend. On Friday evening, May 2, Tracy Hinds was the guest of honor at a miscellaneous shower and on Sunday afternoon, May 4, Heather Bruce was the recipient of many useful gifts. Tracy will marry Hal Strilchuk on May 17 while Heather will become the bride of Wayne Zakordonski on May 31.

Florence Cosart made a trip to Oxbow, Saskatchewan last week to deliver a load of furniture.

Winners at the senior citizens' card party on Wednesday night were Vivian Benson and Ernie Dorin. Consolation prizes went to Lillian Sagel and Sigrid Erickson.

Mary Becze, Bill Becze, Mr. and Mrs. Garry Becze and children were renewing acquaintances on Sunday. Mary and her husband William operated the general store before Rudy Koppel took over. Mrs. Becze now makes her home in Edmonton, her son Bill lives in Vancouver and son Garry and his family are residents of Sault Ste. Marie, Ontario.

Holden And District News

Congratulations to the Holden Class of '80 on their Graduation.

Condolences are extended to Mr. and Mrs. Mel Haas and family of Holden. Mrs. Helen Haas' father passed away at the age of seventy-eight years in Dauphin, Manitoba.

Residents of Holden and District extend their sympathy to Mrs. Doreen McKibbon and family. Mrs. McKibbon's father, Mr. Harry Holden passed away at Mirror, Alberta.

Echo-Rodino Report

Claudia Williams accompanied the Marko family of Viking to Edmonton for a day of shopping.

Nerine Hunter, Yvonne Greenwood, Claudia and Stephanie Williams all travelled to Wainwright for an afternoon.

Mr. and Mrs. Everett Greenwood took in a day in Camrose where they picked up chicks to raise.

Helping Marvin Holt celebrate his birthday was Mrs. Gladys Holt of Viking, Mr. and Mrs. Bill Holt and Shelly, Mr. and Mrs. Gordon Holt and son Clay of Irma. Also spending the weekend at the Holt home were Daphine Davis and friend Jill of Edmonton.

Mr. and Mrs. Wes Bauer and Doreen Prosser travelled to Wainwright to present Falcon Enterprises with the proceeds from the Dine and Dance held at Rodino Hall on April 18th.

Georgina Myggland of Wainwright visited with the Robert Greenwood family.

Calling in at the Robert Hollar home for the weekend were Mr. and Mrs. Ralph Voeter of Carstairs and Carrie Hooper of Edmonton.

Most of the neighborhood took in the 25th Anniversary dance in Viking for Stan and Dorothy White on Saturday night. Many remember the wedding dance 25 years ago in Uncle Bill's barn loft.

Nerine Hunter spent the weekend visiting her friend Ruby Rattray.

Paul Revere, revolutionary and silversmith, also made false teeth.

SPRING LAWN CARE

If you're dreaming of sun-tanning this summer on your own beautiful lawn, it's time now to plan some basic spring lawn care.

"Most lawns came through this winter in fine condition if the yard was well drained and seeded with a recommended grass mixture," says Bill Cordukes, turf specialist at Agriculture Canada's Ottawa Research Station.

Mr. Cordukes notes that frost may have heaved some lawns this winter, and thus forced grass roots out of the ground. But use of water-filled roller early in the spring can put the plants back into contact with the soil. Rolling should be done after the grass has had a drying period, but while the soil is still slightly moist from snow melt.

"A good lawn can be maintained by applying a complete fertilizer in the spring and fall," Mr. Cordukes says.

"At any one feeding, apply nitrogen at a rate not greater than one-half kilogram per 100 square metres".

A cool spring day is a good time to dethatch a lawn. Thatch is a build-up of clippings, that, unless removed, can prevent proper growth and harbor insects and diseases. If the thatch gets thicker than two centimeters, it may be necessary to rent a self-powered dethatcher from a garden centre or rental agency.

Aeration is sometimes necessary for lawns on clay soils, along sidewalks and driveways, or on heavily used, play areas. A lawn aerator will life small cores from your lawn allowing air, water and plant roots to spread more freely through the soil.

If there was a weed problem in the lawn last season, the first step in control is to identify the weed. Herbicides are the most effective way to eliminate weeds if used at the right time of year, during proper weather conditions, and in the amounts specified by the manufacturer.

Follow package instructions exactly, and keep the chemicals out of reach of children and pets.

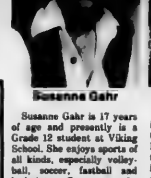
In Canada, turf losses from winter diseases are much greater than from summer diseases. Small lawn areas killed by disease or winter and early spring conditions should be resodded or reseeded in spring, before weeds invade these bare patches.

Anyone with specific lawn problems should contact a provincial agricultural representative or the plant science department of a university.

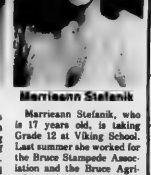
Agriculture Canada has a 27 page booklet entitled Home Lawns, by Bill Cordukes. It contains useful tips on making a new lawn, maintenance, disease and weed control, fertilizers and grass mixtures. A copy can be obtained by writing to Agriculture Canada, Information Services, Ottawa, K1A 0C7, and asking for publication 1685.

Bruce Stampede Association Announces Queen Candidates

Once again the Bruce Stampede Association is proud to introduce four charming young ladies who will compete for the title of Bruce Stampede Queen 1980. The girls began selling tickets last week. Each ticket not only gives a vote to the girl of your choice but gives a chance on the three cash prizes of $500, $200, and $100. The draw will be made at midnight at the Bruce Stampede dance on Saturday, July 26.



Susanne Gahr



Marrieann Stefanik

Susanne Gahr is 17 years of age and presently is a Grade 12 student at Viking School. She enjoys sports of all kinds, especially volleyball, soccer, fastball and badminton. Susanne works on a part time basis at the Parkland Nursing Home and plans to attend N.A.I.T. next year where who will take an X-ray and lab technician course.

Marrieann Stefanik, who is 17 years old, is taking Grade 12 at Viking School. Last summer she worked for the Bruce Stampede Association and the Bruce Agricultural Society under the Hire-a-Student plan. Marrieann likes swimming and all sports but her main interest in in art. She hopes to eventually pursue a career in this field after she completes high school.

Kimberlee Malowany

Marilyn Ash

Kimberlee Malowany is 15 years of age and a Grade 10 student at Holden School. She belonged to the Bruce Busy Bees 4-H Club for two years. Kim's interests are varied; she likes to read, swim and ride horses and plans to become an electronic machine accountant when she finishes high school.

Marilyn Ash is 16 years old and attends Viking School where she is taking Grade 11. She is a member of both the 4-H Light Horse Club and the 4-H Beef Club. Marilyn is a Brownie leader as well and enjoys life on the farm where she can be outdoors and care for the animals.

Facts About Proper Care In Handling Dairy Products

Mishandling of milk and dairy products is the main cause of consumer complaints. The mishandling occurs between the time of processing and the consumption by the consumer. Many consumers have felt that open dating would solve this problem. However since age is not the problem, open dating is not a panacea.

The consumer should expect approximately a weeks shelf life of a product after purchase. Then when the consumer has a product go bad, it is usually the fault of the processor or retail outlet for mishandling, or perhaps the customer for lack of proper knowledge or carelessness in handling the product in the home.

Temperature is the key to the shelf life of dairy products. Fluid milk may hold up from three weeks if temperatures are maintained below 2 degrees C. When milk is taken from the refrigerator, the container should be returned immediately after use. Dairy products will increase about 5 degrees C. in less than one hour, but re-cooling will take from 4-8 hours in a 4 degrees C. refrigerator ...a loss of two days shelf life on fresh milk.

With no-frost refrigerators, heat of the car in the summer sun and lack of knowledge, the home has become a place where dairy products become a half-life or less products.

Finally, check your handling habits, keep the refrigerator below 4 degrees C. or 39 degrees F. and enjoy a fresher finer products.

If we check the following examples, one can easily see what happens to fresh pasteurized milk, and why the same few people always complain they are buying sour milk.

The ideal temperature of 0 degrees C, will keep milk fresh for a maximum of 24 days.

When the temperature increases to 4 degrees C we find the life span shortened to ten days. At 10 degrees C. or 50 degrees F. we find that milk will only remain fresh for a span of two days. If the dairy product is left in temperatures which range from 15 degrees C or 60 degrees F. to 25 degrees C and 75 to 80 degrees F, milk will only remain fresh for one day to half a day.

With these facts in mind, and the proper temperature controls, the freshness of dairy products can easily be attained.

Parkland Nursing Home News

Our sincere sympathy to the families of Mr. James Finnemore who passed away at the age of ninety-eight.

Olive Good and Terry Lusak visited with Lars Ritland.

Bea Fredericks called on Mrs. Fredericks.

Lyle Swanson and family visited with Frank Murray last Wednesday.

Dianne Pasnak called on her grandmother, Mrs. Tchir and Mrs. Pasnak.

Joan Meakins called on her father, Frank Murray.

Honey Curtis visited with her brother, Charlie Auburn.

Visiting Dave Anderson on Wednesday were his wife, Amy Robinson, Flo McCabe, Ann Schroeder and Eleanor Isaac.

Mr. and Mrs. Ken Ruse of Edmonton visited with brother Roy Harris.

Jim and Agnes Knudson of Irma visited with friends here.

Kay Kawalilak called on her mother, Mrs. Pearl Kawailak.

Emma Reger called on friends here on Saturday.

Hazel and Marshall Mikkew visited with Mrs. Roth and Mr. Piwowar.

Ann Ozubko was in to see Fred Ozubko on Saturday. Also calling were Steve and Ella Ozubko of Edmonton and Annie Komarnisky.

Marlene Rose of Camrose called on her father, Chester Land.

Peggy Nearing called on friends her on Saturday.

Olive Good visited with Lars Ritland.

Floyd and Walter Campbell visited with their mother, Mrs. Edna Campbell.

Next Tuesday, May 13, we will be having our Spring Strawberry Tea and Bake Sale, from 2:30 p.m. to 4:00 p.m. We hope to buy some patio furniture with the proceeds from our tea. Please come.

Our three "musketeers" toured downtown the other day...Tony Lafleur, Cagmar Benson and Fred Ozubko. It is nice to see our guests get out for a walk.

Do You Know The Bible Says

Mrs. W. Myers

And the Word was made flesh and dwelt among us, and we beheld His Glory, the glory as of the only begotten of the Father...full of grace and truth. John 1:14. (The earth walk of God Himself.)

Recently colonel James Irwin related some of the high points of his Apollo XV Mission. He told of weightless bodies floating free in the space capsule, the rising silent crescent of the earth as seen from the moon and the triumphal splashdown before a watching world. He also spoke of the impact the experience had upon his spiritual life.

He said that from the rocky, barren lunar surface he sensed both the glory of God and the plight of earth-bound men as never before. His mission had enabled him to rise far above the retrace of earth. And as he came back down, he realized he couldnt content himself with being merely a celebrity.

He would have to be a servant, telling his fellowmen of a better way to live. Then Irwin concluded with a thought provoking observation...He said that if we think it a great event for human beings to go to the moon how much greater is the wonder that God came to the earth in the person of Jesus Christ!

The astronaut makes a good point, doesn't he? Because man walked on the moon, science and technology have made tremendous advances.

But, because God walked on the earth, we have a knowledge of our origin and destiny. We can know our Creator personally (John 1:14,18) and we can live in His Light (verse 9).

Because Jesus touched down on our planet, we can not only know truth, but grace as well (verse 17). Through His sinless life and sacrificial death the Divine Visitor has brought to us the joy of sins forgiven and an abundant life.

Yes, this and infinitely more is ours, all because God walked on earth.....long before man walked on the moon. Down from His glory, ever living story, my God and Savior came and Jesus was his name. Born in a manger, to his own a stranger, a man of sorrows tears and agony.

God made his abode with man so that man might make his abode with God.

Darlene Sevcik and Peter Onyskiw were united in marriage on Saturday, April 19, 1980 in the Prague Catholic Church. Darlene is the daughter of Mr. and Mrs. Ernie Sevcik of Viking.
M. Tymoschuk Photo

James Finnemore Laid To Rest

Mr. James Finnemore passed away at the age of 98 years at Viking Hospital, on May 1, 1980.

James was born in Cobourg, Ontario in 1881. He came west in 1904 and homesteaded north of Viking in 1905, walking here from Edmonton. He married Helena Baynton of Toronto and farmed in the Rutherglen District where he helped start the Rutherglen School.

He was a lifetime member of the Royal Arch Masons and also the Viking Connaught Lodge. His wife predeceased him in 1974. He leaves to mourn his passing his daughter Mrs. Edna McLachlan, his three sons, Bill, Gordon and Clarence, two nephews, 1 niece and eight grandchildren.

Funeral services were held at the Viking United Church with Rev. G. Wilson officiating. Pallbearers were Jack Roddick, Palmer Nordstrom, Louis Merta, Jack Pullen Alan Barker and Don Congdon.

Interment was in the Viking Cemetery from Ronaghan's Funeral Home.

Floral tributes were from the family: Mr. and Mrs. C.E. Finnemore, Bert and Lillian Hill, Mr. and Mrs. Robert Ash and family, Mr. and Mrs. Gordon McLachlan and family, Mr. and Mrs. Robert McLachlan and family and Mr. and Mrs. Don Reishus and family.

Clark Passes

David Clifford Clark, age 58 years, beloved husband of Mrs. Ardis Clark of Calgary, Alberta, passed away on April 19, 1980.

Ardis Clark (nee Horton) was formerly of the Viking area. David leaves to mourn his passing numerous relatives and friends. Among these are his mother-in-law, formerly of Viking, Mrs. Stella Horton, now residing in Victoria and Selmer and Martha Hoines of Viking.

Rejoice Together

Locals Attend U. C. W. Conference In Red Deer

The 18th Annual Meeting of Alberta Conference United Church Women met at Gaetz Memorial Church in Red Deer from April 29th to May 1st, 1980 with more than one hundred delegates from as far away as Whitehorse in attendance.

Presiding at the meeting was Mrs. Lois Hole of Edmonton. Special guests included Rev. Michael Chandoo of Grenada, Trinidad; Rev. Mary Ellen Moore of Merrin; Ms. Betty Martin of Calgary and Gordon McFadyen.

Jean Schmitt of Milk River and Joyce Gould of Consort provided music.

The theme "Celebrating Life" was explored and presented by six Divisions and also by Rev. Chandoo as he challenged us to assess and live out a Christian life style as global citizens.

The executive was installed into office for the coming year, and significantly began its term on the "Celebrating Life" act of Communion with the delegates.

Attending from St. Paul Presbyterial were delegates Margaret Parkin, President, Ruth Gray, past President, Mabel Gamble, Mavis Trevell, May Peden, Bessie Anderson, Olive Frissell, Jean Weeks and Dorothy Bateman on the conference executive. Also attending was Shirley Ashton from Lloydminster U.C.W.

Weekly Inspirational Corner

As it is written...There is none righteous, no, not one: Rom 3:10.

For all have sinned and come short of the glory of God 3:23.

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord 6:23.

For whosoever shall call upon the name of the Lord shall be saved 10:13.

For God so loved the world that He gave His only begotten Son that whosoever believeth in Him, should not perish, but have everlasting life. St. John 3:16.

Card of Thanks

We wish to express our sincere thanks to the doctors and staff of the Viking Hospital for the wonderful care given to our father James Finsemore. Many thanks to the staff of Parkland Nursing Home for the many years of fine care. We wish to thank all pall bearers, with special thanks to Mr. Nordstrom for the use of his car. A special thanks also to the B.C. ladies for the wonderful lunch they served and to Rev. Wilson for his service, to Mrs. Roddick organist and to the choir. Thanks also to the Masonic Lodge for arrangements and to Ronaghan's Funeral Home for their arrangements. Thanks to all those who sent flowers and sympathy cards and to those who helped in any way. All was greatly appreciated in our recent bereavement. Bill & Gordon Edna & Eleanor 13p

I would like to take this opportunity to thank Doctors Cunningham, Bennett and Caldwell and the Matron and Staff at the Viking General Hospital during super care I received during my recent stay in the hospital. Also a special thanks to all the people who sent cards, flowers, and to all who came to visit. Your thoughtfulness was greatly appreciated and will long be remembered. Thanks again. Sandra Hoffman 13p

We wish to extend our heartiest thank you to the Doctors, matron, nurses and staff of the Viking Municipal Hospital for their comfort, consideration and excellent care during the past year; Pastor Tim Johnson for his consoling visits and funeral service; Ronaghan's Funeral Home for their help; those that brought flowers to the funeral home or to the house; the many people that visited both in the hospital and at home; those that sent cards and phoned; but especially those that prayed for us in our most recent loss. Your thoughtfulness and help will always be remembered. Ron, Wilma and Denise Erickson 13 p

I wish to thank sincerely the nurses and doctors of the Viking Municipal hospital for the good care given me during my stay in hospital. A grateful thanks to my family for their consideration and visits and to all who sent cards with well wishes.

Sincerely appreciated
Orvil Darling. 13c

CARD OF THANKS

We would like to thank the Bruce Volunteer Fire Department for responding so promptly to our call for help. Thanks also to all the other people who came to assist.

Palliser Urges Action On Crow

"If the Federal Government won't act directly to soften the impact of record high interest rates this spring on farmers, then there's only one other way farmers can meet their cash flow needs - and that's by moving into volume production. But that means moving extra grain to market and it calls for decisions. Federal Government action," says Palliser Wheat Growers Association Vice-President, David Nederhoff.

Nederhoff says farmers and especially younger ones are getting hurt badly by high operating costs. "Their very survival is threatened" he said.

Because one cause of this tragedy is the failure to move grain to market Referring to Statistics Canada figures, Nederhoff noted that prairie farmers still owned almost a billion bushels of grains and oilseeds on March 31st, or more than their total production last year. They still had 780 million bushels of wheat which is 28 per cent higher than the total 1979 harvest of 609 million bushels.

"That grain could be worth $2 1/2 billion to the farmer, much of which they should have in their pockets by now," says Nederhoff. "At today's interest rates, that is costing farmers tens of millions of dollars a month".

"This means the most urgent challenge facing Transport Minister Pepin is to come to grips with Crow. For without changes in it, our grain will never move freely to market".

Nederhoff says farmers are ready for change. "At farm meetings I attended last winter, farmers were increasingly impatient with the politics and regulations pressing in on them. They were sick of the bureaucracies and the quotas. They felt threatened. They were like cats in a room full of rocking chairs - nervous and concerned. Many said the time for arguing is past - the time has come to deal with the Cow, and to get it changed, so producers can get on with expanding their production to take advantage of the waiting world market."

Nederhoff says farmers can no longer afford the Crow in its present form and it is doubtful if government can afford it either. It's been under debate among prairie farm leaders and government officials for three or four years and for the past year, it has been under vigorous public debate. There is almost total agreement that the railways must be paid a compensatory rate if the grains are to move to market.

Several Crow solutions have been advanced but Nederhoff says the most thoroughly researched and best documented and understood is the one prepared by the Prairie Farm Commodity Coalition.

He urged Transport Minister Pepin to turn his attention to this problem as quickly as possible. "There is already a broad understanding of the proposal among prairie farmers. And once it is fully understood here it would benefit farmers, it will undoubtedly get wide public support."

Viking Playground Needs Trees

Spring has now arrived and the Viking Playground Committee is coming out of hibernation. We are very pleased with the response we got from the Viking Society last fall and I am sure all the people who were involved in building the playground are very proud of the success we have already had.

The playground is well used by the young people of Viking and seeing them enjoy themselves should be very rewarding for the people concerned with making donations and providing labor in its construction.

Phase two of the playground should now be getting underway - Beautification. Our intention is to cover the hill with black dirt and put sod on to give us a nice green area. The area east of the school gymnasium is to be given a more pleasant appearance by planting trees to give shade. At some later date we hope to add picnic tables and maybe even a barbecue pit.

To carry on with this project we have a need for black dirt and seedling type trees. If you have some black dirt we can have or if you have any trees - either evergreen or deciduous that we can have moved to the playground please contact: Dennis Watson at 336-3352 - School or at 336-3279 - residence.

P. F. R. A. Soil Moisture Report

The unseasonable hot, dry conditions that have prevailed across the prairie provinces during April have reduced soil moisture to very low levels in many areas. In addition, the generally dry fall of 1979 and below normal winter percipitation have resulted in reduced replenishment of farm surface water supplies and shallow aquifers in parts of Alberta and Saskatchewan.

Major streams and reservoirs are, however, generally in good condition and water supplies dependent on these sources are currently considered adequate.

The information in contained in a report released by the Prairie Farm Rehabilitation Administration P.F.R.A., a DREE agency, based on a survey of its 20 Water Development Offices and other federal and provincial agencies in the prairie region.

Conditions are reported to be worst in east central Alberta and west central Saskatchewan. The area stretches eastward from Drumheller and Vulcan in Alberta to Outlook, Saskatchewan. It is generally bounded on the south by the South Saskatchewan river and extends northward to Provost in Alberta and Kindersley in Saskatchewan.

In this hardest hit area, there have been reports of soil drifting, shallow well failures and dugouts standing at approximately four feet below their normal full level. Dugout pumping is already underway at Vulcan and Warner in Alberta.

Soil moisture and farm water supply conditions are also reported as well below normal in southeastern Alberta, portions of southwestern Saskatchewan, southeastern Saskatchewan, southwestern Manitoba and the Peace River area in Alberta. The reduced water supplies should not cause severe shortages this summer, but could lead to fall and winter shortages unless summer precipitation is well above normal.

Although conditions are generally below normal elsewhere on the prairies, soil moisture and farm water supplies are reported to be adequate at this time of year. Normal precipitation in May will be required to maintain this condition.

The water available in major streams and reservoirs is considered to be adequate and problems are not currently anticipated for supplies dependent on these sources.

The April weather may also result in water quality problems in farm dugouts. The warm conditions could accelerate algae growth and necessitate early treatment of dugouts. The problem will be compounded where low water levels require dugout pumping from sloughs with their attendant algae and weed problems.

The solid moisture situation will be largely alleviated if normal May and June precipitation occurs, but farm dugouts and shallow wells in many areas could experience fall and winter shortages unless rainfall over the remainder of the season is greatly above normal.

ANNOUNCEMENT

GARRY SMITH
BRANCH SALES LEADER 1979
Great-West Life
ASSURANCE COMPANY
The Great West Life head office has announced the appointment of Mr. Garry Smith of the Edmonton South branch to the company's AGENTS ADVISORY COUNCIL. Agents are appointed to the council on the basis of their outstanding contribution to the Company's Sales efforts.
Mr. Smith won the 1978 Great West Life Rookie of the year award and the 1979 Branch Leader award.
Mr. Garry Smith has offices in Wainwright at 843-2765 and Lloydminster at 875-0382.

Cattle Released

Cattle imported into Canada under Agriculture Canada's 1979-80 livestock quarantine program at Grosse Ile., Quebec, have been released with a clean bill of health.

The one hundred and sixty head of cattle, representing sixteen exotic breeds, were brought into this island quarantine station from Europe last October.

These imported cattle will be used as breeding stock by cattlemen in Alberta, Ontario, British Columbia, Saskatchewan, Manitoba, and Quebec.

O. O. R. P. District 4 Meeting Held In Irma

The Order of Royal Purple District #4 meeting was held in Irma in the school auditorium on Saturday, April 5th.

To get our meeting away to a good start, the ladies were welcomed by the Mayor, Richard Larson and the United Ruler of the Elks, Don Lukens, wishing us a successful meeting a a very successful year.

H.R.L. Darlene Lovig welcomed all members and visitors.

Irma Lodge opened the meeting and District Deputy Dorothy Crozier was introduced. We were pleased to have Supreme Trustee Lillian French in attendance also. All eight lodges of the district were well represented with one hundred and forty in attendance. There were fourteen Past District Deputies, forty Past Honored Royal Ladies and eight Honored Royal Ladies. All reported having a successful years work.

Edgerton Lodge draped our charter in memory of our departed sisters. D.D. Crozier gave the report of her year and the highlights of her travels.

A letter of greeting was read from S.H.R. Lady Ruby McDonald. During the afternoon, we were favored with some of our drills: Wainwright Lodge - The Purple Cross Drill; Chauvin Lodge - Pansy Ceremony and Sunshine March; Holden Lodge - O.O.R.P. Drill; Kinsella Lodge -Gavel Drill.

We had a workshop with the ladies dividing into groups and each group reported on their particular question. Many ideas were put forth and questions discussed and answered.

It was moved and seconded that each lodge give $25.00 towards our new District Deputy's expenses for Supreme Lodge Convention. This is the O.O.R.P.'s 65th birthday this year.

A gift was presented to Chauvin Lodge for having the highest percentage of membership visiting with the travelling gavel. Congratulations to them for having 68 percent. D.D. Crozier was also presented with a gift.

Supreme Trustee Lillian French congratulated our lodges of District #4 for the excellent job they all did in their work for this meeting.

Door prizes were won by Stella Glasgow and Eleanor Bilyk. These were macrame hangers. Two beautiful mums were also drawn for and these were won by Mary Goodrich and Helen Bilyk.

Kinsella Lodge is hostess for District meeting for 1981. Hardisty Lodge closed our meeting and Viking presented a humorous skit after which a bountiful supper was enjoyed by all. See you all in Kinsella next year.

Irma Womens' Institute Notes

Sixteen members and three visitors met at the home of Mrs. J. Craig for the regular May meeting of the Irma Womens' Institute. Mrs. Adelaide Dootsen, first vice president, conducted the business.

The recent tea and bake sale, sponsored jointly by the Irma, Buffalo Coulee and Strawberry Plains branches was a great success. A total of $301.00 was received in donations to the Cancer Fund and $171.00 from the tea and bake sale and was sent to the W.W. Crane Hospital. The W.I.'s wish to thank everyone who helped to make this such a success.

Mrs. Betty Parsons received congratulations on becoming Constituency Convener. Mrs. Adelaide Dootsen is the official delegate to the Provincial Conference at Olds in June. Mrs. Kay Clumstad will accompany her.

The annual cemetery clean-up day will be held on June 18th. Please keep this date open and come out to help.

Birthday greetings were sung to Mrs. Gladys Meyer and Mrs. Betty Parsons. Mrs. Florence Thurston won the raffle donated by Mrs. M. Dempsey.

Lunch served by Mrs. Dootson and Mrs. G. Enger concluded the meeting.

The next meeting is at the home of Mrs. P. Smallwood, with Mrs. Meyer and Mrs. Fahner as hostesses and Mrs. A. Enger will provide the raffle. Roll call - written suggestions for the next roll call.

Submitted by
P.E. Craig

Regular Meeting Of O. O. R. P. Held

The last regular meeting of Irma O.O.R.P. was opened in regular form by our H.R.L. Darlene Lovig with twenty-six members present. Two officers were absent.

The previous meetings minutes were read and approved. The correspondence received was read and dealt with.

Lady Francis Overbo is our new District Deputy.

We are catering to a family reunion for the Walker family with committee #6 in charge.

Reports were read from the Red Cross committee, reporting a successful canvass again this year. Easter cookies were packaged and delivered to shut-ins and senior citizens.

The committees for visiting at Vialta Lodge, Viking, Battle River Lodge, Wainwright, and Chaucienah Manor here at home, all reported their visits accomplished and all report having enjoyed their efforts.

It was suggested that we take some of our senior citizens along on our next visit as they enjoy visiting our charter in memory of our departed sisters. D.D. Crozier gave the report of her year and the highlights of her travels.

A letter of greeting was read from S.H.R. Lady Ruby McDonald. During the afternoon, we were favored with some of our drills: Wainwright Lodge - The Purple Cross Drill; Chauvin Lodge - Pansy Ceremony and Sunshine March; Holden Lodge - O.O.R.P. Drill; Kinsella Lodge -Gavel Drill.

We had a workshop with the ladies dividing into groups and each group reported on their particular question. Many ideas were put forth and questions discussed and answered.

It was moved and seconded that each lodge give $25.00 towards our new District Deputy's expenses for Supreme Lodge Convention. This is the O.O.R.P.'s 65th birthday this year.

Irma News & Views

Rev. and Mrs. E. Neufeld attended Graduation Exercises in Regina on April 26th and 27th. There were 80 graduates in the Canadian Bible College. C.B.C. now has a student body of 525 and is the College of the Christian and Missionary Alliance in Canada. There was a special feature for the Neufelds since the "class of 55" of which Mr. Neufeld is a member held a 25th Anniversary Reunion.

Sherry and Gordon Darling and their two children Janice and Scott, visited with his mother, Orril Darling and other members of the family the weekend of April 26th.

Orril Darling had the misfortune to fall with a resultant hairline fracture of a bone above the left ankle. She is learning a new mode of motion...crutches.

On Saturday, May 3rd, Sharon MacFayden and children Deana and Daniel, Trish Bergseth with little son Ryan; and Debra Harrison visited and had lunch with their grandmother, Orril Darling. Also visiting Orril Darling on the afternoon of May 3rd were Cleora Darling, Wendy and Christine, Jean Smith, Dianne and Jason, as well as Mrs. E. Wilson and Mrs. G. Enger.

Jimmie and Minnie Jackson visited at Clear Lake on Sunday afternoon with Bob and May Dand and their son Clifford, his wife Colleo and daughter Christine. A number of motor boats were on the lake and a number of younger people were enjoying water skiing.

Many farmers are on the land and some seeding is already done. The land is very dry. In fact, we have been informed that the month just past was the hottest and driest April, recorded in one hundred years. A good days rain would do more good than all the politicians and experts in Canada. Here's hoping it comes fairly soon.

The Weekly Review extends Congratulations and best wishes to the nineteen grade twelve students whose graduation takes place on Friday, May 9th.

Chacutenah Manor News Items

Mrs. Beer is visiting relatives in Calgary.

Mrs. McLean is in Edmonton, guest of her daughter and son-in-law, Mr. and Mrs. C. Saville.

Miss Brenda Rattle of Vermilion spent the week-end with her grandparents, Mr. and Mrs. J. Lambert.

Recent visitors with Mr. and Mrs. Hooper were their daughter and her husband, Mr. and Mrs. Bergley of Lacombe.

Mrs. Elsie Coultman of Camrose spent Sunday with her sister, Mrs. Cockrott.

Bible Study Group met in the suite of Mrs. McRoberts on Tuesday. Mrs. Meyers was the leader.

Friday callers with Mrs. McLean were Dr. and Mrs. Caldwell, Mr. and Mrs. Carrington and Mrs. Bird, all from Viking.

Irma Brownies Hold Enrollment

A mini Brownie Enrollment under the direction of Mrs. Mitton, was held on April 26 at the Cub and Scout Hall. We had the honor of having Dr. Murray and three Pathfinders present. Terry-Lynn Kirkman was enrolled as well as two Pathfinders.

The Pathfinders and Dr. Murray taught the Brownies some very interesting new games. Also the Brownies attended long bourica lacos. Dr. Murray briefly explained to our girls the various stages in the Girl Guide Movement.

The 1st Irma Brownie Pack participated in the Travel Camp this year. The girls visited the Edgerton Brownie Pack and spent the night in the Edgerton school. All had an enjoyable time and the girls who worked hard at the crafts and badge work, received their "Canada Badge". While at this camp Tracey Loskosky was presented a prize for winning third place in the eight to nine year old category in the Battle River District Cookie Poster Contest. Congratulations.

Our 1st Irma Brownie Cookbook is progressing quite satisfactorily. The deadline for recipes is May 7th.

The L.A. meeting is scheduled for May 12 at the Cub Hall at 8:00 p.m. Parents are to come and update their daughter's medical forms and pay camp fees.

Thanks to all those who donated rags and those who made "Rag Day" and "Cookie Day" a success.

TOWN OF VIKING

INVITATION TO TENDER

The Town of Viking requests Tenders on the following:

1. To supply and deliver approximately 1,000 cubic yards of crushed road gravel. Sample to accompany tender.

2. To supply and deliver approximately 300 cubic yards of reject sand.

3. To haul approximately 200 tons of asphalt from Border Paving Ltd. plant at Camrose to Viking.

Tender must be received at the Town of Viking Office not later than May 15, 1980.

Lowest or any tender not necessarily accepted.

L. HANSON
MUNICIPAL ADMINISTRATOR

Public Utilities Income Tax Transfer Act

Alberta's communities are beginning to send messages directly to Ottawa suggesting the federal government reconsider its plans to reintroduce a discriminatory taxation scheme that affects primarily Albertans.

Customers of Calgary Power Ltd., began paying higher utility bills issued April 1, after Ottawa decided to end a 14 year program which rebated the utility's corporate income taxes from 95 to 50 per cent.

More than 17 municipal councils for communities served by Calgary Power have already passed resolutions condemning the federal moves as discriminatory to Albertans. Most other provinces are served by government-owned utilities which do no pay taxes to Ottawa. The 95 per cent rebate was established in 1966 to eliminate tax discrimination between the customers of private and public utilities.

"I suspect Ottawa believes many Albertans do not appreciate details of tax transfers and therefore would not raise a protest. But there is a principle at stake here. All Canadians are entitled to equal treatment under federal tax laws. If Ottawa needs the $32 million, perhaps they should equally tax the governement-owned utilities in other provinces," said Mr. Schaefer.

He said there is still some hope that Ottawa might reconsider, since the required legislation amending the Public Utilities Income Tax Transfer Act has not been introduced in Parliament.

"Their intentions are clear, however, since they have already held back some of the funds normally rebated, and we have been forced to adjust our customers' accounts beginning with the April 1 billings."

The Homemaker

By Maureen Baumen, District Home Economist

Studies have shown that excessive weight gains usually begin in late fall & winter and almost never in good weather. Exercise, of course, is the key to weight loss & weight maintenance.

When you're inactive, your appetite, which is normally a precise guide to how much you should eat, doesn't work properly. You will end up eating more calories than you burn.

Overweight children spend a lot less time in physical activities than their slimmer friends. Likewise, the heavier children usually eat less, not more. So the answer here is to increase exercise, not decrease food intake. This same principle holds for adults.

Activities vary considerably in terms of energy cost. Moderate activities over an extended period of time are more effective than competitive sports. For example walking works off about 5 calories per minute, cycling about 8, swimming about 12 and running about 20.

A brisk walk for 15 minutes each day over three months could burn away more than two pounds of body fat and in a year, more than eight pounds.

Exercise before supper, particularly if vigorous, will usually decrease, rather than increase appetite. Exercising at the end of the day also has the psychological advantage of providing a "break".

With the nice weather upon us, why not get into the fitness kick and shed those extra winter pounds.

Youth Program

"Take a break...Cooperate", is the theme of this years R.E.D.A. camps. These camps are sponsored by agricultural organizations in Alberta such as Alberta Wheat Pool, Unifarm, The Co operators, etc.

Camps run at different times throughout the summer, depending on the age of the participants. Teen camps accept ages 14-15 years, youth camps 16-18 years and a grad seminar is available to those who have previously attended one of the R.E.D.A. camps.

The aim of the program is to provide young people the opportunity to acquire skills in leadership and knowledge of community, co operatives and agricultural organizations. They have a lot of fun too.

Transportation is available to and from Goldeye Centre, which is 110 km. west of Rocky Mountain House.

The second summer program is called "Camp Silen Teen '80". It is administered by the Alberta Registered Dietitians Association.

The camp is designed for teenagers between the ages of 13-16 years who seriously want to do something about their weight. Camp Silen Teen is held at the Yamnuska Centre, just west of Calgary. Facilities include a swimming pool, tennis courts, row boats and a riding corral.

Applications are available at this office and must be received by June 30.

I have received in the mail information about 2 summer youth programs that are excellent. If you would like more information about either of them, please contact the Alberta Agriculture Office.

Swimming Lessons Underway At Ryley

The first session of swimming lessons for the spring program is well under way. Report cards are being given out this week. Registration is now being taken for the second session of lessons and the classes are filling up fast. Once again we are offering two different sets of days for the lessons. Monday & Wednesday at 4:45 - 5:30 or Thursday at 4:45 to 5:30.

The levels to be taught are as follows:

Monday & Wednesday -
Pre Beginners, Beginners Juniors, and Intermediate Seniors

Tuesday & Thursday -
Pre Beginners, Beginners Survival, and Bronze Medallion

Bronze Medallion prerequisite- 14 yrs old, significant swimming skills and water safety knowledge.

The Bronze course will be from 4:45 to 6:00. The class size is limited so register now avoid disappointment.

In addition to these classes, we are offering MOM & TOTS classes and FUN FOR FIVES as well.

Call and register today 663-3505.

The swim club is looking for new recruits-male or female to compete against other teams (their own age Level) Practice is Monday to Friday from 5:30 to 7:00.

If you have any question regarding programs, or if you have any ideas for new programming, give us a call.

Viking Cubs Invested

The Viking Cub Pack recently invested seven new boys into the Cub Scout Ranks. (Front row, left to right) Bart Walker, Jason Norrie, David Winter, and Dale Misura. (Back row, left to right) Allan Anderson, Ralph Tessman, and David Roddick.

At a regular Monday evening meeting, held on April 2, 1980, the Viking Cub Pack gathered together to witness the investiture of seven new boys to the Cub Scout Ranks.

After a brief explanation of the ceremony the boys repeated the Wolf Cub Promise and were presented with their full uniform. After congratulations from the leaders, parents then took pictures of the group.

At a meeting prior to the investiture, all cubs toured the Official Viking Weather Station operated by Mrs. L. Arndt. There they learned how various types of weather records are taken and kept. We would like to thank Mrs. Arndt for the tour of the weather station.

On Monday, April 28, following games outdoors, the Viking Cubs gathered at the Youth Centre to honor M. Calow, one of the Cub Leaders. Cory Biermachesky, one of the cubs he had worked with during his three and a half years at Viking, presented him with a desk ornament and hand drawn card, on behalf of all the cubs and leaders. A thank you from all is extended, for a job "well done".

MacGregor Telephone and Power have started the installation of T.V. cable in Viking for Q.C.T.V. Staff Photo

T. V. Lines Being Installed In Viking

Monday, May 12th was start day for installation of the overhead cables which will carry T.V. signals to residences in Viking. Q.C.T.V. Ltd. of Edmonton is spending over $200,000 to install the cable T.V. system.

Ed Polansky, President of Q.C.T.V. , said that a tower will be constructed in the Viking vicinity to pick up "off air" signals, which will then be sent through the system to the purchasers of the service. At present, no location has been settled on for the tower. Initially, only T.V. signals from Edmonton and Red Deer will be available to subscribers.

Mr. Polansky said that lack of a microwave system to Viking will not allow for the inclusion of any American channels. The possible construction of a microwave system by A.G.T. in the next year or two would allow for the carrying of American channels, but at an increased cost to subscribers.

Q.C.T.V. will be installing new overhead cable throughout the Town and every residence could be hooked up by the end of 1980. Mr. Polansky said that Q.C.T.V. should be hooking up houses by September 1st.

Rates for the service are the same as those which Q.C.T.V. charges in Vegreville and Wainwright. The initial hook-up charge is $35.00 with monthly subscribers fees of $9.25.

Mr. Polansky stated that Q.C.T.V. had received excellent response from other communities in which they had introduced the cable systems. He said that his company provides a service to all new house builders which aids in the installation of T.V. cable. The service includes the supplying of in-house cable free of charge so that electricians can wire a new house for cable during construction.

Mr. Polansky noted that everyone wishing further information on in-house cable installation can contact the Engineering Department of Q.C.T.V. in Edmonton.

Delegations Meet With Viking Town Council

The regular May meeting of the Viking Town Council witnessed the visitation of three guests concerned with differing items.

Mr. Jack Reddick appeared before the Council to discuss the proposed Reddick Subdivision development in the southeast portion of the Reddick's home quarter. Mr. Reddick reported that a buyer-developer for the commercial development had been secured, but that possible drainage problems had brought the development to a standstill.

Mr. Reddick said that the possible developer concluded that a sewage lift station was needed for about nine acres of the development as it was below the grade levels of pipes across Highway #36. Members of Council felt that Cleon Engineering had informed them that no lift station was required, only a lifting of the grade in the low section during pre-grading to ensure adequate coverage for the underground lines.

Mr. Roddick said that neither the developer or the Roddicks were prepared for the underground lines.

Mr. Roddick said that neither the developer or the Roddicks were prepared to put in a lift station. He said there seemed to be some confusion about the grade levels in the area. Council agreed and decided to have Cleon Engineering survey the area so that any misunderstandings about the grade levels would be removed.

Mr. Will Rushton of the Devonian Foundation project approached Council with the Committee's proposal for a new Town sign. The sign is part of the original Devonian project and is to be located at the intersection of Highways 36 and 14.

Mr. Rushton presented Council with a drawing of the proposed sign for approval. Council will be responsible for funding the approximately $700 cost of the sign. Placement and landscaping costs will be borne by the Devonian Committee.

The sign will be a 12 ft. x 12 ft. hand-painted sign erected on a landscaped berm in the northeast quadrant of the intersection. Council approved the proposed design with a few changes in the scene.

The sign will be erected during July when the crew is in Town to construct the park at the south end of Main Street. Mr. Rushton said that the Devonian group was pleased with the Council's decision to pave the parking lot beside the park and requested a review

Continued on page 2

Viking 75th Anniversary Proposals Outlined

The Viking 75th Anniversary Committee is presently engaged in trying to determine how the Town's 75th Anniversary grants will be spent. The Committee has received ten applications for funding from the government grant program.

The Viking and District Chamber of Commerce have requested support for two projects. One project is the reprinting of a Viking historical book which is entitled "Wealth" dealing with the period about 1910. Their second project is the casting of 75th Anniversary coins for promotional purposes similar to the Centennial coins.

The Viking Minor Hockey Association has requested $1,000 in support of the Provincial Midget C Hockey Tournament which was held in Viking on March 28th, 29th and 30th.

The Viking Group Committee has submitted a request for $1,000 to help in paying for improvements to Camp Gary. Camp Gary is a Youth Camp located on the shores of Lake Thomas. The Group Committee is presently engaged in erecting an arch-rib building on the site.

Another application for funds comes from the Viking Fair Committee. Their request is for $1110 to aid in covering costs of operation of the 1980 Fair.

The Viking Lakeshore Golf Club has submitted a request to the Committee for $5,000 to go towards the purchase of equipment for maintaining the golf course.

A request for $10,000 comes from the Viking Historical Society. The Society plans on building an addition to the Museum for the storage of various historical artifacts.

The Viking Recreation Board has submitted an application requesting that a major portion of the funds go towards the initial phase of the proposed new multicultural and recreational facility. The Board has also requested funding for general recreation improvements such as new tennis courts, and improvements to Lake Thomas.

The Viking Swimming Pool Committee has requested that all the available funds go towards the construction of a swimming pool in Viking. Total costs estimates for this project are $70,000.

The Viking Child Development Society has submitted a proposal for the construction of a Child Development Centre in Viking. The Society has requested that 75th Anniversary grants go towards this capital project as their present location does not meet government standards.

The Viking 75th Anniversary Committee consists of Len Josephison, Deborah Taylor, Les Ottoson, Will Rushton and John Heslop. This Committee has a specific total of $24,540 ($20 per capita) to disperse, as well as an unspecified amount expected from the County of Beaver.

The Committee has been receiving the submissions over the past few weeks and are expected to make a decision by the end of May.

Five Units Respond To Rail Line Fire

A pall of smoke hung over the district on Sunday afternoon, originating from a fire that burned on the south side of the C.N.R. right-of-way. The fire commenced just west of Irma and extended at least to the west side of the Kinsella overpass.

The Irma fire engine, two units from Wainwright, one from Kinsella and one from Viking along with many volunteers fought the fire which got away and spread south at many points. Much pasture and a number of fence-lines were destroyed in the resulting fire. It took several hours before the fire was brought under control around 6 p.m. A flare-up of an isolated hot-spot caused the Kinsella brigade to be called out again from 10 p.m. until about 1:30 a.m.

It is presumed that a hot box on the Via passenger train caused the fire, as smoke was first noticed shortly after the train had passed through.

By J. Jackson

Sunday was Mother's Day, but many fathers spent the day battling fires along a 15 mile stretch of the C.N. railroad. The Irma department, as did all of the 4 departments which responded, had problems gaining access to some of the fires. Staff Photo

Can't Satisfy Everyone

Thanks to the "generosity" and "administrative skill" of the Lougheed government, some very difficult decisions await those people who were willing to take on the awesome task of trying to decide how the 75th Anniversary grant money is to be spent in each community. In Viking, as in communities throughout Alberta, these committees have received a number of applications for support from the grant moneys available. The projects which these applications contain run across the spectrum of organizations and ideas for improvements of many kinds.

The local 75th Anniversary committees across Alberta are faced with the task of choosing the "best" projects from among those submitted. A tremendous number of variables will have to be taken into consideration by these people in their efforts to make the right decision. They will have to consider the group involved, the community involved, and the quality of the project and the proposal in relation to all other proposals. Their task will not be easy.

And yet we must support the decision or decisions which these committees arrive at. When having to pick and choose between projects submitted by particular interest groups, someone or some group must be left out. Yet the committee members took on this task so that they could help in doing what is best for their respective community. Keep in mind that they are volunteers trying to do the best job possible. They can't satisfy everyone.

The Weekly Review Introduces New Staff Member

Maryann Ploc

The Weekly Review is pleased to announce the addition of Maryann Ploc to our staff.

Maryann was born and raised in the Viking area. She attended Viking School for 12 years, then went to Edmonton where she attended Henderson's Business College. Upon graduation from College, Maryann was employed by the Alberta Government in the Department of Labor where she worked for 3 years. She left the employ of the Labor Department to join The Weekly Review.

Maryann will be involved in two major facets of the newspaper business which will take her out into the communities in our area. She will be working on advertising sales and covering selected news events in the area. As well, Maryann will be involved in a variety of roles in our Viking office.

The Weekly Review is pleased to welcome Maryann to our staff and are confident that she will be able to meet all of your advertising enquiries when she visits.

Delegations Meet With Council

Continued From Page 1

of the placement of the steel poles between the parking lot and Main Street.

Discussion followed about the development of the leased land east of the park. Council expressed a desire to make the area into a play area and that some landscaping should be done in conjunction with the development of the Devonian Park.

Following Mr. Rushton's presentation, Mr. Dennis Watson approached Council about possible support for a hard-surfaced area within the school grounds. The area would be used for tennis, basketball, volleyball, etc., and would be approximately 120 ft. x 100 ft.

Mr. Watson said that the Board of Education of the County of Beaver has designated $2,000 for the project. He said that the cost of an asphalt pad of this size was estimated at about $11,000.

Discussion on the size of the pad revealed that it should be large enough for two tennis courts as supported by the number of people who used the Carena last year. Bill Taylor also noted that the outdoor tennis courts were part of the Five Year Recreation Master Plan.

Mr. Watson informed Council that he had requested a formal bid from Boarder Paving for the project. He noted that this would be the best time for the project as the cost should be less due to Border Paving working in Viking at the present time.

Council tabled the matter until an exact cost and other possible funding have been determined.

Bruce And District News

Once again this year the Bruce Stampeders are competing in the Highway 14 Fastball League. The men played their first game in Bruce on Friday, May 9th and were defeated by the Holden Keggers by an 11 - 5 score. On Wednesday, May 14th, Bruce will play at Ryley and Kinsella comes to Bruce on Friday, May 16.

As open meeting for all the ladies of the community will be held at 8:00 p.m. on Monday, May 26th in the Recreation Centre. The purpose of the meeting is to evaluate the catering committees and make any changes necessitated by changing circumstances. It you would like any additional information about this meeting you may call Mary Hammermaster at 888 2250.

Lillian and Dan Teske were in Sherwood Park on Mother's Day, guests at the home of their son Roy Teske. It was also a birthday party for Dan who celebrated his 84th birthday on May 10th.

Visiting with Trish and Bob Roulston on Mother's Day were Trish's mother and dad and Donna and Bud Lodwick.

Evelyn and Harold Hissett spent the weekend in Edmonton helping their daughter and son-in-law Lynne and Randy Stefaniryn move from an apartment to a house.

Sharon Kadatz is a patient in the Viking Hospital.

Grace Gormley hosted the Women's Institute meeting which was held on Thursday afternoon, May 8. Six members were present to discuss the month's business. Members have completed the canvass for the Cancer Society and are presently planning for a cemetery clean-up day which will be held on June 16. They also made some sample flowers that will be used on their float for the annual Stampede parade.

Board members for the Bruce Agricultural Society held their regular monthly meeting on Tuesday, May 6. Plans are being made for the annual "June-Fest", which this year will be held on Saturday, June 28.

Betty, Larry and Rebecca Benson of Edmonton visited with Larry's parents Vivian and Raymond Benson on Mother's Day.

Mrs. Marie Benson has spent the past few weeks in Edmonton with her daughter, Mrs. Mildred Grenier.

Winners at the senior citizens' card party last week were Lillian Siegel and Tom Dwyer, while consolation prizes were won by Lillian Teske and Vivian Benson.

●NOTICE●
The Viking Kindergarden will be having Orientation Day on Thursday, May 22, 1980 for children (and parents) who will be attending next year. Come in and bring your child when ever convenient between the hours of 9:00 a.m. to 11:30 a.m. or 1:00 p.m. to 3:15 p.m.

●NOTICE●
THE PLANNING ACT
R.S.A. 1977
AS AMENDED

Take notice that the Council of the Town of Viking proposes to pass a By-Law No. 329 of the Town of Viking by altering the Land Use District map as set out in Sections 135 and 136 of the Planning Act, 1977.

The purpose of the proposed By-Law No. 339 being to include the N½ 31-47-12-W4. Which has recently been annexed.

A copy of the proposed By-Law No. 339 may be seen at the Viking Town Office and may be inspected by the public at all reasonable hours.

At 6:45 p.m. on the 4th day of June, 1980 the Council of the Town of Viking will cause a Public Hearing to be held in the Town Council Chambers at which time objections to the proposed By-Law may be made and discussed.

Dated at the Town of Viking this 14th day of May, 1980.

Kindergarten Enjoy International Airport

The field trip which highlighted our year in kindergarten started from the Viking School at 9 a.m. with Mrs. Donna Simmons as our very capable bus driver.

We arrived at the Edmonton International Airport in time to have a tour before boarding the 737 jet to take us across the city to the Municipal Airport. Both tour days, April 29 and 30, had windy weather, so the ride was somewhat more thrilling than anticipated.

The children received a treat and a postcard with a picture of the airplane they had taken the flight in.

After eating lunch and playing at Coronation park we went to Fire Hall #4 for an interesting and informative tour. It was a busy day for the firemen and exciting for the children as several firetrucks came and went.

Next, we proceeded to the Provincial Museum. Displays enjoyed were the dinosaurs and the many historical indian artifacts. The bird and animal exhibits were so realistically displayed that many of the children wondered if they were alive.

The final part of our trip was supper at the MacDonalds at Capilano. The children were treated to hamburgers and soft drinks and were shown around the kitchen by a MacDonalds hostess. They each had a few minutes to pretend being captain and steer the ship that is featured there.

We boarded the bus for home, tired and happy and arrived home just before 8 p.m.

A summary of past and prospective field trips will follow in a later issue.

Fair Board Encourages Viking Business Participation

The Fair Board met on May 7th, 1980 with fourteen members present. Irene Hafso chaired the meeting.

The Secretary and Treasurer read their reports and the correspondence was read and discussed.

The 75th Anniversary Committee have replied to our letter in which we applied for grant money. They has several questions about the use of funds, and many helpful suggestions regarding the use of the 75th Anniversary theme for our fair.

The District Home Economist sent a confirmed list of judges for the Bench Show.

Ascro Building Products have requested permission to set up a display of their products at the fair, and it was agreed that we invite them to do so.

Local organizations have been approached about setting up displays in the hall for the day of the fair.

Directors are requested to keep records from year to year of prize winners in their section, and these records are to be passed on to the subsequent directors.

A letter will be sent to the Viking Chamber of Commerce, inviting our local business to compete in the, "Promote Viking Contest", using the theme of Alberta's 75th Anniversary. The window displays are to be set up and judged by July 26, and a plaque will be presented to the winner on fair day, August 7.

Holden Students Receive Awards

The Holden School Graduation held recently in the Holden Regional Arts Centre found over 350 people in atendance.

The 1980 Highest Matriculation Award went to Karen Koetke, daughter of Mr. and Mrs. Ernest Koetke.

The Second Highest Matriculation Award was received by Dixie Warren, daughter of Mr. and Mrs. Mel Warren.

The Highest General Student Award was received by Janice Ewasiuk, daughter of Mr. and Mrs. Euguene Ewasiuk.

The Second Highest General Award went to Wendy Komarnisky, daughter of Mr. and Mrs. Peter Komarnisky. Wendy also received the award for Outstanding Citizenship.

Vincent Hrabec received the award for the Student Contributing the Most to School Spirit. He is the son of Mr. and Mrs. Lawrence Hrabec. At the conclusion of the Graduation Exercises, Sheila Rurka, President of the H.H.S.S.H presented each Graduating girl with a rose as they left the stage.

Darrel Pasnak accepted the Gift to the School on behalf of his 1980 Graduating Class from Mr. Walter Kropielnicki. Darrel Pasnak is the son of Victoria and the late Ben Pasnak

Holden News

Many Holden and District residents are preparing for the two day Anniversary celebrations in our Village.

Some of the activities have already been planned but more plans will be prepared at later dates. Please watch your newspaper for added entertainment, location of each activity and prices.

At present, Friday June 13 will feature a pancake breakfast, bingo and horseshoe tournament in the afternoon. More plans will be announced later. Also on Saturday, June 14, a free breakfast, parade at 10 a.m. with bingo in the afternoon and a beerfest from 1 5 pm. and a dance in the evening have been planned.

More details will be added to Saturdays events in the near future.

Many residents of Holden may have forgotten Arbour Day, but the teachers and the students from school were out in the Village cleaning streets and alleys. Mr. Gibbison, Village employee, assisted. Holden residents always appreciate the school taking part in clean up days.

4-H Achievement Day Held

The Bruce Busy Bees have finished another year of cooking and activities with their Achievement Day.

Our theme for this year was "Bee Happy - Bee Helpful, Bee Honest and Bee Healthy For The Next 75 Years. Achievement Day was on May 6th with all 4-H members taking part in the program.

The program opened with O'Canada and the 4-H pledge. Next was the introduction of the 4-H members. We then had a piano selection by then had a piano selection, followed by a summary of our activities by our 4-H reporters.

Following this was another musical selection. Our club delegates then gave a summary of the Council activities. After we had our play and an action song by the poo wees, the judges were introduced. Their names are Charlotte Hyrnyk and Debbie Gargus and Janice Steinback who aided the judges. She was from the Vermilion Regional Office.

The judges gave their comments and presented the trophies. Sandra Weber presented the trophies. Sandra Weber won first years, Phyllis Giebelhaus won second years. The Efficiency Awards were won by Gloria Sawers - first years and Cathy Pratt - second years.

The trophies were presented by Bud Hammermaster. A small gift was presented to the judges in appreciation for their help. Also each of the leaders were presented with a gift.

A special thanks to Mrs. Erickson, Mrs. Kraus and Mrs. Pratt for their help and also to all the mothers.

Holden Chamber Meets

The Holden and District Chamber of Commerce held their regular monthly dinner meeting on May 6th.

President Kevin Stambaugh chaired the meeting. Harry Christian, Secretary-Treasurer read the minutes of the previous meeting which was held on April 1st.

A letter was received from Edmonton Northlands, stating that this is the twelfth year of the popular Alberta Farm Family Awards. Winning families will be selected from Central and Northern Alberta. These families will be honored at the Country Day July 21st., during Klondike Days Exposition being held from July 16 to 26. Part of their day will include a tour of the legislative buildings and the city hall and a lunch with the Lieutenant Governor and the Premier of the Province of Alberta. The mayor of Edmonton will also be a participant and the family will enjoy a complimentary day at the exhibition. The closing date for chosing a "Farm Family" is May 30, 1980.

At this meeting it was stated that Holden will be holding its 75th Anniversary celebrations on June 13 and 14.

Don McKenzie was present at this meeting and gave a report on the Battle River Tourist Association. Discussions were held about the Alberta Chamber meeting which will be held in Camrose.

New Oat Variety

A new variety of spring oats, called Fidler, has been licensed by Agriculture Canada.

Developed at the departments Winnipeg Research Station, Fidler has good resistance to all common races of oat stem rust, leaf rust and smut in western Canada.

Farmers should should be able to obtain certified Fidler seed in 1982

Viking Chamber Of Commerce Meeting

Thursday, May 22, 1980 6:30 p.m. -:- Viking Burger Queen

ALL MEMBERS PLEASE ATTEND!

Viking Council Notes

At the May regular meeting of the Viking Town Council, Ken Midbo reported that the Council Housing Committee had met with the Viking Senior Citizens' Housing Committee concerning land for the new self-contained units. Mr. Midbo said that the Committee was in favor of constructing the eight units behind Vialta Lodge. Representation would be made in this regard to the Beaver foundation whose approval of the project on this land is necessary.

Len Josephison reported that the Canada Week Committee had met and are planning for a Community Picnic. Mr. Josephison requested use of the recreation grounds for the day which has yet to be determined. The picnic will be held during Canada Week, June 24 to July 1.

Councillor Josephison also reported on the 75th Anniversary Committee's progress on the project proposals.

He noted that there were some large projects and some smaller ones, and that each would have to be carefully considered. He said that a letter from the Alberta government requested that a large portion of the money be spent on a major capital project.

In other Council business, approval has been received from Alberta Advanced Education and Manpower for the hiring of eight students through the S.T.E.P. grants. These students will be working for the Town at various jobs throughout the community.

Council approved entering into a lease agreement with Alberta Transportation for the Viking Airport. The agreement covers all aspects of the operation and maintenance of the new facility.

The legal firm of Rodnunsky and Rodnunsky of Wainwright has been engaged to commence legal action concerning businesses that have not purchased a business license. Letters have already been sent to the five businesses concerned.

The Municipal Inspector suggested to Town Administrator, Lydia Hanson that the 8 percent charged on overdue taxes was little incenitive to delinquent taxpayers. Council agreed and passed a motion approving a 12 percent interest charge on all overdue accounts.

At a special meeting of the Council on Monday, May 12, Mr. Bjarne Pedersen of the Alberta Housing Corporation met with the Councillors to discuss alternatives to financing development of the proposed Loughlin subdivision.

Discussion revealed that A.H.C. will purchase the land either as "reserve" or as a housing subdivision. Purchase as reserve land merely speeds up approval of the purchase.

Once the land has been purchased by A.H.C., three alternatives are available for developing the land. Firstly, A.H.C. can develop and sell the lots. Secondly, the Town of Viking can purchase the land from A.H.C. and then develop and sell the lots. Lastly, a private developer can purchase land, develop it and sell the lots.

Council passed a motion to apply to A.H.C. for financing to purchase the Loughlin Estate land and will decide on the development route later.

A.H.C. will now conduct a feasibility study on the land to determine development possibilities.

Council also selected one of the seven development plan alternatives. Council's selection is not final as the plan must be submitted to Alberta Municipal Planning for approval.

Also at the meeting, Town Foreman Fletcher Massey was appointed Town weed inspector for the year as required by Alberta statute.

Those on the committee are Ludwig Satre, Harry Riley, Jim Jackson and Dorcas Coffin.

It was decided that the next business meeting would be held on the second Wednesday in June as the Ladies of the Royal Purple were coming to entertain us on the first Wednesday in June, which is the 4th.

When the business meeting adjourned four tables of whist were played while two played scrabble. Harry Riley was high scorer for the men while Jim Clisdell collected the low score. Mildred Smith was highest in the ladies section and Georgina Enger the low scorer.

Winnie Riley took the prize awarded for the scrabble game. Lunch and socializing followed.

Irma New Horizon Club Report

The regular monthly business meeting of the Irma New Horizons Club was held in the Drop-In Centre. As scheduled, the meeting was held on the first Wednesday of the month, May 7th.

Attendance was down somewhat from previous meetings owing to some members being away and others busy farming.

The meeting was called to order by the president, Georgina Enger. The minutes of the previous meeting were read and disposed of. Business arising from the minutes was dealt with. The treasurer's report was given by Harry Riley. A discussion took place regarding the east end of our building and what might be done to put it in better shape. A building committee was set up to take action on this matter.

Clara Swanson Passes

Clara Swanson passed away in the Viking Hospital on April 26, 1980. Clara Augusta Boraas was born on December 5, 1890 in Roberts County, South Dakota. She came to Canada with her family in 1903, travelling as far as Wetaskiwin by train and then moving east to near Viking. In 1912, Clara was married to Carl Swanson in Parkland Lutheran Church near Camrose. The couple resided on a farm north east of Viking. They retired from the farm in 1950 and moved to Viking, into their house across from the school.

Here, she was "Grandma" to many of the students for years. She spent the last few years in the Vialta Lodge and the Parkland Nursing Home.

Clara was predeceased by her husband Carl, in 1962, four brothers, Peter, Ole, John and Alfred Boraas,and three sisters; Ida Nordstrom Olga Craig, and Louise Halvarson. She is survived by a brother and sister, Gilbert Boraas, and Adina Hammer of Viking; her children; Peter Swanson of Penticton, B.C., Agnes Hanson and Stella Streit of Viking, Mildred Dunlop of Cadomin, Elmer Swanson and Esther Stalker both living in Edmonton, and Carol Swanson in Tofield; as well as 20 grandchildren and 21 great grandchildren.

Funeral services for Mrs. Swanson were conducted at the Golden Valley Lutheran Church on Tuesday, April 29 with Pastor Tim officiating. The organist was Mrs. Ila Sorenson. "Beyond the Sunset" was sung by Mr. Stan Sorenson. The congregational hymns were "The Old Rugged Cross", and "Just a Closer Walk with Thee", all of which were chosen by Clara some time ago. The text for the sermon had also been outlined by Clara and was well delivered by Pastor Tim.

Pallbearers included six of the grandsons; Murray Hanson, Larry Swanson, Dale Dunlop, Glen Stalker, Allan Streit, and Lee Swanson.

Clara was laid to rest in the Golden Valley cemetary, a spot within sight of their original farm overlooking Lake Thomas.

Chic Shaw and Shayle Bell were married last Saturday in Irma. The couple will be living in Athabasca. Staff Photo

Parkland Nursing Home News

Marlene Rose of Camrose called on Chester Lund.

Mrs. Roth has enjoyed spending some afternoons at home with her husband.

Lloyd and Walter Campbell from Heisler were in to visit with Mom Campbell.

Rose Gizoski visited with Mrs. Kawaliak, Mrs. Tchir and Mrs. Pasnak. Also calling grandma Tchir and Pasnak were their granddaughter Diane Pasnak.

Mrs. Ward had a Mother's Day visit with her family - Joyce, Max, Holly, Robbie and Heather Rae Teed and Ross Ward of Ryley.

Rebecca Madden, Mabel Sarasin and Amy Lewis of Edmonton called on Gail Gustafson.

Calling on Mr. Henderson were Eva, Ron, Carol and Michelle Henderson from Forestburg.

Ann, Armand, Linda and Dave Cartwright from Edmonton stopped in to visit with Mom Cartwright.

Many of our mothers spent Mother's Day at home with family...Mrs. Tchir, Mrs. Pasnak, Mrs. Haeberle, Mrs. Kawaliak, Mrs. Clegg, Mrs. Fredericks, Mrs. Weder and Mrs. Roth.

Mr. Laube also enjoyed Mother's Day at home.

We wish to express our sympathy to the Theroux family on the passing of Mrs. Theroux.

Vialta Lodge News

Strawberry Tea at Vialta Lodge will be held on Saturday, June 7th, from 2 p.m. to 4 p.m. All are welcome to join us.

Mrs. Weder came over to have dinner with us on Sunday and help celebrate Carl's birthday.

Mrs. Suddaby with Mrs. Rodwell, had several of her family for lunch in her room for Mother's Day.....Islay, Faith, Foster and Sara were visiting.

Calling on Mrs. Austin was her son Phillip and his wife, Mr. Eckmeyer was also along for the ride.

Mrs. Ferguson is spending a few days in Vegreville with her family.

Mr. Gibson spent Sunday visiting in Holden.

Going out to spend Mother's Day with their families were Mrs. Johns, Mrs. Savage, Mrs. McNally, Mrs. Ash, Mrs. Sorenson, and Mr. and Mrs. Tchir.

Chester Falis of Edmonton called on Elmer Johnson.

Lynn and Greg Ruzicka visited with Belle D'Arcy.

Visiting Mr. Cotter were Bob and Jean Cotter of Calgary.

Lily and David Davidson called at the Lodge on Saturday.

We are pleased to have Mr. Allen here from hospital.

Our sympathy is extended to Mr. George Theroux and family on the passing of Mrs. Theroux. Mrs. Theroux spent many years with us at Vialta before moving to the Nursing home.

The Ladies of the Alliance Church came on Friday afternoon, to entertain with a Mother's Day program and lunch to serve. Thank you for coming to spend this time with us.

We will be holding our Bingo on Wednesday afternoon, May 21st and our Card Party will be on Tuesday, May 27th at 8:00 p.m. Everyone is welcome to join us.

Irma News And Views

Congratulations to a long-time Irma resident, Oskar Steffenson who celebrated his 98th birthday with is family on May 7th, 1980.

Belated congratulations to Mr. and Mrs. David Hill (nee Sharkey) on the birth of their new baby boy on Saturday, April 19th in the Wainwright Hospital.

Tom and Lillian Copeland have their grandchildren, the LePage girls staying with them while their mother is in hospital recovering from the effect of a serious car accident. We are glad to report that Mrs. LePage is now home and recovering nicely.

Mrs. Isabel Bartholow of Sundre is visiting with her parents. Since arriving her on May 6th she has enjoyed visiting and her Lorna have helped her mother, Minnie Jackson cleaning house, painting, varnishing, etc. She also visited with her daughter, Joyce, Marilynn, Arthur and family and others.

On Sunday, May 11th, Isabel Bartholow drove her Mom and Dad, Minnie and Jim Jackson to Armitage's for a visit with Mary and Bert.

The last of a series of Yoga exercises was held in the Irma Drop-In Centre on Friday, May 9th, although eighteen seniors, and others signed up for the exercises, ten were on hand on Friday.

Minnie Jackson on behalf of those taking part, presented the instructor, Mrs. Mary MaGuire with a token of appreciation and a vote of thanks for her good humored instructions. Mrs. MaGuire expressed her thanks and said that she had enjoyed instructing us and said that another series of exercises would commence about October 1st.

Colleen Gulka and young son Peter from Kitimat, B.C. spent a few weeks visiting with her mother, Phyllis Craig recently. When Colleen returned home, over a week ago, her mother accompanied her, and returned back home to Irma last Sunday, May 11th.

Mrs. Allie Bacon had as weekend guests, Mr. and Mrs. Cecil Agnew of McPhie Lake, Saskatchewan. The agnews are cousins of the Bacons and old time neighbors of Allies. They left on Monday afternoon to continue their journey on to Calgary and B.C.

P.S.S. To Initiate Youth Programm In Viking

Preventive Social Services is concerned with the youth of the community. We are planning to have a youth survey, asking questions about teen interests, ideas and concerns for programs, and other services in which teens are interested.

The survey will be taken in the school, and will cover grades 7 through 12.

Once the survey is completed the results will be compiled by the PSS, and proprams will be developed, using the information gathered. Programs which youth show the greatest interest in will be given priority.

PSS has started a youth employment program for students wanting to work now and during the summer. Students can register at the PSS office. Anyone wanting work done can register their jobs by calling 336-4024, or by dropping into the PSS office.

PSS looks forward to working with the youth of Viking.

Community Picnic Planned For Viking

Plan to celebrate Canada Day, July 1st, in Viking with an Old-Time Community Picnic at the Recreation Park.

A small "Canada Unity Committee" has been organized and is in the process of planning. We need volunteers.

Letters have been sent to various service clubs, asking the organizations to take charge of one event such as nail-driving, three legged race, pie-eating contest, horse shoe tournament, log sawing contest, pillow-fights etc.

We hope that many groups will take on one activity each, therefore lessening the load for everyone and freeing them to enjoy and freeing them to enjoy the picnic.

If you have suggestions or ideas for the picnic, or time to help, please come out to a planning meeting on Tuesday, May 20th, 7:30 p.m. at the Viking Civic Centre.

Also if any have guessions or ideas please call Marilyn Hoyland at 336-3402 or Deborah Taylor at the Preventive Social Service office 336-4024.

Shady Cove W. I. Ladies Meet

The shady Cove W.I. Ladies held their April 18th meeting at the home of Mrs. Kay Dorward. There were sixteen members and two visitors in attendance.

Dora Haeberle read a poem entitled "Road of Life". For roll call each member paid a penny for each inch of waistline. The minutes of the previous meeting were approved as read.

A motion was made by Mildred Bridgeman and seconded by Ruth Ash that we increase our lunch money to 50 cents each. It was moved by Jenny Lefsrud and seconded by Myrs Francis that we continue to pay for the fine arts prize at the local fair.

A thank you note was received from Martha Hoines for card and gift.

A motion was made by Ida Dorward and seconded by Laura Swift that we have a table at the flea market. This was carried.

A committee of Laura Swift, Elsie Ottoson, and Ida Dorward read information regarding the convention being held at Olds one June 9, 10 and 11. Resolutions to be brought up at the Convention were read and discussed.

Laura Swift, our delegate to the Constituency Conference gave her report which was a very good coverage of the day. The cost of mileage for district convener was raised to 25 cents per mile. New conveners chosen: Mrs. Betty Parsons of Irma - District Convenor, Mrs. Lorna Jackson - Environment and Mrs. Merle Weder - Social.

It was moved by Jenny Lefsrud and seconded by Kay Dorward that we send a box of materials etc., to a new WI at Cadotte Lake; carried. It was decided to take a table at the Flea Market on May 10th. The motto was given by Kay Dorward; "A MANS WORDS AND NOT DEEDS IS LIKE A GARDEN FULL OF WEEDS". The next meeting will be May 19th at Sofie Comisarow's. The roll call will be "used glasses". The hostesses will be Sybil Brower and Mildred Bridgeman.

Shady Cove had been asked to help out with an item for entertainment at the Kinsella conference, and we wish to thank the United Church choir for the two selections they sang. Also thanks to Mrs. Pauline Watson for coming to play for them.

The meeting was then adjourned. A lovely lunch was served by Laura Swift and Gladys Holt, who had brought a special treat, a lovely Angel Food cake with ice cream and strawberries, in honor of Mildred Bridgeman, who's birthday was April 18th. Hope someone has a birthday this meeting day?

We were happy to welcome Helen Ruzicka to our group as a new member.

We received a letter warning us that a group are discrediting the name of the Unitarian Service Commite of Canada. One of their plans is labeled "Lend A Helping Hand". If you are canvassed, check out credentials.

Kinsella Seniors Meet

The Kinsella Rose Senior Citizens are busy with various projects and several members can be found at the school every Wednesday evening.

The quilt raffled was won by Gary Carlson of Revelstoke. For him it was a bonus wedding present as he had received the ticket from one of his Kinsella relatives at the time of his wedding.

The second draw, the cushion, was won by Lawrence White of Irma.

Remember the card party in Kinsella school on Wednesday, May 21 at 8 p.m. Everyone welcome.

Members, don't forget the second Wednesday of each month is the regular business meeting of the club.

In Memoriam

IN MEMORIAM
In loving memory of Mike Miciak who passed away on May 16, 1974
We hold our tears when we speak your name,
But the ache in our hearts is still the same.
No one remembers the sorrow we share,
When our family meets and you're not there.
In our hearts you are forever near,
Still loved, still missed and very dear.
Ever remembered by the Miciak family 14p

Card of Thanks

We would like to thank the Doctors, nurses and staff of the Viking Hospital for the excellent care we received during our stay there. Also thank you to everyone that came to visit us, sent cards and gifts of fruit, candy, comics, puzzles, milkshakes and games. This was greatly appreciated.
Tim and Tracy Ford 14p

CARD OF THANKS
We wish to thank all the friends and neighbors of Joseph Beschell who re membered us in our time of sorrow. Your thoughtfulness and assitance was greatly appreciated.
Orville and Betty Smith and Family. 14p

CARD OF THANKS
I would like to thank the Doctors, nurses and staff for the good care I received while in the Viking Hospital. Thanks to everyone who visited and sent cards, flowers and baskets of fruit.
Bessie Olsen 14p

We would like to thank everyone who has helped us in anyway since our fire. We sincerely appreciate your support.
The Ben Lutz Family 14c

We wish to thank the Viking Fire Department and all the folks who turned out to help fight the fire Sunday. Thank you also to the neighbors who brought lunch. All the help was certainly appreciated.
The Fultons 14p

The family of Mrs. Clara Swanson would like to thank the many, many friends and relatives who have donated flowers, cards, food and charity donations in Clara's name. Special thanks to the staff of Vialta Lodge, Parkland Nursing Home and the Viking Municipal Hospital. Also thank you for the lovely lunch served at the church after the service. 14p

Some problems with soft base have resulted in delays to sidewalk placement in the Rozmahel subdivision as Border Paving was required to deep base some of the road area. Staff Photo

Viking and District News Items

The Viking Shamrocks baseball club have again put together a competitive team and following three practices will begin league play with an out of Town game against Ryley on Thursday, May 15. The following Tuesday, May 20, Round Hill will meet the Shamrocks at the Viking diamond.

A note has been received from dance instructor Georgina Klammer of Georgina's School of Dance, advising that the classes being taught at the Viking Legion Hall have been going very well, a lot of enthusiasm and hard work has been displayed by the students. Their final lessons are being taught on June 16th with their exams scheduled for June 23rd.

Minor Baseball league action in the Mosquito Division (10 years and under) found the Viking A team defeat the Tofield A team in their opening game played at home on Monday night. Although Viking was ahead by seven runs going into the final inning, Tofield narrowed the gap to end the game with a 15 - 13 score. The Viking B team also played at home on Monday night, losing their opening game to Ryley's team by a 26 to 0 point game.

The Viking Golf Club are sponsoring a "Two-Ball Foursome on Thursday evening, May 15th, commencing at 6:00 p.m. to be followed by a Pot Luck supper. Everyone is welcome to join in the fun.

The business community of Viking welcomes Keith Schmidt, Barrister, Solicitor and Notary Public, on the opening of a law office in Viking. His office will be located next to Ritchie Agencies on Main Street and will be open from 10:30 to 4:30 on Tuesdays and from 10:30 to 4:30 on Fridays each week. Mr. Schmidt will commute from Camrose where he is currently engaged in the practice of law.

Dave, Esther and Roxanne Oshkosteon of Rimbey spent Mother's Day with her parents, Selmer and Martha Hoines. Also visiting on Mother's Day were Brian, Sharon and Matthew Kriss of Rimbey, grandchildren of Selmer and Martha Hoines.

The Viking Cemetery Committee advise that they are organizing a clean-up day for May 26th, commencing at 9:30. Anyone interested in volunteering their time to help with this project are most welcome and are asked to bring along the necessary tools.

Members of the Viking Bruce and Kinsella communities are advised that Mrs. Myrtle Ronaghan of Viking is the person to contact in regard to the Community Service System "Bibles". These are given to newlyweds, those having anniversaries - 25th, 40th, 50th and thereafter. Anyone wishing to be included can Phone 336-4752. This service is made possible through the generous donations of some of the Viking merchants.

Irma Minor Softball Underway

John Ganie has been busy once again this ball season as he has organized a minor Softball league. This includes boys and girls 14 years and under. There were enough youngsters wanting to play so four teams were formed. A league schedule has been organized for games from May 5th through to June 26th. Each team will play two games a week. After finishing the league there will be playoffs, which will be two out of three games. The 1st and 3rd place teams playing off as well as the 2nd and 4th.

Rules are: Batting helmets are to be worn by all batters, and base runners at all times. Five runs or three outs, whichever comes first constitutes one half of an inning. All players on the game sheet will play in that game and all players will bat whether in the field or not. Due to these rules it takes longer to play a game and you will find that there are more runs scored than normal.

COACHES AND PLAYERS

STEELERS:Gail Soucy and helpers; Roxee Culbert, Donna Pierce, Diana Soucy, Tracy Ford, Linda Larson, Tammy Smithson, Tim Ford Mike Soucy, Lorne Firkus, Ranky Kellar, Rick Burton, Doug Larson, David Larson, Brendon Charest.

BAD NEWS BEARS: Blain Copeland; Denise Crawford, Diane MacKay, Debbie MacKay, Tracey Copeland, Heather White, Louise Smith, Trevor MacKay, Darin Cottail, Doug Hollinger, Randy Ganie, Stacy Fuder, David Haugan, Trevor Copeland, Dwayne Hollinger.

CARDINALS: Robert Wigmore; Patricia Seip, Laurie Adamson, Rhonda Boomhower, Candice Kumick, Tammy Adamson, Robert Holt, Stan Boomhower, Ron Boomhower, Randy Wigmore, Robbie Hinton, Gordon Fenton, Paddy Adamson.

BLUE JAYS: John Ganie; Tammy Ronjom, Rhonda Lovig, Tracey Minchau, Deana Prior, Shawna Skori, Darla Skori, Rosann Teeter, Darcy Lemieux, Daria Archibald, Doug Fisher, Richie Wolosiak, Colin Kumick, Ivan Tessman.

The touchables

Put an extra touch of convenience in your home or office with a Touch-Tone extra phone -- the phone in tune with today's push-button age. You tap out numbers almost as fast as you can say them!

An extra phone saves time -- you reach not run. Adds privacy and security to your life.

Try the speed and ease of a Touch-Tone. So much for so little. See them at your nearest phoneCentre. Or contact your AGT Business Office. Available to single line customers in Touch-Tone areas.

Echo-Rodino Report

Missed from last week was that Mildred Bridgeman was also on hand to help Marvin Holt celebrate his birthday.

Ray Johnston spent most of the week in Edmonton undergoing some medical treatment.While there he visited the Ken Anderson family and his father, W.D. Johnston, who at present is in hospital in Edmonton.

Victor Carter flew off on a big silver bird for a spring holiday in England.

Yvonne Greenwood accompanied her mother Florence Johnston to the city to visit her father W.D. Johnston in hospital there.

Visiting in the community with old friends were Doris Thomas and her son, David and Stella Culver of England. Doris and David once lived in our community and are remembered by most of us.

Sharon Bauer celebrated getting another year older by having a few friends in for a party. Stacy Place spent the weekend with Sharon.
